RE: ACTION REQUESTED - 2013 Annual Meeting: Please Vote
Your Shares Immediately
DATE: May 8, 2013

If you hold either (a) Evercore Partners Inc. Class A Common Stock or (b) Evercore Partners Inc. Class B Common Stock and Evercore LP partnership units, by now you should have received a copy of our proxy statement, annual report to stockholders and your proxy or voting instruction card. Depending on how you have structured your ownership of our Common Stock, you may receive multiple sets of proxy materials, with some copies sent to your home and some sent to the office. We urge you to read the materials, and, in particular, we want to highlight for you Proposal No. 2, the proposed amendment to our equity incentive plan to increase the number shares available under the plan by 5 million shares.

Unless Proposal No. 2 is approved, we won't have sufficient shares under the plan to support annual bonus RSU grants or RSU grants to new hires required to continue attracting and incentivizing our employees to achieve our objectives.

Most institutional investors will not vote their shares until very late in the process because many will wait until reports have been issued by proxy voting firms, such as ISS. In addition, institutional investors often must go through a proxy voting committee process, which also takes time. Therefore, it is very important that you cast your vote as soon as possible so that we can get an early estimate of where we stand in the voting and where we need to focus our efforts.

Our Board recommends that you vote FOR Proposal No. 2. Please take a few minutes to vote your shares today. Please follow the voting instructions outlined below. Your vote is very important. Please be sure and vote all your shares, which may be represented by multiple proxy or voting instruction cards.

In addition, we encourage you to elect to receive future proxy materials electronically because electronic delivery reduces mailing costs to Evercore, which have grown as our stockholder base has expanded, and it shortens the delivery time. Simply go to the following website, www.investordelivery.com, and enter the control number found on the front of your proxy or voting instruction card in the box with the  pointing to it. Your election to receive your proxy materials electronically will apply to all holdings in your account and remain active until you change it.

If you only hold vested or unvested RSUs, you are not eligible to vote the shares underlying such RSUs, and please ignore this communication.

Thank you and please contact us if you have any questions.
