Therefore, if elected or re-elected, as applicable, at the Meeting, Mes. Cogan and DeCotis and Mr. Ogden will serve terms consistent with the Class III Trustees, which will expire at the Fund's annual meeting of Shareholders held during the 2021-2022 fiscal year (*i.e.*, the annual meeting held during the fiscal year running from July 1, 2021 through June 30, 2022), Mr. Maney will serve a term consistent with the Class I Trustees, which will expire at the annual meeting of Shareholders held during the 2019-2020 fiscal year (*i.e.*, the annual meeting held during the fiscal year running from July 1, 2019 through June 30, 2020), and Mr. Fisher will serve a term consistent with the Class II Trustees, which will expire at the annual meeting of Shareholders held during the 2020-2021 fiscal year (*i.e.*, the annual meeting held during the fiscal year running from July 1, 2020 through June 30, 2021).

All members of the Board of each of PCN, PTY, PKO and PCI are and will remain, if elected, Continuing Trustees, as such term is defined in the Declaration of the applicable Fund, having either served as Trustee since the inception of the Fund or for thirty-six months, or having been nominated by at least a majority of the Continuing Trustees then members of the Board. Pursuant to the Declaration of PCN, PTY, PKO and PCI, certain corporate actions and/or transactions involving the Fund outside of the ordinary course of business (including, among others, mergers, consolidations, significant dispositions of Fund assets, any shareholder proposals as to specific investment decisions and the conversion of the Fund to an open-end fund) would require the approval of 75% of the Fund's outstanding shares, unless approved by both a majority of the Board of Trustees and 75% of the Continuing Trustees (in which case shareholders have only the voting rights required by the 1940 Act with respect to such transaction or corporate action, if any).

At any annual meeting of Shareholders, any Trustee elected to fill a vacancy that has arisen since the preceding annual meeting of Shareholders (whether or not such vacancy has been filled by election of a new Trustee by the Board) shall hold office for a term that coincides with the term (or any remaining term) of the Class of Trustees to which such office was previously assigned, if such vacancy arose other than by an increase in the number of Trustees, and until his or her successor shall be elected and shall qualify. In the event such vacancy arose due to an increase in the number of Trustees, any Trustee so elected to fill such

vacancy at an annual meeting shall hold office for a term which coincides with that of the Class of Trustee to which such office has been apportioned and until his or her successor shall be elected and shall qualify.

The following table summarizes the nominees who will stand for election or re-election at the Meeting, the respective Classes of Trustees to which they have been designated and the expiration of their respective terms if elected or re-elected, as applicable:

\* A Trustee elected or re-elected at an annual meeting shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office.

\*\* Each of Mr. Fisher and Mr. Maney is an Interested Trustee/Nominee.

Under this classified Board structure, generally only those Trustees in a single Class may be replaced in any one year, and it would require a minimum of two years to change a majority of the Board under normal circumstances. This structure, which may be regarded as an anti-takeover provision, may make it more difficult for a Fund's Shareholders to change the majority of Trustees of the Fund and, thus, promotes the continuity of management.

Unless authority is withheld, it is the intention of the persons named in the enclosed proxy for a Fund to vote each proxy for the persons listed above for that Fund. Each of the nominees has indicated he or she will serve if elected, but if he or she should be unable to serve for a Fund, the proxy holders may vote in favor of such substitute nominee as the Board may designate (or, alternatively, the Board may determine to save a vacancy).

## Trustees and Officers

The business of each Fund is managed under the direction of the Fund's Board. Subject to the provisions of each Fund's Declaration or Articles, its Bylaws and applicable state law, the Trustees have all powers necessary and convenient to carry out their responsibilities, including the election and removal of the Fund's officers.

**Board Leadership Structure** Currently, and assuming the nominees are elected as proposed, the Board of Trustees of each Fund consists and will continue to consist of nine Trustees, seven of whom are Independent Trustees. An Independent Trustee serves as Chair of the Board and is selected by a vote of the majority of the Independent Trustees. The Chair of the Board presides at meetings of the Board and acts as a liaison with service providers, officers, attorneys and other Trustees generally between meetings, and performs such other functions as may be requested by the Board from time to time.

The Board of each Fund meets regularly four times each year to discuss and consider matters concerning the Funds, and also holds special meetings to address matters arising between regular meetings. The Independent Trustees regularly meet outside the presence of management and are advised by independent legal counsel. Regular meetings generally take place in-person; other meetings may take place in-person or by telephone.

The Board has established six standing Committees to facilitate oversight of the management of the Funds: the Audit Oversight Committee, the Nominating Committee, the Valuation Oversight Committee, the Compensation Committee, the Contracts Committee and the Performance Committee. The functions and role of each Committee are described below under Board Committees and Meetings. The membership of each Committee consists of all of the Independent Trustees, which the Board believes allows them to participate in the full range of the Board's oversight duties. In addition, the Performance Committee consists of all the Trustees.

The Board reviews its leadership structure periodically and has determined that this leadership structure, including an Independent Chair, a supermajority of Independent Trustees and Committee membership limited to Independent Trustees (with the exception of the Performance Committee), is appropriate in light of the characteristics and circumstances of each Fund. In reaching this conclusion, the Board considered, among other things, the predominant role of the Manager in the day-to-day management of Fund affairs, the extent to which the work of the Board is conducted through the Committees, the number of portfolios overseen by the Board that are advised by the Manager or have an investment adviser that is an affiliated person of the Manager (the Fund

Complex ), the variety of asset classes those portfolios include, the assets of each Fund and the other portfolios overseen by the Board in the Fund Complex and the management and other service arrangements of each Fund and such other portfolios. The Board also believes that its structure, including the presence of two Trustees who are executives with the Manager or Manager-affiliated entities, facilitates an efficient flow of information concerning the management of each Fund to the Independent Trustees.

**Risk Oversight** Each of the Funds has retained the Manager to provide investment advisory services and administrative services. Accordingly, the Manager is immediately responsible for the management of risks that may arise from Fund investments and operations. Some employees of the Manager serve as the Funds' officers, including the Funds' principal executive officer and principal financial and accounting officer, chief compliance officer and chief legal officer. The Manager and the Funds' other service providers have adopted policies, processes, and procedures to identify, assess and manage different types of risks associated with each Fund's activities. The Board oversees the performance of these functions by the Manager and the Funds' other service providers, both directly and through the Committee structure it has established. The Board receives from the Manager a wide range of reports, both on a regular and as-needed basis, relating to the Funds' activities and to the actual and potential risks of the Funds. These include reports on investment and market risks, custody and valuation of Fund assets, compliance with applicable laws, and the Funds' financial accounting and reporting. In addition, the Board meets periodically with the individual portfolio managers of the Funds or their delegates to receive reports regarding the portfolio management of the Funds and their performance, including their investment risks. In the course of these meetings and discussions with the Manager, the Board has emphasized the importance of the Manager maintaining vigorous risk-management programs and procedures with respect to the Funds.

In addition, the Board has appointed a Chief Compliance Officer ( CCO ). The CCO oversees the development of compliance policies and procedures that are reasonably designed to minimize the risk of violations of the federal securities laws ( Compliance Policies ). The CCO reports directly to the Independent Trustees, interacts with individuals within the Manager's organization and provides presentations to the Board at its quarterly meetings and an annual report on the application of the Compliance Policies. The Board periodically discusses relevant risks affecting the Funds with the CCO at these meetings. The Board has approved the Compliance Policies and reviews the CCO's reports. Further, the Board annually reviews the sufficiency of the Compliance Policies, as well as the appointment and compensation of the CCO.

The Board recognizes that the reports it receives concerning risk management matters are, by their nature, typically summaries of the relevant

information. Moreover, the Board recognizes that not all risks that may affect the Funds can be identified in advance; that it may not be practical or cost-effective to eliminate or mitigate certain risks; that it may be necessary to bear certain risks (such as investment-related risks) in seeking to achieve the Funds' investment objectives; and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness.

\*\*\* Mr. Dawson resigned from the Board of each Fund effective January 1, 2019.

**Trustee Qualifications** The Board has determined that each Trustee is qualified to serve as such based on several factors (none of which alone is decisive). Each Trustee, with the exception of Mr. Fisher and Ms. Cogan, has served in such role for several years. Mr. Fisher is a Managing Director and Head of Traditional Product Strategies at PIMCO and Ms. Cogan is Of Counsel, and formerly served as a Partner, at the law firm of Simpson Thacher & Bartlett LLP, which served as counsel to the Independent Trustees of the Funds until December 31, 2018. Accordingly, each Trustee is knowledgeable about the Funds' business and service provider arrangements and, with the exception of Ms. Cogan and Mr. Fisher, has also served for several years as trustee or director to a number of other investment companies advised by the Manager and/or its affiliates. Among the factors the Board considered when concluding that an individual is qualified to serve on the Board were the following: (i) the individual's business and professional experience and accomplishments; (ii) the individual's ability to work effectively with other members of the Board; (iii) the individual's prior experience, if any, serving on the boards of public companies (including, where relevant, other investment companies) and other complex enterprises and organizations; and (iv) how the individual's skills, experiences and attributes would contribute to an appropriate mix of relevant skills and experience on the Board.

In respect of each current Trustee, the individual's substantial professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Funds, were a significant factor in the determination by the Board that the individual is qualified to serve as a Trustee of the Funds. The following is a summary of various qualifications, experiences and skills of each Trustee (in addition to business experience during the past five years set forth in the table above) that contributed to the Board's conclusion that an individual is qualified to serve on the Board. References to qualifications, experiences and skills are not intended to hold out the Board or individual Trustees as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

Each Fund's Audit Oversight Committee currently consists of Messrs. Gallagher, Jacobson, Kertess, Ogden, Rappaport and Meses. DeCotis and Cogan, each of whom is an Independent Trustee. Mr. Jacobson serves as Chair of each Fund's Audit Oversight Committee. Each Fund's Audit Oversight Committee provides oversight with respect to the internal and external accounting and auditing procedures of the Fund and, among other things, determines the selection of the independent registered public accounting firm for the Fund and considers the scope of the audit, approves all audit and permitted non-audit services proposed to be performed by those auditors on behalf of the Fund, and approves non-audit services to be performed by the auditors for certain affiliates, including the Manager and entities in a control relationship with the Manager that provide services to the Fund where the engagement relates directly to the operations and

financial reporting of the Fund. The Committee considers the possible effect of those services on the independence of the Funds' independent registered public accounting firm. Each member of each Fund's Audit Oversight Committee is independent, as independence for audit committee members is defined in the currently applicable listing standards of the NYSE, on which the Common Shares of each Fund are listed.

The Board of each Fund has adopted a written charter for its Audit Oversight Committee. A copy of the written charter for each Fund, as amended through December 13, 2018, is attached to this Proxy Statement as Exhibit A. A report of the Audit Oversight Committee of PCM, PKO and PCI, dated August 23, 2018, is attached to this Proxy Statement as Exhibit C-1. A report of the Audit Oversight Committee of PCN and PTY, dated September 25, 2018, is attached to this Proxy Statement as Exhibit C-2.

The Nominating Committee is responsible for reviewing and recommending qualified candidates to the Board in the event that a position is vacated or created or when Trustees are to be re-elected. The Nominating Committee of each Fund has adopted a charter, which is attached to this Proxy Statement as Exhibit B.

Each member of each Fund's Nominating Committee is independent, as independence for nominating committee members is defined in the currently applicable listing standards of the NYSE, on which the Common Shares of each Fund are listed.

**Qualifications, Evaluation and Identification of Trustees/Nominees.** The Nominating Committee of each Fund requires that Trustee candidates have a college degree or equivalent business experience. When evaluating candidates, each Fund's Nominating Committee may take into account a wide variety of factors including, but not limited to: (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) ability, judgment and expertise and (v) overall diversity of the Board's composition. The process of identifying nominees involves the consideration of candidates recommended by one or more of the following sources: (i) the Fund's current Trustees, (ii) the Fund's officers, (iii) the Fund's investment adviser, (iv) shareholders of the Fund, and (v) any other source the Committee deems to

be appropriate. The Nominating Committee of each Fund may, but is not required to, retain a third party search firm at a Fund's expense to identify potential candidates.

**Consideration of Candidates Recommended by Shareholders.** The Nominating Committee of each Fund will review and consider nominees recommended by Shareholders to serve as Trustees, provided that the recommending Shareholder follows the Procedures for Shareholders to Submit Nominee Candidates for the PIMCO Sponsored Closed-End Funds, which are set forth as Appendix B to the Funds' Nominating Committee Charter, attached to this Proxy Statement as Exhibit B. Among other requirements, these procedures provide that the recommending Shareholder must submit any recommendation in writing to the Fund, to the attention of the Fund's Secretary, at the address of the principal executive offices of the Fund and that such submission must be received at such offices not less than 45 days nor more than 75 days prior to the date of the Board or shareholder meeting at which the nominee would be elected. Any recommendation must include certain biographical and other information regarding the candidate and the recommending Shareholder, and must include a written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected. The foregoing description of the requirements is only a summary. Please refer to Appendix B to the Nominating Committee Charter for each Fund, which is attached to this Proxy Statement as Exhibit B for details.

The Nominating Committee has full discretion to reject nominees recommended by Shareholders, and there is no assurance that any such person properly recommended and considered by the Committee will be nominated for election to the Board of each Fund.

**Diversity.** The Nominating Committee takes diversity of a particular nominee and overall diversity of the Board into account when considering and evaluating nominees for Trustee. While the Committee has not adopted a particular definition of diversity, when considering a nominee's and the Board's diversity, the Committee generally considers the manner in which each nominee's professional experience, education, expertise in matters that are relevant to the oversight of the Funds (*e.g.*, investment management, distribution, accounting, trading, compliance, legal), general leadership experience, and life experience are complementary and, as a whole, contribute to the ability of the Board to oversee the Funds.

In certain circumstances as specified in the Funds' valuation policies, the Valuation Oversight Committee may also determine the fair value of portfolio holdings after consideration of all relevant factors, which determinations shall be reported to the full Board.

**Compensation Committee.** The Board of each Fund has established a Compensation Committee currently consisting of Messrs. Gallagher, Jacobson, Kertess, Ogden, Rappaport and Mses. DeCotis and Cogan. Ms. DeCotis serves as Chair of each Fund's Compensation Committee. **Shareholder Communications with the Board of Trustees.** The Board of Trustees of each Fund has adopted procedures by which Shareholders may send communications to the Board. Shareholders may mail written communications to the Board to the attention of the Board of Trustees, [name of Fund], c/o Fund Administration, Pacific Investment Management Company LLC, 1633 Broadway, New York, New York 10019. Shareholder communications must (i) be in writing and be signed by the Shareholder and (ii) identify the class and number of Shares held by the Shareholder. The Secretary of each Fund or her designee is responsible for reviewing properly submitted shareholder communications. The Secretary shall either (i) provide a copy of each properly submitted shareholder communication to the Board at its next regularly scheduled Board meeting or (ii) if the Secretary determines that the communication requires more immediate attention, forward the communication to the Trustees promptly after receipt. The Secretary may, in good faith, determine that a shareholder communication should not be provided to the Board because it does not reasonably relate to a Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in a Fund or is otherwise routine or ministerial in nature. These procedures do not apply to (i) any communication from an officer or Trustee of a Fund, (ii) any communication from an employee or agent of a Fund, unless such communication is made solely in such employee's or agent's capacity as a shareholder, or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act or any communication made in connection with such a proposal. These persons and entities are required by SEC regulation to furnish each Fund with copies of all such forms they file. Based solely on a review of these forms furnished to each Fund during the most recently concluded fiscal year, each Fund believes that each of the Trustees and officers, investment adviser and relevant affiliated persons of the investment adviser and the persons who beneficially own more than 10% of any class of outstanding securities of the Fund has complied with all applicable filing requirements during each Fund's respective fiscal year.
