SUMMARY OF THE DIRECT STOCK PURCHASE AND DIVIDEND REINVESTMENT PLAN

The following summary description of our Direct Stock Purchase and Dividend Reinvestment Plan is qualified by reference to the full text of the plan (as amended) contained in this prospectus. Terms used in this summary have the meanings given to them in the plan.

The plan amends and restates in its entirety our prior Direct Stock Purchase and Dividend Reinvestment Plan. Current participants will automatically continue to participate in the amended plan, as set forth in Information about the Plan.

Purpose of Plan

The purpose of the plan is to provide a cost-free and convenient way for our shareholders to invest all or a portion of their cash dividends in additional shares of our Common Stock. The plan also provides us with a means of raising additional capital through the direct sale of our Common Stock.

Eligibility and Enrollment

If you currently own shares of our Common Stock, you can participate in the plan by submitting a completed enrollment form. You may participate directly in the plan only if you hold our Common Stock in your own name. In order to participate in the plan, you must elect to reinvest a minimum of 10% of the dividends (if any) paid on shares held in the plan.

If you do not own any shares of our Common Stock, you can participate in the plan by making an initial optional cash investment in our Common Stock of at least \$250 by check, one time online investment or by automatic deduction from your account at a U.S. bank or financial institution. Checks can be accepted from a Canadian financial institution as long as the funds are in U.S. dollars.

Table of Contents

ONEOK reserves the right to exclude from participation in the plan persons who utilize the plan to engage in short-term trading activities that cause aberrations in the price or trading volume of ONEOK Common Stock.

Shareholders who reside in jurisdictions in which it is unlawful for ONEOK to permit their participation are not eligible to participate in the plan.

Purchases may be made by check, one time online investment or by automatic monthly deductions from your account at a U.S. bank or financial institution. Checks can be accepted from a Canadian financial institution as long as the funds are in U.S. dollars.

New investors can buy their first shares directly through the plan. The minimum initial cash investment is \$250 by check or one time online investment, or \$25 using the automatic investment feature for at least ten consecutive investments. Initial cash investments cannot exceed \$10,000 unless we have granted your request for waiver.

Optional Cash Investments in Excess of \$10,000 Request for Waiver

Optional cash investments by current shareholders and initial optional cash investments by new investors in excess of \$10,000 may be made pursuant to a request for waiver which has been granted by ONEOK.

Purchase Date

When WFSS (our plan administrator) purchases shares of Common Stock on behalf of a participant, those purchases are deemed to have been made on the Purchase Date. If WFSS is buying shares of Common Stock directly from us with dividends being reinvested, the Purchase Date will occur on the dividend payment date (or if such date is not a trading day, then the first trading day immediately preceding that date). If WFSS is buying Common Stock directly from us with optional cash investments of up to \$10,000, then a Purchase Date will occur at least once every five business days for all such purchases requested by all participants from two business days before the preceding Purchase Date. If WFSS is buying shares of Common Stock directly from us with optional cash investments in excess of \$10,000 pursuant to an approved request for waiver, then WFSS will purchase the Common Stock once each month over a one to fifteen day pricing period, with each day in the pricing period being considered a Purchase Date, as more fully discussed below.

If WFSS purchases shares of Common Stock in the open market or in privately negotiated transactions, whether with dividends being reinvested or with optional cash payments, WFSS will purchase those shares as soon as is practical beginning on the day that would be deemed the Purchase Date if the Common Stock were purchased from us.

Source of Shares

WFSS will purchase shares of Common Stock sold to participants either directly from us as newly issued shares of Common Stock or treasury shares, or from parties other than us either in the open market or in privately negotiated transactions or through a combination of the above.

Purchase Price

If WFSS purchases shares of Common Stock directly from us with reinvested dividends or optional cash investments of up to \$10,000, WFSS will pay a price equal to 100% (subject to change as provided below) of the average of the high and low sales prices for a share of our Common Stock reported by the New York Stock Exchange on the applicable Purchase Date, or, if no trading occurs in shares of Common Stock on the applicable

Table of Contents

Purchase Date, the first trading day immediately preceding the Purchase Date for which trades are reported, computed to three decimal places.

If WFSS purchases shares of Common Stock directly from us with optional cash investments of greater than \$10,000 pursuant to an approved request for waiver, WFSS will purchase the Common Stock pro rata over a one to fifteen day pricing period, with each day in the pricing period being a Purchase Date. The one to fifteen day pricing period is the ten consecutive trading days ending on either the dividend payment date during any month in which we pay a cash dividend or the 15th day of any month in which we do not pay a cash dividend (or if either date is not a trading day, then the first trading day immediately preceding such date). On each of the ten Purchase Dates, WFSS will pay a price equal to 100% (subject to change as provided below) of the average of the daily high and low sales prices for a share of our Common Stock reported by the New York Stock Exchange computed to three decimal places. Purchases by WFSS during the pricing period may be subject to a minimum price, as more fully described below.

The price WFSS will pay us for shares of Common Stock in the case of dividend reinvestments, optional cash investments up to \$10,000 and optional cash investments in excess of \$10,000 pursuant to an approved request for waiver may be discounted by up to 5% at our sole discretion. As of the date of this prospectus, there is no discount for purchases.

If WFSS purchases shares of Common Stock in the open market or in privately negotiated transactions, then the purchase price to participants will be equal to the weighted average purchase price paid by WFSS for those shares, computed to three decimal places. The date on which WFSS purchases those shares shall be the Purchase Date.

Number of Shares Offered

This prospectus covers eight million (8,000,000) shares of our Common Stock (including shares previously registered but unissued under the Company's prior Direct Stock Purchase and Dividend Reinvestment Plan). Because we expect to continue the plan indefinitely, we expect to authorize and register additional shares from time to time as necessary for purposes of the plan.

Both current shareholders and new investors can participate in the plan.

The plan provides participants with the opportunity to reinvest cash dividends in additional shares of our Common Stock without having to pay processing fees or service fees.

The plan provides participants with the opportunity to make optional cash investments, subject to minimum and maximum amounts, for the purchase of shares of our Common Stock without having to pay any processing fees or service fees.

Optional cash investments of up to \$10,000 may be made by check, by one-time online investment or by automatic deductions from the participant's account at a U.S. bank or financial institution. Checks can be accepted from a Canadian financial institution as long as the funds are in U.S. dollars.

From time to time, at our sole discretion, the plan may provide up to a 5% discount on shares of Common Stock purchased from us through reinvested dividends, optional cash investments up to \$10,000 or optional cash investments in excess of \$10,000 pursuant to an approved request for waiver.

Cash dividends paid on shares enrolled in the plan can be fully invested in additional shares of our Common Stock because the plan permits fractional shares to be credited to participants' accounts. Dividends on fractional shares, as well as on whole shares, may also be reinvested in additional shares which will be credited to participants' accounts.

Edgar Filing: ONEOK INC /NEW/ - Form S-3ASR

For safekeeping purposes, a participant can convert Common Stock certificates into book-entry shares that will be credited to his or her account. As an added convenience, WFSS offers optional mail-loss insurance of up to \$100,000 coverage per envelope.

Table of Contents

At the request of participants and at no charge, WFSS will send certificates to participants for whole shares credited to their accounts.

At any time, a participant may request the sale of all or part of the shares credited to his or her account.

Periodic statements reflecting all current activity, including purchases or sales of shares and the most recent account balance, should simplify participants' record keeping.

Some Disadvantages of the Plan

No interest will be paid on dividends or optional cash investments held pending reinvestment or investment. In addition, optional cash investments of less than \$25 and that portion of any optional cash investment that exceeds the maximum purchase limit of \$10,000, unless that limit has been waived, are subject to return to the participant without interest.

With respect to optional cash investments in excess of \$10,000 pursuant to an approved request for waiver, the actual number of shares to be purchased will not be determined until after the end of the relevant pricing period. Therefore, during the pricing period, participants will not know the actual price per share or number of shares they have purchased.

Because optional cash investments are not necessarily invested by WFSS immediately on receipt, those payments may be exposed to changes in market conditions for a longer period of time than in the case of typical secondary market transactions.

Sales of shares of Common Stock credited to a participant's account will involve a nominal fee per transaction to be deducted from the proceeds of the sale by WFSS (if the sale is made by WFSS at the request of a participant), plus any processing fees and any applicable Common Stock transfer taxes on the sales.

Shares of Common Stock credited to the participant's account cannot be pledged unless and until the participant requests the issuance of a stock certificate for these shares, and such a stock certificate is issued.

We reserve the right to exclude from participation in the plan persons who use the plan to engage in short-term trading activities that we deem to cause aberrations in the price or trading volume of our Common Stock. We reserve the right to modify, suspend or terminate participation in the plan by otherwise eligible persons in order to eliminate practices which we deem inconsistent with the purposes of the plan.

INFORMATION ABOUT THE PLAN

The following questions and answers explain and constitute the governing document for ONEOK's Direct Stock Purchase and Dividend Reinvestment Plan.

The plan amends and restates in its entirety our prior Direct Stock Purchase and Dividend Reinvestment Plan. Current participants will automatically continue to participate in the amended plan as set forth below.

The provisions of the plan, in effect as of the date of this prospectus, are set forth below. Shareholders who do not elect to participate in the plan will receive cash dividends, as declared and paid in the usual manner.

1. What is the purpose of the plan?

The purpose of the plan is to provide our shareholders and other investors with a convenient and low-cost method of purchasing shares of our Common Stock and reinvesting all or a portion of their cash dividends in additional shares of our Common Stock. The plan allows current shareholders and interested new investors the opportunity to invest cash dividends and optional cash investments in additional shares of our Common Stock without payment of any processing fee or service fee. To the extent additional shares are purchased directly from us, the plan also provides us a means of raising additional capital through the direct sale of Common Stock. The plan is primarily intended for the benefit of long-term investors, and not for the benefit of individuals or institutions who engage in short-term trading activities that could cause aberrations in the price or trading volume of our Common Stock. We intend to use the net proceeds from the sale of newly-issued shares of Common Stock or treasury stock for one or more of the following, depending upon circumstances at the time of such sales: repayment of indebtedness, investments in assets, working capital, and general corporate purposes.

2. Who will administer the plan?

The plan will be administered by Wells Fargo Shareowner Services (WFSS), a division of Wells Fargo Bank, N.A. WFSS acts as plan administrator for participants, processes the purchasing of Common Stock acquired under the plan, keeps records of the accounts of participants, sends regular reports of account activity to participants and performs other duties relating to the plan. Shares purchased for each participant under the plan will be credited in electronic registration form (also known as book-entry form) to that participant's account maintained by WFSS, unless and until a participant requests the issuance of a stock certificate for all or part of the shares or requests the sale of all or part of the shares. WFSS also serves as dividend disbursement agent, transfer agent and registrar for our Common Stock. WFSS reserves the right to resign at any time upon reasonable notice to us.

4. Who is eligible?

All interested persons and entities, whether or not current holders of record of our Common Stock, may participate in the plan. In order to participate in the plan, you must elect to reinvest a minimum of 10% of the dividends (if any) paid on shares held in the plan.

A shareholder whose shares of Common Stock are registered in his or her name may participate in the plan directly. A beneficial owner (a shareholder whose shares of Common Stock are registered in a name other than his or her name, for example, in the name of a broker, bank or other nominee) may participate in the plan directly upon becoming a registered holder by having the shares transferred into his or her name. Alternatively, a beneficial owner may participate in the plan by making arrangements with his or her broker, bank or other nominee to participate in the plan on his or her behalf.

In addition, a new investor may participate in the plan by making an initial optional cash investment in our Common Stock of not less than \$250 or more than \$10,000 (unless we have granted the investor a waiver, in which case the initial investment may exceed \$10,000).

The right to participate in the plan is not transferable to another person apart from a transfer of the underlying shares of our Common Stock. We reserve the right to exclude from participation in the plan persons who use the plan to engage in short-term trading activities that we deem to cause aberrations in the price or trading volume of our Common Stock. We also reserve the right to exclude initial cash investments for any reason, including failure to comply with securities laws.

In order to participate, you must fulfill conditions of participation described below in the answer to Question 5 regarding enrollment procedures; and if you are a citizen or resident of a country other than the United States, its territories and possessions, your participation must not violate local laws applicable to you, us or the plan. Participants residing in jurisdictions in which their participation in the plan would be unlawful will not be eligible to participate in the plan. If you are a citizen or resident of a country other than the United States, before enrolling in the plan you should consult your own tax advisor regarding the tax consequences to you of participation in the plan under the tax laws of the country in which you reside.

5. What are the enrollment procedures?

New investors may enroll in the plan by submitting a completed initial enrollment form to WFSS together with a minimum initial investment of \$250 by check. Alternatively, a new investor may make an initial investment by authorizing automatic deductions from his or her account at a U.S. bank or financial institution of at least \$25 per investment for a minimum of ten consecutive investments. Checks can be accepted from a Canadian financial institution as long as the funds are in U.S. dollars.

New investors may also enroll online at www.shareowneronline.com by following the instructions provided for opening a ONEOK account. New investors will be asked to complete an online enrollment form and to submit an initial investment. Initial investments can be made by authorizing a one-time deduction from a U.S. bank account for at least \$250 and up to a maximum of \$10,000, or establishing an automatic monthly deduction from a U.S. bank account for a minimum of \$25 per investment for a minimum of ten consecutive investments.

Table of Contents

Registered shareholders (i.e., holders of record) may enroll in the plan online at www.shareowneronline.com or by submitting a completed enrollment authorization form to WFSS.

If you are a beneficial owner of shares of Common Stock registered in the name of a financial intermediary (for example, a bank, broker or other nominee), you may participate in the plan directly after you have instructed your financial intermediary to re-register your shares in your name and those shares have been re-registered. Any costs associated with that registration will be borne by you. You may then enroll in the plan as a registered shareholder, without having to make an initial investment. Alternatively, you may make arrangements for your financial intermediary to participate in the plan on your behalf.

Both the initial investment form and the enrollment authorization form, copies of which are available upon request from WFSS, appoint WFSS as the participant's agent for purposes of the plan and direct WFSS to purchase additional shares of our Common Stock with the cash dividends on the number of shares of Common Stock specified by the participant on the applicable form. The initial investment form and the enrollment authorization form also direct WFSS to purchase additional shares of our Common Stock with any optional cash investments that the participant may elect to make.

WFSS will process initial investment and enrollment authorization forms as promptly as practicable. Participation in the plan will begin after the properly completed forms and any required payments have been accepted by WFSS.

6. What options for reinvesting dividends does the enrollment form provide?

We typically pay cash dividends on our Common Stock on the 45th day after the end of a calendar quarter (or if that date is not a trading day, then the first trading day immediately preceding that date). The payment of dividends in the future and the amount of dividend payments, if any, will depend upon our financial condition and other factors as the Board of Directors deems relevant. Dividends are paid as and when declared by our Board of Directors. There can be no assurance as to the declaration or payment of a dividend, and nothing contained in the plan obligates us to declare or pay any dividend on our Common Stock. The plan does not represent a guarantee of future dividends.

In order to participate in the plan, you must elect to reinvest a minimum of 10% of the dividends (if any) paid on shares held in the plan. You may select from the following dividend reinvestment options:

Full Dividend Reinvestment: You may elect to reinvest all of your cash dividends by designating this election on your enrollment form. Dividends paid on all shares registered in your name in share certificate form and/or credited to your account will be reinvested under the plan in additional shares of Common Stock. Dividends paid on shares credited to your account will be included in information provided both to you and the Internal Revenue Service.

Partial Dividend Reinvestment: You may elect to have part of your dividends reinvested by designating this election on your enrollment form. If you elect partial dividend reinvestment, you must specify the percentage, minimum of 10% and in increments of 10%, which you want to reinvest under the plan in additional shares of Common Stock. Dividends on all other shares registered in your name in share certificate form and/or credited to your account will be paid.

For each method of dividend reinvestment, dividends will be reinvested in the manner specified above until the participant specifies otherwise, or until the plan is terminated.

7. Can I change my dividend reinvestment option?

Yes. You may change your dividend option online at www.shareowneronline.com, by calling or writing to WFSS or by submitting a new election on an enrollment authorization form to WFSS. To be effective for a specific dividend, any change must be received by WFSS at least one business day before the record date for that dividend. The record date is usually the last business day of the month preceding the month in which a dividend is paid.

8. Can I discontinue dividend reinvestment?

Table of Contents

Yes. You may discontinue reinvestment of cash dividends at any time online at www.shareowneronline.com or by giving telephone or written instructions to WFSS, provided, however, that in order to participate in the plan you must reinvest a minimum of 10% of the dividends (if any) paid on shares held in the plan. If WFSS receives the request to discontinue dividend reinvestment near a record date for a dividend, WFSS may either pay the dividend in cash or reinvest it under the plan on the next Purchase Date to purchase Common Stock on your behalf. If reinvested, WFSS will sell the shares purchased and send the proceeds to you less any service fee, applicable processing fee and any other costs of sale. All per share processing fees include the applicable brokerage commissions WFSS is required to pay. After processing your request to discontinue a portion of your dividend reinvestment, any shares credited to your account under the plan will continue to be held in book-entry form. Dividends on any shares held in book-entry form, and on any shares held in stock certificate form, will be paid in cash by check or by direct deposit to a pre-designated account at a U.S. bank or financial institution of your choice.

9. Can I have my dividends directly deposited?

Yes. Through the plan's direct deposit feature, instead of receiving dividend checks, you may elect to have your cash dividends paid by electronic funds transfer to your pre-designated checking or savings account at a U.S. bank or financial institution on the dividend payment date. To receive dividends by direct deposit, you must complete, sign and return to WFSS a direct deposit authorization form. You may obtain a direct deposit authorization form by calling WFSS at 1-866-235-0232. Alternatively you may authorize direct deposit online at www.shareowneronline.com.

Direct deposit authorization forms will be processed and will become effective as promptly as practicable after receipt by WFSS. You may change your designated bank account for automatic direct deposit or discontinue this feature at any time online or by submitting to WFSS a new direct deposit authorization form or by written instruction to WFSS.

10. How can I make a cash investment?

By Check

You may make initial cash investments and additional optional cash investments by personal check from a U.S. or Canadian bank or financial institution payable in U.S. dollars to WFSS ONEOK, Inc. Initial investments by new investors must be at least \$250. Additional optional cash investments by plan participants must be at least \$25. To be effective for a particular Purchase Date, WFSS must receive your optional cash investment at least (a) two business days before that Purchase Date for investments up to \$10,000 for initial investments (b) one business day before the Purchase Date for investments up to \$10,000 for current participants or (c) one business day before the commencement of the pricing period for investments in excess of \$10,000. Current plan participants should mail their optional cash investments to WFSS with the transaction form attached to each statement of account sent to them by WFSS.

By One-Time Online Bank Debit

You may make initial cash investments and additional optional cash investments online at WFSS's website, www.shareowneronline.com. In order to purchase shares online, you must authorize the withdrawal of funds from your bank account.

By Recurring Automatic Debits from a U.S. Bank Account

You may make automatic optional cash investments by electronic funds transfer from a pre-designated account at a U.S. bank or financial institution. Automatic investments must be for a specified amount, not less than \$25 and not greater than \$10,000 per investment.

A new investor may make an initial investment by authorizing automatic deductions of at least \$25 for a minimum of ten consecutive investments.

If automatic deductions are used for optional cash investments, you must either (i) complete and sign the authorization form for automatic deductions and return it to WFSS, with either a voided blank check or a deposit form for the bank account from which funds are to be drawn or (ii) enroll online at www.shareowneronline.com. The

Table of Contents

automatic deduction forms will be processed and will become effective as promptly as practicable; however, you should allow four to six weeks for the first investment to be initiated using this automatic investment feature.

Once automatic deductions begin, funds will be withdrawn from your bank account on either the 1st day or the 15th day of each month, or both (at your option), or on the next business day if either of those days is not a business day. Funds normally will be invested within five business days.

Automatic deductions will continue indefinitely until you notify WFSS by telephone, online or in writing that the automatic deductions are to be changed or stopped.

You must complete a new authorization form for automatic deductions when you transfer ownership of shares or otherwise establish a new account on WFSS's records, or close or change your designated bank account or are assigned a new account number by your bank.

To be effective for a particular Purchase Date, WFSS must receive your new instructions at least seven business days before the date you designate for withdrawal.

In the event that your check for a cash investment is returned unpaid for any reason, or an authorized electronic funds transfer cannot be effected, WFSS will consider the request for investment of such funds null and void. WFSS shall immediately remove from your account those shares, if any, purchased upon the prior credit of such funds. WFSS shall thereupon be entitled to sell shares to satisfy any uncollected amount plus any applicable fees. If the net proceeds of the sale of such shares are insufficient to satisfy the balance of such uncollected amounts, WFSS shall be entitled to sell such additional shares from your account as may be necessary to satisfy the uncollected balance.

Other forms of Payment

Optional cash investments in excess of \$10,000 pursuant to a request for waiver that we approve may be made only by wire transfer. Wire transfers made pursuant to a request for waiver must be received by WFSS by 12:00 p.m., Central time, on the business day before the first day of the relevant pricing period (as described below).

11. How do I make optional cash investments up to \$10,000?

If you are a current shareholder, you may make optional cash investments by personal check or one-time online investment, or automatic deduction from your account at a U.S. bank or financial institution in the minimum amount of \$25, up to a maximum amount of \$10,000 per investment. Checks can be accepted from a Canadian financial institution as long as the funds are in U.S. dollars.

If you are a new investor, the minimum initial investment is \$250 by personal check or one-time online investment, or \$25 by automatic deduction at a U.S. bank with a minimum of ten consecutive investments.

Except when accompanied by an approved Request for Waiver Form (as described below in Question 12), the aggregate of your optional cash investments cannot exceed \$10,000 per month. Optional cash investments up to \$10,000 per month must be received by WFSS one business day prior to a Purchase Date in order to be invested on that Purchase Date. Cash received after that date will be held by WFSS for purchases to be made on the next Purchase Date.

No interest will be paid on payments received and held pending investment by WFSS.

We may adjust all minimum and maximum plan investment amounts at our discretion from time to time after notification to all participants. Amounts representing uninvested optional cash payments will be returned to you promptly following your telephone or written request received by WFSS not less than two business days before a Purchase Date.

Participants should be aware that because investments under the plan are made as of specified dates, one may lose any advantage that otherwise might be available from being able to select the timing of an investment. Neither we nor WFSS can assure a profit or protect against a loss on shares of Common Stock purchased under the plan.

Table of Contents

12. Can I make an optional cash investment in excess of \$10,000?

If you wish to make an optional cash investment in excess of \$10,000, you must obtain our prior written approval. To obtain our approval, you must submit a request for waiver. A form of request for waiver can be obtained from our Treasury Department at (918) 588-7130. A completed Request For Waiver Form should be sent to our Treasury Department via facsimile at (918) 588-7130 no later than three business days prior to the commencement of the Pricing Period, as defined in question 13 below, for the applicable Purchase Date. If we have approved your request for waiver, then you must send WFSS a copy of our written waiver approval along with your optional cash investment greater than \$10,000. WFSS must receive your optional cash investment in good funds along with an approved Request For Waiver Form not later than the trading day immediately preceding the commencement of the Pricing Period, otherwise the cash will not be invested until the next Payment Date.

We have the sole discretion to approve or reject any request to make an optional cash investment in excess of the \$10,000 maximum allowable amount. We may grant those requests for waiver in order of receipt or by any other method that we determine to be appropriate. We also may determine the amount that you may invest pursuant to a waiver. In deciding whether to approve your request for waiver, we may consider, among other things, the following factors:

whether, at the time of such request, WFSS is acquiring shares of Common Stock for the plan directly from us or in the open market or in privately negotiated transactions with third parties;

our need for additional funds;

our desire to obtain additional funds through the sale of Common Stock as compared to other sources of funds;

the purchase price likely to apply to any sale of Common Stock;

the extent and nature of your prior participation in the plan;

the number of shares of Common Stock you hold of record; and

the total amount of optional cash investments in excess of \$10,000 for which requests for waiver have been submitted.

If you do not receive a response from us in connection with your request for waiver by the commencement of the Pricing Period, you should assume that we have denied your request.

13. What is a Purchase Date and when do Purchase Dates occur?

The Purchase Date is the date or dates on which shares of our Common Stock are deemed to have been purchased with reinvested dividends or optional cash payments and which are used to calculate the Purchase Price of the purchased shares. The Purchase Date under the plan depends on whether you purchase the shares with reinvested dividends or optional cash payments and whether we issue new shares to you or WFSS obtains your shares by purchasing them from parties other than us.

Reinvested Dividends: If shares acquired with reinvested dividends are acquired directly from us, the Purchase Date is the dividend payment date (or if that date is not a trading day, then the first trading day immediately preceding that date). If shares acquired with reinvested dividends are acquired from parties other than us either in open market or privately negotiated purchases, the Purchase Date will be the date or dates on which those purchases occur, which will commence on the applicable dividend payment date and will be completed no later than thirty days following the dividend payment date, except where completion at a later date is necessary

Edgar Filing: ONEOK INC /NEW/ - Form S-3ASR

or advisable under any applicable federal or state securities laws or regulations. The record date associated with a particular dividend is referred to in this plan as a dividend record date.

Optional Cash Investments up to \$10,000: If shares will be purchased directly from us with optional cash investments up to \$10,000, a Purchase Date will occur at least once every five business days for all such purchases requested by all participants since two business days before the preceding Purchase Date. If WFSS acquires shares from parties other than us either in open market or privately negotiated

Table of Contents

purchases, such purchases will begin on the day that would be deemed the Purchase Date if the shares were acquired directly from us and will be completed no later than thirty-five days following such date, except where completion at a later date is necessary or advisable under any applicable federal or state securities laws or regulations. Optional cash investments up to \$10,000 must be received by WFSS two business days prior to a Purchase Date in order to be invested on that Purchase Date. Otherwise the cash will not be invested until the next Purchase Date.

Optional Cash Investments in Excess of \$10,000: If shares of Common Stock will be purchased directly from us with an optional cash investment in excess of \$10,000 pursuant to an approved request for waiver, then there will be ten (10) Purchase Dates, each of which will occur on a separate day on which the New York Stock Exchange is open for business in a Pricing Period (as defined in the next paragraph), with one-tenth (1/10 or 10%) of your optional cash investment being invested on each Purchase Date, subject to the qualifications set forth under *Minimum Waiver Price* in the answer to question 15 below. WFSS must receive your optional cash investment in good funds along with an approved Request For Waiver Form not later than the trading day immediately preceding the commencement of the Pricing Period. Otherwise, the cash will not be invested until the next Pricing Period.

The *Pricing Period* is the period encompassing the ten consecutive trading days ending on either (1) the dividend payment date during any month in which we pay a cash dividend or (2) the 15th day of any month in which we do not pay a cash dividend (or if either date is not a trading day, then the first trading day immediately preceding such date).

14. What is the source of ONEOK Common Stock purchased through the plan?

WFSS will, at our discretion, purchase shares of Common Stock sold to participants either directly from us as newly issued shares of Common Stock or treasury shares, or from parties other than us either in the open market or in privately negotiated transactions or through a combination of the above.

Full and fractional shares acquired under the plan will be calculated and credited to participants' accounts. The number of shares purchased will be the total amount invested divided by the applicable purchase price per share as described below.

15. What is the Purchase Price for shares purchased through the plan?

The purchase price under the plan depends in part on whether the shares are purchased from us or from parties other than us. The purchase price also depends on whether we are offering discounts on purchases under the plan at that time.

Reinvested Dividends

If shares of Common Stock are purchased directly from us with reinvested dividends, the Purchase Price to you will equal 100% (subject to change as provided below) of the average of the high and low sales prices for a share of Common Stock reported by the New York Stock Exchange on the applicable Purchase Date, or, if no trading occurs in shares of Common Stock on the applicable Purchase Date, the first trading day immediately preceding the Purchase Date for which trades are reported, computed to three decimal places. The Purchase Price may be reduced by up to 5% if we are offering a discount on purchases with reinvested dividends on the applicable Purchase Date.

If the shares of Common Stock are purchased in the open market or in privately negotiated transactions, then the Purchase Price to you will equal the weighted average purchase price paid for those shares, computed to three decimal places. Discounts will not be available when shares are purchased from persons other than us.

Optional Cash Investments up to \$10,000

If shares of Common Stock purchased with optional cash payments up to \$10,000 are purchased directly from us the Purchase Price to you will equal 100% (subject to change as provided below) of the average of the high and low sales prices for a share of Common Stock reported by the New York Stock Exchange on the applicable Purchase Date, or, if no trading occurs in shares of Common Stock on the applicable Purchase Date, the first trading day

Table of Contents

immediately preceding the Purchase Date for which trades are reported, computed to three decimal places. The Purchase Price may be reduced by up to 5% if we are offering a discount on purchases with optional cash investments up to \$10,000 on the applicable Purchase Date.

If WFSS purchases shares of Common Stock in the open market or in privately negotiated transactions, then the Purchase Price will be a price equal to the weighted average purchase price paid by WFSS for those shares, computed to three decimal places. Discounts are not available when shares are purchased from persons other than us.

Optional Cash Investments in Excess of \$10,000

Shares purchased with optional cash payments in excess of \$10,000 pursuant to a granted waiver will be purchased directly from us. The Purchase Price will be a price equal to 100% (subject to change as provided below) of the average of the daily high and low sales prices of our Common Stock reported by the New York Stock Exchange for the trading day relating to each of the ten Purchase Dates during the one to fifteen day Pricing Period (computed to three decimal places), with one-tenth (1/10 or 10%) of such optional cash investment being invested on each Purchase Date. The Purchase Price may be reduced by any discount that we have provided for optional cash investments in excess of \$10,000 on that Purchase Date.

We may set a minimum purchase price per share (the Minimum Waiver Price) for optional cash investments in excess of \$10,000 made pursuant to a granted waiver for any Pricing Period. We will determine whether to set a Minimum Waiver Price, and, if so, its amount, at least two business days before the first day of the Pricing Period. We will notify WFSS of the Minimum Waiver Price, if any. In deciding whether to set a Minimum Waiver Price, we will consider current market conditions, the level of participation in the plan and our current and projected capital needs, among other things.

We will fix the Minimum Waiver Price for a Pricing Period as a dollar amount that the average of the high and low sale prices reported by the New York Stock Exchange for each trading day of that Pricing Period (not adjusted for discounts, if any) must equal or exceed. We will exclude from the Pricing Period and from the determination of the purchase price any trading day within the Pricing Period that does not meet the Minimum Waiver Price. We also will exclude from the Pricing Period and from the determination of the purchase price any day in which no trades of Common Stock are made on the New York Stock Exchange. Thus, for example, if the Minimum Waiver Price is not met or no sales of our Common Stock are reported for two of the ten trading days in a Pricing Period, then we will base the purchase price upon the remaining eight trading days in which the Minimum Waiver Price was met.

In addition, we will return a portion of each optional cash investment in excess of \$10,000 for each trading day of a Pricing Period for which the Minimum Waiver Price is not met or for each day in which no trades of Common Stock are reported on the New York Stock Exchange. The returned amount will equal one-tenth (1/10 or 10%) of the total amount of that optional cash investment (not just the amount exceeding \$10,000) for each trading day that the Minimum Waiver Price is not met or for each trading day in which sales are not reported. Thus, for example, if the Minimum Waiver Price is not met or no sales of our Common Stock are reported for two of the ten trading days in a Pricing Period, then we will return two-tenths (2/10 or 20%) of the optional cash investment to you without interest after conclusion of the Pricing Period.

The establishment of the Minimum Waiver Price and the possible return of a portion of the investment applies only to optional cash investments in excess of \$10,000 made pursuant to a granted waiver. Setting a Minimum Waiver Price for a Pricing Period will not affect the setting of a Minimum Waiver Price for any other Pricing Period. We may waive our right to set a Minimum Waiver Price for any particular month. Neither we nor WFSS is required to give you notice of the Minimum Waiver Price for any Pricing Period. The establishment of the Minimum Waiver Price and the potential return of a portion of investment funds applies only to investments made pursuant to optional cash payments in excess of \$10,000. Establishing a Minimum Waiver Price for a particular pricing period will not affect the establishment of a Minimum Waiver Price for any subsequent pricing period.

If we establish a Minimum Waiver Price for any pricing period, we may elect to extend that pricing period. If we do so, the initial pricing period may be extended by the number of trading days during the initial pricing period, up to five trading days, during which the Minimum Waiver Price is not satisfied or there are no trades of shares of our common stock on the New York Stock Exchange.

A discount of up to 5% may be offered, in the Company's sole discretion, with respect to a particular Purchase Date to participants on purchases of our Common Stock directly from us through dividend reinvestment, optional cash investments up to \$10,000, and optional cash investments in excess of \$10,000. Information regarding any such offer of a discount may be obtained by contacting the Company or by visiting our website at www.oneok.com. We will announce the discount rate, if any, by the third business day before the Purchase Date with respect to dividend reinvestments and optional cash investments up to \$10,000. The discount rate, if any, on optional cash purchases in excess of \$10,000 will be announced at least two business days before the first day of the Pricing Period. As of the date of this prospectus, there is no discount for purchases.

16. May I add my certificate shares of ONEOK, Inc. Common Stock to my plan account for safekeeping?

Yes. You may use the plan's share safekeeping service to deposit any Common Stock certificates in your possession with WFSS. Shares deposited will be recorded in book-entry form and credited to your account. By using the plan's share safekeeping service, you no longer bear the risks associated with loss, theft or destruction of stock certificates.

WFSS will promptly send you a statement confirming each certificate deposit. Shares deposited and credited to your account with WFSS may be transferred or sold in a convenient and efficient manner. See the answer to Question 18 regarding certificates for shares and the answer to Question 19 regarding sale of shares below.

17. How do I send my certificates to WFSS for safekeeping?

Stock certificates sent to WFSS for safekeeping should not be endorsed. You should send certificates to the address listed above (in question 3) by registered mail, return receipt requested, and properly insured. Please be advised that choosing registered, express or certified mail alone will not protect you should your certificates become lost or stolen. You should insure the certificate(s) because you bear the risk of loss in transit.

As the plan administrator, WFSS can provide loss insurance for certificates being returned for conversion to book-entry form. Mail loss insurance covers the cost of the replacement surety bond only. Replacement transaction fees may also apply. To take advantage of the optional mail loss insurance, simply include your \$10.00 check, made payable to WFSS Surety Program, along with your certificates and instructions. To qualify for this service, you must choose to use an accountable mail delivery service such as Federal Express, United Parcel Service, DHL, Express Mail, Purolator, TNT or United States Postal Service Registered Mail. Any one shipping package may not contain certificates exceeding a total value of \$100,000.

The value of certificate shares is based on the closing market price of the common stock on the trading day prior to the documented mail date. Claims related to lost certificates under this service must be made within 60 days of the documented delivery service mail date. This is specific coverage for the purpose of converting shares to book-entry form, and the surety is not intended to cover certificates being tendered for certificate breakdown or exchange for other certificates.

18. Can I have a certificate issued for shares credited to my account?

Yes. Common Stock purchased under the plan, and any certificated shares you may deposit for safekeeping, will be recorded in electronic registration form (book-entry) and credited to your account. WFSS will report the number of shares (including fractional shares) credited to your account as promptly as practicable after each purchase. You may obtain a certificate for all or any portion of the whole shares credited to your account at any time by an online, telephone or written request to WFSS. Any remaining whole or fractional shares will continue to be credited to your account. If you request a certificate for all shares credited to your account, a certificate will be issued for the whole shares and a cash payment will be made for any remaining fractional share. That cash payment will be based upon the then-current market price of the Common Stock, less any service fee, any applicable processing fee and any other costs of sale. Withdrawal of shares in the form of a certificate in no way affects dividend reinvestment or payment of cash dividends on those shares.

Table of Contents**19. How do I sell shares credited to my account?**

You may direct WFSS to sell some or all of the shares of credited to your account by contacting WFSS.

An accumulation of all sale requests for a security submitted together as a collective request (Batch Orders) are submitted on each market day, assuming there are sale requests to be processed. Sale instructions for Batch Orders received by WFSS will be processed no later than five business days after the date on which the order is received (except where deferral is required under applicable federal or state laws or regulations), assuming the applicable market is open for trading and sufficient market liquidity exists. Batch Order sales are available at www.shareowneronline.com or by calling WFSS directly at 1-866-235-0232. All sales requests received in writing will be submitted as Batch Order sales. WFSS will cause your shares to be sold on the open market within five business days of receipt of your request. To maximize cost savings for Batch Order sale requests, WFSS will seek to sell shares in round lot transactions. For this purpose WFSS may combine each selling plan participant's shares with those of other selling plan participants. In every case of a Batch Order sale, the price to each selling plan participant shall be the weighted average sale price obtained by WFSS's broker for each aggregate order placed by WFSS and executed by the broker, less a service fee of \$15 and any applicable processing fees, which are noted below:

Enrollment Fee	\$	10.00
Certificate Issuance		Company Paid
Certificate Deposit		Company Paid
Investment Fees		
dividend reinvestment service fee		Company Paid
optional cash investment service fee		Company Paid
automatic withdrawal service fee		Company Paid

Prior Year Duplicate Statement	\$	15.00 per year

The processing fees may change at any time, without notice to you. Proceeds are normally paid by check mailed within two business days after your sale transaction has settled.

WFSS reserves the right to decline to process a sale if it determines, in its sole discretion, that supporting legal documentation is required. In addition, no one will have any authority or power to direct the time or price at which shares for the plan are sold, and no one, other than WFSS, will select the broker(s) or dealer(s) through or from whom sales are to be made.

You should be aware that the price of our Common Stock may rise or fall during the period between a request for sale, its receipt by WFSS and the ultimate sale on the open market. Instructions sent to WFSS to sell shares are binding and may not be rescinded. If you prefer to have complete control as to the exact timing and sales prices, you can transfer the shares to a broker of your own choosing and sell them through that broker.

20. Can I transfer shares that are credited to my account?

Yes. You may transfer the ownership of all or part of the shares credited to your account to an account for another person without requiring the issuance of stock certificates. This could include a gift or private sale. Transfers of less than all of the shares credited to your account must be made in whole share amounts. No fractional share may be transferred unless your entire account balance is transferred. Requests for these transfers must meet the same requirements as are applicable to the transfer of Common Stock certificates, including the requirement of a Medallion Signature Guarantee. Simply call WFSS to obtain the proper instructions, requirements and documents necessary to complete your transfer. Transfer instructions may also be obtained online at www.shareowneronline.com. Shares that are transferred will be credited in book-entry form to the transferee's account. An account will be opened in the name of the transferee if the transferee is not already a registered shareholder, and the transferee's account will be enrolled in the plan under the same dividend reinvestment option as the transferor unless the transferor specifies differently. After the transfer has been made, the transferee may change

Table of Contents

the dividend reinvestment option as described in Question 7 above. After the transfer, the transferee will receive an account statement showing the number of shares transferred to and held in the transferee's account.

21. What if ONEOK issues a stock dividend or declares a stock split? What happens in the event of a rights offering?

Any dividends in Common Stock or split shares of Common Stock distributed by us on shares credited to your account or held by you in the form of stock certificates will be credited to your account. In a rights offering by us, you will receive rights based upon the total number of whole shares registered in your name, including shares held by you in stock certificate form and shares credited in book-entry form to your account.

22. What reports will I receive?

Whenever you purchase, sell or deposit shares through the plan, you will promptly receive from WFSS a statement with the details of the transaction, unless you are participating in the plan through your broker, bank or nominee. All shares you hold or purchase through the plan are recorded in the same account. After each dividend reinvestment or optional investment, you will receive from WFSS a detailed statement showing the amount of the latest dividend reinvested or optional investment, the purchase price per share, the number of shares purchased and the total shares credited to your account. The statement also will show year-to-date account information. You should retain these statements to establish the cost basis of shares of Common Stock purchased under the plan for income tax purposes. You may also obtain information about your account by accessing it through the Investor Centre section of WFSS's website, www.shareowneronline.com.

In addition, you will receive copies of the same communications sent to all other holders of record of our Common Stock. This includes our annual report to shareholders, quarterly reports to shareholders, the notice of annual meeting and proxy statement. You will also be furnished with Internal Revenue Service information for reporting dividends paid and proceeds derived from any sale of shares credited to your account in the form and manner as the Internal Revenue Service may require. All notices, statements and reports from WFSS to you will be addressed to your latest address of record with WFSS.

In order to insure receipt of plan reports and information, you must promptly notify WFSS of any change of address.

23. Are there costs associated with participation?

All costs for the purchase of shares and administration of the plan will be paid by us with the exception of:

Costs associated with automatic investments that may be assessed by your financial institution (as described under Question 10 above).

Any costs resulting from your having insufficient funds to effect payment for initial and/or optional cash investments.

Those costs associated with your direction to WFSS to sell all or a portion of your shares (as described under Question 19 above).

Those costs related to a sale of a fractional share (as described under Questions 18 and 19 above and Question 27 below). Additionally, ONEOK may require waiver participants to pay reasonable costs associated with purchases made under a waiver.

24. Can I pledge or assign shares credited to my account?

No. Except as described under Question 20 above regarding transfers of shares, Common Stock credited to your account may not be pledged or assigned. If you wish to pledge shares of Common Stock credited to your account, you must request that certificates for those shares be issued in your name as described under Question 18 above.

25. How do I vote shares credited to my account at shareholders meetings?

If you participate in the plan, you, as a holder of our Common Stock, will have the same rights as every other holder of our Common Stock. You will be provided with all required documentation to vote whole shares of Common Stock credited to your account. Fractional shares may not be voted. You will receive a proxy card for signing, that provides voting instructions to us, which will indicate the number of whole shares directly credited to your account. A properly signed proxy will be voted according to your instructions.

26. Can the plan be terminated, suspended or modified?

Yes. We reserve the right to terminate, suspend or modify the plan at any time, in whole or in part, in respect to participants in one or more jurisdictions. All affected participants will receive notice of any termination, suspension or modification of the plan.

27. What are the responsibilities of ONEOK and WFSS under the plan?

In administering the plan, neither we, WFSS nor WFSS's broker are liable for any good faith act or omission to act, including but not limited to any claim of liability (i) arising out of the failure to terminate a plan account upon such participant's death prior to receipt of a notice in writing of such death, (ii) with respect to the prices or times at which shares are purchased or sold, or (iii) as to the value of the shares acquired for you.

WFSS undertakes to perform such duties and only such duties as are expressly set forth within this Plan Prospectus, to be performed by it, and no implied covenants or obligations shall be read into this plan against WFSS or us.

Except for negligence or willful misconduct on its part, WFSS, whether acting directly or through agents or attorneys, shall not be liable for any action taken, suffered, or omitted or for any error of judgment made by it in the performance of its duties hereunder. WFSS shall not be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profit), unless the loss or damage is the result of negligence or willful misconduct on its part or in the event WFSS has been advised of the likelihood of such loss or damage and takes no action within its control and within acceptable industry practices. WFSS shall: (i) not be required to and shall make no representations and have no responsibilities as to the validity, accuracy, value or genuineness of any signatures or endorsements, other than its own; and (ii) not be obligated to take any legal action hereunder that might, in its judgment, involve any expense or liability, unless it has been furnished with reasonable indemnity.

WFSS shall not be responsible or liable for any failure or delay in the performance of its obligations under this plan arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God, including, but not limited to, earthquakes, fires and floods; wars; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities; computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental actions; it being understood that WFSS shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

WFSS is authorized to choose a broker/dealer, including an affiliated broker/dealer, at its sole discretion to facilitate purchases and sales of shares for you. WFSS will furnish the name of the registered broker/dealer, including any affiliated broker/dealer, utilized in share transactions within a reasonable time upon written request from you.

Funds received by WFSS for cash purchases of plan shares in advance of a plan purchase date may be invested by WFSS in certain Permitted Investments. For purposes of this plan, Permitted Investments shall mean any money market mutual funds registered under the Investment Company Act (including those of an affiliate of WFSS or for which WFSS or any of its affiliates provides management advisory or other services) consisting entirely of (i) direct obligations of the United States of America; or (ii) obligations fully guaranteed by the United States of America. The risk of any loss from such Permitted Investments shall be the responsibility of WFSS. Investment income from such Permitted Investments shall be retained by WFSS.

28. Can my participation in the plan be terminated?

If you do not own at least one whole share registered in your name in stock certificate form or credited in book-entry form to your account, your participation in the plan may be terminated. In that event, you would receive a cash payment for the fractional share remaining in your account based on the then-current market price of Common Stock, less any service fee, any applicable processing fee and any other costs of sale.

29. What law governs the plan?

The plan and its operations are governed by the laws of the State of Oklahoma and federal securities laws, if applicable.

Table of Contents

FEDERAL INCOME TAX CONSEQUENCES

The following is believed by us to be an accurate summary of the U.S. federal income tax consequences of participation in the plan as of the date of this prospectus.

This summary of U.S. federal income tax consequences is for general information, is not legal advice and does not reflect tax consequences of every possible situation that could result from participation in the plan. This summary does not apply to non-U.S. participants, except as specifically indicated below under **Withholding**. This summary is based in part on rulings and information published by the Internal Revenue Service. The tax consequences discussed below are subject to change. You should consult your own tax advisor with respect to the tax consequences (including federal, state, local and other tax laws, and U.S. withholding tax laws) of participating in the plan to you in light of your own particular circumstances.

Dividend Reinvestment

If shares of our Common Stock are purchased by WFSS directly from us with reinvested dividends, you must include in gross income a taxable dividend equal to the number of shares purchased with the reinvested dividends multiplied by the fair market value of a share of Common Stock on the applicable Purchase Date. The shares of Common Stock acquired directly from us by dividend reinvestment should have a tax basis for determining gain or loss equal to the fair market value of the shares on the applicable Purchase Date. The tax basis for any shares of Common Stock purchased in open market transactions with reinvested dividends should be equal to the weighted average purchase price of all shares purchased for the applicable Purchase Date. See Question 15. In addition, you will also realize a taxable dividend to the extent of an allocated portion of any processing fees paid by us with respect to shares purchased for your account.

Optional Cash Investments

If you make optional cash investments to purchase shares of our Common Stock under the plan, any discount provided by the plan for such investment will be treated as a distribution taxable to you as a dividend. The taxable amount will be the excess of the fair market value of the shares acquired on the applicable Purchase Date over the purchase price paid by you for the shares purchased.

The amount of any discount provided by the plan on a purchase of shares of Common Stock will be treated and accounted for as a distribution taxable to you as a dividend, irrespective of whether you are participating in dividend reinvestment under the plan. You should consult your own tax advisor to determine the appropriate tax treatment of any optional cash investment to acquire shares of Common Stock under the plan in which a discount is provided to you.

Shares of Common Stock acquired with optional cash investments should have a tax basis equal to the amount paid for the shares. If shares of Common Stock acquired by optional cash investments are purchased at a discount, the tax basis of the shares should be the fair market value of the shares purchased with an optional payment.

If shares of Common Stock are purchased in open market transactions with optional cash investments you make under the plan, you will also realize a taxable dividend to the extent of an allocated portion of any processing fees paid by us with respect to shares purchased.

Withholding

The dividends reinvested and the proceeds of the sale of shares under the plan may be subject to U.S. federal backup withholding in certain circumstances. WFSS will furnish necessary forms and instructions concerning the application of backup withholding rules. Any amounts required to be withheld under these rules will be deducted from the dividends reinvested and/or proceeds of any sale of shares, and the remaining amount reinvested or paid.

In the case of non-U.S. participants who are subject to U.S. tax withholding, WFSS will reinvest dividends less the amount of tax required to be withheld, and make other withholdings required by applicable rules. Non-U.S. participants should note that starting in 2013, dividends payable to non-U.S. participants that hold their shares

Table of Contents

through a foreign financial institution, may be subject to special reporting rules referred to as FATCA that, if not complied with, will result in such dividends becoming subject to withholding tax at a rate of 30% notwithstanding a tax treaty that provides for a lower rate. The filing of any documentation required to obtain a reduction in U.S. withholding tax is the responsibility of the participant.

Acquisition and Sale of Shares

You should not realize income merely by receiving a certificate for shares that have been purchased for your account under the plan. If you receive a cash payment for the sale of shares credited to your account, there may be gain or loss measured by the difference between the amount of cash received and your tax basis in the shares sold. Such gain or loss will be a capital gain or loss for U.S. federal income tax purposes if the shares are a capital asset in your hands. The holding period for shares of Common Stock purchased under the plan will begin the day after the date the shares are acquired. The holding period can determine the rate of tax on any gain, and treatment of any loss from the sale of shares. If the holding period exceeds one year and Common Stock is held as a capital asset, the rate of tax imposed on any gain will generally be lower than the highest rates applicable to other taxable income. You should consult with your own tax advisor to determine the specific tax consequences of any particular sale of shares to be made.

Tax Information Reporting

The dividends paid to you as a shareholder, and any processing fees paid by us on your behalf, as described above, will be reported on the appropriate IRS forms, which will be mailed to you and the Internal Revenue Service by January 31 following the end of the year of payment. Shares of Common Stock sold through WFSS will be reported on IRS Form 1099-B, which will be mailed to you and the Internal Revenue Service by February 15 following the end of the year of the sale. Form 1099-B will state the amount of the sale proceeds and, in the case of shares acquired under the plan after 2011, the tax basis of shares sold.

The plan qualifies as a dividend reinvestment plan within the meaning of Treasury Regulation 1.1012-1(e)(6)(i), which enables participants to use the average basis method in certain circumstances (as discussed below) when determining the tax basis of any shares sold. As a result, in order to participate in the plan, you must elect to reinvest a minimum of 10% of the dividends (if any) paid on shares held in the plan.

This plan assumes that each participant will use the first-in, first-out FIFO method when determining the tax basis of any shares sold. Participants may designate their preference for a different method of determining the tax basis of shares sold by identifying this preference in writing to WFSS. Participants may designate their preference for specific identification cost basis at any time and, beginning January 1, 2012, participants may designate their preference for the average basis method. Participants should consult with their own tax advisors regarding the tax consequences of participation in the plan and determination of the tax basis of any shares sold.

PLAN OF DISTRIBUTION AND UNDERWRITERS

Pursuant to the plan, we may be requested to approve optional cash investments in excess of the allowable maximum amounts pursuant to requests for waiver on behalf of participants that may be engaged in the securities business. In deciding whether to approve such a request, we will consider relevant factors including, but not limited to, whether the plan is then acquiring newly issued shares of Common Stock or acquiring shares through open market purchases or privately negotiated transactions, our need for additional funds, the attractiveness of obtaining those funds by the sale of Common Stock under the plan in comparison to other sources of funds, the purchase price likely to apply to any sale of Common Stock, the participant submitting the request, including the extent and nature of the participant's prior participation in the plan and the number of shares of Common Stock held of record by the participant, the aggregate number of requests for waiver that have been submitted by all participants and federal and state securities laws.

Persons who acquire shares of Common Stock through the plan and resell them shortly after acquiring them, including coverage of short positions, under certain circumstances, may be participating in a distribution of securities that would require compliance with Regulation M under the Securities Exchange Act of 1934 and may be considered to be underwriters within the meaning of the Securities Act. We will not extend to any person any rights

Table of Contents

or privileges other than those to which it would be entitled as a participant, nor will we enter into any agreement with any person regarding their purchase of shares or any resale or distribution of shares. We may, however, approve requests for optional cash investments by them in excess of allowable maximum limitations. If requests are submitted for an aggregate amount in excess of the amount we are willing to accept, we may honor requests in order of receipt, pro rata or by any other method which we determine to be appropriate.

We will be responsible for all fees, commissions or expenses in connection with the plan, except that, if you direct WFSS to sell shares of Common Stock credited to your account, WFSS will deduct from the sales proceeds any applicable service fee (currently \$15.00 per sale transaction for Batch Orders), any applicable processing fee (currently \$0.10 per share sold) and any other costs of sale (currently \$5.00 for net sale proceeds via direct deposits). These fees may change at any time without notice to you. You will also be responsible for any fees, commissions and expenses associated with sales of any fractional shares you own.

USE OF PROCEEDS

The plan will raise additional capital for us to the extent that newly-issued shares of Common Stock or treasury shares are purchased from us (rather than acquiring shares in the open market or in privately negotiated transactions). We do not know the number of shares of Common Stock that will ultimately be purchased pursuant to the plan, or the prices at which the shares will be purchased. We currently intend to issue newly-issued or treasury shares to satisfy demand for shares under the plan; therefore, the plan is expected to raise additional capital for us. We intend to use the net proceeds from the sale of newly-issued shares of Common Stock or treasury stock for one or more of the following, depending upon circumstances at the time of such sales: repayment of indebtedness, investments in assets, working capital, and general corporate purposes. Pending those uses, we may temporarily invest the net proceeds in short-term investments consistent with our investment policies.

LEGAL MATTERS

The validity of the securities and all legal matters in connection with the Direct Stock Purchase and Dividend Reinvestment Plan will be passed upon for ONEOK by GableGotwals, Tulsa, Oklahoma.

Item 15. Indemnification of Directors and Officers.

ONEOK, Inc. (the Company), as an Oklahoma corporation, is empowered by Section 1031 of the Oklahoma General Corporation Act, subject to the procedures and limitations stated therein, to indemnify any person against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding (whether civil, criminal or administrative) in which such person is made or threatened to be made a party by reason of his being or having been a director, officer, employee or agent of the Company or is or was serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. However, in an action by or in the right of the Company, Section 1031 prohibits indemnification if such person is adjudged to be liable to the Company, unless such indemnification is allowed by a court of competent jurisdiction. The statute provides that indemnification pursuant to its provisions is not exclusive of other rights of indemnification to which a person may be entitled under any bylaw, agreement, vote of shareholders, or disinterested directors, or otherwise.

The certificate of incorporation of the Company provides that a director of the corporation shall not be personally liable to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability for (i) any breach of the director's duty of loyalty to the corporation or its shareholders, (ii) acts or omissions not in good faith or which would involve intentional misconduct or a knowing violation of law, (iii) payment of unlawful dividends or unlawful stock purchases or redemptions or (iv) any transaction from which the director derived an improper personal benefit.

Article VIII of the Company's bylaws provides that directors and officers of the Company shall be indemnified by the Company to the fullest extent permitted by Oklahoma General Corporation Act, including the advance of related expenses. Pursuant to Article VIII of the bylaws of the Company, upon authorization and determination (i) by the board of directors (by a majority of a quorum consisting of directors who were not parties to the action, suit, or proceeding involved); (ii) by a committee of directors designated by a majority vote of directors, even though less than a quorum; (iii) if a quorum of disinterested directors is not obtainable, or even if obtainable and a quorum of disinterested directors so directs, by independent counsel in a written opinion; or (iv) by the shareholders, the Company is obligated to indemnify any person who incurs liability by reason of the fact that he is or was a director, officer, employee or agent of the Company, or is or was serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or as a member of any committee or similar body, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. However, in an action by or in the right of the Company, no indemnification will be made if such person shall be adjudged to be liable to the Company, unless such indemnification is allowed by a court of competent jurisdiction.

Table of Contents

The Company has entered into indemnification agreements, the form of which has been previously approved by the shareholders of the Company, with each of its directors and executive officers. These indemnification agreements provide that the Company is obligated to indemnify the specified director or executive officer to the fullest extent permitted by law. The agreements provide that, upon request by a director or executive officer, the Company is obligated to advance expenses for defense of a claim made against the director or executive officer. The obligation of the Company to indemnify the director or executive officer is subject to applicable law and the determination by a reviewing party selected by the board of directors that the director or executive officer is entitled to indemnification. In addition, the agreements obligate the Company to indemnify the specified executive officer or director to the extent of the Company's recoveries under insurance policies regardless of whether the director or executive officer is ultimately determined to be entitled to indemnification. The agreements also provide for partial indemnification if a portion of a claim for indemnification is not allowed by the reviewing party appointed by the board of directors.

The Company provides liability insurance for its directors and officers which provides for coverage against loss from claims made against officers and directors in their capacity as such, including, subject to certain exceptions, liabilities under the federal securities laws.

It is recognized that the above-summarized provisions of the Company's bylaws, the indemnification agreements and the applicable provisions of the Oklahoma General Corporation Act may be sufficiently broad to indemnify officers, directors and controlling persons of the Company against liabilities arising under such act.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the

required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by such undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
