This year's annual meeting will be a virtual meeting of stockholders. We will be using the Notice and Access method of providing proxy materials to you via the Internet. We believe that this process should provide you with a convenient and quick way to access your proxy materials and vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about June 12, 2015, we will mail to our stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access our proxy statement and our 2014 Annual Report to Stockholders on the Internet. The Notice also contains instructions on how to vote electronically via the Internet and how to receive a paper copy of your proxy materials and proxy card. It is important that your shares be represented and voted at the 2015 Annual Meeting regardless of the size of your holdings. Whether or not you plan to attend the virtual meeting, please vote electronically via the Internet, or, if you request paper copies of the proxy materials, please complete, sign, date and return the accompanying proxy in the postage-paid envelope provided, or follow the instructions on the proxy card or voting instruction card to vote by phone. See "How Do I Vote?" in the proxy statement for more details. Voting electronically, returning your proxy or voting by phone does NOT deprive you of your right to attend the webcast of the virtual meeting and to vote your shares via the Internet for the matters acted upon at the meeting.

We look forward to greeting those of you who will be able to attend the meeting.

Very truly yours,

PROXY STATEMENT

2015 ANNUAL MEETING OF STOCKHOLDERS

We are providing this proxy statement to stockholders of Trans Energy, Inc. in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Stockholders to be held on July 23, 2015, at 10:00 a.m. Eastern Time (the *2015 Annual Meeting* or the *meeting*), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement contains important information for you to consider when deciding how to vote on matters brought before the meeting. Please read it carefully. **The accompanying proxy is solicited by the Board of Directors and is revocable by the stockholder any time before it is voted.**

As used in this proxy statement, unless otherwise indicated, we, us, our, Trans Energy and the Company refer to Trans Energy, Inc.

QUESTIONS AND ANSWERS ABOUT THE 2015 ANNUAL MEETING

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The United States Securities and Exchange Commission (the SEC) has approved Notice and Access rules relating to the delivery of proxy materials over the Internet. These rules permit us to furnish proxy materials, including this proxy statement and our 2014 Annual Report to Stockholders, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability, which was mailed to stockholders, will instruct you as to how you may access and review all of the proxy materials on the Internet. The Notice of Internet Availability provides instructions on how to vote by Internet, by requesting and returning a paper proxy card or voting instruction card, or by submitting a ballot in person at the meeting. Any request to receive proxy materials by mail or email will remain in effect until you revoke it.

How do I obtain proxy materials via the Internet?

We are making this proxy statement and our 2014 Annual Report on Form 10-K with audited financial statements available to our stockholders primarily via the Internet. On or about June 12, 2015, we will mail to our stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials, including this Proxy Statement and the 2014 Annual Report. The Notice of Internet Availability also instructs you on how to access your proxy card to be able to vote through the Internet or by telephone. If you received a Notice of Internet Availability by

mail, you will not receive a printed copy of the proxy materials in the mail. Other stockholders, in accordance with their prior requests, have received e-mail notification of how to access our proxy materials and vote via the Internet, or have been mailed paper copies of our proxy materials and proxy card or vote instruction form.

Internet distribution of proxy materials is designed to expedite receipt by stockholders, lower the cost of the meeting, and conserve natural resources. However, if you received a Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, please follow the instructions for requesting such materials contained on the Notice of Internet Availability. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

How do I attend the webcast of the 2015 Annual Meeting?

Any stockholder can attend the 2015 Annual Meeting live via the Internet at www.virtualshareholdermeeting.com/TENG15.

Webcast starts at 10:00 a.m. Eastern Time.

Stockholders may vote and submit questions while attending the meeting on the Internet.

Please have your 12-Digit Control Number to enter the meeting.

Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.proxyvote.com.

Questions regarding how to attend and participate via the Internet will be answered by calling 800-690-6903 on the day before the meeting and the day of the meeting.

Webcast replay of the Annual Meeting will be available until July 31, 2015.

Who is entitled to vote at the 2015 Annual Meeting and what are the voting procedures?

Holders of Trans Energy, Inc. common stock at the close of business on May 29, 2015, the record date for the 2015 Annual Meeting established by our board of directors (the **Board**), are entitled to receive Notice of the meeting, and to vote their shares at the meeting and any related adjournments or postponements. The Notice of Internet Availability, proxy statement and form of proxy are first expected to be made available to stockholders on or about June 12, 2015.

As of the close of business on the record date, there were 15,094,477 shares of our common stock outstanding and entitled to vote. Holders of our common stock are entitled to one vote per share. In the election of directors, director nominees must receive a majority of the votes cast at the meeting to be elected. Thus, a director nominee will be elected to the Board only if the number of votes cast FOR the nominee's election exceeds the number of votes cast AGAINST the nominee's election. Stockholders also have the option to abstain from voting for a nominee.

Each of the other proposals will be approved if it receives a majority of the votes of the shares present in person at the 2015 Annual Meeting and those represented by proxy and entitled to vote. If the appointment of the Company's independent registered public accounting firm is not ratified by holders of our voting securities, the Audit Committee and the Board may reconsider its appointment and endorsement, respectively. Even if the selection is ratified, the Audit Committee may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Can I vote my shares by filling out and returning the Notice of Internet Availability?

No. The Notice of Internet Availability identifies the items to be voted on at the 2015 Annual Meeting, but you cannot vote by marking the Notice of Internet Availability and returning it.

What is the difference between a stockholder of record and a stockholder who holds stock in street name?

If your shares are registered in your name, you are a stockholder of record. If your shares are held in the name of your broker, bank or another holder of record, these shares are held in street name.

If you are a stockholder of record and you have requested printed proxy materials, we have enclosed a proxy card for you to use. If you hold our shares in street name through one or more banks, brokers and/or other holders of record, you will receive the Notice of Internet Availability, together with voting instructions, from the third party or parties through which you hold your shares. If you requested printed proxy materials, your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

What are the quorum requirements for the 2015 Annual Meeting?

The presence in person or by proxy of holders having a majority of the total votes entitled to be cast by holders of our common stock at the 2015 Annual Meeting constitutes a quorum. Your shares of our common stock will be counted as present at the meeting for purposes of determining whether there is a quorum if you vote on the Internet, a proxy card has been properly submitted by you or on your behalf, you vote by phone or you vote in person at the meeting. Abstaining votes and broker non-votes are counted for purposes of establishing a quorum.

What matters will the stockholders vote on at the 2015 Annual Meeting?

The stockholders will vote on the following proposals:

Proposal 1. To elect seven members of our board of directors, each to hold office for a one-year term ending on the date of the next succeeding annual meeting of stockholders or until such director's successor shall have been duly elected and qualified.

Proposal 2. To ratify the appointment of Maloney + Novotny, LLC as our independent registered public accounting firm for 2015.

What vote is required to approve these proposals?

The following are the voting requirements for each proposal:

Proposal 1, Election of Directors. Each director nominee receiving a majority of the votes cast at the meeting will be elected. Abstentions will have the same effect as a vote against a nominee, and broker non-votes will have no effect on the outcome of the vote on the election of directors.

Proposal 2, Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of the Audit Committee's appointment of Maloney + Novotny, LLC as our independent registered public accounting firm for 2015 will be approved if a majority of stockholders present or represented, in person or by proxy, and voting on this matter vote in favor of the proposal.

The person appointed by the Company to act as independent inspector of elections will treat all shares of our common stock represented by a returned, properly executed proxy as present for purposes of determining the existence of a quorum at the meeting. Each one share of common stock will entitle the holder to one vote. Cumulative voting is not permitted. Votes cast during the meeting will be counted by the independent inspector of elections.

How do I vote?

You may vote by any of the following methods:

Via the Internet. You may vote via the Internet by following the instructions provided in the Notice of Internet Availability or the voting instruction card provided.

By mail. If you elected to receive printed proxy materials by mail, you may vote by signing and returning the proxy card or voting instruction card provided. Please allow sufficient time for mailing if you decide to vote by mail.

By phone. If you elected to receive printed proxy materials by mail, you may vote by phone by following the instructions on the proxy card or voting instruction card provided.

If you vote by phone or the Internet, please have your proxy card or voting instruction card available. The control number appearing on your proxy card or voting instruction card is necessary to process your vote. A phone or Internet vote authorizes the named proxy holders in the same manner as if you marked, signed and returned a proxy card by mail.

How can I change my vote?

You may change your vote as follows:

Stockholders of record. You may change your vote by submitting another proxy card or a vote via the Internet or by telephone on or before July 23, 2015. For all methods of voting, the last vote cast will supersede all previous votes.

Beneficial owners of shares held in street name. You may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker or other holder of record.

What if I do not specify a choice for a matter when returning a proxy?

If you do not give specific instructions, proxies that are signed and returned will be voted FOR each of the proposals.

Could other matters be decided at the 2015 Annual Meeting?

As of the date of the filing of this proxy statement, we were not aware of any matters to be raised at the 2015 Annual Meeting other than those referred to in this proxy statement.

If other matters are properly presented at the meeting for consideration, the proxy holders for the meeting will have the discretion to vote on those matters for stockholders who have voted by the Internet or telephone or submitted a proxy card.

If I hold my shares in street name through my broker, will my broker vote these shares for me?

If you hold our shares in street name, you must provide your broker, bank or other holder of record with instructions in order to vote these shares. To do so, you should follow the directions regarding voting instructions provided to you by your bank, broker or other holder of record. Banks, brokers and other holders of record have discretionary authority to vote shares held in street name, even if they do not receive instructions from the beneficial owner, on routine proposals, which includes the ratification of the appointment of an independent registered public accounting firm. Accordingly, if you do not provide your bank, broker or other holder of record with voting instructions with respect to the ratification of the appointment of our independent registered public accounting firm (Proposal 2), such holder will have discretionary authority to vote your shares held in street name on that proposal at the 2015 Annual Meeting. As a result of this discretionary authority, broker non-votes will not occur in connection with Proposal 2 at the 2015 Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Banks, brokers and other holders of record do not have discretionary authority to vote shares held in street name in connection with non-routine proposals, including the election of directors (Proposal 1). As a result, broker non-votes will occur in connection with this proposal at the 2015 Annual Meeting. Nevertheless, since broker non-votes are not counted as votes cast they will have no effect on the election of directors, the approval of executive compensation or the approval of frequency of approval of executive compensation.

How are proxies solicited and what is the cost?

We will bear all expenses incurred in connection with the solicitation of proxies. Although we do not currently contemplate doing so, we may engage a proxy solicitation firm to assist us in soliciting proxies, and if we do so we will pay the fees of any such firm. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone, letter, facsimile, electronic medium or in person. Following the original mailing of the Notice of Internet Availability, we will request brokers, custodians, nominees and other record holders to forward their own notice and, upon request, to forward copies of the proxy statement and related soliciting materials to persons for whom they hold shares of our common stock and to request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses.

What should I do if I have questions regarding the 2015 Annual Meeting?

If you have any questions about the 2015 Annual Meeting, would like to obtain instructions to be able to attend the meeting and vote in person or would like additional copies of any of the documents referred to in this proxy statement, you should call our Investor Relations department at (304) 684-7053.

Required Vote

Each director nominee receiving a majority of the votes cast at the 2015 Annual Meeting, in person or by proxy, and entitled to vote in the election of directors, will be elected, *provided* that a quorum is present. This means that a director nominee will be elected to the Board only if the number of votes cast FOR the nominee's election exceeds the number of votes cast AGAINST the nominee's election. With respect to the election of directors, votes may be cast FOR specifically identified nominees or AGAINST specifically identified nominees, or a stockholder may abstain from voting for a nominee. In determining whether such nominees have received the requisite number of affirmative votes, abstentions will have the same effect as a vote against a nominee, and broker non-votes will have no effect on the outcome of the vote on the election of directors.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE ELECTION OF ALL DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Director Independence. Our common stock is currently traded on the OTC Bulletin Board. Accordingly, we are not subject to the rules of any national securities exchange that require that a majority of a listed company's directors and specified committees of the board of directors meet independence standards prescribed by such rules. However, of our seven directors currently serving on the Board, we believe that Robert L. Richards, Richard L. Starkey, and Josh L. Sherman are independent directors within the meaning of Rule 5605(a)(2) of the NASDAQ Stock Market Inc. listing rules. The Board believes this leadership structure provides effective and clear leadership for the Company.

Director Nominations. The Board does not currently have a standing nominating committee nor has it adopted a nominating committee charter. The entire Board currently operates as the nominating committee. There is no formal process or policy that governs the manner in which we identify potential candidates for the Board. Historically, the Board has considered several factors in evaluating candidates for nomination to the Board including, but not limited to, the candidate's knowledge of the Company and its business, the candidate's business experience and credentials, and whether the candidate would represent the interests of all our stockholders as opposed to a specific group of stockholders.

Board Leadership Structure. Currently, the positions of principal executive officer and chairman of the board are held by two different people. The Company does not currently have a policy concerning whether these two positions must be held by different people or may be held by the same person.

Deadline and Procedures for Submitting Board Nominations. We do not have a formal policy with respect to our consideration of Board nominees recommended by stockholders. However, the Board will consider candidates recommended by stockholders on a case-by-case basis. A stockholder who desires to recommend a candidate for nomination to the Board at the Annual Meeting of Stockholders to be held in 2016, is required to give written notice to the Company at 210 Second Street, P.O. Box 393, St. Marys, West Virginia 26170, attention Corporate Secretary. The notice of nomination and other required information must be received by the Company no later than March 31, 2016. With respect to the aforementioned deadline, if the date of the 2016 Annual Meeting is advanced by more than thirty days or delayed (other than as a result of adjournment) by more than thirty days from the anniversary of the 2015 Annual Meeting, a stockholder must submit any such proposal to the Company no later than the close of business on the sixtieth day prior to the date of the 2016 Annual Meeting.

Code of Ethics. The Company has adopted a code of ethics that applies to the Company's chief executive officer, chief financial officer and chief accounting officer. The full text of such code of ethics has been posted on the Company's website at www.transenergyinc.com, and is available free of charge in print to any shareholder who requests it. Request for copies should be addressed to the Secretary at our mailing address 210 Second Street, P.O. Box 393, St. Marys, West Virginia 26170.

Communications with the Board.
