The Annual Report on Form 10-K of Titan Energy, LLC (the Company) for the year ended December 31, 2016 could not be filed with the Securities and Exchange Commission within the prescribed time period without unreasonable effort or expense because the Company needs additional time to complete its financial statements and related disclosures as it relates to the Company's ongoing discussions with certain stakeholders, including, but not limited to, its lenders.

In consideration of the additional time required by management to consider the potential consequences of these discussions with stakeholders, and make appropriate revisions to the financial statements and disclosures in the Company's Annual Report on Form 10-K for the year ended December 31, 2016, such Annual Report on Form 10-K cannot be filed within the prescribed time period without unreasonable effort and expense.
