Item 2.01 - Completion of Acquisition or Disposition of Assets.

As previously disclosed on July 27, 2015, Magnetek, Inc., a Delaware corporation (the Company), entered into an Agreement and Plan of Merger, dated July 26, 2015 (as amended, the Merger Agreement), by and among the Company, Columbus McKinnon Corporation, a New York corporation (Parent), and Megatron Acquisition Corp., a Delaware corporation and wholly owned subsidiary of Parent (Merger Sub).

Pursuant to the Merger Agreement, Merger Sub commenced a tender offer to purchase all outstanding shares of the Company's common stock, par value \$0.01 per share (the Shares), at a price of \$50.00 per Share, net to the seller in cash, without interest (the Offer Price), subject to any withholding of taxes required by applicable laws, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated August 5, 2015 (the Offer to Purchase), and the related Letters of Transmittal (which, together with the Offer to Purchase, constituted the Offer).

The Offer expired at 12:00 midnight, New York City time, on Tuesday, September 1, 2015. American Stock Transfer & Trust Company, LLC, the depositary for the Offer (the Depositary), advised Parent and the Company that, as of the expiration of the Offer, a total of approximately 3,464,611 Shares had been validly tendered and not validly withdrawn pursuant to the Offer, representing 93.6% of the Company's then outstanding Shares. Because the number of Shares validly tendered and not withdrawn pursuant to the Offer constituted a majority of the outstanding Shares entitled to vote, the Minimum Tender Condition (as defined in the Merger Agreement) for the Offer was satisfied. All other conditions to the Offer having also been satisfied, Merger Sub first accepted all of the Shares for payment and then deposited funds to pay for such Shares with the Depositary, which will act as agent for tendering Company stockholders for the purpose of receiving payments for tendered Shares and transmitting such payments to tendering Company stockholders whose Shares have been accepted for payment, in accordance with the terms of the Offer.

Following consummation of the Offer, all conditions to the Merger (as defined below) set forth in the Merger Agreement had been satisfied, and on September 2, 2015, upon the filing of a certificate of merger with the Secretary of State of the State of Delaware (the Effective Time), Parent completed its acquisition of the Company by consummating a merger of Merger Sub with and into the Company (the Merger) without a meeting of stockholders of the Company in accordance with Section 251(h) of the General Corporation Law of the State of Delaware (the DGCL). As a result of the Merger, the Company became a wholly owned subsidiary of Parent. Pursuant to the Merger Agreement, each Share issued and outstanding immediately prior to the Effective Time, other than Shares held in the treasury of the Company or owned by Parent or any direct or indirect wholly owned subsidiary of Parent (including Merger Sub) or the Company immediately prior to the Effective Time, or Shares with respect to which appraisal rights were properly exercised under the DGCL, was converted into the right to receive cash in the amount of the Offer Price, subject to any withholding of taxes required by applicable laws.

Additionally, pursuant to the Merger Agreement, (i) all unvested shares of restricted stock vested immediately upon consummation of the Offer and such Shares, other than those validly tendered and not validly withdrawn pursuant to the Offer, became Shares that were converted into the right to receive cash per Share in the amount of the Offer Price, subject to any withholding of taxes required by applicable laws, (ii) all unvested performance shares vested immediately upon the consummation of the Offer as if the applicable performance objectives had been achieved at target and such Shares, other than those validly tendered and not validly withdrawn pursuant to the Offer, became Shares that were converted into the right to receive cash per Share in the amount of the Offer Price, subject to any withholding of taxes required by applicable laws, and (iii) all outstanding options to purchase Shares (whether or not vested or exercisable)

were cancelled immediately upon the consummation of the Offer and converted into the right to receive upon consummation of the Offer an amount in cash equal to the positive difference between the exercise price of such option and the Offer Price, if any.

The aggregate consideration paid by Merger Sub in the Offer and Merger was approximately \$188.9 million, without giving effect to related transaction fees and expenses.

The information set forth in Item 3.03 and Item 5.01 of this Current Report on Form 8-K is incorporated herein by reference.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which was attached as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on July 27, 2015 and is incorporated herein by reference, that certain Letter Agreement, dated August 24, 2015, by and among Parent, Merger Sub and the Company, which was attached as Exhibit 99(a)(9) to the Company's Solicitation/Recommendation Statement on Schedule 14D-9, as amended, filed with the SEC on August 25, 2015 and is incorporated herein by reference, and that certain Offer to Purchase and related Letters of Transmittal, that were attached as Exhibits (a)(1)(A), (a)(1)(B) and (a)(1)(C) to the Schedule TO of Parent and Merger Sub, as amended, filed with the SEC on August 5, 2015, and are incorporated herein by reference.

Item 3.01 - Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

The information set forth in Item 2.01 of this Current Report on Form 8-K is incorporated herein by reference.

On September 2, 2015, in connection with the completion of the Merger, the Company notified The NASDAQ Global Select Market ("NASDAQ") of the completion of the Merger and requested that trading in the Shares be halted prior to the opening of business on September 2, 2015 and suspended as of the close of business on September 2, 2015 and that the Shares be withdrawn from listing on NASDAQ. The Company also requested that NASDAQ file a delisting application on Form 25 with the SEC to report the delisting of the Shares from NASDAQ. The Shares ceased to trade on NASDAQ at the opening of business on September 2, 2015. By operation of law, the delisting will be effective 10 days following the filing of the Form 25.

The Company intends to file with the SEC a certification and notice of termination on Form 15 with respect to the Shares, requesting that the Shares be deregistered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and that the reporting obligations of the Company with respect to the Shares under Sections 13 and 15(d) of the Exchange Act be suspended.

Item 3.03 - Material Modification to Rights of Security Holders.

As a result of the Merger and at the Effective Time, each outstanding Share, other than Shares owned by the Company or Parent or any direct or indirect wholly owned subsidiary of Parent (including Merger Sub), or Shares with respect to which appraisal rights were properly exercised under the DGCL, was converted into the right to receive cash in the amount of the Offer Price, subject to any withholding of taxes required by applicable laws. At the Effective Time, Shares with respect to which

Company stockholders had properly exercised appraisal rights under the DGCL were canceled and ceased to exist, and the holders of such Shares ceased to have any rights with respect thereto, except the right to receive the fair value of such Shares in accordance with the provisions of the DGCL unless and until such holder shall have failed to perfect or shall have effectively withdrawn or lost his, her or its appraisal rights, if any, under the DGCL. If any such stockholder shall have failed to perfect or shall have effectively withdrawn or lost such appraisal rights, then such holder's Shares shall thereupon be treated as if they had been converted into the right to receive cash in the amount of the Offer Price, subject to any withholding of taxes required by applicable laws.

The information disclosed under Item 2.01, Item 3.01 and Item 5.01 of this Current Report on Form 8-K is incorporated by reference into this Item 3.03.
