Dear Shareholder:

SeaCube Container Leasing Ltd. (SeaCube), 2357575 Ontario Limited (Buyer) and SC Acquisitionco Ltd., a subsidiary of Buyer (Acquisition Sub), have entered into an Agreement and Plan of Amalgamation, dated as of January 18, 2013 (together with the Bermuda Amalgamation Agreement set forth on Exhibit A thereto, the amalgamation agreement). Pursuant to the terms of the amalgamation agreement, SeaCube and Acquisition Sub will amalgamate under the laws of Bermuda, and the amalgamated company will continue as a Bermuda exempted company and as a subsidiary of Buyer (the amalgamation).

If the amalgamation is completed, shareholders will have the right to receive \$23.00 in cash, without interest and less any applicable withholding tax, for each common share, par value \$0.01 per share, of SeaCube (common shares) that they own immediately prior to the effective time of the amalgamation.

We will hold a special general meeting of our shareholders (the special general meeting) in connection with the proposed amalgamation on April 23, 2013 at 10:00 a.m., local time. At the special general meeting, shareholders will be asked to vote on the proposal to approve and adopt the amalgamation agreement and to approve the amalgamation. The affirmative vote of a majority of the votes cast at the special general meeting at which a quorum is present, in accordance with SeaCube s bye-laws, is required to approve and adopt the amalgamation agreement and to approve the amalgamation.

We cannot complete the amalgamation unless shareholders approve and adopt the amalgamation agreement and to approve the amalgamation. **Your vote is very important, regardless of the number of shares you own. Whether or not you expect to attend the special general meeting in person, please vote or otherwise submit a proxy to vote your shares as promptly as possible so that your shares may be represented and voted at the special general meeting.**

The SeaCube board of directors (the board) has determined that the amalgamation agreement, the amalgamation and the other transactions contemplated thereby are fair to and in the best interests of SeaCube and its shareholders and has unanimously approved the amalgamation agreement, the amalgamation and the other transactions contemplated thereby. **After careful consideration, the board recommends that shareholders vote FOR the proposal to approve and adopt the amalgamation agreement and to approve the amalgamation.**

The board also recommends that shareholders vote FOR the proposal to approve an adjournment of the special general meeting, if necessary or appropriate in the view of the board, to solicit additional proxies in favor of the proposal to approve and adopt the amalgamation agreement and to approve the amalgamation if there are not sufficient votes at the time of such adjournment to approve and adopt the amalgamation agreement and to approve the amalgamation.

In addition, the Securities and Exchange Commission has adopted rules that require us to seek a non-binding, advisory vote with respect to certain compensation that will or may become payable to SeaCube s named executive officers that is based on or otherwise relates to the amalgamation. The board recommends that shareholders vote FOR the named executive officer amalgamation-related compensation proposal described in the accompanying proxy statement.

Table of Contents

The obligations of SeaCube and Buyer to complete the amalgamation are subject to the satisfaction or waiver of certain conditions. The accompanying proxy statement contains detailed information about SeaCube, the special general meeting, the amalgamation agreement and the amalgamation.

On behalf of the board, thank you for your continued support.

Sincerely,

Joseph Kwok

Chief Executive Officer

held by it in favor of the proposal to approve and adopt the amalgamation agreement and to approve the amalgamation. The voting agreement is further described in the section entitled "The Voting Agreement" beginning on page 79.

Under Bermuda law, in the event of an amalgamation of a Bermuda company with another company or corporation, each shareholder of the Bermuda company is entitled to receive fair value for its shares (determined on a stand-alone basis). For these purposes, the Board considers the fair value for each common share to be \$23.00 per share.

Any holder of common shares who is not satisfied that he has been offered fair value for his common shares and whose shares are not voted in favor of the amalgamation agreement and the amalgamation may exercise appraisal rights under Bermuda law to have the fair value of his common shares appraised by the Supreme Court of Bermuda (the "Court"). Persons owning beneficial interests in SeaCube common shares but who are not shareholders of record should note that only persons who are shareholders of record at the close of business on March 14, 2013 may be able to make an application for appraisal. Any holder of SeaCube common shares intending to exercise appraisal rights MUST file an application for appraisal of the fair value of his SeaCube common shares with the Court within ONE MONTH after the date of this notice of the special general meeting.

YOUR VOTE IS VERY IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON, TO ENSURE THE PRESENCE OF A QUORUM, PLEASE VOTE OVER THE INTERNET OR BY TELEPHONE PURSUANT TO THE INSTRUCTIONS CONTAINED IN THESE MATERIALS OR COMPLETE, SIGN, DATE, AND RETURN A PROXY CARD AS PROMPTLY AS POSSIBLE. IF YOU ATTEND THE MEETING AND WISH TO VOTE YOUR SHARES PERSONALLY, YOU MAY DO SO AT ANY TIME BEFORE THE PROXY IS EXERCISED.

The principal activities of the business include the acquisition, leasing, re-leasing and subsequent sale of refrigerated and dry containers and generator sets. These leases are primarily under long-term contracts to a diverse group of the world's leading shipping lines.

Ontario Teachers Pension Plan Board (see page 19)

The Ontario Teachers Pension Plan Board (OTPP) was founded in 1917 and was administered by an arm of the Ontario government. In 1990, the fund was established as an independent corporation with the mandate to administer pensions and invest the plan's assets. Over the last 20 years, OTPP has transformed itself from largely being a holder of government bonds with a C\$19 billion portfolio into one of the world's largest institutional investors. OTPP is Canada's largest single-profession pension plan, with approximately C\$117.1 billion in net assets as at December 31, 2011. It administers the pensions of approximately 300,000 active and retired teachers, and inactive members, in the province of Ontario.

The principal executive offices of OTPP are located at 5650 Yonge Street, 3rd Floor, Toronto ON M2M 4H5, and its telephone number is 416-228-5900.

2357575 Ontario Limited (see page 19)

Buyer, a subsidiary of OTPP, is an Ontario, Canada corporation that was formed on January 16, 2013 for the sole purpose of effecting the Amalgamation.

The principal executive offices of Buyer are located at 5650 Yonge Street, 3rd Floor, Toronto ON M2M 4H5, and its telephone number is 416-228-5900.

Table of Contents

SC Acquisitionco Ltd. (see page 19)

Acquisition Sub, a subsidiary of Buyer, is a Bermuda exempted company that was formed on January 17, 2013 for the sole purpose of effecting the Amalgamation. Upon the terms and subject to the conditions of the Amalgamation Agreement, SeaCube and Acquisition Sub will amalgamate under the laws of Bermuda, and the Amalgamated Company will continue as a Bermuda exempted company and as a subsidiary of Buyer.

The principal executive offices of Acquisition Sub are located at 5650 Yonge Street, 3rd Floor, Toronto ON M2M 4H5, and its telephone number is 416-228-5900.

The Amalgamation

A copy of the Amalgamation Agreement is attached as Annex A to this proxy statement. We encourage you to read the entire Amalgamation Agreement carefully because it is the principal document governing the Amalgamation. For more information on the Amalgamation Agreement, see the section entitled "The Amalgamation Agreement" beginning on page 60.

Form of the Amalgamation (see page 60)

If the Amalgamation is completed, at the effective time of the Amalgamation (the "Effective Time"), SeaCube and Acquisition Sub will amalgamate under the laws of Bermuda, and the Amalgamated Company will continue as a Bermuda exempted company and as a subsidiary of Buyer.

Transaction Consideration (see page 60)

Upon the terms and subject to the conditions of the Amalgamation Agreement, at the Effective Time, each Common Share (other than (i) Dissenting Shares (as defined below), (ii) Common Shares owned by the Company, Buyer, Acquisition Sub or any of their respective wholly owned subsidiaries and (iii) the Carry-Forward Share (as defined below)) issued and outstanding immediately prior to the Effective Time will be converted into the right to receive \$23.00 in cash, without interest and less any applicable withholding tax (the "Transaction Consideration"). All Common Shares that have been converted in the Amalgamation will be automatically cancelled and will cease to exist pursuant to the Amalgamation Agreement.

Treatment of Restricted Shares and the Carry-Forward Share (see page 61)

At the Effective Time, any vesting condition or restrictions applicable to each restricted Common Share of SeaCube (each, a "Restricted Share") outstanding immediately prior to the Effective Time will lapse, and each such Restricted Share will be treated in accordance with the procedures outlined above for Common Shares.

Immediately prior to the Effective Time, a third party will subscribe for one Common Share for aggregate consideration of \$0.01 (the "Carry-Forward Share"), and the Company will issue the Carry-Forward Share to such person. At the Effective Time, the Carry-Forward Share will not be converted into the right to receive the Transaction Consideration; instead, the Carry-Forward Share will be converted into and become one fully paid and non-assessable Class A common share, par value \$0.01 per share, of the Amalgamated Company.

Recommendation of the Board (see page 37)

After careful consideration, the board of directors of SeaCube (the "Board") unanimously determined that the terms of the Amalgamation Agreement are fair to and in the best interests of SeaCube and the holders of Common Shares (the "Shareholders") and unanimously approved the Amalgamation Agreement, the Amalgamation and the other transactions contemplated thereby. Certain factors considered by the Board in

Table of Contents

reaching its decision to approve the Amalgamation Agreement can be found in the section entitled "The Amalgamation - Reasons for the Amalgamation" beginning on page 35. **The Board recommends that the Shareholders vote:**

FOR the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation at the special general meeting of the Shareholders (the "Special General Meeting");

FOR the proposal to adjourn the Special General Meeting, if necessary or appropriate in the view of the chairman of the Special General Meeting, to allow the Board to solicit additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation if there are not sufficient votes at the time of such adjournment to approve and adopt the Amalgamation Agreement and to approve the Amalgamation (the "Adjournment Proposal"); and

FOR the proposal to approve, on a non-binding, advisory basis, certain compensation that will or may become payable to our Named Executive Officers (as defined below) that is based on or otherwise relates to the Amalgamation (the "Named Executive Officer Amalgamation-Related Compensation Proposal").

Opinions of Financial Advisors

Opinion of Merrill Lynch, Pierce, Fenner & Smith Incorporated (see page 38 and Annex B)

In connection with the Amalgamation, Merrill Lynch, Pierce, Fenner & Smith Incorporated ("BofA Merrill Lynch"), SeaCube's financial advisor, delivered to the Board a written opinion, dated January 18, 2013, as to the fairness, from a financial point of view and as of the date of the opinion, of the Transaction Consideration to be received by the Shareholders (other than Buyer and its affiliates and certain officers and employees of SeaCube who will be given the opportunity to invest in the Amalgamated Company). The full text of the written opinion, dated January 18, 2013, of BofA Merrill Lynch, which describes, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken, is included in this proxy statement as Annex B and is incorporated by reference herein in its entirety.

BofA Merrill Lynch provided its opinion to the Board (in its capacity as such) for the benefit and use of the Board in connection with and for purposes of its evaluation of the Transaction Consideration from a financial point of view. BofA Merrill Lynch's opinion does not address any other aspect of the Amalgamation and no opinion or view was expressed as to the relative merits of the Amalgamation in comparison to other strategies or transactions that might be available to SeaCube or in which SeaCube might engage or as to the underlying business decision of SeaCube to proceed with or effect the Amalgamation. BofA Merrill Lynch's opinion does not address any other aspect of the Amalgamation and does not constitute a recommendation to any Shareholder as to how to vote or act in connection with the proposed Amalgamation or any related matter.

SeaCube has agreed to pay BofA Merrill Lynch fees, which are currently estimated to be approximately \$4.2 million, for its services as financial advisor to SeaCube in connection with the Amalgamation, of which \$1.0 million became payable upon the delivery of BofA Merrill Lynch's opinion, and the remainder of which is contingent upon consummation of the Amalgamation.

Opinion of Deutsche Bank Securities Inc. (see page 44 and Annex C)

On January 18, 2013, Deutsche Bank Securities Inc. ("Deutsche Bank") rendered its oral opinion to the Board, subsequently confirmed in writing, as to the fairness, from a financial point of view, as of the date of the opinion and based upon and subject to the assumptions, limitations, qualifications and conditions set forth in its written opinion, of the Transaction Consideration of \$23.00 in cash per share to be received by the Shareholders in the Amalgamation, excluding Buyer and its affiliates.

The full text of the written opinion of Deutsche Bank, dated January 18, 2013, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in

Table of Contents

connection with the opinion, is included in this proxy statement as Annex C and is incorporated herein by reference. The summary of Deutsche Bank's opinion set forth in this proxy statement is qualified in its entirety by reference to the full text of the opinion. Deutsche Bank's opinion was addressed to, and for the benefit and use of, the Board in connection with its consideration of the Amalgamation. Deutsche Bank's opinion does not constitute a recommendation as to how any Shareholder should vote with respect to the Amalgamation or any other matter. Deutsche Bank did not express any opinion as to the underlying business decision of SeaCube to engage in the Amalgamation or the relative merits of the Amalgamation as compared to any alternative transactions or business strategies that might have been available to SeaCube. Furthermore, Deutsche Bank did not express any view or opinion as to the fairness of the consideration to be received by any particular Shareholder.

SeaCube has agreed to pay Deutsche Bank fees, which are currently estimated to be approximately \$4.2 million, for its services as financial advisor to SeaCube in connection with the Amalgamation, of which \$1.0 million became payable upon the delivery of Deutsche Bank's opinion, and the remainder of which is contingent upon consummation of the Amalgamation.

Interests of SeaCube's Directors and Executive Officers in the Amalgamation (see page 52)

In considering the recommendation of the Board to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Shareholders should be aware that the Company's directors and executive officers may have interests in the Amalgamation that are different from, or in addition to, those of the Shareholders generally. These interests are described in the section entitled "The Amalgamation Interests of SeaCube's Directors and Executive Officers in the Amalgamation" beginning on page 52. The Board was aware of these interests and considered them, among other matters, in evaluating the Amalgamation Agreement, in reaching its decision to approve the Amalgamation Agreement, the Amalgamation and the other transactions contemplated thereby, and in recommending to the Shareholders that the Amalgamation Agreement be approved and adopted and that the Amalgamation be approved. These interests include the following, among others:

On the date the Amalgamation Agreement was signed, SeaCube and Acquisition Sub entered into letter agreements with each executive officer regarding each such executive officer's employment with SeaCube. The letter agreements with certain executive officers, including Joseph Kwok, SeaCube's Chief Executive Officer, and Lisa Leach, SeaCube's General Counsel, also included arrangements with respect to equity investments by such executive in the Amalgamated Company;

all of SeaCube's executive officers and certain of its directors hold Restricted Shares granted under SeaCube's equity incentive plan or pursuant to a Restricted Share exchange agreement. Immediately prior to the Effective Time, all restrictions on such Restricted Shares will lapse and each Restricted Share will be treated in accordance with the procedures for Common Shares in the Amalgamation; and

all of SeaCube's executive officers participate in the new SeaCube Key Employee Severance Plan (the "Severance Plan"), which provides that if, within the two-year period following a change in control of SeaCube, a participant's employment is terminated, other than for death or disability, by SeaCube without cause or by the participant for good reason, the participant will be entitled to receive (i) a lump sum cash severance payment and (ii) a lump sum cash payment equal to COBRA premium costs for the amount of time remaining in the two-year period following the change in control.

Material U.S. Federal Income Tax Consequences of the Amalgamation to U.S. Holders (see page 84)

The exchange of Common Shares for cash in the Amalgamation will generally be a taxable transaction to U.S. holders for United States federal income tax purposes. In general, a U.S. holder whose Common Shares are converted into the right to receive cash in the Amalgamation will recognize gain or loss for United States federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such Common Shares and the U.S. holder's adjusted tax basis in such Common Shares.

Table of Contents

You should read the section entitled "Material U.S. Federal Income Tax Consequences of the Amalgamation to U.S. Holders" beginning on page 84 for a more detailed discussion of the United States federal income tax consequences of the Amalgamation. Tax matters can be complicated, and the tax consequences of the Amalgamation to you will depend on your particular tax situation. You should consult your tax advisor to determine the tax consequences of the Amalgamation to you.

Regulatory Clearances and Approvals Required for the Amalgamation (see page 57)

CFIUS. The Amalgamation is subject to approval by the Committee on Foreign Investment in the United States (CFIUS). CFIUS reviews foreign acquisitions, mergers and takeovers of U.S. businesses to ensure there are no national security issues that will result from such acquisitions. SeaCube and OTPP submitted a joint voluntary notice to CFIUS on February 15, 2013, and final approval was received on March 20, 2013.

Foreign Antitrust. An approval is also necessary in connection with the Amalgamation under the applicable foreign competition laws in the Republic of Cyprus. The Commission for the Protection of Competition of the Republic of Cyprus granted unconditional clearance for the Amalgamation on February 22, 2013.

Expected Timing of the Amalgamation (see page 61)

We expect to complete the Amalgamation during the first half of 2013, although SeaCube cannot assure completion by any particular date, if at all. The Amalgamation is subject to various regulatory clearances and approvals and other conditions, however, and it is possible that factors outside the control of both companies could result in the Amalgamation being completed at a later time, or not at all. There may be a substantial amount of time between the Special General Meeting and the completion of the Amalgamation. We expect to complete the Amalgamation promptly following the receipt of all required approvals. If the Amalgamation is not completed by July 18, 2013, the Amalgamation Agreement may be terminated by Buyer or the Company.

Conditions to Completion of the Amalgamation (see page 74)

As more fully described in this proxy statement and in the Amalgamation Agreement, each party's obligation to complete the Amalgamation depends on a number of conditions being satisfied or, where legally permissible, waived, including:

approval and adoption of the Amalgamation Agreement by the affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present, in accordance with SeaCube's bye-laws (Bye-laws);

no law or order being in effect that restrains, enjoins or otherwise prohibits the consummation of the Amalgamation;

receipt of certain required consents and approvals;

the expiration or termination of the waiting periods under any applicable pre-clearance or similar approval requirement of applicable foreign competition laws;

receipt of a CFIUS Final Order (as defined in the Amalgamation Agreement);

accuracy of all representations and warranties made by the other party in the Amalgamation Agreement, subject to materiality thresholds set forth therein; and

performance by the other party of its obligations under the Amalgamation Agreement subject to materiality thresholds set forth therein.

Non-Solicitation and Permitted Negotiations (see page 68)

Subject to certain exceptions, the Amalgamation Agreement prohibits SeaCube from, among other things: (i) soliciting, initiating or knowingly encouraging or facilitating the submission of any proposal with respect to an alternative transaction; (ii) engaging in any discussions or negotiations with, or furnishing or disclosing any non-public information relating to SeaCube to, any person that has made or indicated an intention to make a proposal with respect to an alternative transaction; (iii) withdrawing, modifying or amending the Board's recommendation to adopt the Amalgamation Agreement and to approve the Amalgamation at the Special General Meeting; (iv) approving, endorsing or recommending any proposal that constitutes or is reasonably likely to lead to an alternative transaction; or (v) entering into any agreement in principle, arrangement, understanding or contract relating to a proposal that constitutes or is reasonably likely to lead to an alternative transaction. SeaCube may, however, prior to the approval and adoption of the Amalgamation Agreement by the Shareholders and upon the terms and subject to the conditions set forth therein, provide information to and engage in negotiations or discussions with a third party who makes an unsolicited written acquisition proposal that constitutes, or is reasonably likely to lead to, a Superior Proposal (as defined below), if the Board determines in good faith after consultation with its financial advisors and outside counsel that engaging in such negotiations or discussions is necessary in order for the Board to comply with its fiduciary duties under applicable law.

Prior to approval and adoption of the Amalgamation Agreement by the Shareholders, the Board may, upon receipt of a Superior Proposal, change its recommendation that the Shareholders approve and adopt the Amalgamation Agreement, subject to complying with certain notice and other specified conditions set forth therein, including offering to negotiate with Buyer with respect to the terms and conditions of the Amalgamation Agreement in response to a proposal for an alternative transaction. If the Board changes its recommendation with respect to the Amalgamation Agreement, Buyer may terminate the Amalgamation Agreement.

Termination of the Amalgamation Agreement (see page 75)

Buyer, Acquisition Sub and SeaCube may mutually agree to terminate the Amalgamation Agreement at any time prior to the Effective Time. Buyer or the Company may also terminate the Amalgamation Agreement if:

the Amalgamation has not been completed by July 18, 2013 (the Outside Date);

the Amalgamation Agreement has been submitted to the Shareholders for approval, and they do not approve and adopt the Amalgamation Agreement;

any law prohibits consummation of the Amalgamation;

any governmental order restrains, enjoins or otherwise prohibits the consummation of the Amalgamation, and such order has become final and nonappealable; or

there has been a breach, subject to certain materiality thresholds, by the other party of any representation, warranty, covenant or agreement contained in the Amalgamation Agreement, which would result in a failure of the condition concerning the breaching party's representations and warranties, or concerning the breaching party's obligations under the Amalgamation Agreement (as described under The Amalgamation Agreement Conditions to Completion of the Amalgamation on page 74) and which has not been cured by the other party within thirty days after its receipt of notice of such breach, except in the case of certain covenant breaches by the Company, which are not cured prior to the date on which the closing of the Amalgamation would have otherwise occurred if such breach were not in existence.

Table of Contents

The Amalgamation Agreement may also be terminated by Buyer if:

prior to obtaining Shareholder approval, the Board withdraws, modifies or amends its recommendation in any manner adverse to Buyer, or publicly proposes to do any of the foregoing; or

(i) the Board approves, endorses or recommends a Superior Proposal, (ii) SeaCube enters into a contract relating to a Superior Proposal, (iii) a tender offer or exchange offer for any issued and outstanding Common Shares is commenced prior to obtaining the vote by the Shareholders to approve and adopt the Amalgamation Agreement and the Board fails to recommend against acceptance by the Shareholders of such tender offer or exchange offer within ten business days after commencement or (iv) SeaCube or the Board publicly announces an intention to take any of the actions listed in clauses (i) through (iii).

The Amalgamation Agreement may also be terminated by SeaCube in order to enter into an agreement for a Superior Proposal, provided that SeaCube has first given Buyer at least four business days prior notice of its intent to enter into the agreement for a Superior Proposal and SeaCube has complied with its obligation to give Buyer an opportunity to improve the terms of the Amalgamation Agreement.

See the section entitled **The Amalgamation Agreement Termination of the Amalgamation Agreement** on page 75 for a more complete discussion of the rights of each of Buyer and SeaCube to terminate the Amalgamation Agreement.

Expenses, Termination Fees and Limited Guaranty (see page 76)

Generally, all fees and expenses incurred in connection with the Amalgamation Agreement and the transactions contemplated by the Amalgamation Agreement will be paid by the party incurring those expenses. If the Amalgamation Agreement is terminated in certain circumstances described in the section entitled **The Amalgamation Agreement Reimbursement of Expenses, Termination Fees and Effect of Termination** beginning on page 76:

SeaCube may be required to pay to Buyer a termination fee of \$15,500,000 (the **Company Termination Fee**); or

Buyer may be obligated to pay to SeaCube a reverse termination fee of \$35,000,000. OTPP has provided a limited guaranty of the obligation of Buyer to pay such reverse termination fee. See the section entitled **The Amalgamation Limited Guaranty** on page 57 for a more complete description of the limited guaranty.

Specific Performance (see page 78)

The Amalgamation Agreement provides that the parties will be entitled to an injunction or other equitable relief to prevent breaches or violations of the Amalgamation Agreement and to specifically enforce the terms and provisions of the Amalgamation Agreement except for situations where Buyer is obligated to pay to SeaCube a reverse termination fee, in which case the reverse termination fee shall be the sole remedy available to SeaCube.

Financing Related to the Amalgamation (see page 73)

On January 18, 2013, Buyer entered into an equity commitment letter with OTPP (the **Equity Commitment Letter**), pursuant to which and subject to the terms and conditions set forth therein, OTPP committed to contribute \$466,632,257 (the **Equity Financing**) to Buyer immediately prior to the Effective Time. In addition, Buyer entered into a debt commitment letter (the **Debt Commitment Letter**), dated January 18, 2013, by and among Wells Fargo Bank, National Association (**Wells Fargo**), Wells Fargo Securities, LLC, OTPP and Buyer, pursuant to which and subject to the terms and conditions set forth therein, Wells Fargo has committed to provide up to \$480,000,000 to refinance certain indebtedness of SeaCube.

Appraisal Rights (see page 86)

Under Bermuda law, in the event of an amalgamation of a Bermuda company with another company or corporation, each shareholder of the Bermuda company is entitled to receive fair value for its shares (determined on a stand-alone basis). For these purposes, the Board considers the fair value for each Common Share to be \$23.00 per share.

Any Shareholder who is not satisfied that he has been offered fair value for his Common Shares and whose Common Shares are not voted in favor of the Amalgamation Agreement and the Amalgamation may exercise his appraisal rights under Bermuda law to have the fair value of his Common Shares appraised by the Supreme Court of Bermuda (the Court). Persons owning beneficial interests in Common Shares but who are not Shareholders of record should note that only persons who are Shareholders of record may be able to make an application for appraisal. Any Shareholder intending to exercise appraisal rights MUST file an application for appraisal of the fair value of his Common Shares with the Court within ONE MONTH after the date of this notice of the Special General Meeting.

The Voting Agreement (see page 79)

Seacastle Operating Company Ltd. (Seacastle Operating), a subsidiary of Seacastle Inc., which is owned by private equity funds (the Funds) that are managed by affiliates of Fortress Investment Group LLC and by certain employees of Seacastle, Inc., has entered into the voting agreement (the Voting Agreement) with Buyer pursuant to which Seacastle Operating has agreed, among other things, (i) subject to certain limited exceptions as set forth in the Voting Agreement, to vote all of the Common Shares beneficially owned by it in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, (ii) to restrict its ability to sell, transfer, pledge, assign or otherwise dispose of any Common Shares, or enter into any contract or similar arrangement to do the same and (iii) not to enter into, solicit, initiate, encourage or take any other action to facilitate any inquiries with respect to a takeover proposal or frustrating transaction (each as defined in the Voting Agreement). In the event that the Amalgamation Agreement is terminated, the Voting Agreement will also terminate. As of the close of business on the record date for the Special General Meeting, the Common Shares held by Seacastle Operating represented, in the aggregate, approximately 41.8% of the issued and outstanding Common Shares.

The Special General Meeting (see page 20)

The Special General Meeting is scheduled to be held at our corporate offices at 1 Maynard Drive, Park Ridge, New Jersey 07656 on April 23, 2013 at 10:00 a.m., local time. The Special General Meeting is being held in order to consider and vote on the following proposals:

to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, which is further described in the sections entitled The Amalgamation and The Amalgamation Agreement, beginning on pages 25 and 60, respectively;

to approve an adjournment of the Special General Meeting, if necessary or appropriate in the view of the chairman of the Special General Meeting, to allow the Board to solicit additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation if there are not sufficient votes at the time of such adjournment to approve and adopt the Amalgamation Agreement and to approve the Amalgamation; and

to approve, on a non-binding, advisory basis, certain compensation that will or may become payable to our Named Executive Officers that is based on or otherwise relates to the Amalgamation, discussed under the section entitled The Amalgamation Quantification of Potential Payments to Named Executive Officers in Connection with the Amalgamation beginning on page 55.

Only holders of record of Common Shares at the close of business on March 14, 2013, the record date for the Special General Meeting, are entitled to notice of, and to vote at, the Special General Meeting or any

Table of Contents

adjournments or postponements thereof. At the close of business on the record date, 20,413,359 Common Shares were issued and outstanding, approximately 4.4% of which were held by SeaCube's directors and executive officers. We currently expect that SeaCube's directors and executive officers will vote their Common Shares in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, although no director or executive officer has entered into any agreement obligating such person to do so.

The presence of at least two persons at the start of the Special General Meeting representing in person or by proxy more than 50% of the votes attaching to all the issued and outstanding Common Shares will constitute a quorum for the transaction of business at the Special General Meeting. There must be a quorum for business to be conducted at the Special General Meeting. Failure of a quorum to be represented at the Special General Meeting will necessitate an adjournment or postponement and will subject SeaCube to additional expense. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum.

You may cast one vote for each Common Share you own at the close of business on the record date. The proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation requires the affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present, in accordance with the Bye-laws. The Adjournment Proposal and the non-binding, advisory vote on the Named Executive Officer Amalgamation-Related Compensation Proposal each require the affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present.

Although your failure to vote, or failure to instruct your broker, bank or other nominee to vote, will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal, any such failure will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which the majority is calculated.

Delisting and Deregistration of Common Shares (see page 58)

Upon completion of the Amalgamation, Common Shares currently listed on the NYSE will cease to be listed on the NYSE and will be deregistered under the Securities Exchange Act of 1934, as amended (the Exchange Act).

Litigation Relating to the Amalgamation (see page 58)

The Company is aware of six lawsuits relating to the Amalgamation Agreement filed by purported Shareholders against the Company, the Company's directors, Acquisition Sub and Buyer. Three such lawsuits were filed in New Jersey state court, and allege, among other things, that the directors of the Company have breached their fiduciary duties to the Shareholders and that Acquisition Sub and Buyer aided and abetted the Company's directors' alleged breach of their fiduciary duties. Such lawsuits seek, among other things, to preliminarily and permanently enjoin the defendants from effectuating the Amalgamation, along with a declaration that the Company's directors breached their fiduciary duties, an accounting, rescissory damages, costs and fees. Plaintiffs in one of the three state court lawsuits amended their complaint to assert disclosure claims. Such plaintiffs also filed a motion to consolidate the actions and a motion to expedite discovery. Following the filing of this motion, the parties executed a stipulation and order governing consolidation and discovery. Three additional shareholder lawsuits were filed in New Jersey federal court against the Company, the Company's directors, Acquisition Sub and Buyer. The federal actions allege that the directors of the Company have engaged in oppressive conduct in violation of Section 111 of the Companies Act by entering into the Amalgamation Agreement, and that the preliminary proxy statement is false and misleading in violation of the federal securities laws.

The Company and its directors believe that the claims asserted are without merit.

The closing price of Common Shares on the NYSE on March 20, 2013, was \$22.97 per share. You are encouraged to obtain current market prices of Common Shares in connection with voting your Common Shares.

QUESTIONS AND ANSWERS

The following are some questions that you, as a Shareholder, may have regarding the Amalgamation and the Special General Meeting and the answers to those questions. SeaCube urges you to carefully read the remainder of this proxy statement because the information in this section does not provide all the information that might be important to you with respect to the Amalgamation and the Special General Meeting. Additional important information is also contained in the Annexes to, and the documents incorporated by reference into, this proxy statement.

Q: WHAT IS THE PURPOSE OF THE SPECIAL GENERAL MEETING?

A: At the Special General Meeting, Shareholders will consider and act upon the matters outlined in the notice of meeting on the cover page of this proxy statement, namely:

the approval and adoption of the Amalgamation Agreement and approval of the Amalgamation;

the approval of an adjournment of the Special General Meeting, if necessary or appropriate in the view of the chairman of the Special General Meeting, to allow the Board to solicit additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation if there are not sufficient votes at the time of such adjournment to approve and adopt the Amalgamation Agreement and to approve the Amalgamation; and

the approval, on a non-binding, advisory basis, of certain compensation that will or may become payable to our Named Executive Officers that is based on or otherwise relates to the Amalgamation.

Q: WHAT WILL I RECEIVE IN THE AMALGAMATION?

A: If the Amalgamation is completed, Shareholders will be entitled to receive \$23.00 in cash, without interest and less any applicable withholding tax, for each Common Share that they own.

Q: WHAT DIVIDENDS WILL I RECEIVE BEFORE THE CLOSING OF THE AMALGAMATION?

A: SeaCube will not pay a dividend with respect to the fourth quarter of 2012. The Company expects that the Amalgamation will close during the first half of 2013. If the Amalgamation has not closed prior to the scheduled payment date for its regular dividend with respect to the first quarter of 2013, SeaCube will be permitted to pay its regular dividend with respect to the first quarter of 2013 during the second quarter of 2013 in accordance with past practice. The amount of any dividend with respect to the first quarter of 2013, if declared and paid, will not exceed \$0.31 per share. In 2012, the Board approved and declared a dividend with respect to the first quarter of 2012 on May 7, 2012, which was paid on June 14, 2012.

Q: HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSALS?

A: The Board recommends that you vote as follows:

Edgar Filing: SeaCube Container Leasing Ltd. - Form DEFM14A

FOR the approval and adoption of the Amalgamation Agreement and the approval of the Amalgamation;

FOR the approval of an adjournment of the Special General Meeting, if necessary or appropriate in the view of the chairman of the Special General Meeting, to allow the Board to solicit additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation if there are not sufficient votes at the time of such adjournment to approve and adopt the Amalgamation Agreement and to approve the Amalgamation; and

FOR the approval, on a non-binding, advisory basis, of certain compensation that will or may become payable to our Named Executive Officers that is based on or otherwise relates to the Amalgamation.

Table of Contents

Q: WHAT IS THE VOTE REQUIRED TO APPROVE AND ADOPT THE AMALGAMATION AGREEMENT?

A: The proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation requires the affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present, in accordance with the Bye-laws.

Q: WHAT IS THE VOTE REQUIRED TO APPROVE THE OTHER PROPOSALS?

A: The Adjournment Proposal and the non-binding, advisory vote on the Named Executive Officer Amalgamation-Related Compensation Proposal each require the affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present, in accordance with the Bye-laws.

Q: WHY AM I BEING ASKED TO CONSIDER AND VOTE ON A PROPOSAL TO APPROVE, ON A NON-BINDING, ADVISORY BASIS, CERTAIN COMPENSATION THAT WILL OR MAY BECOME PAYABLE TO NAMED EXECUTIVE OFFICERS IN CONNECTION WITH THE AMALGAMATION?

A: Under SEC rules, we are required to seek a non-binding, advisory vote with respect to the compensation that may be paid or become payable to our Named Executive Officers that is based on or otherwise related to the Amalgamation, or golden parachute compensation.

Q: WHAT WILL HAPPEN IF SHAREHOLDERS DO NOT APPROVE THE GOLDEN PARACHUTE COMPENSATION?

A: Approval of the compensation that will or may become payable to our Named Executive Officers in connection with the Amalgamation is not a condition to completion of the Amalgamation. The vote is an advisory vote and will not be binding on SeaCube or the Amalgamated Company. Therefore, if the Amalgamation Agreement is approved and adopted by Shareholders and the Amalgamation is consummated, this compensation could still be payable regardless of the outcome of the advisory vote.

Q: AM I ENTITLED TO APPRAISAL RIGHTS INSTEAD OF RECEIVING TRANSACTION CONSIDERATION?

A: Shareholders who do not vote in favor of the Amalgamation Agreement and who are not satisfied that they have been offered fair value for their Common Shares may exercise, within one month after the date of the giving of notice convening the Special General Meeting, appraisal rights under Bermuda law to have the fair value of their Common Shares appraised by the Court subject to compliance with all of the required procedures, as described under Appraisal Rights beginning on page 86. Failure to follow exactly the procedures specified under the Companies Act 1981 of Bermuda, as amended (the Companies Act), will result in the loss of appraisal rights. Because of the complexity of the Companies Act relating to appraisal rights, if you are considering exercising your appraisal right we encourage you to seek the advice of your own legal counsel.

Q: DO YOU EXPECT THE AMALGAMATION TO BE TAXABLE TO THE SHAREHOLDERS?

A: The exchange of Common Shares for cash in the Amalgamation will generally be a taxable transaction to U.S. holders for United States federal income tax purposes. In general, a U.S. holder whose Common Shares are converted into the right to receive cash in the Amalgamation will recognize gain or loss for United States federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such Common Shares and the U.S. holder's adjusted tax basis in such Common Shares.

Table of Contents

You should read the section entitled "Material U.S. Federal Income Tax Consequences of the Amalgamation to U.S. Holders" beginning on page 84 for a more detailed discussion of the United States federal income tax consequences of the Amalgamation. Tax matters can be complicated, and the tax consequences of the Amalgamation to you will depend on your particular tax situation. You should consult your tax advisor to determine the tax consequences of the Amalgamation to you.

Q: WHO MAY ATTEND THE SPECIAL GENERAL MEETING?

A: Shareholders of record as of the close of business on March 14, 2013, or their duly appointed proxies, may attend the Special General Meeting. Street name holders (those whose Common Shares are held through a broker, bank or other nominee) should bring a copy of an account statement reflecting their ownership of Common Shares as of the record date. If you are a street name holder and you wish to vote at the Special General Meeting, you must also bring a proxy from the record holder (your broker, bank or other nominee) of the Common Shares authorizing you to vote at the Special General Meeting. We intend to limit attendance to Shareholders as of the record date. All Shareholders should bring photo identification. Cameras, recording devices and other electronic devices are not permitted at the Special General Meeting. Registration will begin at 9:30 a.m., local time.

Q: WHO IS ENTITLED TO VOTE AT THE SPECIAL GENERAL MEETING?

A: Only holders of record of Common Shares at the close of business on March 14, 2013, the record date for the Special General Meeting, are entitled to receive notice of, and to vote at, the Special General Meeting or any adjournments or postponements thereof. At the close of business on the record date, 20,413,359 Common Shares were issued and outstanding, approximately 41.8% of which were held by Seacastle Operating and 4.4% of which were held by SeaCube's directors and executive officers. Pursuant to, and on the terms and conditions set forth in the Voting Agreement, Seacastle Operating has agreed to vote its Common Shares in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation. We currently expect that SeaCube's directors and executive officers will vote their Common Shares in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, although no director or executive officer has entered into any agreement obligating such person to do so.

You may cast one vote for each Common Share you own at the close of business on the record date.

Q: WHO IS SOLICITING MY VOTE?

A: The Board is soliciting your proxy, and SeaCube will bear the cost of soliciting proxies. AST Phoenix Advisors has been retained to assist with the solicitation of proxies. AST Phoenix Advisors will be paid approximately \$10,000 and will be reimbursed for its reasonable out-of-pocket expenses for these and other advisory services in connection with the Special General Meeting. Solicitation initially will be made by mail. Forms of proxies and proxy materials may also be distributed through brokers, custodians, and other like parties to the beneficial owners of Common Shares, in which case these parties will be reimbursed for their reasonable out-of-pocket expenses. Proxies may also be solicited in person or by telephone, facsimile, electronic mail, or other electronic medium by AST Phoenix Advisors or by certain of SeaCube's directors, officers, and employees, without additional compensation.

Q: WHAT DO I NEED TO DO NOW?

A: Carefully read and consider the information contained in and incorporated by reference into this proxy statement, including the Annexes. Whether or not you expect to attend the Special General Meeting in person, please submit a proxy to vote your Common Shares as promptly as possible so that your Common Shares may be represented and voted at the Special General Meeting.

Table of Contents

Q: HOW DO I VOTE IF MY SHARES ARE REGISTERED DIRECTLY IN MY NAME?

A: If you are a record holder of Common Shares, you may vote in person at the Special General Meeting or authorize the persons named as proxies on the Proxy Card to vote your Common Shares by returning the Proxy Card by mail, through the Internet or by telephone. **Although SeaCube offers four different voting methods, SeaCube encourages you to vote through the Internet, as SeaCube believes it is the most cost-effective method.** We also recommend that you vote as soon as possible, even if you are planning to attend the Special General Meeting, so that the vote count will not be delayed. Both the Internet and the telephone provide convenient, cost-effective alternatives to returning your Proxy Card by mail. If you vote your Common Shares through the Internet, you may incur costs associated with electronic access, such as usage charges from Internet access providers. If you choose to vote your Common Shares through the Internet or by telephone, there is no need for you to mail back your Proxy Card.

To Vote Over the Internet:

Log on to the Internet and follow the instructions listed on your Proxy Card (24 hours a day, 7 days a week). Have your Proxy Card available when you access the website. You will need the control number from your Proxy Card to vote.

To Vote By Telephone:

On a touch-tone telephone, call (800) 776-9437 (domestic) or (718) 921-8500 (international) (24 hours a day, 7 days a week). Have your Proxy Card available when you make the call. You will need the control number from your Proxy Card to vote.

To Vote By Proxy Card:

Complete and sign the Proxy Card and mail it to the address indicated on the Proxy Card.

If you return your signed Proxy Card without indicating how you want your Common Shares to be voted with regard to a particular proposal, your Common Shares will be voted in favor of each such proposal. Proxy Cards that are returned without a signature will not be counted as present at the Special General Meeting and cannot be voted.

It is important that you vote your Common Shares. Although your failure to vote, or failure to instruct your broker, bank or other nominee to vote, will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal, any such failure will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which the majority is calculated.

Q: HOW CAN I REVOKE MY PROXY?

A: You have the right to revoke your proxy at any time before the Special General Meeting by:

submitting a written notice of revocation to Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656;

submitting a later-dated Proxy Card;

attending the Special General Meeting and voting in person, which will automatically cancel any proxy previously given, or revoking your proxy in person, but your attendance alone will not revoke any proxy that you have previously given;

Edgar Filing: SeaCube Container Leasing Ltd. - Form DEFM14A

submitting another vote by telephone or over the Internet; or

if applicable, submitting new voting instructions to your broker, bank or other nominee.

Table of Contents

If you choose either of the first two methods, you must submit your notice of revocation or your later-dated Proxy Card to the Corporate Secretary of SeaCube, no later than the beginning of the Special General Meeting.

If you have questions about how to vote or revoke your proxy, you should contact our Secretary at Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656.

Q: HOW DO I VOTE MY SHARES IF THEY ARE HELD IN THE NAME OF MY BROKER (STREET NAME)?

A: If you are a beneficial owner of Common Shares and your Common Shares are held by your broker, bank or other nominee, often referred to as held in street name, you will receive a form from your broker, bank or other nominee seeking instruction as to how your Common Shares should be voted. You should contact your broker, bank or other nominee with questions about how to provide or revoke your instructions.

Q: DO I NEED TO DO ANYTHING WITH MY COMMON SHARE CERTIFICATES NOW?

A: No. After the Amalgamation is completed, if you hold certificates representing Common Shares (Share Certificates) prior to the Amalgamation, the paying agent for the Amalgamation (the Paying Agent) will send you a letter of transmittal (a Letter of Transmittal) and instructions for exchanging your Share Certificates for the Transaction Consideration. Upon surrender of Share Certificates for cancellation along with the executed Letter of Transmittal and other required documents described in the instructions or otherwise required by the Paying Agent in accordance with the Amalgamation Agreement, you will receive the Transaction Consideration.

Q: WHEN IS THE PROPOSED AMALGAMATION EXPECTED TO BE CONSUMMATED?

A: We expect to complete the Amalgamation during the first half of 2013, although SeaCube cannot assure completion by any particular date, if at all.

Q: WHAT CONSTITUTES A QUORUM ?

A: The presence of at least two persons at the start of the Special General Meeting representing in person or by proxy more than 50% of the votes attaching to all the issued and outstanding Common Shares will constitute a quorum for the transaction of business at the Special General Meeting. There must be a quorum for business to be conducted at the Special General Meeting. Failure of a quorum to be represented at the Special General Meeting will necessitate an adjournment or postponement and will subject SeaCube to additional expense. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum.

Q: WHAT IF I ABSTAIN FROM VOTING?

A: If you attend the Special General Meeting or send in your signed Proxy Card, but abstain from voting on any proposal, you will still be counted for purposes of determining whether a quorum exists. If you abstain from voting, your abstention will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal; however, your abstention will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which the majority is calculated.

Table of Contents

Q: WILL MY SHARES BE VOTED IF I DO NOT SIGN AND RETURN MY PROXY CARD OR VOTE BY TELEPHONE OR OVER THE INTERNET OR IN PERSON?

A: If you are a record holder of Common Shares and you do not sign and return your Proxy Card or vote by telephone, over the Internet or in person, your Common Shares will not be voted at the Special General Meeting. Questions concerning Share Certificates and record holders of Common Shares may be directed to American Stock Transfer & Trust Company, LLC at 6201 15th Avenue, Brooklyn, New York 11219 or by telephone at (800) 937-5449 (domestic) or (718) 921-8200 (international). If you are a beneficial owner and your Common Shares are held in street name and you do not issue instructions to your broker, your broker may vote your Common Shares at its discretion only on routine matters, but may not vote your Common Shares on non-routine matters. Under NYSE rules, all of the proposals in this proxy statement are non-routine matters. If a broker or other nominee who holds Common Shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the Common Shares, then a broker non-vote will occur.

It is important that you vote your Common Shares. Although your failure to vote, or failure to instruct your broker, bank or other nominee to vote, will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal, such failure will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which the majority is calculated.

Q: WHAT IS THE EFFECT OF A BROKER NON-VOTE?

A: A broker non-vote will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal, although such non-vote will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which a majority is calculated.

Q: WHO WILL COUNT THE VOTES?

A: The votes will be counted by one or more inspectors of votes appointed for the Special General Meeting.

Q: CAN I PARTICIPATE IF I AM UNABLE TO ATTEND?

A: If you are unable to attend the Special General Meeting in person, we encourage you to send in your Proxy Card or to vote by telephone or over the Internet. The Special General Meeting will not be broadcasted telephonically or over the Internet.

Q: WHERE CAN I FIND THE VOTING RESULTS OF THE SPECIAL GENERAL MEETING?

A: SeaCube intends to announce preliminary voting results at the Special General Meeting and publish final results in a Current Report on Form 8-K that will be filed with the Securities and Exchange Commission (the SEC) following the Special General Meeting. All reports SeaCube files with the SEC are publicly available when filed.

Q: WHAT HAPPENS IF THE AMALGAMATION IS NOT CONSUMMATED?

Edgar Filing: SeaCube Container Leasing Ltd. - Form DEFM14A

- A:** If Shareholders do not approve and adopt the Amalgamation Agreement or if the Amalgamation is not consummated for any other reason, the Shareholders will not receive any payment for their Common Shares in connection with the Amalgamation. Instead, SeaCube will remain a public company, and Common Shares will continue to be listed and traded on the NYSE. The Amalgamation Agreement provides that, upon termination of the Amalgamation Agreement under certain circumstances, SeaCube may be required to pay to Buyer a termination fee of \$15,500,000 and, in certain other circumstances, Buyer may be required to pay to SeaCube a reverse termination fee of \$35,000,000. Q: HOW CAN I OBTAIN ADDITIONAL INFORMATION ABOUT SEACUBE?

A: SeaCube will provide copies of this proxy statement and its Annual Report to Shareholders, including its Annual Report on Form 10-K, as amended, without charge to any Shareholder who makes a written request to Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656. SeaCube's Annual Report on Form 10-K, as amended, and other SEC filings may also be accessed at www.sec.gov or on the Investor Relations section of SeaCube's website at www.seacubecontainers.com. Q: HOW MANY COPIES SHOULD I RECEIVE IF I SHARE AN ADDRESS WITH ANOTHER SHAREHOLDER?

A: The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more Shareholders sharing the same address by delivering a single annual report or proxy statement, as applicable, addressed to those Shareholders. This process, commonly referred to as "householding," potentially provides extra convenience for Shareholders and cost savings for companies. SeaCube and some brokers may be "householding" SeaCube's proxy materials by delivering a single set of proxy materials to multiple Shareholders sharing an address unless contrary instructions have been received from the affected Shareholders. Once you have received notice from your broker or SeaCube that they or it will be "householding" materials to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in "householding," and would prefer to receive a separate proxy statement and annual report, or if you are receiving multiple copies of this proxy statement and the annual report and wish to receive only one, please notify your broker if your Common Shares are held in a brokerage account or SeaCube if you are a Shareholder of record. You can notify SeaCube by sending a written request to Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656, or by calling our Corporate Secretary at (201) 391-0800. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a Shareholder at a shared address to which a single copy of the documents was delivered.

THE SPECIAL GENERAL MEETING

This proxy statement is being provided to the Shareholders as part of a solicitation of proxies by the Board for use at the Special General Meeting to be held at the time and place specified below, and at any properly convened meeting following an adjournment or postponement thereof. This proxy statement provides Shareholders with the information they need to know to be able to vote or instruct their vote to be cast at the Special General Meeting.

Date, Time and Place

The Special General Meeting is scheduled to be held at our corporate offices at 1 Maynard Drive, Park Ridge, New Jersey 07656 on April 23, 2013 at 10:00 a.m., local time.

Purpose of the Special General Meeting

At the Special General Meeting, the Shareholders will be asked to consider and vote on the following proposals:

to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, which is further described in the sections entitled *The Amalgamation* and *The Amalgamation Agreement*, beginning on pages 25 and 60, respectively;

to approve an adjournment of the Special General Meeting, if necessary or appropriate in the view of the chairman of the Special General Meeting, to allow the Board to solicit additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation if there are not sufficient votes at the time of such adjournment to approve and adopt the Amalgamation Agreement and to approve the Amalgamation; and

to approve, on a non-binding, advisory basis, certain compensation that will or may become payable to our Named Executive Officers that is based on or otherwise relates to the Amalgamation, discussed under the section entitled *The Amalgamation Quantification of Potential Payments to Named Executive Officers in Connection with the Amalgamation* beginning on page 55.

Recommendation of the Board

After careful consideration, the Board unanimously determined that the terms of the Amalgamation Agreement are fair to and in the best interests of SeaCube and the Shareholders and unanimously approved the Amalgamation Agreement, the Amalgamation and the other transactions contemplated thereby. Certain factors considered by the Board in reaching its decision to approve the Amalgamation Agreement can be found in the section entitled *The Amalgamation Reasons for the Amalgamation* beginning on page 35.

The Board recommends that the Shareholders vote FOR the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, FOR the Adjournment Proposal, and FOR the Named Executive Officer Amalgamation-Related Compensation Proposal.

Record Date; Shareholders Entitled to Vote

Only holders of record of Common Shares at the close of business on March 14, 2013, the record date for the Special General Meeting, will be entitled to notice of, and to vote at, the Special General Meeting or any adjournments or postponements thereof. At the close of business on the record date, 20,413,359 Common Shares were issued and outstanding and held by 28 holders of record.

Holders of record of Common Shares are entitled to one vote for each Common Share they own at the close of business on the record date.

Table of Contents

Quorum

The presence of at least two persons at the start of the Special General Meeting representing in person or by proxy more than 50% of the votes attaching to all the issued and outstanding Common Shares will constitute a quorum for the transaction of business at the Special General Meeting. There must be a quorum for business to be conducted at the Special General Meeting. Failure of a quorum to be represented at the Special General Meeting will necessitate an adjournment or postponement and will subject SeaCube to additional expense. Abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum.

Required Vote

The proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and the non-binding, advisory vote on the Named Executive Officer Amalgamation-Related Compensation Proposal each require the affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present, in accordance with the Bye-laws.

Failure to Vote, Abstentions and Broker Non-Votes

It is important that you vote your Common Shares. Although your failure to vote, or failure to instruct your broker, bank or other nominee to vote, will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal, such failure will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which the majority is calculated.

If you attend the Special General Meeting or send in your signed Proxy Card, but abstain from voting on any proposal, you will still be counted for purposes of determining whether a quorum exists. If you abstain from voting on the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Adjournment Proposal or the Named Executive Officer Amalgamation-Related Compensation Proposal, your abstention will have the same effect as a vote against that proposal.

Broker non-votes will be counted for the purpose of determining the presence of a quorum but will not be counted for purposes of determining the outcome of the vote on any proposal.

An abstention and a broker non-vote will be counted for purposes of determining a quorum. However, if you are the Shareholder of record, and you fail to vote by proxy or by ballot at the Special General Meeting, your Common Shares will not be counted for purposes of determining a quorum. Abstentions, failures to submit a Proxy Card or vote in person and broker non-votes will be treated in the following manner with respect to determining the votes received for each of the proposals:

an abstention, failure to submit a Proxy Card or vote in person or a broker non-vote will not affect the passage of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, and, on a non-binding, advisory basis, the Named Executive Officer Amalgamation-Related Compensation Proposal, although any of the foregoing will have the practical effect of reducing the number of affirmative votes required to achieve the required majority by reducing the total number of Common Shares from which the majority is calculated; and

an abstention, a failure to submit a Proxy Card or vote in person or a broker non-vote will have no effect on the proposal to approve any adjournment of the Special General Meeting.

Voting by Seacastle Operating and by SeaCube s Directors and Executive Officers

At the close of business on the record date, 20,413,359 Common Shares were issued and outstanding, approximately 41.8% of which were held by Seacastle Operating and 4.4% of which were held by SeaCube s

directors and executive officers. Pursuant to, and on the terms and conditions set forth in the Voting Agreement, Seacastle Operating has agreed to vote its Common Shares in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation. We currently expect that SeaCube's directors and executive officers will vote their Common Shares in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, although no director or executive officer has entered into any agreement obligating such person to do so.

Voting at the Special General Meeting

If you plan to attend the Special General Meeting and wish to vote in person, you will be given a ballot at the Special General Meeting. Please note that if your Common Shares are held by a broker, bank or other nominee, and you wish to vote at the Special General Meeting, you must bring to the Special General Meeting a proxy from the record holder (your broker, bank or other nominee) of the Common Shares authorizing you to vote at the Special General Meeting.

You may also authorize the persons named as proxies on the Proxy Card to vote your Common Shares by returning the Proxy Card by mail, through the Internet or by telephone. **Although SeaCube offers four different voting methods, SeaCube encourages you to vote through the Internet, as SeaCube believes it is the most cost-effective method.** We also recommend that you vote as soon as possible, even if you are planning to attend the Special General Meeting, so that the vote count will not be delayed. Both the Internet and the telephone provide convenient, cost-effective alternatives to returning your Proxy Card by mail. If you vote your Common Shares through the Internet, you may incur costs associated with electronic access, such as usage charges from Internet access providers. If you choose to vote your Common Shares through the Internet or by telephone, there is no need for you to mail back your Proxy Card.

To Vote Over the Internet:

Log on to the Internet and follow the instructions listed on your Proxy Card (24 hours a day, 7 days a week). Have your Proxy Card available when you access the website. You will need the control number from your Proxy Card to vote.

To Vote By Telephone:

On a touch-tone telephone, call (800) 776-9437 (domestic) or (718) 921-8500 (international) (24 hours a day, 7 days a week). Have your Proxy Card available when you make the call. You will need the control number from your Proxy Card to vote.

To Vote By Proxy Card:

Complete and sign the Proxy Card and mail it to the address indicated on the Proxy Card.

If you return your signed Proxy Card without indicating how you want your Common Shares to be voted with regard to a particular proposal, your Common Shares will be voted in favor of each such proposal. Proxy Cards that are returned without a signature will not be counted as present at the Special General Meeting and cannot be voted.

If your Common Shares are held by your broker, bank or other nominee, you will receive a form from your broker, bank or other nominee seeking instruction as to how your Common Shares should be voted. If you do not issue voting instructions to your broker, bank or other nominee, your broker, bank or other nominee may not vote your Common Shares on any of the proposals. You should contact your broker, bank or other nominee with questions about how to provide or revoke your instructions.

Revocation of Proxies

You have the right to revoke your proxy at any time before the Special General Meeting by:

submitting a written notice of revocation to Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656;

Table of Contents

submitting a later-dated Proxy Card;

attending the Special General Meeting and voting in person, which will automatically cancel any proxy previously given, or revoking your proxy in person, but your attendance alone will not revoke any proxy that you have previously given;

submitting another vote by telephone or over the Internet; or

if applicable, submitting new voting instructions to your broker, bank or other nominee.

If you choose either of the first two methods, you must submit your notice of revocation or your later-dated Proxy Card to the Corporate Secretary of SeaCube, no later than the beginning of the Special General Meeting.

If you have questions about how to vote or revoke your proxy, you should contact our Secretary at Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656.

Shares Held in Name of Broker (Street Name)

If you are a beneficial owner of Common Shares and your Common Shares are held by your broker, bank or other nominee, often referred to as held in street name, you will receive a form from your broker, bank or other nominee seeking instruction as to how your Common Shares should be voted. You should contact your broker, bank or other nominee with questions about how to provide or revoke your instructions.

Tabulation of Votes

The votes will be counted by one or more inspectors of votes appointed for the Special General Meeting.

Solicitation of Proxies

The Board is soliciting your proxy, and SeaCube will bear the cost of soliciting proxies. AST Phoenix Advisors has been retained to assist with the solicitation of proxies. AST Phoenix Advisors will be paid approximately \$10,000 and will be reimbursed for its reasonable out-of-pocket expenses for these and other advisory services in connection with the Special General Meeting. Solicitation initially will be made by mail. Forms of proxies and proxy materials may also be distributed through brokers, custodians and other like parties to the beneficial owners of Common Shares, in which case these parties will be reimbursed for their reasonable out-of-pocket expenses. Proxies may also be solicited in person or by telephone, facsimile, electronic mail, or other electronic medium by AST Phoenix Advisors or by certain of SeaCube's directors, officers and employees, without additional compensation.

Adjournment

In addition to the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation and the Named Executive Officer Amalgamation-Related Compensation Proposal, the Shareholders are also being asked to approve a proposal that will give the chairman of the Special General Meeting authority to adjourn the Special General Meeting for the purpose of soliciting additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement to approve the Amalgamation if there are not sufficient votes at the time of the Special General Meeting to approve the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation. If this proposal is approved, the Special General Meeting could be successively adjourned to any date. In addition, the chairman of the Special General Meeting could postpone the Special General Meeting before it commences, whether for the purpose of soliciting additional proxies or for other reasons. If the Special General Meeting is adjourned for the purpose of soliciting additional proxies, Shareholders who have already submitted their proxies will be able to revoke them at any time prior to their use. If you return a proxy and do not indicate how you wish to vote on any proposal, or if you indicate that you wish to vote in favor of the proposal to approve and adopt the Amalgamation Agreement and to

Table of Contents

approve the Amalgamation but do not indicate a choice on the Adjournment Proposal, your Common Shares will be voted in favor of the Adjournment Proposal. But if you indicate that you wish to vote against the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, your Common Shares will only be voted in favor of the Adjournment Proposal if you indicate that you wish to vote in favor of that proposal.

The Board recommends a vote FOR the Adjournment Proposal.

Other Information

You should not return your Share Certificates or send documents representing Common Shares with the Proxy Card. If the Amalgamation is completed, the Paying Agent for the Amalgamation will send you a Letter of Transmittal and instructions for exchanging your Share Certificates for the Transaction Consideration.

THE AMALGAMATION

The discussion of the Amalgamation in this proxy statement is qualified in its entirety by reference to the Amalgamation Agreement, a copy of which is attached to this proxy statement as Annex A and which is incorporated by reference into this proxy statement.

Effects of the Amalgamation

Pursuant to the terms of the Amalgamation Agreement, at the Effective Time, SeaCube and Acquisition Sub will amalgamate under the laws of Bermuda, and the Amalgamated Company will continue as a Bermuda exempted company and as a subsidiary of Buyer.

Upon the terms and subject to the conditions of the Amalgamation Agreement, at the Effective Time, each Common Share (other than (i) Dissenting Shares, (ii) Common Shares owned by the Company, Buyer, Acquisition Sub or any of their respective wholly owned subsidiaries and (iii) the Carry-Forward Share) issued and outstanding immediately prior to the Effective Time will be converted into the right to receive the Transaction Consideration less any applicable withholding tax.

At the Effective Time, any vesting condition or restrictions applicable to each Restricted Share outstanding immediately prior to the Effective Time will lapse, and each such Restricted Share will be treated in accordance with the procedures outlined above for Common Shares.

Background of the Amalgamation

As part of the Company's ongoing strategic planning process, Company management and the Board regularly review and assess the Company's competitive position, industry trends and potential strategic initiatives. Company management also meets periodically with members of the Board in the ordinary course of business to discuss potential actions to maximize shareholder value, including strategic alternatives such as acquisitions, dispositions and business combinations.

During the first and second quarters of 2012, Joseph Kwok, Chief Executive Officer of the Company, as well as other members of Company management, had discussions in the ordinary course of business with the Board regarding the strategic direction of the Company and opportunities for maximizing shareholder value. Mr. Kwok and members of Company management discussed with the Board recent actions taken by the Company to enhance shareholder value, such as the Company's secured notes offering completed in June 2012 and the increase in the Company's borrowing capacity under its credit facilities, improving the Company's liquidity and increasing its ability to invest in new container assets and pursue new growth opportunities. The Board and Company management noted that these actions, taken together with the Company's active management of its container assets, had resulted in a significant increase in shareholder value since the Company's initial public offering in October 2010, as reflected in the Company's share price. The Board and Company management also discussed potential risks that the Company faced, including the effect of difficult global economic conditions on the Company's ability to achieve its business plan, and challenges to the Company's ability to maintain revenue growth and profit margins in future periods.

During this time period, representatives of investment banks covering the container leasing industry called on Company management. As part of the Company's ongoing review of the industry and the Company's competitive position within the industry, Company management routinely met with representatives of numerous investment banks, including representatives of BofA Merrill Lynch and Deutsche Bank, to discuss developments in the container leasing industry and the investment banks' views as to strategic opportunities potentially available to the Company. In August 2012, the Board invited BofA Merrill Lynch and Deutsche Bank to attend its regularly scheduled Board meeting. The Board met on August 23, 2012, with representatives of BofA Merrill Lynch and Deutsche Bank in attendance. At the meeting, representatives of BofA Merrill Lynch and Deutsche Bank each discussed with the Board, among other things, the container leasing industry, the Company's competitive position in the industry and strategic opportunities available to the Company to enhance shareholder value, including a potential sale of the Company.

Table of Contents

On September 13, 2012, the Board held a telephonic meeting, with Company management and Skadden, Arps, Slate, Meagher & Flom LLP (Skadden), the Company's legal counsel, in attendance. The Board and Company management discussed the Company's business plan, industry trends and the potential for increasing shareholder value through implementation of the Company's business initiatives. The Board and Company management also discussed the potential risks that the Company faced in achieving its business plan, including competition from larger strategic participants in the industry, the entry of new participants in the industry, the effect of difficult global economic conditions on the Company's customers and the continued availability of financing on favorable terms, which was necessary for the continued growth and profitability of the Company. After a discussion of the Board's fiduciary duties in connection with the evaluation of potential strategic alternatives, the Board determined that it would be in the best interests of the Company and its Shareholders to explore whether strategic alternatives, including a sale of the Company, would potentially give Shareholders the opportunity to maximize the value of their investment.

The Board also discussed whether BofA Merrill Lynch and Deutsche Bank should be engaged by the Company to assist it in exploring strategic alternatives. Company management reported that the Company had received and informally discussed fee proposals with each of BofA Merrill Lynch and Deutsche Bank, each of whom had indicated its willingness to assist the Company should the Board decide to explore strategic alternatives. The Board discussed the relevant experience and qualifications of several potential financial advisors, including BofA Merrill Lynch and Deutsche Bank, and also discussed the fact that BofA Merrill Lynch and Deutsche Bank had from time to time been engaged by the Company, and each was familiar with the Company and its industry. The Board then discussed and considered relationships between the Company, the Funds and their affiliated entities, on the one hand, and each of BofA Merrill Lynch and Deutsche Bank, on the other hand, including past and present engagements involving BofA Merrill Lynch, Deutsche Bank and the Funds.

After due consideration of the risks faced by the Company in the current challenging global economic environment, the Board decided to explore a possible sale of the Company as a possible method for maximizing shareholder value. The Board considered the prospects of the Company, the public markets' valuation of the Company and other companies in the container leasing industry and the potential challenges to achieving the growth required for increased economies of scale in the Company's business, which is important to the Company's ability to compete with other industry participants. The Board noted that the public markets have historically valued the Company at a discount to other companies in the container leasing industry, ascribing to the Company a lower trading multiple based on its relatively smaller size and lack of scale. The fact that the Company's initial public offering was completed in October 2010 was not material to the Board's determination to explore a possible sale of the Company as a method for maximizing shareholder value, as the Board believed that the public markets did not fully value the Company. The Board authorized the Company to negotiate terms of engagement with each of BofA Merrill Lynch and Deutsche Bank to act as financial advisors to the Company.

The Board also considered the possible disruption to the Company's business that could result from the public announcement of an exploratory sale process and the resulting distraction of the attention of Company management and employees, concluding that such risks could be minimized by proceeding with an exploratory sale process on a non-public basis. The Board then authorized Company management to develop, with the assistance of BofA Merrill Lynch and Deutsche Bank, a list of potential buyers of the Company, and to thereafter instruct BofA Merrill Lynch and Deutsche Bank to contact such potential buyers on a confidential basis in order to assess their interest in the Company.

Shortly thereafter, with the assistance of BofA Merrill Lynch and Deutsche Bank, the Company developed a list of potential strategic and financial buyers, including OTHP. At the instruction of Company management, representatives of BofA Merrill Lynch and Deutsche Bank contacted a total of 22 potential buyers in late September and October, including 14 financial buyers and eight strategic buyers. Four of the parties contacted during that time period executed confidentiality agreements with the Company, including OTHP, which executed a confidentiality agreement with the Company on September 21, 2012. After signing a confidentiality agreement, representatives of BofA Merrill Lynch and Deutsche Bank provided each such potential buyer non-public

Table of Contents

information about the Company, including cash flow projections and a fleet book. Each of the potential buyers was invited to submit questions via an organized Q&A process, to request expert due diligence sessions and to attend individual management presentations.

On September 21, 2012, a representative of the Company met with Bidder C (a potential financial buyer) to discuss a potential transaction with the Company. Bidder C had been previously identified as a potential buyer of the Company, but had not previously been contacted by the Company's financial advisors. Shortly thereafter, on September 24, 2012, representatives of BofA Merrill Lynch and Deutsche Bank sent Bidder C a confidentiality agreement, which Bidder C executed on October 11, 2012.

The Company held a management presentation for OTPP on November 2, 2012. Representatives of OTPP attended the presentation, at which members of Company management, including Mr. Kwok, Stephen Bishop, the Company's Chief Financial Officer and Chief Operating Officer, and Lisa Leach, the Company's General Counsel, provided OTPP with an overview of the Company's business, its operations, its fleet assets, its customers and its financing arrangements. Representatives of BofA Merrill Lynch also attended the management presentation.

A telephonic meeting of the Board was held on November 5, 2012, with Company management and representatives of BofA Merrill Lynch and Deutsche Bank in attendance. Representatives of BofA Merrill Lynch and Deutsche Bank presented the Board with an overview of the sale process to date, and noted that while several potential buyers continued to review the opportunity, OTPP and Bidder C had each indicated a desire to pursue a transaction on an expedited basis. The Board determined to grant OTPP and Bidder C access to a virtual data room set up by the Company. The Board, Company management and representatives of BofA Merrill Lynch and Deutsche Bank then discussed five additional strategic buyers, including Bidder A and Bidder B, that had not yet been contacted by representatives of BofA Merrill Lynch and Deutsche Bank, and their potential interest in the Company, as well as their ability to make an offer to purchase of the Company. The Board and Company management also discussed risks associated with sharing competitively sensitive information with such potential strategic buyers, and determined that such risks could be managed through virtual data room procedures and should not preclude the inclusion of such strategic buyers in the sale process. After discussion, the Board authorized representatives of BofA Merrill Lynch and Deutsche Bank to contact the five additional potential strategic buyers, including Bidder A and Bidder B, to assess their interest in a transaction involving the Company. Thereafter, representatives of BofA Merrill Lynch and Deutsche Bank contacted Bidder A and Bidder B, as well as the other strategic bidders identified by Company management. Each of Bidder A and Bidder B expressed interest in exploring a transaction with the Company. Bidder A executed a confidentiality agreement with the Company on November 12, 2012, and Bidder B executed a confidentiality agreement with the Company on November 27, 2012.

The Company held management presentations for Bidder C on November 7, 2012.

Bidder D, a non-U.S. potential financial bidder, executed a confidentiality agreement on November 15, 2012. Bidder E, a non-U.S. potential strategic bidder, executed a confidentiality agreement on November 21, 2012.

On November 15, 2012, potential buyers were provided with a draft of the agreement and plan of amalgamation prepared by Skadden (the Auction Draft).

Beginning on November 15, 2012, representatives of BofA Merrill Lynch and Deutsche Bank, at the direction of Company management, sent prospective buyers first round process letters requesting that buyers submit by December 5, 2012 a detailed, non-binding indication of interest to purchase 100% of the equity of the Company.

On November 20, 2012, OTPP's legal counsel, Sullivan & Cromwell LLP (Sullivan & Cromwell), sent an initial due diligence request list to the Company.

On November 26, 2012, OTPP had a telephonic meeting with Company management and representatives of BofA Merrill Lynch and Deutsche Bank regarding OTPP's ongoing due diligence review of the Company. The following day, Sullivan & Cromwell submitted priority due diligence requests to Company management. Over the next several weeks, OTPP conducted a due diligence review of the Company and its business.

On December 5, 2012, the deadline for submitting non-binding indications of interest, the Company received preliminary indications of interest from OTPP, Bidder A and Bidder C. Prior to the bid deadline, Bidder B indicated to representatives of BofA Merrill Lynch and Deutsche Bank that it would be unable to submit a preliminary indication of interest by the deadline. Company management, after consulting with representatives of BofA Merrill Lynch, Deutsche Bank and Skadden, extended the deadline by two days for Bidder B.

OTPP submitted a preliminary indication of interest on December 5, 2012 that contemplated a purchase price in the range of \$22.00 – \$23.00 per share in cash and contemplated retaining certain members of Company management following the closing of the amalgamation. Bidder A submitted a preliminary indication of interest that contemplated a purchase price of \$20.00 – \$21.00 per share, with 50% of the consideration payable in cash and 50% in stock consideration. Bidder A also indicated that any transaction between the Company and Bidder A would require approval of Bidder A's shareholders. Bidder C submitted a preliminary indication of interest that contemplated a purchase price of \$22.00 per share, with 50% cash consideration and 50% stock consideration. Bidder C's preliminary indication of interest contemplated effecting the combination of the Company and Bidder C through a reverse merger with the Company, whereby the Company would continue as a publicly traded entity. The purchase price ranges included in the initial indications of interest represented a premium of 8.3% to 24.6% over the closing price per Common Share on December 4, 2012, the last trading day before initial indications of interest were received.

On December 6, 2012, Bidder B submitted a preliminary indication of interest that contemplated a purchase price in the range of \$21.00 – \$22.00 per share in cash.

On December 11, 2012, the Board held a telephonic meeting. Company management, Skadden and representatives of BofA Merrill Lynch and Deutsche Bank were in attendance. At the meeting, representatives of BofA Merrill Lynch and Deutsche Bank described the sales process and summarized the four bids received to date using materials previously circulated to the Board. Representatives of BofA Merrill Lynch and Deutsche Bank noted that they had contacted 32 potential buyers, including 16 strategic buyers and 16 financial buyers. Of these 32 potential buyers, 10 had signed confidentiality agreements and thereafter received confidential information about the Company. Fifteen potential buyers had notified representatives of BofA Merrill Lynch and Deutsche Bank that they had formally withdrawn from the sale process, and representatives of BofA Merrill Lynch and Deutsche Bank reported to the Board that 13 potential bidders had neither withdrawn nor submitted a non-binding indication of interest as of that date, two of which (Bidder D and Bidder E) had informed representatives of BofA Merrill Lynch and Deutsche Bank that each expected to submit a non-binding indication of interest within the following two weeks. After summarizing the status of the sale process, representatives of BofA Merrill Lynch and Deutsche Bank described each bid in detail. The Board discussed the merits of each bid, including completion risk, the form of consideration, the timing to completion and the price ranges indicated by each bidder. The Board also discussed that OTPP's offer contemplated the retention of certain members of Company management following the closing of the amalgamation. The Board requested that it be kept fully informed of the terms proposed by OTPP with respect to the continued employment by, and the terms of any roll-over investment by Company management in, the amalgamated company. After consideration of the merits of each bid, the Board decided to invite OTPP and Bidder B to the final round of the sale process. The Board also authorized Company management to communicate directly with OTPP regarding the proposed terms of their continued employment and investment in the amalgamated company and instructed Company management to keep the Board informed as to the status of such discussions. In addition, the Board instructed representatives of BofA Merrill Lynch and Deutsche Bank to inform each of Bidder A and Bidder C that each would be permitted to advance to the final round of the sale process if it raised its price. The Board also instructed representatives of

Table of Contents

BofA Merrill Lynch and Deutsche Bank to continue their efforts to solicit indications of interest from potential buyers (including Bidder D and Bidder E).

Following the meeting, representatives of BofA Merrill Lynch and Deutsche Bank called each of Bidder A and Bidder C and conveyed the message of the Board with respect to advancing to the next round of the process. Bidder C indicated that it was unwilling to raise its price and was dropping out of the process. Bidder A told representatives of BofA Merrill Lynch and Deutsche Bank that it would consider the Board request. Thereafter, representatives of BofA Merrill Lynch and Deutsche Bank contacted Bidder D and Bidder E, each of whom indicated that it was withdrawing from the sale process.

On December 12, 2012, Sullivan & Cromwell, on behalf of OTPP, sent a markup of the Auction Draft to Skadden. After review of the OTPP markup of the Auction Draft, certain members of the Board, Company management, Skadden and representatives of BofA Merrill Lynch and Deutsche Bank held a call on December 14 to discuss the principal issues raised by OTPP's Auction Draft markup. Skadden highlighted certain issues in OTPP's markup, including, among other things: (i) the inclusion of a reverse termination fee (of an unspecified amount) whereby in the event that certain consents (a list of which consents was not provided) were not received and Buyer was unable to refinance or replace the indebtedness underlying such consents, then the Company's sole recourse would be to terminate the agreement and plan of amalgamation and receive the reverse termination fee from Buyer and Acquisition Sub; (ii) the absence of any covenant obligating Buyer and Acquisition Sub to use a specified level of efforts to obtain lender consents; (iii) OTPP's proposal to increase the Company termination fee from 2.5% to 4.0% of the Company's equity value, payable by the Company to Acquisition Sub if the agreement and plan of amalgamation is terminated by either party under certain circumstances, including a termination by the Company in order to enter into another transaction that constituted a superior proposal; (iv) a prohibition on the Company paying any dividends between signing and closing; (v) the addition of a condition that no more than 5.0% of the Shareholders seek appraisal under Bermuda law; (vi) the removal of certain materiality qualifiers from, and reducing the applicable materiality standards for, certain of the Company's representations and warranties and covenants; and (vii) the inclusion of a recital that Acquisition Sub shall have entered into letter agreements with certain members of Company management concurrently with the execution of the agreement and plan of amalgamation with respect to their continued employment by the amalgamated company following the closing of the amalgamation. Following the call, Skadden informed Sullivan & Cromwell that Skadden would provide a markup of the agreement and plan of amalgamation, and informed Sullivan & Cromwell that a final round process letter would set forth the timing for receipt of final bids.

On December 13, 2012, Bidder A informed representatives of BofA Merrill Lynch and Deutsche Bank that it was willing to increase the purchase price range in its indication of interest to \$22.00 – \$23.00 per share. After consulting with, and at the direction of, Company management, representatives of BofA Merrill Lynch and Deutsche Bank invited Bidder A to the final round of the sale process.

Company management gave presentations to OTPP and its financial advisor on December 17, 2012 at BofA Merrill Lynch's New York offices and to Bidder A on December 18 at Skadden's New York offices. Messrs. Kwok and Bishop, Ms. Leach, Robert Howarth, the Company's Controller, and David Doorley, the Company's Treasurer, were in attendance from the Company at each management presentation, together with representatives of BofA Merrill Lynch and Deutsche Bank. Topics covered in the management presentations included Company and industry overviews, growth strategies, commercial overviews and financial information. Company management met with Bidder B in the San Francisco Bay Area on December 19, 2012 and delivered a similar management presentation to Bidder B.

Following the presentation to OTPP on December 17, 2012, members of Company management met with representatives of OTPP to discuss the terms of continued employment of certain members of Company management by the amalgamated company following the closing of the amalgamation, as well as the potential investment by certain members of Company management in the amalgamated company.

Table of Contents

Beginning on December 19, 2012, representatives of BofA Merrill Lynch and Deutsche Bank, on behalf of the Company, sent final round process letters to OTP, Bidder A and Bidder B, which process letters requested bidders to submit a final binding offer to acquire 100% of the equity of the Company, together with a markup of the agreement and plan of amalgamation that such bidder would be prepared to execute immediately, by January 10, 2013.

On December 19, 2012, a proposed form of voting agreement prepared by Skadden was uploaded to the virtual data room, pursuant to which Seacastle Operating would agree to vote a number of Common Shares beneficially owned by it equal to 40% of the Common Shares issued and outstanding in favor of the amalgamation. The voting agreement would terminate if, among other reasons, the agreement and plan of amalgamation was terminated by the Company in order to enter into another transaction that constituted a superior proposal.

On December 24, representatives of OTP sent Mr. Kwok draft letter agreements proposed to be entered into with certain members of Company management relating to such persons proposed continued employment by, and investment in, the amalgamated company following the closing of the amalgamation.

Skadden and Sullivan & Cromwell exchanged markups of the agreement and plan of amalgamation and continued to negotiate the issues that remained open between the parties during the last weeks of December and the first weeks of January. Sullivan & Cromwell also identified the consents OTP expected to include on a schedule to the Amalgamation Agreement, which would give rise to the payment of the reverse termination fee by Buyer if Buyer and Acquisition Sub did not close and such consents had not been obtained, or the related indebtedness was not refinanced or replaced. Sullivan & Cromwell also informed Skadden that OTP would seek the consent of the lenders under a credit agreement with CLI Funding IV LLC (the CLIF IV Credit Agreement), a subsidiary of the Company, (which lenders included an affiliate of Deutsche Bank) prior to entering into the agreement and plan of amalgamation.

On December 28, 2012, Skadden sent members of the Board and Company management a list of remaining open issues regarding the agreement and plan of amalgamation and the voting agreement, which included the reverse termination fee, the amount of the Company termination fee, the restriction on dividend payments and the appraisal condition. On December 31, 2012, Skadden sent Sullivan & Cromwell an issues list substantially similar to the one provided by Skadden to members of the Board and Company management.

On January 4, 2013, certain Board members, Company management and representatives of BofA Merrill Lynch, Deutsche Bank and Skadden participated in a call on which representatives of BofA Merrill Lynch and Deutsche Bank provided an update on the sale process and on recent discussions with each of the bidders. Representatives of BofA Merrill Lynch and Deutsche Bank noted that OTP remained the most active bidder and had completed nearly all of its due diligence. Mr. Kwok reported that OTP was engaged in discussions with certain members of Company management, including Messrs. Kwok and Bishop and Ms. Leach, relating to their proposed continued employment by, and investment in, the amalgamated company, and that Mr. Kwok had participated in several calls with representatives of OTP on the topic. Representatives of BofA Merrill Lynch and Deutsche Bank also noted that Bidder A had informed them that it was considering making a bid consisting of greater than 50% stock consideration, despite the fact that its preliminary indication of interest contemplated 50% stock consideration and 50% cash consideration. Representatives of BofA Merrill Lynch and Deutsche Bank then provided an update relating to Bidder B, who had informed representatives of BofA Merrill Lynch and Deutsche Bank in late December that it would likely not be in a position to submit a bid by the January 10, 2013 bid deadline and regardless of timing, its bid would likely be at the lower end of the \$21.00 - \$22.00 purchase price range included in its preliminary indication of interest. Representatives of BofA Merrill Lynch and Deutsche Bank reported that they had encouraged Bidder B to remain in the process and to submit a bid by the deadline.

Subsequently, Bidder B informed representatives of BofA Merrill Lynch and Deutsche Bank that it would likely not be able to submit a bid until the end of January at the earliest and reiterated that its bid would be

Table of Contents

toward the lower end of its range. Representatives of BofA Merrill Lynch and Deutsche Bank then informed Company management that all of the potential buyers, other than Buyer, Bidder A and Bidder B, had either formally dropped out of the sale process or were no longer active in the sale process.

Following the January 4, 2013 call with Company management, representatives of BofA Merrill Lynch and Deutsche Bank, at the direction of Company Management, continued to encourage Bidder A to submit a bid by the January 10 bid deadline. Representatives of BofA Merrill Lynch and Deutsche Bank encouraged Bidder A to contact Skadden, through its counsel, to discuss the agreement and plan of amalgamation.

On January 6, 2013, Sullivan & Cromwell sent additional comments from counsel to Wells Fargo, Buyer's debt financing source. Skadden and Sullivan & Cromwell continued to discuss the remaining open issues in the agreement and plan of amalgamation.

At a meeting on January 8, 2013, Mr. Kwok met with representatives of OTPP to further discuss the continued employment of Messrs. Kwok and Bishop and Ms. Leach, as well as several other employees of the Company, and the terms of their investments in the equity of the amalgamated company.

Also on January 9, 2013, Bidder A informed representatives of BofA Merrill Lynch and Deutsche Bank that it was considering a structure whereby Bidder A would merge into or amalgamate with the Company, and the surviving company or amalgamated company, as applicable, would be a Bermudian entity. Bidder A also informed representatives of BofA Merrill Lynch and Deutsche Bank that its offer would contemplate that a majority of the consideration to be received by Shareholders would be in the form of stock.

On January 10, 2013, representatives of the Company, BofA Merrill Lynch, Deutsche Bank and Skadden discussed the structure proposed by Bidder A, and certain potential issues raised by such a structure, including legal, accounting and regulatory complexity.

OTPP and Bidder A submitted final offer letters on January 10, 2013. Bidder B did not submit an offer letter and informed representatives of BofA Merrill Lynch and Deutsche Bank that it would not be in a position to submit a final offer until the end of January at the earliest, and that its offer would be at the lower end of the range of \$21.00 – \$22.00 per share included in its preliminary indication of interest.

OTPP's offer letter included a purchase price of \$22.60 per share in cash. OTPP also submitted with the offer letter a proposed form of equity commitment letter from OTPP for the full purchase price and a debt commitment letter from Wells Fargo to be utilized in the event certain lender consents are not obtained prior to the closing of the amalgamation. The offer letter specified that it would expire at 12:00 p.m. (New York City time) the following day, January 11, 2013. OTPP also submitted with its offer letter markups of the agreement and plan of amalgamation and voting agreement, as well as a draft of a limited guaranty from OTPP guaranteeing payment of the reverse termination fee. OTPP's offer letter stated that, among other things, (i) OTPP had substantially completed its due diligence; (ii) OTPP's investment committee had approved the proposed transaction; and (iii) OTPP was requesting an exclusivity period of 15 days. OTPP's markup of the agreement and plan of amalgamation included, among other things, (i) a reverse termination fee of 7.0% payable in the event that lender consents under two Company credit facilities are not received prior to the closing of the amalgamation and Buyer is unable to refinance such facilities; (ii) a Company termination fee of 3.5% (reduced from OTPP's previous proposal of 4.0%); (iii) a prohibition on the Company paying any dividends between signing and closing; and (iv) the 5.0% appraisal condition. OTPP's offer letter also contemplated that certain members of Company management would enter into letter agreements concurrently with the execution of the agreement and plan of amalgamation with respect to their continued employment by the amalgamated company following the closing, as well as their investment in the equity of the amalgamated company at Closing.

Bidder A's offer letter included a purchase price of \$21.00 per share, comprised of 80% stock consideration and 20% cash consideration. Bidder A's offer letter contemplated the inversion structure, as previously discussed

with representatives of BofA Merrill Lynch and Deutsche Bank, but the offer lacked specificity with regard to, among other things, the steps necessary to effect the transaction as described. Bidder A's offer letter included a debt commitment letter that it characterized as sufficient to complete the transaction, including the repayment of any debt of the Company or Bidder A that would be accelerated by the transaction. Bidder A's offer letter did not include a markup of the agreement and plan of amalgamation, but rather, Bidder A provided a high-level issues list which lacked specificity. In addition, Bidder A's offer letter noted that it believed it could complete its due diligence and negotiate a definitive agreement within 30 days, and requested an exclusivity period of 30 days. Moreover, Bidder A's offer letter indicated that the transaction would require approval from Bidder A's shareholders.

Later on January 10, 2013, representatives of the Company, BofA Merrill Lynch, Deutsche Bank and Skadden held a call to discuss the terms of the offers set forth in the two offer letters received by the Company. Following the call, at the request of representatives of BofA Merrill Lynch and Deutsche Bank made on behalf of the Company, OTPP extended the expiration time of its offer from 12:00 p.m. (New York City time) on January 11 until 6:00 p.m. (New York City time) on January 11, so the Board could convene a meeting to discuss and consider the terms of the offers.

In advance of the Board meeting to be held on January 11, 2013, Skadden sent various discussion materials to the Board, which materials included, among other items, (i) an executive summary of the proposed plan of amalgamation and ancillary documents received from OTPP and (ii) an issues list summarizing the open issues that remained in the draft agreement and plan of amalgamation.

On January 11, 2013, the Board held a telephonic meeting. Members of Company management and representatives of BofA Merrill Lynch, Deutsche Bank and Skadden were also in attendance. Representatives of BofA Merrill Lynch and Deutsche Bank updated the Board regarding the sale process, summarizing the terms of the two offers received from OTPP and Bidder A. The Board also discussed the lender consents required in connection with OTPP's offer, and noted that OTPP had expressed an interest in seeking consent under the CLIF IV Credit Agreement prior to entering into any definitive agreements with the Company. The Board authorized the appropriate affiliate of Deutsche Bank to enter into discussions with OTPP in connection with any required waivers or consents under the CLIF IV Credit Agreement. Thereafter, Skadden discussed with the Board the fiduciary duties of directors in connection with evaluating strategic alternatives. The Board then discussed OTPP's request for 15 days of exclusivity and the impending expiration of OTPP's offer at 6:00 p.m. that day. The Board considered the merits of the two offers, noting that OTPP's offer contemplated the payment of all-cash consideration, did not include any burdensome conditions and had a relatively short timeline to signing and closing of the amalgamation. The Board also discussed Bidder A's offer, and in particular noted that Bidder A's offer contemplated a lower price than OTPP's offer and that 80% of the consideration would be paid in stock. The Board also noted the potential complexity of the inversion structure proposed by Bidder A, and the potentially longer timeline to completion given the need to obtain Bidder A stockholder approval. The Board considered the relative benefits and risks of the two offers, including the benefits of OTPP's all-cash offer and the risks associated with Bidder A's majority-stock consideration, complex structure and required approvals. The Board concluded that OTPP's offer was more attractive and determined that it would be willing to enter into exclusivity with OTPP if OTPP were to increase its price. The Board confirmed that it was making no decision at this time as to whether to authorize a sale of the Company. The Board authorized representatives of BofA Merrill Lynch and Deutsche Bank to seek a higher price from OTPP as a condition to agreeing to an exclusivity period, and authorized Company management and Skadden to negotiate the proposed final terms of the amalgamation agreement and ancillary documentation and report back to the Board at a subsequent meeting to seek authorization for a sale of the Company, if agreement were reached on the terms of the agreement and plan of amalgamation and ancillary documents. The Board then instructed representatives of BofA Merrill Lynch and Deutsche Bank to inform Bidder A that the Board was considering engaging another bidder on an exclusive basis and, therefore, needed Bidder A's best and final offer on price. The Board similarly instructed representatives of BofA Merrill Lynch and Deutsche Bank to inform Bidder B that the Board was considering engaging another bidder on an exclusive basis and, therefore, needed to know whether anything had changed with regard to Bidder

Table of Contents

B's expected offer price and timing. Representatives of BofA Merrill Lynch and Deutsche Bank called each of Bidder A and Bidder B to convey the Board's message. Bidder A told representatives of BofA Merrill Lynch and Deutsche Bank that it was unwilling to change the terms of its proposal. Bidder B told representatives of BofA Merrill Lynch and Deutsche Bank that it was not in a position to submit an offer for the Company at this time, and that its expectations with respect to the likely range of its purchase price had not changed.

Shortly thereafter, representatives of BofA Merrill Lynch and Deutsche Bank confirmed to members of the Board that Bidders A and B had not changed their positions with respect to price or timing and that, based on the feedback received from Bidders A and B, neither BofA Merrill Lynch nor Deutsche Bank believed that any of the bidders would be willing to further improve their offers. Members of the Board then instructed representatives of BofA Merrill Lynch and Deutsche Bank to inform OTPP that the Company would be willing to grant OTPP exclusivity if OTPP raised its offer price from \$22.60 per share and permitted the Company to continue to pay its regularly scheduled quarterly dividend between signing and closing. OTPP agreed to raise its offer price to \$23.00 per share and although it maintained the prohibition on the Company's payment of its regular quarterly dividend with respect to the quarter ended December 31, 2012, OTPP indicated that it would permit the Company to pay its regularly scheduled quarterly dividend with respect to the quarter ended March 31, 2012 if the amalgamation has not closed by then. At the Board's instruction, representatives of BofA Merrill Lynch and Deutsche Bank told OTPP that on those terms, the Company would agree to negotiate exclusively with OTPP for a 15-day period. OTPP and the Company subsequently executed an agreement providing for exclusivity until 5:00 p.m. (New York City time) on January 26, 2013. The exclusivity agreement also provided that if the Company and OTPP could not reach a definitive agreement and the Company subsequently entered into a merger, amalgamation, combination or similar transaction representing 20% or more of the fair market value of the Company and its subsidiaries within 75 days from January 11, 2013, then the Company would be required to reimburse OTPP for its documented, out-of-pocket expenses, up to a maximum of \$3,000,000. Later that evening, Skadden sent Sullivan & Cromwell a draft of the Company disclosure letter related to the agreement and plan of amalgamation.

Skadden and Sullivan & Cromwell continued to discuss the terms of the agreement and plan of amalgamation and ancillary documents. On January 14, 2013, Skadden and Sullivan & Cromwell prepared a joint issues list, which Skadden sent to members of the Board and Company management. The principal remaining issues included, among other things, the (i) the amount of the reverse termination fee, (ii) the amount of the Company termination fee and (iii) whether the agreement would include an appraisal condition.

On January 15, 2013, Company management and representatives of BofA Merrill Lynch, Deutsche Bank and Skadden held a call to discuss the remaining open issues. Following the call, Skadden called Sullivan & Cromwell to discuss the remaining open issues, although no resolution was reached.

Also on January 15, 2013, Skadden reviewed and discussed with members of Company management the terms of draft letter agreements provided by OTPP relating to such persons' proposed continued employment by, and investment in, the amalgamated company following the closing of the amalgamation. Later that day, members of Company management engaged separate outside counsel to assist in the negotiation of the letter agreements.

In advance of a Board meeting to be held on January 18, 2013, Skadden sent the Board discussion materials, which included, among other items, (i) an updated executive summary of the OTPP agreement and plan of amalgamation and ancillary documentation, (ii) revised drafts of the OTPP agreement and plan of amalgamation and ancillary documents, (iii) an outline of Skadden's presentation to the Board addressing the Board's fiduciary duties and (iv) proposed Board resolutions for consideration. In addition, representatives of BofA Merrill Lynch and Deutsche Bank circulated their respective presentations to the Board.

On January 18, 2013, Skadden sent to Sullivan & Cromwell a proposal to resolve the remaining open terms, which included (i) a reverse termination fee of \$35,000,000 (approximately 7.5% of the Company's equity

Table of Contents

value), (ii) a Company termination fee of \$15,500,000 (approximately 3.3% of the Company's equity value) and (iii) an 8.0% appraisal condition. Shortly thereafter, Sullivan & Cromwell informed Skadden that such proposal was acceptable to OTPP.

Later that day, the Board met telephonically to consider the final terms of the agreement and plan of amalgamation and the Amalgamation. Representatives of BofA Merrill Lynch, Deutsche Bank and Skadden updated the Board on the status of negotiations with OTPP. Also at this meeting, representatives of BofA Merrill Lynch reviewed with the Board certain financial analyses of the Transaction Consideration and delivered to the Board an oral opinion, which was confirmed by delivery of a written opinion dated January 18, 2013, to the effect that, as of that date and based on and subject to various assumptions and limitations described in its opinion, the Transaction Consideration to be received by the Shareholders (other than OTPP and its affiliates and certain officers and employees of the Company who will be given the opportunity to invest in the Amalgamated Company), was fair, from a financial point of view, to such holders. BofA Merrill Lynch's financial analysis and written opinion is described below in Opinions of Financial Advisors Opinion of Merrill Lynch, Pierce, Fenner & Smith Incorporated beginning on page 38. Following BofA Merrill Lynch's presentation, representatives of Deutsche Bank reviewed with the Board certain financial analyses of the Transaction Consideration and delivered Deutsche Bank's oral opinion, which opinion was subsequently confirmed in a written opinion dated January 18, 2013, to the effect that, as of the date of such opinion, and based upon and subject to the assumptions, limitations, qualifications and conditions described therein, the Transaction Consideration of \$23.00 in cash per share was fair, from a financial point of view, to the holders of Common Shares (other than Buyer and its affiliates). Deutsche Bank's financial analysis and written opinion is described below in Opinions of Financial Advisors Opinion of Deutsche Bank Securities Inc. beginning on page 44.

Representatives of BofA Merrill Lynch and Deutsche Bank were then excused from the meeting. Skadden again reviewed in detail the terms of the Amalgamation Agreement and ancillary documents, as well as the Board's fiduciary duties. The Board also discussed the relationships that BofA Merrill Lynch and Deutsche Bank had with OTPP and the Funds and their respective affiliated entities. Each of BofA Merrill Lynch and Deutsche Bank had noted that they maintained business relationships with OTPP and the Funds and their respective affiliated entities in the ordinary course. The Board also discussed the fact that certain members of Company management, including Messrs. Kwok and Bishop and Ms. Leach, were entering into arrangements with OTPP with respect to their continued employment by the amalgamated company. In addition, the Board noted that each of Mr. Kwok and Ms. Leach had committed to invest in the equity of the amalgamated company at closing.

Following additional discussion and deliberation, the Board approved the Amalgamation Agreement, the Amalgamation and the other transactions contemplated by the Amalgamation Agreement and authorized the Company to enter into the Amalgamation Agreement. In accordance with Bermuda law, the Board also determined that the fair value of the Common Shares was \$23.00 per share.

Later on January 18, 2013, Sullivan & Cromwell circulated execution versions of the Amalgamation Agreement and the ancillary documents reflecting the agreement reached earlier that day. Concurrently with the execution of the Amalgamation Agreement and ancillary documents, certain members of management entered into letter agreements with OTPP and the Company with respect to their continued employment by the Amalgamated Company following Closing and their commitments to invest in the equity of the Amalgamated Company at Closing. Shortly thereafter, the Company and OTPP issued a joint press release announcing the transaction.

On January 22, 2013, the Company filed a Current Report on Form 8-K with the SEC disclosing the execution of the Amalgamation Agreement and filing the Amalgamation Agreement as an exhibit, among other documents.

Reasons for the Amalgamation

In the course of the Board making the determinations described above in Background of the Amalgamation beginning on page 25, the Board consulted with management of the Company, as well as the Company's legal and financial advisors, and considered the following potentially positive factors, which are not intended to be exhaustive and are not presented in any relative order of importance:

the fact that the price proposed by Buyer reflected extensive negotiations between the parties and their respective advisors, and represented the highest offer price that the Company received for the Common Shares after a broad competitive solicitation of interest as well as the Board's and financial advisors' belief that the agreed price was the highest price per share Buyer was willing to agree to and the highest any buyer would offer;

the fact that the Board sought offers to purchase from a broad group of 32 potential buyers, including financial and strategic buyers, 11 of whom entered into confidentiality agreements with the Company and received information related to the Company;

the fact that the Transaction Consideration of \$23.00 per share to be received by the holders of Common Shares in the Amalgamation represents a significant premium over the market price at which Common Shares traded prior to the announcement of the execution of the Amalgamation Agreement, including the fact that the Transaction Consideration of \$23.00 represented a premium of approximately:

13.3% over the closing price per Common Shares on January 18, 2013, the last trading day before the public announcement of the Amalgamation Agreement;

25% over the 50-day volume-weighted average price; and

130% over the Company's initial public offering price in October 2010.

the fact that the Common Shares have never traded at prices higher than the Transaction Consideration since the Company went public in October 2010;

the fact that the Transaction Consideration is all cash, which provides liquidity and certainty of value to the Shareholders;

the Company's current and historical financial condition, results of operations, competitive position, strategic options and prospects, as well as the financial plan and prospects if the Company were to remain an independent public company and the potential impact of those factors on the trading price of Common Shares (which cannot be quantified numerically);

the prospective risks to the Company as an independent public company, including the risks and uncertainties with respect to:

achieving the Company's growth plans in light of the current and foreseeable market conditions, including the risks and uncertainties in the U.S. and global economy generally and the container leasing industry specifically; and

the support of the Company's largest Shareholder, Seacastle Operating, which beneficially owned approximately 42.0% of the aggregate outstanding Common Shares as of January 18, 2013 and will be receiving the same form and amount of Transaction Consideration for its Common Shares as all other Shareholders;

the opinion of BofA Merrill Lynch, dated January 18, 2013, to the Board as to the fairness, from a financial point of view and as of the date of the opinion, of the Transaction Consideration to be received by the Shareholders (other than Buyer and its affiliates and certain officers and employees of

the opinion of Deutsche Bank, dated January 18, 2013, to the Board as to the fairness, from a financial point of view, as of the date of the opinion and based upon and subject to the assumptions, limitations, qualifications and conditions described therein, of the Transaction Consideration to the Shareholders, excluding Buyer and its affiliates, and the financial analyses related thereto prepared by Deutsche Bank and described below in Opinions of Financial Advisors Deutsche Bank Securities Inc. beginning on page 44;

the terms of the Amalgamation Agreement and the related agreements, including:

the limited number and nature of the conditions to Buyer's obligation to consummate the Amalgamation;

the Company's ability, under certain limited circumstances, to furnish information to and conduct negotiations with any third party regarding a Takeover Proposal;

the Company's ability to terminate the Amalgamation Agreement in order to accept a Superior Proposal, subject to paying Buyer the Company Termination Fee, which the Board determined was reasonable in light of, among other things, the benefits of the Amalgamation to the Shareholders, the typical size of such fees in similar transactions and the likelihood that a fee of such size would not preclude or unreasonably restrict the emergence of alternative transactions proposals as more fully described in The Amalgamation Agreement Reimbursement of Expenses, Termination Fees and Effect of Termination beginning on page 76;

the ability of the Company to seek specific performance in the event that Buyer fails to close, except in circumstances where the Company's remedy is limited to receipt of the reverse termination fee;

the expectation that there will not be significant antitrust or regulatory impediments to the transaction, and that there will be no significant delays in receiving such approvals; and

the inclusion of the sizeable Buyer Termination Fee in circumstances where Buyer fails to close, and (i) certain consents are not received and (ii) the proceeds of the Debt Commitment Financing are not available to Buyer to refinance or replace the indebtedness underlying such consents.

the fact that the Amalgamation Agreement contains customary terms and was the product of arm's-length negotiations; and

the availability of appraisal rights to holders of Common Shares who properly exercise their statutory rights under Section 106 of the Companies Act (see the section entitled Appraisal Rights beginning on page 86).

The Board also considered and balanced against the potentially positive factors a number of potentially negative factors concerning the Amalgamation, including the following factors:

the fact that following the completion of the Amalgamation, the Company will no longer exist as an independent public company and that the Company's existing Shareholders will not be able to participate in any future earnings or growth of the Company, or in

any future appreciation in value of Common Shares;

the risk that the Amalgamation might not be completed;

the fact that the Transaction Consideration consists of cash and will therefore be taxable to the Shareholders for U.S. federal income tax purposes;

Table of Contents

the restrictions on the Company's ability to solicit or engage in discussions or negotiations with a third party regarding a Takeover Proposal and the requirement that the Company pay Buyer the Company Termination Fee if the Board accepts a Superior Proposal;

the inclusion of the Buyer Termination Fee, which, in certain circumstances, represents the Company's sole and exclusive remedy in the event the Company terminates the Amalgamation Agreement as a result of Buyer failing to close, and at such time (i) certain consents from Company lenders have not been received and (ii) the proceeds of the Debt Commitment Financing are not available to Buyer to refinance or replace the indebtedness underlying such consents.

the fact that, while the Amalgamation is expected to be completed, there are no assurances that all conditions to the parties' obligations to complete the Amalgamation will be satisfied or waived, and as a result, it is possible that the Amalgamation may not be completed, as described under "The Amalgamation Agreement - Conditions to Completion of the Amalgamation" beginning on page 74;

the possibility of disruption to the Company's business that could result from the announcement of the Amalgamation and the resulting distraction of management's attention from day-to-day operations of the business and its ability to attract and retain key employees during the pendency of the Amalgamation;

the fact that the Company has incurred and will incur substantial expenses related to the transactions contemplated by the Amalgamation Agreement, regardless of whether the Amalgamation is consummated; and

the fact that the Amalgamation Agreement prohibits the Company from taking a number of actions relating to the conduct of its business prior to the closing without prior consultation with Buyer, which may delay or prevent the Company from undertaking business opportunities that may arise during the pendency of the Amalgamation, whether or not the Amalgamation is completed.

During its consideration of the transaction with Buyer, the Board was also aware of and considered that the Company's directors and executive officers may have interests in the Amalgamation that differ from, or are in addition to, their interests as Shareholders generally, as described under "Interests of SeaCube's Directors and Executive Officers in the Amalgamation" beginning on page 52.

After taking into account all of the factors set forth above, as well as others, the Board determined that the potentially positive factors outweighed the potentially negative factors. The foregoing discussion of the factors considered by the Board is not intended to be exhaustive, but summarizes the material information and factors considered by the Board in its consideration of the Amalgamation. The Board reached the decision to recommend and approve the Amalgamation Agreement, the Amalgamation and the other transactions contemplated by the Amalgamation Agreement, in light of the factors described above and other factors the Board felt were appropriate. In view of the variety of factors and the quality and amount of information considered, the Board did not find it practicable to and did not quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and individual members of the Board may have given different weights to different factors. The Board conducted an overall analysis of the factors described above, including thorough discussions with, and questioning of, management of the Company, BofA Merrill Lynch, Deutsche Bank and Skadden, as financial and legal advisors respectively, and considered the factors overall to be favorable to, and to support, its determinations. It should be noted that this explanation of the reasoning of the Board and certain information presented in this section is forward-looking in nature and should be read in light of the factors set forth in "Cautionary Note Regarding Forward-Looking Statements" beginning on page 18.

Recommendation of the Board

After careful consideration, the Board has unanimously determined that the Transaction Consideration constitutes fair value for each Common Share. Under Bermuda law, in the event of an amalgamation of a

Bermuda company with another company or corporation, each shareholder of the Bermuda company is entitled to receive fair value for its shares (determined on a stand-alone basis). For these purposes, the Board considers the fair value for each Common Share to be \$23.00 per share. The Board, in accordance with the Companies Act, has deemed it advisable and fair to, and in the best interests of, Shareholders to enter into the Amalgamation Agreement and to consummate the Amalgamation and the other transactions contemplated by the Amalgamation Agreement.

For these purposes, the Board considers the fair value for each Common Share to be \$23.00 per share.

The Board recommends a vote FOR the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation.

Opinions of Financial Advisors

Opinion of Merrill Lynch, Pierce, Fenner & Smith Incorporated

SeaCube has retained BofA Merrill Lynch to act as SeaCube's financial advisor in connection with the Amalgamation. BofA Merrill Lynch is an internationally recognized investment banking firm which is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. SeaCube selected BofA Merrill Lynch to act as SeaCube's financial advisor in connection with the Amalgamation on the basis of BofA Merrill Lynch's experience in transactions similar to the Amalgamation and its reputation in the investment community.

On January 18, 2013, at a meeting of the Board held to evaluate the Amalgamation, BofA Merrill Lynch delivered to the Board an oral opinion, which was confirmed by delivery of a written opinion dated January 18, 2013, to the effect that, as of the date of the opinion and based on and subject to various assumptions and limitations described in its opinion, the Transaction Consideration to be received by the Shareholders (other than Buyer and its affiliates and certain officers and employees of SeaCube who will be given the opportunity to invest in the Amalgamated Company) was fair, from a financial point of view, to such holders.

The full text of BofA Merrill Lynch's written opinion to the Board, which describes, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken, is attached as Annex B to this document and is incorporated by reference herein in its entirety. The following summary of BofA Merrill Lynch's opinion is qualified in its entirety by reference to the full text of the opinion. BofA Merrill Lynch delivered its opinion to the Board for the benefit and use of the Board (in its capacity as such) in connection with and for purposes of its evaluation of the Transaction Consideration from a financial point of view. BofA Merrill Lynch's opinion does not address any other aspect of the Amalgamation and no opinion or view was expressed as to the relative merits of the Amalgamation in comparison to other strategies or transactions that might be available to SeaCube or in which SeaCube might engage or as to the underlying business decision of SeaCube to proceed with or effect the Amalgamation. BofA Merrill Lynch's opinion does not address any other aspect of the Amalgamation and does not constitute a recommendation to any Shareholder as to how to vote or act in connection with the proposed Amalgamation or any related matter.

In connection with rendering its opinion, BofA Merrill Lynch:

reviewed certain publicly available business and financial information relating to SeaCube;

reviewed certain internal financial and operating information with respect to the business, operations and prospects of SeaCube furnished to or discussed with BofA Merrill Lynch by the management of SeaCube, including certain financial forecasts relating to SeaCube prepared by the management of SeaCube (the SeaCube management forecasts);

Table of Contents

discussed the past and current business, operations, financial condition and prospects of SeaCube with Company management;

reviewed the trading history for Common Shares and a comparison of that trading history with the trading histories of other companies BofA Merrill Lynch deemed relevant;

compared certain financial and stock market information of SeaCube with similar information of other companies BofA Merrill Lynch deemed relevant;

compared certain financial terms of the Amalgamation to financial terms, to the extent publicly available, of other transactions BofA Merrill Lynch deemed relevant;

considered the results of BofA Merrill Lynch's efforts and other efforts on behalf of SeaCube to solicit, at the direction of SeaCube, indications of interest and definitive proposals from third parties with respect to a possible acquisition of SeaCube;

reviewed the Amalgamation Agreement and the Voting Agreement; and

performed such other analyses and studies and considered such other information and factors as BofA Merrill Lynch deemed appropriate.

In arriving at its opinion, BofA Merrill Lynch assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with it and relied upon the assurances of Company management that they were not aware of any facts or circumstances that would make such information or data inaccurate or misleading in any material respect. With respect to the SeaCube management forecasts, BofA Merrill Lynch was advised by SeaCube, and assumed, that they were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of SeaCube as to the future financial performance of SeaCube. BofA Merrill Lynch did not make or was not provided with any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of SeaCube, nor did it make any physical inspection of the properties or assets of SeaCube. BofA Merrill Lynch did not evaluate the solvency or fair value of SeaCube or Buyer under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. BofA Merrill Lynch assumed, at the direction of SeaCube, that the Amalgamation would be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the Amalgamation, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, would be imposed that would have an adverse effect on SeaCube or the contemplated benefits of the Amalgamation.

BofA Merrill Lynch expressed no view or opinion as to any terms or other aspects of the Amalgamation (other than the Transaction Consideration to the extent expressly specified in its opinion), including, without limitation, the form or structure of the Amalgamation or any terms, aspects or implications of any rollover, co-investment or other arrangements, agreements or understandings entered into in connection with the Amalgamation or otherwise. BofA Merrill Lynch's opinion was limited to the fairness, from a financial point of view, of the Transaction Consideration to be received by the Shareholders (other than Buyer and its affiliates and certain officers and employees of SeaCube who will be given the opportunity to invest in the Amalgamated Company) and no opinion or view was expressed with respect to any consideration received in connection with the Amalgamation by the holders of any other class of securities, creditors or other constituencies of any party. In addition, no opinion or view was expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Amalgamation, or class of such persons, relative to the Transaction Consideration. Furthermore, no opinion or view was expressed as to the relative merits of the Amalgamation in comparison to other strategies or transactions that might be available to SeaCube or in which SeaCube might engage or as to the underlying business decision of SeaCube to proceed with or effect the Amalgamation. In addition, BofA Merrill Lynch expressed no opinion or recommendation as to how any Shareholder should vote or act in connection with the Amalgamation or any related matter. Except as described above, SeaCube imposed no other limitations on the investigations made or procedures followed by BofA Merrill Lynch in rendering its opinion.

In order to fully understand the financial analyses performed by BofA Merrill Lynch, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses performed by BofA Merrill Lynch. SeaCube Financial Analyses

Selected Publicly Traded Companies Analysis. BofA Merrill Lynch reviewed publicly available financial and stock market information for SeaCube and the following three publicly traded companies in the transportation equipment/container leasing and management industry:

CAI International, Inc.

TAL International Group, Inc.

Textainer Group Holdings Limited

BofA Merrill Lynch reviewed, among other things, per share equity values, based on closing share prices on January 17, 2013, of SeaCube and the selected publicly traded companies as a multiple of calendar year 2013 estimated earnings per share (EPS or 2013 Price/Earnings). BofA Merrill Lynch also reviewed per share equity values, based on closing share prices on January 17, 2013, of SeaCube and the selected publicly traded companies as a multiple of book value per share as of September 30, 2012, or September 2012 Price/Book Value. This analysis indicated high, low, mean and median multiples for 2013 Price/Earnings of 9.3x, 6.4x, 7.3x and 6.8x (which analysis includes the implied EPS multiple for TAL International Group, Inc. on a pre-tax basis because it has a higher effective tax rate than SeaCube and the other selected publicly traded companies), respectively, and for September 2012 Price/Book Value of 2.3x, 1.6x, 2.0x and 2.0x, respectively.

BofA Merrill Lynch then applied calendar year 2013 EPS multiples of 6.4x to 9.3x derived from the selected publicly traded companies to SeaCube’s calendar year 2013 estimated EPS (adjusted for non-cash interest) (2013E EPS) and applied book value multiples of 1.6x to 2.3x derived from the selected publicly traded companies to SeaCube’s book value as of September 30, 2012. Estimated financial data of the selected publicly traded companies were based on publicly available research analysts’ estimates, and estimated financial data of SeaCube were based on the SeaCube management forecasts. This analysis indicated the following approximate implied per share equity value reference ranges for SeaCube, rounded to the nearest \$0.25 per share, as compared to the Transaction Consideration:

Implied Per Share Equity Value Reference Ranges for SeaCube		Transaction Consideration
2013E EPS	Book Value as of September 30, 2012	
\$19.00 - \$27.50	\$19.25 - \$27.75	\$23.00

No company used in this analysis is identical or directly comparable to SeaCube. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the public trading or other values of the companies to which SeaCube was compared.

No company, business or transaction used in this analysis is identical or directly comparable to SeaCube or the Amalgamation. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the acquisition or other values of the companies, business segments or transactions to which SeaCube and the Amalgamation were compared.

Discounted Cash Flow Analysis

BofA Merrill Lynch performed a discounted cash flow analysis of SeaCube to calculate the estimated present value of the standalone levered, after-tax free cash flows that SeaCube was forecasted to generate during SeaCube's fiscal years 2013 through 2015 based on the SeaCube management forecasts. BofA Merrill Lynch calculated terminal values for SeaCube by applying exit multiples of 6.4x to 9.3x to SeaCube's normalized terminal year estimated earnings. The cash flows and terminal values were then discounted to present value as of December 31, 2012 using discount rates ranging from 18.75% to 22.75%, which were based on an estimate of SeaCube's estimated cost of equity. This analysis indicated the following approximate implied per share equity value reference ranges for SeaCube, rounded to the nearest \$0.25 per share, as compared to the Transaction Consideration:

Implied Per Share Equity Value

Reference Range for SeaCube	Transaction Consideration
\$16.75 - \$24.75	\$23.00

Other Factors

In rendering its opinion, BofA Merrill Lynch also reviewed and considered other factors, including:

historical trading prices of Common Shares during the one-year period ended January 17, 2013, noting that the low and high closing prices during such period were \$14.68 and \$19.72, respectively;

present value of analyst share price targets for Common Shares in recently published, publicly available research analysts' reports, noting that the low and high share price targets discounted to present value utilizing a cost of equity of 20.75% ranged, when rounded to the nearest \$0.25 per share, from \$16.50 to \$20.00;

historical average multiples of Price/Book Value and next twelve months Price/Earnings since January 17, 2008 of SeaCube and the selected publicly traded companies referred to above; and

the implied premiums of the Transaction Consideration to the closing price of Common Shares as of January 17, 2013 and its historical share prices, including:

the 16.6% premium to the closing price of Common Shares on January 17, 2013 of \$19.72 per share;

the 25.2% premium to the VWAP for the 90-day period ending January 17, 2013 of \$18.38 per share;

Edgar Filing: SeaCube Container Leasing Ltd. - Form DEFM14A

Miscellaneous

As noted above, the discussion set forth above is a summary of the material financial analyses presented by BofA Merrill Lynch to the Board in connection with its opinion and is not a comprehensive description of all analyses undertaken by BofA Merrill Lynch in connection with its opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to partial analysis or summary description. BofA Merrill Lynch believes that its analyses summarized above must be considered as a whole. BofA Merrill Lynch further believes that selecting portions of its analyses and the factors considered or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying BofA Merrill Lynch's analyses and opinion. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary.

In performing its analyses, BofA Merrill Lynch considered industry performance, general business and economic conditions and other matters, many of which are beyond the control of SeaCube. The estimates of the future performance of SeaCube in or underlying BofA Merrill Lynch's analyses are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those estimates or those suggested by BofA Merrill Lynch's analyses. These analyses were prepared solely as part of BofA Merrill Lynch's analysis of the fairness, from a financial point of view, of the Transaction Consideration and were provided to the Board in connection with the delivery of BofA Merrill Lynch's opinion. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or the prices at which any securities have traded or may trade at any time in the future. Accordingly, the estimates used in, and the ranges of valuations resulting from, any particular analysis described above are inherently subject to substantial uncertainty and should not be taken to be BofA Merrill Lynch's view of the actual values of SeaCube.

The type and amount of consideration payable in the Amalgamation was determined through negotiations between SeaCube and Buyer, rather than by any financial advisor, and was approved by the Board. The decision to enter into the Amalgamation Agreement was solely that of the Board. As described above, BofA Merrill Lynch's opinion and analyses were only one of many factors considered by the Board in its evaluation of the proposed Amalgamation and should not be viewed as determinative of the views of the Board or management with respect to the Amalgamation or the Transaction Consideration.

SeaCube has agreed to pay BofA Merrill Lynch for its services in connection with the Amalgamation an aggregate fee currently estimated to be approximately \$4.2 million, \$1.0 million of which was payable upon the rendering of its opinion and the remainder of which is contingent upon consummation of the Amalgamation. SeaCube also has agreed to reimburse BofA Merrill Lynch for its expenses incurred in connection with BofA Merrill Lynch's engagement and to indemnify BofA Merrill Lynch, any controlling person of BofA Merrill Lynch and each of their respective directors, officers, employees, agents and affiliates against specified liabilities, including liabilities under the federal securities laws.

BofA Merrill Lynch and its affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities, and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of their businesses, BofA Merrill Lynch and its affiliates invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or otherwise effect transactions in the equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of SeaCube, Buyer and certain of their respective affiliates.

Table of Contents

BofA Merrill Lynch and its affiliates in the past have provided, currently are providing, and in the future may provide investment banking, commercial banking and other financial services to Fortress Investment Group LLC (Fortress) an affiliate of SeaCube, and certain of its affiliates, and have received or in the future may receive compensation for the rendering of these services, including (i) having acted or acting as financial advisor to an affiliate of Fortress in connection with a mergers and acquisition transaction, (ii) having acted or acting as an administrative agent and/or a bookrunner and arranger for, and a lender (including in some instances, a letter of credit or swing line lender) under, certain term loans, letters of credit and other credit facilities and arrangements of Fortress and certain of its affiliates, (iii) having acted or acting as underwriter for various equity and/or debt (including convertible debt) offerings undertaken by Fortress and certain of its affiliates, and (iv) having provided or providing certain treasury and trade management services and products and certain equity, derivatives and foreign exchange trading services to Fortress and certain of its affiliates. During the calendar years 2011 and 2012, BofA Merrill Lynch and its affiliates received or derived, directly or indirectly, aggregate revenues of approximately \$16.4 million from OTPP for commercial, corporate, and investment banking services.

Opinion of Deutsche Bank Securities Inc.

At the January 18, 2013 meeting of the Board, Deutsche Bank rendered its oral opinion to the Board, subsequently confirmed in writing, that, as of such date and based upon and subject to the assumptions, limitations, qualifications and conditions set forth in its written opinion, the Transaction Consideration of \$23.00 in cash per share to be received by the Shareholders in the Amalgamation was fair from a financial point of view to such Shareholders, excluding Buyer and its affiliates.

The full text of Deutsche Bank's written opinion, dated January 18, 2013, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is included in this proxy statement as Annex C and is incorporated herein by reference. The summary of Deutsche Bank's opinion set forth in this proxy statement is qualified in its entirety by reference to the full text of the opinion. Deutsche Bank's opinion was addressed to, and was for the use and benefit of, the Board in connection with its consideration of the Amalgamation. Deutsche Bank's opinion does not constitute a recommendation as to how any Shareholder should vote with respect to the Amalgamation or any other matter. Deutsche Bank's opinion was limited to the fairness, from a financial point of view, of the \$23.00 per share Transaction Consideration to be received by the Shareholders (other than Buyer and its affiliates) and does not address any other terms of the Amalgamation, the Amalgamation Agreement or any other agreement entered into or to be entered into in connection with the Amalgamation. Deutsche Bank was not asked to, and Deutsche Bank's opinion did not, address the fairness of the Amalgamation, or any consideration received in connection therewith, to the holders of any other class of securities, creditors or other constituencies of SeaCube, nor did it address the fairness of the contemplated benefits of the Amalgamation. Deutsche Bank did not express any opinion as to the underlying business decision of SeaCube to engage in the Amalgamation or the relative merits of the Amalgamation as compared to any alternative transactions or business strategies that might have been available to SeaCube. Also, Deutsche Bank did not express any view or opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable to or to be received by any officers, directors or employees of SeaCube, or any class of such persons, in connection with the Amalgamation relative to the Transaction Consideration to be received by the Shareholders or otherwise. Furthermore, Deutsche Bank did not express any view or opinion as to the fairness of the consideration to be received by any particular Shareholder.

Table of Contents

Deutsche Bank also held discussions with Company management and other representatives and advisors of SeaCube regarding the businesses and prospects of SeaCube. In addition, Deutsche Bank:

Deutsche Bank did not assume responsibility for independent verification of, and did not independently verify, any information, whether publicly available or furnished to it, concerning SeaCube, including, without limitation, any financial information considered in connection with the rendering of its opinion. Accordingly, for purposes of its opinion, Deutsche Bank, with the knowledge and permission of the Board, assumed and relied upon the accuracy and completeness of all such information. Deutsche Bank did not conduct a physical inspection of any of the properties or assets, and did not prepare, obtain or review any independent evaluation or appraisal of any of the assets or liabilities (including any contingent, derivative or off-balance-sheet assets or liabilities), of SeaCube, Buyer or any of their respective subsidiaries, nor did Deutsche Bank evaluate the solvency or fair value of SeaCube, Buyer or the Amalgamated Company under any law relating to bankruptcy, insolvency or similar matters. With respect to the financial forecasts made available to Deutsche Bank and used in its analyses, Deutsche Bank assumed, with the knowledge and permission of the Board, that such forecasts had been reasonably prepared on bases reflecting the best currently available estimates and judgments of management of SeaCube as to the matters covered thereby. In rendering its opinion, Deutsche Bank expressed no view as to the reasonableness of such forecasts and projections or the assumptions on which they are based. Deutsche Bank's opinion was necessarily based upon economic, market and other conditions as in effect on, and the information made available to it as of, the date of the opinion. Deutsche Bank expressly disclaimed any undertaking or obligation to advise any person of any change in any fact or matter affecting its opinion of which it becomes aware after the date of its opinion.

For purposes of rendering its opinion, Deutsche Bank assumed, with the knowledge and permission of the Board, that in all respects material to its analysis, the Amalgamation would be consummated in accordance with the terms of the Amalgamation Agreement and the form of Bermuda amalgamation agreement attached thereto, without any waiver, modification or amendment of any term, condition or agreement that would be material to its analysis. Deutsche Bank also assumed, with the knowledge and permission of the Board, that all material governmental, regulatory or other approvals and consents required in connection with the consummation of the Amalgamation would be obtained and that in connection with obtaining any necessary governmental, regulatory or other approvals and consents, no restrictions, terms or conditions would be imposed that would be material to its analysis. Deutsche Bank is not a legal, regulatory, tax or accounting expert and Deutsche Bank relied on the assessments made by SeaCube and its other advisors with respect to such issues.

Deutsche Bank's opinion was approved and authorized for issuance by a Deutsche Bank fairness opinion review committee.

Summary of Material Financial Analyses

The following is a summary of the material financial analyses contained in the presentation that was made by Deutsche Bank to the Board on January 18, 2013 and that were used in connection with rendering its opinion described above. The following summary, however, does not purport to be a complete description of the financial analyses performed by Deutsche Bank, nor does the order in which the analyses are described represent the relative importance or weight given to the analyses by Deutsche Bank. Some of the summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of Deutsche Bank's analyses. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before January 17, 2013, and is not necessarily indicative of current market conditions.

Historical Trading Analysis

Deutsche Bank reviewed the historical closing prices of the Common Shares for the period commencing with SeaCube's initial public offering on the IPO Date and for the 52-week period ended January 17, 2013 and noted that the \$23.00 per share Transaction Consideration was higher than the all-time high closing price for the Common Shares of \$19.72 per share on January 17, 2013.

Selected Companies Analysis

Deutsche Bank reviewed and compared certain financial information and commonly used valuation measurements for SeaCube with corresponding financial information and valuation measurements for the following selected freight container leasing companies:

CAI International, Inc.

Textainer Group Holdings Limited

TAL International Group, Inc.

Although none of the selected companies is directly comparable to SeaCube, the companies included were chosen because they are U.S.-listed publicly traded companies with operations that, for purposes of analysis, may be considered similar to certain operations of SeaCube. Accordingly, the analysis of publicly traded companies was not simply mathematical. Rather, it involved complex considerations and qualitative judgments, reflected in the opinion of Deutsche Bank, concerning differences in financial and operating characteristics of the selected companies and other factors that could affect the valuation of such companies.

Based on the closing prices of the common stock of the selected companies on January 17, 2013, information contained in the most recent public filings of the selected companies, analyst consensus estimates of adjusted earnings per share (*EPS*), for SeaCube and the selected companies and estimates of adjusted EPS prepared by management of SeaCube, Deutsche Bank calculated the following multiples with respect to SeaCube and each of the selected companies:

price as a multiple of estimated adjusted EPS (*adjusted P/E multiples*), for each of 2012 and 2013, respectively;

price as a multiple of book value as of September 30, 2012; and

total enterprise value (*TEV*), as a multiple of net book value of revenue generating assets (*NBVRA*), as of September 30, 2012. Deutsche Bank also calculated the same multiples based on the \$23.00 per share Transaction Consideration.

Table of Contents

For purposes of this analysis, net income for SeaCube and each of the selected companies was adjusted to reflect non-cash interest, net of tax and total enterprise value for SeaCube and each of the selected companies was adjusted to reflect minority interests, preferred stock and equity investments.

The results of this analysis are summarized as follows:

Based in part upon the multiples of the selected companies described above, Deutsche Bank then calculated a range of estimated implied values per Common Share by applying multiples of 7.5x to 10.0x to 2012 estimated adjusted net income, multiples of 7.5x to 9.5x to 2013 estimated adjusted net income and multiples of 1.71x to 2.26x to book value as of September 30, 2012, in each case as provided by management of SeaCube, resulting in ranges of implied values of approximately \$19.25 to \$25.50 per Common Share, \$22.25 to \$28.25 per Common Share and \$20.75 to \$27.50 per Common Share, respectively.

Selected Precedent Transactions Analysis

Deutsche Bank reviewed information relating to the following seven selected acquisition transactions in the container leasing industry announced since October 2004 (the selected precedent transactions):

Date Announced	Target	Acquirer
August 2011	GE Seaco*	HNA Group Company and Bravia Capital Partners
February 2011	Triton Container International Limited*	Warburg Pincus LLC and Vestar Capital Partners
July 2010	Cronos Ltd.*	Kelso & Company and Transportation Capital Group
February 2008	Mobile Storage Group Inc.	Mobile Mini, Inc.
April 2007	Interpool Inc.	Fortress Investment Group LLC
December 2005	Carlisle Leasing International LLC	Fortress Investment Group LLC
October 2004	Transamerica Maritime Containers	TAL International Group, Inc.

* Limited information was publicly available with respect to the transaction.

Table of Contents

With respect to each selected precedent transaction, Deutsche Bank calculated the multiples of the target's total enterprise value (TEV), to each of its revenue and earnings before interest, taxes, depreciation and amortization (EBITDA), respectively, for the twelve-month period prior to announcement of the applicable transaction. For purposes of this analysis EBITDA was adjusted to reflect cash collection on direct finance leases. Deutsche Bank also compared, for informational purposes, these multiples to the corresponding multiples for the Amalgamation.

The results of this analysis are summarized as follows:

Selected Transactions	TEV as Multiple of	
	LTM Revenue	LTM Adj. EBITDA
Low	2.3x	4.8x
Mean	4.6x	6.4x
Median	5.1x	6.3x
High	6.4x	7.6x
Amalgamation	8.9x	6.1x

Although none of the selected precedent transactions is directly comparable to the proposed Amalgamation, the companies that participated in the selected precedent transactions are such that, for purposes of analysis, the selected transactions may be considered similar to the proposed Amalgamation.

Based in part upon the multiples of the selected precedent transactions described above, Deutsche Bank calculated a range of estimated implied values per Common Share by applying multiples of 6.0x to 6.5x to last twelve months adjusted EBITDA of SeaCube as of September 30, 2012, resulting in a range of implied values of approximately \$21.75 to \$28.50 per Common Share.

Discounted Cash Flow Analysis

Deutsche Bank performed a discounted cash flow analysis to determine a range of implied present values per Common Share as of December 31, 2012. Deutsche Bank applied discount rates ranging from 17.0% to 19.0%, reflecting estimates of SeaCube's cost of equity, to the estimated future unlevered free cash flows of SeaCube for the years 2012 through 2015, as provided by management of SeaCube, and to a range of estimated terminal values of SeaCube at the end of such period, respectively, to determine a range of implied equity values for SeaCube as of December 31, 2012. The range of terminal values was calculated by applying multiples ranging from 8.0x to 10.0x to estimated adjusted net income in 2016 assuming no incremental investments in direct finance leases and no cash benefit from the issuance or repayment of debt in the terminal year. This analysis resulted in a range of implied present values per Common Share as of December 31, 2012 of approximately \$19.50 to \$24.50.

Following Deutsche Bank's presentation to the Board on January 18, 2013, it was discovered that certain projections provided to Deutsche Bank by SeaCube management for purposes of Deutsche Bank's analysis had been entered incorrectly into Deutsche Bank's model for purposes of preparing the discounted cash flow analysis. Specifically, forecasts relating to the issuance (repayment) of indebtedness were transposed by one year, resulting in the forecasts utilized in Deutsche Bank's discounted cash flow analysis registering that SeaCube would have generated more free cash flow to equity holders in 2013 and less free cash flow to equity holders in 2014 and 2015 than reflected in the projections provided by SeaCube Management. Following the discovery of this error, Deutsche Bank updated the discounted cash flow analysis (keeping all other aspects thereof constant) using the corrected projections. This updated analysis resulted in a range of implied present values per SeaCube Common Share as of December 31, 2012 of approximately \$20.00 to \$25.25. Deutsche Bank compared the transaction consideration of \$23.00 in cash per SeaCube Common Share to the updated discounted cash flow valuation range of \$20.00 to \$25.25, and has confirmed to SeaCube and its board of directors that, had Deutsche Bank properly input the projections provided to it by management of SeaCube resulting in such

updated valuation range prior to the time it rendered its opinion to the Board on January 18, 2013, such information would not have changed the conclusion of Deutsche Bank described in its January 18, 2013 opinion with respect to the fairness of the Transaction Consideration, from a financial point of view, to the Shareholders.

General

The preparation of a fairness opinion is a complex process involving the application of subjective business and financial judgment in determining the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, is not readily susceptible to summary description. Deutsche Bank believes that its analyses must be considered as a whole and that considering any portion of such analyses and of the factors considered without considering all analyses and factors could create a misleading view of the process underlying its opinion. In arriving at its fairness determination, Deutsche Bank did not assign specific weights to any particular analyses.

In conducting its analyses and arriving at its opinion, Deutsche Bank utilized a variety of generally accepted valuation methods. The analyses were prepared solely for the purpose of enabling Deutsche Bank to provide its opinion to the Board as to the fairness, from a financial point of view, of the \$23.00 per share Transaction Consideration to be received by the Shareholders (other than Buyer and its affiliates) as of the date of its opinion and do not purport to be appraisals or necessarily reflect the prices at which businesses or securities actually may be sold, which are inherently subject to uncertainty. As described above, in connection with its analyses, Deutsche Bank made, and was provided by management of SeaCube with, numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Deutsche Bank, SeaCube or Buyer. Analyses based on estimates or forecasts of future results are not necessarily indicative of actual past or future values or results, which may be significantly more or less favorable than suggested by such analyses. Because such analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of SeaCube, Buyer, or their respective advisors, future results or actual values may be materially different from these forecasts or assumptions.

The terms of the Amalgamation, including the Transaction Consideration, were determined through arm's-length negotiations between SeaCube and Buyer and were approved by the Board. Although Deutsche Bank provided advice to the Board during the course of these negotiations, the decision to enter into the Amalgamation was solely that of the Board. As described above under "Reasons for the Amalgamation," the opinion and presentation of Deutsche Bank to the Board were only one of a number of factors taken into consideration by the Board in making its determination to approve the Amalgamation Agreement and the transactions contemplated by it, including the Amalgamation.

SeaCube selected Deutsche Bank as financial advisor to connection with the Amalgamation based on Deutsche Bank's qualifications, expertise, reputation and experience in mergers and acquisitions. Pursuant to an engagement letter between SeaCube and Deutsche Bank, dated January 7, 2013, SeaCube has agreed to pay Deutsche Bank fees, which are currently estimated to be approximately \$4.2 million, for its services as the financial advisor of SeaCube, of which \$1.0 million became payable upon delivery of Deutsche Bank's opinion (or would have become payable if Deutsche Bank had advised the Board that it was unable to render an opinion that the Transaction Consideration was fair, from a financial point of view, to the Shareholders), and the remainder of which is contingent upon consummation of the Amalgamation. SeaCube has also agreed to reimburse Deutsche Bank for reasonable fees, expenses and disbursements of Deutsche Bank's counsel and Deutsche Bank's reasonable travel and other out-of-pocket expenses incurred in connection with the Amalgamation or otherwise arising out of Deutsche Bank's engagement. SeaCube also agreed to indemnify Deutsche Bank and certain related persons to the fullest extent lawful against certain liabilities, including certain liabilities under the federal securities laws arising out of its engagement or the Amalgamation.

Bank AG (together with its affiliates, the DB Group). One or more members of the DB Group have, from time to time, provided, and are currently providing, investment banking, commercial banking (including extension of credit) and other financial services to OTPP and its affiliates and portfolio companies for which they have received compensation of approximately 19.4 million for financial advisory and certain financing services during calendar years 2011 and 2012, and for which they may receive compensation in the future, including having acted as joint bookrunner with respect to a term loan and revolving credit facility for GNC Corporation, an affiliate of OTPP, in March 2011, as joint bookrunner with respect to the initial public offering, and multiple subsequent offerings, of Class A common stock of GNC Holdings Inc., an affiliate of OTPP, by GNC Holdings Inc. and certain of its shareholders, including an affiliate of OTPP, commencing in March 2011, as financial advisor to AOT Bedding Super Holdings LLC, an affiliate of OTPP (AOT), in connection with the acquisition of a majority stake by Advent International announced in October 2012, as joint bookrunner with respect to an offering of 8.125% senior unsecured notes by AOT in October 2012, and as joint lead arranger and joint bookrunner with respect to a term loan and asset-backed loan for AOT in October 2012. In addition, one or more members of the DB Group have, from time to time, provided, and are currently providing, investment banking, commercial banking (including extension of credit) and other financial services to SeaCube or its affiliates for which they have received compensation of approximately 1.4 million for financial advisory and certain financing services during calendar years 2011 and 2012, and for which they may receive compensation in the future, including having acted as joint bookrunner in connection with SeaCube's initial public offering of 9,500,000 Common Shares in October 2010. Members of the DB Group also have acted as joint lead arranger and administrative agent with respect to, and as a lender under, the \$150,000,000 amended and restated revolving credit facility of Container Leasing International, LLC, a subsidiary of SeaCube, since November 2010 (under which the DB Group has an aggregate credit commitment of approximately \$50,000,000 as of the date hereof). Further, a member of the DB Group is a lender to CLIF Funding IV LLC (CLIF IV), a subsidiary of SeaCube, pursuant to a credit agreement under which the DB Group has an aggregate commitment of approximately \$100,000,000 as of the date hereof. As a condition to its willingness to proceed with the Amalgamation, Buyer has required the appropriate member of the DB Group and the other lenders to CLIF IV to waive the change of control provisions contained in, and to permit the incurrence of subordinated indebtedness under, the documentation related to the CLIF IV indebtedness. At the request of the Board, the appropriate members of the DB Group entered into discussions with OTPP regarding such waivers and, with the knowledge and permission of the Board, entered into a Consent and Amendment, dated January 18, 2013 (the Consent), with the other lenders to CLIF IV (collectively, the CLIF IV Lenders) and the Company, pursuant to which the CLIF IV Lenders granted the Company the requested waivers and agreed to certain amendments to the CLIF IV credit agreement and management agreement which would, among other things, permit the incurrence of subordinated indebtedness following the Effective Time. Finally, one or more members of the DB Group have, from time to time, provided, and are currently providing, investment banking, commercial banking (including extension of credit) and other financial services to Fortress, an affiliate of SeaCube, portfolio companies owned by funds managed by affiliates of Fortress, and their respective affiliates for which they have received, and in the future may receive, compensation. During calendar years 2011 and 2012, one or more members of DB Group have received compensation of approximately 15.6 million from Fortress and certain of such portfolio companies (other than SeaCube) which are controlled by investment funds managed by affiliates of Fortress (as identified to Deutsche Bank by Fortress) for financial advisory and certain financing services. The DB Group may also provide investment and commercial banking services to SeaCube, OTPP, Fortress and their respective affiliates and portfolio companies in the future, for which the DB Group would expect to receive compensation. In the ordinary course of business, members of the DB Group may actively trade in the securities and other instruments and obligations of OTPP, SeaCube, Fortress and their respective affiliates and portfolio companies for their own accounts and for the accounts of their customers. Accordingly, the DB Group may at any time hold a long or short position in such securities, instruments and obligations.

other reasons, the uncertainty of the underlying assumptions and estimates. However, certain financial forecasts were prepared by Company management and made available to the Board, BofA Merrill Lynch and Deutsche Bank in connection with the Board's exploration of strategic alternatives. Such financial projections were also provided to OTPP, Buyer, Acquisition Sub and their financial advisor during the due diligence process.

The financial projections reflect numerous estimates and assumptions with respect to industry performance, general business, economic, regulatory, market and financial conditions and other future events, as well as matters specific to the Company's business, all of which are difficult to predict and many of which are beyond the Company's control. As a result, there can be no assurance that the projected results will be realized or that actual results will not be significantly higher or lower than projected. Since the projections cover multiple years, such information by its nature becomes less reliable with each successive year. These financial projections are subjective in many respects and thus are susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. As such, these financial projections constitute forward-looking information and are subject to risks and uncertainties, including the various risks set forth in the Company's Form 10-K for the year ended December 31, 2011 and the other reports filed by the Company with the SEC.

The financial projections were prepared solely for internal use and not with a view toward public disclosure or toward complying with generally accepted accounting principles (GAAP), the published guidelines of the SEC regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. The financial projections included below were prepared by Company management. Neither the Company's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the financial projections included below, nor have they expressed any opinion or any other form of assurance on such information or its achievability, and they assume no responsibility for, and disclaim any association with, the financial projections. Furthermore, the financial projections do not take into account any circumstances or events occurring after the date they were prepared. Nonetheless, a summary of the projections is provided in this proxy statement only because the projections were made available to Buyer and also to the Board, BofA Merrill Lynch and Deutsche Bank. The financial forecasts are not fact and should not be relied upon as being necessarily indicative of future results, and readers of this information statement are cautioned not to place undue reliance on this information.

Except as may be required by applicable securities laws, the Company does not intend to update or otherwise revise the financial projections to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying the financial projections are shown to be in error or no longer appropriate.

Interests of SeaCube's Directors and Executive Officers in the Amalgamation

In considering the recommendation of the Board to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, the Shareholders should be aware that the Company's directors and executive officers may have interests in the Amalgamation that are different from, or in addition to, those of the Shareholders generally. The Board was aware of these interests and considered them, among other matters, in evaluating the Amalgamation Agreement, in reaching its decision to approve the Amalgamation Agreement, the Amalgamation and the other transactions contemplated thereby, and in recommending to the Shareholders that the Amalgamation Agreement be approved and adopted and that the Amalgamation be approved. These interests are described below.

Equity Interests of SeaCube's Executive Officers and Directors

All of SeaCube's executive officers and certain of its directors hold Restricted Shares granted under SeaCube's equity incentive plan or pursuant to a Restricted Share exchange agreement. At the Effective Time, any vesting condition or restrictions applicable to each Restricted Share outstanding immediately prior to the Effective Time will lapse, and each such Restricted Share will be treated in accordance with the procedures for Common Shares.

Summary Table

The following table shows, as of February 27, 2013, the number of outstanding Restricted Shares held by each executive officer and director of SeaCube and the total dollar value of Transaction Consideration that each such executive officer and director will receive in respect of his Restricted Shares in connection with the Amalgamation, subject to any applicable withholding tax.

Employment Arrangements and Letter Agreements

SeaCube previously entered into employment agreements with Messrs. Kwok and Bishop. Pursuant to these agreements, if either of their employment with SeaCube terminates under certain circumstances, then each of Messrs. Kwok and Bishop will be entitled to certain severance benefits as generally described below. On the date the Amalgamation Agreement was signed, SeaCube and Acquisition Sub entered into letter agreements with each executive officer (including Ms. Leach) regarding each such executive officer's employment with SeaCube. The letter agreements with Mr. Kwok and Ms. Leach also included arrangements with respect to equity investments by such executive in the Amalgamated Company as generally described below.

Table of Contents

Joseph Kwok

Mr. Kwok is party to an employment agreement with SeaCube, effective as of May 13, 2010, pursuant to which Mr. Kwok serves as Chief Executive Officer of SeaCube. Upon termination of Mr. Kwok's employment, other than due to death or disability, by SeaCube without cause or by Mr. Kwok for good reason (each as defined in Mr. Kwok's employment agreement), subject to Mr. Kwok's execution of a release of claims (and the expiration of the applicable revocation period) within 60 days following the date of termination, SeaCube will pay an amount in cash equal to one year of base salary (as in effect on the date of termination) payable in equal monthly installments for a one-year period commencing after the 60th day following the termination of employment and if any performance bonus has been earned with respect to a completed calendar year, but not yet paid at the time of such termination, any such performance bonus will be paid as soon as practicable following the termination of employment. Mr. Kwok's employment agreement contains non-compete and employee, customer and supplier non-solicitation covenants that remain effective for one year following a termination of employment for any reason. If any payments or benefits provided to Mr. Kwok under his employment agreement or any other plan, agreement or arrangement would be subject to federal excise tax as excess parachute payments, then SeaCube will reduce such payments or benefits to the extent necessary to avoid such tax consequences.

Mr. Kwok is party to a letter agreement with SeaCube and Acquisition Sub, dated January 18, 2013, which provides that Mr. Kwok will continue to be bound by the terms of his employment agreement described above, as amended by the letter agreement effective as of the closing of the Amalgamation, and that he will not resign from employment with SeaCube without good reason (as such term is defined in the employment agreement) prior to the closing of the Amalgamation. Under the letter agreement, Mr. Kwok agrees that the Amalgamation will not trigger a good reason event under his employment agreement or the Severance Plan (as described below).

Mr. Kwok's letter agreement further provides that his employment agreement will be amended, effective as of the closing of the Amalgamation, to reflect his current annual base salary of \$425,000, specify that substantially all of his working time will be devoted to the Company, specify that the target for his annual performance bonus will be 100% of his base salary and the maximum will be 175% of his base salary, remove a provision allowing up to 50% of his performance bonus to be granted as restricted shares and revise the definitions of cause and change in control to be determined by reference to the corporate structure following the Amalgamation. The letter agreement also confirms that the closing of the Amalgamation will cause accelerated vesting of Mr. Kwok's outstanding Restricted Shares. Pursuant to the letter agreement, Mr. Kwok agrees to enter into a subscription agreement prior to the closing of the Amalgamation to invest \$2.25 million in the Amalgamated Company. As an inducement to Mr. Kwok's continued employment following the closing of the Amalgamation, the letter agreement provides that Mr. Kwok will be granted options to purchase common shares of the Amalgamated Company upon or as soon as practicable following the closing of the Amalgamation covering a number of common shares of the Amalgamated Company representing approximately 33.75% of the option pool to be established pursuant to a stock option plan of the Amalgamated Company. Mr. Kwok's letter agreement will become null and void in the event the closing of the Amalgamation does not occur. If Mr. Kwok resigns without good reason or is terminated for cause prior to the closing of the Amalgamation, he will continue to be required to make the \$2.25 million investment in the Amalgamated Company.

Stephen Bishop

Mr. Bishop is party to an employment agreement with SeaCube, effective as of May 18, 2010, pursuant to which Mr. Bishop serves as Chief Financial Officer and Chief Operating Officer. Upon termination of Mr. Bishop's employment, other than due to death or disability, by SeaCube without cause or by Mr. Bishop for good reason (each as defined in Mr. Bishop's employment agreement), subject to Mr. Bishop's execution of a release of claims (and the expiration of the applicable revocation period) within 60 days following the date of termination, SeaCube will pay an amount in cash equal to one year of base salary (as in effect at the date of termination) payable in equal monthly installments for a one-year period commencing after the 60th day following the termination of employment and if any performance bonus has been earned with respect to a completed calendar year, but not yet paid at the time of such termination, any such performance bonus will be

paid as soon as practicable following the termination of employment. Mr. Bishop's employment agreement contains non-compete and employee, customer and supplier non-solicitation covenants that remain effective for one year following a termination of employment for any reason. If any payments or benefits provided to Mr. Bishop under his employment agreement or any other plan, agreement or arrangement would be subject to federal excise tax as excess parachute payments, then SeaCube will reduce such payments or benefits to the extent necessary to avoid such tax consequences.

Mr. Bishop is party to a letter agreement with SeaCube and Acquisition Sub, dated January 18, 2013, which provides that Mr. Bishop will continue to be bound by the terms of his employment agreement described above, as amended by the letter agreement effective as of the closing of the Amalgamation, and that he will not resign from employment with SeaCube for any reason prior to the closing of the Amalgamation. Mr. Bishop agrees that the Amalgamation will not trigger a "good reason" event under his employment agreement or the Severance Plan (as described below).

Mr. Bishop's letter agreement further provides that his employment agreement will be amended, effective as of the closing of the Amalgamation, to increase his annual base salary to \$315,000, specify that the target for his annual performance bonus will be 50% of his base salary and the maximum will be 75% of his base salary, remove a provision allowing up to 50% of his performance bonus to be granted as restricted shares and revise the definition of "change in control" to be determined by reference to the corporate structure following the Amalgamation. The letter agreement confirms that the closing of the Amalgamation will cause accelerated vesting of Mr. Bishop's outstanding Restricted Shares. The letter agreement also provides that upon the six-month anniversary of the closing of the Amalgamation, Mr. Bishop's employment is expected to be terminated without "cause" (as such term is defined in the employment agreement) and, upon such termination of employment, Mr. Bishop will be entitled to severance benefits under the Severance Plan (but not his employment agreement, which provides lesser benefits than the Severance Plan). If Mr. Bishop resigns for any reason prior to the six-month anniversary of the closing of the Amalgamation, Mr. Bishop will not be entitled to receive any severance benefits. Mr. Bishop's letter agreement will become null and void in the event the closing of the Amalgamation does not occur.

Lisa Leach

Ms. Leach is party to a letter agreement with SeaCube and Acquisition Sub, dated January 18, 2013, which provides that Ms. Leach will not resign from employment with SeaCube without "good reason" prior to the closing of the Amalgamation and, from and after the closing of the Amalgamation, Ms. Leach's employment with SeaCube as General Counsel and Vice President will be governed by a new employment agreement to be entered into between Ms. Leach, SeaCube and the Amalgamated Company in connection with the closing of the Amalgamation. The letter agreement provides that the new employment agreement will provide for payment of an annual base salary of \$288,000, eligibility to receive annual discretionary cash performance bonuses with a target of 50% of base salary and a maximum of 75% of base salary, and participation in SeaCube's benefit plans and programs. In the event that Ms. Leach's employment is terminated, other than by reason of death or disability, by SeaCube without "cause" or by Ms. Leach for "good reason" (as such terms will be defined in the new employment agreement), Ms. Leach will be entitled to receive, subject to her execution of a release of claims, cash severance equal to her annual base salary, payable in equal monthly installments for one year following the effectiveness of such release of claims. Ms. Leach will be subject, pursuant to the new employment agreement, to non-compete and employee, customer and supplier non-solicitation covenants that will remain effective through one year following a termination of employment for any reason.

Pursuant to the letter agreement, Ms. Leach agrees that the Amalgamation will not trigger a "good reason" event under her new employment agreement or the Severance Plan. The letter agreement confirms that the closing of the Amalgamation will cause accelerated vesting of Ms. Leach's outstanding Restricted Shares. Ms. Leach agrees to enter into a subscription agreement prior to the closing of the Amalgamation to invest \$500,000 in the Amalgamated Company. As an inducement to Ms. Leach's continued employment following the

Table of Contents

closing of the Amalgamation, the letter agreement provides that Ms. Leach will be granted options to purchase common shares of the Amalgamated Company upon or as soon as practicable following the closing of the Amalgamation covering a number of common shares of the Amalgamated Company representing approximately 7.5% of the option pool to be established pursuant to a stock option plan of the Amalgamated Company. The letter agreement will become null and void in the event the closing of the Amalgamation does not occur. If Ms. Leach resigns without good reason or is terminated for cause prior to the closing of the Amalgamation, she will continue to be required to make the \$500,000 investment in the Amalgamated Company.

Severance Plan

Each of SeaCube's executive officers participates in the new Key Employee Severance Plan, which provides that if, within the two-year period following a change in control of SeaCube, a participant's employment is terminated, other than for death or disability, by SeaCube without cause or by the participant for good reason, the participant will be entitled to receive (i) a lump sum cash severance payment (as described below) and (ii) a lump sum cash payment equal to COBRA premium costs for the amount of time remaining in the two-year period following the change in control. The benefits payable pursuant to the Severance Plan would be reduced by any severance benefits paid to a participant pursuant to any other agreement, policy or plan, including an employment agreement. The closing of the Amalgamation would constitute a change in control within the meaning of the Severance Plan.

The lump sum cash payment for the executive officers would equal the sum of (i) two times (in the case of Mr. Kwok) or one and a half times (in the case of Mr. Bishop and Ms. Leach) the sum of (A) the participant's base salary and (B) the cash portion of the participant's annual bonus in respect of the year preceding the severance event (the Prior Annual Bonus), and (ii) an amount equal to the Prior Annual Bonus pro-rated for the year in which the severance event occurs.

If any payments or benefits provided under the Severance Plan or any other plan, agreement or arrangement would be subject to federal excise tax as excess parachute payments, then SeaCube will reduce such payments or benefits to the extent necessary to avoid such tax consequences if the reduced payment amount is greater than or equal to the full payment amount net of such federal excise tax.

Payments under the Severance Plan are subject to the execution of a release of claims, perpetual confidentiality and nondisparagement covenants, and noncompetition and employee, customer and supplier nonsolicitation covenants. The restrictive covenants applicable to Messrs. Kwok and Bishop are effective for one year following a termination of employment for any reason. The restrictive covenants applicable to Ms. Leach are effective for one year following a termination of employment for cause, resignation without good reason or retirement, or six months following a termination of employment without cause or for good reason.

Transaction Bonus

Certain SeaCube employees, including Ms. Leach, who previously provided and are expected to continue to provide key support with respect to the transactions contemplated by the Amalgamation Agreement are eligible to receive transaction bonuses. Ms. Leach is eligible to receive a \$100,000 transaction bonus award (to the extent it will not fail to be tax deductible as a golden parachute payment), provided that she remains employed by SeaCube through the closing of the Amalgamation.

Quantification of Potential Payments to Named Executive Officers in Connection with the Amalgamation

In accordance with Item 402(t) of Regulation S-K, the table below entitled "Golden Parachute Compensation" sets forth the compensation that is based on or otherwise relates to the Amalgamation that may become payable to each of Joseph Kwok, Stephen Bishop and Lisa Leach (together, the Named Executive Officers). Please see the section entitled "Interests of SeaCube's Directors and Executive Officers in the Amalgamation" above for further information regarding this compensation.

Table of Contents

The amounts indicated below are estimates of the amounts that would be payable assuming, solely for purposes of the table below, that the Amalgamation is consummated on April 30, 2013, and the employment of each of the Named Executive Officers was terminated other than for cause or the Named Executive Officer resigned for good reason (as such terms are defined in the Severance Plan) in each case on that date. As described below, some of the amounts set forth in the table would be payable by virtue of the consummation of the Amalgamation (single trigger payments), while other amounts would be payable only if such a termination of employment occurs in connection with the Amalgamation (double-trigger payments). In addition to the assumptions regarding the consummation date of the Amalgamation and termination of the employment of the Named Executive Officers, these estimates are based on certain other assumptions that are described in the footnotes accompanying the table below. Accordingly, the ultimate values to be received by a Named Executive Officer in connection with the Amalgamation may differ significantly from the amounts set forth below.

Golden Parachute Compensation

Name	Perquisites				Total (\$ (5))
	Cash (\$ (1))	Equity (\$ (2))	/ Benefits (\$ (3))	Other (\$ (4))	
Joseph Kwok	2,250,685	1,437,523	49,916		3,738,124
Stephen Bishop	1,016,610	1,139,098	49,916		2,205,624
Lisa Leach	827,877	431,250	34,014	100,000	1,393,141

- (1) The amounts in this column represent the aggregate dollar amount of cash severance payments which the Named Executive Officers are entitled to receive pursuant to their employment agreements and the Severance Plan. The benefits payable pursuant to the Severance Plan would be reduced by any severance benefits paid under any other agreement, policy or plan, including an employment agreement. The cash severance payment payable pursuant to the Severance Plan benefits is determined by reference to (i) two times (in the case of Mr. Kwok) or one and a half times (in the case of Mr. Bishop and Ms. Leach) the sum of (A) the participant's base salary and (B) the cash portion of the Named Executive Officer's annual bonus in respect of the year preceding the severance event (the Prior Annual Bonus), and (ii) an amount equal to the Prior Annual Bonus pro-rated for the year in which the severance event occurs. These cash severance payments are double-trigger arrangements. None of the amounts shown in this column is single-trigger, i.e., none will be payable to a Named Executive Officer in connection with the Amalgamation unless a qualifying termination of employment occurs within two years following the Amalgamation.
- (2) The amounts in this column represent the value of accelerated vesting of outstanding Restricted Shares held by the Named Executive Officers, which will be treated in accordance with the procedures for Common Shares, as described under the section Interests of SeaCube's Directors and Executive Officers in the Amalgamation Equity Interests of SeaCube's Executive Officers and Directors above. These awards are single-trigger arrangements, and any vesting conditions and restrictions applicable to each Restricted Share will lapse in connection with the Amalgamation regardless of whether a qualifying termination of employment occurs following the Amalgamation. The table below shows the calculation of the amounts in this column.

Name	Restricted Shares (#)	Total Value (\$) (a)
Joseph Kwok	62,501	1,437,523
Stephen Bishop	49,526	1,139,098
Lisa Leach	18,750	431,250

- (a) The values have been calculated by multiplying the number of Restricted Shares by the Transaction Consideration.
- (3) The amounts in this column represent the value of cash lump sum payments equal to the cost of COBRA premiums necessary for each Named Executive Officer and, where applicable, the Named Executive Officer's spouse and dependents, to continue participating in SeaCube's medical, dental and vision plans from the date of the qualifying termination of employment until the second anniversary of the closing date

Table of Contents

of the Amalgamation. These amounts are attributable to double-trigger arrangements. None of the amounts shown in this column will be payable to a Named Executive Officer in connection with the Amalgamation unless a qualifying termination of employment occurs within two years following the Amalgamation.

- (4) The amount in this column represents the value of the transaction bonus described under the heading Interests of SeaCube's Directors and Executive Officers in the Amalgamation above. The transaction bonus is a single-trigger arrangement and will be paid upon the closing of the Amalgamation (to the extent it does not fail to be tax deductible as a golden parachute payment), subject to continued employment with SeaCube until such date.
- (5) The amounts in this column represent the total values of the amounts described in notes (1) (4) above.

Financing Related to the Amalgamation

Equity Financing. On January 18, 2013, Buyer entered into the Equity Commitment Letter, pursuant to which and subject to the terms and conditions set forth therein, OTPP committed to contribute the Equity Financing to Buyer immediately prior to the Effective Time. OTPP's commitment to contribute the Equity Financing will terminate upon the earliest to occur of: (i) the consummation of the Amalgamation, (ii) the valid termination of the Amalgamation Agreement in accordance with its terms or (iii) the three month anniversary of the Outside Date if the Amalgamation has not been consummated, subject, in the case of clauses (ii) and (iii), to extension in certain circumstances in which litigation is brought under the Amalgamation Agreement. SeaCube is an express third-party beneficiary of the Equity Commitment Letter and has the right, under the circumstances in which SeaCube would be permitted by the Amalgamation Agreement to obtain specific performance or damages, to seek specific performance by Buyer to enforce the equity commitment or damages, as applicable.

Debt Financing. On January 18, 2013, Buyer entered into the Debt Commitment Letter, pursuant to which, subject to the terms and conditions set forth therein, Wells Fargo has committed to provide up to \$480,000,000 (the Debt Financing) to refinance certain indebtedness of SeaCube. Buyer intends to utilize the Debt Financing if the certain consents related to such indebtedness are not obtained prior to the closing of the Amalgamation. The Debt Financing is not being using to finance any portion of the aggregate Transaction Consideration. Wells Fargo's commitment to provide the Debt Financing is subject to no manager default, event of default or early amortization event occurring and continuing under (and as defined in) any agreement relating to the Company's indebtedness or management agreement of SeaCube or its subsidiaries on the closing of the Amalgamation, as well as certain customary conditions. Wells Fargo's commitment to provide the Debt Financing will terminate upon the earliest to occur of: (i) the consummation of the Amalgamation, (ii) the termination of the Amalgamation Agreement in accordance with its terms or (iii) 5 p.m. (New York City time) on the Outside Date, if the Amalgamation shall not have been consummated by such time.

Limited Guaranty

On January 18, 2013, OTPP and SeaCube entered into a limited guaranty (the Limited Guaranty), pursuant to which OTPP agreed to guarantee the obligation of Buyer to pay to SeaCube, under certain circumstances, a reverse termination fee of \$35,000,000. The Limited Guaranty will terminate upon the earliest of: (i) the consummation of the Amalgamation, (ii) the three-month anniversary of the termination of the Amalgamation Agreement if no claim is brought alleging any guaranteed obligations are due and owing under the Limited Guaranty prior to such three-month anniversary, subject to extension in certain circumstances, (iii) the valid termination of the Amalgamation Agreement (other than a termination for which Buyer is obligated to pay the reverse termination fee) and (iv) the date that OTPP's obligations have been fully performed under the Limited Guaranty.

Regulatory Clearances and Approvals Required for the Amalgamation

CFIUS. The Amalgamation is subject to approval by CFIUS. CFIUS reviews foreign acquisitions, mergers and takeovers of U.S. businesses to ensure there are no national security issues that will result from such

Table of Contents

acquisitions. SeaCube and OTPP submitted a joint voluntary notice to CFIUS on February 15, 2013, and final approval was received on March 20, 2013.

Foreign Antitrust. An approval is also necessary in connection with the Amalgamation under the applicable foreign competition laws in the Republic of Cyprus. The Commission for the Protection of Competition of the Republic of Cyprus granted unconditional clearance for the Amalgamation on February 22, 2013.

One or more governmental agencies may impose a condition, restriction, qualification, requirement or limitation when it grants the necessary approvals and consents. Third parties may also seek to intervene in the regulatory process or litigate to enjoin or overturn regulatory approvals, any of which actions could significantly impede or even preclude obtaining required regulatory approvals. There is currently no way to predict how long it will take to obtain all of the required regulatory approvals or whether such approvals will ultimately be obtained and there may be a substantial period of time between the approval by the Shareholders and the completion of the Amalgamation.

Material U.S. Federal Income Tax Consequences of the Amalgamation to U.S. Holders

The exchange of Common Shares for cash in the Amalgamation will generally be a taxable transaction to U.S. holders for United States federal income tax purposes. In general, a U.S. holder whose Common Shares are converted into the right to receive cash in the Amalgamation will recognize gain or loss for United States federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such Common Shares and the U.S. holder's adjusted tax basis in such Common Shares.

You should read the section entitled "Material U.S. Federal Income Tax Consequences of the Amalgamation to U.S. Holders" beginning on page 84 for a more detailed discussion of the United States federal income tax consequences of the Amalgamation. Tax matters can be complicated, and the tax consequences of the Amalgamation to you will depend on your particular tax situation. You should consult your tax advisor to determine the tax consequences of the Amalgamation to you.

Delisting and Deregistration of Common Shares

Upon completion of the Amalgamation, the Common Shares currently listed on the NYSE will cease to be listed on the NYSE and will subsequently be deregistered under the Exchange Act.

Litigation Relating to the Amalgamation

The Company is aware of six class action lawsuits filed by purported Shareholders. Three of these lawsuits were filed in the Superior Court of New Jersey Chancery Division: Bergen County, and are captioned *Lee v. SeaCube Container Leasing Ltd., et al.*, C.A. No. C-000040-13 (filed January 25, 2013), *Gilbert v. SeaCube Container Leasing Ltd., et al.*, C.A. No. L-000780-13 (filed January 28, 2013), and *Forslind v. SeaCube Container Leasing Ltd., et al.*, C.A. No. C-000050-13 (filed February 4, 2013) (the "New Jersey Actions"). The New Jersey Actions allege, among other things, that the directors of the Company have breached their fiduciary duties to the Shareholders by failing to maximize shareholder value in connection with the Amalgamation Agreement, and that Acquisition Sub and Buyer aided and abetted those breaches of fiduciary duty. The New Jersey Actions further allege that the directors breached their fiduciary duties by agreeing to the no solicitation provision and termination fee provision in the Amalgamation Agreement. The New Jersey Actions seek, among

Table of Contents

other things, to preliminarily and permanently enjoin the defendants from effectuating the Amalgamation Agreement, along with a declaration that the Company's directors breached their fiduciary duties, an accounting, rescissory damages, costs and fees.

On February 7, 2013, plaintiffs in the above captioned *Lee v. SeaCube Container Leasing Ltd.* filed an amended complaint revising their allegations regarding the alleged breach of the Company's directors' fiduciary duties to assert disclosure claims. Such plaintiffs also filed a motion to consolidate the actions and a motion to expedite discovery. Following the filing of this motion, the parties executed a stipulation and order governing consolidation and discovery. Discovery in the New Jersey Actions has commenced.

Three additional actions were filed in the United States District Court for the District of New Jersey, captioned *Rubin v. SeaCube Container Leasing Ltd., et al.*, C.A. No. 13-874 (D.N.J.) (filed February 12, 2013), *The Duckpond CRT UTD 2/14/2003 v. SeaCube Container Leasing Ltd., et al.*, C.A. No. 13-904 (D.N.J.) (filed February 14, 2013), and *Van Velkenburg v. Kwok, et al.*, C.A. No. 2:13-cv-01041 (D.N.J.) (filed February 20, 2013) (the Federal Actions). The Federal Actions allege, among other things, that the directors of the Company have engaged in oppressive conduct in violation of Section 111 of the Companies Act by entering into the Amalgamation Agreement, and that the preliminary proxy statement is false and misleading in violation of sections 14(a) and 20(a) of the Exchange Act, and Rule 14(a)-9 promulgated thereunder. The Federal Actions seek, among other things, to preliminarily and permanently enjoin the defendants from effectuating the Amalgamation Agreement, along with a declaration that the Company's directors breached their fiduciary duties and that the Amalgamation Agreement is oppressive, an accounting, rescissory damages, costs and fees.

The Company and its directors believe that the claims asserted are without merit.

Appraisal Rights

Under Bermuda law, in the event of an amalgamation of a Bermuda company with another company or corporation, each shareholder of the Bermuda company is entitled to receive fair value for its shares (determined on a stand-alone basis). For these purposes, the Board considers the fair value for each Common Share to be \$23.00 per share.

Any Shareholder who is not satisfied that it has been offered fair value for its Common Shares and whose Common Shares are not voted for the approval and adoption of the Amalgamation Agreement and the Amalgamation shall have the right to seek appraisal of the fair value of its Common Shares in cash as determined by the Court, but only if the Shareholder complies with all of the applicable requirements of the Companies Act, which are summarized in this proxy statement. This appraisal amount could be more than, the same as, or less than the value of the Transaction Consideration. Any Shareholder intending to exercise appraisal rights must, among other things, file its application for appraisal of the fair value of its Common Shares with the Court within ONE MONTH after the date of the giving of notice convening the Special General Meeting. Failure to follow exactly the procedures specified under the Companies Act will result in the loss of appraisal rights. Because of the complexity of the Companies Act relating to appraisal rights, if you are considering exercising your appraisal right we encourage you to seek the advice of your own legal counsel.

Common Shares held by any Shareholder who properly applies to the Court for the appraisal of its Common Shares (each such Common Share, a Dissenting Share) pursuant to the Companies Act will be converted into the right to receive the Transaction Consideration and if the Transaction Consideration is less than the fair value of the Common Shares as appraised by the Court, the applicable Shareholder shall also receive the difference between the Transaction Consideration and the fair value appraised by the Court, as further described in the section entitled Appraisal Rights beginning on page 86. If, after the completion of the Amalgamation, any holder of Common Shares which has applied to the Court for an appraisal of such Common Shares fails to perfect or otherwise waives, withdraws or loses his right to appraisal under the Companies Act, the Common Shares held by such Shareholder will be treated as if the Common Shares had been converted into the right to receive the Transaction Consideration only pursuant to the terms of the Amalgamation Agreement.

THE AMALGAMATION AGREEMENT

The following summary describes certain material provisions of the Amalgamation Agreement and is qualified in its entirety by reference to the Amalgamation Agreement, a copy of which is attached to this proxy statement as Annex A and which is incorporated by reference into this proxy statement. This summary does not purport to be complete and may not contain all of the information about the Amalgamation Agreement that may be important to you. We encourage you to read the Amalgamation Agreement carefully and in its entirety, as it is the principal document governing the Amalgamation.

The Amalgamation Agreement is included in this proxy statement to provide you with information regarding its terms, and is not intended to provide any factual information about the Company, Buyer or any of their respective subsidiaries or affiliates. Such information can be found elsewhere in this proxy statement or in the public filings we make with the SEC, as described in the section entitled "Where You Can Find More Information" beginning on page 88. The representations, warranties and covenants contained in the Amalgamation Agreement have been made solely for the purposes of the Amalgamation Agreement and as of specific dates and solely for the benefit of the parties to the Amalgamation Agreement and:

have been modified or qualified by certain confidential disclosures that were made between the parties in connection with the negotiation of the Amalgamation Agreement, which disclosures are not reflected in the Amalgamation Agreement itself;

may no longer be true as of a given date; and

may apply standards of materiality in a way that is different from what may be viewed as material by you or other Shareholders. Accordingly, you should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Buyer or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Amalgamation Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. Accordingly, the representations, warranties, covenants and other provisions of the Amalgamation Agreement should not be read alone, but instead should be read together with the information provided elsewhere in this proxy statement and in the documents incorporated by reference into this proxy statement. Terms of the Amalgamation; Transaction Consideration; Memorandum of Association; Bye-Laws; Directors

The Amalgamation Agreement provides that, upon the terms and subject to the conditions set forth in the Amalgamation Agreement and in accordance with the Companies Act, at the Effective Time, Acquisition Sub and the Company will amalgamate under the laws of Bermuda, and the Amalgamated Company will continue as a Bermuda exempted company and as a subsidiary of Buyer.

At the Effective Time, each Common Share (other than (i) Dissenting Shares, (ii) Common Shares owned by the Company, Buyer, Acquisition Sub or any of their respective wholly owned subsidiaries and (iii) the Carry-Forward Share), issued and outstanding immediately prior to the Effective Time will be converted into the right to receive \$23.00 in cash, without interest and less any applicable withholding tax. All Common Shares that have been converted in the Amalgamation will be automatically cancelled and will cease to exist pursuant to the Amalgamation Agreement.

Table of Contents

At the Effective Time, the memorandum of association of the Amalgamated Company shall be as set forth in Exhibit A to the Amalgamation Agreement, the bye-laws of the Amalgamated Company will be the bye-laws of Acquisition Sub, which are attached as Exhibit B to the Amalgamation Agreement and the directors of Acquisition Sub immediately prior to the Effective Time will become the directors of the Amalgamated Company.

Completion of the Amalgamation

The closing of the Amalgamation will take place on the fourth business day after the day on which the last of those conditions to the completion of the Amalgamation set forth in the Amalgamation Agreement (other than any conditions that by their nature are to be satisfied at the closing, but subject to the satisfaction or waiver of those conditions) is satisfied or waived or at such other time as the Company and Buyer may agree in writing. The Amalgamation will become effective upon the issuance of a certificate of amalgamation by the Registrar of Companies in Bermuda or such other time as such certificate may specify.

We expect to complete the Amalgamation during the first half of 2013, although SeaCube cannot assure completion by any particular date, if at all. The Amalgamation is subject to various regulatory clearances and approvals and other conditions, however, and it is possible that factors outside the control of the parties to the Amalgamation Agreement could result in the Amalgamation being completed at a later time, or not at all. There may be a substantial amount of time between the Special General Meeting and the completion of the Amalgamation. We expect to complete the Amalgamation promptly following the receipt of all required approvals. If the Amalgamation is not completed by July 18, 2013, the Amalgamation Agreement may be terminated by Buyer or the Company.

Treatment of Restricted Shares and the Carry-Forward Share

At the Effective Time, any vesting conditions or restrictions applicable to each Restricted Share outstanding immediately prior to the Effective Time will lapse, and each such Restricted Share will be treated in accordance with the procedures outlined above for Common Shares.

Immediately prior to the Effective Time, a third party will subscribe for one Common Share for the aggregate consideration of \$0.01, and the Company will issue the Carry-Forward Share to such person. At the Effective Time, the Carry-Forward Share will be converted into and become one Class A common share of the Amalgamated Company.

Payment Procedure

At or prior to the Effective Time, Buyer will provide funds to the Paying Agent in amounts sufficient for the payment of the aggregate Transaction Consideration payable under the Amalgamation Agreement.

As promptly as practicable (but not later than three business days) following the Effective Time, Buyer will cause the Paying Agent to mail a Letter of Transmittal and instructions to you. The Letter of Transmittal and instructions will explain how to surrender your Share Certificates or book-entry shares (Book-Entry Shares) in exchange for the Transaction Consideration. ***You should not return your Share Certificates or Letter of Transmittal with the enclosed proxy card and you should not forward your Share Certificates or Letter of Transmittal to the Paying Agent without the Letter of Transmittal you will receive after the Special General Meeting.***

You will not be entitled to receive the Transaction Consideration until you surrender your Share Certificate to the Paying Agent, together with a duly executed Letter of Transmittal and any other documents as the Paying Agent may reasonably require. No interest will accrue or be paid on any amount payable upon surrender of the Share Certificates. Any holder of Book-Entry Shares will not be required to deliver a Share Certificate but may, if required by the Paying Agent, be required to deliver an executed Letter of Transmittal to the Paying Agent to

Table of Contents

receive the Transaction Consideration that such holder is entitled to receive. Each holder of record of one or more Book-Entry Shares whose Common Shares were converted into the right to receive the Transaction Consideration will automatically upon the Effective Time or following the Paying Agent's receipt of the applicable Letter of Transmittal (or, at any later time at which such Book-Entry Shares will be so converted) be entitled to receive the Transaction Consideration to which such holder is entitled to receive under the Amalgamation Agreement. The Transaction Consideration may be paid to a person other than the person in whose name the surrendered Share Certificate is registered so long as (A) the surrendered Share Certificate is accompanied by all required documents to evidence and effect the transfer and (B) the person requesting payment must either pay any applicable share transfer taxes or establish, to the satisfaction of Buyer and the Paying Agent, that such share transfer taxes have been paid or are not applicable.

Immediately prior to the Effective Time, the Company's share transfer books will be closed, and there will be no further registration of transfers of outstanding Common Shares that were outstanding immediately prior to the Effective Time.

Buyer, the Amalgamated Company and the Paying Agent are entitled to deduct and withhold from any Transaction Consideration payable under the Amalgamation Agreement such amounts required to be deducted or withheld under applicable laws.

None of the Paying Agent, Buyer or the Amalgamated Company will be liable to any person for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law. Any portion of the Transaction Consideration deposited with the Paying Agent that remains undistributed to the holders of Share Certificates or Book-Entry Shares for one year after the Effective Time will be delivered, upon demand, to Buyer. If you have not surrendered your Common Shares within one year after the Effective Time, you may only look to Buyer for the payment of the applicable Transaction Consideration.

If you have lost a Share Certificate, or if it has been stolen or destroyed, then before you are entitled to receive the Transaction Consideration, you will be required to make an affidavit of that fact and to post a bond in the form reasonably required by Buyer as indemnity against any claim that may be made against Buyer on account of the alleged loss, theft or destruction of such Share Certificate.

As promptly as practicable following the execution of the Amalgamation Agreement, we will mail to each holder of Restricted Shares a letter describing the treatment of such Restricted Shares under the Amalgamation Agreement.

All Dissenting Shares will be cancelled and converted as of the Effective Time into the right to receive the Transaction Consideration. In the event that the fair value of a Dissenting Share, as determined by the Court, is greater than the Transaction Consideration, then the difference in value will be paid by the Amalgamated Company within thirty days of the final Court appraisal of the fair value of such Dissenting Shares. Additionally, in the event that a holder of Dissenting Shares fails to perfect, effectively withdraws or otherwise waives any right to appraisal, its Common Shares will be cancelled and converted as of the Effective Time into the right to receive the Transaction Consideration for each such Dissenting Share held by such holder.

the eligibility of assets constituting any part of the borrowing base under any agreements relating to certain Company indebtedness for inclusion in such borrowing base.

Many of the Company's representations and warranties are qualified such that they are not breached if the Company fails to disclose matters that would not have a material adverse effect on the Company. For the purposes of the Amalgamation Agreement, a material adverse effect is any event, circumstance, development, change or effect that, individually or in the aggregate with all other events, circumstances, developments, changes and effects, is materially adverse to the business, operations, properties, assets, condition (financial or otherwise) or liabilities of the Company and its subsidiaries, taken as a whole, or would prevent or materially delay the consummation of the Amalgamation and the other transactions contemplated by the Amalgamation Agreement or prevent or materially impair or delay the ability of the Company to perform its obligations under the Amalgamation Agreement. No event, circumstance, change or effect resulting from the following, alone or in combination, constitute, or are taken into account in determining whether there has been, or will be, a material adverse effect with respect to the Company:

a change in general economic or financial market conditions (except to the extent such a change has had a disproportionate effect on the Company and its subsidiaries as compared to other persons in the industries in which the Company and its subsidiaries conduct their businesses);

Table of Contents

changes affecting the industries generally in which the Company or its subsidiaries conduct business (except to the extent such a change has had a disproportionate effect on the Company and its subsidiaries as compared to other persons in the industries in which the Company and its subsidiaries conduct their businesses);

any change in law or interpretations thereof or any change in GAAP or other accounting principles or requirements (except to the extent such a change has had a disproportionate effect on the Company and its subsidiaries as compared to other persons in the industries in which the Company and its subsidiaries conduct their businesses);

any natural disaster, epidemic, acts of terrorism or war (except to the extent such event, circumstance, change or effect has had a disproportionate effect on the Company and its subsidiaries as compared to other persons in the industry in which the Company and its subsidiaries conduct their businesses);

that is demonstrated to have resulted from the announcement of the execution of the Amalgamation Agreement or the pendency or consummation of the Amalgamation or any other transactions contemplated by the Amalgamation Agreement;

any decline in the market price, or change in trading volume, of the Common Shares (except this will not apply to the underlying cause or causes of any such decline or change or prevent any such underlying cause from being taken into account in determining whether a material adverse effect with respect to the Company has occurred); and

compliance with the terms of, or the taking of any action required by, the Amalgamation Agreement or with the prior written consent of Buyer.

In addition, many of the Company's representations and warranties are qualified as to the actual knowledge of certain executive officers of the Company; provided that each such officer is deemed to have actual knowledge of information that such officer would reasonably be expected to know in the normal and ordinary course exercise of his job responsibilities. This means that if a particular knowledge-qualified representation or warranty is not true, unless one or more of such individuals knew of such failure to be true and accurate, such failure will not result in a breach of the Amalgamation Agreement.

Buyer's and Acquisition Sub's Representations and Warranties. In the Amalgamation Agreement, Buyer and Acquisition Sub make certain representations and warranties that are subject, in some cases, to specified exceptions and qualifications contained in the Amalgamation Agreement. The representations and warranties relate to, among other things:

their due organization, valid existence and good standing in their respective jurisdictions of organization and power and/or authority to operate their businesses;

their power and authority to enter into, and to perform their obligations under, the Amalgamation Agreement and to consummate the transactions contemplated by the Amalgamation Agreement;

their boards' approval and adoption of the Amalgamation Agreement, the Amalgamation and the other transactions contemplated by the Amalgamation Agreement;

that the execution, delivery and performance of the Amalgamation Agreement has been duly authorized;

the enforceability of the Amalgamation Agreement against them;

consents and approvals of governmental or regulatory entities required as a result of the Amalgamation;

the absence of conflicts with, or breaches or violations of, their organizational documents, applicable laws or orders or certain contracts as a result of entering into or performing the Amalgamation Agreement or consummating the Amalgamation;

Table of Contents

consents, approvals or other authorizations of, or filings with, or notifications to anyone under certain contracts required as a result of entering into or performing the Amalgamation Agreement or consummating the Amalgamation;

the absence of any business activities or operations of Acquisition Sub;

their having sufficient cash immediately prior to the Effective Time to consummate the Amalgamation and to make all payments contemplated by the Amalgamation Agreement;

on and as of the date of closing, the Amalgamated Company and its subsidiaries, as a whole, will not be insolvent, have incurred debts beyond its ability to pay as they become due or be engaged in business or a transaction for which its property would constitute unreasonably small capital;

that no transfer of property is being made or obligation is being incurred in connection with the transactions contemplated by the Amalgamation Agreement with the intent to hinder, delay or defraud either present or future creditors of Buyer, Acquisition Sub, the Company or its subsidiaries;

the absence of litigation or outstanding court orders against them that would materially delay or prevent the consummation of the Amalgamation;

clarification that the Company will not be responsible for any broker's or finder's fees based upon arrangements made by or on behalf of Buyer or Acquisition Sub;

the delivery and effectiveness of the Limited Guaranty; and

the delivery and effectiveness of each of the Equity Commitment Letter and Debt Commitment Letter and their sufficiency to fund the payment of the Transaction Consideration, pay any required fees and satisfy all of the obligations of Buyer and Acquisition Sub contemplated under the Amalgamation Agreement.

Conduct of Business Pending the Amalgamation

From the date of the Amalgamation Agreement to the closing, without the prior consent of Buyer, the Company agrees that it will, and will cause its subsidiaries to, conduct its operations only in the ordinary course of business consistent with past practice, and use commercially reasonable efforts to preserve intact its business organization to retain the services of its current officers and key employees and to preserve the goodwill of its customers, suppliers and other persons with whom it has business relationships, except for relationships the Company determines not to preserve in accordance with prudent business judgment (other than relationships with certain customers, with respect to whom the Company must consult with Buyer prior to making any such determination).

In addition, the Company agreed, during the same period, not to take any of the following actions, or cause its subsidiaries to take such actions without the prior written consent of Buyer (which consent may not be unreasonably withheld, conditioned or delayed):

amend its memorandum of association or Bye-laws (by merger, amalgamation, consolidation or otherwise);

Non-Solicitation and Permitted Negotiations

Non-Solicitation. From the date of the Amalgamation Agreement until the Effective Time, except as specified below, the Company and its subsidiaries will not, and the Company will direct its representatives not to:

solicit, initiate or knowingly encourage or take any other action to knowingly facilitate the submission of any proposal that constitutes or is reasonably likely to lead to a Takeover Proposal (as defined below);

engage in discussions or negotiations with, or furnish or disclose any non-public information relating to the Company or any of its subsidiaries to, any person that has made or indicated an intention to make a proposal that constitutes or is reasonably likely to lead to a Takeover Proposal;

withdraw, modify or amend the recommendation to the Shareholders that they approve and adopt the Amalgamation Agreement (the Board Recommendation) in any manner adverse to Buyer;

approve, endorse or recommend any proposal that constitutes or is reasonably likely to lead to a Takeover Proposal; or

enter into any agreement in principle, arrangement, understanding or contract relating to a proposal that constitutes or is reasonably likely to lead to a Takeover Proposal.

The Amalgamation Agreement requires the Company (and for the Company to cause its subsidiaries and direct its representatives) to immediately cease any existing solicitations, discussions or negotiations with any person that has made or indicated an intention to make a proposal that constitutes or is reasonably likely to lead to a Takeover Proposal and to request the prompt return or destruction of any confidential information provided to any such person prior to the date of the Amalgamation Agreement.

The Company is required to notify Buyer, promptly upon receipt of (i) any Takeover Proposal or indication by any person considering making any Takeover Proposal or (ii) any request for non-public information relating to the Company or any of its subsidiaries other than requests for information in the ordinary course of business and unrelated to a Takeover Proposal. The Company will provide Buyer promptly with the identity of such person and a description of the material terms and conditions of such Takeover Proposal, indication or request, and any related communications to or by the Company or its representatives.

A Takeover Proposal means any inquiry, proposal or offer from a third party relating to:

a merger, amalgamation, consolidation, share exchange or business combination involving the Company or any of its subsidiaries representing 20% or more (based on the fair market value thereof, or determined by the Board in good faith) of the assets of the Company and its subsidiaries, taken as a whole;

a sale, lease, exchange, mortgage, transfer or other disposition, in a single transaction or series of related transactions, of 20% or more (based on the fair market value thereof, or determined by the Board in good faith) of the assets of the Company and its subsidiaries, taken as a whole;

a purchase or sale of shares or other securities, in a single transaction or series of related transactions, representing 20% or more of the voting power of the share capital of the Company, including by way of a tender offer or exchange offer;

a reorganization, recapitalization, liquidation or dissolution of the Company; or

any other transaction having a similar effect to those described above.

Permitted Negotiations. Subject to compliance with the restrictions described above, if, prior to obtaining shareholder approval of the Amalgamation Agreement, the Company receives a bona fide written Takeover Proposal not solicited in violation of the above restrictions and the Board determines in good faith, after consultation with its financial advisor and outside counsel, that such Takeover Proposal constitutes, or is reasonably likely to lead to, a Superior Proposal (as defined below) and that, with regard to each of the following actions, after consultation with its outside counsel, the Board determines that engaging in such discussions or negotiations is necessary in order for the Board to comply with its fiduciary duties under applicable law, the Company and its representatives and the Board may:

engage in discussions or negotiations with the person who has made such Takeover Proposal (and its representatives) regarding such Takeover Proposal; or

Edgar Filing: SeaCube Container Leasing Ltd. - Form DEFM14A

furnish or disclose any non-public information relating to the Company or any of its subsidiaries to the person who has made such Takeover Proposal (and its representatives), but only so long as the Company has caused such person to enter into a confidentiality agreement (negotiations and discussions with respect to which are expressly permitted following the requisite Board determination)

with the Company on terms and conditions not materially less favorable to the Company than the confidentiality agreement entered into between the Company and OTPP on September 21, 2012 (the Confidentiality Agreement), provided that all such information has previously been provided to Buyer or is provided to Buyer prior to or substantially concurrently with the time it is provided to such person.

Additionally, subject to compliance with the restrictions described above, the Company, its representatives and the Board will be permitted to, at any time prior to obtaining shareholder approval of the Amalgamation Agreement, in response to a bona fide written Takeover Proposal not solicited in violation of the above restrictions, (1) withdraw, modify or amend the Board Recommendation in a manner adverse to Buyer, (2) approve, endorse or recommend such Takeover Proposal or (3) cause or permit the Company to terminate the Amalgamation Agreement in order to concurrently enter into an agreement regarding a Superior Proposal, if (A) the Company receives from the person submitting such Takeover Proposal an executed confidentiality agreement (which the Company may negotiate with the person during the four business day notice period) in a customary form that is no less favorable to the Company than the Confidentiality Agreement and (B) the Board determines (x) in good faith, after consultation with its financial advisor and outside counsel, that such Takeover Proposal constitutes a Superior Proposal and (y) after consultation with outside legal counsel, that such action is necessary in order for the Board to comply with its fiduciary duties under applicable law; provided that the Board will not withdraw, modify or amend the Board Recommendation in a manner adverse to Buyer (an Adverse Recommendation Change) or approve, endorse or recommend such Takeover Proposal, and the Company may not terminate the Amalgamation Agreement pursuant to clause (3) above, until (I) after the fourth business day following Buyer's receipt of written notice (a Notice of Superior Proposal) from the Company advising Buyer that the Board intends to take such action and specifying the reasons therefor, including the material terms and conditions of any Superior Proposal that is the basis of the proposed action by the Board and, if applicable, a statement that the Board intends to terminate the Amalgamation Agreement (it being understood and agreed that any amendment to the financial terms of such Superior Proposal will require a new Notice of Superior Proposal and a new four business day period), (II) during such four business day period following Buyer's receipt of a Notice of Superior Proposal, in determining whether to make an Adverse Recommendation Change, to endorse or recommend such Takeover Proposal or to cause or permit the Company to so terminate the Amalgamation Agreement, (A) the Company will have offered to negotiate with (and, if accepted, negotiate with) Buyer in making such commercially reasonable adjustments to the terms and conditions of the Amalgamation Agreement as would enable the Company to proceed with the Amalgamation and the other transactions contemplated by the Amalgamation Agreement, and (B) the Board will have determined, after considering the results of such negotiations and the revised proposals made by Buyer, if any, that the Superior Proposal giving rise to such Notice of Superior Proposal continues to be a Superior Proposal, and (III) payment of the Company Termination Fee (as defined below).

Notwithstanding the foregoing, the Board is permitted to (i) disclose to the Shareholders a position contemplated by Rule 14e-2(a), Rule 14d-9, or Item 1012(a) of Regulation M-A promulgated under the Exchange Act and (ii) make such other public disclosure if it determines, after consultation with outside legal counsel, that such action is necessary in order for the Board to comply with its fiduciary duties under applicable laws, it being understood, however, that the Board is not permitted to make an Adverse Recommendation Change or take any of the other actions referred to in the preceding paragraph, except, in each case, to the extent permitted by the preceding paragraph.

A Superior Proposal means a bona fide Takeover Proposal for at least 50% of the shares or assets of the Company (i) which the Board determines (after consultation with its financial advisor and outside counsel) is on terms and conditions more favorable from a financial point of view to the Shareholders of the Company than those contemplated by the Amalgamation Agreement, (ii) the conditions to the consummation of which are all reasonably capable of being satisfied without undue delay, and (iii) for which financing, to the extent required, is then committed or, in the judgment of the Board (after consultation with its financial advisor and outside counsel), is reasonably likely to be available.

Actions to be Taken to Complete the Amalgamation

Other Actions. Buyer and the Company have agreed that they will not, and they will not permit any of their respective subsidiaries or affiliates to, take any action that could reasonably be expected to result in any of the conditions set forth in the Amalgamation Agreement not being satisfied or satisfaction of those conditions being materially delayed, except, in the case of the Company, to the extent the Board withdraws, modifies or amends its recommendation to the Shareholders to approve and adopt the Amalgamation Agreement and the transactions contemplated thereby, in accordance with the terms of the Amalgamation Agreement.

Access to Information; Confidentiality. The Company has agreed that it will provide to Buyer and its representatives reasonable access to officers, employees, agents, properties, books and records of the Company and its subsidiaries and promptly furnish Buyer with information concerning the Company and its subsidiaries as Buyer reasonably requests. However, the parties also agreed that no such investigation will affect or modify any representation or warranty made in the Amalgamation Agreement. Both Buyer and the Company have agreed to comply with, and to cause their respective representatives to comply with, the Confidentiality Agreement with respect to such information.

Calling of Shareholder Meeting. Subject to the non-solicitation provision (described above), the Company will call and hold the Company shareholders meeting as promptly as practicable following the date of the Amalgamation Agreement for the purpose of voting on the approval and adoption of the Amalgamation Agreement; provided, however, that without the prior written consent of Buyer, the Company shareholders meeting will not be held later than 30 business days after the clearance of this proxy statement by the SEC. The Company has also agreed to use its reasonable best efforts to solicit or cause to be solicited from its Shareholders proxies in favor of the approval and adoption of the Amalgamation and the Amalgamation Agreement and take all other action necessary or advisable to secure the requisite company vote.

Reasonable Best Efforts. In accordance with applicable law, each of the parties has agreed to use reasonable best efforts to take, or cause to take, all actions and to do, or cause to be done, all things necessary, proper or advisable to ensure that the conditions to each party's obligation under the Amalgamation Agreement to complete the Amalgamation are satisfied and to consummate the transactions contemplated by the Amalgamation Agreement as promptly as practicable.

Consents, Filings and Further Action. In accordance with applicable law, Buyer and the Company have agreed to use reasonable best efforts to (i) obtain from any governmental entities any actions, non-actions, clearances, waivers, consents, approvals, permits or orders required to be obtained by the Amalgamation Agreement and (ii) make all necessary registrations and filings, and thereafter make any other submissions required or deemed appropriate by either Buyer or the Company, in connection with the transactions contemplated by the Amalgamation Agreement. Buyer and the Company have agreed to cooperate and consult with each other in connection with the making of all such filings and notifications. Neither Buyer nor the Company will file any document if the other party has reasonably objected to the filing of such document.

Neither Buyer nor the Company will consent to any voluntary extension of any statutory deadline or waiting period or to any voluntary delay of the consummation of the transactions contemplated by the Amalgamation Agreement at the behest of any governmental entity without the consent of the other party (not to be unreasonably withheld or delayed).

Each of the parties will contact CFIUS as promptly as practicable following the date of the Amalgamation Agreement and request an informal consultation, following which the parties will jointly prepare and submit a draft voluntary notice, and after resolution of any comments or questions received from CFIUS, will prepare and submit a joint voluntary notice to CFIUS and the parties will respond to any inquiries from CFIUS in respect of the CFIUS filing, and the parties will use their reasonable best efforts to respond within the time frame set forth thereby.

Employee Matters

For a period of one year following the Amalgamation, Buyer will cause the Amalgamated Company to provide employees of the Company and its subsidiaries (which we refer to as employees) with compensation and

Table of Contents

benefits (other than equity compensation) that are no less favorable in the aggregate than those provided under the Company's compensation and benefit plans, programs, policies, practices and arrangements in effect at the Effective Time; provided that during such one-year period, the terms of the Amalgamation Agreement will not prevent the amendment or termination of any specific plan, program or arrangement, require that the Amalgamated Company provide or permit investment in the securities of Buyer or the Amalgamated Company interfere with the Amalgamated Company's right or obligation to make such changes as are necessary to comply with applicable law. Nothing precludes the Amalgamated Company from terminating an employee.

Buyer will and will cause the Amalgamated Company to honor the Company's obligations under certain of the Company's compensation and benefit plans and individual agreements with the Company, subject to any amendment or termination that may be permitted by such agreements and the Company's employee benefit plans unless otherwise stated in the Amalgamation Agreement. During the one-year period following the Amalgamation, Buyer will provide severance benefits to employees that suffer an involuntary termination of employment without cause that are no less favorable than benefits offered to such employees immediately before the date of the Amalgamation Agreement.

Each employee will be credited under the employee benefit plans of the Company and its affiliates with his years of service for which such employee was credited before the Amalgamation under any similar employee benefit plans with the Company and its affiliates, except for purposes of vesting or eligibility for any plans which are frozen to new participants, benefit accrual under any defined benefit pension plans or to the extent it would result in duplication of benefits.

Each employee will be immediately eligible to participate in any and all new benefit plans to the extent coverage under such plans replaces coverage under a comparable employee benefit plan in which such employee participated immediately before the Amalgamation. For the purposes of each new plan providing certain health benefits, Buyer will use commercially reasonable efforts to cause all pre-existing conditions, exclusions and actively-at-work requirements of such new plan to be waived for each employee and his covered dependents and cause any eligible expenses incurred by such employee and his covered dependents during a specified period to be taken into account under such new plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such employee and his covered dependents as if such amounts had been paid in accordance with such new plan.

Directors and Officers Indemnification and Insurance

From and after the Effective Time, Buyer and the Amalgamated Company will cause all rights to indemnification, advancement of expenses and exculpation in favor of any present or former director or officer of the Company or any of its subsidiaries in effect as of the date of the Amalgamation Agreement to continue for at least six years after the Amalgamation, or longer if a such a period is provided for in the applicable agreement in effect as of the date of the Amalgamation Agreement. Buyer will guarantee such performance by the Amalgamated Company.

Buyer will cause the Amalgamated Company to indemnify each present and former director and officer of the Company or any of its subsidiaries to the fullest extent allowed by applicable law for all acts and omissions arising out of or relating to their services as directors or officers of the Company or its subsidiaries prior to the Effective Time. If any such director or officer becomes involved in any legal action in connection with any matter occurring prior to or at the Effective Time, Buyer will cause the Amalgamated Company to pay as incurred such director's or officer's legal fees, costs and expenses incurred in connection with such legal action, subject to the Amalgamated Company's receipt of an undertaking by or on behalf of such director or officer, if and only to the extent required by the applicable law, to repay such fees, costs and expenses if it is ultimately determined under applicable law that such director or officer is not entitled to be indemnified.

Prior to the Effective Time, the Company will and, if the Company is unable to, Buyer will cause the Amalgamated Company to, as of the Effective Time, obtain and fully pay for tail insurance policies with a

Table of Contents

claims period of at least six years after the Effective Time, which obligation may be satisfied by extending the officers and directors liability insurance policies maintained by the Company and its subsidiaries or by providing for policies of at least the same coverage and amounts containing terms and conditions which are no less advantageous with respect to claims arising out of or relating to events which occurred before or at the Effective Time so long as the Amalgamated Company is not required to pay an annual premium in excess of 300% of the last annual premium paid by the Company for such insurance prior to the date of the Amalgamation Agreement. If the Amalgamated Company is unable to obtain such insurance coverage for an amount less than or equal to such maximum premium, the Amalgamated Company will instead obtain as much comparable insurance as possible for an annual premium equal to such maximum premium.

Financing Relating to the Amalgamation

Each of Buyer and Acquisition Sub will use its reasonable best efforts to obtain proceeds of the Equity Financing and the Debt Financing on the terms and conditions described in the Equity Commitment Letter and the Debt Financing Letter. Buyer and Acquisition Sub may not agree to or permit any amendment, supplement or other modification to be made to, or any waiver of any material provision or remedy under, the Equity Commitment Letter, the Debt Financing Letter or the definitive agreements relating to the financings without the consent of the Company.

If any portion of the Debt Financing becomes unavailable on the terms and conditions contemplated in the Debt Commitment Letter, Buyer and Acquisition Sub will use reasonable best efforts to obtain alternative debt financing from alternative sources in an amount sufficient (when combined with cash on hand and other financing arrangements) to consummate the transactions contemplated by the Amalgamation Agreement as promptly as practicable following the occurrence of such event; provided that Buyer and Acquisition Sub are not required to seek or accept such alternative debt financing if the terms or conditions are less favorable to Buyer (in its reasonable judgment) than the Debt Financing to be replaced.

The Company will use its reasonable best efforts to provide and cause its subsidiaries and representatives to provide all necessary cooperation in connection with any financing efforts that Buyer may undertake in connection with any debt financing, in connection with obtaining consents from the Company's lenders or noteholders under the Company's existing financing arrangements as may be reasonably requested by Buyer; provided that none of the Company or any of its subsidiaries will be required to pay any commitment or other similar fee or incur any other liability and that Buyer will be solely responsible for all out-of-pocket expenses of the Company incurred in connection with the foregoing.

The Company will ensure that assets meeting the eligibility requirements for inclusion in the borrowing base under any agreements relating to certain Company indebtedness are sufficient to support any outstanding indebtedness thereunder and that no manager default, event of default or early amortization event (as such terms are defined in the Company's management agreements or agreements related to Company indebtedness) shall have occurred and be continuing under any management agreement or agreement relating to Company indebtedness.

Standstill Agreements and Confidentiality Agreements

Absent a Takeover Proposal, until the Effective Time, the Company may not terminate, amend, modify or waive any provision of any confidentiality agreement not entered into in the ordinary course of business or any agreement by a third party not to acquire assets or securities of the Company to which the Company or any of its subsidiaries is a party, other than the Confidentiality Agreement.

At any time before obtaining shareholder approval of the Amalgamation Agreement, the Company will not have to comply with the obligations described in the preceding paragraph if the Board determines, after consultation with outside legal counsel, that it is necessary in order for the Board to comply with the Board's fiduciary duties under applicable law; provided that the Company will not take any otherwise prohibited action in

Table of Contents

reliance on the foregoing exception until after the third business day following Buyer's receipt of written notice from the Company advising Buyer that the Company intends to take such action and specifying the nature of the action to be taken, it being understood and agreed that in determining whether to authorize the Company to take such action, the Board will take into account any changes to the financial terms of the Amalgamation Agreement proposed by Buyer to the Company in response to such written notice.

Related Party Transactions

Effective immediately prior to the Effective Time, the Company will cause certain related-party transactions to be terminated without the creation of any liability with respect to the Company or any of its subsidiaries upon such termination.

Conditions to Completion of the Amalgamation

The obligations of each of the Company, Buyer and Acquisition Sub to complete the Amalgamation are subject to the satisfaction of the following conditions:

approval and adoption of the Amalgamation Agreement by the Shareholders;

any waiting period, together with any extensions thereof, applicable to the consummation of the Amalgamation under any applicable pre-clearance or similar approval requirement of applicable foreign competition laws have expired or been terminated;

a CFIUS Final Order has been obtained;

all other consents, approvals and authorizations of any governmental entities required to consummate the Amalgamation have been obtained free of any condition that would reasonably be expected to have a material adverse effect on the Company or Buyer; and

no law or order being in effect that restrains, enjoins or otherwise prohibits the consummation of the Amalgamation.

The obligations of Buyer and Acquisition Sub to effect the Amalgamation are subject to the following additional conditions, unless Buyer waives them:

the representations and warranties of the Company related to the Company's authorized and outstanding share capital are true and correct in all respects, except for de minimus inaccuracies, as of the date of the Amalgamation Agreement and as of the Effective Time as though made as of the Effective Time;

the representation and warranty that no event, occurrence, development or state of circumstances or facts that has had or would be reasonably expected to have a material adverse effect on the Company is true and correct in all respects as of the date of the Amalgamation Agreement and as of the Effective Time as though made as of the Effective Time;

the other representations and warranties of the Company being true and correct in all respects, without regard to any Company Material Adverse Effect, materiality or similar qualifications contained in them, as of the date of the Amalgamation Agreement and as of the Effective Time as though made as of the Effective Time (except for representations and warranties made as of a specified date, the accuracy of which shall be determined as of that specified date), unless the failure or failures of such representations and warranties to be true and correct in all respects would not reasonably be expected to have a material adverse effect on the Company;

Buyer breaches any of its representations, warranties, covenants or agreements contained in the Amalgamation Agreement, where such breach would give rise to the failure of the condition for the Amalgamation concerning Buyer's representations and warranties or concerning Buyer's performance obligations under the Amalgamation Agreement and where such breach has not been cured by Buyer within thirty after Buyer's receipt of written notice of such breach by the Company.

Reimbursement of Expenses, Termination Fees and Effect of Termination

Expense Reimbursement. In general, each party's expenses will be paid for by the party incurring such expenses whether or not the Amalgamation is consummated, and Buyer and the Company will share equally each of the filing fees with respect to the filings required by applicable law other than foreign competition laws, which filing fees will be paid by Buyer.

Company Termination Fee. The Company will be obligated to pay, or cause to be paid, to Acquisition Sub as liquidated damages and not as a penalty and as the sole and exclusive remedy of Buyer and Acquisition Sub a termination fee of \$15,500,000 if the Amalgamation Agreement is terminated under any of the following circumstances:

the Company terminates the Amalgamation Agreement in order to enter into a contract relating to a Superior Proposal, in which event the Company must pay such fee before or substantially concurrently with such termination;

Buyer terminates the Amalgamation Agreement because the Board withdraws, modifies or amends the Board's recommendation in any manner adverse to Buyer, or publicly proposes to do so;

Buyer terminates the Amalgamation Agreement because (i) the Board approves, endorses or recommends a Superior Proposal, (ii) the Company enters into a contract relating to a Superior Proposal, (iii) a tender offer or exchange offer for any issued and outstanding Common Shares is commenced prior to obtaining the vote by the Shareholders to approve and adopt the Amalgamation Agreement and the Board fails to recommend against acceptance of such tender offer or exchange offer by the Shareholders (including, for this purpose by taking no position with respect to the acceptance of such tender offer or exchange offer by its Shareholders, which will constitute a failure to recommend against acceptance of such tender offer or exchange offer) within ten business days after commencement or (iv) the Company or the Board publicly announces its intention to do any of the foregoing, in which case the Company must pay such fee within five business days of such termination; or

(A) a Takeover Proposal (substituting 50% for each occurrence of 20% in the definition of Takeover Proposal) is made or proposed to the Company or otherwise publicly announced (and not withdrawn); (B) the Amalgamation Agreement is terminated by either Buyer or the Company because either (i) the Amalgamation has not been consummated by the Company or by Buyer prior to the Outside Date or (ii) the Amalgamation Agreement has been submitted to the Shareholders and the required vote is not obtained; and (C) within 12 months following the date of termination, the Company enters into a contract providing for the implementation of, or consummates, any Takeover Proposal (substituting 50% for each occurrence of 20% in the definition of Takeover Proposal), in which case the Company must pay such fee within five business days of the Company entering into the contract.

Reverse Termination Fee. Buyer will be obligated to pay, or cause to be paid to the Company, within five business days of termination of the Amalgamation Agreement, as liquidated damages and not as a penalty and as the sole and exclusive remedy of the Company, a reverse termination fee of \$35,000,000 if (i) all of the conditions to Buyer's and Acquisitions Sub's obligations to close have been satisfied or waived (other than those conditions that by their nature are to be satisfied by actions taken at the closing) and the Amalgamation Agreement is terminated by the Company due to the failure of Buyer and Acquisition Sub to consummate the Amalgamation within the allotted time period under the Amalgamation Agreement and (ii)(A) specified consents relating to the refinancing of certain Company credit facilities have not been received and (B) the Debt Financing contemplated necessary to refinance or replace the indebtedness related to such consents has not been funded and will not be funded at the closing.

Effect of Termination

If the Amalgamation Agreement is validly terminated, it shall become void and of no further force and effect, with no liability on the part of any party (other than certain provisions relating to confidentiality, expenses, termination, termination fees and certain general provisions, each of which will survive such termination), except that if such termination results from (a) the intentional and in bad faith failure of any party to perform its obligations, (b) the intentional and in bad faith breach by any party of its representations or warranties or (c) fraud, then, if the remedy of specific performance is not available, such party will be fully liable

Table of Contents

for any liabilities incurred or suffered by the other party as a result of such failure or breach. An intentional and in bad faith breach or failure means, pursuant to the terms of the Amalgamation Agreement, a material breach or failure, as applicable, that is a consequence of an omission by, or act undertaken by or caused by, the breaching party with the knowledge that the omission or taking or causing of such act would, or would reasonably be expected to, cause a breach of the Amalgamation Agreement.

Specific Performance

The Amalgamation Agreement provides that the parties will be entitled to an injunction or other equitable relief to prevent breaches or violations of the Amalgamation Agreement and to specifically enforce the terms and provisions of the Amalgamation Agreement except for situations where Buyer is obligated to pay to SeaCube a reverse termination fee, in which case the reverse termination fee shall be the sole remedy available to SeaCube. SeaCube is an express third-party beneficiary of the Equity Commitment Letter and has the right, under the circumstances in which SeaCube would be permitted by the Amalgamation Agreement to obtain specific performance or damages, to seek specific performance by Buyer to enforce the equity commitment or damages, as applicable.

Third-Party Beneficiaries

The Amalgamation Agreement is not intended to confer any rights or remedies upon any person other than the parties to the Amalgamation Agreement except for: (a) the right of any present or former director or officer of the Company or any of its subsidiaries to enforce the provisions set forth in the indemnification covenant contained in the Amalgamation Agreement directly, (b) the right of holders of Common Shares and Restricted Shares to receive the Transaction Consideration pursuant to the terms of the Amalgamation Agreement (a claim with respect to which shall be enforceable only by the Company, in its sole and absolute discretion, on behalf of the such holders) and (c) the right of the financing parties to enforce certain general provisions, including those relating to governing law, waiver of jury trial and claims against any of the financing parties.

Amendment, Waiver and Extension of the Amalgamation Agreement

Amendment. The Amalgamation Agreement may be amended by the parties at any time prior to the Effective Time, whether before or after shareholder approval of the Amalgamation, provided that (A) no amendment that requires further approval by the Shareholders under applicable law will be made without such further required approval and (B) such amendment has been duly approved by the boards of directors of each of Acquisition Sub and the Company notwithstanding certain exceptions set out in the Amalgamation Agreement.

Extension; Waiver. At any time prior to the Effective Time, the Company, on the one hand, and Buyer and Acquisition Sub on the other hand, may, with respect to the other party, extend the time for the performance of any of the obligations of such party, waive any inaccuracies in the representations and warranties of the other party contained in the Amalgamation Agreement or any document delivered under the Amalgamation Agreement, or subject to applicable law, waive compliance with any of the Amalgamation Agreement covenants or conditions. Any agreement on the part of a party to any extension or waiver will only be valid if set forth in a written instrument signed by such party. The failure of any party to assert any of its rights under the Amalgamation Agreement does not constitute a waiver of such rights.

THE VOTING AGREEMENT

In connection with the Amalgamation Agreement, on January 18, 2013, Buyer and Seacastle Operating entered into the Voting Agreement, pursuant to which Seacastle Operating has agreed, among other things, (i) subject to certain limited exceptions as set forth in the Voting Agreement, to vote all of the Common Shares beneficially owned by it in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, (ii) to restrict its ability to sell, transfer, pledge, assign or otherwise dispose of any Common Shares, or enter into any contract or similar arrangement to do the same and (iii) not to enter into, solicit, initiate, encourage or take any other action to facilitate any inquiries with respect to a takeover proposal or frustrating transaction (each as defined in the Voting Agreement). The Voting Agreement will terminate if the Amalgamation Agreement is terminated in accordance with its terms, including in the event of a termination by SeaCube of the Amalgamation Agreement in order to enter into a definitive agreement with a third party making an unsolicited written acquisition proposal that the Board, in the exercise of its fiduciary duties, determines to be a Superior Proposal.

As of March 14, 2013, Seacastle Operating beneficially owned Common Shares which, in the aggregate, represent approximately 41.8% of the Common Shares.

The foregoing discussion of the Voting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Voting Agreement, a copy of which is included as Annex D to this proxy statement and which is incorporated by reference into this proxy statement.

VOTE ON ADJOURNMENT

The Shareholders are being asked to approve a proposal that will give the chairman of the Special General Meeting authority to adjourn the Special General Meeting for the purpose of soliciting additional proxies in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation if there are not sufficient votes at the time of the Special General Meeting to approve the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation. If this proposal is approved, the Special General Meeting could be successively adjourned to any date. In addition, the chairman of the Special General Meeting could postpone the Special General Meeting before it commences, whether for the purpose of soliciting additional proxies or for other reasons. If the Special General Meeting is adjourned for the purpose of soliciting additional proxies, Shareholders who have already submitted their proxies will be able to revoke them at any time prior to their use. If you return a proxy and do not indicate how you wish to vote on any proposal, or if you indicate that you wish to vote in favor of the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation but do not indicate a choice on the Adjournment Proposal, your Common Shares will be voted in favor of the Adjournment Proposal. But if you indicate that you wish to vote against the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation, your Common Shares will only be voted in favor of the Adjournment Proposal if you indicate that you wish to vote in favor of that proposal.

The Board recommends a vote FOR the Adjournment Proposal.

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER AMALGAMATION-RELATED COMPENSATION ARRANGEMENTS

As required by Section 14A of the Exchange Act and the applicable SEC rules issued thereunder, which were enacted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, SeaCube is required to submit a proposal to the Shareholders for a non-binding, advisory vote to approve certain compensation payable to the Named Executive Officers of SeaCube that is based on or otherwise relates to the Amalgamation. This proposal, commonly known as say-on-golden parachute, and which we refer to as the Named Executive Officer Amalgamation-Related Compensation Proposal, gives the Shareholders the opportunity to vote on an advisory basis on the compensation that SeaCube's Named Executive Officers will or may be entitled to receive that is based on or otherwise relates to the Amalgamation.

The compensation and benefits that SeaCube's Named Executive Officers may be entitled to receive from SeaCube that is based on or otherwise relates to the Amalgamation is summarized in the table entitled Golden Parachute Compensation, which is included in The Amalgamation Quantification of Potential Payments to Named Executive Officers in Connection with the Amalgamation beginning on page 55, including the associated narrative discussion. That summary includes all compensation and benefits that may be paid or become payable to SeaCube's Named Executive Officers that are based on or otherwise relate to the Amalgamation.

The Board encourages you to review carefully the Named Executive Officer amalgamation-related compensation information disclosed in this proxy statement.

The Board recommends that the Shareholders of SeaCube approve the following resolution:

RESOLVED, that the shareholders of SeaCube approve, on a non-binding, advisory basis, the compensation that will or may become payable to the named executive officers that is based on or otherwise relates to the Amalgamation as disclosed pursuant to Item 402(t) of Regulation S-K in the Golden Parachute Compensation table and the related narrative disclosures.

The vote on the Named Executive Officer Amalgamation-Related Compensation Proposal is a vote separate and apart from the vote on the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation. Accordingly, you may vote to approve the proposal to approve and adopt the Amalgamation Agreement and to approve the Amalgamation and vote not to approve the Named Executive Officer Amalgamation-Related Compensation Proposal and vice versa. Because the vote on Named Executive Officer Amalgamation-Related Compensation Proposal is advisory only, it will not be binding on SeaCube, the Amalgamated Company or Buyer. Accordingly, if the Amalgamation Agreement is approved and adopted and the Amalgamation is completed, the compensation will be payable, subject only to the conditions applicable thereto, regardless of the outcome of the non-binding, advisory vote of the Shareholders.

The affirmative vote of a majority of the votes cast at the Special General Meeting at which a quorum is present will be required to approve the Named Executive Officer Amalgamation-Related Compensation Proposal.

The Board recommends a vote FOR the Named Executive Officer Amalgamation-Related Compensation Proposal.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE AMALGAMATION TO U.S. HOLDERS

The following discussion is a summary of the material United States federal income tax consequences of the Amalgamation to U.S. holders (as defined below) of Common Shares. This summary does not address any tax consequences of the Amalgamation arising under the laws of any state, local or foreign jurisdiction or United States federal laws other than United States federal income tax laws. This discussion is based on the Code, published positions of the Internal Revenue Service, court decisions and other applicable authorities, all as currently in effect as of the date hereof and all of which are subject to change or differing interpretations (possibly with retroactive effect). This discussion does not address all aspects of United States federal income taxation that may be applicable to U.S. holders of Common Shares in light of their particular circumstances or U.S. holders of Common Shares subject to special treatment under United States federal income tax law, such as:

entities treated as partnerships for United States federal income tax purposes, S corporations or other pass-through entities;

persons who hold Common Shares as part of a straddle, hedging transaction, synthetic security, conversion transaction or other integrated investment or risk reduction transaction;

U.S. holders whose functional currency is not the U.S. dollar;

United States expatriates;

controlled foreign corporations;

passive foreign investment companies;

persons who acquired Common Shares through the exercise of employee share options or otherwise as compensation;

persons subject to the United States alternative minimum tax;

banks, insurance companies and other financial institutions;

regulated investment companies;

real estate investment trusts;

tax-exempt organizations;

brokers or dealers in securities or foreign currencies; and

Edgar Filing: SeaCube Container Leasing Ltd. - Form DEFM14A

traders in securities that elect mark-to-market treatment.

If a partnership (including any entity or arrangement treated as a partnership for United States federal income tax purposes) holds Common Shares, the tax treatment of a partner in the partnership generally will depend upon the status of the partner and the activities of the partnership. Partners in a partnership holding Common Shares should consult their tax advisors regarding the tax consequences of the Amalgamation.

This discussion applies only to the Shareholders that hold their Common Shares as a capital asset within the meaning of Section 1221 of the Code.

For purposes of this discussion, the term "U.S. holder" means a beneficial owner of Common Shares that is:

a citizen or individual resident of the United States;

a corporation, or other entity taxable as a corporation for United States federal income tax purposes, created or organized under the laws of the United States or any of its political subdivisions;

a trust if it (i) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust, or (ii) has a valid election in effect under applicable Treasury regulations to be treated as a United States person; or

an estate that is subject to United States federal income tax on its income regardless of its source.

Table of Contents

Tax Consequences of the Amalgamation Generally

The exchange of Common Shares for cash in the Amalgamation will generally be a taxable transaction to U.S. holders for United States federal income tax purposes. In general, except as provided below under **U.S. Holders Who Have Not Made an Election to Treat SeaCube as a Qualified Electing Fund**, a U.S. holder whose Common Shares are converted into the right to receive cash in the Amalgamation will recognize capital gain or loss for United States federal income tax purposes in an amount equal to the difference, if any, between the amount of cash received with respect to such Common Shares and the U.S. holder's adjusted tax basis in such Common Shares. A U.S. holder's adjusted tax basis will generally equal the price the U.S. holder paid for such Common Shares increased by the amount of any earnings previously included by such U.S. holder as a result of a qualified electing fund election pursuant to Section 1295 of the Code and decreased by the amount of any distributions previously made to such holder that were not subject to tax as a result of having been previously taxed under the qualified electing fund rules. Gain or loss will be determined separately for each block of Common Shares (i.e., Common Shares acquired at the same cost in a single transaction) except as provided below under **U.S. Holders Who Have Not Made an Election to Treat SeaCube as a Qualified Electing Fund**. Such gain or loss will generally be treated as long-term capital gain or loss if the U.S. holder's holding period in the Common Shares exceeds one year at the time of the completion of the Amalgamation. The deductibility of capital losses is subject to limitations.

U.S. Holders Who Have Not Made an Election to Treat SeaCube as a Qualified Electing Fund

A U.S. holder who did not make an election to treat SeaCube as a qualified electing fund effective from the start of such U.S. holder's holding period (unless the election was made effective at a subsequent date and certain other requirements are satisfied) for the Common Shares will be subject to special tax rules with respect to any gain recognized with respect to Common Shares:

gain in the Common Shares will be allocated ratably over the U.S. holder's aggregate holding period for the Common Shares;

the amount allocated to the current taxable year will be taxed as ordinary income; and

the amount allocated to each of the other taxable years will be subject to tax at the highest rate of tax in effect for the applicable class of taxpayer for that year, and an interest charge for the deemed deferral benefit will be imposed with respect to the resulting tax attributable to each such other taxable year.

A U.S. holder who did not make a qualified electing fund election and made a mark-to-market election with respect to its common shares should consult its tax advisors as to the consequences of the Amalgamation.

Backup Withholding

Under the backup withholding provisions of the Code, a U.S. holder may be subject to information reporting and backup withholding on any cash payments such U.S. holder receives for Common Shares in the Amalgamation. A U.S. holder generally will not be subject to backup withholding, however, if such U.S. holder:

furnishes a correct taxpayer identification number, certifies that such U.S. holder is not subject to backup withholding on the Form W-9 or successor form and otherwise complies with all the applicable requirements of the backup withholding rules; or

provides proof that such U.S. holder is otherwise exempt from backup withholding.

Backup withholding is not an additional federal income tax. Any amounts withheld under the backup withholding rules will generally be allowed as a refund or credit against such U.S. holder's United States federal income tax liability, provided such U.S. holder timely furnishes the required information to the Internal Revenue Service.

This summary of certain material United States federal income tax consequences is for general information only and is not tax advice. You are urged to consult your tax advisor with respect to the application of United States federal income tax laws to your particular

situation as well as any tax consequences arising under the United States federal estate or gift tax rules, or under the laws of any state, local, foreign or other taxing jurisdiction.

APPRAISAL RIGHTS

Under Bermuda law, in the event of an amalgamation of a Bermuda company with another company or corporation, each shareholder of the Bermuda company is entitled to receive fair value for its shares (determined on a stand-alone basis). For these purposes, the Board considers the fair value for each Common Share to be \$23.00 per share.

Any Shareholder who is not satisfied that it has been offered fair value for its Common Shares and whose Common Shares are not voted in favor of the Amalgamation Agreement and the Amalgamation may exercise its appraisal rights under the Companies Act to have the fair value of its Common Shares appraised by the Court. Persons owning beneficial interests in Common Shares but who are not Shareholders of record should note that only persons who are Shareholders of record may make an application for appraisal to the Court. Any Shareholder intending to exercise appraisal rights MUST file an application for appraisal of the fair value of its Common Shares with the Court within ONE MONTH after the date of the giving of notice convening the Special General Meeting. There are no statutory rules or authorities prescribing the operation of the provisions of the Companies Act governing appraisal rights which are set forth in Section 106 of the Companies Act or the process of appraisal by the Court and there is uncertainty about the precise methodology that would be adopted by the Court in determining the fair value of shares in an appraisal application under the Companies Act.

If a Shareholder votes in favor of the Amalgamation Agreement and the Amalgamation at the Special General Meeting, such Shareholder has no right to apply to the Court to appraise the fair value of its Common Shares, and instead, pursuant to the terms of the Amalgamation Agreement, and as discussed in the section entitled *The Amalgamation Agreement Terms of the Amalgamation; Transaction Consideration; Memorandum of Association; Bye-Laws; Directors* on page 60, each Common Share held by such Shareholder will be converted into the right to receive the Transaction Consideration. Any Shareholder who wishes to exercise appraisal rights must not vote in favor of the Amalgamation and must apply to the Court within one month of the giving of notice convening the Special General Meeting. Voting against the Amalgamation will not in itself satisfy the requirements for notice and exercise of a Shareholder's right to apply for appraisal of the fair value of its Common Shares.

If the Amalgamation has proceeded prior to the Court's appraisal, then, pursuant to Bermuda law and the Amalgamation Agreement, each Shareholder who has exercised its appraisal rights in accordance with Bermuda law at the Effective Time will receive the Transaction Consideration and within one month of the Court's appraisal such Shareholder will also receive the excess, if any, of the Court's appraised value over the Transaction Consideration.

If the Amalgamation has not proceeded prior to the Court's appraisal of any Common Shares, then, pursuant to Bermuda law, within one month of the Court appraising the fair value of such Common Shares, SeaCube shall pay to such dissenting Shareholders an amount equal to the value of their Common Shares as appraised by the Court, unless the Amalgamation is terminated pursuant to the terms of the Amalgamation Agreement.

The payment to a Shareholder of the fair value of its Common Shares as appraised by the Court could be less than, equal to or more than the value of the Transaction Consideration that the Shareholder would have received in the Amalgamation if such Shareholder had not exercised its appraisal rights in relation to its Common Shares; however, it is not anticipated to be less than the Transaction Consideration.

A Shareholder who has exercised appraisal rights has no right of appeal from an appraisal made by the Court. The costs of any application to the Court under Section 106 of the Companies Act will be in the Court's discretion.

The relevant portion of Section 106 of the Companies Act in relation to appraisal rights is as follows:

(6) Any shareholder who did not vote in favor of the amalgamation or merger and who is not satisfied that he has been offered fair value for his shares may within one month of the giving of the notice referred to in subsection (2) apply to the Court to appraise the fair value of his shares.

Table of Contents

(6A) Subject to subsection (6B), within one month of the Court appraising the fair value of any shares under subsection (6) the company shall be entitled either

(a) to pay to the dissenting shareholder an amount equal to the value of his shares as appraised by the Court; or

(b) to terminate the amalgamation or merger in accordance with subsection (7).

(6B) Where the Court has appraised any shares under subsection (6) and the amalgamation or merger has proceeded prior to the appraisal then, within one month of the Court appraising the value of the shares, if the amount paid to the dissenting shareholder for his shares is less than that appraised by the Court the amalgamated or surviving company shall pay to such shareholder the difference between the amount paid to him and the value appraised by the Court.

(6C) No appeal shall lie from an appraisal by the Court under this section.

(6D) The costs of any application to the Court under this section shall be in the discretion of the Court.

(7) An amalgamation agreement or merger agreement may provide that at any time before the issue of a certificate of amalgamation or merger the agreement may be terminated by the directors of an amalgamating or merging company, notwithstanding approval of the agreement by the shareholders of all or any of the amalgamating or merging companies.

SHAREHOLDERS WHO HOLD THEIR COMMON SHARES IN BANK OR BROKERAGE ACCOUNTS OR OTHER NOMINEE FORMS, AND WHO WISH TO EXERCISE APPRAISAL RIGHTS, SHOULD CONSULT WITH THEIR BROKERS, BANKS AND NOMINEES, AS APPLICABLE, TO DETERMINE THE APPROPRIATE PROCEDURES FOR THE BROKER, BANK OR OTHER NOMINEE HOLDER TO MAKE A DEMAND FOR APPRAISAL OF THOSE COMMON SHARES. A PERSON HAVING A BENEFICIAL INTEREST IN SHARES HELD OF RECORD IN THE NAME OF ANOTHER PERSON, SUCH AS A BROKER, BANK OR OTHER NOMINEE, MUST ACT PROMPTLY TO CAUSE THE RECORD HOLDER TO FOLLOW PROPERLY AND IN A TIMELY MANNER THE STEPS NECESSARY TO PERFECT APPRAISAL RIGHTS.

If Common Shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, such demand must be executed by or for all joint owners. An authorized agent, including an agent for two or more joint owners, may execute the demand for appraisal for a Shareholder of record; however, the agent must identify the record owner and expressly disclose the fact that, in exercising the demand, such person is acting as agent for the record owner. If a Shareholder holds Common Shares through a broker who in turn holds the Common Shares through a central securities depository nominee such as Cede & Co., a demand for appraisal of such Common Shares must be made by or on behalf of the depository nominee and must identify the depository nominee as record holder.

A Shareholder who elects to exercise appraisal rights under Section 106(6) of the Companies Act should mail or deliver a written demand to:

FUTURE SEACUBE SHAREHOLDER PROPOSALS

As of the date of this proxy statement, the Board knows of no other matters which may be presented for consideration at the Special General Meeting. However, if any other matter is presented properly for consideration and action at the Special General Meeting or any adjournment or postponement thereof, it is intended that the proxies will be voted with respect thereto in accordance with the best judgment and in the discretion of the proxy holders.

If the Amalgamation is consummated, we will not have public shareholders and there will be no public participation in any future Shareholder meetings. We intend to hold the 2013 annual general meeting of Shareholders only if the Amalgamation is not consummated. Under SEC rules, Shareholder proposals to be considered for inclusion in the proxy statement and form of proxy relating to the 2013 annual general meeting of Shareholders must have been received no later than December 13, 2012, unless the date of the 2013 annual general meeting is changed by more than 30 days from the date of the last annual general meeting, in which case the proposal must be received no later than a reasonable time before the Company begins to print and send its annual proxy materials. In addition, all proposals will need to comply with Rule 14a-8 of the Exchange Act, which lists the requirements for the inclusion of Shareholder proposals in company-sponsored annual proxy materials. Shareholder proposals must be delivered to the Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656.

If a Shareholder wishes to submit a proposal for business to be brought before the 2013 annual general meeting of Shareholders outside of SEC Rule 14a-8, including with respect to Shareholder nominations of directors, notice of such matter must be received by the Company, in accordance with the provisions of our Company's Bye-laws, no earlier than the close of business on January 23, 2013, nor later than the close of business on February 22, 2013. Notice of any such proposal also must include the information specified in our Bye-laws and should be sent to Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656. In order for a proposal to be considered timely for purposes of Rule 14a-4(c), such proposal must be received no later than the close of business on February 22, 2013. If the date of our 2013 annual general meeting of Shareholders is called for a date that is more than 25 days before or after the one-year anniversary of the 2012 annual meeting, the notice must be delivered or mailed and received no later than 10 days following the earlier of (i) the date on which notice of the annual general meeting was mailed or (ii) the date on which public disclosure of the date of the annual general meeting was made.

Additionally, under Bermuda law, any number of Shareholders representing not less than five percent of the total voting rights or 100 or more Shareholders together may require us to give notice to our Shareholders of a proposal to be submitted at an annual general meeting. Generally, notice of such a proposal must be received by us at our registered office in Bermuda (located at Clarendon House, 2 Church Street, Hamilton, HM 11, Bermuda) not less than six weeks before the date of the meeting and must otherwise comply with the requirements of Bermuda law.

The relevant provisions of our Bye-laws regarding the requirements for making Shareholder proposals and nominating director candidates are available on the Investor Relations section of our website at www.seacubecontainers.com. You may also send a written request to Office of the General Counsel/Corporate Secretary, SeaCube Container Leasing Ltd., 1 Maynard Drive, Park Ridge, New Jersey 07656 to request a copy of our Bye-laws.

The execution and delivery and performance of this Agreement and the Amalgamation Agreement by each of Parent and Acquisition Sub and the consummation by each of Parent and Acquisition Sub of the transactions contemplated by this Agreement and the Amalgamation Agreement have been duly and validly authorized by all necessary corporate action on the part of Parent and Acquisition Sub.

Section 4.3 Enforceability This Agreement has been duly executed and delivered by each of Parent and Acquisition Sub and constitutes a legal, valid and binding agreement of each of Parent and Acquisition Sub, enforceable against each of them in accordance with its terms, subject to the effect of any applicable bankruptcy, insolvency (including all Laws related to fraudulent transfers), reorganization, moratorium or similar Laws affecting creditors' rights generally and subject to the effect of general principles of equity (whether considered in a proceeding at equity or at law).

(e) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not reasonably be expected to have a Parent Material Adverse Effect.

Section 4.5 **Non-Contravention** The execution, delivery and performance of this Agreement by Parent and Acquisition Sub and the consummation by Parent and Acquisition Sub of the transactions contemplated by this Agreement do not and will not:

(a) contravene or conflict with, or result in any violation or breach of, any provision of the organizational documents of Parent, as in effect on the date of this Agreement;

(b) contravene or conflict with, or result in any violation or breach of, any Laws or Orders applicable to Parent or any of its Subsidiaries or by which any assets of Parent or any of its Subsidiaries (Parent Assets) are bound, assuming that all consents, approvals, authorizations, filings and notifications described in Section 4.4 have been obtained or made or, if not obtained or made, would not reasonably be expected to have a Parent Material Adverse Effect;

(c) result in any violation or breach of, or constitute a default (with or without notice or lapse of time or both) under, any Contracts to which Parent or any of its Subsidiaries is a party or by which any Parent Assets are bound (collectively, Parent Contracts), other than as would not reasonably be expected to have a Parent Material Adverse Effect; or

(d) require any consent, approval or other authorization of, or filing with or notification to, any Person under any Parent Contracts, other than those that, if not obtained, would not reasonably be expected to have a Parent Material Adverse Effect.

Section 4.6 **Interim Operations of Acquisition Sub** Acquisition Sub was incorporated solely for the purpose of engaging in the transactions contemplated by this Agreement and has not engaged in any business activities or conducted any operations other than in connection with the transactions contemplated by this Agreement.

Section 4.7 **Capital Resources** Parent and Acquisition Sub will have, immediately prior to the Effective Time, cash sufficient to enable Parent and Acquisition Sub to consummate the Amalgamation on the terms contemplated by this Agreement, and to make all payments contemplated by this Agreement, including payment of (a) the Transaction Consideration and (b) all fees and expenses in connection with the Amalgamation and the other transactions contemplated hereby.

Section 4.8 **Solvency** To the Knowledge of Parent based on information available as of the date of this Agreement, on and as of the Closing Date and after giving effect to the Amalgamation, assuming satisfaction of the conditions to Parent's obligation to consummate the Amalgamation, or waiver of such conditions, the accuracy of the representations and warranties set forth in Article III and the performance by the Company of its obligations thereunder, the Amalgamated Company and its Subsidiaries, on a consolidated basis, will not: (a) be insolvent (either because its financial condition is such that the sum of its debts is greater than the fair market value of its assets or because the fair saleable value (determined on a going concern basis) of its assets is less than the amount required to pay its probable liability on its existing debts as they mature); (b) have incurred debts beyond its ability to pay them as they become due; or (c) be engaged in business or a transaction, and is not about to engage in business or a transaction, for which its property would constitute unreasonably small capital with which to conduct its business. Furthermore, no transfer of property is being made and no obligation is being incurred in connection with the transactions contemplated by this Agreement with the intent to hinder, delay or defraud either present or future creditors of Parent, Acquisition Sub, the Company or its Subsidiaries.

Section 4.9 **Absence of Litigation** As of the date of this Agreement, there is no Legal Action pending or, to the Knowledge of Parent, threatened, against Parent or any of its Affiliates before any Governmental Entity

that would or seeks to materially delay or prevent the consummation of the Amalgamation or the transactions contemplated thereby. As of the date of this Agreement, neither Parent nor any of its Affiliates is subject to any continuing order of, consent decree, settlement agreement or other similar written agreement with, or, to the Knowledge of Parent, continuing investigation by, any Governmental Entity, or any order, writ, judgment, injunction, decree, determination or award of any Governmental Entity that would or seeks to materially delay or prevent the consummation of any of the transactions contemplated hereby.

Section 4.10 Brokers The Company will not be responsible for any brokerage, finder's or other fee or commission to any broker, finder or investment banker in connection with the transactions contemplated hereby based upon arrangements made by or on behalf of Parent or Acquisition Sub.

Section 4.11 Limited Guaranty Concurrently with the execution of this Agreement, Parent has caused the Guarantor to deliver to the Company the duly executed Limited Guaranty. The Limited Guaranty is in full force and effect and constitutes a legal, valid and binding obligation of the Guarantor, and no event has occurred which, with or without notice, lapse of time or both, would constitute a default on the part of the Guarantor under the Limited Guaranty.

Section 4.12 Financing Parent has delivered to the Company a true and complete copy of (i) the Equity Commitment Letter, pursuant to which, upon the terms and subject to the conditions set forth therein, OTPP has committed to provide the financing in the amount set forth therein (the Equity Financing) and (ii) the Debt Commitment Letter, pursuant to which, upon the terms and subject to the conditions set forth therein, Wells Fargo Bank, National Association has committed to provide financing up to the aggregate amount set forth therein for the purposes set forth in the Debt Commitment Letter (the Debt Financing). Assuming the accuracy of the representations and warranties set forth in Article III and the performance by the Company of its obligations under this Agreement, the aggregate proceeds to be disbursed pursuant to the agreements contemplated by Equity Commitment Letter and the Debt Commitment Letter and together with available cash, cash equivalents and marketable securities of the Company, in the aggregate, will be sufficient to (i) fund the payment of the aggregate Transaction Consideration in respect of the Common Shares, (ii) pay any and all fees and expenses required to be paid by Parent and Acquisition Sub in connection with the Amalgamation and the Equity Financing and (iii) satisfy all of the other payment obligations of Parent and Acquisition Sub contemplated hereunder. As of the date of this Agreement, each of the Equity Commitment Letter and the Debt Commitment Letter is in full force and effect and, to the knowledge of Parent and Acquisition Sub, is a legal, valid and binding obligation of each of the parties thereto, in each case, except as enforcement thereof may be limited by (A) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and similar Laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and any implied covenant of good faith and fair dealing, or remedies in general, as from time to time in effect, or (B) the exercise by courts of equity powers. Neither the Equity Commitment Letter nor the Debt Commitment Letter has been amended, supplemented or otherwise modified prior to the date of this Agreement, and the commitment contained in the Equity Commitment Letter or the Debt Commitment Letter, as applicable, has not, prior to the date of this Agreement, been withdrawn, terminated or rescinded in any respect. There are no other agreements, side letters or arrangements relating to the Equity Commitment Letter or the Debt Commitment Letter that could affect the availability or aggregate amount of the Equity Financing or the Debt Financing, as applicable. The Equity Commitment Letter does not violate the fund documents of OTPP and OTPP has the ability to make capital calls sufficient to satisfy its obligations under the Equity Commitment Letter. As of the date of this Agreement, there are no conditions precedent or other contingencies related to the funding of the full amount under the Equity Financing or the Debt Financing, other than as set forth in or contemplated by the Equity Commitment Letter or the Debt Commitment Letter, as applicable. No event has occurred which, with or without notice, lapse of time or both, would reasonably be expected to constitute a default or breach on the part of Parent or Acquisition Sub under the Equity Commitment Letter or the Debt Commitment Letter. Assuming the satisfaction of the conditions to Acquisition Sub's obligation to consummate the Amalgamation and performance by the Company of its obligations under this Agreement, as of the date of this Agreement, neither Parent nor Acquisition Sub has any reason to believe that any of the conditions to the

Equity Financing contemplated by the Equity Commitment Letter or the Debt Financing contemplated by the Debt Commitment Letter will not be satisfied or that the Equity Financing or the Debt Financing will not otherwise be made available to Parent or Acquisition Sub on the Closing Date to the extent necessary.

Parent shall provide the Company with any information that may be required in connection with the preparation and filing of the Company Proxy Statement. The Company shall provide Parent with a reasonable opportunity to review and comment on such draft, and the Company shall file the Company Proxy Statement with the SEC.

(b) The Company hereby covenants and agrees that none of the information included or incorporated by reference in the Company Proxy Statement will, at the date it is first mailed to the shareholders of the Company or at the time of the Company Shareholders Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading; provided, however, that no covenant is made by the Company with respect to statements made or incorporated by reference therein to the extent based on information supplied by Parent or Acquisition Sub or any Affiliate of Parent or Acquisition Sub in connection with the preparation of the Company Proxy Statement for inclusion or incorporation by reference therein. Parent and Acquisition Sub hereby covenant and agree that none of the information supplied by Parent or Acquisition Sub or any Affiliate of Parent or

Acquisition Sub for inclusion or incorporation by reference in the Company Proxy Statement will, at the date it is first mailed to the shareholders of the Company or at the time of the Company Shareholders Meeting or at the time of any amendment or supplement thereof, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading; provided, however, that no covenant is made by either Parent or Acquisition Sub with respect to statements made or incorporated by reference therein to the extent based on information supplied by the Company or any Affiliate of the Company in connection with the preparation of the Company Proxy Statement for inclusion or incorporation by reference therein.

(c) The Company shall use reasonable best efforts to (i) respond to any comments on the Company Proxy Statement or requests for additional information from the SEC as promptly as practicable after receipt of any such comments or requests and (ii) cause the Company Proxy Statement to be mailed to the shareholders of the Company as promptly as practicable following the date of this Agreement. The Company shall promptly (A) notify Parent upon the receipt of any such comments or requests and (B) provide Parent with copies of all correspondence between the Company and its Representatives, on the one hand, and the SEC and its staff, on the other hand. Prior to responding to any such comments or requests or the filing or mailing of the Company Proxy Statement, the Company (x) shall consult with Parent regarding, and provide Parent with a reasonable opportunity to review and comment on, any drafts of the Company Proxy Statement and related correspondence and filings and (y) shall consider for inclusion in such drafts, correspondence and filings all comments reasonably proposed by Parent.

(d) Subject to Section 5.4, the Company Proxy Statement shall include the Company Board Recommendation unless the Company Board has withdrawn, modified or amended the Company Board Recommendation in accordance with Section 5.4(d)(iii).

Section 5.7 Company Shareholders Meeting Subject to Section 5.4, the Company shall call and hold the Company Shareholders Meeting as promptly as practicable following the date of this Agreement for the purpose of voting on the approval and adoption of this Agreement and the Amalgamation Agreement; provided, however, that without the prior written consent of Parent, the Company Shareholders Meeting shall not be held later than 30 Business Days after the clearance of the Company Proxy Statement by the SEC. Subject to Section 5.4, the Company shall (a) use its reasonable best efforts to solicit or cause to be solicited from its shareholders proxies in favor of the approval and adoption of this Agreement and the Amalgamation Agreement and (b) take all other action necessary or advisable to secure the Requisite Company Vote.

Section 5.8 Employees: Benefit Plans

(a) For a period of one year following the Closing Date (the Continuation Period) Parent shall cause the Amalgamated Company to provide employees of the Company and its Subsidiaries as of the Effective Time (Employees) with compensation and benefits (other than equity compensation) that are no less favorable in the aggregate than those provided under the Company s compensation and benefit plans, programs, policies, practices and arrangements in effect at the Effective Time; provided, however, that during such one-year period, nothing herein shall prevent the amendment or termination of any specific plan, program or arrangement, require that the Amalgamated Company provide or permit investment in the securities of Parent or the Amalgamated Company or interfere with the Amalgamated Company s right or obligation to make such changes as are necessary to comply with applicable Law. Notwithstanding anything to the contrary set forth herein, nothing herein shall preclude the Amalgamated Company from terminating the employment of any Employee.

(b) Parent shall and shall cause the Amalgamated Company to honor the individual agreements and Company Benefit Plans listed in Section 5.8(b)(i) of the Company Disclosure Letter in effect as of the date hereof in accordance with their terms as in effect immediately prior to the Effective Time, subject to any amendment or termination thereof that may be permitted by such agreements and Company Benefit Plans and except as provided herein. During the Continuation Period, Parent shall provide all Employees who suffer an

involuntary termination of employment without cause with severance benefits no less favorable than those that would have been provided to such Employees under the Company's severance policy as in effect immediately prior to the date hereof and as set forth in Section 5.8(b)(ii) of the Company Disclosure Letter.

(c) For the purposes of determining eligibility and vesting under the employee benefit plans of Parent and its Affiliates in which any Employees may become eligible to participate after the Effective Time (the New Plans), each Employee shall be credited with his or her years of service with the Company and its Affiliates before the Effective Time (including predecessor or acquired entities or any other entities for which the Company and its Affiliates have given credit for prior service), to the same extent as such Employee was entitled, before the Effective Time, to credit for such service under any similar or comparable Company Benefit Plans; provided, however, that the foregoing shall not apply for purposes of vesting or eligibility for any plans which are frozen to new participants, benefit accrual under any defined benefit pension plans or to the extent it would result in duplication of benefits. In addition, and without limiting the generality of the foregoing: (i) each Employee immediately shall be eligible to participate, without any waiting time, in any and all New Plans to the extent coverage under such New Plan replaces coverage under a similar or comparable Company Benefit Plan in which such Employee participated immediately before the Effective Time (such plans, collectively, the Old Plans); and (ii) for purposes of each New Plan providing medical, dental, pharmaceutical and/or vision benefits to any Employee, Parent shall use commercially reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such New Plan to be waived for such Employee and his or her covered dependents, and Parent shall use commercially reasonable efforts to cause any eligible expenses incurred by such Employee and his or her covered dependents during the portion of the plan year of the Old Plan ending on the date such Employee's participation in the corresponding New Plan begins to be taken into account under such New Plan for purposes of satisfying all deductible, coinsurance and maximum out of pocket requirements applicable to such Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such New Plan.

(d) Nothing in this Agreement is intended to (i) be treated as an amendment to any particular Company Benefit Plan, (ii) prevent Parent from amending or terminating any of its benefit plans in accordance with their terms or (iii) create any third-party beneficiary rights in any employee of the Company or any of its Subsidiaries, any beneficiary or dependent thereof, or any collective bargaining representative thereof, with respect to the compensation, terms and conditions of employment and/or benefits that may be provided to any Employee by Parent or the Company or under any benefit plan which Parent or the Company may maintain.

Section 5.9 Directors and Officers Indemnification and Insurance

(a) From and after the Effective Time, Parent and the Amalgamated Company shall cause all rights to indemnification, advancement of expenses and exculpation now existing in favor of any present or former director or officer of the Company or any of its Subsidiaries (the Indemnified Parties) as provided in the Company Organizational Documents, or in agreements, copies of which have been provided to Parent prior to the date of this Agreement, between an Indemnified Party and the Company or one of its Subsidiaries or otherwise in effect on the date of this Agreement to survive the Amalgamation and to continue in full force and effect for a period of not less than six (6) years after the Effective Time, or, if longer, for such period as is set forth in any applicable agreement with an Indemnified Party in effect on the date of this Agreement, copies of which have been provided to Parent prior to the date of this Agreement. Parent shall guarantee such performance by the Amalgamated Company.

(b) Parent shall cause the Amalgamated Company to indemnify all Indemnified Parties to the fullest extent permitted by applicable Laws with respect to all acts and omissions arising out of or relating to their services as directors or officers of the Company or its Subsidiaries occurring prior to or at the Effective Time. If any Indemnified Party is or becomes involved in any Legal Action in connection with any matter occurring prior to or at the Effective Time, Parent shall cause the Amalgamated Company to pay as incurred such Indemnified Party's legal fees, costs and expenses incurred in connection with such Legal Action, subject to the

Table of Contents

Amalgamated Company's receipt of an undertaking by or on behalf of such Indemnified Party, if and only to the extent required by applicable Law, to repay such legal fees, costs and expenses if it is ultimately determined under applicable Laws that such Indemnified Party is not entitled to be indemnified.

(c) Prior to the Effective Time, the Company shall and, if the Company is unable to, Parent shall cause the Amalgamated Company to, as of the Effective Time, obtain and fully pay for tail insurance policies with a claims period of at least six (6) years after the Effective Time which obligation may be satisfied by extending the current policies of directors' and officers' liability insurance maintained by the Company or by providing for policies of at least the same coverage and amounts containing terms and conditions which are no less advantageous with respect to claims arising out of or relating to events which occurred before or at the Effective Time so long as the Amalgamated Company is not required to pay an annual premium in excess of 300% of the last annual premium paid by the Company for such insurance prior to the date of this Agreement (such 300% amount being the Maximum Premium). If the Amalgamated Company is unable to obtain the insurance described in the prior sentence for an amount less than or equal to the Maximum Premium, the Amalgamated Company shall instead obtain as much comparable insurance as possible for an annual premium equal to the Maximum Premium.

(d) The covenants contained in this Section 5.9 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties and their respective heirs and legal representatives and shall not be deemed exclusive of any other rights to which an Indemnified Party is entitled, whether pursuant to Law, Contract or otherwise.

(e) In the event that the Amalgamated Company or any of its successors or assigns (i) consolidates with, amalgamates with or merges into any other person and shall not be the continuing or surviving company or entity of such consolidation, amalgamation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors or assigns of the Amalgamated Company, as the case may be, shall succeed to the obligations set forth in this Section 5.9.

Section 5.10 Reasonable Best Efforts Upon the terms and subject to the conditions set forth in this Agreement and in accordance with applicable Laws, each of the parties to this Agreement shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to ensure that the conditions set forth in Article VI are satisfied and to consummate the transactions contemplated by this Agreement as promptly as practicable.

Section 5.11 Consents; Filings; Further Action

(a) Upon the terms and subject to the conditions of this Agreement and in accordance with applicable Laws, each of Parent and the Company shall use its reasonable best efforts to (i) obtain from any Governmental Entities any actions, non-actions, clearances, waivers, consents, approvals, permits or orders required to be obtained by the parties to this Agreement in connection with the authorization, execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby; (ii) make all necessary registrations and filings, and thereafter make any other submissions required or deemed appropriate by either Parent or the Company, in connection with the transactions contemplated by this Agreement under (A) the Securities Act and the Exchange Act, (B) Foreign Competition Laws, (C) the Companies Act, (D) the NYSE rules and regulations and (E) any other applicable Laws or from CFIUS. Parent and the Company shall cooperate and consult with each other in connection with the making of all such filings and notifications, including by providing copies of all relevant documents to the non-filing party or its advisors prior to filing. Neither Parent nor the Company shall file any such document if the other party has reasonably objected to the filing of such document. Neither Parent nor the Company shall consent to any voluntary extension of any statutory deadline or waiting period or to any voluntary delay of the consummation of the transactions contemplated by this Agreement at the behest of any Governmental Entity without the consent of the other party, which consent shall not be unreasonably withheld or delayed.

The parties to this Agreement will cooperate with each other in connection with the making of all such filings, including providing copies of all such filings and attachments to outside counsel for the non-filing parties, and make reasonable best efforts to (i) furnish all information required for any application or other filing to be made pursuant to any applicable Law in connection with the transactions contemplated by this Agreement; (ii) keep the other parties informed in all material respects of any material communication received by such party from, or given by such party to, any Governmental Entity and of any material communication received or given in connection with any proceeding by a private party, in each case relating to the transactions contemplated by this Agreement; (iii) consult with the other parties prior to taking a position, and permit the other parties to review and discuss in advance, and consider in good faith the views of the other in connection with any analyses, appearances, presentations, memoranda, briefs, white papers, arguments, opinions and proposals before making or submitting any of the foregoing to any Governmental Entity by or on behalf of any party hereto in connection with any investigations or proceedings related solely to this Agreement or the transactions contemplated hereby or given in connection with any proceeding by a private party and (iv) consult with the other parties in advance of any meeting or conference with, any Governmental Entity relating to the transactions contemplated by this Agreement or in connection with any proceeding by a private party relating thereto, and give the other parties the opportunity to attend and participate in such meetings and conferences (unless prohibited by such Governmental Entity). The parties contemplate that as a general matter the Company shall be represented at in-person meetings with any Governmental Entity (unless prohibited by such Governmental Entity).

Notwithstanding the foregoing, the Company and Parent may, as each deems advisable and necessary, reasonably designate any competitively sensitive material provided to the other under this [Section 5.11\(a\)](#) as Counsel Only Material. Such materials and the information contained therein shall be given only to the outside counsel of the recipient and will not be disclosed by outside counsel to employees, officers, directors or consultants of the recipient or any of its Affiliates unless express permission is obtained in advance from the source of the materials (the Company or Parent as the case may be) or its legal counsel. Each of the Company and Parent shall cause their respective outside counsels to comply with this [Section 5.11](#). Notwithstanding anything to the contrary in this [Section 5.11](#), materials provided to the other party or its counsel may be redacted to remove references concerning the valuation of the Company and, privileged communications and competitively sensitive information.

Each of Parent and the Company shall promptly inform the other party upon receipt of any communication from the Federal Trade Commission, the Department of Justice or any other Governmental Entity regarding any of the transactions contemplated by this Agreement. Each of the Company, Parent and Acquisition Sub shall contact CFIUS as promptly as practicable and in any event within ten (10) Business Days of the date hereof and request an informal consultation, following which they will jointly prepare and submit a draft joint voluntary notice in accordance with 31 C.F.R. Section 800.401(g), and after resolution of all questions and comments received from CFIUS on such draft, shall prepare and submit the CFIUS Notice, and the parties shall respond to any inquiries from CFIUS in respect of the CFIUS filing, and the parties shall use their reasonable best efforts to respond within the time frame set forth in 31 C.F.R. Section 800.403(a)(3), or otherwise provided by CFIUS, without the need to request an extension of time, and shall make any other submissions under Exon-Florio that are required to be made or that the parties agree should be made. If Parent or the Company (or any of their respective Affiliates) receives a request for additional information from any Governmental Entity that is related to the transactions contemplated by this Agreement, then such party will endeavor in good faith to make, or cause to be made, as soon as reasonably practicable and after consultation with the other party, an appropriate response to such request. Parent shall advise the Company promptly of any understandings, undertakings or agreements (oral or written) which Parent proposes to make or enter into with any Governmental Entity or any private party challenging the transactions contemplated by this Agreement. In furtherance and not in limitation of the foregoing, each of Parent and the Company shall use its reasonable best efforts to (i) resolve any objections that may be asserted with respect to the transactions contemplated by this Agreement under any antitrust, competition or trade regulatory Laws, (ii) avoid the entry of, or have vacated or terminated, any decree, order, or judgment that would restrain, prevent or delay the Closing, including defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions

contemplated hereby; and (iii) execute and deliver any additional instruments necessary to consummate the transactions contemplated by this Agreement; provided, however, that in no event shall Parent or any of its Affiliates or the Company be obligated to agree, as a condition for resolving any such objections, to dispose of, divest of or hold separate any of its properties or other assets, or the properties or other assets of the Company and its Subsidiaries after the consummation of the Amalgamation or to subject itself to any restriction on the operation of its business or the business of the Company and its Subsidiaries after the consummation of the Amalgamation that would reasonably be expected to have a material adverse effect on the business, operations, properties, assets, financial condition or Liabilities of Parent and its Subsidiaries, taken as a whole, or the Company and its Subsidiaries, taken as a whole. No party to this Agreement shall consent to any voluntary delay of the Closing at the behest of any Governmental Entity without the consent of the other parties to this Agreement, which consent shall not be unreasonably withheld.

(b) Notwithstanding the foregoing or any other provision of this Agreement, nothing in this Section 5.11 shall limit a party's right to terminate this Agreement pursuant to Section 7.2(b), Section 7.2(c) or Section 7.2(d) so long as such party has up to then complied in all material respects with its obligations under this Section 5.11.

Section 5.12 Public Announcements Unless and until an Adverse Recommendation Change has occurred or in connection with Section 5.4(d), Parent and the Company shall consult with each other before issuing any press release or otherwise making any public statements about this Agreement or any of the transactions contemplated by this Agreement. Neither Parent nor the Company shall issue any such press release or make any such public statement prior to such consultation, except to the extent required by applicable Laws or the NYSE requirements, in which case that party shall use its commercially reasonable efforts to consult with the other party before issuing any such release or making any such public statement.

Section 5.13 Stock Exchange De-listing Parent and the Company shall use their commercially reasonable efforts to cause the Common Shares to be de-listed from the NYSE and de-registered under the Exchange Act promptly following the Effective Time.

Section 5.14 Fees, Expenses and Conveyance Taxes Whether or not the Amalgamation is consummated, all expenses (including those payable to Representatives) incurred by any party to this Agreement or on its behalf in connection with this Agreement and the transactions contemplated by this Agreement (Expenses) shall be paid by the party incurring those Expenses, except that Parent and the Company shall share equally each of the filing fees with respect to the filings contemplated by Section 5.11(a).

Section 5.15 Takeover Statutes If any Takeover Statute is or becomes applicable to this Agreement, the Voting Agreement, the Amalgamation or the other transactions contemplated by this Agreement or the Voting Agreement, the Company and the Company Board shall (a) take all necessary action to ensure that such transactions may be consummated as promptly as practicable upon the terms and subject to the conditions set forth in this Agreement and (b) otherwise act to eliminate or minimize the effects of such Takeover Statute.

Section 5.16 Standstill Agreements: Confidentiality Agreements Subject to Section 5.4, during the period from the date of this Agreement through the Effective Time, the Company will not terminate, amend, modify or waive any provision of any confidentiality agreement not entered into in the ordinary course of business or any agreement by a third party not to acquire assets or securities of the Company to which it or any of its Subsidiaries is a party, other than the Confidentiality Agreement pursuant to its terms or by written agreement of the parties thereto. Notwithstanding the foregoing sentence or anything else in this Agreement to the contrary, at any time prior to obtaining the Requisite Company Vote, the Company shall not be obligated to comply with this Section 5.16 if the Company Board determines, after consultation with outside legal counsel, that such compliance is necessary in order for the Company Board to comply with its fiduciary duties under applicable Law; provided, however, that the Company shall not take any action that would otherwise fail to comply with this Section 5.16 in reliance on the foregoing exception until after the third (3rd) Business Day following Parent's receipt of written notice from the Company advising Parent that the Company intends to take such action and

specifying the nature of the action to be taken, it being understood and agreed that in determining whether to authorize the Company to take such action the Company Board shall take into account any changes to the financial terms of this Agreement proposed by Parent to the Company in response to such written notice.

Section 5.17 Related Party Transactions Effective immediately prior to the Closing, the Company shall, and shall cause its Subsidiaries to, take such action as is required to cause any Related Party Transaction (other than those agreements set forth in Section 5.17 of the Company Disclosure Letter) to be terminated without the creation of any Liability with respect to the Company or any of its Subsidiaries upon such termination.

Section 5.18 Financing.

(a) Each of Parent and Acquisition Sub shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to arrange and obtain the proceeds of the Equity Financing and the Debt Financing on the terms and conditions described in the Equity Commitment Letter or the Debt Commitment Letter, as applicable (as each may be amended in accordance with the terms below), including using reasonable best efforts to (i) enter into definitive agreements with respect thereto on the terms and conditions contained therein and (ii) to satisfy on a timely basis (taking into account the expected timing of the Closing) all conditions, and otherwise comply with all terms, applicable to Parent and Acquisition Sub in such definitive agreements within their control. Parent and Acquisition Sub may not agree to or permit any amendment, supplement or other modification to be made to, or any waiver of any material provision or remedy under, the Equity Commitment Letter without the consent of the Company. Parent and Acquisition Sub may not agree to or permit any amendment, supplement or other modification to be made to, or any waiver of any material provision or remedy under, the Debt Commitment Letter or the definitive agreements relating to the Debt Financing without the consent of the Company if such amendments, supplement, other modification or waivers would or could reasonably be expected to (w) reduce the aggregate amount of the Debt Financing below the amount required to repay or refinance the debt contemplated in this Agreement or the Debt Commitment Letter, (x) impose new or additional conditions to the receipt of the Debt Financing or amend or otherwise modify the existing conditions to the receipt of the Debt Financing so as to adversely impact the ability of Parent or Acquisition Sub to timely consummate the transactions contemplated hereby or the likelihood of consummation of the transactions contemplated hereby, (y) prevent or materially delay the consummation of the transactions contemplated by this Agreement or (z) adversely impact the ability of Parent or Acquisition Sub to enforce its rights against the other parties to the Debt Commitment Letter (provided, that, for the avoidance of doubt, Parent and Acquisition Sub may replace or amend the Debt Commitment Letter to add lenders, lead arrangers, bookrunners, syndication agents or similar entities).

(b) If any portion of the Debt Financing becomes unavailable on the terms and conditions contemplated in the Debt Commitment Letter, Parent and Acquisition Sub shall use their respective reasonable best efforts to arrange and obtain alternative debt financing from alternative sources in an amount sufficient when combined with cash on hand and other financing arrangements to consummate the transactions contemplated by this Agreement as promptly as practicable following the occurrence of such event; provided, however, that Parent and Acquisition Sub shall not be required to seek or accept any such alternate debt financing if the terms or conditions thereof are less favorable to Parent (in the reasonable judgment of Parent) than the Debt Financing to be replaced, including with respect to economic terms and conditions. Parent and Acquisition Sub shall keep the Company informed on a reasonably current basis in reasonable detail of the all material activity concerning the status of the Debt Financing or any alternative debt financing and concurrently provide final copies of the material definitive documents for the Debt Financing provided to the lenders. Parent and Acquisition Sub shall each give the Company prompt notice of (i) any material breach by any party of the Equity Commitment Letter, the Debt Commitment Letter or any definitive document related to the Equity Financing or Debt Financing of which Parent or Acquisition Sub becomes aware or (ii) the receipt by it of any written notice with respect to any material breach, default, termination or repudiation by any party to the applicable the Equity Commitment Letter, the Debt Commitment Letter or any definitive document related to the Equity Financing or Debt Financing, as applicable, of any material provisions of the Equity Commitment Letter, Debt Commitment Letter or any definitive document related to the Equity Financing. As soon as reasonably practicable, Parent shall provide any

information reasonably requested by the Company relating to any circumstance referred to in the immediately preceding sentence. Notwithstanding anything in this Section 5.18 or in any other provision of this Agreement, Parent and Acquisition Sub acknowledge and agree that the obtaining of the Debt Financing, or any alternative debt financing, is not a condition to Closing.

Section 5.19 Cooperation with Financing. The Company shall use its reasonable best efforts to provide and cause its Subsidiaries to provide, and shall cause its and their respective officers, directors, employees, consultants, accountants, legal counsel, investment bankers, agents and other representatives to provide, all necessary cooperation in connection with any financing efforts that Parent may undertake in connection with any Debt Financing, in connection with obtaining consents from the Company's lenders or note holders under the Company's existing financing arrangements or with respect to notices relating to the repayment of any of the Company's existing financing arrangements to occur at or following the Closing, as may be reasonably requested by Parent, including, but not limited to, participation in a reasonable number of meetings, furnishing financial and other information, cooperation in marketing efforts, assisting in matters related to collateral (including providing information as requested for the evaluation of assets included or that may be included in any borrowing base), assistance in preparing borrowing base certificates in the form and substance as requested by Parent and for the dates requested by Parent, allowing Parent and its and its lender's Representatives such access as may be reasonably necessary for their due diligence, creating a bankruptcy remote Subsidiary in a jurisdiction specified by Parent and causing one or more of its Subsidiaries, as necessary, to become borrowers under any such Debt Financing; provided, however, that none of the Company or any of its Subsidiaries shall be required to pay any commitment or other similar fee or incur any other liability in connection with the foregoing prior to the Effective Time and provided, further, that Parent shall be solely responsible for all out-of-pocket expenses of the Company incurred in connection with the foregoing.

Section 5.20 Eligibility of Assets in Borrowing Base and Existing Indebtedness.

(a) The Company shall and shall cause its Subsidiaries to ensure that assets (including containers and generator sets) meeting the eligibility requirements for inclusion in the borrowing base under any agreement relating to the Company Indebtedness (other than the Term Loan), are in a level sufficient to support the amount of indebtedness outstanding thereunder in accordance with the terms thereof.

(b) The Company shall provide to Parent as promptly as practicable after the provision to any lender, manager, administrative agent, collateral agent, bondholder or other party any report, certificate or other written information relating to the borrowing base or any assets included in the borrowing base provided pursuant to any management agreement or agreement relating to the Company Indebtedness (other than the Term Loan).

(c) The Company and its Subsidiaries shall procure that no manager default, event of default or early amortization event shall have occurred and be continuing under (and as defined in) any management agreement or agreement relating to the Company Indebtedness.

offer or exchange offer by its shareholders, which shall constitute a failure to recommend against acceptance of such tender offer or exchange offer) within ten (10) Business Days after commencement, or (iv) the Company or the Company Board publicly announces its intention to do any of the foregoing; or

(c) if the Company breaches any of its representations, warranties, covenants or agreements contained in this Agreement, which breach (i) would give rise to the failure of a condition set forth in Section 6.2(a) or Section 6.2(c) and (ii) has not been cured (or is not capable of being cured) by the Company (x) within thirty (30) days after the Company's receipt of written notice of such breach from Parent or (y) solely with respect to Sections 5.20(a) and (c), prior to the date on which the Closing would otherwise occur pursuant to Section 1.2(a) if such breach were not in existence.

Section 7.4 Termination by the Company This Agreement may be terminated by the Company at any time prior to the Effective Time:

(a) in accordance with Section 5.4(d)(iii); provided, however, that the Company shall pay Acquisition Sub the Company Termination Fee and enter into an agreement regarding a Superior Proposal, in each case, concurrently with the termination of this Agreement pursuant to this Section 7.4(a); or

For purposes of this Agreement, intentional and in bad faith breach or failure shall mean a material breach or failure, as appropriate, that is a consequence of an omission by, or act undertaken by or caused by, the breaching party with the knowledge that the omission or taking or causing of such act would, or would reasonably be expected to, cause a breach of this Agreement. The provisions of Section 5.3(b), Section 5.14, this Section 7.5, Section 7.6 and Article VIII shall survive any termination of this Agreement.

(c) If (i) all of the conditions set forth in [Sections 6.1](#) and [6.2](#) have been satisfied or waived (other than those conditions that by their nature are to be satisfied by actions taken at the Closing) and this Agreement is terminated by the Company due to the failure of Parent and Acquisition Sub to consummate the Amalgamation within the time period set forth in [Section 1.2](#), and (ii)(A) the consents set forth on [Section 7.6\(c\)](#) of the Company Disclosure Letter have not been received and (B) the Debt Financing contemplated by the Debt Financing Commitments necessary to refinance or replace the indebtedness related to such consents has not been funded and will not be funded at the Closing, then Parent shall pay, or cause to be paid, within five (5) Business Days of such termination, to Company, as liquidated damages and not as a penalty and as the sole and exclusive remedy of Company and its Subsidiaries against Parent and Acquisition Sub and any of their respective Affiliates, shareholders, directors, officers or agents for any loss or damage suffered as a result of the failure of the Amalgamation to be consummated, by wire transfer of immediately available funds an amount equal to US\$35,000,000.00 (the [Parent Termination Fee](#)). In all other circumstances, the sole and exclusive remedy of the Company and its Subsidiaries against Parent and Acquisition Sub and any of their respective Affiliates, shareholders, directors, officers or agents for any loss or damage suffered as a result of the failure of the Amalgamation to be consummated shall be specific performance pursuant to [Section 8.14](#) below or, if the remedy of specific performance set forth in [Section 8.14](#) is not available, damages recoverable by the Company pursuant to [Section 8.13](#) below.

(d) Notwithstanding anything herein to the contrary, in no event shall payment of more than one Company Termination Fee or more than one Parent Termination Fee be made hereunder. The parties acknowledge that the Company Termination Fee and Parent Termination Fee, in the circumstances in which such fees becomes payable, constitute liquidated damages and are not a penalty. For the avoidance of doubt, while Parent may pursue both a grant of specific performance pursuant to [Section 8.14](#) and the payment of the Company Termination Fee under this [Section 7.6](#), in no event will Parent be entitled to both the payment of the Company Termination Fee and specific performance of this Agreement. The parties acknowledge that the agreements contained in this [Section 7.6](#) are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the parties would not enter into this Agreement.

[Section 7.8 Extension; Waiver](#) At any time prior to the Effective Time, Parent and Acquisition Sub, on the one hand, and the Company, on the other hand, may (a) extend the time for the performance of any of the obligations of the other party, (b) waive any inaccuracies in the representations and warranties of the other party contained in this Agreement or in any document delivered under this Agreement or, (c) subject to applicable Laws, waive compliance with any of the covenants or conditions contained in this Agreement. Any agreement on the part of a party to any extension or waiver shall be valid only if set forth in an instrument in writing signed by such party. The failure of any party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

Section 8.9 **No Third-Party Beneficiaries** Except for (a) the Persons intended to benefit from the provisions of **Section 5.9**, each of whom shall have the right to enforce such provisions directly and (b) the right of holders of Common Shares and Company Restricted Shares to receive Transaction Consideration pursuant to **Article II** (a claim with respect to which shall be enforceable only by the Company, in its sole and absolute discretion, on behalf of the shareholders of the Company or the holders of Company Restricted Shares), this Agreement is not intended to confer any rights or remedies upon any Person other than the parties to this Agreement. Notwithstanding the foregoing, the Financing Sources are hereby third-party beneficiaries of **Section 7.5** (Effect of Termination), **Section 7.7** (Amendment), **Section 8.4** (Governing Law), **Section 8.5** (Submission to Jurisdiction), **Section 8.6** (Waiver of Jury Trial), this **Section 8.9** (No Third-Party Beneficiaries), **Section 8.13** (Remedies), and **Section 8.14** (Specific Performance).

Section 8.10 **Severability** The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions of this Agreement. If any provision of this Agreement, or the application of that provision to any Person or any circumstance, is invalid or unenforceable, (a) a suitable and equitable provision shall be substituted for that provision in order to carry out, so far as may be valid and enforceable, the intent and purpose of the invalid or unenforceable provision and (b) the remainder of this Agreement and the application of that provision to other Persons or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability of that provision, or the application of that provision, in any other jurisdiction.

Section 8.11 **Rules of Construction** The parties to this Agreement have been represented by counsel during the negotiation and execution of this Agreement and waive the application of any Laws or rule of construction providing that ambiguities in any agreement or other document shall be construed against the party drafting such agreement or other document.

Section 8.12 **Assignment** This Agreement shall not be assignable by operation of law or otherwise, except that Parent may designate, by written notice to the Company, a Subsidiary that is wholly-owned by Parent to be amalgamated with the Company in lieu of Acquisition Sub, in which event all references in this Agreement to Acquisition Sub shall be deemed references to such Subsidiary, and in that case, all representations and warranties made in this Agreement with respect to Acquisition Sub as of the date of this Agreement shall be deemed representations and warranties made with respect to such Subsidiary as of the date of such designation, mutatis mutandis.

Section 8.13 **Remedies** Except as otherwise provided in this Agreement, any and all remedies expressly conferred upon a party to this Agreement shall be cumulative with, and not exclusive of, any other remedy contained in this Agreement, at law or in equity. The exercise by a party to this Agreement of any one remedy shall not preclude the exercise by it of any other remedy. Parent and Acquisition Sub acknowledge and agree that regardless of any termination of this Agreement, the Company may recover, solely through an action brought by the Company in its sole and absolute discretion, damages from Parent and Acquisition Sub if Parent or Acquisition Sub intentionally and in bad faith breaches this Agreement and the remedy of specific performance set forth in **Section 8.14** is not available to the Company, in which event the damages recoverable by the Company for itself and on behalf of holders of Common Shares and Company Restricted Shares (without duplication) shall not be limited to expenses or out-of-pocket costs, but may include the benefit of the bargain lost by the Company and the holders of Common Shares and Company Restricted Shares taking into consideration all relevant matters. Any damages recovered in any such action brought by the Company may be retained by the Company for any corporate purpose or distributed to the holders of Common Shares and Company Restricted Shares as the Company Board determines in its sole and absolute discretion.

Section 8.14 **Specific Performance**. The parties to this Agreement agree that money damages would be both incalculable and an insufficient remedy and that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise

breached. It is accordingly agreed that, subject to Section 7.6 hereof and the discretion of the courts described in Section 8.5, the parties to this Agreement shall be entitled to an injunction or other equitable relief to prevent breaches or violations of this Agreement and to enforce specifically the terms and provisions of this Agreement in the courts described in Section 8.5, this being in addition to any other remedy to which they are entitled at law or in equity. Moreover, and in recognition of the foregoing, but subject to Section 7.6 of this Agreement in all respects, each of the parties to this Agreement hereby waives (a) any defense in any action for specific performance of this Agreement that a remedy at law would be adequate and (b) any requirement under any law for any party to post security as a prerequisite to obtaining equitable relief.

Section 8.15 Counterparts; Effectiveness. This Agreement may be executed in any number of counterparts, all of which shall be one and the same agreement. This Agreement shall become effective when each party to this Agreement shall have received (including by facsimile or other electronic transmission) counterparts signed by all of the other parties.
