PROSPECTUS SUPPLEMENT

(To prospectus dated February 25, 2016)

HSBC HOLDINGS PLC

\$2,500,000,000 2.950% Senior Unsecured Notes due 2021

\$2,000,000,000 3.600% Senior Unsecured Notes due 2023

\$2,500,000,000 3.900% Senior Unsecured Notes due 2026

\$1,000,000,000 Floating Rate Senior Unsecured Notes due 2021

We are offering \$2,500,000,000 principal amount of 2.950% Senior Unsecured Notes due 2021 (the 2021 Fixed Rate Notes), \$2,000,000,000 principal amount of 3.600% Senior Unsecured Notes due 2023 (the 2023 Fixed Rate Notes), \$2,500,000,000 principal amount of 3.900% Senior Unsecured Notes due 2026 (the 2026 Fixed Rate Notes) (together, the Fixed Rate Notes) and \$1,000,000,000 principal amount of Floating Rate Senior Unsecured Notes due 2021 (the Floating Rate Notes). The Notes (as defined below) will be issued pursuant to the indenture dated as of August 26, 2009 (as amended or supplemented from time to time), as supplemented and amended by a second supplemental indenture, which is expected to be entered into on May 25, 2016 (the indenture, together with the second supplemental indenture, the Indenture). The Notes means any of the 2021 Fixed Rate Notes, the 2023 Fixed Rate Notes, the 2026 Fixed Rate Notes or the Floating Rate Notes, as applicable.

We will pay interest semi-annually in arrear on the 2021 Fixed Rate Notes on May 25 and November 25 of each year, beginning on November 25, 2016, at a rate of 2.950% per annum. The 2021 Fixed Rate Notes will mature on May 25, 2021.

We will pay interest semi-annually in arrear on the 2023 Fixed Rate Notes on May 25 and November 25 of each year, beginning on November 25, 2016, at a rate of 3.600% per annum. The 2023 Fixed Rate Notes will mature on May 25, 2023.

We will pay interest semi-annually in arrear on the 2026 Fixed Rate Notes on May 25 and November 25 of each year, beginning on November 25, 2016, at a rate of 3.900% per annum. The 2026 Fixed Rate Notes will mature on May 25,

2026.

We will pay interest quarterly in arrear on the Floating Rate Notes on February 25, May 25, August 25 and November 25 of each year, beginning on August 25, 2016, at a floating rate equal to the three-month U.S. dollar London interbank offered rate, plus 1.66% per annum. The Floating Rate Notes will mature on May 25, 2021.

We may redeem the Notes in whole (but not in part) at 100% of their principal amount plus any accrued and unpaid interest to (but excluding) the date of redemption upon the occurrence of certain tax events as described in this prospectus supplement and the accompanying prospectus.

By its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the Notes, the Indenture or any other agreements, arrangements or understandings between us and any noteholder, to be bound by (a) the effect of the exercise of any UK bail-in power (as defined herein) by the relevant UK resolution authority (as defined herein); and (b) the variation of the terms of the Notes or the Indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority. No repayment or payment of Amounts Due (as defined below) will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. For these purposes, Amounts Due are the principal amount of, and any accrued but unpaid interest, including any Additional Amounts (as defined herein), on, the Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any UK bail-in power by the relevant UK resolution authority. See *Description of the Notes Agreement with Respect to the Exercise of UK Bail-in Power*. Moreover, each noteholder (which, for these purposes, includes each beneficial owner) will consent to the exercise of the UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Notes.

By its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner), to the extent permitted by the Trust Indenture Act of 1939, as amended, will waive any and all claims, in law and/or in equity, against The Bank of New York Mellon, London Branch, as trustee, for, agree not to initiate a suit against the trustee in respect of, and agree that the trustee will not be liable for, any action that the trustee takes, or abstains from taking, in either case in accordance with the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes.

Application will be made to list the Notes on the New York Stock Exchange. Trading on the New York Stock Exchange is expected to begin within 30 days of the initial delivery of the Notes.

Investing in the Notes involves certain risks. See *Risk Factors* beginning on Page S-12.

Unless otherwise defined, terms that are defined in *Description of the Notes* beginning on page S-25 have the same meaning when used on this cover page.

Neither the Securities and Exchange Commission nor any other regulatory body has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus supplement or the related prospectus. Any representation to the contrary is a criminal offense.

We are responsible for the information contained and incorporated by reference in this prospectus supplement, the accompanying prospectus and in any related free-writing prospectus we prepare or authorize. We have not authorized anyone to give you any other information, and we take no responsibility for any other information that others may give you. We are not, and the underwriters are not, making an offer to sell these securities in any jurisdiction where the offer or sale is not permitted. You should not assume that the information appearing in this prospectus supplement, the accompanying prospectus and in any related free-writing prospectus we prepare or authorize, as well as information we have previously filed with the Securities and Exchange Commission (the SEC) and incorporated by reference, is accurate as of any date other than their respective dates. Our business, financial condition, results of operations and prospects may have changed since those dates.

The distribution of this prospectus supplement and the accompanying prospectus and the offering of the Notes in certain jurisdictions may be restricted by law. This prospectus supplement and the accompanying prospectus do not constitute an offer, or an invitation on our behalf or on behalf of the underwriters or any of them, to subscribe to or purchase any of the Notes, and may not be used for or in connection with an offer or solicitation by anyone, in any jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation.

In connection with the issue of the Notes, HSBC Securities (USA) Inc. or any person acting for it may over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period after the issue date. However, there may be no obligation on HSBC Securities (USA) Inc. or any agent of it to do this. Such stabilizing, if commenced, may be discontinued at any time and must be brought to an end after a limited period.

You should not invest in the Notes unless you have the knowledge and expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes due to the likelihood of an exercise of the UK bail-in power and the impact this investment will have on your overall investment portfolio. Prior to making an investment decision, you should consider carefully, in light of your own financial circumstances and investment objectives, all the information contained in this prospectus supplement and the accompanying prospectus and incorporated by reference herein and therein.

This document is for distribution only to persons who (i) have professional experience in matters relating to investments and who fall within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the Financial Promotion Order), (ii) are persons falling within Article 49(2)(a) to (d) (high net worth companies, unincorporated associations etc.) of the Financial Promotion Order, (iii) are outside the United Kingdom or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as relevant persons). This document is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this document relates is available only to relevant persons and will be engaged in only with relevant persons.

This prospectus supplement has been prepared on the basis that any offer of the Notes in any Member State of the European Economic Area (the EEA) will be made pursuant to an exemption under the Prospectus Directive from the requirement to produce a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Member State of the Notes which are the subject of an offering contemplated in this prospectus supplement as completed by final terms in relation to the offer of the Notes may only do so in circumstances in which no obligation arises for us or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus

Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither we nor any of the underwriters have authorized, nor do we or any of the underwriters authorize, the making of any offer of the Notes in circumstances

in which an obligation arises for us or the underwriters to publish a prospectus for such offer. Neither we nor the underwriters have authorized, nor do we authorize, the making of any offer of Notes through any financial intermediary, other than offers made by the underwriters, which constitute the final placement of the Notes contemplated in this prospectus supplement. The expression "Prospectus Directive" means Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU), and includes any relevant implementing measure in the Member State.

CERTAIN DEFINITIONS AND PRESENTATION OF FINANCIAL AND OTHER DATA

Definitions

As used in this prospectus supplement and the accompanying prospectus, the terms HSBC Holdings, we, us and our refer to HSBC Holdings plc. HSBC Group and HSBC mean HSBC Holdings together with its subsidiary undertakings.

As used in this prospectus supplement, the Notes means any of the 2021 Fixed Rate Notes, the 2023 Fixed Rate Notes, the 2026 Fixed Rate Notes or the Floating Rate Notes, as applicable.

Presentation of Financial Information

The consolidated financial statements of HSBC Group have been prepared in accordance with International Financial Reporting Standards (IFRSs), as issued by the International Accounting Standards Board (IASB) and as endorsed by the European Union (EU). EU-endorsed IFRSs could differ from IFRSs as issued by the IASB, if, at any point in time, new or amended IFRSs were to be endorsed by the EU. At December 31, 2015, there were no unendorsed standards effective for the year ended December 31, 2015 affecting our consolidated financial statements, and there was no difference between IFRSs endorsed by the EU and IFRSs issued by the IASB in terms of their application to HSBC. Accordingly, HSBC's financial statements for the year ended December 31, 2015 were prepared in accordance with IFRSs as issued by the IASB.

We use the US dollar as our presentation currency in our consolidated financial statements because the US dollar and currencies linked to it form the major currency bloc in which we transact and fund our business.

With the exception of the capital ratios presented under *HSBC Holdings plc*, the financial information presented in this document has been prepared in accordance with IFRSs as issued by the IASB and as endorsed by the EU. See *Where You Can Find More Information About Us*.

Currency

In this prospectus supplement, all references to (i) US dollars, US\$, dollars or \$ are to the lawful currency of the United States of America, (ii) euro or are to the lawful currency of the Member States of the EU that have adopted or adopt the single currency in accordance with the Treaty establishing the European Community, as amended, (iii) sterling pounds sterling or £ are to the lawful currency of the United Kingdom and (iv) CAD are to the lawful currency of Canada.

LIMITATIONS ON ENFORCEMENT OF US LAWS AGAINST US, OUR

MANAGEMENT AND OTHERS

We are an English public limited company. Most of our directors and executive officers (and certain experts named in this prospectus supplement and the accompanying prospectus or in documents incorporated herein by reference) are resident outside the United States, and a substantial portion of our assets and the assets of such persons are located

outside the United States. As a result, it may not be possible for you to effect service of process within the United States upon these persons or to enforce against them or us in US courts judgments obtained in US courts predicated upon the civil liability provisions of the federal securities laws of the United States. We have been advised by our English solicitors, Cleary Gottlieb Steen & Hamilton LLP, that there is doubt as to enforceability in the English courts, in original actions or in actions for enforcement of judgments of US courts, of liabilities predicated solely upon the federal securities laws of the United States. In addition, awards of punitive damages in actions brought in the United States or elsewhere may not be enforceable in the United Kingdom. The enforceability of any judgment in the United Kingdom will depend on the particular facts of the case in effect at the time.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus supplement and the accompanying prospectus and the documents incorporated by reference herein contain both historical and forward-looking statements. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements may be identified by the use of terms such as believes, expects, estimate, may, intends, plan, will, should, potential, reasonably possible negative thereof or similar expressions, or by discussions of strategy. These forward-looking statements include statements relating to: Moody's Investor Service statement regarding our financial strength; implementation and exercise of the UK bail-in powers; our plan to issue additional senior debt securities; and listing of the Notes. We have based the forward-looking statements on current expectations and projections about future events. These forward-looking statements are subject to risks, uncertainties and assumptions about us, as described under "Cautionary statement regarding forward-looking statements" in HSBC Holdings' Annual Report on Form 20-F for the year ended December 31, 2015 filed with the SEC on February 25, 2016 (the "2015 Form 20-F"). We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed herein might not occur. You are cautioned not to place undue reliance on any forward-looking statements, which speak only as of their dates. Additional information, including information on factors which may affect HSBC's business, is contained in the 2015 Form 20-F, the Form 6-K furnished to the SEC on February 29, 2016 (furnishing additional information about our business and capital structure) and the Form 6-K furnished to the SEC on May 3, 2016 (furnishing the earnings release for the period ended March 31, 2016).

WHERE YOU CAN FIND MORE INFORMATION ABOUT US

We have filed with the SEC a post-effective amendment to the registration statement on Form F-3 (No. 333-202420) (the "Registration Statement") under the Securities Act of 1933, as amended (the "Securities Act"), with respect to the Notes offered by this prospectus supplement. As permitted by the rules and regulations of the SEC, this prospectus supplement and the accompanying prospectus omit certain information, exhibits and undertakings contained in the Registration Statement. For further information with respect to us or the Notes, please refer to the Registration Statement, including its exhibits and the financial statements, notes and schedules filed as a part thereof. Statements contained in this prospectus supplement and the accompanying prospectus as to the contents of any contract or other document are not necessarily complete, and in each instance reference is made to the copy of such contract or document filed as an exhibit to the Registration Statement, each such statement being qualified in all respects by such reference. In addition, we file with the SEC annual reports and special reports, proxy statements and other information. You may read and copy any document we file at the SEC's public reference room at 100 F Street, N.E., Room 1580, Washington, DC 20549. Please call the SEC at (800) SEC-0330 for further information on the public reference room. Documents filed with the SEC are also available to the public on the SEC's internet site at <http://www.sec.gov>.

We are incorporating by reference in this prospectus supplement and the accompanying prospectus the information in the documents that we file with the SEC, which means we can disclose important information to you by referring you to those documents. The information incorporated by reference is considered to be a part of this prospectus supplement and the accompanying prospectus. Each document incorporated by reference is current only as of the date of such document, and the incorporation by reference of such documents will not create any implication that there has been no change in our affairs since the date thereof or that the information contained therein is current as of any time

subsequent to its date. The information incorporated by reference is considered to be a part of this prospectus supplement and should be read with the same care. When we update the information contained in documents that have been incorporated by reference by making future filings with the SEC, the information incorporated by reference in this prospectus supplement is considered to be automatically updated and superseded. In the case of a conflict or inconsistency between information contained in this

prospectus supplement and information incorporated by reference into this prospectus supplement, you should rely on the information contained in the document that was filed later. We incorporate by reference in this prospectus supplement and the accompanying prospectus the 2015 Form 20-F, the Form 6-K furnished to the SEC on February 29, 2016 (furnishing additional information about our business and capital structure), the Form 6-K furnished to the SEC on March 18, 2016 (furnishing the notice of annual general meeting) and the Form 6-K furnished to the SEC on May 3, 2016 (furnishing the earnings release for the period ended March 31, 2016).

In addition, all documents filed by us with the SEC pursuant to Sections 13(a), 13(c) or 15(d) of the US Securities Exchange Act of 1934, as amended (the Exchange Act), and, to the extent expressly stated therein, certain reports on Form 6-K furnished by us after the date of this prospectus supplement will also be deemed to be incorporated by reference in this prospectus supplement and the accompanying prospectus from the date of filing of such documents. Any statement contained herein or in a document incorporated or deemed to be incorporated by reference herein will be deemed to be modified or superseded for purposes of this prospectus supplement and the accompanying prospectus to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded will not be deemed, except as so modified or superseded, to constitute a part of this prospectus supplement and the accompanying prospectus and to be a part hereof from the date of filing of such document.

Table of Contents

Maturity Date The 2026 Fixed Rate Notes will mature on May 25, 2026.
Terms Specific to the Floating Rate Notes:

Interest The initial interest rate on the Floating Rate Notes for the first Floating Rate Interest Period (as defined below) will be equal to the three-month U.S. dollar London interbank offered rate (LIBOR), as determined on May 23, 2016, plus 1.66% per annum (the Floating Rate Initial Interest Rate). Thereafter, the interest rate on the Floating Rate Notes for any Floating Rate Interest Period will be LIBOR, as determined on the applicable Floating Rate Interest Determination Date (as defined below), plus 1.66% per annum. The interest rate on the Floating Rate Notes will be reset quarterly on each Floating Rate Interest Reset Date (as defined below).

Interest Payment Date Interest on the Floating Rate Notes will be payable quarterly in arrear on February 25, May 25, August 25 and November 25 of each year, beginning on August 25, 2016 (each, a Floating Rate Interest Payment Date).

Interest Reset Dates Every February 25, May 25, August 25 and November 25 of each year, commencing on August 25, 2016 (each, a Floating Rate Interest Reset Date); *provided* that the interest rate in effect from (and including) May 25, 2016 to (but excluding) the first Floating Rate Interest Reset Date will be the Floating Rate Initial Interest Rate.

Interest Periods The period beginning on (and including) a Floating Rate Interest Payment Date and ending on (but excluding) the next succeeding Floating Rate Interest Payment Date (each, a Floating Rate Interest Period); *provided* that the first Floating Rate Interest Period will begin on May 25, 2016 and will end on (but exclude) August 25, 2016.

Interest Determination Date The second London banking day preceding the applicable Floating Rate Interest Reset Date (each, a Floating Rate Interest Determination Date); *provided* that the first Floating Rate Interest Determination Date will be the second London banking day (as defined below) preceding the issue date (which is May 23, 2016).

London banking day means any day on which dealings in U.S. dollars are transacted in the London interbank market.

Maturity Date	The Floating Rate Notes will mature on May 25, 2021.
Calculation Agent	HSBC Bank USA, National Association, or its successor appointed by us, pursuant to a calculation agent agreement expected to be entered into on May 25, 2016.
Calculation of U.S. Dollar LIBOR	<p>LIBOR will be determined by the calculation agent in accordance with the following provisions:</p> <ol style="list-style-type: none">(1) With respect to any Floating Rate Interest Determination Date, LIBOR will be the rate (expressed as a percentage per annum) for deposits in U.S. dollars having a maturity of three months commencing on the related Floating Rate Interest Reset Date that appears on Reuters Page LIBOR01 (as defined below) as of 11:00 a.m., London

S-8

Table of Contents

time, on that Floating Rate Interest Determination Date. If no such rate appears, then LIBOR, in respect of that Floating Rate Interest Determination Date, will be determined in accordance with the provisions described in (2) below.

- (2) With respect to a Floating Rate Interest Determination Date on which no rate appears on Reuters Page LIBOR01, the calculation agent will request the principal London offices of each of four major reference banks in the London interbank market (which may include affiliates of the underwriters), as selected and identified by us, to provide its offered quotation (expressed as a percentage per annum) for deposits in U.S. dollars for the period of three months, commencing on the related Floating Rate Interest Reset Date, to prime banks in the London interbank market at approximately 11:00 a.m., London time, on that Floating Rate Interest Determination Date, and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time. If at least two quotations are provided, then LIBOR on that Floating Rate Interest Determination Date will be the arithmetic mean of those quotations. If fewer than two quotations are provided, then LIBOR on the Floating Rate Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 a.m., in the City of New York, on the Floating Rate Interest Determination Date by three major banks in the City of New York (which may include affiliates of the underwriters), as selected and identified by us, for loans in U.S. dollars to leading European banks, for a period of three months, commencing on the related Floating Rate Interest Reset Date, and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time. If at least two such rates are so provided, LIBOR on the Floating Rate Interest Determination Date will be the arithmetic mean of such rates. If fewer than two such rates are so provided, LIBOR on the Floating Rate Interest Determination Date will be LIBOR in effect with respect to the immediately preceding Floating Rate Interest Determination Date or, in the case of the initial Floating Rate Interest Determination Date, at the Floating Rate Initial Interest Rate.

Reuters Page LIBOR01 means the display that appears on Reuters Page LIBOR01 or any page as may replace such page on such service (or any successor service) for the purpose of displaying LIBOR of major banks for U.S. dollars.

Terms Applicable to each Series of Notes:

their principal amount plus any accrued and unpaid interest to (but excluding) the date of redemption. See *Description of Debt Securities Redemption* in the accompanying prospectus.

Notice of Redemption

Any redemption of the Notes will be subject to our giving prior notice to the noteholders as described under *Description of Debt Securities Redemption* in the accompanying prospectus.

Agreement with Respect to the Exercise of UK Bail-in Power

By its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the Notes, the Indenture or any other agreements, arrangements or understandings between us and any noteholder, to be bound by (a) the effect of the exercise of any UK bail-in power (as defined under *Description of the Notes Definitions*) by the relevant UK resolution authority (as defined under *Description of the Notes Definitions*); and (b) the variation of the terms of the Notes or the Indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority. No repayment or payment of Amounts Due (as defined below) will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. For these purposes, Amounts Due are the principal amount of, and any accrued but unpaid interest, including any Additional Amounts (as defined below), on, the Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any UK bail-in power by the relevant UK resolution authority. See *Description of the Notes Agreement with Respect to the Exercise of UK Bail-in Power*.

Moreover, each noteholder (which, for these purposes, includes each beneficial owner) will consent to the exercise of the UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Notes.

Payment of Additional Amounts

We will pay additional amounts in respect of the Notes, in the circumstances described under *Description of Debt Securities Additional Amounts Senior Debt Securities and Undated Subordinated Debt Securities* in the accompanying prospectus (such additional amounts, Additional Amounts).

Ranking

The Notes will constitute our direct, unsecured obligations and rank *pari passu* with our other senior indebtedness, and the Notes will rank equally

and ratably without any preference among themselves. Senior indebtedness will not include any indebtedness that is expressed to be subordinated to or *pari passu* with subordinated debt securities. See *Description of Debt Securities Senior Debt Securities Defaults and Events of Default* in the accompanying prospectus.

Form of Notes

The Notes will be issued in the form of one or more global securities registered in the name of the nominee for, and deposited with, The Depository Trust Company (DTC). See *Description of Debt*

Application will be made to list the Notes on the New York Stock Exchange in accordance with its rules.

Sinking Fund

There will be no sinking fund for the Notes.

Trustee

We will issue the Notes under the indenture dated August 26, 2009 (as amended or supplemented from time to time), as supplemented and amended by a second supplemental indenture, which is expected to be entered into on May 25, 2016, with The Bank of New York Mellon, London Branch, as trustee (the indenture, together with the second supplemental indenture, the Indenture).

Paying Agent

HSBC Bank USA, National Association, or its successor appointed by us pursuant to the Indenture.

Use of Proceeds

We will use the net proceeds from the sale of the Notes for general corporate purposes.

Conflicts of Interest

HSBC Securities (USA) Inc. is an affiliate of HSBC Holdings and, as such, the offering is being conducted in compliance with FINRA Rule 5121, as administered by the Financial Industry Regulatory Authority (FINRA).

Minimum Denominations

The Notes will be issued only in registered form in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess

thereof.

Business Day

A day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, England, and in New York City, New York.

Governing Law

The Indenture and the Notes will be governed by, and construed in accordance with, the laws of the State of New York. Any legal proceedings arising out of, or based upon, the Indenture or the Notes may be instituted in any state or federal court in the Borough of Manhattan in New York City, New York.

Table of Contents**RISK FACTORS**

An investment in the Notes involves significant risk. Accordingly, you should consider carefully all of the information set forth in, or incorporated by reference into, this prospectus supplement and the accompanying prospectus, including the section entitled Risk Factors, before you decide to invest in the Notes. Terms which are defined in Description of the Notes included in this prospectus supplement beginning on page S-25 have the same meaning when used in this section.

Risks Relating to HSBC's Business

For information on risks relating to HSBC's business, you should read the risks described in the 2015 Form 20-F, including the section entitled *Risk Factors* on pages 109a through 109l and Note 40 (*Legal proceedings and regulatory matters*) to the consolidated financial statements included therein on pages 446 through 454, which is incorporated by reference in this prospectus supplement and/or similar disclosure in subsequent filings incorporated by reference in this prospectus supplement.

Risks Relating to the Notes

Under the terms of the Notes, you will agree to be bound by the exercise of any UK bail-in power by the relevant UK resolution authority.

You will agree to be bound by the exercise of any UK bail-in power (as defined under *Description of the Notes Definitions*) and you should consider the risk that you may lose all of your investment, including the principal amount plus any accrued interest, if the UK bail-in power is acted upon or that any remaining outstanding Notes or securities into which the Notes are converted, including our ordinary shares, may be of little value at the time of conversion and thereafter (as described under *Risks Relating to the Notes The Notes are the subject of the UK bail-in power, which may result in your Notes being written down to zero or converted into other securities, including unlisted equity securities*).

Specifically, by your acquisition of the Notes, you (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the Notes, the Indenture or any other agreements, arrangements or understandings between us and any noteholder, to be bound by (a) the effect of the exercise of any UK bail-in power by the relevant UK resolution authority (as defined under *Description of the Notes Agreement with Respect to the Exercise of UK Bail-in Power*); and (b) the variation of the terms of the Notes or the Indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority. No repayment or payment of Amounts Due (as defined under *Description of the Notes Agreement with Respect to the Exercise of UK Bail-in Power*) will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. Moreover, you (which, for these purposes, includes each beneficial owner) will consent to the exercise of the UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Notes. For more information, see *Description of the Notes Agreement with Respect to the Exercise of UK Bail-in Power*.

The Notes are the subject of the UK bail-in power, which may result in your Notes being written down to zero or converted into other securities, including unlisted equity securities.

On January 1, 2015, the UK Banking Act 2009, as amended (the *Banking Act*), and other primary and secondary legislative instruments were amended to give effect to the BRRD (as defined under *Description of the*

Notes Definitions) in the UK. The stated aim of the BRRD is to provide supervisory authorities, including the relevant UK resolution authority, with common tools and powers to address banking crises pre-emptively in order to safeguard financial stability and minimize taxpayers contributions to bank bail-outs and/or exposure to losses.

S-12

Table of Contents

As the parent company of a UK bank, we are subject to the Banking Act, which gives wide powers in respect of UK banks and their parent and other group companies to Her Majesty's Treasury (HM Treasury), the Bank of England, the UK Prudential Regulation Authority (the PRA) and the Financial Conduct Authority in circumstances where a UK bank has encountered or is likely to encounter financial difficulties.

As a result, the Notes are subject to existing UK bail-in powers under the Banking Act and may be subject to future UK bail-in powers under existing or future legislative and regulatory proposals, including measures implementing the BRRD. In particular, the Banking Act was amended to implement a bail-in tool, which may be exercised by the Bank of England (the BoE) (as a relevant UK resolution authority) and forms part of the UK bail-in power.

Where the conditions for resolution exist, the BoE may use the bail-in tool (individually or in combination with available resolution tools) to cancel all or a portion of the principal amount of, or interest on, certain unsecured liabilities of a failing financial institution and/or convert certain debt claims into another security, including ordinary shares of the surviving entity. In addition, the BoE may use the bail-in tool to, among other things, replace or substitute the issuer as obligor in respect of debt instruments, modify the terms of debt instruments (including altering the maturity (if any) and/or the amount of interest payable and/or imposing a temporary suspension on payments) and discontinue the listing and admission to trading of financial instruments. The BoE must apply the bail-in tool in accordance with a specified preference order. In particular, the Banking Act requires resolution authorities to write-down or convert debts in the following order: (i) additional Tier 1 instruments, (ii) Tier 2 instruments, (iii) other subordinated claims that do not qualify as additional Tier 1 or Tier 2 instruments and (iv) eligible senior claims. Although the bail-in tool has a safeguard designed to leave no creditor worse off than in the case of insolvency, due to the discretion afforded to the BoE, the claims of some creditors whose claims would rank equally with yours may be excluded from being subject to the bail-in tool. The greater number of such excluded creditors there are, the greater the potential impact of the bail-in tool on other creditors who have not been excluded (which may include you).

As a result, the Notes, which are subject to the bail-in tool, will be written down or converted if the reduction of additional Tier 1 instruments, Tier 2 instruments and subordinated claims that do not qualify as an additional Tier 1 or Tier 2 instrument, does not sufficiently reduce the aggregate amount of liabilities that must be written down or converted to prevent the HSBC Group's failure.

Moreover, to the extent the UK bail-in power is exercised pursuant to the Banking Act or otherwise, we do not expect any securities issued upon conversion of your Notes to meet the listing requirements of any securities exchange, and we expect our outstanding listed securities to be delisted from the securities exchanges on which they are listed. Any securities you receive upon conversion of your Notes (whether debt or equity) likely will not be listed for at least an extended period of time, if at all, or may be on the verge of being delisted by the relevant exchange, including, for example, our American depositary receipts listed on the New York Stock Exchange or our ordinary shares listed on the London Stock Exchange or otherwise. Additionally, there may be limited, if any, disclosure with respect to the business, operations or financial statements of the issuer of any securities issued upon conversion of your Notes, or the disclosure with respect to any existing issuer may not be current to reflect changes in the business, operations or financial statements as a result of the exercise of the UK bail-in power. Moreover, the exercise of the UK bail-in power and/or other actions implementing the UK bail-in power may require interests in the Notes to be held or taken, as the case may be, through clearing systems, intermediaries or persons other than DTC. Furthermore, the trustee may be unwilling to continue serving in its capacity as trustee for the Notes, subject to the terms of the Indenture. As a result, there may not be an active market for any securities you may hold after the exercise of the UK bail-in power.

You should consider the risk that you may lose all of your investment, including the principal amount plus any accrued interest, if the UK bail-in power is acted upon or that any remaining outstanding Notes or securities into which your Notes are converted, including our ordinary shares, may be of little value at the time of conversion and

thereafter. In addition, trading behavior, including prices and volatility, may be affected by the

S-13

Table of Contents

threat of bail-in and, as a result, your Notes are not necessarily expected to follow the trading behavior associated with other types of securities. See also *Risks Relating to the Notes* *Other powers contemplated by the Banking Act may affect your rights under, and the value of your investment in, the Notes.*

Your rights may be limited in respect of the exercise of the UK bail-in power by the relevant UK resolution authority.

There may be limited protections, if any, that will be available to holders of securities subject to the UK bail-in power (including the Notes) and to the broader resolution powers of the relevant UK resolution authority. For example, although under the Banking Act the BoE's resolution instrument with respect to the exercise of the bail-in tool must set out the provisions allowing for securities to be transferred, cancelled or modified (or any combination of these), the resolution instrument may make any other provision that the BoE considers to be appropriate in exercising its specific powers. Such other provisions are expected to be specific and tailored to the circumstances that have led to the exercise of the bail-in tool under the Banking Act and there is uncertainty as to the extent to which usual processes or procedures under English law will be available to holders of securities (including the Notes). Accordingly, you may have limited or circumscribed rights to challenge any decision of the BoE or other relevant UK resolution authority to exercise its UK bail-in power.

Other powers contemplated by the Banking Act may affect your rights under, and the value of your investment in, the Notes.

In addition to the bail-in tool, the Banking Act includes powers to (a) transfer all or some of the securities issued by a UK bank or its parent, or all or some of the property, rights and liabilities of a UK bank or its parent (which would include the Notes), to a commercial purchaser or, in the case of securities, into temporary public ownership (to HM Treasury or an HM Treasury nominee), or, in the case of property, rights or liabilities, to a bridge bank (an entity owned by the BoE); (b) together with another resolution tool only, transfer impaired or problem assets to one or more publicly owned asset management vehicles to allow them to be managed with a view to maximizing their value through eventual sale or orderly wind-down; (c) override any default provisions, contracts or other agreements, including provisions that would otherwise allow a party to terminate a contract or accelerate the payment of an obligation; (d) commence certain insolvency procedures in relation to a UK bank; and (e) override, vary or impose contractual obligations, for reasonable consideration, between a UK bank or its parent and its group undertakings (including undertakings which have ceased to be members of the group), in order to enable any transferee or successor bank of the UK bank to operate effectively.

The Banking Act also gives power to HM Treasury to make further amendments to the law for the purpose of enabling it to use these powers effectively, potentially with retrospective effect.

The powers set out in the Banking Act could affect how credit institutions (and their parent companies) and investment firms are managed as well as, in certain circumstances, the rights of creditors. Accordingly, the taking of any actions contemplated by the Banking Act may affect your rights under the Notes, and the value of your Notes may be affected by the exercise of any such powers or threat thereof.

The circumstances under which the relevant UK resolution authority would exercise its UK bail-in power or other resolutions tools under the Banking Act or future legislative or regulatory proposals are uncertain, which may affect the value of your Notes.

There remains significant uncertainty regarding the ultimate nature and scope of the resolution powers under the Banking Act (and such significant uncertainty may exist with respect to any other resolution powers or tools enacted

under future legislative or regulatory proposals), as well as the manner in which such powers would affect us and our securities (including the Notes) if such powers were exercised.

For example, although the exercise of certain resolution tools under the Banking Act are subject to certain pre-conditions thereunder, there remains uncertainty regarding the specific factors (including, but not limited to,

Table of Contents

factors outside our control or not directly related to us) which the BoE would consider in deciding whether to exercise such powers with respect to us or our securities. In particular, because the Banking Act allows for the BoE to exercise its discretion in choosing which resolution tool or tools to apply, it will be difficult to predict whether the exercise of the BoE's resolution powers will result in a principal write-off or conversion to equity. You may not be able to refer to publicly available criteria in order to anticipate a potential exercise of any such resolution powers and consequently its potential effect on us or the Notes.

Accordingly, it is not yet possible to assess the full impact of the exercise of the UK bail-in power pursuant to the Banking Act or otherwise on us, and there can be no assurance that the taking of any actions contemplated therein would not adversely affect your rights, the price or value of your investment in the Notes and/or our ability to satisfy our obligations under the Notes.

Other changes in law may adversely affect your rights as noteholders.

Changes in law after the date hereof may affect your rights as noteholder as well as the market value of the Notes. Such changes in law may include changes in statutory, tax and regulatory regimes during the life of the Notes, which may have an adverse effect on an investment in the Notes.

In particular, if the UK were to vote to exit the EU following the referendum scheduled for June 23, 2016, there could be significant changes to those EU laws applicable in the UK (depending on whether, following exit, the UK were to be re-admitted to the European Free Trade Association, and therefore remain subject to EU legislation applicable to the EEA). While any exit should not in and of itself affect the validity of the Banking Act (through which the BRRD is implemented), it is possible that subsequent changes in law affecting your rights could take place.

In addition, any change in law or regulation that results in our having to pay Additional Amounts to you could constitute a tax event that may entitle us to redeem the Notes, in whole (but not in part), as more particularly described under *Risks Relating to the Notes We may redeem the Notes for certain tax reasons* below and *Description of Debt Securities Redemption* in the accompanying prospectus.

Such legislative and regulatory uncertainty could also affect your ability to accurately value and the liquidity of the Notes and, therefore, affect the trading price of the Notes given the extent and impact on the Notes that one or more regulatory or legislative changes, including those described under *Risks Relating to the Notes The circumstances under which the relevant UK resolution authority would exercise its UK bail-in power or other resolutions tools under the Banking Act or future legislative or regulatory proposals are uncertain, which may affect the value of your Notes*, could have on the Notes.

We may redeem the Notes for certain tax reasons.

We may redeem the Notes at any time in whole (but not in part) upon the occurrence of certain tax events, as more particularly described under *Description of Debt Securities Redemption* in the accompanying prospectus. Certain of such events may occur at any time after the issue date and it is therefore possible that we would be able to redeem the Notes at any time after the issue date.

If we redeem the Notes in any of the circumstances mentioned above, you may not be able to reinvest the redemption proceeds in securities offering a comparable yield.

We may issue securities pari passu with the Notes and/or secured debt.

There is no restriction on the amount of securities that we may issue that rank *pari passu* with the Notes. In particular, the Financial Stability Board (the FSB) final standards for total loss absorbing capacity (TLAC)

S-15

Table of Contents

requirements for global systemically important banks will apply to us once implemented in the United Kingdom, and we expect to issue between \$60 billion and \$80 billion in aggregate principal amount of senior debt securities between 2016 and 2018 in order to meet these TLAC requirements. See pages 100b through 100h in the 2015 Form 20-F. Furthermore, the terms of the Indenture permit us (and our subsidiaries) to incur additional debt, including secured debt. The Notes will be effectively subordinated to any indebtedness or other liabilities of our subsidiaries (see *Risks Relating to the Notes Our holding company structure may mean that our rights to participate in assets of any of our subsidiaries upon its liquidation may be subject to prior claims of some of its creditors, including when we have loaned or otherwise advanced the proceeds received from the issuance of the Notes to such subsidiary*) and to any of our indebtedness that is secured by property or assets to the extent of the value of the property or assets securing such indebtedness. In the event of our winding up, you may recover from the value of our assets to satisfy your claims only after our secured creditors have been paid in full. In addition, the claims of *pari passu* creditors may reduce the amount recoverable by you. Therefore, you may lose all or some of your investment in the Notes in the event of our winding up.

Our holding company structure may mean that our rights to participate in assets of any of our subsidiaries upon its liquidation may be subject to prior claims of some of its creditors, including when we have loaned or otherwise advanced the proceeds received from the issuance of the Notes to such subsidiary.

The Notes are our obligations exclusively and are not guaranteed by any person, including any of our subsidiaries. We are a non-operating holding company and, as such, our principal source of income is derived from our operating subsidiaries that hold the principal assets of the HSBC Group. As a separate legal entity, we rely on, among other things, remittance of our subsidiaries' loan interest payments and dividends in order to be able to meet our obligations to you as they fall due. The ability of our subsidiaries and affiliates to pay dividends could be restricted by changes in regulation, exchange controls and other requirements, which may restrict our ability to pay any amounts due under the Notes.

In addition, because we are a holding company, our rights to participate in the assets of any subsidiary if it is liquidated will be subject to the prior claims of its creditors and any preference shareholders, except to the extent that we may be a creditor with recognized claims ranking ahead of or *pari passu* with such prior claims against the subsidiary.

We also have absolute discretion as to how we make our investments in, or advance funds to, our subsidiaries, including the proceeds of issuances of debt securities, such as the Notes, and as to how we may restructure existing investments and funding in the future. The ranking of our claims in respect of such investments and funding in the event of the liquidation of a subsidiary, and their treatment in resolution, will depend in part on their form and structure and the types of claim that they give rise to. The purposes of such investments and funding, and any such restructuring, may include, among other things, the provision of different amounts or types of capital or funding to particular subsidiaries, including for the purposes of meeting regulatory requirements, such as the implementation of the European Banking Authority's minimum requirement for own funds and eligible liabilities (or any equivalent requirements imposed by the PRA), or the FSB's minimum TLAC requirements, in respect of such subsidiaries, which may require funding to be made on a subordinated basis. See pages 100b through 100h in the 2015 Form 20-F.

In addition, the terms of some loans or investments in capital instruments issued by our subsidiaries may contain contractual mechanisms that, upon the occurrence of a trigger related to the prudential or financial condition of such subsidiary, would result in a write-down of the claim or a change in the ranking and type of claim that we have against such subsidiary. Such loans to and investments in our subsidiaries may also be subject to the exercise of the UK bail-in power. See *Risks Relating to the Notes The Notes are the subject of the UK bail-in power, which may result in your Notes being written down to zero or converted into other securities, including unlisted equity securities.* Any

changes in the legal or regulatory form or ranking of a loan or investment could also affect its treatment in resolution.

S-16

Table of Contents

If any of our subsidiaries were wound up, liquidated or dissolved (i) the noteholders would have no right to proceed against the assets of such subsidiary and (ii) the liquidator of such subsidiary would first apply the assets of such subsidiary to settle the claims of such subsidiary's creditors and/or preference shareholders (including holders of such subsidiary's senior debt and Tier 2 and additional Tier 1 capital instruments) before we would be entitled to receive any distributions.

Uncertainty relating to the LIBOR calculation process may adversely affect the value of the Floating Rate Notes.

Regulators and law enforcement agencies in the United Kingdom and elsewhere are conducting civil and criminal investigations into the calculation of daily LIBOR by banks that contributed to the British Bankers' Association (the BBA) when it was the body which exclusively set the relevant LIBOR benchmark rates. A number of BBA member banks have entered into settlements with their regulators and law enforcement agencies with respect to alleged manipulation of LIBOR. ICE Benchmark Rate Administration Ltd. (ICE Administration) has been appointed as the independent LIBOR administrator, effective February 1, 2014. Actions by ICE Administration, regulators or law enforcement agencies may result in changes to the manner in which LIBOR is determined. At this time, it is not possible to predict the effect of any such changes and any other reforms to LIBOR that may be enacted in the United Kingdom or elsewhere. Uncertainty as to the nature of such potential changes may adversely affect the trading market for LIBOR-based securities, including the Floating Rate Notes.

The securities that we are offering constitute a new issue of securities by us and we cannot guarantee that an active public market for the securities will develop or be sustained.

The Notes will constitute a new issue of securities by us. Prior to our present issuance of Notes, there will have been no public market for the Notes. Although we will apply for the Notes to be listed on the New York Stock Exchange, there can be no assurance that an active public market for the Notes will develop and, if such a market were to develop, the underwriters are under no obligation to maintain such a market. The liquidity and the market prices for the Notes can be expected to vary with changes in market and economic conditions and our financial condition and prospects and other factors that generally influence the market prices of securities.

Our credit ratings may not reflect all risks of an investment in the Notes, and changes to any credit rating assigned to us or the Notes may affect the market value of the Notes.

Our credit rating or those assigned to the Notes may not reflect the potential impact of all risks related to structure and other factors on any trading market for, or market value of, the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time in its sole discretion.

Any rating assigned to us or the Notes may be withdrawn entirely by a credit rating agency, may be suspended or may be lowered, if, in that credit rating agency's judgment, circumstances relating to the basis of the rating so warrant. Ratings may be impacted by a number of factors that can change over time, including the credit rating agency's assessment of: our strategy and management's capability; our financial condition, including in respect of capital, funding and liquidity; competitive, economic, legal and regulatory conditions in our key markets, including those markets where we have large exposures or on which our operating results, including revenues, are substantially dependent; the level of political support for the industries in which we operate; and legal and regulatory frameworks affecting our legal structure, business activities and the rights of our creditors. Moreover, the rating agencies that currently, or may in the future, publish a rating for us or the Notes may change the methodologies that they use for analyzing securities with features similar to the Notes.

In March 2016, Moody's Investor Service (Moody's) changed the outlook on our long-term senior unsecured debt rating to negative from stable. This change reflects Moody's re-assessment of our financial strength due to deteriorating operating conditions in Hong Kong, where a significant portion of our business and

S-17

Table of Contents

assets are located and from which we generate a substantial portion of our revenue and profit. Moody's has indicated further that it believes our financial strength is unlikely to improve over the next 12 to 18 months, and that our long-term ratings could be downgraded if the financial strength of our main operating entities weakens, including a further weakening of the financial strength of our Hong Kong operating entity. Any such downgrade would negatively affect any rating assigned to the Notes.

Real or expected downgrades, suspensions or withdrawals of credit ratings assigned to us or the Notes could cause the liquidity or trading prices of the Notes to decline significantly. Additionally, any uncertainty about the extent of any anticipated changes to the credit ratings assigned to us or the Notes may adversely affect the market value of the Notes.

You may not be entitled to receive US dollars in a winding up.

If you are entitled to any recovery with respect to the Notes in any winding up, you might not be entitled in those proceedings to a recovery in US dollars and might be entitled only to a recovery in pounds sterling or any other lawful currency of the United Kingdom. In addition, under current English law, our liability to you would have to be converted into pounds sterling or any other lawful currency of the United Kingdom at a date close to the commencement of proceedings against us and you would be exposed to currency fluctuations between that date and the date you receive proceeds pursuant to such proceedings, if any.

Table of Contents**DESCRIPTION OF THE NOTES**

*The following summary description of certain material terms and provisions of the Notes supplements the description of certain terms and provisions of senior unsecured debt securities of any series set forth in the accompanying prospectus under the heading *Description of Debt Securities*. The terms described here, together with the relevant terms of senior unsecured debt securities contained in the accompanying prospectus, constitute a description of the material terms of the Notes. In cases of inconsistency between the terms described here and the relevant terms of the prospectus, the terms presented here will apply and replace those described in the prospectus.*

The Notes will constitute senior unsecured notes issued under the indenture dated as of August 26, 2009 (as amended or supplemented from time to time) among us, The Bank of New York Mellon, as trustee, and HSBC Bank USA, National Association, as paying agent, the form of which is filed as an exhibit to the post-effective amendment no. 1 to our registration statement on Form F-3. The indenture will be supplemented and amended by a second supplemental indenture, which is expected to be entered into on May 25, 2016 among us, the trustee, the paying agent and the calculation agent (the indenture, together with the second supplemental indenture, the Indenture), the form of which will be filed as an exhibit to a report on Form 6-K on or about May 25, 2016, and which will be incorporated by reference in our registration statement on Form F-3.

If you purchase the Notes, your rights will be determined by the Notes, the Indenture and the Trust Indenture Act of 1939, as amended (the Trust Indenture Act). You can read the Indenture and the form of Notes at the location listed under *Where You Can Find More Information About Us*.

The 2021 Fixed Rate Notes, the 2023 Fixed Rate Notes, the 2026 Fixed Rate Notes and the Floating Rate Notes will be issued in an aggregate principal amount of \$2,500,000,000, \$2,000,000,000, \$2,500,000,000 and \$1,000,000,000, respectively, and unless previously redeemed or otherwise cancelled as described under *Redemption*, will mature on May 25, 2021, May 25, 2023, May 25, 2026 and May 25, 2021, respectively. The Notes will be issued only in registered form in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof.

Interest***Fixed Rate Notes***

Interest on the 2021 Fixed Rate Notes will be payable semi-annually at a rate of 2.950% per annum. Interest on the 2023 Fixed Rate Notes will be payable semi-annually at a rate of 3.600% per annum. Interest on the 2026 Fixed Rate Notes will be payable semi-annually at a rate of 3.900% per annum. Interest on the Fixed Rate Notes will be payable in arrear on May 25 and November 25 of each year, beginning on November 25, 2016. The regular record dates for the Fixed Rate Notes will be the 15th calendar day preceding each interest payment date, whether or not a business day. Interest on the Fixed Rate Notes will be calculated on the basis of twelve 30-day months or, in the case of an incomplete month, the actual number of days elapsed, in each case assuming a 360-day year.

If any scheduled interest payment date is not a business day, we will pay interest on the next business day, but interest on that payment will not accrue during the period from and after the scheduled interest payment date. If the scheduled maturity date or date of redemption or repayment is not a business day, we may pay interest and principal on the next succeeding business day, but interest on that payment will not accrue during the period from and after the scheduled maturity date or date of redemption or repayment.

Floating Rate Notes

Edgar Filing: HSBC HOLDINGS PLC - Form 424B5

Interest on the Floating Rate Notes will be payable quarterly in arrear on February 25, May 25, August 25 and November 25 of each year, beginning on August 25, 2016 (each, a Floating Rate Interest Payment Date).

The initial interest rate on the Floating Rate Notes for the first Floating Rate Interest Period will be equal to the three-month U.S. dollar London interbank offered rate (LIBOR), as determined on May 23, 2016, plus 1.66% per annum. Thereafter, the interest on the Floating Rate Notes for any Floating Rate Interest Period

S-25

Table of Contents

will be LIBOR, as determined on the applicable Floating Rate Interest Determination Date, plus 1.66% per annum. The interest on the Floating Rate Notes will be reset quarterly on each Floating Rate Interest Reset Date. The regular record dates for the Floating Rate Notes will be the 15th calendar day preceding each Floating Rate Interest Payment Date, whether or not a business day. Interest on the Floating Rate Notes will be calculated on the basis of the actual number of days in each Floating Rate Interest Period, assuming a 360-day year.

If any scheduled Floating Rate Interest Reset Date or Floating Rate Interest Payment Date (other than the maturity date for the Floating Rate Notes) is not a business day, such Floating Rate Interest Reset Date and Floating Rate Interest Payment Date will be postponed to the next day that is a business day; *provided* that if that business day falls in the next succeeding calendar month, such Floating Rate Interest Reset Date and Floating Rate Interest Payment Date will be the immediately preceding business day. If any such Floating Rate Interest Payment Date (other than the maturity date for the Floating Rate Notes) is postponed or brought forward as described above, the payment of interest due on such postponed or brought forward Floating Rate Interest Payment Date will include interest accrued to but excluding such postponed or brought forward Floating Rate Interest Payment Date. If the scheduled maturity date or date of redemption or repayment of the Floating Rate Notes is not a business day, we may pay interest and principal on the next succeeding business day, but interest on that payment will not accrue during the period from and after the scheduled maturity date or date of redemption or repayment of the Floating Rate Notes.

LIBOR will be determined by the calculation agent in accordance with the following provisions:

- (1) With respect to any Floating Rate Interest Determination Date, LIBOR will be the rate (expressed as a percentage per annum) for deposits in U.S. dollars having a maturity of three months commencing on the related Floating Rate Interest Reset Date that appears on Reuters Page LIBOR01 as of 11:00 a.m., London time, on that Floating Rate Interest Determination Date. If no such rate appears, then LIBOR, in respect of that Floating Rate Interest Determination Date, will be determined in accordance with the provisions described in (2) below.
- (2) With respect to a Floating Rate Interest Determination Date on which no rate appears on Reuters Page LIBOR01, the calculation agent will request the principal London offices of each of four major reference banks in the London interbank market (which may include affiliates of the underwriters), as selected and identified by us (the London Reference Banks), to provide its offered quotation (expressed as a percentage per annum) for deposits in U.S. dollars for the period of three months, commencing on the related Floating Rate Interest Reset Date, to prime banks in the London interbank market at approximately 11:00 a.m., London time, on that Floating Rate Interest Determination Date, and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time. If at least two quotations are provided, then LIBOR on that Floating Rate Interest Determination Date will be the arithmetic mean of those quotations. If fewer than two quotations are provided, then LIBOR on the Floating Rate Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 a.m., in the City of New York, on the Floating Rate Interest Determination Date by three major banks in the City of New York (which may include affiliates of the underwriters), as selected and identified by us (together with the London Reference Banks, the Reference Banks), for loans in U.S. dollars to leading European banks, for a period of three months, commencing on the related Floating Rate Interest Reset Date, and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time. If at least two such rates are so provided, LIBOR on the Floating Rate Interest Determination Date will be the arithmetic mean of such rates. If fewer than two such rates are so provided, LIBOR on the Floating Rate Interest

Determination Date will be LIBOR in effect with respect to the immediately preceding Floating Rate Interest Determination Date or, in the case of the initial Floating Rate Interest Determination Date, at the Floating Rate Initial Interest Rate.

All percentages resulting from any calculation of any interest rate on the Floating Rate Notes will be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage

point rounded upward (for example, 9.876545% (or 0.09876545) would be rounded to 9.87655% (or 0.0987655)), and all dollar amounts would be rounded to the nearest cent, with one-half cent being rounded upward.

All determinations and any calculations made by the calculation agent for the purposes of calculating the applicable interest on the Floating Rate Notes will be conclusive and binding on the noteholders, us, the trustee and the paying agent, absent manifest error. The calculation agent will not be responsible to us, the noteholders or any third party for any failure of the Reference Banks to provide quotations as requested of them or as a result of the calculation agent having acted on any quotation or other information given by any Reference Bank which subsequently may be found to be incorrect or inaccurate in any way.

Redemption

The Notes will not be redeemable at the option of the noteholders at any time.

The Notes will not be subject to any sinking fund or mandatory redemption.

We may redeem the Notes in whole (but not in part) in our sole discretion upon the occurrence of certain tax events. The redemption price will be equal to 100% of their principal amount plus any accrued and unpaid interest to (but excluding) the date of redemption. See *Description of Debt Securities Redemption* in the accompanying prospectus.

Agreement with Respect to the Exercise of UK Bail-in Power

By its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the Notes, the Indenture or any other agreements, arrangements or understandings between us and any noteholder, to be bound by (a) the effect of the exercise of any UK bail-in power by the relevant UK resolution authority that may include and result in any of the following, or some combination thereof: (i) the reduction of all, or a portion, of the Amounts Due; (ii) the conversion of all, or a portion, of the Amounts Due into our or another person's ordinary shares, other securities or other obligations (and the issue to, or conferral on, the noteholder of such ordinary shares, other securities or other obligations), including by means of an amendment, modification or variation of the terms of the Notes or the Indenture; (iii) the cancellation of the Notes; and/or (iv) the amendment or alteration of the maturity date of the Notes or amendment of the amount of interest payable on the Notes, or the interest payment dates, including by suspending payment for a temporary period; and (b) the variation of the terms of the Notes or the Indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority. No repayment or payment of Amounts Due will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. Moreover, each noteholder (which, for these purposes, includes each beneficial owner) will consent to the exercise of any UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the Notes.

For these purposes,

- (a) Amounts Due are the principal amount of, and any accrued but unpaid interest, including any Additional Amounts, on, the Notes. References to such amounts will include amounts that have become due and payable, but which have not been paid, prior to the exercise of any UK bail-in power by the relevant UK resolution authority;

- (b) a UK bail-in power is any write-down, conversion, transfer, modification, or suspension power existing from time to time under, and exercised in compliance with, any laws, regulations, rules or requirements in effect in the United Kingdom, relating to the transposition of the BRRD, including but

not limited to the Banking Act and the instruments, rules and standards created thereunder, pursuant to which (i) any obligation of a regulated entity (or other affiliate of such regulated entity) can be reduced, cancelled, modified, or converted into shares, other securities, or other obligations of such regulated entity or any other person (or suspended for a temporary period); and (ii) any right in a contract governing an obligation of a regulated entity may be deemed to have been exercised. A reference to a regulated entity is to any BRRD Undertaking as such term is defined under the PRA Rulebook promulgated by the PRA, as amended from time to time, which includes certain credit institutions, investment firms, and certain of their parent or holding companies; and

(c) the relevant UK resolution authority is any authority with the ability to exercise a UK bail-in power. *According to the principles of the Banking Act and the BRRD, we expect that the relevant UK resolution authority would respect creditor hierarchies when exercising its UK bail-in power in respect of the Notes and that the noteholders would be treated pari passu with the claims of holders of all our senior unsecured instruments which in each case by law rank, or by their terms are expressed to rank, pari passu with the Notes at that time being subjected to the exercise of the UK bail-in power.*

DTC UK Bail-in Power

Upon the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes, we will provide a written notice to the noteholders through The Depository Trust Company (DTC) as soon as practicable regarding such exercise of the UK bail-in power. We will also deliver a copy of such notice to the trustee for information purposes.

By purchasing the Notes, each noteholder (which, for these purposes, includes each beneficial owner) will be deemed to have authorized, directed and requested DTC and any direct participant in DTC or other intermediary through which it holds such Notes to take any and all necessary action, if required, to implement the exercise of the UK bail-in power with respect to the Notes as it may be imposed, without any further action or direction on the part of such noteholder, the trustee or the paying agent.

Set-off

To the fullest extent permitted by law, noteholders, in respect of any claims of such noteholders to payment of any principal, premium or interest in respect of the Notes, by their acceptance of the Notes, will be deemed to have waived any right of set-off or counterclaim that they might otherwise have.

Modification and Waiver

In addition to our and the trustee's rights to modify and amend the Indenture described in the accompanying prospectus under *Description of Debt Securities Modification and Waiver*, modifications of, and amendments to, the terms of the Indenture or the Notes may be made by us and the trustee, without the further consent of the noteholders, to the extent necessary to give effect to the exercise by the relevant UK resolution authority of the UK bail-in power. Moreover, we will agree not to amend the consent of the noteholders to the exercise of the UK bail-in power (see *Agreement with Respect to the Exercise of UK Bail-in Power*) without the prior consent of the Relevant Regulator.

Events of Default and Defaults

The Notes and the Indenture specify certain events that will constitute an event of default or a default. See *Description of Debt Securities Senior Debt Securities Defaults and Events of Default* in the accompanying prospectus. However, under the terms of the Indenture and the Notes, the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes will not constitute an Event of Default or a Default. As a result, noteholders will not have the right to request that the trustee declare an acceleration solely due to the exercise of the UK bail-in power by the relevant UK resolution authority.

Trustee and Trustee's Duties

The Bank of New York Mellon is the trustee under the Indenture.

The trustee will undertake certain procedures and seek certain remedies in the event of an event of default or a default. See *Description of Debt Securities Trustee's Duties* in the accompanying prospectus. However, by its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner) will acknowledge and agree that the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes will not give rise to a Default or Event of Default for purposes of Section 315(b) (*Notice of Default*) and Section 315(c) (*Duties of the Trustee in Case of Default*) of the Trust Indenture Act.

By its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner), to the extent permitted by the Trust Indenture Act, will waive any and all claims, in law and/or in equity, against the trustee for, agree not to initiate a suit against the trustee in respect of, and agree that the trustee will not be liable for, any action that the trustee takes, or abstains from taking, in either case in accordance with the exercise of the UK bail-in power by the relevant UK resolution authority with respect to the Notes.

Additionally, by its acquisition of the Notes, each noteholder (which, for these purposes, includes each beneficial owner) will acknowledge and agree that, upon the exercise of any UK bail-in power by the relevant UK resolution authority,

the trustee will not be required to take any further directions from noteholders under Section 5.11 (*Control by Holders of Debt Securities*) of the Indenture, which section authorizes holders of a majority in aggregate outstanding principal amount of the Notes to direct certain actions relating to the Notes; and

the Indenture will not impose any duties upon the trustee whatsoever with respect to the exercise of any UK bail-in power by the relevant UK resolution authority.

Notwithstanding the foregoing, if, following the completion of the exercise of the UK bail-in power by the relevant UK resolution authority, the Notes remain outstanding (for example, if the exercise of the UK bail-in power results in only a partial write-down of the principal of the Notes), then the trustee's duties under the Indenture will remain applicable with respect to the Notes following such completion to the extent that we and the trustee will agree pursuant to another supplemental indenture or an amendment to the Indenture; *provided, however*, that notwithstanding the exercise of the UK bail-in power by the relevant UK authority, there will at all times be a trustee for the Notes in accordance with the Indenture, and the resignation and/or removal of the trustee and the appointment of a successor trustee will continue to be governed by the Indenture, including to the extent no additional supplemental indenture or amendment to the Indenture is agreed upon in the event the Notes remain outstanding following the completion of the exercise of the UK bail-in power.

Payments Subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction, but without prejudice to the *Description of Securities Additional Amounts Senior Debt Securities and Undated Subordinated Debt Securities* provisions in the accompanying prospectus. For the purposes of the preceding sentence, the phrase *fiscal or other laws, regulations and directives* will include any obligation on us to withhold or deduct from a payment pursuant to an agreement described in Section 1471(b) of the Internal Revenue Code of 1986,

as amended (the Code), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations thereunder or official interpretations thereof or any law implementing an intergovernmental approach thereto.

Subsequent Holders Agreement

The noteholders (which for these purposes, includes beneficial owners of the Notes) that acquire the Notes in the secondary market and any successors, assigns, heirs, executors, administrators, trustees in bankruptcy and

Table of Contents

legal representatives of any noteholder will be deemed to acknowledge, accept, agree to be bound by and consent to the same provisions specified herein to the same extent as the noteholders that acquire the Notes upon their initial issuance, including, without limitation, with respect to the acknowledgement and agreement to be bound by and consent to the terms of the Notes related to the UK bail-in power.

Governing Law

The Indenture and the Notes will be governed by, and construed in accordance with, the laws of the State of New York.

Listing

Application will be made for the Notes to be admitted to listing on the New York Stock Exchange.

Table of Contents**CERTAIN ERISA CONSIDERATIONS**

The Employee Retirement Income Security Act of 1974, as amended (ERISA), imposes certain requirements on employee benefit plans subject to Title I of ERISA and on entities that are deemed to hold the assets of such plans (ERISA Plans), and on those persons who are fiduciaries with respect to ERISA Plans. Investments by ERISA Plans are subject to ERISA's general fiduciary requirements, including, but not limited to, the requirement of investment prudence and diversification and the requirement that an ERISA Plan's investments be made in accordance with the documents governing the ERISA Plan.

Section 406 of ERISA and Section 4975 of the Code prohibit certain transactions involving the assets of an ERISA Plan (as well as those plans that are not subject to ERISA but which are subject to Section 4975 of the Code, such as individual retirement accounts or an entity deemed to hold the assets of such plans (together with ERISA Plans, Plans)) and certain persons (referred to as parties in interest or disqualified persons) having certain relationships to such Plans, unless a statutory or administrative exemption is applicable to the transaction. A party in interest or disqualified person who engages in a prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the Code. In addition, the fiduciary of the Plan that is engaged in such a non-exempt prohibited transaction may be subject to penalties under ERISA and the Code.

The fiduciary of a Plan that proposes to purchase and hold any Notes should consider, among other things, whether such purchase and holding may involve (i) the direct or indirect extension of credit to a party in interest or a disqualified person, (ii) the sale or exchange of any property between a Plan and a party in interest or a disqualified person, or (iii) the transfer to, or use by or for the benefit of, a party in interest or disqualified person, of any Plan assets. Such parties in interest or disqualified persons could include, without limitation, HSBC, the underwriters, the agents or any of their respective affiliates. Depending on the satisfaction of certain conditions which may include the identity of the Plan fiduciary making the decision to acquire or hold the Notes on behalf of a Plan, Section 408(b)(17) of ERISA (relating to transactions with certain service providers) or Prohibited Transaction Class Exemption (PTCE) 84-14 (relating to transactions effected by a qualified professional asset manager), PTCE 90-1 (relating to investments by insurance company pooled separate accounts), PTCE 91-38 (relating to investments by bank collective investment funds), PTCE 95-60 (relating to investments by insurance company general accounts) or PTCE 96-23 (relating to transactions directed by an in-house asset manager) (collectively, the Class Exemptions) could provide an exemption from the prohibited transaction provisions of ERISA and Section 4975 of the Code. However, there can be no assurance that any of these Class Exemptions or any other exemption will be available with respect to any particular transaction involving the Notes.

Any Plan fiduciary that proposes to cause a Plan to purchase the Notes should consult with its counsel regarding the applicability of the fiduciary responsibility and prohibited transaction provisions of ERISA and Section 4975 of the Code to such an investment, and to confirm that its purchase, holding and disposition of the Notes will not constitute or result in a non-exempt prohibited transaction or any other violation of an applicable requirement of ERISA or the Code.

Non-US plans, governmental plans (as defined in Section 3(32) of ERISA) and certain church plans (as defined in Section 3(33) of ERISA), while not subject to the fiduciary responsibility provisions of ERISA or the prohibited transaction provisions of ERISA and Section 4975 of the Code, may nevertheless be subject to other federal, state, local or non-US laws or regulations that are substantially similar to the foregoing provisions of ERISA and the Code (Similar Law). Fiduciaries of any such plans subject to Similar Law (Non-ERISA Plans) should consult with their counsel before purchasing the Notes to determine the need for, if necessary, and the availability of, any exemptive relief under any Similar Law.

Through its purchase and holding of the Notes, each purchaser or other acquirer of the Notes (and each Plan fiduciary and each fiduciary of a Non-ERISA Plan directing or advising a Plan or Non-ERISA Plan to purchase or otherwise acquire and hold the Notes) will be deemed to have represented and agreed either: (A) no assets of a

Plan or Non-ERISA Plan have been used to acquire such Notes or an interest therein or (B) the purchaser's purchase, other acquisition, holding and disposition of the Notes do not constitute a non-exempt prohibited transaction under ERISA or Section 4975 of the Code or violation of Similar Law.

Each Plan fiduciary (and each fiduciary for a Non-ERISA Plan) should consult with its legal adviser concerning the potential consequences to the plan under ERISA, Section 4975 of the Code or Similar Law of an investment in the Notes.

a concession not in excess of 0.20% of the principal amount of the 2021 Fixed Rate Notes, 0.25% of the principal amount of the 2023 Fixed Rate Notes, 0.30% of the principal amount of the 2026 Fixed Rate Notes or 0.20% of the principal amount of the Floating Rate Notes. The underwriters may allow, and such dealers may reallow, a concession not to exceed 0.15% of the principal amount of the 2021 Fixed Rate Notes, 0.15% of the principal amount of the 2023 Fixed Rate Notes, 0.20% of the principal amount of the 2026 Fixed Rate Notes or 0.15% of the principal amount of the Floating Rate Notes to certain brokers and dealers. After the initial public offering, the public offering price, concession and discount may be changed.

To the extent that an underwriter that is not a registered broker-dealer in the United States intends to effect any offers or sales of the Notes in the United States, it will do so through one or more US registered broker-dealers pursuant to applicable securities laws and as permitted by the FINRA regulations.

The underwriting agreement provides that the obligations of the underwriters to purchase the Notes included in this offering are subject to approval of legal matters by counsel and to other conditions. The underwriters have agreed to purchase all of the Notes sold pursuant to the underwriting agreement if any of the Notes are sold. If an underwriter defaults, the underwriting agreement provides that the purchase commitments of the non-defaulting underwriters may be increased or the underwriting agreement may be terminated.

We have agreed to indemnify the several underwriters against certain liabilities, including civil liabilities under the Securities Act, or contribute to payments the underwriters may be required to make in respect thereof.

It is expected that the delivery of the Notes will be made against payment therefor on or about the date specified on the cover page of this prospectus supplement, which is the fifth business day following the date hereof (this settlement cycle being referred to as T+5). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market generally are required to settle in three business days, unless the parties to the trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes on the date of pricing or the next succeeding business day will be required, by virtue of the fact that the Notes initially will settle in T+5, to specify an alternative settlement cycle at the time of any trade to prevent a failed settlement and should consult their own adviser.

The following are the estimated expenses to be incurred in connection with the issuance and distribution of the Notes:

SEC registration fee	\$ 804,432
Printing expenses	30,000
Legal fees and expenses	225,000
Accounting fees and expenses	155,000
Trustee s, calculation agent s and paying agent s fees and expenses	90,000
Total	\$ 1,304,432

In connection with the offering made hereby, the underwriters may purchase and sell the Notes in the open market. These transactions may include over-allotment and stabilizing transactions and purchases to cover short positions created by the underwriters in connection with the offering. Short positions created by the underwriters involve the sale by the underwriters of a greater number of Notes than they are required to purchase from us. Stabilizing transactions consist of certain bids or purchases for the purpose of preventing or retarding a decline in the market price of the Notes. The underwriters may also impose a penalty bid, whereby selling concessions allowed to broker-dealers

in respect of the Notes sold in the offering may be reclaimed by the underwriters if such Notes are repurchased by the underwriters in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the Notes, which may be higher than the price that might otherwise prevail in the open market. These activities, if commenced, may be discontinued at any time. These transactions may be effected on the New York Stock Exchange or otherwise. These activities, if commenced, will be conducted in accordance with all applicable laws and rules.

Table of Contents

Neither we nor any of the underwriters makes any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of the Notes. In addition, neither we nor any of the underwriters makes any representation that the underwriters will engage in these transactions or that these transactions, once commenced, will not be discontinued.

Selling Restrictions

The Notes are offered for sale only in jurisdictions where it is legal to make such offers. The offer and sale of the Notes are subject to the following limitations. Neither the underwriters nor we have taken any action in any jurisdiction that would constitute a public offering of the Notes, other than in the United States.

United Kingdom

Each underwriter has represented and warranted that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the FSMA)) received by it in connection with the issue or sale of the Notes in circumstances in which Section 21(1) of the FSMA does not apply to us; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom.

European Economic Area

This prospectus supplement has been prepared on the basis that any offer of the Notes in any Member State of the European Economic Area will be made pursuant to an exemption under the Prospectus Directive from the requirement to produce a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Member State of the Notes which are the subject of an offering contemplated in this prospectus supplement as completed by final terms in relation to the offer of the Notes may only do so in circumstances in which no obligation arises for us or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither we nor any of the underwriters have authorized, nor do we or any of the underwriters authorize, the making of any offer of the Notes in circumstances in which an obligation arises for us or the underwriters to publish a prospectus for such offer. Neither we nor the underwriters have authorized, nor do we authorize, the making of any offer of Notes through any financial intermediary, other than offers made by the underwriters, which constitute the final placement of the Notes contemplated in this prospectus supplement. The expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU), and includes any relevant implementing measure in the Member State.

In relation to each Member State of the European Economic Area, each underwriter has represented and warranted that with effect from and including the date on which the Prospectus Directive is implemented in that Member State (the Relevant Implementation Date) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this prospectus supplement in that Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Member State:

- (a) to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) as permitted under the Prospective Directive subject to obtaining the prior consent of the underwriters for any such offer; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

S-38

Table of Contents

provided that no such offer of the Notes will require us or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this section, the expression an offer to the public in relation to any Notes in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and any Notes to be offered so as to enable an investor to decide to purchase any Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression Prospectus Directive means Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU), and includes any relevant implementing measure in the Member State.

Each underwriter has agreed to comply, to the best of its knowledge and belief, with all applicable laws and regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes this prospectus supplement and the accompanying prospectus or any such other material relating to the Notes, in all cases at its own expense.

Switzerland

The Notes may not be publicly offered, advertised, distributed or redistributed in or from Switzerland, and neither this prospectus supplement and the accompanying prospectus nor any marketing material for investments in the Notes may be publicly distributed or otherwise made publicly available in Switzerland, communicated or distributed in Switzerland in any way that could constitute a public offering within the meaning of Articles 652a or 1156 of the Swiss Code of Obligations. This prospectus supplement and the accompanying prospectus is not a prospectus within the meaning of Articles 652a and 1156 of the Swiss Code of Obligations or a listing prospectus according to Article 32 et seq. of the Listing Rules of the SWX Swiss Exchange and may not comply with the information standards required thereunder. We will not apply for a listing of the Notes on any Swiss stock exchange.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (the Financial Instruments and Exchange Act). Accordingly, each underwriter has represented and agreed, and each further underwriter appointed will be required to represent and agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organized under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other relevant laws and regulations of Japan.

Hong Kong

The Notes may not be offered or sold by means of any document other than (i) in circumstances which do not constitute an offer to the public within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap.32, Laws of Hong Kong), or (ii) to professional investors within the meaning of the Securities and Futures Ordinance (Cap.571, Laws of Hong Kong) and any rules made thereunder, or (iii) in other circumstances which do not result in the document being a prospectus within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap.32, Laws of Hong Kong), and no advertisement, invitation or document relating to the Notes may be issued or may be in the possession of any person for the purpose of issue (in each case whether in Hong Kong or elsewhere), which is directed at, or the contents of which are likely to be accessed or read

by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to professional investors within the meaning of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong) and any rules made thereunder.

Singapore

This prospectus supplement has not been and will not be registered as a prospectus by the Monetary Authority of Singapore. Accordingly, this prospectus supplement and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes may not be circulated or distributed, nor may the Notes be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor (as defined under Section 4A of the Securities and Futures Act, Chapter 289 of Singapore (the SFA)) under Section 274 of the SFA, (ii) to a relevant person (as defined under Section 275(2) of the SFA), or any person pursuant to Section 275(1A), and in accordance with the conditions specified in Section 275 of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where the Notes are subscribed or purchased under Section 275 by a relevant person which is:

- (a) a corporation (which is not an accredited investor (as defined under Section 4A of the SFA)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary is an accredited investor, securities (as defined under Section 239(1) of the SFA) of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be transferable for six months after that corporation or that trust has acquired the Notes pursuant to Section 275 of the SFA except:
 - (1) to an institutional investor under Section 274 of the SFA or to a relevant person, or (in the case of a corporation) where the transfer arises from an offer referred to in Section 276(3)(i)(B) of the SFA or (in the case of a trust) where the transfer arises from an offer referred to in Section 276(4)(i)(B) of the SFA;
 - (2) where no consideration is or will be given for the transfer; or
 - (3) where the transfer is by operation of law.

Dubai International Financial Centre

This document relates to an exempt offer in accordance with the Rules of the Dubai Financial Services Authority. This document and any related financial products or services are intended for distribution only to persons who qualify as Professional Clients under the Dubai Financial Services Authority Rules. It must not be delivered to, or relied on by, any other person. The Dubai Financial Services Authority has no responsibility for reviewing or verifying any documents in connection with exempt offers. The Dubai Financial Services Authority has not approved this document nor taken steps to verify the information set out in it, and has no responsibility for it. The Notes which are the subject of the offering contemplated by this prospectus supplement may be illiquid and/or subject to restrictions on their resale. Prospective purchasers of the Notes offered should conduct their own due diligence on the Notes. If you do not

understand the contents of this document you should consult an authorized financial adviser.

Canada

The Notes may be sold only to purchasers in the provinces of Alberta, British Columbia, New Brunswick, Newfoundland & Labrador, Nova Scotia, Ontario, Prince Edward Island, Saskatchewan and Quebec purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Any resale of the bonds must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.

Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if this prospectus supplement (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for particulars of these rights or consult with a legal advisor.

Pursuant to section 3A.3 (or, in the case of securities issued or guaranteed by the government of a non-Canadian jurisdiction, section 3A.4) of National Instrument 33-105 Underwriting Conflicts (NI 33-105), the underwriters are not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with this offering.

Listing

Application will be made to list the Notes offered hereby on the New York Stock Exchange. The Notes are a new issue of securities with no established trading market. The underwriters have advised us that the underwriters currently intend to make a market in the Notes, as permitted by applicable laws and regulations. The underwriters are not obligated, however, to make a market in the Notes and may discontinue any such market-making at any time at their sole discretion. Accordingly, no assurance can be given as to the liquidity of, or trading markets for, the Notes or that an active public market for the Notes will develop. If an active public trading market for the Notes does not develop, the market price and liquidity of the Notes may be adversely affected.

Conflicts of Interest

HSBC Securities (USA) Inc. is an affiliate of HSBC Holdings, and, as such, is deemed to have a conflict of interest under Rule 5121 of the FINRA. Accordingly, the offering of the Notes is being conducted in compliance with the requirements of the FINRA Rule 5121 addressing conflicts of interest when distributing the securities of an affiliate. HSBC Securities (USA) Inc. will not sell any Notes into any of its discretionary accounts without the prior specific written approval of the accountholder.

Some of the underwriters and their affiliates have engaged in, and may in the future engage in, commercial and investment banking and other commercial dealings in the ordinary course of business with us. They have received customary fees and commissions for these transactions.

Market-Making Resales by Affiliates

This prospectus supplement together with the accompanying prospectus and your confirmation of sale may also be used by HSBC Securities (USA) Inc. in connection with offers and sales of the Notes in market-making transactions at negotiated prices related to prevailing market prices at the time of sale. In a market-making transaction, HSBC Securities (USA) Inc. may resell a security it acquires from other noteholders after the original offering and sale of the Notes. Resales of this kind may occur in the open market or may be privately negotiated, at prevailing market prices at the time of resale or at related or negotiated prices. In these transactions, HSBC Securities (USA) Inc. may act as principal or agent, including as agent for the counterparty in a transaction in which HSBC Securities (USA) Inc. acts as principal, or as agent for both counterparties in a transaction in which HSBC Securities (USA) Inc. does not act as principal. HSBC Securities (USA) Inc. may receive compensation in the form of discounts and commissions, including from both counterparties in some cases. Other of our affiliates may also engage in transactions of this kind and may use this prospectus supplement and the accompanying prospectus for this purpose. Neither HSBC Securities (USA) Inc., nor any other of our affiliates has an obligation to make a market in the Notes and, if commenced, may

discontinue any market-making activities at any time without notice, in its sole discretion.

Furthermore, HSBC Securities (USA) Inc. may be required to discontinue its market-making activities during periods when we are seeking to sell certain of our securities or when HSBC Securities (USA) Inc., such as by means of its affiliation with us, learns of material non-public information relating to us. HSBC Securities (USA) Inc. would not be able to recommence its market-making activities until such sale has been completed or such information has become publicly available. It is not possible to forecast the impact, if any, that any such discontinuance may have on the market for the Notes. Although other broker-dealers may make a market in the Notes from time to time, there can be no assurance that any other broker-dealer will do so at any time when HSBC Securities (USA) Inc. discontinues its market-making activities. In addition, any such broker-dealer that is engaged in market-making activities may thereafter discontinue such activities at any time at its sole discretion.

We do not expect to receive any proceeds from market-making transactions.

Information about the trade and settlement dates, as well as the purchase price, for a market-making transaction will be provided to the purchaser in a separate confirmation of sale.

In connection with any use of this prospectus supplement and the accompanying prospectus by HSBC Securities (USA) Inc. or another of our affiliates, you may assume this prospectus supplement and the accompanying prospectus is being used in a market-making transaction unless otherwise specified.

This document is directed only at relevant persons and must not be acted upon or relied on by persons who are not relevant persons. Any securities will only be available to, and any invitation, offer or agreement to subscribe, purchase or otherwise acquire such securities will be engaged in only with, relevant persons. Any person who is not a relevant person should not act or rely on this document or any of its contents.

This prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of securities in any Member State of the European Economic Area will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Member State, from the requirement to produce a prospectus for offers of securities. Accordingly any person making or intending to make an offer in that Member State of securities which are the subject of an offering contemplated in this prospectus as completed by final terms in relation to the offer of those securities may only do so (i) in circumstances in which no obligation arises for the issuer or any of the underwriters to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Member State or, where appropriate, approved in another Member State and notified to the competent authority in that Member State, and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Member State, such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable, and the issuer has consented in writing to its use for the purpose of such offer. Except to the extent sub-paragraph (ii) above may apply, neither the issuer nor any underwriter have authorized, nor do they authorize, the making of any offer of securities in circumstances in which an obligation arises for use or any underwriter to publish or supplement a prospectus for such offer.

The expression Prospectus Directive means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Member State.

In connection with any issue of securities through this prospectus, the person(s) (if any) named as the stabilizing manager(s) in the applicable prospectus supplement (the stabilizing manager) (or any person acting for it) may over-allot securities (provided that, in the case of any offering of securities to be admitted to trading on a regulated market as defined in the Market Abuse Directive, the aggregate principal amount of securities allotted does not exceed 105 per cent of the aggregate principal amount of securities subject to the offering, or 115 per cent of such amount where Article 11 of Regulation 2273/2003/EC applies and there is a greenshoe option as defined in that Regulation) or effect transactions with a view to supporting the market price of such securities and any associated securities at a level higher than that which might otherwise prevail. However, there is no assurance that the stabilizing manager (or persons acting on behalf of a stabilizing manager) will undertake stabilization action. Any stabilization may begin on or after the date on which adequate public disclosure of the terms of any offer of the relevant securities is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issuer receives the proceeds of the issue and 60 days after the date of the allotment of any relevant securities, or, if the securities are to be admitted to trading on a regulated market, no later than 30 days after the commencement of trading of the securities on such regulated market. Any stabilization action or over-allotment must be conducted by the relevant stabilizing manager (or persons acting on behalf of a stabilizing manager) in accordance with all applicable laws and rules.

ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (the SEC) using the shelf registration process. Under the shelf registration process, we may sell the securities described in this prospectus in one or more offerings.

This prospectus provides you with a general description of the securities we may offer. Each time we sell securities, we will provide a prospectus supplement that will contain specific information about the terms of the securities. The prospectus supplement may also add to, update or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with the additional information described under the heading **Where You Can Find More Information About Us**.

As used in this prospectus and in any prospectus supplement, the terms **HSBC Holdings**, **we**, **us** and **our** refer to HSBC Holdings plc, and the terms **HSBC Group** and **HSBC** mean HSBC Holdings plc and its subsidiary undertakings. In addition, the term **IFRSs** means International Financial Reporting Standards.

In this prospectus and any prospectus supplement, all references to (i) **US dollars**, **US\$**, **dollars** or **\$** are to the lawful currency of the United States of America, (ii) **euro** or **€** are to the lawful currency of the Member States of the European Union that have adopted or adopt the single currency in accordance with the Treaty establishing the European Community, as amended, (iii) **sterling**, **pounds sterling** or **£** are to the lawful currency of the United Kingdom and (iv) **CAD** is to the lawful currency of Canada.

PRESENTATION OF FINANCIAL INFORMATION

The consolidated financial statements of the HSBC Group have been prepared in accordance with IFRSs, as issued by the International Accounting Standards Board (IASB) and as endorsed by the European Union (EU). EU-endorsed IFRSs could differ from IFRSs as issued by the IASB, if, at any point in time, new or amended IFRSs were to be endorsed by the EU. At December 31, 2015, there were no unendorsed standards effective for the year ended December 31, 2015 affecting these consolidated financial statements, and there was no difference between IFRSs endorsed by the EU and IFRSs issued by the IASB in terms of their application to HSBC. Accordingly, HSBC's financial statements for the year ended December 31, 2015 were prepared in accordance with IFRSs as issued by the IASB. We use the US dollar as our presentation currency in our consolidated financial statements because the US dollar and currencies linked to it form the major currency bloc in which we transact and fund our business.

LIMITATION ON ENFORCEMENT OF US LAWS AGAINST US, OUR

MANAGEMENT AND OTHERS

We are an English public limited company. Most of our directors and executive officers (and certain experts named in this prospectus or in documents incorporated herein by reference) are resident outside the United States, and a substantial portion of our assets and the assets of such persons are located outside the United States. As a result, it may not be possible for you to effect service of process within the United States upon these persons or to enforce against them or us in US courts judgments obtained in US courts predicated upon the civil liability provisions of the federal securities laws of the United States. We have been advised by our English solicitors, Cleary Gottlieb Steen & Hamilton LLP, that there is doubt as to enforceability in the English courts, in original actions or in actions for enforcement of judgments of US courts, of liabilities predicated solely upon the federal securities laws of the United States. In addition, awards of punitive damages in actions brought in the United States or elsewhere may not be enforceable in the United Kingdom. The enforceability of any judgment in the United Kingdom will depend on the

particular facts of the case in effect at the time.

FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference herein contain both historical and forward-looking statements. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements may be identified by the use of terms such as believes, expects, estimate, may, intends, plan, will, should, potential, reasonably possible or anticipates or the negative thereof or expressions, or by discussions of strategy. We have based the forward-looking statements on current expectations and projections about future events. These forward-looking statements are subject to risks, uncertainties and assumptions about us. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed herein might not occur. You are cautioned not to place undue reliance on any forward-looking statements, which speak only as of their dates. Additional information, including information on factors which may affect HSBC's business, is contained in HSBC Holdings' Annual Report on Form 20-F for the year ended December 31, 2014 filed with the SEC on February 26, 2015 and under *Risk Factors* in this prospectus.

HSBC

HSBC is one of the largest banking and financial services organizations in the world. As at December 31, 2015, we had total assets of US\$2,410 billion and total shareholders' equity of US\$188 billion. For the year ended December 31, 2015, our operating profit was US\$16,311 million on total operating income of US\$71,092 million. We are a strongly capitalized banking group with a CRD IV common equity tier 1 ratio (end-point basis) of 11.9% as at December 31, 2015.

Headquartered in London, HSBC operates through long-established businesses and has an international network of over 4,700 branches in 71 countries and territories in five geographical regions: Europe; Asia; the Middle East and North Africa; North America and Latin America. Within these regions, a comprehensive range of banking and related financial services is offered to personal, commercial, corporate, institutional, investment and private banking clients. Our products and services are delivered to clients through four global businesses, Retail Banking and Wealth Management, Commercial Banking, Global Banking and Markets and Global Private Banking.

Table of Contents**RISK FACTORS**

You should consider carefully all of the information included, or incorporated by reference, in this document and any risk factors included in the applicable prospectus supplement before you decide to buy securities.

Risks Relating to HSBC's Business

For information on risks relating to HSBC's business, you should read the risks described in HSBC Holdings' Annual Report on Form 20-F for the year ended December 31, 2014 filed with the SEC on February 26, 2015, including the section entitled *Risk Factors* on pages 111a through 111k and Note 40 (*Legal proceedings and regulatory matters*) to the consolidated financial statements included therein on pages 446 through 455, which is incorporated by reference in this prospectus, and/or similar disclosure in subsequent filings incorporated by reference in this prospectus.

Risks Relating to the Securities

Under the terms of the debt securities and contingent convertible securities you will agree to be bound by the exercise of any UK bail-in power by the relevant UK resolution authority.

You will agree to be bound by the exercise of any UK bail-in power. Specifically, by your acquisition of the debt securities and/or the contingent convertible securities, you (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the debt securities and/or the contingent convertible securities or the relevant indenture or any other agreements, arrangements or understandings between us and you, to be bound by (a) the effect of the exercise of any UK bail-in power by the relevant UK resolution authority (as such terms are defined herein) and (b) the variation of the terms of the debt securities and/or the contingent convertible securities or the relevant indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority. No repayment or payment of amounts due will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. Moreover, you (which, for these purposes, includes each beneficial owner) will consent to the exercise of the UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the debt securities and/or the contingent convertible securities. See *Description of Debt Securities Agreement with Respect to the Exercise of the UK Bail-in Power* and *Description of Contingent Convertible Securities Agreement with Respect to the Exercise of the UK Bail-in Power*.

You should consider the risk that you may lose all of your investment, including the principal amount plus any accrued interest, if the UK bail-in power is acted upon or that any remaining outstanding debt securities and contingent convertible securities or the securities into which the debt securities and contingent convertible securities are converted, including our ordinary shares, may be of little value at the time of conversion and thereafter (as described under *Risks Relating to the Securities The debt securities and contingent convertible securities are the subject of the UK bail-in power, which may result in such debt securities and contingent convertible securities being written down to zero or converted into other securities, including unlisted equity securities*).

As used in this prospectus, a UK bail-in power is any write-down, conversion, transfer, modification, or suspension power existing from time to time under, and exercised in compliance with, any laws, regulations, rules or requirements in effect in the United Kingdom, relating to the transposition of Directive 2014/59/EU, as amended from time to time (the BRRD), including but not limited to the Banking Act and the instruments, rules and standards created thereunder, pursuant to which (i) any obligation of a regulated entity (or other affiliate of such regulated entity) can be reduced, cancelled, modified or converted into shares, other securities or other obligations of such

regulated entity or any other person (or suspended for a temporary period); and (ii) any

Table of Contents

right in a contract governing an obligation of a regulated entity may be deemed to have been exercised. A reference to a regulated entity is to any BRRD Undertaking as such term is defined under the PRA Rulebook promulgated by the Prudential Regulation Authority (the PRA), as amended from time to time, which includes certain credit institutions, investment firms, and certain of their parent or holding companies; and (iii) the relevant UK resolution authority is any authority with the ability to exercise a UK bail-in power.

The debt securities and contingent convertible securities are the subject of the UK bail-in power, which may result in such debt securities and contingent convertible securities being written down to zero or converted into other securities, including unlisted equity securities.

On January 1, 2015, the UK Banking Act 2009, as amended (the Banking Act), and other primary and secondary legislative instruments were amended to give effect to the BRRD in the UK. The stated aim of the BRRD is to provide supervisory authorities, including the relevant UK resolution authority, with common tools and powers to address banking crises pre-emptively in order to safeguard financial stability and minimize taxpayers' contributions to bank bail-outs and/or exposure to losses.

As the parent company of a UK bank, we are subject to the Banking Act, which gives wide powers in respect of UK banks and their parent and other group companies to Her Majesty's Treasury (HM Treasury), the Bank of England (the BoE), the PRA and the Financial Conduct Authority in circumstances where a UK bank has encountered or is likely to encounter financial difficulties.

As a result, the debt securities and contingent convertible securities are subject to existing UK bail-in powers under the Banking Act, and may be subject to future UK bail-in powers under existing or future legislative and regulatory proposals, including measures implementing the BRRD. In particular, the Banking Act was amended to implement the power to write-down and convert capital instruments (the capital instruments write-down and conversion power) and a bail-in tool, both of which may be exercised by the BoE (as the relevant UK resolution authority) and form part of the UK bail-in power.

The capital instruments write-down and conversion power may be exercised independently of, or in combination with, the exercise of a resolution tool (other than the bail-in tool, which would be used instead of the capital instruments write-down and conversion power), and it allows resolution authorities to cancel all or a portion of the principal amount of capital instruments and/or convert such capital instruments into common equity Tier 1 instruments when an institution is no longer viable. The point of non-viability for such purposes is the point at which the BoE or PRA determines that the institution meets the conditions for resolution or will no longer be viable unless the relevant capital instruments are written down or extraordinary public support is provided and without such support the appropriate authority determines that the institution would no longer be viable. The BoE will exercise the capital instruments write-down and conversion power in accordance with the priority of claims under normal insolvency proceedings such that common equity Tier 1 items will be written down before additional Tier 1 and Tier 2 instruments, successively, are written down or converted into common equity Tier 1 instruments. The capital instruments write-down and conversion power does not include a safeguard designed to leave a creditor in a position that is no worse than if an institution had entered insolvency immediately before the exercise thereof.

Similarly, where the conditions for resolution exist, the BoE may use the bail-in tool (individually or in combination with other resolution tools under the Banking Act) to cancel all or a portion of the principal amount of, or interest on, certain unsecured liabilities of a failing financial institution and/or convert certain debt claims into another security, including ordinary shares of the surviving entity. In addition, the BoE may use the bail-in tool to, among other things, replace or substitute the issuer as obligor in respect of debt instruments, modify the terms of debt instruments (including altering the maturity (if any) and/or the amount of interest payable and/or imposing a temporary suspension

on payments) and discontinue the listing and admission to trading of financial instruments. The BoE must apply the bail-in tool in accordance with a specified preference order. In particular,

Table of Contents

the Banking Act requires resolution authorities to write-down or convert debts in the following order: (i) additional Tier 1 instruments, (ii) Tier 2 instruments, (iii) other subordinated claims that do not qualify as additional Tier 1 or Tier 2 instruments and (iv) eligible senior claims. Unlike the capital instruments write-down and conversion power, the bail-in tool has a safeguard designed to leave no creditor worse off than in the case of insolvency. However, due to the discretion afforded to the BOE, the claims of some creditors whose claims would rank equally with yours may be excluded from being subject to the bail-in tool. The greater number of such excluded creditors there are, the greater the potential impact of the UK bail-in on other creditors who have been excluded such as you.

As a result, the debt securities and contingent convertible securities will be subject to the capital instruments write-down and conversion power or the bail-in tool and may be subject to a partial or full write-down or conversion to common equity Tier 1 instruments.

Moreover, to the extent the UK bail-in power is exercised pursuant to the Banking Act or otherwise, we do not expect any securities issued upon conversion of the debt securities or contingent convertible securities to meet the listing requirements of any securities exchange, and we expect our outstanding listed securities to be delisted from the securities exchanges on which they are listed. Any securities you receive upon conversion of the debt securities or contingent convertible securities (whether debt or equity) likely will not be listed for at least an extended period of time, if at all, or may be on the verge of being delisted by the relevant exchange, including, for example, our American depositary receipts listed on the New York Stock Exchange, our ordinary shares listed on the London Stock Exchange or otherwise or any securities listed on the Global Exchange Market of the Irish Stock Exchange. Additionally, there may be limited, if any, disclosure with respect to the business, operations or financial statements of the issuer of any securities issued upon conversion of the debt securities or contingent convertible securities, or the disclosure with respect to any existing issuer may not be current to reflect changes in the business, operations or financial statements as a result of the exercise of the UK bail-in power. Moreover, the exercise of the UK bail-in power and/or other actions implementing the UK bail-in power may require interests in the debt securities or contingent convertible securities to be held or taken, as the case may be, through clearing systems, intermediaries or persons other than DTC. Furthermore, the trustee may be unwilling to continue serving in its capacity as trustee for the debt securities and/or contingent convertible securities, subject to the terms of the relevant indenture. As a result, there may not be an active market for any securities you may hold after the exercise of the UK bail-in power.

You should consider the risk that you may lose all of your investment, including the principal amount plus any accrued interest, if the UK bail-in power is acted upon or that any remaining outstanding securities or securities into which the debt securities or contingent convertible securities are converted, including our ordinary shares, may be of little value at the time of conversion and thereafter. In addition, trading behavior, including prices and volatility, may be affected by the threat of bail-in and, as a result, the debt securities and contingent convertible securities are not necessarily expected to follow the trading behavior associated with other types of securities. See also, *Risks Relating to the Securities* Other powers contemplated by the Banking Act may affect your rights under, and the value of your investment in, the debt securities or contingent convertible securities.

Your rights may be limited in respect of the exercise of the UK bail-in power by the relevant UK resolution authority.

There may be limited protections, if any, that will be available to holders of securities subject to the UK bail-in power (including debt securities and contingent convertible securities) and to the broader resolution powers of the relevant UK resolution authority. For example, although under the Banking Act the BoE's resolution instrument with respect to the exercise of the bail-in tool must set out the provisions allowing for securities to be transferred, cancelled or modified (or any combination of these), the resolution instrument may make any other provision that the BoE considers to be appropriate in exercising its specific powers. Such other provisions are expected to be specific and

tailored to the circumstances that have led to the exercise of the bail-in tool under the Banking Act and there is uncertainty as to the extent to which usual processes or procedures under English law will be available to holders of securities (including debt securities and contingent convertible

Table of Contents

securities). Accordingly, you may have limited or circumscribed rights to challenge any decision of the BoE or other relevant UK resolution authority to exercise its UK bail-in power.

Other powers contemplated by the Banking Act may affect your rights under, and the value of your investment in, the securities.

In addition to the capital instruments write-down and conversion power and the bail-in tool, the Banking Act also includes powers to (a) transfer all or some of the securities issued by a UK bank or its parent, or all or some of the property, rights and liabilities of a UK bank or its parent (which would include the securities offered hereby), to a commercial purchaser or, in the case of securities, into temporary public ownership (to HM Treasury or an HM Treasury nominee), or, in the case of property, rights or liabilities, to a bridge bank (an entity owned by the BoE); (b) together with another resolution tool only, transfer impaired or problem assets to one or more publicly owned asset management vehicles to allow them to be managed with a view to maximizing their value through eventual sale or orderly wind-down; (c) override any default provisions, contracts or other agreements, including provisions that would otherwise allow a party to terminate a contract or accelerate the payment of an obligation; (d) commence certain insolvency procedures in relation to a UK bank; and (e) override, vary or impose contractual obligations, for reasonable consideration, between a UK bank or its parent and its group undertakings (including undertakings which have ceased to be members of the group), in order to enable any transferee or successor bank of the UK bank to operate effectively.

The Banking Act also gives power to HM Treasury to make further amendments to the law for the purpose of enabling it to use these powers effectively, potentially with retrospective effect.

The powers set out in the Banking Act could affect how credit institutions (and their parent companies) and investment firms are managed as well as, in certain circumstances, the rights of creditors. Accordingly, the taking of any actions contemplated by the Banking Act may affect your rights under the securities, and the value of your securities may be affected by the exercise of any such powers or threat thereof.

The circumstances under which the relevant UK resolution authority would exercise its UK bail-in power or other resolutions tools under the Banking Act or future legislative or regulatory proposals are uncertain, which may affect the value of your securities.

There remains significant uncertainty regarding the ultimate nature and scope of the resolution powers under the Banking Act (and such significant uncertainty may exist with respect to any other resolution powers or tools enacted under future legislative or regulatory proposals), as well as the manner in which such powers would affect us and our securities if such powers were exercised.

For example, although the exercise of the capital instruments write-down and conversion power and other resolution tools under the Banking Act are subject to certain pre-conditions thereunder, there remains uncertainty regarding the specific factors (including, but not limited to, factors outside our control or not directly related to us) which the BoE would consider in deciding whether to exercise such powers with respect to us or our securities. In particular, because the Banking Act allows for the BoE to exercise its discretion in choosing which resolution tool or tools to apply, it will be difficult to predict whether the exercise of the BoE's resolution powers will result in a principal write-off or conversion to equity. As a result, you may not be able to refer to publicly available criteria in order to anticipate a potential exercise of any such resolution powers and consequently its potential effect on us or the securities.

Accordingly, it is not yet possible to assess the full impact of the exercise of the UK bail-in power pursuant to the Banking Act or otherwise on us, and there can be no assurance that the taking of any actions contemplated therein

would not adversely affect your rights, the price or value of your investment in our securities and/or our ability to satisfy our obligations under our securities.

DESCRIPTION OF DEBT SECURITIES

Debt securities offered through this prospectus will be issued under one of three indentures between HSBC Holdings, as issuer, and The Bank of New York Mellon, as trustee. The dated subordinated debt securities will be issued under the indenture for dated subordinated debt securities, the undated subordinated debt securities will be issued under the indenture for undated subordinated debt securities and the senior debt securities will be issued under the indenture for senior debt securities. The following summary of certain provisions of the debt securities and the indentures and any such summary in any prospectus supplement do not purport to be complete and are subject and are qualified by reference to all the provisions of the debt securities and the relevant indenture. Defined terms used in this section but not otherwise defined in this prospectus have the meanings assigned to them in the relevant indenture.

General

The indentures do not limit the amount of debt securities that we may issue under them and provide that we may issue debt securities from time to time in one or more series.

Please refer to the prospectus supplement relating to the particular series of debt securities offered through this prospectus for the following terms, where applicable, of the debt securities:

whether such debt securities, in the case of subordinated debt securities, will be dated subordinated debt securities with a specified maturity date or undated subordinated debt securities with no specified maturity date;

the title and series of such debt securities;

the aggregate principal amount of such debt securities, and the limit, if any, on the aggregate principal amount of the debt securities of that series that may be issued under the relevant indenture;

the issue date or dates and the maturity date or dates, if any;

the rate or rates, at which such debt securities will bear interest or the method by which interest will be determined, and the dates and mechanics of payment of interest, including record dates;

specific redemption terms;

whether such debt securities, if dated subordinated debt securities or senior debt securities, are to be issued as discount securities and the terms and conditions of any such discount securities;

the place or places where any principal, premium or interest in respect of debt securities of the series will be payable;

whether payments are subject to a condition that we are able to make such payment and remain able to pay our debts as they fall due and our assets continue to exceed our liabilities (other than subordinated liabilities) (a solvency condition);

whether there are any other conditions to which payments with respect to such debt securities are subject;

provisions, if any, for the discharge and defeasance of such debt securities;

the form in which such debt securities are to be issued;

the denominations in which such debt securities will be issuable;

if other than the principal amount thereof, the portion of the principal amount of debt securities of the series that will be payable upon declaration of acceleration of the payment of such principal pursuant to the relevant indenture;

Table of Contents

the currency in which such debt securities are to be denominated;

the currency in which payments on such debt securities will be made;

if payments on debt securities may be made in a currency other than US dollars, or a foreign currency or a foreign currency other than the foreign currency in which such debt securities are denominated or stated to be payable, the periods within which and the terms and conditions upon which such election may be made and the time and manner of determining the relevant exchange rate;

whether any debt securities of the series are to be issued as indexed securities and, if so, the manner in which the principal of (and premium, if any, on) or interest thereon will be determined and the amount payable upon acceleration under the relevant indenture and any other terms in respect thereof;

any restrictive covenants provided for with respect to such debt securities;

any other or different events of default;

provisions, if any, for the exchange, modification or conversion of such debt securities;

provisions relating to the exercise of the UK bail-in power by the relevant UK resolution authority; and

any other terms of the series.

Debt securities of any series may be sold at a substantial discount below their stated principal amount, bearing no interest or interest at a rate that at the time of issuance is below market rates, may be redeemable at a premium, or may be otherwise designated by us as issued with original issue discount. We will discuss certain tax considerations that may be relevant to holders of such discount securities, undated or perpetual debt securities and debt securities providing for indexed, contingent or variable payments or payments in a currency other than the currency in which such debt securities are denominated in the prospectus supplement relating to such securities.

Debt securities and any coupons relating to such debt securities will become void unless presented for payment within ten years with respect to a payment of principal and premium, if any, and five years with respect to a payment of interest. All monies paid by us to a paying agent or the trustee for the payment of principal of (and premium, if any, on) or any interest on any debt security that remain unclaimed at the end of two years after such principal, premium, or interest will have become due and payable will be repaid to us, and the holder of such debt security must look to us for payment thereof.

Form, Settlement and Clearance

General. Unless the relevant prospectus supplement states otherwise, the debt securities will initially be represented by one or more global securities in registered form, without coupons attached, and will be deposited with or on behalf

of one or more depositaries, including, without limitation, The Depository Trust Company (DTC), Euroclear Bank S.A./N.V. (Euroclear Bank), as operator of the Euroclear System (Euroclear) and/or Clearstream Banking, *société anonyme* (Clearstream Luxembourg), and will be registered in the name of such depositary or its nominee. Our obligations, as well as the obligations of the trustee and those of any third parties employed by us or the trustee, run only to persons who are registered as holders of the debt securities. Unless and until the debt securities are exchanged in whole or in part for other securities that we issue or the global securities are exchanged for definitive securities, the global securities may not be transferred except as a whole by the depositary to a nominee or a successor of the depositary.

The debt securities may be accepted for clearance by DTC, Euroclear and Clearstream Luxembourg. Unless the relevant prospectus supplement states otherwise, the initial distribution of the debt securities will be cleared through DTC only. In such event, beneficial interests in the global debt securities will be shown on, and transfers thereof will be effected only through, the book-entry records maintained by DTC and its direct and indirect participants, including, as applicable, Euroclear and Clearstream Luxembourg.

Table of Contents

The laws of some states may require that certain investors in securities take physical delivery of their securities in definitive form. Those laws may impair the ability of investors to own interests in book-entry securities.

So long as the depository, or its nominee, is the holder of a global debt security, the depository or its nominee will be considered the sole holder of such global debt security for all purposes under the relevant indenture. Except as described below under the heading *Definitive Debt Securities*, no participant, indirect participant or other person will be entitled to have debt securities registered in its name, receive or be entitled to receive physical delivery of debt securities in definitive form or be considered the owner or holder of the debt securities under the relevant indenture. Each person having an ownership or other interest in debt securities must rely on the procedures of the depository, and, if a person is not a participant in the depository, must rely on the procedures of the participant or other securities intermediary through which that person owns its interest to exercise any rights and obligations of a holder under the relevant indenture or the debt securities.

DTC has advised us that: DTC is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants deposit with DTC. DTC also facilitates settlement among participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants' accounts thereby eliminating the need for physical movement of securities certificates. Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. Access to the DTC system is also available to others such as securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

Payments on the Global Debt Security. Payments of any amounts in respect of any global securities will be made by the paying agent to the depository. Payments will be made to beneficial owners of debt securities in accordance with the rules and procedures of the depository or its direct and indirect participants, as applicable. Neither we nor the trustee nor any of our agents will have any responsibility or liability for any aspect of the records of any securities intermediary in the chain of intermediaries between the depository and any beneficial owner of an interest in a global security, or the failure of the depository or any intermediary to pass through to any beneficial owner any payments that we make to the depository.

All such payments will be distributed without deduction or withholding for any UK taxes or other governmental charges, or if any such deduction or withholding is required to be made under the provisions of any applicable UK law or regulation, then, except as described under *Additional Amounts*, such additional amounts will be paid as may be necessary in order that the net amounts received by any holder of the global security and by the owners of interests in the debt securities, after such deduction or withholding, will equal the net amounts that such holder and owners would have otherwise received in respect of the global security or interests in the debt securities, as the case may be, if such deduction or withholding had not been made.

Settlement. Initial settlement for the debt securities and settlement of any secondary market trades in the debt securities will be made in same-day funds. The debt securities will settle in DTC's Same-Day Funds Settlement System.

Definitive Debt Securities. Owners of interests in the debt securities will be entitled to receive definitive debt securities in registered form in respect of such interest if: (1) (i) DTC notifies us in writing that it is unwilling to or unable to continue as a depository for the debt securities of such series or the debt securities, as the case may be, or (ii) if at any time DTC ceases to be eligible as a clearing agency registered under the Exchange Act or we become

aware of such ineligibility and, in either case, a successor is not appointed by us within 90 days or (2) an event of default has occurred and is continuing and the registrar has received a request from DTC or (3) the applicable prospective supplement provides otherwise with respect to a particular series.

Table of Contents

Unless otherwise indicated in the applicable prospectus supplement, definitive debt securities will be issued in denominations of \$1,000 or integral multiples of \$1,000 and will be issued in registered form. Such definitive debt securities will be registered in the name or names of such person or persons as the registrar will notify the trustee based on the instructions of DTC.

Payments

Any payments of interest and, in the case of subordinated dated debt securities and senior debt securities, principal and premium (if any), on any particular series of debt securities will be made on such dates and, in the case of payments of interest, at such rate or rates, as are set forth in, or as are determined by the method of calculation described in, the prospectus supplement relating to the debt securities of such series.

Undated Subordinated Debt Securities. We are not required to make payments with respect to any series of undated subordinated debt securities on any payment date specified for such payment in the prospectus supplement relating to the debt securities of such series. Failure to make any such payment on any such payment date will not constitute a default by us for any purpose. Any payment not made by us in respect of any series of undated subordinated debt securities on any applicable payment date, together with any other unpaid payments, will, so long as they remain unpaid, constitute missed payments and will accumulate until paid. Missed payments will not bear interest.

Missed payments, if any, may be paid at our option in whole or in part at any time on not less than 14 days' notice to the trustee, but all missed payments in respect of all undated subordinated debt securities of a particular series at the time outstanding will (subject to any solvency condition) become due and payable in full on whichever is the earliest of:

the date fixed for any redemption of such undated subordinated debt securities; and

the commencement of our winding up in England.

If we give notice of our intention to pay the whole or part of the missed payments on the undated subordinated debt securities of any series, we will be obliged, subject to any solvency condition, to do so upon the expiration of such notice. Where missed payments in respect of undated subordinated debt securities of any series are paid in part, each part payment will be deemed to be in respect of the full amount of missed payments accrued relating to the earliest payment date or consecutive payment dates in respect of such undated subordinated debt securities.

If we are unable to make any payment on or with respect to the undated subordinated debt securities of any series because we are not able to satisfy a solvency condition, the amount of any such payment which would otherwise be payable will be available to meet our losses. In the event of our winding up, the right to claim for interest, including missed payments, and any other amount payable on such undated subordinated debt securities may be limited by applicable insolvency law.

Computation of Interest. Except as otherwise specified in the prospectus supplement with respect to the debt securities of any series, any interest on the debt securities of each series, which is not denominated in Euro, will be computed on the basis of a 360-day year of twelve 30-day months. Interest on debt securities of each series denominated in Euro will be computed on the basis of the actual number of days in the calculation period divided by 365 (or, if any portion of that calculation period falls in a leap year, the sum of (a) the actual number of days in that portion of the calculation period falling in a leap year, divided by 366 and (b) the actual number of days in that portion of the calculation period

falling in a non-leap year, divided by 365).

Additional Amounts

Senior Debt Securities and Undated Subordinated Debt Securities

Unless otherwise specified in the prospectus supplement with respect to the senior debt securities or undated subordinated debt securities of any series, all amounts of principal of (and premium, if any, on) and interest and related deferred payments and missed payments on senior debt securities or undated subordinated debt securities will be paid by us without deducting or withholding any present and future taxes, levies, imposts, duties, charges, fees, deductions, or withholdings whatsoever imposed, levied, collected, withheld or assessed by or for the account of the United Kingdom or any political subdivision or taxing authority thereof or therein, or if such deduction or withholding will at any time be required by the United Kingdom or any such subdivision or authority, we will pay such additional amounts as may be necessary so that the net amounts paid to the holders of the senior debt securities or undated subordinated debt securities, as applicable, or the trustee, after such deduction or withholding, will equal the respective amounts to which the holders of the senior debt securities or undated subordinated debt securities, as applicable, or the trustee would have been entitled had no deduction or withholding been made, provided that the foregoing will not apply to any such tax, levy, impost, duty, charge, fee, deduction or withholding which:

would not be payable or due but for the fact that the holder or beneficial owner of the senior debt securities or undated subordinated debt securities, as applicable, is domiciled in, or is a national or resident of, or engaging in business or maintaining a permanent establishment or being physically present in, the United Kingdom or such political subdivision, or otherwise has some connection or former connection with the United Kingdom or such political subdivision other than the holding or ownership of a debt security, or the collection of principal, premium, if any, interest and missed payments on, or the enforcement of, a debt security; or

would not be payable or due but for the fact that the relevant senior debt security or undated subordinated debt security, as applicable, or coupon or other means of payment of interest or missed payments in respect of senior debt securities or undated subordinated debt securities, as applicable, (i) is presented for payment in the United Kingdom or (ii) is presented for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the holder would have been entitled to such additional amount on presenting the same for payment at the close of such 30-day period; or

is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive; or

would not have been imposed if presentation for payment of the relevant senior debt securities or undated subordinated debt securities, as applicable, had been made to a paying agent other than the paying agent to which the presentation was made; or

is imposed because of the failure to comply by the holder or the beneficial owner of the senior debt securities or undated subordinated debt securities, as applicable, or the beneficial owner of any payment on such senior debt securities or undated subordinated debt securities, as applicable, with a request from us addressed to the holder or the beneficial owner, including a request from us related to a claim for relief under any applicable double tax treaty:

(a) to provide information concerning the nationality, residence, identity or connection with a taxing jurisdiction of the holder or the beneficial owner; or

(b) to make any declaration or other similar claim to satisfy any information or reporting requirement, if the information or declaration is required or imposed by a statute, treaty, regulation, ruling or administrative practice of the taxing jurisdiction as a precondition to exemption from withholding or deduction of all or part of the tax, duty, assessment or other governmental charge; or

Dated Subordinated Debt Securities

Unless otherwise specified in the prospectus supplement with respect to the dated subordinated debt securities of any series, all payments by us of principal of (and premium, if any, on) and interest on any such dated subordinated debt securities will be made without deduction or withholding for, or on account of, any and all present and future taxes, levies, imposts, duties, charges, fees, deductions, or withholdings whatsoever imposed, levied, collected, withheld or assessed by or for the account of the United Kingdom or any political subdivision or taxing authority thereof or therein, or of any other jurisdiction through which such payments are made by us or on our behalf, unless required by law. If such deduction or withholding will at any time be required by the law of the United Kingdom or any political subdivision or taxing authority thereof or therein having the power to tax (the Taxing Jurisdiction), we will pay additional amounts as may be necessary so that the net amount (including additional amounts) paid to the holders or beneficial owners of dated subordinated debt securities, after such deduction or withholding, will be equal to the amount to which the holders or beneficial owners of dated subordinated debt securities would have been entitled in the absence of such deduction or withholding, provided that the foregoing will not apply to any such tax, levy, impost, duty, charge, fee, deduction or withholding which:

would not be payable or due but for the fact that the holder or beneficial owner of such dated subordinated debt securities is domiciled in, or is a national or resident of, or engaging in business or maintaining a permanent establishment or being physically present in, the Taxing Jurisdiction, or otherwise has some connection or former connection with the Taxing Jurisdiction, other than the holding or ownership of a dated subordinated debt security, or the collection of principal (or premium, if any, on) or interest payments on, or the enforcement of, a dated subordinated debt security;

would not be payable or due but for the fact that the relevant dated subordinated debt securities or interest payment in respect of the dated subordinated debt securities (i) is presented for payment in the United Kingdom or (ii) is presented for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the holder would have been entitled to such additional amount on presenting the same for payment at the close of such 30-day period;

is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive;

would not have been imposed if presentation for payment of the relevant dated subordinated debt securities had been made to a paying agent other than the paying agent to which the presentation was made;

is imposed because of the failure to comply by the noteholder or the beneficial owner or the beneficial owner of any payment on such dated subordinated debt securities with a request from us addressed to the holder or the beneficial owner of such dated subordinated debt securities, including a written request from us related to a claim for relief under any applicable double tax treaty:

to provide information concerning the nationality, residence, identity or connection with a Taxing Jurisdiction of the holder or the beneficial owner of the date subordinated debt securities; or

to make any declaration or other similar claim to satisfy any information or reporting requirement, if the information or declaration is required or imposed by a statute, treaty, regulation, ruling or administrative practice of the taxing jurisdiction as a precondition to exemption from withholding or deduction of all or part of the tax, duty, assessment or other governmental charge;

Table of Contents

is imposed in respect of any estate, inheritance, gift, sale, transfer, personal property, wealth or similar tax, duty assessment or other governmental charge; or

is imposed in respect of any combination of the above items.

All payments in respect of the dated subordinated debt securities will be made subject to any withholding or deduction required pursuant to the US Foreign Account Tax Compliance Act (FATCA), and we will not be required to pay any additional amounts on account of any such deduction or withholding required pursuant to FATCA.

General

We have agreed in each indenture that at least one paying agent for each series of debt securities will be located outside the United Kingdom. We also undertake that we will maintain a paying agent in a European Union member state that will not be obliged to withhold or deduct taxes pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000.

References in this prospectus to principal of (and premium, if any, on) and interest on debt securities will be deemed also to refer to any additional amounts which may be payable under the foregoing provisions.

Redemption

In addition to the redemption provisions set forth in the prospectus supplement relating to the debt securities of a series, the debt securities of any series may be redeemed, in whole but not in part, at our option, on not less than 30 nor more than 60 days' notice, at any time at a redemption price equal to the principal amount (or in the case of principal indexed debt securities, face amount) thereof (or premium, if any), together with accrued interest, if any, to the date fixed for redemption (or, in the case of discounted securities, the accreted face amount thereof, together with accrued interest, if any, or, in the case of an index-linked debt security, the amount specified in the related prospectus supplement) and any debt securities convertible into preference shares or other securities may, at our option, be converted as a whole, if, at any time, we determine that:

- (a) in making payment under such debt securities in respect of principal (or premium, if any), interest or missed payment we have or will or would become obligated to pay additional amounts as provided in the relevant indenture and as described under *Additional Amounts* above provided such obligation results from a change in or amendment to the laws of the United Kingdom or any political subdivision or taxing authority thereof or therein having the power to tax (the taxing jurisdictions), or any change in the official application or interpretation of such laws (including a decision of any court or tribunal), or any change in, or in the official application or interpretation of, or execution of, or amendment to, any treaty or treaties affecting taxation to which the United Kingdom is a party, which change, amendment or execution becomes effective on or after the date of original issuance of the debt securities of such series; or
- (b) the payment of interest in respect of such debt securities has become or will or would be treated as a distribution within the meaning of Section 1000 of the Corporation Tax Act 2010 of the United Kingdom (or any statutory modification or reenactment thereof for the time being) as a result of a change in or amendment to the laws of the taxing jurisdiction, or any change in the official application or interpretation of such laws, including a decision of any court, which change or amendment becomes effective on or after the date of

original issuance of the debt securities of such series;
provided, however, that, in the case of (a) above, no notice of redemption will be given earlier than 90 days prior to the earliest date on which we would be obliged to pay such additional amounts were a payment in respect of such debt securities then due.

Table of Contents

Any redemption of the undated subordinated debt securities may be subject to one or more solvency conditions, as specified in the relevant prospectus supplement.

We and any of our subsidiary undertakings may, in accordance with applicable law, repurchase debt securities for our or their account. Under the practices of the PRA at the date of this prospectus, any optional tax redemption and any other optional redemption or repurchase requires the prior consent of the PRA.

Modification and Waiver

Modifications of and amendments to the relevant indenture with respect to the debt securities may be made by us and the trustee, without the consent of the holders of the debt securities of such series for certain purposes and otherwise with the consent of the holders of a majority in principal amount (or in the case of index-linked debt securities, face amount) of the debt securities of such series then outstanding; *provided*, however, that no such modification or amendment may, without the consent of the holder of each outstanding debt security affected thereby:

change the stated maturity of the principal of, or any installment of interest or additional amounts payable on, any senior debt security or any dated subordinated debt security or change the terms of any undated subordinated debt security to include a stated maturity of the principal or change the payment dates for payment of additional amounts on any undated subordinated debt security;

reduce the principal amount (or in the case of index-linked debt securities, face amount), including the amount payable on a discount security upon the acceleration of the maturity thereof, of any interest or any related deferred payment, missed payment or the rate of interest on any of the foregoing, on or any premium payable upon redemption of, or additional amounts payable on, any debt security;

change the manner in which the amount of any principal, premium or interest in respect of index-linked debt securities is determined;

except as permitted by the relevant indenture, change our obligation to pay additional amounts;

reduce the amount of the principal of a discount security that would be due and payable upon an acceleration of the maturity of it;

change the place of payment or currency in which any payment of the principal (premium, if any), any interest or any missed payment is payable on any debt security, or the rate of interest on any of the foregoing;

impair the right to institute suit for the enforcement of any payment on or with respect to any debt security;

reduce the percentage of the aggregate principal amount (or in the case of index-linked debt securities, face amount) of the outstanding debt securities of such series, the consent of whose holders is required for any such modification or amendment, or the consent of the holders of which is required for waiver of compliance with certain provisions of the applicable indenture or waiver of certain defaults, as provided in that indenture;

change any of the provisions relating to modifications of and amendments to the relevant indenture, waivers of past defaults, or waivers of certain covenants except to increase the relevant percentages or to provide that certain other provisions of the relevant indenture cannot be modified or waived without the consent of all holders of affected debt securities;

change the terms and conditions of the preference shares or conversion securities into which undated subordinated debt securities may be convertible;

change any of our obligations to maintain an office or agency in the places and for the purposes required by the relevant indenture;

Table of Contents

change in any manner adverse to the interests of the holders of the debt securities of such series the subordination provisions of any series of debt securities; or

modify or affect in any manner adverse to the interests of the holders of the debt securities of such series the terms and conditions of our obligations regarding the due and punctual payment of the principal, premium, if any, interest, any missed payment or the rate of interest on any of the foregoing.

The holders of not less than a majority in principal amount (or, in the case of any principal indexed debt securities, face amount) of the outstanding debt securities of a series may, on behalf of all holders of debt securities of that series, waive, insofar as that series is concerned, our compliance with certain restrictive provisions of the indenture before the time for such compliance.

In addition, material variations in the terms and conditions of debt securities of any series, including modifications relating to subordination, redemption and events of default may require the consent of the PRA.

Subordinated Debt Securities Subordination, Defaults and Events of Default

The subordinated debt securities will be our direct, unsecured obligations, and the subordinated debt securities of a series will rank equally and ratably without any preference among themselves. Our obligations pursuant to the subordinated debt securities will be subordinate in right of payment to depositors and all our other creditors other than claims which are by their terms, or are expressed to be, subordinated to, or *pari passu* with, the subordinated debt securities as described below under *Subordination; Dated Subordinated Debt Securities* and *Subordination; Undated Subordinated Debt Securities*.

The maturity of the subordinated debt securities will be subject to acceleration only in the event of our winding up or if an effective resolution is validly adopted by our shareholders for our winding up. See *Defaults and Events of Default* below.

Subordination; Dated Subordinated Debt Securities. The rights of holders of dated subordinated debt securities will, in the event of our winding up, be subordinated in right of payment to claims of our depositors and all our other creditors other than claims which are by their terms, or are expressed to be, subordinated to the dated subordinated debt securities (including the undated subordinated debt securities) or *pari passu* therewith. The subordination provisions of the dated subordinated indenture, and to which the dated subordinated debt securities will be subject, will be governed by, and construed in accordance with, the laws of England and Wales.

Subordination; Undated Subordinated Debt Securities. The rights of holders of undated subordinated debt securities will, in the event of our winding up, be subordinated in right of payment to claims of our depositors and all our other creditors other than claims which are by their terms, or are expressed to be, subordinated to, or *pari passu* with, the undated subordinated debt securities. The subordination provisions of the undated subordinated indenture, and to which the undated subordinated debt securities will be subject, will be governed by, and construed in accordance with, the laws of England and Wales. In the event of our winding up, holders of undated subordinated debt securities will be treated in the same way as they would be treated if they were holders of a class of preference shares in our capital having a preferential right to a return of assets in such winding up over the holders of all other classes of shares in our capital for the time being issued and outstanding; they will receive an amount equal to the principal amount of the undated subordinated debt securities of such series then outstanding together with accrued interest, if any, to the extent that a holder of such class of preference shares would receive an equivalent amount.

Defaults and Events of Default. Unless otherwise provided in a prospectus supplement with respect to subordinated debt securities of a series, subject to certain exceptions, it will be an event of default only if an order is made by an English court which is not successfully appealed within 30 days after the date such order was made for our winding up or an effective resolution is validly adopted by our shareholders for our winding up. If an event of default occurs and is continuing with respect to a series of subordinated debt securities, the trustee

Table of Contents

may, and if so requested by the holders of at least 25% in principal amount of the outstanding debt securities of such series will, declare the principal amount (or such other amount as is specified in the prospectus supplement) together with accrued but unpaid interest (or, in the case of discount securities, the accreted face amount, together with accrued interest, if any, or, in the case of an index-linked debt security, the amount specified in the related prospectus supplement) with respect to the debt securities of such series due and payable immediately; *provided* that after such declaration, but before a judgment or decree based on such declaration has been obtained, the holders of a majority in principal amount of the outstanding debt securities of such series may (under certain circumstances) rescind and annul such declaration.

Unless otherwise provided in a prospectus supplement with respect to any series of subordinated debt securities and subject to the paragraph below relating to circumstances in which a relevant failure will not be a default, it will be a default with respect to dated subordinated debt securities of a series if:

any installment of interest upon any dated subordinated debt security of such series or any related coupon is not paid when due and such failure continues for 14 days; or

all or any part of the principal of (or premium, if any, on) any dated subordinated debt security of such series as and when the same will become due and payable, whether at maturity, upon redemption or otherwise, is not paid and such failure continues for seven days.

Unless otherwise provided in a prospectus supplement with respect to any series of subordinated debt securities and subject to the paragraph below relating to circumstances in which a relevant failure will not be a default, it will be a default with respect to undated subordinated debt securities of a series if:

any missed payment is not paid on or prior to any date on which a dividend is paid on any class of our share capital and such failure continues for 30 business days; or

all or any part of the principal of (or premium, if any, on), or any accrued but unpaid interest and any missed payments on the date fixed for redemption of, such undated subordinated debt securities is not paid when due and such failure continues for seven business days.

If a default occurs, the trustee may institute proceedings in England (but not elsewhere) for our winding up provided that the trustee may not, upon the occurrence of a default on the subordinated debt securities, accelerate the maturity of any of the dated subordinated debt securities of the relevant series or declare the principal of (or premium, if any, on) and any accrued but unpaid interest of the undated subordinated debt securities of the relevant series immediately due and payable unless an event of default has occurred and is continuing. For the purposes of determining whether or not an event of default has occurred on the undated subordinated debt securities, a payment will not be deemed to be due on any date on which any solvency condition is not satisfied. However, if we fail to make the payments set out in the two bullet points above, and at such time such solvency condition is satisfied, the trustee may institute proceedings in England (but not elsewhere) for our winding up.

Notwithstanding the foregoing, failure to make any payment in respect of a series of subordinated debt securities will not be a default in respect of such debt securities if such payment is withheld or refused:

in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such payment; or

in case of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice given as to such validity or applicability at any time during the said grace period of 14 or seven days, as the case may be, with respect to the dated subordinated debt securities, or 30 or seven business days, as the case may be, with respect to the undated subordinated debt securities, by independent legal advisers acceptable to the trustee;

provided, however, that the trustee may, by notice to us, require us to take such action (including but not limited to proceedings for a declaration by a court of competent jurisdiction) as the trustee may be advised in an opinion

Table of Contents

of counsel, upon which opinion the trustee may conclusively rely, is appropriate and reasonable in the circumstances to resolve such doubt, in which case, we will forthwith take and expeditiously proceed with such action and will be bound by any final resolution of the doubt resulting therefrom. If any such resolution determines that the relevant payment can be made without violating any applicable law, regulation or order then the preceding sentence will cease to have effect and the payment will become due and payable on the expiration of the relevant grace period of 14 or seven business days, as the case may be, with respect to the dated subordinated debt securities, or 30 or seven business days, as the case may be, with respect to the undated subordinated debt securities, after the trustee gives written notice to us informing us of such resolution.

After the end of each fiscal year, we will furnish to the trustee a certificate of certain officers as to the absence of an event of default or a default under the relevant indenture, as the case may be, specifying any such event of default or default.

Senior Debt Securities Defaults and Events of Default

The senior debt securities will be our direct, unsecured obligations and rank on a parity with our other senior indebtedness, and the senior debt securities of a series will rank equally and ratably without any preference among themselves. Senior indebtedness will not include any indebtedness that is expressed to be subordinated to or on par with the subordinated debt securities.

The maturity of the senior debt securities will be subject to acceleration only as specified under *Defaults and Events of Default* below.

Defaults and Events of Default. Unless otherwise provided in a prospectus supplement with respect to any series of senior debt security, it will be a default with respect to senior debt securities of a series if:

an order is made by an English court which is not successfully appealed within 30 days after the date such order was made for our winding up other than in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency;

an effective resolution is validly adopted by our shareholders for our winding up other than in connection with a scheme of amalgamation or reconstruction not involving bankruptcy or insolvency;

failure to pay principal or premium, if any, on any senior debt security of such series at maturity, and such default continues for a period of 30 days; or

failure to pay any interest on any senior debt security of such series when due and payable, which failure continues for 30 days.

If an event of default occurs and is continuing with respect to a series of senior debt securities, the trustee may, and if so requested by the holders of at least 25% in principal amount of the outstanding senior debt securities of such series will, declare the principal amount (or such other amount as is specified in the prospectus supplement) together with accrued but unpaid interest (or, in the case of discount securities, the accreted face amount, together with accrued interest, if any, or, in the case of an index-linked debt security, the amount specified in the related prospectus

supplement) with respect to the senior debt securities of such series due and payable immediately; *provided* that after such declaration, but before a judgment or decree based on such declaration has been obtained, the holders of a majority in principal amount of the outstanding senior debt securities of such series may (under certain circumstances) rescind and annul such declaration.

Set-off

To the fullest extent permitted by law, holders of subordinated debt securities, in respect of any claims of such holders to payment of any principal, premium or interest in respect of any subordinated debt securities, by their acceptance thereof, will be deemed to have waived any right of set-off or counterclaim that they might

Table of Contents

otherwise have. Holders of subordinated debt securities, by their acceptance thereof, will covenant and agree that if, on our winding up, they receive any sums by way of set-off, they will hold such sums on trust for our creditors that are senior to the subordinated debt securities and will, without undue delay, pay such sums to the liquidator to apply in payment of claims of such creditors.

Waiver of Events of Default and Defaults

The holders of not less than a majority in aggregate principal amount (or, in the case of any principal indexed debt securities, face amount) of the outstanding debt securities of a series may, on behalf of all holders of debt securities of that series, waive any past event of default or default under the applicable indenture with respect to debt securities of that series, except a default in the payment of any principal of (or premium, if any, on) or any installment of interest or missed payment on any debt securities of that series and except a default in respect of a covenant or provision, the modification or amendment of which would require the consent of the holder of each outstanding debt security affected by it. Upon any such waiver, such event of default or default will cease to exist, and any event of default or default with respect to any series arising therefrom will be deemed to have been cured and not to have occurred; *provided* that no such waiver will extend to any subsequent or other event of default or default or impair any right consequent thereon.

Limitation on Remedies and Suits

No remedy against us other than as specifically provided by the relevant indenture will be available to the trustee or the holders of debt securities whether for the recovery of amounts owing in respect of such debt securities or under the relevant indenture or in respect of any breach by us of any obligation, condition or provision under the relevant indenture or such debt securities or otherwise.

No holder of debt securities will be entitled to proceed directly against us, except as described below.

Before a holder of any debt securities may bypass the trustee and bring its own lawsuit or other formal legal action or take other steps to enforce its rights or protect its interests relating to any debt securities, the following must occur:

The holder must give the trustee written notice that a default or an event of default has occurred and remains uncured.

The holders of not less than a majority in outstanding principal amount (or, in the case of an index-linked debt security, the face amount) of the debt securities of the relevant series must make a written request that the trustee take action because of the event of default, and the holder must offer indemnity satisfactory to the trustee against the cost and other liabilities of taking that action.

The trustee must not have taken action for 60 days after receipt of the above notice and offer of security or indemnity, and the trustee must not have received an inconsistent direction from the majority in principal amount (or, in the case of an index-linked debt security, the face amount) of all outstanding debt securities of the relevant series during that period.

Notwithstanding any other provision of the indentures or debt securities, the right of any holder of debt securities to receive payment of the principal of (and premium, if any, on), or interest on, such debt securities on or after the due

dates thereof and to institute suit for the enforcement of any such payment on or after such respective dates, will not be impaired or affected without the consent of such holder.

Consolidation, Merger and Sale of Assets

We may, without the consent of the holders of any of the debt securities, consolidate or amalgamate with, or merge into, any corporation, or convey, sell, transfer or lease our properties and assets substantially as an entirety to any person, provided that:

any successor corporation expressly assumes our obligations under the debt securities and the relevant indenture and, if applicable, the provision for payment of additional amounts for withholding taxes are amended to include the jurisdiction of incorporation of the successor corporation;

immediately after giving effect to the transaction and treating any indebtedness that becomes our obligation, as a result of such transaction as having been incurred by us at the time of the transaction, no event of default or default, and no event that, after notice or lapse of time, or both, would become an event of default or a default, will have occurred and be continuing; and

certain other conditions are satisfied.

Assumption of Obligations

With respect to a series of debt securities, a holding company of us or any of our subsidiary undertakings may assume our obligations (or those of any corporation which will have previously assumed our obligations); provided, that:

the successor entity expressly assumes such obligations by an amendment to the relevant indenture, in a form satisfactory to the trustee, and we will, by an amendment to the relevant indenture, unconditionally guarantee all of such successor entity's obligations under the debt securities of such series and the relevant indenture, as so modified by such amendment (provided, however, that, for the purposes of our obligation to pay additional amounts as provided, and subject to the limitations as set forth, in the relevant indenture and as described under the section headed *Additional Amounts* above, references to such successor entity's country of organization will be added to the references to the United Kingdom);

the successor entity confirms in such amendment to the relevant indenture that the successor entity will pay to the holders such additional amounts as provided by, and subject to the limitations set forth in, the relevant indenture and as described under the section headed *Additional Amounts* above (provided, however, that for these purposes such successor entity's country of organization will be substituted for the references to the United Kingdom); and

immediately after giving effect to such assumption of obligations, no event of default or default and no event which, after notice or lapse of time or both, would become an event of default or default with respect to debt securities of such series will have occurred and be continuing.

Upon any such assumption, the successor entity will succeed to, and be substituted for, and may exercise all of our rights and powers under the relevant indenture with respect to the debt securities of such series with the same effect as

if the successor entity had been named under the relevant indenture.

Defeasance and Discharge

If so specified in the applicable prospectus supplement with respect to debt securities of a series that are payable only in US dollars, we will be discharged from any and all obligations in respect of the debt securities of such series (with certain exceptions) if, at any time, *inter alia*, either

all debt securities of such series theretofore authenticated and delivered have been delivered to the trustee for cancellation; or

all debt securities of such series not theretofore delivered to the trustee for cancellation either (i) have become due and payable, (ii) will become due and payable in accordance with their terms within one

Table of Contents

year or (iii) are to be called for redemption, exchange or conversion within one year under arrangements satisfactory to the trustee for the giving of notice of redemption, and in each case, we have irrevocably deposited or caused to be deposited with the trustee as trust funds in trust for the purpose (x) US dollars in an amount, (y) US government obligations that through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than the due date of any payment in an amount or (z) any combination of (x) and (y) in an amount sufficient to pay and discharge the entire principal (and premium, if any) and interest on the debt securities of such series in accordance with the terms of such debt securities of such series.

Any discharge will be subject to the consent of the PRA, if required.

If so specified in the applicable prospectus supplement with respect to dated subordinated securities or senior debt securities of a series that are payable only in US dollars at our option, (i) we will be discharged from any obligations with respect to the dated subordinated securities or the senior debt securities of any series, as applicable, or (ii) we will cease to comply with the obligation to furnish to the trustee upon its request compliance certificates or opinions of counsel (covenant defeasance) (and any other restrictive covenant added in the prospectus supplement for the benefit of such series) if:

we irrevocably deposit, in trust with the trustee, (a) cash in US dollars in an amount, (b) US government obligations which through the payment of interest thereon and principal thereof in accordance with their terms will provide cash in US dollars not later than the due date of any payment, in an amount, or (c) any combination of (a) and (b), sufficient in the opinion (with respect to (b) and (c)) of an internationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the trustee to pay all the principal of (and premium, if any) and interest on, the dated subordinated debt securities or senior debt securities of such series, as applicable, in accordance with the terms of such dated subordinated debt securities or senior debt securities of such series, as applicable;

no event of default or default or no event (including such deposit) which, after notice or lapse of time or both, would become an event of default or a default with respect to the dated subordinated debt securities or senior debt securities of such series, as applicable, will have occurred and be continuing on the date of such deposit;

we deliver to the trustee an officer's certificate stating that all conditions precedent relating to such covenant defeasance have been complied with; and

certain other conditions are complied with.

Any covenant defeasance will be subject to the consent of the PRA, if required.

Conversion

The prospectus supplement relating to a particular series of debt securities may provide for the exchange or conversion of such debt securities.

Except as otherwise specified in the prospectus supplement relating to a particular series of undated subordinated debt securities, we will have the option to convert, in whole but not in part, the undated subordinated debt securities of any series into preference shares on any payment date. The related prospectus supplement will describe the other terms and conditions of the conversion provisions.

Trustee s Duties

Except during the continuance of an event of default or a default, the trustee will only be liable for performing those duties specifically set forth in the relevant indenture. In the event an event of default or default has occurred and is continuing, the trustee will exercise such of the rights and powers vested in it by the relevant indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person s own affairs.

Table of Contents

If an event of default or default occurs and is continuing with respect to the debt securities of a series, the trustee will be under no obligation to exercise any of the rights or powers vested in it by the relevant indenture at the request or direction of any of the holders of debt securities of such series, unless such holders have offered to the trustee reasonable security or indemnity satisfactory to the trustee against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction. Subject to such provisions for the indemnification of the trustee, the holders of a majority in aggregate principal amount (or, in the case of an index-linked debt security, the face amount) of the outstanding debt securities of a series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities of such series. However, (i) this direction must not be in conflict with any rule of law or the relevant indenture and (ii) the trustee will have the right to decline to follow any such direction if the trustee in good faith, by a responsible officer of the trustee, determines that the proceeding so directed would be unjustly prejudicial to the holders of debt securities of such series not joining in any such direction. The trustee also may take any other action it deems proper, which is not inconsistent with such direction.

The trustee will, within 90 days after the occurrence of an event of default or default with respect to the debt securities of a series, give to the holders of the affected debt securities of such series notice of such event of default or default, unless such event of default or default has been cured or waived. However, the trustee will be protected in withholding such notice so long as the board of directors, the executive committee or a trust committee of directors and/or responsible officers of the trustee reasonably determines that the withholding of such notice is in the interest of the holders of debt securities of such series.

Agreement with Respect to the Exercise of UK Bail-in Power

The debt securities will be subject to the exercise of the UK bail-in power by the relevant UK resolution authority as set forth in the applicable prospectus supplement. In particular, by its acquisition of the debt securities, each holder (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the debt securities or the relevant indenture or any other agreements, arrangements, or understandings between us and any holder, to be bound by (a) the effect of the exercise of any UK bail-in power by the relevant UK resolution authority and (b) the variation of the terms of debt securities or the relevant indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority.

No repayment or payment of amounts due will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. Moreover, each securityholder (which, for these purposes, includes each beneficial owner) will consent to the exercise of any UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the debt securities.

Governing Law

Except as stated above, each indenture and the debt securities of each series will be governed by, and construed in accordance with, the laws of the State of New York. See *Subordinated Debt Securities Subordination, Defaults and Events of Default* .

Jurisdiction; Consent to Service

We have consented to the jurisdiction of any state or federal court in the City of New York with respect to any suit or proceeding arising out of, or relating to, the indentures or the debt securities of any series and have appointed HSBC

Bank USA, National Association, as agent for service of process.

DESCRIPTION OF CONTINGENT CONVERTIBLE SECURITIES

Contingent convertible securities offered through this prospectus will be issued under a contingent convertible securities indenture between HSBC Holdings, as issuer, and The Bank of New York Mellon, as trustee. The following summary of certain provisions of the contingent convertible securities and the contingent convertible securities indenture and any such summary in any prospectus supplement do not purport to be complete and are subject to, and are qualified by reference to, all the provisions of the contingent convertible securities and the contingent convertible securities indenture.

General

The contingent convertible securities indenture does not limit the amount of contingent convertible securities that we may issue under it and provides that we may issue contingent convertible securities from time to time in one or more series.

The contingent convertible securities will be our direct and unsecured obligations. The contingent convertible securities of each series will rank *pari passu* among themselves, without any preference one over the other by reason of the date they were issued or otherwise. The relevant prospectus supplement will set forth the nature of the subordinated ranking of each series of contingent convertible securities relative to the debt and equity issued by us, including to what extent the contingent convertible securities may rank junior in right of payment to our other obligations or in any manner.

Please refer to the prospectus supplement relating to the particular series of contingent convertible securities offered through this prospectus for the following terms, where applicable, of such contingent convertible securities:

the issue date;

the maturity date, if any;

the specific designation and aggregate principal amount of the contingent convertible securities;

any limit on the aggregate principal amount of the contingent convertible securities that may be authenticated or delivered;

if the amounts of payments of principal of (and premium, if any) or interest, if any, on the contingent convertible securities may be determined with reference to an index or are otherwise not fixed on the issue date thereof, the manner in which such amounts will be determined and the calculation agent, if any, who will be appointed and authorized to calculate such amounts;

under what conditions, if any, another issuer may be substituted for HSBC Holdings as the issuer of the contingent convertible securities;

whether the contingent convertible securities are intended to qualify as capital for capital adequacy purposes;

the ranking of the contingent convertible securities relative to our issued debt and equity, including to what extent they may rank junior in right of payment to other of our obligations or in any other manner;

the prices at which we will issue the contingent convertible securities;

if interest is payable, the interest rate or rates, or how to calculate the interest rate or rates, and under what circumstances interest is payable;

provisions, if any, for the cancellation of any interest payment at our discretion or under other circumstances;

limitations, if any, on our ability to pay principal or interest in respect of the contingent convertible securities, including situations whereby we may be prohibited from making such payments;

Form, Settlement and Clearance

General. Unless the relevant prospectus supplement states otherwise, the contingent convertible securities initially will be represented by one or more global securities in registered form, without coupons attached, and will be deposited with or on behalf of one or more depositaries, including, without limitation, The Depository Trust Company (DTC), Euroclear Bank S.A./N.V. (Euroclear Bank), as operator of the Euroclear System (Euroclear), and/or Clearstream Banking, *société anonyme* (Clearstream Luxembourg), and will be registered in the name of such depositary or its nominee. Our obligations, as well as the obligations of the trustee and those of any third parties employed by us or the trustee, run only to persons who are registered as holders of the contingent convertible securities. Unless and until the contingent convertible securities are exchanged in whole or in part for other securities that we issue or the global securities are exchanged for definitive contingent convertible securities (see *Definitive Contingent Convertible Securities*), the global contingent convertible securities may not be transferred except as a whole by the depositary to a nominee or a successor of the depositary.

The contingent convertible securities may be accepted for clearance by DTC, Euroclear and Clearstream Luxembourg. Unless the relevant prospectus supplement states otherwise, the initial distribution of the contingent convertible securities will be cleared through DTC only. In such event, beneficial interests in the global contingent convertible securities will be shown on, and transfers thereof will be effected only through, the book-entry records maintained by DTC and its direct and indirect participants, including, as applicable, Euroclear and Clearstream Luxembourg.

The laws of some states may require that certain investors in securities take physical delivery of their securities in definitive form. Those laws may impair the ability of investors to own interests in book-entry securities.

So long as the depositary, or its nominee, is the holder of a global contingent convertible security, the depositary or its nominee will be considered the sole holder of such global contingent convertible security for all purposes under the contingent convertible securities indenture. Except as described below under the heading

Table of Contents

Definitive Contingent Convertible Securities. no participant, indirect participant or other person will be entitled to have contingent convertible securities registered in its name, receive or be entitled to receive physical delivery of contingent convertible securities in definitive form or be considered the owner or holder of the contingent convertible securities under the contingent convertible securities indenture. Each person having an ownership or other interest in contingent convertible securities must rely on the procedures of the depository, and, if a person is not a participant in the depository, must rely on the procedures of the participant or other securities intermediary through which that person owns its interest to exercise any rights and obligations of a holder under the contingent convertible securities indenture or the contingent convertible securities.

DTC has advised us that: DTC is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its participants deposit with DTC. DTC also facilitates settlement among participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants' accounts thereby eliminating the need for physical movement of securities certificates. Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. Access to the DTC system is also available to others such as securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

Payments on the Global Contingent Convertible Security. Payments of any amounts in respect of any global contingent convertible securities will be made by the paying agent to the depository. Payments will be made to beneficial owners of contingent convertible securities in accordance with the rules and procedures of the depository or its direct and indirect participants, as applicable. Neither we nor the trustee nor any of our agents will have any responsibility or liability for any aspect of the records of any securities intermediary in the chain of intermediaries between the depository and any beneficial owner of an interest in a global contingent convertible security, or the failure of the depository or any intermediary to pass through to any beneficial owner any payments that we make to the depository.

All such payments will be distributed without deduction or withholding for any UK taxes or other governmental charges, or if any such deduction or withholding is required to be made under the provisions of any applicable UK law or regulation, then, except as described under *Additional Amounts*, such additional amounts will be paid as may be necessary in order that the net amounts received by any holder of the global contingent convertible security and by the owners of interests in the contingent convertible securities, after such deduction or withholding, will equal the net amounts that such holder and owners would have otherwise received in respect of the global contingent convertible security or interests in the contingent convertible securities, as the case may be, if such deduction or withholding had not been made.

Settlement. Initial settlement for the contingent convertible securities and settlement of any secondary market trades in the contingent convertible securities will be made in same-day funds. The contingent convertible securities will settle in DTC's Same-Day Funds Settlement System.

Definitive Contingent Convertible Securities. Owners of interests in the contingent convertible securities will not be entitled to receive definitive contingent convertible securities in registered form in respect of such interest unless: (1) (i) DTC notifies us in writing that it is unwilling to or unable to continue as a depository for the contingent convertible securities of such series or the contingent convertible securities, as the case may be, or (ii) if at any time DTC ceases to be eligible as a clearing agency registered under the Exchange Act or we become aware of such ineligibility and, in either case, a successor is not appointed by us within 90 days, (2) a contingent convertible event of

default has occurred and is continuing and the registrar has received a request from DTC, (3) we, at our option and sole discretion, determine that a global contingent convertible security should be exchanged for definitive contingent convertible securities or (4) the applicable prospective supplement provides otherwise with respect to a particular series.

Table of Contents

Unless otherwise indicated in the applicable prospectus supplement, definitive contingent convertible securities will be issued in denominations of \$1,000 or integral multiples of \$1,000 and will be issued in registered form. Such definitive contingent convertible securities will be registered in the name or names of such person or persons as the registrar will notify the trustee based on the instructions of DTC.

Payments

Payments of interest, principal and premium (if any), on any particular series of contingent convertible securities will be made on such dates and, in the case of payments of interest, at such rate or rates, as are set forth in, or as are determined by the method of calculation described in, the prospectus supplement relating to the contingent convertible securities of such series.

Additional Amounts

Unless the relevant prospectus supplement provides otherwise, all payments by us of principal and interest in respect of the contingent convertible securities will be made without withholding or deduction for, or on account of, any taxes, duties, assessments or governmental charges of whatever nature, present or future, as are imposed or levied by or on behalf of the United Kingdom (or any authority or political subdivision therein or thereof having power to tax) unless we are required by law to withhold or deduct any such taxes, duties, assessments or governmental charges.

In that event, unless the relevant prospectus supplement provides otherwise, we will pay such additional amounts (the contingent convertible additional amounts) as may be necessary in order that the net amounts received by the holders of contingent convertible securities after such withholding or deduction will equal the respective amounts of principal and interest that would have been received in respect of the contingent convertible securities in the absence of such withholding or deduction; *provided* that (unless the relevant prospectus supplement provides otherwise) no such contingent convertible additional amounts will be payable with respect to any contingent convertible security:

- (a) to, or to a third party on behalf of, a holder of contingent convertible securities who is liable to such taxes, duties, assessments or governmental charges in respect of such contingent convertible securities by reason of the holder of contingent convertible securities having some connection with the United Kingdom other than the mere holding of such contingent convertible securities;
- (b) unless the holder of contingent convertible securities is unable to avoid such withholding or deduction by satisfying any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to a paying agent or the relevant tax authorities (as applicable) or by notifying (and/or presenting evidence of such notification to) any tax authorities of such payment of principal or interest or by presenting the relevant contingent convertible securities at the specified office of another paying agent (whether within or outside the European Union);
- (c) more than 30 days after the date on which such payment first becomes due;
- (d) to, or to a third party on behalf of, a holder of contingent convertible securities who is not the sole beneficial owner of the contingent convertible securities, or a portion of either, or that is a fiduciary or partnership, but

only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment; or

- (e) where such withholding or deduction is required to be made pursuant to European Council Directive 2003/48/EC (as amended from time to time) or any other EU directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such directives.

Table of Contents

We will agree in the contingent convertible securities indenture that at least one paying agent for the contingent convertible securities will be located outside the United Kingdom. We also undertake that we will maintain a paying agent in an EU Member State that will not be obliged to withhold or deduct taxes pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000.

Unless the relevant prospectus supplement provides otherwise, all payments in respect of the contingent convertible securities will be made subject to any withholding or deduction required pursuant to FATCA, and we will not be required to pay any contingent convertible additional amounts on account of any such deduction or withholding required pursuant to FATCA.

References in this prospectus to principal of (and premium, if any, on) and interest on contingent convertible securities will be deemed also to refer to any contingent convertible additional amounts which may be payable under the foregoing provisions.

Redemption

Any terms of the redemption of any series of contingent convertible securities, whether at our option or upon the occurrence of certain circumstances (including, but not limited to, the occurrence of certain tax or regulatory events), will be set forth in the relevant prospectus supplement.

Modification and Waiver

Modifications of, and amendments to, the contingent convertible securities indenture with respect to the contingent convertible securities of a series may be made by us and the trustee, without the consent of the holders of the contingent convertible securities of such series for certain purposes and otherwise with the consent of the holders of a majority in principal amount of the contingent convertible securities of such series then outstanding; *provided*, however, that no such modification or amendment may, without the consent of the holder of each outstanding contingent convertible security affected thereby:

change the principal amount of, or any premium or rate of interest with respect to, any contingent convertible security;

change our obligation, or any successors, to pay contingent convertible additional amounts, if any;

change the places at which payments are payable or the currency of payment;

impair the right to sue for the enforcement of any payment due and payable;

reduce the percentage in aggregate principal amount of outstanding contingent convertible securities of the series necessary to modify or amend the contingent convertible securities indenture or to waive compliance with certain provisions of the contingent convertible securities indenture and any past contingent convertible

event of default;

change our obligation to maintain an office or agency in the place and for the purposes specified in the contingent convertible securities indenture;

modify the subordination provisions, if any, or the terms and conditions of our obligations in respect of the due and punctual payment of the amounts due and payable on the contingent convertible securities, in either case in a manner adverse to the holders; or

modify the foregoing requirements or the provisions of the contingent convertible securities indenture relating to the waiver of any past contingent convertible event of default or covenants, except as otherwise specified.

The holders of not less than a majority in principal amount of the outstanding contingent convertible securities of a series may, on behalf of all holders of contingent convertible securities of that series, waive,

Table of Contents

insofar as that series is concerned, our compliance with certain restrictive provisions of the contingent convertible securities indenture before the time for such compliance.

In addition, material variations in the terms and conditions of contingent convertible securities of any series, including modifications relating to subordination, redemption and events of default may require the consent of the PRA.

Subordination

Payment of the principal of (and premium, if any) and interest, if any, on a series of contingent convertible securities will be subordinated to the claims of the holders of certain of our other present and future obligations to the extent and in the manner described in the relevant prospectus supplement. The subordination provisions will be governed by, and construed in accordance with, the laws of England and Wales.

Contingent Convertible Events of Default

Unless the relevant prospectus supplement provides otherwise, a contingent convertible event of default with respect to the contingent convertible securities will result if (i) a court of competent jurisdiction in England (or such other jurisdiction in which we may be organized) makes an order for our winding-up which is not successfully appealed within 30 days of the making of such order, or (ii) our ordinary shareholders adopt an effective resolution for our winding-up (other than, in the case of either (i) or (ii) above, under or in connection with a scheme of reconstruction, merger or amalgamation not involving a bankruptcy or insolvency). Subject to certain provisions relating to the subordination of the contingent convertible securities, if a contingent convertible event of default occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding securities may declare the principal amount of the securities (and any accrued but unpaid interest) to be due and payable immediately. However, if the contingent convertible event of default has been cured after this declaration, but before the trustee obtains a judgment or decree for payment of money due, then the declaration of acceleration and its consequences will be rescinded.

Other than the limited remedies specified above, on the occurrence of a contingent convertible event of default which is continuing, no remedy against us will be available to the trustee or the holders of the contingent convertible securities whether for the recovery of amounts owing in respect of such contingent convertible securities or under the contingent convertible securities indenture in relation thereto or in respect of any breach by us of any of our other obligations under or in respect of such contingent convertible securities or under the contingent convertible securities indenture in relation thereto; *provided* that (1) our obligations to pay the fees and expenses of, and to indemnify, the trustee and the trustee's rights to apply money collected to first pay its fees and expenses will survive any such contingent convertible event of default and will not be subject to any subordination provisions applicable to the contingent convertible securities of such series and (2) the trustee will have such powers as are required to be authorized to it under the Trust Indenture Act in respect of the rights of the holders of the contingent convertible securities in response to such contingent convertible event of default under the provisions of the contingent convertible securities indenture and provided that any payments on the contingent convertible securities of such series are subject to the subordination provisions set forth in the contingent convertible securities indenture.

Waiver of Contingent Convertible Events of Default and Defaults

The holders of not less than a majority in aggregate principal amount of the outstanding contingent convertible securities of a series may, on behalf of all holders of contingent convertible securities of that series, waive any past contingent convertible event of default or default under the contingent convertible securities indenture with respect to contingent convertible securities of that series, except a default in the payment of any principal of (or, premium, if

any, on) or any installment of interest on any contingent convertible securities of that series and except a default in respect of a covenant or provision, the modification or amendment of which

Table of Contents

would require the consent of the holder of each outstanding contingent convertible security affected by it. Upon any such waiver, such contingent convertible event of default or default will cease to exist, and any contingent convertible event of default or default with respect to any series arising therefrom will be deemed to have been cured and not to have occurred; *provided* that no such waiver will extend to any subsequent or other contingent convertible event of default or default or impair any right consequent thereon.

Set-off

Subject to applicable law and unless the applicable prospectus supplement provides otherwise, holders of contingent convertible securities, by their acceptance thereof, and the trustee in respect of any claims of such holders to payment of any principal, premium or interest in respect of the contingent convertible securities, will be deemed to have waived any right of set-off or counterclaim that they might otherwise have. Notwithstanding the preceding sentence, if any of the rights and claims of any holder of contingent convertible securities are discharged by set-off, such holder will immediately pay an amount equal to the amount of such discharge to us or, if applicable, the liquidator or trustee or receiver in our bankruptcy and, until such time as payment is made, will hold a sum equal to such amount in trust for us or, if applicable, the liquidator or trustee or receiver in our bankruptcy. Accordingly, such discharge will be deemed not to have taken place.

Limitation on Suits

No holder of contingent convertible securities will be entitled to proceed directly against us, except as described below.

Subject to any further limitations provided in the relevant prospectus supplement, before a holder of the contingent convertible securities may bypass the trustee and bring its own lawsuit or other formal legal action or take other steps to enforce its rights or protect its interests relating to the contingent convertible securities, the following must occur:

The holder must give the trustee written notice that a contingent convertible event of default has occurred and remains uncured.

The holders of not less than 25% in outstanding principal amount of the contingent convertible securities of the relevant series must make a written request that the trustee take action because of the contingent convertible event of default, and the holder must offer indemnity satisfactory to the trustee in its sole discretion against the cost and other liabilities of taking that action.

The trustee must not have taken action for 60 days after receipt of the above notice and offer of security or indemnity, and the trustee must not have received an inconsistent direction from the majority in principal amount of all outstanding contingent convertible securities of the relevant series during that period.

Notwithstanding any other provision of the contingent convertible indenture or the contingent convertible securities, the right of any holder of contingent convertible securities to receive payment of the principal of (and premium, if any, on), and interest on, the contingent convertible securities, on or after the due dates thereof or to institute suit for the enforcement of any such payment on or after such respective dates, will not be impaired or affected without the consent of such holder.

Consolidation, Merger and Sale of Assets

We may, without the consent of the holders of any of the contingent convertible securities, consolidate or amalgamate with, or merge into, any corporation, or convey, sell, transfer or lease our properties and assets substantially as an entirety to any person, *provided* that:

any successor corporation expressly assumes our obligations under the contingent convertible securities and the contingent convertible securities indenture and, if applicable, the provisions for

Table of Contents

payment of additional amounts for withholding taxes are amended to include the jurisdiction of incorporation of the successor corporation;

immediately after giving effect to the transaction and treating any indebtedness that becomes our obligation as a result of such transaction as having been incurred by us at the time of the transaction, no contingent convertible event of default or default, and no event that, after notice or lapse of time, or both, would become a contingent convertible event of default or default, will have occurred and be continuing; and

certain other conditions are satisfied.

Assumption of Obligations

With respect to a series of contingent convertible securities, a holding company of us or any of our subsidiary undertakings may assume our obligations (or those of any corporation which will have previously assumed our obligations); *provided that*:

the successor entity expressly assumes such obligations by an amendment to the contingent convertible securities indenture, in a form satisfactory to the trustee, and we will, by an amendment to the contingent convertible securities indenture, unconditionally guarantee (such guarantee to be given on a basis consistent with the ranking of the contingent convertible securities of such series) all of such successor entity's obligations under the contingent convertible securities of such series and the contingent convertible securities indenture, as so modified by such amendment (*provided, however*, that, for the purposes of our obligation to pay additional amounts as provided, and subject to the limitations as set forth, in the contingent convertible securities indenture and as described under the section headed *Additional Amounts*, references to such successor entity's country of organization will be added to the references to the United Kingdom);

the successor entity confirms in such amendment to the contingent convertible securities indenture that the successor entity will pay to the holders such additional amounts as provided by, and subject to the limitations set forth in, the contingent convertible securities indenture and as described under the section headed *Additional Amounts* (*provided, however*, that for these purposes such successor entity's country of organization will be substituted for the references to the United Kingdom);

immediately after giving effect to such assumption of obligations, no contingent convertible event of default or default and no event which, after notice or lapse of time or both, would become a contingent convertible event of default or default with respect to contingent convertible securities of such series will have occurred and be continuing; and

such assumption occurs in accordance with applicable law and regulations (including, if and to the extent required at such time by the applicable regulatory capital rules, regulations or standards, the prior consent of the PRA).

Upon any such assumption, the successor entity will succeed to, and be substituted for, and may exercise all of our rights and powers under the contingent convertible securities indenture with respect to the contingent convertible

securities of such series with the same effect as if the successor entity had been named under the contingent convertible securities indenture.

Trustee s Duties

Except during the continuance of a contingent convertible event of default, the trustee will only be liable for performing those duties specifically set forth in the contingent convertible securities indenture. In the event a contingent convertible event of default has occurred and is continuing, the trustee will exercise such of the rights and powers vested in it by the contingent convertible indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person s own affairs.

Table of Contents

If a contingent convertible event of default occurs and is continuing with respect to the contingent convertible securities, the trustee will have no obligation to take any action at the direction of any holders of the contingent convertible securities, unless they have offered the trustee security or indemnity satisfactory to the trustee in its sole discretion. The holders of a majority in aggregate principal amount of the outstanding contingent convertible securities will have the right to direct the time, method and place of conducting any proceeding in the name of and on the behalf of the trustee for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the contingent convertible securities. However, this direction (a) must not be in conflict with any rule of law or the contingent convertible securities indenture and (b) must not be unjustly prejudicial to the holder(s) of the contingent convertible securities not taking part in the direction, in the case of either (a) or (b) as determined by the trustee in its sole discretion. The trustee may also take any other action, consistent with the direction, that it deems proper.

The trustee will, within 90 days of a contingent convertible event of default with respect to the contingent convertible securities of any series, give to each affected holder of the contingent convertible securities of the affected series notice of any contingent convertible event of default it knows about, unless the contingent convertible event of default has been cured or waived. However, the trustee will be entitled to withhold notice if a trust committee of responsible officers of the trustee determines in good faith that withholding of notice is in the interest of the holders.

Agreement with Respect to the Exercise of UK Bail-in Power

The contingent convertible securities will be subject to the exercise of any UK bail-in power by the relevant UK resolution authority as set forth in the applicable prospectus supplement. In particular, by its acquisition of the contingent convertible securities, each holder (which, for these purposes, includes each beneficial owner) will acknowledge, accept, consent and agree, notwithstanding any other term of the contingent convertible securities or the contingent convertible securities indenture or any other agreements, arrangements or understandings between us and any holder, to be bound by (a) the effect of the exercise of any UK bail-in power by the relevant UK resolution authority and (b) the variation of the terms of the contingent convertible securities or the contingent convertible securities indenture, if necessary, to give effect to the exercise of any UK bail-in power by the relevant UK resolution authority.

No repayment or payment of amounts due will become due and payable or be paid after the exercise of any UK bail-in power by the relevant UK resolution authority if and to the extent such amounts have been reduced, converted, cancelled, amended or altered as a result of such exercise. Moreover, each securityholder (which, for these purposes, includes each beneficial owner) will consent to the exercise of any UK bail-in power as it may be imposed without any prior notice by the relevant UK resolution authority of its decision to exercise such power with respect to the contingent convertible securities.

Governing Law

Except as stated above, the contingent convertible securities indenture and the contingent convertible securities of each series will be governed by, and construed in accordance with, the laws of the State of New York. See *Subordination* .

Jurisdiction; Consent to Service

We have consented to the jurisdiction of any state or federal court in the City of New York with respect to any suit or proceeding arising out of, or relating to, the contingent convertible securities indenture or the contingent convertible securities of any series and have appointed HSBC North America Holdings Inc. as agent for service of process.

DESCRIPTION OF DOLLAR PREFERENCE SHARES

The dollar preference shares will be offered and sold solely in connection with market-making transactions.

The following is a summary of the material terms of the dollar preference shares of any series. The material terms of a particular series of the dollar preference shares offered in the form of American depositary shares (preference share ADSs) of a corresponding series will be summarized in the prospectus supplement relating to the dollar preference shares of that series. The material terms of a particular series of dollar preference shares may differ from the terms stated below, which will be indicated in the relevant prospectus supplement. Holders of the dollar preference shares are encouraged to read our Memorandum and Articles of Association (the Articles of Association), shareholders resolutions passed at our annual general meeting (AGM) relating to the directors authority to allot dollar preference shares and any resolutions adopted by our board of directors or one of its authorized committees that set forth the material terms of a particular series of the dollar preference shares. Copies of the Articles of Association and the relevant resolutions have been filed as exhibits to the registration statement.

General

At the 2015 AGM, the shareholders passed an ordinary resolution granting the board the general and unconditional authority pursuant to, and for the purposes of, section 551 of the UK Companies Act 2006, as amended (the Companies Act 2006), to exercise all the powers of HSBC Holdings to allot shares and to grant rights to subscribe for, or to convert any security into, shares up to a specified aggregate nominal amount. In relation to dollar preference shares, the aggregate nominal amount is US\$150,000 (in the form of 15,000,000 non-cumulative preference shares of \$0.01 each). This authority will expire at the conclusion of the 2016 AGM or at the close of business on June 30, 2016, whichever is earlier. We then will need to seek a new general authority to allot shares.

Pursuant to this general authority to allot, and in accordance with the powers granted to them by our Articles of Association, our board of directors or a committee authorized by it can authorize the issuance of one or more series of dollar preference shares with such dividend rights, liquidation value per share, redemption provisions, voting rights and other rights, preferences, privileges, limitations and restrictions as it sees fit subject to the limitations set out in the Articles of Association. The dollar preference shares will rank equal with any pounds sterling-denominated preference shares of £0.01 nominal value each and any euro-denominated preference shares of 0.01 nominal value each in our capital and with all other shares that rank equal to the sterling, euro or dollar preference shares.

The dollar preference shares of each series will have a nominal value per share, dividend rights, redemption price and liquidation value per share stated in dollar-denominated terms and will be issued only in fully paid form. For each dollar preference share of a particular series that is issued, an amount equal to the share s nominal value will be credited to our issued share capital account, and an amount equal to the difference, if any, between the share s issue price and its nominal value will be credited to our share premium account. Unless otherwise specified in the prospectus supplement relating to the dollar preference shares of a particular series, the dollar preference shares will have a nominal value of \$0.01 per share.

The dollar preference shares of any series are issued in registered form and deposited with The Bank of New York Mellon, the depositary, against the issuance of American depositary shares, evidenced by American depositary receipts (ADRs), upon receipt of payment for the dollar preference shares. The dollar preference shares of a particular series deposited under the deposit agreement will be represented by preference share ADSs of a corresponding series. Dollar preference shares of any series withdrawn from deposit under the deposit agreement will be represented by share certificates in registered form without dividend coupons. These share certificates will be delivered at the time of withdrawal. Dollar preference shares of more than one series that are deposited under the deposit agreement as units

will be represented by a unit of each corresponding series of

Table of Contents

preference share ADSs. These preference share ADSs will be represented by a unit of each corresponding series of ADRs. When withdrawn from deposit, the units of dollar preference shares will be represented by one share certificate in registered form, without dividend coupons. The certificate will be delivered at the time of withdrawal and may be exchanged by the holder for separate share certificates in registered form, without dividend coupons, representing the dollar preference shares of that series. Dollar preference shares of each series that are withdrawn from deposit will be transferable separately. See *Description of Preference Share ADSs*.

The holder can transfer title to dollar preference shares of any series by transfer and registration on the register for the dollar preference shares of the relevant series kept by the registrar at its office in the United Kingdom. See *Registrar and Paying Agent* below. The registrar will not charge the person requesting the registration a fee. However, the person requesting registration will be liable for any taxes, stamp duties or other governmental charges that must be paid in connection with the registration. See *Taxation UK Taxation Stamp Taxes*. Neither the Articles of Association nor English law currently limit the right of non-resident or foreign owners to acquire freely dollar preference shares of any series or, when entitled to vote dollar preference shares of a particular series, to vote freely the dollar preference shares. There are currently no English laws or regulations that would restrict the remittance of dividends or other payments to non-resident holders of dollar preference shares of any series.

The dollar preference shares of any series will have the dividend rights, rights upon liquidation, redemption provisions and voting rights summarized below, unless the prospectus supplement relating to the dollar preference shares of a particular series states otherwise. The holder of the dollar preference shares should pay particular attention to the following specific terms relating to its particular series of shares, including:

the designation of the dollar preference shares of such series and number of shares offered in the form of preference share ADSs;

the liquidation value per share of the dollar preference shares of such series;

the price at which the dollar preference shares of such series will be issued;

the dividend rate (or method of calculation of the dividend) and the dates on which dividends will be payable;

any redemption provisions; and

any other rights, preferences, privileges, limitations and restrictions related to the dollar preference shares of such series.

Dividends

The holders of the dollar preference shares of a particular series will be entitled to receive any cash dividends declared by us out of the profits available for distribution on the dates and at the rates or amounts stated, or as determined by the method of calculation described in the prospectus supplement relating to that series.

The declaration and payment of dividends on each series of dollar preference shares will be subject to the sole and absolute discretion of our board of directors. Our board of directors will not, however, declare and pay dividends on each series of dollar preference shares on each dividend payment date where, in our opinion:

payment of the dividend would cause us not to meet applicable capital adequacy requirements of the PRA;
or

the profits available to us to distribute as dividends are not sufficient to enable us to pay in full both dividends on the series of dollar preference shares and the dividends on any other of our shares that are scheduled to be paid on the same date as the dividends on the series of dollar preference shares and that have an equal right to dividends as the dollar preference shares of that series.

Table of Contents

Unless the prospectus supplement relating to the dollar preference shares of a particular series states otherwise, if the profits available to us to distribute as dividends are, in our board of directors' opinion, not sufficient to enable us to pay in full on the same date both dividends on the dollar preference shares of the series and the dividends on any other shares that have an equal right to dividends as the dollar preference shares of that series, we are required, first, to pay in full, or to set aside an amount equal to, all dividends scheduled to be paid on or before that dividend payment date on any shares with a right to dividends ranking in priority to that of the dollar preference shares, and second, to pay dividends on the dollar preference shares of the series and any other shares ranking equally with the dollar preference shares of that series as to participation in profits *pro rata* to the amount of the cash dividend scheduled to be paid to them. The amount scheduled to be paid will include the amount of any dividend payable on that date and any arrears on past cumulative dividends on any shares ranking equal in the right to dividends with the dollar preference shares of that series. In accordance with the Companies Act 2006, the profits available to us for distribution are, in general and with some adjustments, equal to our accumulated, realized profits less our accumulated, realized losses.

The dividends to be paid on the dollar preference shares of any series for each dividend period will be computed based upon the amount paid up or credited as paid up on each of the dollar preference shares of that series. The dividend will be calculated by annualizing the applicable dividend amount or rate and dividing by the number of dividend periods in a year. The dividends to be paid will be computed on the basis of a 360-day year of twelve 30-day months for any dividend period that is shorter or longer than a full dividend period and on the basis of the actual number of days elapsed for any partial month.

Dividends on the dollar preference shares of any series will be non-cumulative. If the dividend, or a portion of it, on the dollar preference shares of a particular series is not required to be paid and is not paid on the relevant date scheduled for payment, then the holders of dollar preference shares of such series will lose the right they had to the dividend and will not earn any interest on the unpaid amount, regardless of whether dividends on the dollar preference shares of such series are paid for any future dividend period.

We will fix a date to pay dividends on the dollar preference shares of any series to the record holders who are listed on the register as the holders of the dollar preference shares on the relevant record date, including The Bank of New York Mellon as holder of the dollar preference shares underlying the preference share ADSs. The relevant record date will be between 15 and 60 days prior to the relevant dates for dividend payment fixed by us. Unless the law requires otherwise, we will pay the dividend in the form of a dollar check drawn on a bank in London or in New York City and mailed to the holder at the address that appears on the register for the dollar preference shares. If the date we have scheduled to pay dividends on the dollar preference shares of any series is not a day on which banks in London and in New York City are open for business and on which foreign exchange dealings can be conducted in London and in New York City, then the dividend will be paid on the following business day, and we will not be required to pay any interest or other payment because of the delay. Dividends declared but not yet paid do not bear interest. For a description of how dividends will be distributed to holders of preference share ADSs, see *Description of Preference Share ADSs Share Dividends and Other Distributions*.

If we have not paid the dividend on the dollar preference shares of any series in full on the most recent date scheduled for dividend payment in respect of a dividend period, we will not be permitted thereafter to declare or pay dividends or distributions on any class of our shares ranking lower in the right to dividends than the dollar preference shares of any series, unless we pay in full, or set aside an amount to provide for payment in full of, the dividends on the dollar preference shares of such series for the then-current dividend period or for such other period as may be specified in the prospectus supplement relating to the dollar preference shares of such series.

Unless the prospectus supplement relating to the dollar preference shares of a particular series states otherwise, if we have not paid in full a dividend payable on the dollar preference shares of any series on the most recent dividend

payment date, we will not be permitted thereafter to redeem or purchase in any manner any of our other shares ranking equal with or lower than the relevant dollar preference shares, and we will not be permitted to contribute money to a sinking fund to redeem or purchase the other shares in any manner, until the

dividends on the relevant dollar preference shares have been paid in full or an amount equal to payment in full has been set aside for the then-current dividend period or for such other period as may be specified in the prospectus supplement relating to the dollar preference shares of such series. Except as provided in this prospectus and in the prospectus supplement relating to the dollar preference shares of a particular series, the holders of the dollar preference shares of any series do not have the right to share in our profits.

Liquidation Rights

If we are wound up and capital is returned to the shareholders or otherwise (but not, unless otherwise specified in the prospectus supplement relating to the dollar preference shares of a particular series, on a redemption, purchase by us or reduction of any of our share capital), the holders of the dollar preference shares of a particular series that are outstanding at the time and the holders of any other of our shares ranking in payment of capital equal or in priority to the series will be entitled to receive payment in dollars out of our assets available for distribution to shareholders. This distribution will be made in priority to any distribution of assets to holders of any class of our shares ranking lower in the right to repayment of capital than the dollar preference shares of the series. The payment will be equal to the amount paid up (or credited as paid up) on each dollar preference share together with any premium on such share as may be determined in, or by a mechanism contained in, the prospectus supplement relating to such dollar preference share plus any dividends declared but not paid for the dividend period ending prior to the commencement of the winding up and any dividends accrued and not paid for the dividend period commencing prior to the commencement of the winding up but ending after such date, to the extent such dividend would otherwise (but for the winding up) have been payable, provided that sufficient assets exist to make such distribution having satisfied any amounts payable to the holders of shares ranking in priority to the dollar preference shares as regards the repayment of capital. If at the time we are wound up, the amounts payable with respect to the dollar preference shares of any series and any of our other preference shares ranking equal as regards repayment of capital with the dollar preference shares of such series are not paid in full, the holders of the dollar preference shares of such series and of the other preference shares will share ratably in any distribution of our assets in proportion to the full respective amounts to which they are entitled. After payment of the full amount to which they are entitled, the holders of the dollar preference shares of such series will have no right or claim to any of our remaining assets and will not be entitled to receive any of our profits or a return of capital in a winding up.

Redemption and Purchase

Subject to the Companies Act 2006, we have the right to redeem the whole (but not part only) of any series of dollar preference shares at certain times specified in the Articles of Association after the fifth anniversary of the date of original issue of the dollar preference shares of such series, unless otherwise specified in the prospectus supplement relating to the dollar preference shares of such series. In respect of each dollar preference share redeemed, we will pay in dollars the aggregate of the nominal value of such dollar preference share and any premium credited as paid up on such share together with any dividend payable on the date of redemption.

If we wish to redeem dollar preference shares of any series, we must provide notice to the depositary and each record holder of the dollar preference shares to be redeemed, between 30 and 60 days prior to the date fixed for redemption. The notice of redemption must state:

the redemption date;
