PROXY STATEMENT

This Proxy Statement is being furnished to our shareholders beginning on or about November 15, 2011 in connection with the solicitation of proxies by the Board of Directors of Private Media Group, Inc. for the 2011 Annual Meeting of Shareholders to be held on December 15, 2011 (the Annual Meeting) and any postponements or adjournments thereof. When we use the Company, Private, we or us we are referring to Private Media Group, Inc.

This Proxy Statement along with our Annual Report on Form 10-K for the year ended December 31, 2010 is available at www.proxyvote.com.

VOTING PROCEDURES

YOUR VOTE IS IMPORTANT. PLEASE TAKE THE TIME TO VOTE. Most shareholders have a choice of voting over the Internet, by telephone, by mail using a proxy card, or in person at the Annual Meeting. Please refer to the proxy card or other voting instructions included with these proxy materials for information on the voting methods available to you. **If you vote over the Internet, by telephone, or in person at the Annual Meeting, you do not need to return your proxy card.**

Who can vote?

Each share of our common stock that you owned as of the close of business on November 7, 2011, the record date, entitles you to one vote on each matter to be voted upon at the Annual Meeting. On the record date, there were 21,805,824 shares of the Company's common stock issued, outstanding, and entitled to vote.

How do I vote?

If your shares are registered directly in your name, you may vote:

Over the Internet. Go to the website of our tabulator, Broadridge Financial Solutions, Inc. (Broadridge), at <http://www.proxyvote.com> and follow the instructions you will find there. You must specify how you want your shares voted or your Internet vote cannot be completed and you will receive an error message. Your shares will be voted according to your instructions. If you vote over the Internet, your vote must be received by 11:59 p.m. Eastern Standard Time on December 14, 2011.

By telephone. Dial 1-800-690-6903 using any touch-tone telephone and follow the instructions. Your shares will be voted according to your instructions. If you vote over the telephone, your vote must be received by 11:59 p.m. Eastern Time on December 14, 2011.

By mail. Complete and sign the enclosed proxy and mail it in the enclosed postage prepaid envelope to Private Media Group, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, NY, 11717. Table of Contents

In person at the 2011 Annual Meeting. If you attend the 2011 Annual Meeting in person, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

If your shares are held in street name (held for your account by a broker or other nominee), you may provide voting instructions:

Over the Internet. You will receive instructions from your broker or other nominee if you are permitted to provide voting instructions over the Internet.

By telephone. You will receive instructions from your broker or other nominee if you are permitted to provide voting instructions over the telephone.

By mail. You will receive instructions from your broker or other nominee explaining how to provide voting instructions.

In person at the 2010 Annual Meeting. Contact the broker or other nominee that holds your shares to obtain a broker's proxy card and bring it with you to the 2011 Annual Meeting. **A broker's proxy is *not* the form of proxy enclosed with this Proxy Statement. You will not be able to vote shares you hold in street name at the meeting unless you have a proxy from your broker issued in your name giving you the right to vote the shares.**

What is the difference between holding shares directly in my name and holding shares in street name ?

If your shares are registered directly in your name with our transfer agent, InterWest Transfer Co., you are considered the shareholder of record. The Notice was sent directly to you by Broadridge on behalf of Private.

If your shares are held for you in an account by a broker, bank or other nominee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting over the Internet or by telephone.

How can I change my vote?

If your shares are registered directly in your name, you may revoke your proxy and change your vote at any time before the Annual Meeting. To do this, you must do one of the following:

Vote over the Internet as instructed above. Only your latest Internet vote is counted.

Vote by telephone as instructed above. Only your latest telephonic vote is counted.

Sign a new proxy and submit it as instructed above.

Attend the Annual Meeting and vote in person. **Attending the meeting will not revoke your proxy unless you specifically request it.**

Table of Contents

If your shares are held in street name, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you deliver a legal proxy as described in the answer to the "How do I vote?" question above.

Will my shares be voted if I do not return my proxy?

If your shares are registered directly in your name, your shares will not be voted if you do not vote over the Internet, by telephone, or return your proxy or vote by ballot at the Annual Meeting.

If your shares are held in street name, your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters, or leave your shares unvoted ("broker non-votes"). Shares represented by such "broker non-votes" will not be considered as present and entitled to vote with respect to the non-voted matters. However, shares represented by such broker non-votes will be counted in determining whether there is a quorum. We encourage you to provide voting instructions to your brokerage firm by giving your proxy. This ensures your shares will be voted at the Annual Meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this Proxy Statement.

What does it mean if I receive more than one proxy card?

It means that you have more than one account, which may be at the transfer agent or brokers. Please vote over the Internet or by telephone, or complete and return all proxies for each account to ensure that all of your shares are voted.

How many shares must be present to hold the Annual Meeting?

The presence at the Annual Meeting, either in person or by proxy, of the holders of at least one-third of the shares of common stock issued, outstanding and entitled to vote is necessary to constitute a quorum for the transaction of business. Shares that are present that vote to abstain or do not vote on one or more of the matters to be voted upon are counted as present for establishing a quorum. If a quorum is not present, we expect that the 2011 Annual Meeting will be adjourned until we obtain a quorum.

How may I attend the Annual Meeting in person?

You may attend the Annual Meeting only if you were a shareholder of record of the Company as of the close of business on November 7, 2011, or you hold a valid proxy for the Annual Meeting. If you are not a record holder but hold shares beneficially through a broker or nominee (that is, in street name), you will need to provide proof of beneficial ownership on the record date, such as your account statement which includes the November 7, 2011 record date, a copy of the voting instruction card provided by your broker or nominee, or other similar evidence of ownership. If you do not provide identification and comply with the other procedures outlined above upon request, you may not be admitted to the Annual Meeting.

Table of Contents

What vote is required to approve each matter and how are votes counted?

Votes will be counted by the inspector of elections appointed for the Annual Meeting.

For Proposal No. 1 (to elect six directors to hold office until the next Annual Meeting of Shareholders and until their respective successors have been duly elected and qualified) a plurality of votes by the holders of the common stock is required for the election of directors. This means that the six individuals receiving the largest number of votes will be elected as directors. Broker non-votes and abstentions will have no effect on the outcome.

For Proposal No. 2 (to ratify the appointment of BDO Auditores S.L. as our independent registered public accounting firm for the fiscal year ending December 31, 2011) a majority of the total votes cast is required for shareholder approval. Broker non-votes and abstentions will have no effect on the outcome.

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitations of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares of common stock present in person or by proxy at the Annual Meeting. The persons named as proxies will vote in favor of such adjournment or adjournments.

Are there other matters to be voted on at the 2011 Annual Meeting?

We do not know of any other matters that may come before the 2011 Annual Meeting. If any other matters are properly presented to the meeting, the persons named in the accompanying proxy intend to vote, or otherwise act, in accordance with their judgment.

How can I find out the results of the Annual Meeting?

Voting results will be published in Form 8-K which will be filed within four business days following the 2011 Annual Meeting.

Who bears the costs of soliciting these proxies?

We will bear the costs of soliciting proxies. In addition to the mailing of these proxy materials, our directors, officers, and employees may solicit proxies by telephone, e-mail and in person, without additional compensation. We reserve the right to retain other outside agencies for the purpose of soliciting proxies. Upon request, we will also reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for distributing proxy materials to shareholders.

How can I receive future proxy statements and annual reports over the Internet instead of receiving printed copies in the mail?

This Proxy Statement and our Annual Report on Form 10-K for the year ended December 31, 2010 are available at <http://www.proxyvote.com>. Most shareholders can elect to view future proxy statements and annual reports over the Internet instead of receiving printed copies in the mail. If you are a shareholder of record, you can choose this option when you vote over the Internet and save us the cost of producing and mailing these documents. If you are a shareholder of record and choose to view future proxy statements and annual reports over the Internet, you will receive a proxy card in the mail next year with instructions containing the Internet address to access those documents. Your election to receive proxy materials by email will remain in effect until you terminate it. If you choose to receive future proxy

materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. If your shares are held through a broker or other nominee, you should check the information provided by them for instructions on how to elect to view future proxy statements and annual reports over the Internet.

Table of Contents**PROPOSAL NO. 1****ELECTION OF SIX NOMINEES FOR DIRECTOR****Nominees and Voting**

At the Annual Meeting six directors will be elected to serve until the next Annual Meeting and until their successors are elected and qualified. Proxies may not be voted for more than six persons. The Company has nominated for election as directors the six persons named below. Each of these nominees has indicated that they are able and willing to serve as directors.

Under Nevada law and the Company's Articles of Incorporation, shareholders of record on the record date will be entitled to one vote for each share held when voting for directors.

Unless otherwise instructed, the Company's Proxy holders intend to vote the shares of common stock represented by the Proxies in favor of the election of these nominees. If for any reason any of these nominees will be unable or unwilling to serve, the shares represented by the enclosed Proxy will be voted for the election of the balance of those named and such other person or persons as the Board of Directors may recommend. The Board of Directors has no reason to believe that any such nominee will be unable or unwilling to serve. Directors are elected by a plurality of the votes cast.

The Company's nominees and directors are listed below, together with their ages, offices with the Company and year in which each became a director of the Company. Directors will be elected by a plurality of the votes cast by the shares entitled to vote, as long as a quorum is present.

Plurality means that the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be chosen. Therefore, shares not voted, whether by withheld authority or otherwise, and broker non-votes have no effect in the election of directors.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF THE SIX NOMINEES FOR DIRECTOR.

Notwithstanding the appointment of Mr. Johnson as receiver, the Company's Board of Directors will continue to perform its duties as required by applicable law, including applicable NASDAQ Marketplace Rules, until their successors are elected and qualified.

No other director or executive officer serves pursuant to any arrangement or understanding between him or her and any other person. There are no family relationships between any of our directors or executive officers.

Meetings and Committees of the Board of Directors

The Board of Directors currently has two committees: (i) an Audit Committee, and (ii) a Compensation Committee. The Board of Directors does not have a formal nominating committee, and all decisions regarding director nominations are addressed by the entire Board of Directors, and under NASDAQ listing rules are subject to approval by a majority of the independent directors.

The Company's Board of Directors met 17 times during 2010. No current director attended less than 75% of the aggregate of all meetings of the Board of Directors and all Committees on which he served during the 2010 fiscal year.

All current members of the Board of Directors are independent as defined in NASDAQ Marketplace Rule 5605 other than Berth Milton, the Company's Chairman, CEO and President, Eric Johnson, Chief Executive Officer of Entruphema Inc., a subsidiary of the Company, and Ilan Bunimovitz, who served as the Company's CEO from April 2009 until July 2010.

The Audit Committee is currently comprised of Stefan Gunnarsson, Jan Jensen and Bo Rodebrandt. All of the members of the Audit Committee are independent as defined in applicable NASDAQ listing requirements and SEC regulations, and each of them is able to read and understand fundamental financial statements. The Board has determined that Stefan Gunnarsson is an audit committee financial expert as defined under applicable SEC regulations. The Audit Committee reviews and recommends to the Board, as it deems necessary, the internal accounting and financial controls for the Company and the accounting principles and auditing practices and procedures to be employed in preparation and review of financial statements of the Company. The Audit Committee makes recommendations to the Board concerning the engagement of independent public accountants and the scope of the audit to be undertaken by such accountants. The Audit Committee has adopted a written Audit Committee Charter which is included as Appendix A to this Proxy Statement. The Audit Committee met eight times during 2010.

The Compensation Committee is currently comprised of Stefan Gunnarsson, Jan Jensen, Bo Rodebrandt and Lars Ryd. Prior to 2010, Berth Milton was the sole member of the Compensation Committee. The Compensation Committee has not adopted a charter. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board policies, practices and procedures relating to the compensation of the officers and other managerial employees and the establishment and administration of employee benefit plans. It exercises all authority under any employee stock option plans of the Company as the Committee therein specified, subject to the review and approval of the Board of

Table of Contents

Directors, and advises and consults with the officers of the Company as may be requested regarding managerial personnel policies. The Compensation Committee also has such additional powers as may be conferred upon it from time to time by the Board. When deemed appropriate by the Compensation Committee, it will seek input from executive officers regarding the amount or form of executive compensation. The Compensation Committee met eight times during 2010. In February 2010 the Compensation Committee retained Mercer Consulting S.L., a large international compensation consultancy firm, to assist it in connection with its review of the overall compensation level of Berth Milton as Chairman of the Board for 2009 and 2010. The purpose of their engagement was to provide to the Committee information relative to compensation arrangements for individuals serving in the role of Chairman in other comparable companies.

The Board has not established a formal nominating committee, nor has the Board adopted a nominating committee charter. Therefore, decisions relating to the nomination of directors are addressed by the entire Board of Directors. The Board has not established any specific minimum qualifications that must be met for recommendation for a position on the Board. Instead, in considering candidates for director, the Board will generally consider all relevant factors, including among others the candidate's applicable expertise and demonstrated excellence in his or her field, the usefulness of such expertise to the Company, the availability of the candidate to devote sufficient time and attention to the affairs of the Company, the candidate's reputation for personal integrity and ethics and the candidate's ability to exercise sound business judgment. Other relevant factors, including diversity, age and skills, will also be considered. Candidates for director are reviewed in the context of the existing membership of the Board (including the qualities and skills of the existing directors), the operating requirements of the Company and the long-term interests of its shareholders. The Board uses its network of contacts when compiling a list of potential director candidates and may also engage outside consultants (such as professional search firms). At this time, the Board does not consider director candidates recommended by shareholders. The Board believes that it is in the best position to identify, review, evaluate and select qualified candidates for Board membership. While the Board seeks a diversity of experience, viewpoints and backgrounds on the Board, it has not established a formal policy regarding diversity in identifying director nominees.

Under applicable NASDAQ listing rules the Company was a controlled company until November 2009, at which time Berth Milton ceased to beneficially own more than 50% of the Company's common stock. As a controlled company, prior to 2010 the Company was exempt from NASDAQ Marketplace Rules which require that the nomination of directors be made by either a majority of independent directors or a committee comprised solely of independent directors. Accordingly, commencing in 2010, nominations of the Company's directors are made by a majority of the independent directors, subject to the approval of the entire Board of Directors. All of the Company's nominees for director at the 2011 Annual Meeting were approved by a majority of the Board of Directors and all of the independent directors. For the purpose of nominations, the independent directors met three times during 2010. The independent directors also met twice during 2010 outside of their nominations role.

The Secretary will forward shareholder communications to the appropriate director or directors for review. Anyone who has a concern about the conduct of the Company or the Company's accounting, internal accounting controls or auditing matters, may communicate that concern to the Secretary, the Chairman of the Board or any member of the Board of Directors at the Company's address. The Company encourages individual directors to attend the Annual Meeting. At the Company's 2010 Annual Meeting, three of the Company's directors were in attendance. We believe the Company's responsiveness to shareholder communications to the Board has been adequate.

Board of Directors Leadership Structure and Risk Oversight

Board Leadership Structure. The positions of Chief Executive Officer (CEO) and Chairman of the Board are both held by Mr. Berth H. Milton. The Board believes that the combined role of Chairman and CEO is the most effective leadership structure for the Company and in the best interests of its shareholders. It serves to promote strong and consistent leadership, allowing management to speak with a single voice and delineate primary responsibility for management of the Company. The Board believes that Mr. Milton is best suited to serve as Chairman because, as CEO, he is most knowledgeable regarding the Company's business, can best identify strategic priorities and opportunities, and thus lead discussion at the Board level to execute the Company's strategy. The Board also believes that the combined role of Chairman and CEO facilitates the flow of information between the Board and executive management. In considering its leadership structure, the Board believes that the majority of independent directors serving on the Board appropriately balance the combined roles of Chairman and CEO.

Board Risk Oversight. Risk management is primarily the responsibility of the Company's management. However, the Board has responsibility for overseeing management's identification and management of those risks. The Board considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board and its committees, as appropriate, discuss and receive periodic updates from senior management regarding significant risks to the Company in connection with the periodic review of the Company's business plan and its review of strategy and major transactions.

The Board's committees also assist the Board in overseeing the management of the Company's risks within the areas delegated to that committee, which in turn report to the full Board, as appropriate. The Audit Committee, which is comprised solely of independent directors, is responsible for risks relating to its review of the Company's financial statements and financial reporting processes, the evaluation of the effectiveness of internal control over financial reporting, compliance with legal and regulatory requirements, and reviewing related party transactions. The Compensation Committee is responsible for monitoring risks associated with the Company's compensation programs. Each committee has full access to management.

Changes in Control

As described in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 under Item 3 - Legal Proceedings and Item 13 - Certain Relationships and Related Transactions and Director Independence, on July 9, 2010, the Company received a notice from Consipio Holding BV (Consipio) advising it that the Company continues to be in default under the Note held by Consipio and requesting Slingsby Enterprises Limited (Slingsby) to deliver 3,950,000 shares of common stock as collateral to Consipio under the terms of the Pledge Agreement, in addition to the 1,650,000 shares previously pledged by Slingsby under the Pledge Agreement. In addition, pursuant to such notice Consipio purported to exercise the right as pledgee to vote all of the collateral shares, including the 1,650,000 shares of common stock previously pledged as collateral, so long as an event of default has occurred and is continuing under the Note. In June and August 2011, Consipio obtained an order in the Nevada Action requiring the Company to recognize the right of Consipio to vote the 5,600,000 shares it claims as collateral at any future shareholders meeting. While the election of directors at the 2010 Annual Meeting was ultimately invalidated by the Nevada State Court, Consipio nominated six directors for election at such meeting, five of whom had not been nominated by the Company's Board of Directors. Consipio has not notified the Company that it intends to nominate directors at the 2011 Annual Meeting. However, if Consipio again nominates directors different from those nominees listed in this Proxy Statement, this could result in a change in control of the Company at some time in the future. There are no assurances as to the outcome of any further proceedings to determine the rights of Consipio to vote these shares.

No Director or executive officer of Private Media Group is related to any other Director or executive officer. None of our officers or Directors holds any directorships in any other public entity. There are currently four outside directors on our Board of Directors.

Table of Contents**Related Transactions***Guaranty of Commerzbank Note by Affiliate of Berth Milton*

In December 2001, the Company borrowed \$4.0 million from Commerzbank AG pursuant to a Note originally due on December 20, 2002. The Note bore interest at an annual rate of 7%, payable quarterly, with the entire principal amount and accrued interest originally due on December 20, 2002. The Note was guaranteed by Slingsby, an affiliate of Berth Milton, Private's Chairman, President and principal shareholder, and the guaranty was secured by 1,650,000 shares of Private Media Group, Inc. common stock. In December 2002, Commerzbank AG agreed to extend the maturity date of the Note to March 20, 2003. In April 2003, the Note was acquired by Consipio from Commerzbank AG, and Consipio and Private reached an agreement-in-principle to extend the maturity of the Note until April 2008. However, Consipio and Private were unable to reach final agreement on other terms and conditions relating to the restructured Note. Accordingly, in December 2003, Consipio notified Private and Slingsby that Private was in default under the Note, and demanded \$3.4 million as payment in full of all outstanding principal and interest under the Note. The Company continued to make regular payments on the Note, including principal and accrued interest, through February 2008. In April 2008, Consipio requested Private to pay the remaining balance of the Note, without indicating the amount due. Private in turn requested that Consipio provide a statement of the amount due and the basis for its calculation. In response, Consipio demanded payment of \$3,194,000 as settlement in full of the Note, to be received by May 9, 2008. This calculation was made using an interest rate of 9.9%, as opposed to the 7% rate provided under the original terms of the Note. Consipio also advised that if payment was not received on such date it would institute litigation, in which event Consipio would claim that the amount due under the Note should be denominated in Euro, rather than U.S. dollars. In August 2008, Consipio notified Private that the Note was in default and that it intended to exercise its rights under the Note and the pledge of shares by Slingsby of Private common stock. Private believes that the amount due under the Note at May 9, 2008, including accrued interest, was no more than \$2.4 million (\$2.9 million at December 31, 2010), utilizing an interest rate of 7%.

Consipio filed a lawsuit against the Company, Slingsby, and Berth H. Milton, Jr. in New York State Court as Case No. 650462/10 alleging the failure to pay the Note and an accompanying guaranty agreement by Slingsby. For additional information regarding this proceeding see Part I, Item 3 – Legal Proceedings, contained in the Company's Annual Report on Form 10-K for the period ended December 31, 2010. Additionally, on August 30, 2011, the court entered an Order of Attachment against the Company inclusive of probable interest, costs and Sheriff's fees and expenses in the approximate amount of \$7.35 million on the grounds that Consipio has a valid cause of action against the Company for breach of the Note. For additional information regarding the attachment, see the Company's Current Report on Form 8-K filed on September 9, 2011.

Guaranty of EUR One Million Loan by Affiliate of Berth Milton

In December 2007 an affiliate of Mr. Milton agreed to guarantee a bank line of credit agreement of Euro 1.0 million entered into by one of the Company's European subsidiaries, which was originally due on December 31, 2008, and was subsequently extended until it expired in December 31, 2009. On December 11, 2009, the credit line of Euro 1.0 million was refinanced with a six year term loan by an institutional lender at an interest rate of EURIBOR + 1.2%. Interest is payable annually starting December 11, 2010 and the loan is repayable in equal annual installments over a five year period starting December 11, 2011 (the December 2009 Refinancing). The December 2009 Refinancing was arranged and guaranteed by an affiliate of Mr. Milton and the guaranty is secured by 666,667 shares of Private common stock beneficially owned by Mr. Milton.

Unsecured Loans to Slingsby Enterprises Limited

We have unsecured loans to Slingsby, an entity controlled by Mr. Milton (the Slingsby Loans). The Slingsby Loans bear interest at the rate of EURIBOR+1% per annum and have no maturity date. During 2010 the highest amount outstanding was EUR 7.1 million. As of December 31, 2010, and September 30, 2011, EUR 7.1 million and EUR 7.2 million, respectively, remained outstanding on these loans, including interest. No payments of principal or interest have been made in respect of the Slingsby Loans. As of December 31, 2010, there are no amounts recorded in the Company's financial statements with respect to the Slingsby Loans, see below for further information.

Table of Contents

In connection with the Company's acquisition of Game Link LLC on January 20, 2009, in order to induce the sellers to consummate the acquisition, Slingsby entered into an agreement (the "GameLink Letter Agreement") with the Company and the sellers with regard to the partial repayment of the Slingsby Loans. Under the GameLink Letter Agreement, in each of the fiscal years ended December 31, 2009, 2010, and 2011, Slingsby is required to repay not less than EUR one million, either in cash or in Private common stock valued at its fair market value as determined by the disinterested directors of Private, to be applied first to accrued interest and then to principal of the loan. At December 31, 2010, Slingsby had not made the EUR one million payments due on December 31, 2009 and December 31, 2010.

In January 2010 Mr. Milton advised the Company's Board of Directors that Slingsby did not make the EUR one million payment due under the GameLink Letter Agreement on December 31, 2009, as he had arranged for the EUR one million December 2009 Refinancing on terms favorable to the Company and arranged for the pledge of 666,667 shares of common stock beneficially owned by Mr. Milton to secure the December 2009 Refinancing. In February 2010 the Company's independent directors determined that it was not in the best interest of the Company to enforce the December 31, 2009 EUR one million payment obligation under the GameLink Letter Agreement, in view of its determination that the arrangement by Mr. Milton of December 2009 Refinancing was done in good faith and was in the best interests of the Company and that Mr. Milton's involvement in the refinancing was an important factor in completing this financing, but that the payments due in 2010 and 2011 would remain in place.

The independent directors further determined in April 2010 that the terms of the Slingsby Loans should be renegotiated with Mr. Milton to reflect reasonable market terms in view of a number of factors, including the size of the loan, the failure of Slingsby to make the scheduled payment due on December 31, 2009, the absence of any security for the loan and the absence of a fixed maturity date or agreed payment schedule sufficient to repay the full amount of the Slingsby Loans. In April 2010 Mr. Milton proposed to restructure the payment terms of the Slingsby Loans to provide for a personal guaranty of the Slingsby Loan by Mr. Milton, a fixed maturity date of five years, and payments of EUR 1 million, in cash or Private common stock, in 2011 and 2012. However, the Company and Mr. Milton were unable to reach agreement on the material terms of the restructuring of the Slingsby Loans. Based upon the payment history of the loan and the absence of any security for the Slingsby Loans, in May 2010 the Company determined to fully provide against the Slingsby Loans in its financial statements until such time as the terms of the Slingsby Loans are modified to provide adequate assurances of the collectability of the Slingsby Loans. As of the date of this Proxy Statement no agreement has been reached regarding the restructuring of the Slingsby Loans.

The terms of the GameLink Letter Agreement provide that it may not be amended without the consent of the GameLink sellers, which includes Ilan Bunimovitz. These terms require payments of the Slingsby Loans of EUR 1 million, in cash or Private common stock, on or before December 31, 2009, 2010 and 2011. Therefore, any restructuring of the Slingsby Loans which requires a modification of the payment terms in the GameLink Letter Agreement will be subject to obtaining the consent of the GameLink sellers. As of the date of this Proxy Statement, the GameLink sellers have not agreed to waive or defer any required payments, including the payment required to be made by Slingsby to Private on December 31, 2009, and December 31, 2010.

On September 19, 2011, Mr. Johnson, as receiver, sent a letter on behalf of the Company to Mr. Milton and Slingsby demanding repayment of the Slingsby Loans. As of the date of this Proxy Statement, Mr. Milton and Slingsby have not repaid the Slingsby Loans as demanded.

The lease extends through December 31, 2011, has a base rent of \$13,620 per month, and provides for Game Link to be responsible for property taxes and maintenance expenses during the term of the lease.

Sureflix Transactions

Effective December 17, 2009, the Company appointed Eric Johnson as a director pursuant to his Employment Agreement with the Company and Entruphema Inc., a subsidiary of the Company (Entruphema), entered into on October 29, 2009. The Employment Agreement was entered into in connection with the acquisition of Entruphema and its affiliate, Sureflix Digital Distribution Inc. on October 29, 2009, companies engaged in the business of digital distribution of premium gay adult content. Mr. Johnson was the chief executive officer and a minority owner of Entruphema prior to its acquisition by Private on October 29, 2009.

The Employment Agreement provides for Mr. Johnson to serve as Chief Executive Officer of Entruphema for a period of three years, subject to earlier termination by either party under specified circumstances. Under the terms of the Employment Agreement the Company agreed to appoint Mr. Johnson to its Board by December 31, 2009, and to nominate him to continue to serve as a director in 2010 and 2011 until such time as he ceases to be employed by Entruphema. The Employment Agreement provides for Mr. Johnson to receive an annual base salary of CAD 235,000 during each year of the three year employment term. If Entruphema terminates Mr. Johnson’s employment during the term of the Employment Agreement other than for cause, or if Mr. Johnson terminates his employment with the Entruphema for good reason, then Mr. Johnson is entitled to continue to receive his monthly base salary for the remaining period of the three year term.

Table of Contents

The Company and the sellers have not yet reached agreement as to what extent the EBITDA target has been met for the three months ended December 31, 2009, and the 12 months ended December 31, 2010. As of October 31, 2011, Class A Preference Shares of Entruphema equal to 110,000 shares of the Company's common stock had been converted.
