Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

Effective October 28, 2011, SIFCO Industries, Inc. ("SIFCO" or "Company"), through a wholly-owned subsidiary, entered into an asset purchase agreement (the "Purchase Agreement") for the purchase of the forging business and substantially all related operating assets from GEL Industries, Inc. (DBA Quality Aluminum Forge), located in Orange, California. For a more detailed description of the transaction, see Section 2 Financial Information, Item 2.01 Completion of Acquisition or Disposal of Assets.

Effective October 28, 2011, SIFCO also entered into an amendment to its existing credit agreement (the "Credit Agreement Amendment") with Fifth Third Bank increasing the maximum amount from \$30.0 million to \$40.0 million, of which \$10.0 million will be a five (5) year term loan and \$30.0 million will be a five (5) year revolving loan, secured by substantially all the assets of the Company and its U.S. subsidiaries and a pledge of 65% of the stock of its non-U.S. subsidiaries. Borrowing under the term loan bears interest at a rate equal to Libor plus 2.00%. Borrowing under the revolving loan bears interest at a rate equal to Libor plus 0.75% to 1.75%, which percentage fluctuates based on the Company's leverage ratio of outstanding indebtedness to EBITDA. The loans are subject to certain customary financial covenants including, without limitation, covenants that require the Company to not exceed a maximum leverage ratio and to maintain a minimum fixed charge coverage ratio. There is also a commitment fee ranging from 0.10% to 0.25% to be incurred on the unused balance. The foregoing description of the Credit Agreement Amendment does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement Amendment attached to this Form 8-K as Exhibit 4.2 and incorporated herein by reference.

Section 2 Financial Information

Item 2.01 Completion of Acquisition or Disposal of Assets

On October 28, 2011, through its wholly-owned subsidiary, Forge Acquisition, LLC ("Forge Acquisition"), SIFCO completed the purchase of the forging business and substantially all related operating assets from GEL Industries, Inc. (DBA Quality Aluminum Forge) ("QAF"). The forging business is operated in QAF's Orange and Long Beach, California facilities. The purchase price for the forging business and related operating assets is \$24.0 million payable in cash, subject to certain adjustments related principally to the delivered working capital level and/or indemnification holdback provisions under the Purchase Agreement. In addition, SIFCO has assumed certain current operating liabilities of the forging business. The foregoing description of the acquisition transaction does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement attached to this Form 8-K as Exhibit 10.16 and incorporated herein by reference.
