**DEREGISTRATION OF SECURITIES**

Prior to March 30, 2001, Ceridian Corporation was a publicly traded company whose principal lines of business were the human resource service businesses, the Comdata business, which provided transaction processing and regulatory compliance services for the transportation industry, and the radio audience measurement business. On March 30, 2001, Arbitron Inc. s ( Arbitron ) predecessor, Ceridian Corporation, completed a spin-off of its lines of business other than its radio audience measurement business to a newly formed company named New Ceridian and changed its name from Ceridian Corporation to Arbitron Inc.

The purpose of this Post-Effective Amendment No. 1 to Form S-8, Registration Statement No. 333-01793 for the Comdata Holdings Corporation 401(k) Savings and Retirement Plan (the Plan ), is to deregister shares registered for issuance pursuant to the Plan. Because one of the investment funds available under the Plan invested in shares of Ceridian Corporation s common stock, Ceridian Corporation filed with the Securities and Exchange Commission (the Commission ) on March 19, 1996, the Form S-8 registering 25,000 shares of its common stock for issuance pursuant to the Plan. In connection with the spin-off discussed above, the Plan was terminated and thus no additional shares of common stock registered on Registration Statement No. 333-01793 can be offered, sold or otherwise issued under the Plan. As a result, Arbitron hereby removes from registration any and all shares of common stock that were previously registered under Registration Statement No. 333-01793 and that remain unsold as of the date hereof, and hereby files this Post-Effective Amendment No. 1 to effect such removal and to terminate Registration Statement No. 333-01793.

As there are no securities being registered in this amendment, and the sole purpose of the amendment is to deregister securities, the disclosure requirements under the Securities Act of 1933 and the requirement for exhibits under Regulation S-K are inapplicable to this filing.
