On June 3, 2013, the call notice period for the early exercise of warrants issued to certain investors of InVivo Therapeutics Holdings Corp. (the Company) on October 26, 2010, November 10, 2010 and December 3, 2010 (the Investor Warrants) expired. During the call notice period, 100% of the remaining Investor Warrants were exercised. These exercises, coupled with warrant exercises during April 2013, raised \$16.1 million gross and \$15.6 million after solicitation expenses. Approximately 11.5 million shares of common stock were issued in connection with these warrant exercises. The combination of the exercise of all the Investor Warrants along with the warrant exchange offer completed on May 17, 2013 for placement agent and other eligible warrants resulted in the complete reversal and elimination of the \$24.6 million warrant liability recorded on the Company's books as of March 31, 2013.
