Item 5.02. Compensatory Arrangements of Certain Officers.

On January 27, 2011, the Board of Directors, acting upon the recommendation of its Management Development and Compensation Committee (the Committee), did not increase and approved a 2011 base salary rate of \$1,800,000 for Robert J. Stevens, Chairman and Chief Executive Officer of the Corporation. This action was at the request of Mr. Stevens, who again volunteered to freeze his base salary rate at the rate approved in 2008. This is the third consecutive year that Mr. Stevens will not receive a salary increase. This also is consistent with the decision to not award merit increases to most employees at the vice president level or above.

The Committee approved an amendment to the Management Incentive Compensation Plan (MICP), effective for 2011 bonuses payable in 2012, to provide for higher targets for executive vice presidents (raising the target, expressed as a percentage of base salary, from 75% to 90%), for senior vice presidents (raising the target from a range of 55% to 65% to a range of 55% to 75%), and for other elected officers (raising the target from a range of 40% to 55% to a range of 40% to 65%). A copy of the MICP, as amended, is attached as Exhibit 99.1 to this report and is incorporated herein by reference. In addition, the Committee approved a discretionary partial bonus for 2010 for James B. Comey, the Corporation's former Senior Vice President and General Counsel, of \$441,800. Mr. Comey left the Corporation in September 2010.

The Committee also approved restricted stock unit (RSU) and stock option award agreements which differ from prior years in the following ways:

Make the treatment of layoff and retirement more consistent between the option agreements and RSU agreements. Stock options vest in annual increments over three years. Under the 2011 agreements, upon layoff or retirement, holders of stock options will forfeit any non-vested stock options.

Include post-employment non-compete, non-solicit, and confidentiality covenants applicable to recipients of executive grants.

Provide that dividend equivalents on RSUs are not paid until vesting.

A copy of the forms of RSU and stock option award agreements are attached as Exhibits 99.2 and 99.3 to this report and are incorporated herein by reference.
