This Report of Foreign Private Issuer on Form 6-K is deemed filed for all purposes under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended.

On January 30, 2012, a consortium consisting of Korea Electric Power Corporation ( KEPCO ), Mitsubishi Corporation, and Wartsila Development & Financial Services ( WDFS ) won the bid from National Electric Power Corporation ( NEPCO ) of Jordan to build, own and operate a diesel engine power project in Almanakher, Jordan with total generation capacity of 600 megawatts. The anticipated construction period is two years starting from March 2012, and the anticipated operation period is 25 years thereafter ending in June 2038.

The total project costs are expected to be approximately US\$800 million, of which 25% will be funded through equity contribution from the consortium and the remainder through debt financing. KEPCO will hold 60% equity interest in the consortium, representing approximately US\$120 million of investment from KEPCO.

KEPCO plans to establish a subsidiary for the purpose of participating in this project. Further details regarding the contract will be provided in future filings on Form 6-K.
