Safe harbor statement under the US Private Securities Litigation Reform Act of 1995.

This document contains statements that YPF believes constitute forward-looking statements within the meaning of the US Private Securities Litigation Reform Act of 1995.

These
forward-looking
statements
may
include
statements
regarding
the
intent,
belief,
plans,
current
expectations
or
objectives

of
YPF
and
its
management,
including statements with respect to YPF's future financial condition, financial, operating, reserve replacement and other ratios,
strategy, geographic concentration, business concentration, production and marketed volumes and reserves, as well as YPF's policies
with respect to future capital expenditures, investments, expansion and other projects, exploration activities, ownership interests,
dividend
payout
policies.

These
forward-looking
statements
may
also
include
assumptions
regarding
future
economic
and
other
conditions,
such
as
future

crude oil and other prices, refining and marketing margins and exchange rates. These statements are not guarantees of future performance,
exchange rates or other events and are subject to material risks, uncertainties, changes and other factors which may be beyond
difficult to predict.

YPF's
actual
future
financial
condition,
financial,
operating,
reserve
replacement
and
other
ratios,
results
of
operations,
business
strategy,
geographic
concentration, business concentration, production and marketed volumes, reserves, capital expenditures, investments, expansion
exploration activities, ownership interests, divestments, cost savings and dividend payout policies, as well as actual future economic

as future crude oil and other prices, refining margins and exchange rates, could differ materially from those expressed or implied in our forward-looking statements. Important factors that could cause such differences include, but are not limited to, oil, gas and other price fluctuations, currency fluctuations, exploration, drilling and production results, changes in reserves estimates, success in partnering with third parties, industry competition, environmental risks, physical risks, the risks of doing business in developing countries, legislative, tax, labor and economic and financial market conditions in various countries and regions, political risks, wars and acts of terrorism, natural disasters, technological advancements and lack of approvals, as well as those factors described in the filings made by YPF and its affiliates with the Securities and Exchange Commission,

in particular, those described in

Item 3. Key Information Risk Factors and Item 5. Operating and Financial Review and Prospects in

YPF's Annual Report on Form 20-F for the fiscal year ended December 31, 2013 filed with the US Securities and Exchange Commission. Notwithstanding the foregoing, the forward-looking statements included in this document may not occur.

Except as required by law, YPF does not undertake to publicly update or revise these forward-looking statements even if experience or otherwise becomes clear that the projected performance, conditions or events expressed or implied therein will not be realized.

These materials do not constitute an offer for sale of YPF S.A. bonds, shares or ADRs in the United States or otherwise.
