Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On May 29, 2012, Towers Watson & Co. (Towers Watson) borrowed \$440 million under its existing five-year revolving credit facility entered into on November 7, 2011 with Bank of America, N.A., as Administrative Agent, and the other lenders party thereto (the Senior Credit Facility). The terms of the Senior Credit Facility were described on the Form 8-K filed by Towers Watson on November 8, 2011. The description of the terms of the Senior Credit Facility is qualified in its entirety by reference to the full text of the Senior Credit Facility, a copy of which was filed as Exhibit 10.21 to the Form 8-K filed by Towers Watson on November 8, 2011, and is incorporated herein by reference. The \$440 million borrowed pursuant to the Senior Credit Facility was primarily used to finance the consideration and expenses related to the acquisition of Extend Health, Inc. by Towers Watson.

On June 1, 2012, Towers Watson entered into a five-year term loan credit facility of \$250 million, as borrower, pursuant to a Term Loan Credit Agreement with Bank of America, N.A., as Administrative Agent, and the other lenders party thereto (the Term Loan Credit Facility).

Borrowings under the Term Loan Credit Facility bear interest, at Towers Watson s option, at either a Eurocurrency rate plus a spread ranging from 1.250% to 1.750%, or at a base rate plus a spread ranging from 0.250% to 0.750%, with such spread in each case dependent upon Towers Watson s Consolidated Leverage Ratio (as defined in the Term Loan Credit Facility).

Towers Watson s obligations under the Term Loan Credit Facility are guaranteed by all of the domestic subsidiaries of Towers Watson (other than Professional Consultants Insurance Company, Inc., a Vermont corporation, and Stone Mountain Insurance Company, a Vermont corporation).

The Term Loan Credit Facility contains customary representations and warranties and affirmative and negative covenants, substantially consistent with the Senior Credit Facility. The Term Loan Credit Facility requires Towers Watson to maintain certain financial covenants that include a minimum Consolidated Interest Coverage Ratio and a maximum Consolidated Leverage Ratio (which terms in each case are defined in the Term Loan Credit Facility), substantially consistent with the Senior Credit Facility. In addition, the Term Loan Credit Facility contains restrictions on the ability of Towers Watson and its subsidiaries to, among other things, incur additional indebtedness; pay dividends; make distributions; create liens on assets; make acquisitions; dispose of property; engage in sale-leaseback transactions; engage in mergers or consolidations, liquidations and dissolutions; engage in certain transactions with affiliates; and make changes in lines of businesses, all substantially consistent with the Senior Credit Facility.

The Term Loan Credit Facility contains customary events of default, including non-payment of principal when due; non-payment of interest, fees or other amounts after a stated grace period; inaccuracy of representations and warranties; certain bankruptcy events and cross-defaults to other material indebtedness; certain change of control events; material judgments; actual or asserted invalidity of any Loan Document (as defined in the Term Loan Credit Facility); and certain ERISA-related events, all substantially consistent with the Senior Credit Facility. If an event of default occurs and is continuing, Towers Watson may be required to repay all amounts outstanding under the Term Loan Credit Facility. Lenders holding more than 50% of the loans under the Term Loan Credit Facility may elect to accelerate the maturity of amounts due thereunder upon the occurrence and during the continuation of an event of default.

The foregoing description of the Term Loan Credit Facility is not intended to be complete and is qualified in its entirety by reference to the full text of the Term Loan Credit Facility, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

The \$250 million borrowed pursuant to the Term Loan Credit Facility on June 1, 2012, was used to pay down amounts borrowed under the Senior Credit Facility.

Item 7.01 Regulation FD Disclosure.
