Title of Class	Number of Record Holders

Item 30. Indemnification

The Registrant is an organization of the type commonly known as a Delaware statutory trust. The Registrant's Declaration of Trust provides that the Trustees and officers of the Registrant, in their capacity as such, will not be personally liable for errors of judgment or mistakes of fact or law; but nothing in the Declaration of Trust protects a Trustee against any liability to the Fund or its shareholders to which he would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of his office.

The Registrant's Declaration of Trust authorizes the Registrant, to the maximum extent permitted by Delaware law and subject to the requirements of the 1940 Act, to obligate the Registrant to indemnify any present or former trustee or officer or any individual who, while serving as the Registrant's trustee or officer and, at the Registrant's request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, limited liability company, employee benefit plan or other enterprise as a trustee, officer, partner, director, manager or member, from and against any claim or liability to which that individual may become subject or which that individual may incur by reason of his or her service in any such capacity and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding.

The Registrant's Bylaws obligate the Registrant, to the maximum extent permitted by Delaware law and subject to the requirements of the 1940 Act, to indemnify any present or former trustee or officer or any individual who, while serving as the Registrant's trustee or officer and, at the Registrant's request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, limited liability company, employee benefit plan or other enterprise as a trustee, officer, partner, director, manager or member and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in any such capacity and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding. The Registrant's Declaration of Trust and Bylaws also permit the Registrant to indemnify and advance expenses to any individual who served any predecessor of the Registrant in any of the capacities described above and any employee or agent of the Registrant or a predecessor of the Registrant, if any.

In accordance with the 1940 Act, the Registrant will not indemnify any person for any liability to which such person would be subject by reason of such person's willful misconduct, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

Insofar as indemnification for liability arising under the Securities Act may be permitted to Trustees, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a trustee, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such trustee, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Item 31. *Business and Other Connections of Investment Adviser*

The information in the SAI under the caption "Management, Trustees and Officers" is hereby incorporated by reference.

Item 32. *Location of Accounts and Records*

The accounts, books or other documents required to be maintained by Section 31(a) of the Investment Company Act of 1940, as amended, and the rules promulgated thereunder, are kept by the Registrant or its adviser, custodian, transfer agent, administrator and fund accountant.

Item 33. *Management Services*

Not applicable.

Item 34. *Undertakings*

1. The Registrant undertakes to suspend the offering of its common shares until it amends the prospectus filed with its Initial Registration Statement if (1) subsequent to the effective date of its registration statement, the net asset value declines more than 10 percent from its net asset value as of the effective date of the registration statement, or (2) the net asset value increases to an amount greater than its net proceeds as stated in the prospectus.

the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective; and

(b) For the purpose of determining any liability under the Securities Act of 1933, as amended, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of the securities at that time shall be deemed to be the initial bona fide offering thereof.
