The foregoing description of the terms and conditions of the Common Stock Underwriting Agreement is qualified in its entirety by reference to the Common Stock Underwriting Agreement, which is incorporated herein by reference and attached hereto as Exhibit 1.1.

Offering of Depositary Shares

On September 25, 2018, CenterPoint Energy entered into an Underwriting Agreement (the *Depositary Shares Underwriting Agreement*), among CenterPoint Energy and the several Underwriters named in Schedule I to the Underwriting Agreement (the *Depositary Shares Underwriters*), relating to the underwritten public offering (the *Depositary Shares Offering*) of 17,000,000 depositary shares (the *Depositary Shares*), each representing a 1/20th interest in a share of CenterPoint Energy's 7.00% Series B Mandatory Convertible Preferred Stock (*Series B Preferred Stock*). The Common Stock Underwriters and the Depositary Shares Underwriters, along with each of their affiliates, are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. In the ordinary course of their respective businesses, certain of the Common Stock Underwriters and the Depositary Shares Underwriters and/or their respective affiliates have engaged, and may in the future engage, in commercial banking, investment banking, trust or investment management transactions with CenterPoint Energy and its affiliates for which they have received, and will in the future receive, customary compensation.

Item 3.03 Material Modification to Rights of Security Holders.

On September 26, 2018, CenterPoint Energy filed a statement of resolution (the *Statement of Resolution*) with the Secretary of State of the State of Texas to establish the designation, powers, preferences, rights, qualifications, limitations and restrictions of its Series B Preferred Stock, with a liquidation preference of \$1,000 per share. The Statement of Resolution became effective on October 1, 2018.

Dividends on the Series B Preferred Stock will be payable on a cumulative basis when, as and if declared by CenterPoint Energy's board of directors, or an authorized committee thereof, at an annual rate of 7.00% on the

liquidation preference of \$1,000 per share. CenterPoint Energy may pay declared dividends in cash or, subject to certain limitations, in shares of Common Stock, or in any combination of cash and shares of Common Stock on March 1, June 1, September 1 and December 1 of each year, commencing on December 1, 2018 and ending on, and including, September 1, 2021.

Unless previously converted or redeemed, each share of Series B Preferred Stock will convert automatically on the mandatory conversion date, which is expected to be September 1, 2021, into between 30.5820 and 36.6980 shares of Common Stock, subject to certain anti-dilution adjustments. The number of shares of Common Stock issuable upon conversion will be determined based on the average volume weighted average price per share of Common Stock over the 20 trading day period beginning on, and including, the 21st scheduled trading day prior to September 1, 2021. The Series B Preferred Stock may be converted into Common Stock prior to the mandatory conversion date at the option of the holders thereof. If the proposed Vectren Merger (as defined in the Statement of Resolution) has not closed at or prior to 5:00 p.m., New York City time, on April 21, 2019 or if an acquisition termination event (as defined in the Statement of Resolution) occurs, CenterPoint Energy may, at its option, give notice of redemption in connection with such acquisition termination event to the holders of the Series B Preferred Stock.

The Series B Preferred Stock will, with respect to anticipated dividends and distributions upon the liquidation, dissolution or winding up of CenterPoint Energy's affairs, rank: senior to Common Stock and to each other class or series of its capital stock established after the original issue date of the Series B Preferred Stock that is expressly made subordinated to the Series B Preferred Stock as to the payment of dividends or amounts payable on a liquidation, dissolution or winding up of CenterPoint Energy's affairs; on a parity with CenterPoint Energy's Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Stock and any other class or series of its capital stock established after the original issue date of the Series B Preferred Stock that is not expressly made senior or subordinated to the Series B Preferred Stock as to the payment of dividends and amounts payable on a liquidation, dissolution or winding up of CenterPoint Energy's affairs; and junior to any class or series of its capital stock established after the original issue date of the Series B Preferred Stock that is expressly made senior to the Series B Preferred Stock as to the payment of dividends or amounts payable on a liquidation, dissolution or winding up of CenterPoint Energy's affairs.

Except as required by the Texas Business Organizations Code or as described in the Statement of Resolution, the Series B Preferred Stock will not have voting rights.

Subject to certain exceptions, unless full cumulative dividends have been or contemporaneously are being paid on all outstanding shares of Series B Preferred Stock and any parity stock through the most recently completed respective dividend periods, CenterPoint Energy (1) will not declare, or pay, or set aside for payment, dividends on any junior stock (which includes the Common Stock) and (2) may not redeem, repurchase or otherwise acquire shares of Common Stock or any other junior stock.

Whenever dividends on shares of Series B Preferred Stock have not been declared and paid for six or more quarterly dividend periods, whether or not consecutive, the holders of such shares of Series B Preferred Stock, voting together as a single class with holders of any and all other series of voting preferred stock then outstanding, will be entitled to elect a total of two additional members of CenterPoint Energy's board of directors, subject to certain limitations. This right shall terminate when all accumulated dividends have been paid in full and the authorized number of directors shall automatically decrease by two, subject to the re-vesting of that right in the event of each subsequent nonpayment.

In the event of any liquidation, dissolution or winding up of CenterPoint Energy's affairs, whether voluntary or involuntary, the holders of the Series B Preferred Stock will be entitled to receive out of CenterPoint Energy's assets available for distribution to shareholders, after satisfaction of liabilities to creditors, if any, and subject to the rights of holders of senior stock and parity stock in respect of distributions upon liquidation, dissolution or winding up of CenterPoint Energy, and before any distribution of assets is made to holders of junior stock, a liquidation preference of \$1,000 per share, plus accumulated and unpaid dividends. If, upon any liquidation, dissolution or winding up of CenterPoint Energy's affairs, whether voluntary or involuntary, the amounts payable with respect to the liquidation preference or an amount equal to accumulated and unpaid dividends of the Series B Preferred Stock and all parity stock, as the case may be, are not paid in full, the holders of the Series B Preferred Stock and any parity stock will share equally and ratably in any distribution of CenterPoint Energy's assets in proportion to the respective liquidation

preferences or amounts equal to accumulated and unpaid dividends, as applicable, to which they are entitled.

The foregoing description of the terms of the Series B Preferred Stock is not complete and is qualified in its entirety by reference to the Statement of Resolution, a copy of which is filed as Exhibit 3.1 hereto, and is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

To the extent required by Item 5.03 of Form 8-K, the information regarding the Statement of Resolution contained in Item 3.03 of this Current Report on Form 8-K is incorporated by reference herein.

Item 9.01. Financial Statements and Exhibits.
