PROPOSAL ONE

**ELECTION OF DIRECTORS
(Item 1 on the Proxy Card)**

At the Annual Meeting eight Directors will be elected to hold office for the ensuing year or until their respective successors are duly elected and qualified, unless they earlier resign or a vacancy is created due to the respective death or removal of any of such directors, or for other cause in accordance with the Bylaws of the Company. Unless authority is withheld on the attached form of proxy card, such proxy will be voted FOR the election of the nominees set forth below to serve as such Directors. The proxy cannot be voted for a greater number of persons than the number of nominees nominated. All nominees are currently members of the Board of Directors and have consented to being named in this proxy statement and have notified management that they will serve, if elected. Management knows of no reason why any of these nominees would be unable or unwilling to serve; but if any of the nominees should be unable to serve as a Director, the persons designated as proxies reserve full discretion to cast their votes for another person in his place.

A plurality of the votes received will elect each director. Abstentions and broker non-votes will not be counted for the purpose of determining whether a quorum exists.

THE BOARD OF DIRECTORS RECOMMENDS VOTING FOR EACH OF THE NOMINEES LISTED BELOW.

REPORT ON BOARD SELECTION/INCLUSIVENESS REVIEW

In recognition of the fact that our employees, customers and shareholders represent a greater diversity of backgrounds than ever before, in 2002 we adopted a Policy for Board Inclusiveness Review to ensure that, in seeking qualified candidates to fill vacancies on our Board of Directors, the Company makes a greater commitment to locate candidates whose backgrounds reflect the diversity we see in our employee, shareholder and customer base. While we have never discriminated against any employee, applicant, board candidate, or anyone on the basis of race, color, religion, sex, national origin, age, ancestry or disability, in order to achieve diversity, we are taking affirmative steps to identify qualified candidates who can enhance our Board. This does not mean that we will solicit for association with Alico, Inc. anyone other than those whose skills, education, experience and performance are of the highest caliber. However, it does mean that we will actively seek to ensure that our candidate pool includes persons with diverse backgrounds.

Typically, Board vacancies are filled from nominees supplied by our Nominating Committee after considering nominees proposed by Board members or who come to the attention of the Nominating Committee through their performance in areas of benefit to the Company. Each nominee's qualifications are reviewed by the Nominating Committee, and the final selection is made on the basis of the nominee whose experience and background are deemed to provide a more valuable contribution to the Board. On an annual basis, at the shareholder's meeting, the slate of Board members is put to the shareholders for re-election. Board members are selected to serve on those committees where their individual talents and background would most benefit the Company. For the audit and compensation committees in particular, committee members are selected based on their expertise and independence in accordance with current SEC and Nasdaq rules. These processes will remain the same.

Code of Ethics

The Company adopted a code of Business Conduct and Ethics during fiscal 2003. This Code of Ethics applies to all directors, officers and employees and includes a Whistleblower Policy with procedures for the submission of complaints or concerns regarding financial statement disclosures and other matters. A copy of the Code of Ethics is attached as an Exhibit to the Annual Report on Form 10-K for the year ended August 31, 2004, and is also posted on the Company's website. Any person will be provided with a copy of such Code of Ethics without charge upon written request to the Company's address, attention: Denise Plair, Corporate Secretary.

Nominating Committee

The Nominating Committee, which is composed of five directors, is primarily charged with identifying individuals qualified to become board members and recommends to the Board the directors nominees for the next annual meeting of shareholders or to fill vacancies between annual meetings. The Nominating Committee was formed June 4, 2004, and met only once during the fiscal year ended August 31, 2004. The Committee operates pursuant to a Charter approved by the Board, a copy of which is available to shareholders on the Company's website at www.alicoinc.com. The Nominating Committee is composed entirely of directors who satisfy the definition of "independent" under the listing standards of The Nasdaq Stock Market ("Nasdaq"). Currently the members of the Nominating Committee are: Richard C. Ackert, William L. Barton, Larry A. Carter, Stephen M. Mulready, and Thomas E. Oakley, with Mr. Barton serving as Chairman of the Committee.

The Nominating Committee and the Board require that all candidates for directors be persons of integrity and sound ethical character, be able to represent all shareholders fairly, have no interests that materially conflict with those of the Company and its shareholders, have demonstrated professional achievement, have meaningful management, advisory or policy making experience, have a general appreciation of the major business issues facing the Company and have adequate time to devote to service on the Board. The Board also evaluates candidates based on their independence from the Company, financial literacy, knowledge of the Company's industry and experience serving on other Boards. For each annual meeting of the Company's shareholders, the Nominating Committee nominates qualified incumbent directors who continue to satisfy the foregoing criteria for membership on the Board, whom the Nominating Committee believes will continue to make important contributions to the Board and who consent to stand for reelection and, if re-elected, to continue their service on the Board. If there are Board positions for which the Nominating Committee will not be re-nominating a qualified incumbent, the Committee's members will solicit recommendations for nominees from persons they believe are likely to be familiar with qualified candidates, including members of the Board and senior management. The Nominating Committee may also engage a search firm to assist in identifying qualified candidates and will consider recommendations for director nominations submitted by shareholders entitled to vote generally in the election of shareholders, in accordance with Committee's policy for such shareholder recommendations as described below. The Nominating Committee will review and evaluate each candidate whom it believes merits serious consideration, taking into account all available information concerning the candidate, the qualifications for Board membership established by the Nominating Committee, the existing composition and mix of talent and expertise on the Board and other factors that it deems relevant. In conducting its review and evaluation, the Nominating Committee may solicit the views of management and other members of the Board and may conduct interviews of proposed candidates. The Company paid \$108,000 during the fiscal year ended August 31, 2004, to a third party in connection with the identification or evaluation of potential nominees.

The Nominating Committee has adopted a formal policy with regard to the consideration of any director candidates recommended by shareholders. The criteria for consideration of shareholder recommendations are as follows: (a) for each annual meeting of the Company's shareholders, the Nominating Committee will accept for consideration only one recommendation from any shareholder or affiliated group of shareholders; (b) only candidates who satisfy the Company's minimum qualifications for directors will be considered, and (c) in considering shareholder recommendations, the Committee will take into account, among other factors, the size and duration of the recommending shareholder's ownership interest in the Company and whether the shareholder intends to continue holding that interest through the annual meeting date. The Nominating committee will not consider other candidates when a qualified incumbent consents to stand for re-election. A shareholder wishing to recommend to the Nominating Committee a candidate for election as a director must submit the recommendation in writing to the Nominating Committee, care of the Company's corporate secretary at the address of the Company's headquarters. Submissions recommending candidates for election at the next annual meeting must comply with the same deadline as other shareholder proposals for such meeting; that is, the recommendations must be received not later than 120 calendar days prior to the first anniversary of the date of the proxy statement for the prior annual meeting of shareholders. In the event that the date of the next annual meeting of shareholders is more than 30 days following the first anniversary date of the annual meeting of shareholders for the prior year, the submission must be made in a reasonable time in advance of the mailing of the Company's next annual proxy

7

statements. Each nominating recommendation must include such specified information concerning the shareholder group of shareholders making the recommendations as the Nominating Committee may determine from time to time, the name of the proposed nominee, any relationships between the recommending shareholder and the proposed nominee and the qualifications of the proposed nominee to served as director. The recommendation must also be accompanied by the consent of the proposed nominee to serve if nominated and the agreement of the nominee to be contacted by the Nominating Committee, if the Nominating Committee decides in its discretion to do so.

The Nominating Committee did not receive any shareholder recommendations for nominees for the annual meeting to be held in February 2005. All director nominees approved by the Nominating Committee for inclusion in the Company's proxy card for the next annual meeting are directors standing for re-election.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board is composed of five directors. The Compensation Committee currently consists of Thomas E. Oakley, Chairman, William L. Barton, Larry A. Carter, Richard C. Ackert and Stephen M. Mulready. None of the members of the Compensation Committee is an officer or employee of the Company. In addition, there are no interlocking relationships between any of these directors and any other executive officer of the Company.

The Compensation Committee reviews the compensation of the executive officers of the Company and makes recommendations to the Board of Directors regarding such compensation. The Compensation Committee held four meetings during fiscal year ended August 31, 2004. Outside directors were paid \$1,000 for each committee meeting attended, and the chairman was paid \$1,250.

Compensation Committee Report

The Company's general compensation philosophy aims to provide base compensation comparable with similar Florida businesses, allowing the Company to attract and retain qualified employees. In addition, the Company provides incentive compensation through a bonus program, which is dependent on the individual's performance and which varies with the Company's performance. Accordingly, while the executive compensation program provides an overall level of compensation that is competitive within the Florida agribusiness industry, actual compensation levels in any given year may be greater or less than average competitive levels in comparable companies, depending on the Company's overall performance for such year and on the specific individual's performance or contribution to the Company. As additional incentive compensation, the Company adopted the 1998 Incentive Equity Plan, pursuant to which employees of the Company may be selected by the Board, in the Board's sole discretion, to receive stock options, restricted stock awards, or stock appreciation rights.

The Compensation Committee, comprised of independent directors from the Company's Board of Directors, reviews executive compensation and determines compensation levels which it then recommends to the Board of Directors. In determining the base compensation and any bonuses to be awarded to its executives, the Compensation Committee uses no set formula but rather evaluates a series of factors, including but not limited to (i) industry performance for such year, (ii) the Company's performance as compared to others in the industry that year, (iii) the Company's performance for such year as compared to the Company's performance with the previous year, and (iv) the individual's performance or contributions for such year as compared with such individual's performance or contributions the previous year, if applicable. In addition, the Compensation Committee will, in its discretion, evaluate other external and internal factors affecting performance, including individual circumstances.

The Chief Executive Officer's compensation is established using the same criteria as set forth above generally for executive compensation. For fiscal 2004, Mr. Ben Hill Griffin, III's base salary was comparable to that of the previous year, with a bonus award reflecting the Company's performance vis a vis comparable businesses and Mr. Griffin's contribution to such performance. In addition to his base salary and bonus, pursuant to the terms of the Company's 1998 Incentive Equity Plan, Mr. Griffin received a grant of options to purchase 12,500 shares of the Company's common stock on September 9, 2003. The exercise price for these shares was

based on 55% of the close of the market price of the Company's common stock on August 30, 2002. Mr. Griffin also received a grant of options to purchase 12,500 shares of the Company's common stock on February 3, 2004. The exercise price was based on 55% of the close of the market price of the Company's common stock on February 3, 2004. Other Company employees received stock options as part of their compensation during fiscal year 2004. Mr. John R. Alexander received no compensation and no stock options at his request.

Edgar Filing: ALICO INC - Form DEF 14A

Certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 is not deductible for tax purposes. It is the responsibility of the Compensation Committee to determine whether any actions with respect to this compensation limit should be taken by the Company. During fiscal year 2004 no executive officer of the Company received any compensation in excess of this limit nor is it anticipated that any executive officer will receive any such compensation during fiscal year 2005. Therefore, the Compensation Committee has not taken any action to date with respect to this limit.

Option/SAR Grants in Last Fiscal Year

The following table sets forth stock options granted during fiscal 2004 to each of the Company's executive officers named in the Summary Compensation Table. The actual future value of the options will depend on the market value of the Company's Common Stock. All option exercise prices are based on market price on the date of grant.

Contingent Compensation*1998 Incentive Equity Plan*

The Company maintains an incentive equity plan (the Incentive Equity Plan) pursuant to which Board members and employees selected by the Board of Directors may receive options to purchase Company common stock, awards of restricted stock, and stock appreciation rights (SARs). The purpose of the Incentive Equity Plan is to advance the interests of the Company and its shareholders by offering participants an opportunity to acquire or increase their proprietary interests in the Company, and thereby receiving additional incentives to achieve the Company's objectives. No stock options, SARs or restricted stock may be granted under the Incentive Equity Plan on or after the tenth anniversary of the Incentive Equity plan's effective date. The Incentive Equity Plan is administered by the Board of Directors.

Pension and Profit Sharing

The Company operates a Profit Sharing Plan under Section 401(k) of the Internal Revenue Code (the Plan). Under this Plan a regular employee of the Company becomes eligible to participate upon employment provided he or she continues such employment through the following August 31. Vesting of the Plan begins after three (3) years of service with the Company at which time an employee becomes 20% vested. Vesting increases by 20% with each additional year of service. Employees become fully vested upon completion of seven(7) years of service.

The Plan is fully funded by contributions by the Company, except for such contributions of employees electing to take advantage of the salary reduction feature. Contributions by the Company are determined by its Board of Directors from time to time with allocations to employee accounts based on each participant's salary. The Plan also includes a voluntary employee contribution provision pursuant to Section 401(k) of the

Edgar Filing: ALICO INC - Form DEF 14A

Internal Revenue Code, which allows employees to contribute up to 20% of their salary, or a maximum of \$13,000. All 401(k) accounts are 100% vested.

Employees will be deemed 100% vested and receive full benefits from the Plan, regardless of their standing on vesting schedules, upon retirement on or after age 65, death or permanent disability. Benefits commence within 60 days after request following one of the qualifying events, referred to above, and can be taken as periodic payments or in a lump sum. For the year ended August 31, 2004, the Company contributed a total of \$434,064 to this Plan.

Additional Plan

The Company has a nonqualified defined benefit retirement plan, which covers officers of the Company, as well as certain management and key personnel (the Nonqualified Plan). The Nonqualified Plan is being funded by the purchase of insurance contracts and is designed to provide a set monthly benefit after the participant reaches age 65. The participants are required to pay a portion of the cost of the Nonqualified Plan and the Company pays the remaining amount. The expense and monthly benefit amounts are based on the participant's annual salary and age at the date of entry into the Nonqualified Plan.

Pension expense for the additional retirement benefits was approximately (\$37,000), \$747,000, and \$488,000 for the years ended August 31, 2004, 2003 and 2002 respectively.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

In August 2004 Atlantic Blue Trust, Inc., the Company's largest stockholder, requested that the Company consider a restructuring of the Company. While Atlantic Blue Trust did not propose the specific terms of a transaction, Atlantic Blue Trust discussed with the Company's Board of Directors the advisability of combining Atlantic Blue Trust's cattle ranch, citrus operations and other acreage with Alico's business in an effort to both lower costs and improve joint operations, with Alico remaining a public company. To facilitate such a possible restructuring, Atlantic Blue Trust urged consideration of (a) paying a special cash dividend to all Alico stockholders; and (b) merging Atlantic Blue Trust with Alico or one of its subsidiaries with shareholders of

14

Atlantic Blue Trust receiving shares of Alico common stock in the merger. The Company has established a special committee comprised of all of the independent directors to analyze the possible restructuring. All of the members meet the requirements for audit committee independence under the rules established by the NASDAQ national market and under Sarbanes Oxley. The special committee has retained independent outside financial and legal advisors to assist with this analysis. Alico directors affiliated with Atlantic Blue Trust or employed by Alico have not participated and will not participate in the evaluation of a possible restructuring. As of this date no formal proposal has been made by Atlantic Blue Trust. Mr. John Alexander is one of nine directors on the Board of Atlantic Blue Trust, Inc.

In fiscal 2004, Agri-Insurance Company, Ltd. began providing catastrophic business interruption insurance coverage for Tri-County Grove, LLC, a subsidiary of Atlantic Blue Trust, Inc., the holder of approximately 47.7% of the Company's common stock. The coverage term is from August 2004 to July 2005. Total coverage under the policy is \$2.7 million and the premium charged was \$45 thousand.

Premiums for coverage quoted are set by independent actuaries/underwriters hired by Agri-Insurance Company, Ltd. in Bermuda based on underwriting considerations established by them. Premiums vary depending upon the size of the property, its age and revenue-producing history as well as the proximity of the insured property to known disease-prone areas or other insured hazards. Premiums charged to ABT were the same as would be charged to any other third party.

Effective November 2, 1983, the Company entered into a continuing marketing contract covering the majority of its citrus crop with Ben Hill Griffin, Inc., a company which is controlled by Ben Hill Griffin, III, the Company's former Chairman of the Board and Chief Executive Officer through February 26, 2004. This contract provides for modifications to meet changing conditions and cancellation by either party by giving notice prior to August 1 preceding the next fruit season. Modifications to the terms of the contract are made upon the mutual agreement of both parties and can relate to numerous provisions of the contract including the quantity of fruit to be delivered and service fees to be collected by Ben Hill Griffin, Inc. Such modifications may be necessary depending on factors such as weather and general market conditions. During the year ended August 31, 2004 approximately 77% percent of the Company's crop was marketed under this contract. Under the terms of this contract, the Company's fruit is harvested, packed and/or otherwise processed and sold along with fruit from other growers, including Ben Hill Griffin, Inc., and the proceeds distributed on a pro rata basis as sales of the finished product are made by the buyer. The Company bears the cost of harvesting. The co-mingling of fruit with other growers permits the Company to participate in the negotiation of higher prices from buyers that

Edgar Filing: ALICO INC - Form DEF 14A

would not likely be available if price negotiations were limited only to the Company's fruit. The marketing contract also permits the Company's fruit to be sold in either fresh or processed form, in whichever market will provide the highest return. Historically, this contract has provided highly competitive returns. Ben Hill Griffin, Inc. receives a handling fee and a marketing fee out of sales proceeds. The assistance provided for by the contract is considerable and reduces the number of staff which the Company would otherwise have to employ. Additionally, the Company may receive advances on sales, which are then deducted from its share of the distributed proceeds. Essentially the same amount of the 2004-2005 citrus crop will be marketed under the terms of this contract; also, Ben Hill Griffin, Inc. provides harvesting services for citrus sold to unrelated processors. The total amount paid to Ben Hill Griffin, Inc., under the terms of the marketing contract, for harvesting and other costs was \$7.1 million during the year ended August 31, 2004. In addition Ben Hill Griffin, Inc. was paid \$2.1 million for harvesting citrus sold to unrelated processors. These charges are comparable to similar services available in the industry.

The Company purchased from Ben Hill Griffin, Inc., on a competitive bid basis, fertilizer, spray, herbicides and other miscellaneous supplies at a total cost of \$5.3 million during the year.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The firm of KPMG LLP, Certified Public Accountants, 111 North Orange Avenue, Suite 1600, Orlando, Florida 32801, was the Company's independent certified public accountants from January 1, 1984 to June 2004. Beginning June 7, 2004, the company engaged Tedder, James, Worden & Associates Certified Public

15

Accountants, 11 South Bumby Avenue, Suite 200, Orlando, FL 32803 as the Company's independent certified public accountants. In addition to performing the year-end audit of the financial statements, the independent public accountant: (1) performs a limited review of the quarterly financial statements, reviews the financial information included in the Annual Report to Shareholders and the Forms 10-Q and 10-K filed with the Securities and Exchange Commission; and (2) prepares the federal and state income tax returns. The firm of Pricewaterhouse Coopers prepares the Federal income tax returns and the Bermuda Statutory return for Agri-Insurance Company, Ltd. All services performed by the independent accountants are approved by the Audit Committee of the Board of Directors prior to performance.

Representatives of Tedder, James, Worden & Associates are expected to be present at the Annual Meeting of Shareholders and will be given an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from shareholders. Upon the Audit Committee's recommendation, the Board of Directors reaffirmed continuation of Tedder, James, Worden & Associates as auditors.

The following list details the aggregate fees billed for professional services during fiscal 2004:

| | <u>KPMG, LLC</u> | <u>Tedder, James Worden & Assoc.</u> | <u>Total</u> |
|------------|------------------|--|--------------|
| Audit Fees | \$ 20,000 | \$82,000 | \$102,000 |
| Tax Fees | 103,000 | 5,000 | 108,000 |
| Total | \$123,000 | \$87,000 | \$210,000 |

There were no fees billed or paid for financial information systems design and/or implementation or for any other fee for services rendered to the Company.

Audit Fees. Consists of fees billed for professional services rendered for the audit of the Company's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that are normally provided in connection with statutory and regulatory filings or engagements. The amounts billed to the Company by its independent public accountants in fiscal 2004 and fiscal 2003 were approximately \$102,000 and \$93,000 respectively.

Audit-Related Fees. Consists of fees billed for assurance and related services that were related to the performance of the audit or review of the Company's consolidated financial statements. (There were no fees billed in fiscal 2004 and fiscal 2003 for such services).

Edgar Filing: ALICO INC - Form DEF 14A

Tax Fees. Consists of fees billed for professional services rendered for tax compliance, tax advice and tax planning. The amounts billed to the Company by its independent public accountants and other tax consultants in fiscal 2004 and fiscal 2003 were \$307,844 and \$69,196 respectively.

Consulting Fees. There were no Consulting fees in fiscal year 2004 and 2003.

All Other Fees. There were no fees billed or paid in fiscal 2004 or fiscal 2003 in connection with products and services other than the services reported above.

The Audit Committee of the Board of Directors has determined that the provision of the non-audit professional services is compatible with maintaining KPMG LLP's independence from September 1, 2003 through June 6, 2004 and Tedder, James, Worden & Associates from June 7, 2004 to present.

SHAREHOLDERS PROPOSALS

It is anticipated that next year's annual meeting may be up to 30 days earlier than the date of this proxy statement. Accordingly, shareholders proposals intended to be presented at the next annual meeting should be sent by certified mail, return receipt requested, and must be received by the Company at its principal executive offices (Attention: Corporate Secretary) by August 15, 2005, for inclusion in the proxy statement and the form of proxy for that meeting. 16

For any shareholder proposal that is not submitted for inclusion in the 2005 Proxy Statement, but is instead sought to be presented directly at the Annual Meeting, management will be able to vote proxies in its discretion if the Company: (i) does not receive notice of the proposal prior to the close of business on August 25, 2005 or (ii) receives notice of the proposal before the close of business on August 25, 2005, and advises shareholders in the 2005 Proxy Statement about the nature of the matter and how management intends to vote on such matter.

OTHER BUSINESS

The Board of Directors is aware of no other matter that will be presented for action at the meeting. If any other matter requiring a vote of the shareholders properly comes before the meeting, the persons authorized under management proxies will vote and act according to their best judgment.
