On April 25, 2019, Gannett Co., Inc. issued the following statement in response to media inquiries regarding MNG Enterprises, Inc.'s reduction of its director nominee slate from six nominees to three.

The number of candidates put forth by MNG does not change the fact that each of MNG's director nominees has irreconcilable conflicts of interest (given each nominee's close affiliations with MNG and/or its majority shareholder, Alden Global Capital) and cannot be expected to act in the best interests of all Gannett shareholders.
