Employee Compensation and Benefits Q&As

The following questions and answers (Q&As) provide information for U.S. employees related to the acquisition announcement. We will provide regular communication and updates as we proceed toward the finalization of the transaction.

1. When will the merger take place?

As indicated in John Finnegan's July 1, 2015 Corporate Note, Chubb's merger with ACE is expected to close in the first quarter of 2016, following satisfaction of the closing conditions, including the receipt of regulatory and shareholder approval.

2. Will my pay be affected by the merger?

Between now and the closing of the merger, it's business as usual and Chubb's pay programs will continue as currently in place. For one year following the closing of the merger, ACE has agreed to maintain salaries and target incentive compensation opportunities (including annual bonus and equity-based incentive compensation opportunities) that are no less favorable than those provided to Chubb employees immediately prior to the merger. Merit increases and actual incentive compensation payouts will be determined based on individual, business unit and company performance, generally consistent with past practice.

3. Are my benefits going to change when the merger closes?

At this time, no action is required by you related to your benefits. For one year following the closing of the merger, ACE has agreed to provide benefits that, in the aggregate, are not less favorable than those provided to Chubb employees immediately prior to the merger.

Edgar Filing: CHUBB CORP - Form 425

Information regarding your 2016 benefits will be communicated during Annual Enrollment in November 2015. Additional information regarding the benefits transition process will be communicated closer to the completion of the merger.

4. Where can I go to get detailed information about my current Chubb benefit plans?

You can find benefits information via MyChubb Benefits on our ChubbNet intranet or by calling the HR Service Center at 1-855-MyCHUBB (855-692-4822).

5. What will happen to my pension benefits?

If you have more than three years of vesting service with a Chubb company or if you have reached age 65 while actively employed, you have a vested right to the pension benefit you have earned to date. If any changes are made to the pension plan in the future, those changes will be communicated to you and would apply only to the benefit earned going forward.

6. What will happen to the CCAP? Will the 4% employer match be retained?

No changes to the CCAP are contemplated prior to the closing. ACE has agreed to provide benefits for one year following the closing of the merger that, in the aggregate, are not less favorable than those provided to Chubb employees immediately prior to the merger. After the closing, you will continue to have the right to contribute to a 401(k) plan. We will provide more specific guidance as we proceed with integration planning and implementation.

7. I currently hold shares of Chubb stock in the CCAP and/or ESOP. What will happen to those shares upon the closing?

If you have a balance in the Chubb Stock Fund in the CCAP and/or ESOP, the shares will convert into the merger consideration (i.e., approximately 50% into cash and 50% into shares of ACE common stock) at the closing of the merger.

8. What is the impact to my retiree health and life benefits?

ACE has committed to maintain the same retiree health and life benefits for three years following the closing of the merger.

9. What will happen to my current ChubbChoice benefits (e.g., active employee medical, dental, life, etc.)?

No changes to ChubbChoice benefits are contemplated at this time. ACE has agreed to provide benefits for one year following the closing of the merger that, in the aggregate, are not less favorable than those provided to Chubb employees immediately prior to the merger. Information regarding your 2016 benefits will be communicated during Annual Enrollment in November 2015.

10. What happens to my PTOs?

Between now and the closing of the merger, it's business as usual and our PTO policy will continue as it has in the past. ACE will honor 2015 carryover PTOs into the 2016 calendar year. More information about time off programs at ACE will be provided prior to the closing of the merger.

11. Will there be a profit sharing payment under the Profit Sharing Plan for 2015?

Between now and the closing of the merger, it s business as usual and pay programs, including the Profit Sharing Plan, will continue as they have in the past.

12. Will my years of service be recognized?

ACE will generally recognize your prior service with Chubb for all purposes with respect to employee benefit plans (excluding any ACE plan that provides defined benefit pension, retiree welfare, frozen or grandfathered benefits and excluding any service credit that would result in duplication of benefits).

13. If my job is eliminated, what kind of severance benefits will I be offered?

ACE has agreed to honor the Chubb Severance Plan for any employee whose employment is terminated within the first year following the closing of the merger. We currently expect that the Chubb Severance Plan will be amended, prior to the closing of the merger, to provide for outplacement assistance and Chubb-subsidized COBRA benefits (i.e., continuation of medical coverage) for the duration of the severance period (i.e., two weeks for each year of service, with a minimum of four weeks and a maximum of 52 weeks). Additional information regarding these amendments will be communicated closer to the completion of the merger. You may review the current Chubb Severance Plan in the Information Center on MyChubb.

14. Will Chubb s stock continue to trade until the merger closes? Am I permitted to buy and sell shares of Chubb stock?

Chubb is a publicly traded company until the merger closes. Between now and the closing, we will continue to release earnings on a quarterly basis and our stock will continue to trade on the NYSE. There are no changes to the current policies on employees buying and selling Chubb stock (including with respect to any blackout period, including the one currently in effect, and the prohibitions on buying and selling of Chubb stock by employees who have material, non-public information regarding Chubb).

15. Am I permitted to buy or sell shares of ACE stock?

Yes, you are permitted to buy and sell shares of ACE stock, except to the extent that you possess material, non-public information regarding ACE or are otherwise subject to applicable trading restrictions.

16. What happens to my shares of Chubb stock (i.e., shares that I acquired upon the vesting of my equity awards) once the merger is closed?

Promptly after the closing, your Chubb stock will be converted into cash and shares of ACE common stock, consistent with treatment of all other shareholders.

17. Once my existing Chubb stock is converted into cash and shares of ACE stock, will this be a taxable event for me?

Yes. The structure of the merger requires the exchange of your Chubb stock for ACE stock plus cash consideration. Accordingly, for U.S. shareholders that hold Chubb stock at the time of the closing (excluding shares of Chubb stock held in the CCAP and/or ESOP), this will be considered a taxable transaction for U.S. federal income tax purposes. U.S. owners of shares of Chubb stock will generally recognize a taxable capital gain or loss as of the closing of the merger equal to the difference between (1) the sum of the fair market value of the ACE stock and the cash received, and (2) the holder's adjusted tax basis in the Chubb stock surrendered in the exchange.

The tax consequences of your receipt of the merger consideration for your existing Chubb stock are complex and fact-specific. This communication is not intended as tax advice, and we recommend you consult with your personal tax advisor to determine the effects of the merger on your tax obligations.

18. What happens to my unvested RSU awards?

All unvested RSU awards that are outstanding immediately prior to the closing of the merger will be converted (in a manner intended to preserve their economic value) into RSU awards in respect of ACE common stock, subject to the same terms and conditions (including vesting schedules) that applied prior to the merger.

Effective as of the closing, unvested RSU awards will be modified to provide for vesting in full upon an involuntary termination or a constructive termination following the closing.

19. What happens to my unvested TSR awards?

TSR awards granted in 2013: All unvested TSR awards that are outstanding immediately prior to the closing of the merger (if any) will be converted into RSU awards in respect of ACE common stock, with performance deemed achieved at the greater of target or actual performance, and otherwise subject to the same terms and conditions that applied prior to the merger.

TSR awards granted in 2014 or 2015: All unvested TSR awards that are outstanding immediately prior to the closing of the merger will be converted into RSU awards in respect of ACE common stock, with performance deemed achieved at target at the closing, and otherwise subject to the same terms and conditions that applied prior to the merger.

Effective as of the closing, unvested TSR awards will be modified to provide for vesting in full upon an involuntary termination or a constructive termination following the closing.

20. What happens to my unvested stock options?

Any stock options that are outstanding and unexercised as of immediately prior to the closing of the merger will be converted automatically (in a manner intended to preserve their economic value) into stock options in respect of ACE common stock.

21. I have stock options that are vested or will vest before the merger closes. Am I able to exercise my options?

Yes, you are free to exercise any vested, unexpired stock options, subject to any applicable blackout periods.

22. What is a constructive termination?

In connection with the merger, a constructive termination of your employment will have occurred if you resign (after the lapse of specified notice and cure periods) due to a decrease in your base salary or a material decrease in your annual target incentive compensation opportunity (cash and equity awards in the aggregate); or relocation of your primary office location by more than 50 miles.

23. What is an involuntary termination?

In connection with the merger, an involuntary termination refers to a termination of service without cause. Cause generally includes an employee's willful failure to perform employment-related duties, willful or serious misconduct reasonably expected to result in material injury to Chubb's (or its successor's) business or reputation, conviction of, or plea of guilty or no contest to, a felony or breach of any written covenant, agreement or material written policy of Chubb (or its successor).

24. Are there resources available that can help with any personal concerns I might have?
