**Item 1.01 Entry into a Material Definitive Agreement**

On December 30, 2011, pursuant to the previously reported Warrant and Common Stock Purchase Agreement dated for reference purposes as of December 15, 2011 (the Purchase Agreement), Enova Systems, Inc. (Enova or the Company) sold a total of 11,250,000 shares of Enova's common stock (Common Stock) at \$0.15 per share for an aggregate purchase price of \$1,687,500, together with warrants to purchase up to an equal number of shares of the Common Stock (the Warrants), to a total of seventeen accredited investors (collectively, the Investors), namely Ryan P. McCormack, Kevin McCormack, Mireille Gousseland, David N. Low Jr. and Dominique Lahaussais, Anthony B. Low-Beer, Helen R. Esposito, Phylis M. Esposito, Douglas Thunen, Christopher G. Thunen, The Thunen Family Trust, Dated October 4, 2005, Mechele Plotkin, Sander A. Flaum, The Viswanath Khaitan Revocable Trust Dtd 12-9-02, Cynthia A. Kohn, John F. Kohn, ALB Private Investments, LLC and PAT Ltd..

As required by the Purchase Agreement, in connection with the closing of the offering, the Company and the Investors entered into a Registration Rights Agreement, dated December 30, 2011, the form of which was previously filed with the Securities Exchange Commission (the SEC) as an attachment to the Company's Form 8-K with date of earliest event reported of December 16, 2011 (the Prior 8-K).

The Registration Rights Agreement requires the Company to file with the SEC a registration statement to cover the resale of the Investor Shares and Warrant Shares covered by the Registration Rights Agreement no later than thirty days of the closing of the sale of the Investor Shares. If not all of the Investor Shares and Warrant Shares may be sold on a delayed or continuous basis under the provisions of Rule 415 under the Securities 1933 Act, the Registration Rights Agreement provides that such shares will be removed from the registration statement and/or the Investors will agree to such restrictions and limitations on the registration and resale of such shares as the SEC may require to assure the Company's compliance with the requirements of said Rule 415. The Company has certain customary obligations with respect to the required registration statement. The Investors are required to provide the Company with certain information to assist in the registration of the Investor Shares and Warrant Shares. The Registration Rights Agreement contains customary indemnification and contribution provisions.

As further required by the Purchase Agreement, in connection with the closing of the offering, the Company issued to the Investors Warrants, dated December 30, 2011, the form of which was previously filed with the SEC as an attachment to the Prior 8-K.

The Warrants cover an aggregate of 11,250,000 shares of Enova's Common Stock. The Warrants are subject to appropriate adjustment for stock splits, combinations, reclassifications and the like. The Warrants are exercisable for a period of five years, with earlier termination in the case of certain extraordinary transactions and earlier call by Enova as set forth below. The Warrants are exercisable at the option of the holder at an exercise price of \$0.22 per share, which amount equals the volume weighted average price of the Company's Common Stock for the twenty trading days immediately prior to December 30, 2011, the date of the closing of the sale of the Investor Shares (the Exercise Price). The Warrants further provide that if, for a twenty (20) consecutive trading day period, the average of the closing bid and asked prices of the

Common Stock quoted in the Over-The-Counter market or the last reported sale price of the Common Stock or the closing price quoted on the NYSE Amex or any other U.S. exchange on which the Common Stock is listed, whichever is applicable (or such other reference reasonably relied upon by the Company if not so published), is greater than or equal to two times the Exercise Price with at least an average of ten thousand (10,000) shares traded per day (appropriately adjusted for stock splits, combinations, reclassifications and the like) during such period (the Early Termination Event), then, on the 10th calendar day following written notice from the Company notifying the Warrant holders of the Early Termination Event, any holder who has not, by such date, elected to exercise its Warrants for cash, such Warrants will be deemed automatically exercised on such 10th calendar day pursuant to the cashless/net exercise provisions under the Warrants.

The foregoing summary of the terms of each of the Registration Rights Agreement and the Warrants is qualified in its entirety by the Registration Rights Agreement and the Warrants, the forms of which were attached to the Prior 8-K. A press release issued on January 5, 2012 announcing the sale of the Common Stock and Warrants referenced above is filed with this report as Exhibit 99.1.
