To be held March 21, 2012

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited to the holders of common stock on behalf of the Board of Directors (the Board) of LRAD Corporation, a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on March 21, 2012, at 2:00 p.m. local time (the Annual Meeting), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at our principal offices located at 15378 Avenue of Science, Suite 100, San Diego, California 92128. We intend to mail or electronically deliver this proxy statement, the accompanying proxy card and Notice of Annual Meeting on or about February 6, 2012 to all stockholders entitled to vote at the Annual Meeting.

Solicitation

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of our company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Voting Rights and Outstanding Shares

We have designated a record date of January 23, 2012 for the Annual Meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual Meeting. At the close of business on January 21, 2012, we had outstanding and entitled to vote 32,374,499 shares of common stock.

On all matters to be voted upon at the Annual Meeting, each holder of record of common stock on the record date will be entitled to one vote for each share held. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions will be counted towards the tabulation of votes cast on proposals presented to the stockholders for the purposes of determining the presence of a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote your shares on our sole routine matter the ratification of the appointment of our independent registered public accounting firm. Your broker will not have discretion to vote on the following non-routine matters absent direction from you: the election of directors recommended by the Board, an advisory vote on executive compensation and an advisory vote on the frequency of holding an advisory vote on executive compensation.

The Board recommends that stockholders vote FOR election of the four directors named in this Proxy Statement to serve until the next Annual Meeting of Stockholders and until their successors are elected and have qualified (see page 2); FOR ratification of the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2012 (see page 7); FOR the proposal regarding an advisory vote on executive compensation (see page 9); and FOR every year in response to the

proposal regarding an advisory vote on the frequency of the advisory vote on executive compensation (see page 9).

Revocability of Proxies

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by filing with the Chairman of the Board at our principal offices, 15378 Avenue of Science, Suite 100, San Diego, California 92128, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy. If you hold shares through a bank or broker, you must contact that firm to revoke any prior proxy.

The deadline for submitting a stockholder proposal for inclusion in our proxy statement and form of proxy for our 2013 annual meeting of stockholders pursuant to Rule 14a-8 of the Securities and Exchange Commission is September 25, 2012.

To be timely, a stockholder's notice of the proposal must be delivered to, or mailed and received at our executive offices not earlier than December 21, 2012 and not later than January 20, 2013; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 days from the anniversary of the scheduled date of this year's Annual Meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the 90th day prior to such annual meeting and not later than the close of business on the later of the 60th day prior to such annual meeting or, in the event we first make public announcement of the date of such annual meeting fewer than 70 days prior to the date of such annual meeting, the close of business on the 10th day following the day on which we first make public announcement of the date of such meeting.

PROPOSAL ONE

ELECTION OF DIRECTORS

There are four nominees for Board positions. Each director to be elected will hold office until the next annual meeting of stockholders and until his or her successor is elected and has qualified, or until such director's earlier death, resignation or removal. All four of the nominees listed below are currently directors of our company and were elected by the stockholders at our 2011 annual meeting. We encourage our Board members to attend our annual meetings of stockholders. All nominees attended the 2011 annual meeting of stockholders.

In considering candidates for election to the Board, the independent members of the Board seek to assemble a Board that, as a whole, possesses the appropriate balance of professional, management and industry experience, qualifications, attributes, skills, expertise and involvement in areas that are of importance to our business and professional reputation. The independent directors also consider other board service, business, financial and strategic judgment of potential nominees, and desire to have a Board that represents a diverse mix of backgrounds, perspectives and expertise consisting of directors who complement and strengthen the skills of other directors and who also exhibit integrity, collegiality, sound business judgment and any other qualities that the independent members of the Board view as critical to effective functioning of the Board. Each of the nominees for election to the Board has demonstrated a successful track record of strategic, business and financial planning and operating skills. In addition, each of the nominees for election to the Board has experience in management and leadership development and an understanding of operating and corporate governance issues for a public company such as LRAD.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the four nominees named below, subject to the discretionary power to cumulate votes. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. There are no arrangements or understandings between us and any other person pursuant to which he or she was or is to be selected as a director or nominee.

The four candidates receiving the highest number of affirmative votes cast at the meeting will be elected directors.

Our Board of Directors recommends a vote IN FAVOR of each named nominee.

Nominees

The names of the nominees and certain information about them are set forth below. Such information includes their present positions, principal occupations and public company directorships held in the past five years as well as the specific experience, qualifications, attributes or skills of each nominee that led the independent members of the Board to believe that, as of the date of this proxy statement, that nominee should continue to serve on the Board. However, each independent director may have a variety of reasons for believing a particular person would be an appropriate board member, and these views may differ from the views of other independent directors.

BOARD AND COMMITTEE MATTERS AND CORPORATE GOVERNANCE MATTERS

Corporate Governance

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives, including our Code of Business Conduct and Ethics, our Charters for the committees of the Board, and our Whistleblower Protection Policy. The corporate governance page can be found at www.lradx.com by clicking on Investors, and then on Corporate Governance.

Our policies and practices reflect corporate governance initiatives that are designed to be compliant with the listing requirements of The NASDAQ Stock Market and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including:

A majority of our Board members are independent of our company and our management;

All members of our standing Board committees—the Audit Committee and the Compensation Committee—are independent;

The independent members of our Board meet regularly without the presence of management;

We have a clear code of business conduct and ethics that applies to our principal executive officers, our directors and all of our employees, and is monitored by our Audit Committee;

The charters of the board committees clearly establish their respective roles and responsibilities; and

We have a hotline available to all employees, and our Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal accounting controls, or auditing matters.

Board of Directors

Our Board currently consists of four directors: Thomas R. Brown (Chairman), Helen C. Adams, Laura M. Clague and Raymond C. Smith. During the fiscal year ended September 30, 2011, our Board held six meetings. All directors serving on the Board during the fiscal year ended September 30, 2011 attended at least 75% of the aggregate of the total number of the meetings of the Board and the total number of meetings held by all committees of the Board on which he or she served (in each case during the period in which he or she served).

Independence of the Board

As required under the NASDAQ Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors.

After review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our Board has affirmatively determined that Ms. Adams, Ms. Clague and Admiral Smith are independent directors within the meaning of the applicable NASDAQ listing standards.

Board Leadership Structure

Thomas R. Brown currently serves as Chief Executive Officer and Chairman of the Board. The Board does not have a lead independent director. We do not have a formal policy with respect to separation of the offices of Chairman of the Board and Chief Executive Officer, and the Board believes that it should maintain flexibility to select our Chairman and board leadership structure from time to time. The Board believes that it is currently in our best interest, and that of our stockholders, for Mr. Brown to serve in both roles. The Board believes this provides us an efficient and effective leadership model. Combining the Chairman and CEO roles fosters clear accountability, effective decision-making and alignment on corporate strategy. In light of Mr. Brown's knowledge of our business and industry, and his experience successfully navigating us through both strong and challenging periods, his ability to speak as Chairman and CEO provides us with strong unified leadership.

Role of Board in Risk Oversight

Our management is primarily responsible to manage risk and inform the Board regarding our most material risks. The Board has oversight responsibility of the processes established to monitor and manage such risks. The Board believes that such oversight function is the responsibility of the entire Board through frequent reports and discussions at regularly scheduled Board meetings. In addition, the Board has delegated specific risk management oversight responsibility to the Audit Committee and to the independent members of the Board. In particular, the Audit Committee oversees management of risks related to accounting, auditing and financial reporting and maintaining effective internal controls for financial reporting. The Compensation Committee oversees risk management related to our executive compensation plans and arrangements. The independent members of the Board oversee risk management related to our corporate governance practices. The Board believes that the leadership structure described above under **Board Leadership Structure** facilitates the Board's oversight of risk management because it allows the Board, working through its committees, including the independent Audit Committee and the Compensation Committee, to participate actively in the oversight of management's actions. These specific risk categories and our risk management practices are regularly reviewed by the entire Board in the ordinary course of regular Board meetings.

Executive Sessions

As required under NASDAQ listing standards, during the calendar year ended December 31, 2011, our independent directors met at least twice in regularly scheduled executive sessions at which only independent directors were present.

Stockholder Communications with the Board

We have adopted a formal process by which stockholders may communicate with our Board. The Board recommends that stockholders initiate any communications with the Board in writing and send them in care of Investor Relations by mail to our principal offices, 15378 Avenue of Science, Suite 100, San Diego, CA 92128. This centralized process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner. The name of any specific intended Board recipient should be noted in the communication. The Board has instructed Investor Relations to forward such correspondence only to the intended recipients; however, the Board has also instructed Investor Relations, prior to forwarding any correspondence, to review such correspondence and, in its discretion, not to forward certain items if they are deemed of a personal, illegal, commercial, offensive or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence will be forwarded to our corporate Secretary for review and possible response. This information is also contained on our website at www.lradx.com.

Information Regarding the Board Committees

During the fiscal year ended September 30, 2011, the Board had two standing committees: the Audit Committee and the Compensation Committee. The current charters for the Audit Committee and the Compensation Committee can be found on our website at www.lradx.com.

Audit Committee

Our Board has a separately designated standing Audit Committee established in accordance with Section 3(a)(58) of the Securities Exchange Act of 1934 (the **Exchange Act**). The Audit Committee oversees our corporate accounting and financial reporting processes. Among other functions, the Audit Committee:

evaluates the performance of and assesses the qualifications of the independent registered public accounting firm;

engages the independent registered public accounting firm;

determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm;

confers with senior management and the independent registered public accounting firm regarding the adequacy and effectiveness of financial reporting;

Edgar Filing: LRAD Corp - Form DEF 14A

reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services;

considers the effectiveness of our Company's internal control system, including information technology security and control;

understands the scope of the independent registered public accounting firm's review of internal control over financial reporting, and obtains reports on significant findings and recommendations, together with management's responses;

monitors the rotation of partners of the independent registered public accounting firm on our audit engagement team as required by law;

oversees procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

reviews the procedures for communicating the code of business conduct and ethics to our company personnel, and for monitoring compliance therewith;

reviews annually the Audit Committee's written charter and the committee's performance and reports the same to the Board;

reviews the financial statements to be included in our Annual Report on Form 10-K as well as interim financial reports;

discusses with management and the independent registered public accounting firm the results of the annual audit and the results in our quarterly financial statements; and

reviews and approves all related party transactions on an ongoing basis.

The Audit Committee has the authority to retain special legal, accounting or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Audit Committee is composed of Ms. Adams (Chair), Ms. Clague and Admiral Smith. The Audit Committee met four times during fiscal 2011.

The Board annually reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that all members of our Audit Committee are independent under applicable SEC rules and NASDAQ listing standards. Our Board has determined that each member of the Audit Committee is able to read and understand fundamental financial statements, including our company's balance sheet, income statement and cash flow statement. Our Board has also determined that Ms. Adams and Ms. Clague each qualify as an audit committee financial expert, as defined in applicable SEC rules. In making such determinations, the Board made a qualitative assessment of Ms. Adams' and Ms. Clague's level of knowledge and experience based on a number of factors, including each individual's formal education and experience. See Report of the Audit Committee.

Compensation Committee

The Compensation Committee assists in the implementation of, and provides recommendations with respect to, our general and specific compensation policies and practices for our company's executives. The Compensation Committee also administers our 2005 Equity Incentive Plan. Among other functions, the Compensation Committee:

reviews and approves the performance goals and objectives for executive officers, including our CEO;

evaluates the CEO's performances in light of those goals and objectives and recommends to the Board the CEO's compensation levels;

recommends to the Board the compensation of executive officers other than the CEO;

reports on executive compensation for inclusion in our company's proxy statements;

reviews annually the Board compensation and makes related recommendations to the Board; and

Edgar Filing: LRAD Corp - Form DEF 14A

reviews annually the Compensation Committee's written charter and the committee's performance and reports the same to the Board. The Compensation Committee has the authority to retain special legal or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Compensation Committee is composed of Ms. Clague (Chair), Ms. Adams and Admiral Smith. The Compensation Committee held six meetings during fiscal 2011. See Report of the Compensation Committee.

Each member of the Compensation Committee is independent under applicable NASDAQ listing standards, an outside director as defined in Section 162(m) of the Internal Revenue Code and a non-employee director as defined in Rule 16b-3 under the Exchange Act.

Director Nominations

The Board performs the functions associated with a nominating committee. The Company's independent directors make recommendations to the full Board for nominations to fill vacancies on the Board and for selecting the management nominees for the directors to be elected by the Company's shareholders at each Annual Meeting. The Board believes that, considering the size of the Company and the Board, nominating decisions can be made effectively on a case-by-case basis by the Board. In carrying out the functions of a nominating committee, the Board does not rely on a nominating committee charter. Rather, the independent directors of the Company apply the guidelines set forth below in considering nominations to the Board.

Director Qualifications

The Board believes that new candidates for director should have certain minimum qualifications, including having the knowledge, capabilities, experience and contacts that complement those currently existing within our company; ability and qualifications to provide our management with an expanded opportunity to explore ideas, concepts and creative approaches to existing and future issues, and to guide management through the challenges and complexities of building a quality company; ability to meet contemporary public company board standards with respect to general governance; stewardship, depth of review, independence, financial certification, personal integrity and responsibility to stockholders; genuine desire and availability to participate actively in the development of our future; and an orientation toward maximizing stockholder value in realistic time frames. The Board also intends to consider for new Board members such factors as ability to contribute strategically through relevant industry background and experience, on either the vendor or the end user side; strong current industry contacts; ability and willingness to introduce and open doors to executives of potential customers and partners; current employment as the CEO of an acoustic products, media, advertising, military or government supply company larger than our company; independence from our company and current board members; and a recognizable name that would add credibility and value to our company and its stockholders. The Board does not have a formal policy regarding diversity, but as described above considers a broad range of attributes and characteristics in identifying and evaluating nominees for election to the Board. The Board views diversity broadly to include diversity of experience, skills and viewpoint in addition to more traditional diversity concepts. The Board may modify these qualifications from time to time.

Evaluating Nominees for Director

The Board reviews candidates for director nominees in the context of the current composition of our Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Board currently considers, among other factors, diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and our company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Board reviews such directors' overall service to our company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Board also determines whether the nominee must be independent, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Board then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Board conducts any appropriate and necessary inquiries into the background and qualifications of possible candidates after considering the function and needs of our Board. The Board meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board by majority vote. To date, neither the Board nor any predecessor to the Board has paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, neither the Board nor any predecessor to the Board has rejected a timely director nominee from a stockholder or group of stockholders that beneficially owned, in the aggregate, more than 5% of our voting stock.

Stockholder Nominations

The Board applies the same guidelines (described above) to stockholder nominees as applied to nominees from other sources. Any stockholder who wishes to recommend for the Board of Directors consideration a prospective nominee to serve on the Board may do so by giving the candidate's name and qualifications in writing to our Chairman of the Board at the following address: 15378 Avenue of Science, Suite 100, San Diego, California 92128.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics, a code of ethics that applies to all employees, including our executive officers. A copy of the Code of Business Conduct and Ethics is posted on our Internet site at www.lradx.com. In the event we make any amendments to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, or principal accounting officer that requires disclosure under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on a Form 8-K or on our next periodic report.

Stockholder ratification of the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP is not required by our bylaws or otherwise. practice. If the stockholders fail to ratify the selection, the Audit Committee will consider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of our company and our stockholders.

The affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, is required to ratify the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders for the purpose of determining a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

The Audit Committee pre-approves the annual engagement of the principal independent registered public accounting firm, including the performance of the annual audit and quarterly reviews for the subsequent fiscal year, and pre-approves specific engagements for tax services performed by such firm. The Audit Committee has also established pre-approval policies and procedures for certain enumerated audit and audit related services performed pursuant to the annual engagement agreement, including such firm's attendance at and participation at Board and committee meetings; services of such firm associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings, such as comfort letters and consents; such firm's assistance in responding to any SEC comment letters; and consultations with such firm as to the accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretations by the SEC, Public Company Accounting Oversight Board (PCAOB), Financial Accounting Standards Board (FASB), or other regulatory or standard-setting bodies. The Audit Committee is informed of each service performed pursuant to its pre-approval policies and procedures.

The Audit Committee has considered the role of Squar, Milner, Peterson, Miranda & Williamson, LLP in providing services to us for the fiscal year ended September 30, 2011 and has concluded that such services are compatible with such firm's independence.

Our Board of Directors recommends a vote IN FAVOR of

the ratification of the selection of our independent registered public accounting firm.

PROPOSAL THREE

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As described below under "Compensation Discussion and Analysis" in this Proxy Statement, our executive compensation program is designed to attract, motivate and retain a talented team of executives. We seek to accomplish this goal in a way that rewards performance that is aligned with our stockholders' long-term interests. We believe that our executive compensation program satisfies this goal and is strongly aligned with the long-term interests of our stockholders.

We are required to submit a proposal to our stockholders for a (non-binding) advisory vote on the compensation of our named executive officers pursuant to Section 14A of the Exchange Act. This proposal, commonly known as a "say-on-pay" proposal, gives stockholders the opportunity to express their views on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers. Accordingly, the following resolution is submitted for stockholder vote at the 2012 Annual Meeting:

RESOLVED, that the stockholders of LRAD Corporation approve, on an advisory basis, the compensation of its named executive officers as disclosed in the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in the Proxy Statement for the 2012 Annual Meeting.

As an advisory vote, this proposal is not binding. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions for named executive officers.

**Our Board of Directors recommends that stockholders vote FOR the approval, on an advisory basis,
of the compensation of our named executive officers, as disclosed in this Proxy Statement.**

PROPOSAL FOUR

**ADVISORY VOTE ON THE FREQUENCY OF HOLDING AN ADVISORY VOTE
ON EXECUTIVE COMPENSATION**

Section 14A of the Exchange Act and related SEC rules also require that we provide stockholders the opportunity to vote, on a non-binding, advisory basis, as to how frequently we should hold future non-binding, advisory votes on the compensation of our named executive officers as disclosed in our annual proxy statement in accordance with SEC rules (which we refer to as a non-binding, advisory vote on executive compensation). SEC rules provide that stockholders must have an opportunity to indicate whether they would prefer that we hold future advisory votes on executive compensation every year, once every two years, or once every three years.

The Board has determined that holding an advisory vote on executive compensation every year is most appropriate for the Company and recommends that you vote that we hold an advisory vote on executive compensation every year.

You are not voting to approve or disapprove the Board's recommendation but instead for one of the specified choices. Accordingly, with respect to this proposal, you should vote for one year, two years, or three years, based on your preference as to the frequency with which an advisory vote on executive compensation should be held or, if you have no preference, you may choose to abstain from voting on this proposal.

The option of yearly, every two years or every three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation that has been selected by stockholders. However, as this is an advisory vote, the result will not be binding. Our Compensation Committee will consider the outcome of the vote when determining how often we hold an advisory vote on executive compensation.

**Our Board of Directors recommends a vote for the option of
EVERY YEAR as the frequency with which stockholders are provided any advisory vote
on executive compensation.**

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

Our compensation and benefits programs are designed to attract and retain executive officers and key employees necessary to support its business plans and to create and sustain a competitive advantage in the market segment in which it competes. We intend to be competitive with other similarly situated companies in our industry to permit us to attract and retain individuals with the skills necessary to execute our business plan.

In structuring its compensation program for executive officers, including the named executive officers who appear in the compensation tables following this Compensation Discussion and Analysis, our fundamental objectives are to:

Attract and retain talented executive officers who can contribute to the achievement of our goals, most notably, the increase in stockholder value;

Align the interests of our executive officers with our near, medium and long-term goals and those of our stockholders, employees and other stakeholders;

Focus executive officers on achievement of our goals in a manner that fosters team performance and team focus;

Reward superior performance by our company as a whole, and to a lesser extent superior individual performance; and

Accomplish these objectives effectively while managing the total cost of the compensation plan.

Our compensation program includes cash compensation, which it views as a short-term incentive, and equity compensation, which it believes provides incentives over a longer term. Cash compensation for executive officers consists of a base salary commensurate with the individual

Edgar Filing: LRAD Corp - Form DEF 14A

executive officer's experience and potential contribution to our overall performance, and an annual incentive bonus based on our attainment of certain performance goals as a company. Our equity compensation awards are designed to reward executive officers for the financial and operating performance of the company as a whole, as well as the executive's individual contributions to our overall success.

Determination of Compensation Awards

Our executive compensation program is designed and implemented primarily by the Compensation Committee with input from a number of sources, including the full Board, our President and Chief Executive Officer and such additional compensation information as the Compensation Committee deems appropriate. The Compensation Committee does not delegate, to management or any other parties, its duties to review our executive compensation program, which it reviews annually.

In determining compensation for our executive officers, the Compensation Committee annually reviews information which it deems relevant. The Compensation Committee also evaluates our performance and generally determines whether the compensation elements and levels that it provides to its executive officers are appropriate relative to their counterparts, in light of each executive officer's individual contribution to our overall performance. The Compensation Committee does not believe that it is appropriate to establish compensation levels based solely on compensation provided by other companies. In addition, the Compensation Committee relies upon its judgment in making compensation decisions after carefully evaluating each executive officer's individual performance and our performance during the year.

The Compensation Committee directly determines the compensation package provided to our Chief Executive Officer based on the Chief Executive Officer's individual performance and the performance of our company as a whole, receiving input as it deems appropriate. For named executive officers other than the Chief Executive Officer, as well as for our other executives, the Chief Executive Officer makes recommendations for each individual's compensation package to the Compensation Committee. In making these recommendations, the Chief Executive Officer considers the individual's performance, performance of the company as a whole and the individual's contribution to our performance. The Compensation Committee discusses these recommendations with the Chief Executive Officer. The Compensation Committee further reviews and discusses these recommendations in executive session without any members of management present.

Elements of Executive Compensation

We seek to achieve the objectives of the executive compensation program through a mix of cash and equity compensation, plus appropriate health, welfare and other benefits. The specific elements of executive compensation are described below:

Base Salary. Base salary for executive officers, including the Chief Executive Officer, is determined on the date of hire, and evaluated annually thereafter or on any material change of duties, responsibilities or position. In determining base salary for executive officers, the Compensation Committee considers individual and company performance, potential of the executive officer to contribute to our long-term success, scope of responsibilities, experience and competitive salary practices.

Annual Cash Bonuses. For fiscal year 2012, we have established an executive officer and employee incentive plan designed to motivate our employees to achieve our financial objectives and to reward them for their achievements when those objectives are met. Under the incentive plan, target bonus amounts (Target) vary based on a percentage of the employee's base salary, which are 50% of base salary for executive officers and range from 10% to 50% of base salary for other employees depending on their level of responsibility. A bonus payment will be made at three levels, including at 50% of Target, at 100% of Target and at 200% of Target, depending upon the achievement by our company of specified earnings per share goals. For purposes of the earnings per share calculation, the number of shares outstanding will also be held constant as of October 1, 2011. We had a similar incentive plan in place for fiscal 2011, under which our executive officers were awarded aggregate bonuses in the amount of \$440,000.

Long-Term Incentive Compensation. Long-term incentive compensation generally includes awards granted under our stock option plans. The objective of equity compensation awards is to align executive officers' interests with the longer term interests of stockholders. These awards, which are at risk and dependent on the creation of incremental stockholder value over several years, represent a portion of the total compensation opportunity provided for the executive officers. Award sizes are based on level of responsibility, the individual's potential to make significant contributions to the company, individual performance and award levels at other similar companies.

Other Benefits Programs. Our executive compensation program also includes what we believe to be competitive benefits plans and programs, including a 401(k) savings plan and health and welfare benefits, such as medical, dental, vision care and life insurance benefits.

Severance Benefits. Upon termination of employment, Mr. Brown is entitled to receive severance payments under his employment agreement with us. The Compensation Committee reviews and determines the severance benefits provided to executive officers in connection with reviewing employment agreements and offer letters. Information regarding the severance benefits to which Mr. Brown is entitled is provided under the heading "Potential Payments Upon Termination or Change-in-Control" below.

Section 162(m) Treatment Regarding Performance-Based Equity Awards

Edgar Filing: LRAD Corp - Form DEF 14A

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, a public company is generally denied deductions for compensation paid to the chief executive officer and the next four most highly compensated executive officers to the extent the

compensation for any such individual exceeds one million dollars for the taxable year. Our executive compensation programs are designed to preserve the deductibility of compensation payable to executive officers, although deductibility will be only one among a number of factors considered in determining appropriate levels or types of compensation.

Fiscal 2011 Option Exercises

There were no options exercised by any named executive officer during the fiscal year ended September 30, 2011. We do not have any stock appreciation rights plans in effect and we have no long-term incentive plans, as those terms are defined in SEC regulations. During the fiscal year ended September 30, 2011, we did not adjust or amend the exercise price of stock options awarded to the named executive officers. We have no defined benefit or actuarial plans covering any named executive officer.

Potential Payments Upon Termination or Change-in-Control

Under our employment agreement with Mr. Brown, in the event that Mr. Brown's employment is terminated for any reason other than cause, or if he resigns for good reason, he will be entitled to severance equal to one month's salary for each two month period of service, or portion thereof, up to six months' salary. Mr. Brown's current annual salary is \$275,000. As such, in the event we are required to make severance payments to him, he would be entitled to \$22,917 for each two months of service, up to an aggregate of \$137,500. He will also be entitled to continuation of his company-provided health and dental benefits for the same period of time.

We have a Change in Control Severance Benefit Plan under which, in the event of a qualifying termination, each of two participating executives will be entitled to receive (i) a lump sum payment equal to twenty-four months' base salary (less applicable tax and other withholdings), (ii) a lump sum payment equal to the officer's target bonus for the year in which the officer is terminated, (iii) continuation of health benefits for twenty-four months and (iv) accelerated vesting of any unvested stock options and other securities or similar incentives held at the time of termination. A qualifying termination under the Change of Control Plan is any involuntary termination without cause or any voluntary termination for good reason, in each case occurring within three months before or twelve months after a change of control of the Company.
