Item 1.01 Entry into a Material Agreement.

On April 15, 2016, Evoke Pharma, Inc. (the Company) and MLV & Co. LLC (MLV) mutually agreed to terminate that certain At Market Issuance Sales Agreement, dated November 13, 2014 (the Original Agreement), effective immediately. The Company sold an aggregate of approximately \$5.0 million of shares of common stock under the Original Agreement. No additional shares of the Company's common stock will be offered or sold pursuant to the Original Agreement.

Concurrent with the termination of the Original Agreement, on April 15, 2016 the Company and FBR Capital Markets & Co. (FBR), an affiliate of MLV, entered into a new At Market Issuance Sales Agreement (the Sales Agreement), pursuant to which the Company may sell from time to time, at its option, shares of its common stock through FBR, as sales agent. Sales of common stock made pursuant to the Sales Agreement, if any, will be made in at the market offerings on The Nasdaq Capital Market (Nasdaq) by means of ordinary brokers' transactions at market prices, pursuant to the Company's effective shelf registration statement on Form S-3 (File No. 333-200176) filed on November 13, 2014 with the U.S. Securities and Exchange Commission (SEC), the base prospectus filed as part of such registration statement and the prospectus supplement dated April 15, 2016, filed by the Company with the SEC. Additionally, under the terms of the Sales Agreement, the Company may also sell shares of its common stock through FBR, on Nasdaq or otherwise, at negotiated prices or at prices related to the prevailing market price.

Under the terms of the Sales Agreement, FBR may not engage in any proprietary trading or trading as principal for FBR's own account. FBR will use its commercially reasonable efforts consistent with its normal trading and sales practices to sell the Company's common stock from time to time, based upon the Company's instructions (including any price, time or size limits or other customary parameters or conditions the Company may impose). Actual sales will depend on a variety of factors to be determined by the Company from time to time, including (among others) market conditions, the trading price of the Company's common stock, capital needs and determinations by the Company of the appropriate sources of funding for the Company. The Company cannot provide any assurances that it will issue any shares pursuant to the Sales Agreement. The Company will pay a commission rate equal to up to 3% of the gross sales price per share sold. The Company has also agreed to provide FBR with customary indemnification and contribution rights.

The Sales Agreement may be terminated by the Company or FBR at any time upon ten days' notice to the other party, or by FBR at any time in certain circumstances, including the occurrence of an event that would be reasonably likely to have a material adverse effect on the Company's assets, business, operations, earnings, properties, condition (financial or otherwise), prospects, stockholders' equity or results of operations.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy any security nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The Sales Agreement is filed as Exhibit 10.1 to this Current Report. The description of the Sales Agreement does not purport to be complete and is qualified in its entirety by reference to the Sales Agreement filed as an exhibit to this Current Report on Form 8-K and incorporated herein by reference. The opinion of the Company's counsel regarding the validity of the shares that will be issued pursuant to the Sales Agreement is also filed herewith as Exhibit 5.1.
