**Item 1.01. Entry Into a Material Definitive Agreement.**

On April 9, 2019, Odyssey Marine Exploration, Inc. ( Odyssey ) entered into a Share Purchase Agreement (the Purchase Agreement ) with Seabed Capital, LLC ( Seabed ) pursuant to which (a) Odyssey has agreed to acquire from Seabed all of Seabed s 480 shares (the Acquired Interest ) in a holding company (the Target Company ) whose primary asset is an exclusive exploration license for a potentially significant subsea mineral deposit, in consideration for which (b) Odyssey will issue to Seabed up to 250,000 shares (the Consideration Shares ) of Odyssey s common stock, and the Target Company and Seabed will enter into a royalty agreement whereby the Target Company will agree to pay to Seabed up to a 2.5% net smelter royalty (the Royalty ) from future production (the Transaction ). The 480 shares represent 80.0% of the Target Company s outstanding capital stock. The Purchase Agreement contemplates that the number of Consideration Shares and the percentage of the Royalty will be reduced proportionately to the extent that the 480 shares represent less than 80.0% of the Target Company s outstanding capital stock at the closing of the Transaction. Under the Purchase Agreement, Odyssey s obligation to consummate the Transaction is subject to the following conditions: (a) specified approvals, consents and waivers shall have been obtained; (b) an extension of the Target Company s exploration license shall have been obtained; (c) Odyssey shall have been provided specified audited financial statements of the Target Company; (d) a specified liability of the Target Company shall have been resolved; and (e) other reasonable and customary conditions to closing for transactions such as the Transaction.

At the closing of the Transaction, Odyssey and Seabed will enter into a Registration Rights Agreement providing Seabed with piggyback registration rights with respect to the Consideration Shares, although Odyssey will agree to file, upon Seabed s request, a registration statement with respect to the Consideration Shares if Seabed has not had the opportunity to exercise its piggyback registration rights with respect to the Consideration Shares within six months after the closing of the Transaction.
