PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 18, 2007

May 25, 2007

Proxies in the form enclosed with this proxy statement are solicited by the Board of Directors (the "Board") of SeaChange International, Inc. for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, July 18, 2007, at 10:00 A.M. Eastern Time, at SeaChange's offices, located at 50 Nagog Park, Acton, Massachusetts 01720. This proxy statement and the accompanying proxy were first mailed to stockholders on or about June 8, 2007.

Only stockholders of record as of the close of business on May 21, 2007 (the "Record Date"), will be entitled to vote at the Annual Meeting and any adjournments thereof.

All properly completed proxy forms returned in time to be cast at the Annual Meeting will be voted. With respect to the election of the Class II Directors, any stockholder submitting a proxy has a right to withhold authority to vote for the nominee by indicating this in the space provided on the proxy. The stockholders will also consider and vote upon proposals put forth by the Board to approve the amendment of the 2005 Plan and to ratify the selection of SeaChange's independent registered public accounting firm. Where a choice has been specified on the proxy card with respect to each proposal, the shares represented by the proxy will be voted in accordance with your specifications. If no specification is indicated on the proxy card, the shares represented by the proxy will be voted **FOR** each nominee for election to the Board of Directors to serve as a Class II Director, **FOR** the proposal to approve the amendment of the 2005 Plan, and **FOR** the proposal to approve the ratification of the selection of SeaChange's independent registered public accounting firm. Stockholders may vote in one of the following three ways: (1) by completing, signing and dating the enclosed proxy card and returning it in the enclosed postage paid envelope by return mail,

(2) by completing a proxy using the toll-free telephone number listed on the proxy card, or (3) by completing a proxy on the Internet at the address listed on the proxy card. Any proxy may be revoked by a stockholder at any time before its exercise by either delivering written revocation or a later dated proxy to the Secretary of SeaChange, entering a new vote by Internet or telephone, or attending the Annual Meeting of Stockholders and voting in person.

1

A majority in interest of the outstanding shares represented at the Annual Meeting in person or by proxy shall constitute a quorum for the transaction of business. Votes withheld from any nominee, abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum for the meeting. A "non-vote" occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the meeting. On all other matters being submitted to stockholders, an affirmative vote of at least a majority of the shares present, in person or represented by proxy, and voting on that matter is required for approval or ratification. An automated system administered by SeaChange's transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions, as well as broker "non-votes" are not considered to have been voted for such matters and have the practical effect of reducing the number of affirmative votes required to achieve a majority for such matters by reducing the total number of shares from which the majority is calculated.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote properly may be taken, shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as proxies and in accordance with the Securities and Exchange Commission's ("SEC's") proxy rules. The persons named as proxies, William C. Styslinger, III and Kevin M. Bisson, were selected by the Board of Directors and are officers of SeaChange. See "Stockholder Proposals" herein at page 8.

PROPOSAL NO. I

ELECTION OF DIRECTOR

SeaChange's Board of Directors currently consists of five members, four of whom are independent, non-employee directors. The Board of Directors is divided into three classes. Each class serves for a term of three years, with the terms of office of the directors in the respective classes expiring in successive years. The present term of the Class II Directors expires at the Annual Meeting. The Board of Directors, based on the recommendation of the Corporate Governance and Nominating Committee, has nominated Messrs. Hoffmann and Olson for re-election as the Class II Directors. CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Determination of Director Independence

The Board of Directors has determined that Messrs. Hoffmann, Olson, and Vona and Ms. Cotton are "independent" directors, meeting all applicable independence requirements promulgated by the SEC, including Rule 10A-3(b)(1) pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and by the National Association of Securities Dealers, Inc. ("NASD"). In making this determination, the Board of Directors affirmatively determined that none of such directors has a relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Stockholder Proposals

Proposals of stockholders intended to be presented at the 2008 Annual Meeting of Stockholders must be received no later than the close of business on February 8, 2008 at SeaChange's principal executive offices in order to be included in the SeaChange proxy statement for that meeting. Any such stockholder proposals should be submitted to SeaChange International, Inc., 50 Nagog Park, Acton, Massachusetts, 01720, Attention: Secretary. Under the By-Laws of SeaChange, stockholders who wish to make a proposal at the 2008 Annual Meeting - other than one that will be included in SeaChange's proxy materials - must notify SeaChange no earlier than January 9, 2008, and no later than February 8, 2008. If a stockholder who wishes to present a proposal fails to notify SeaChange by February 8, 2008, the stockholder would not be entitled to present the proposal at the meeting. If, however, notwithstanding the requirements of the By-Laws of SeaChange, the proposal is brought before the meeting, then under the SEC's proxy rules the proxies solicited by management with respect to the 2008 Annual Meeting will confer discretionary voting authority with respect to the stockholder's proposal on the persons selected by management to vote the proxies. If a stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

In order to curtail controversy as to the date on which a proposal will be marked as received by SeaChange, it is suggested that stockholders submit their proposals by Certified Mail Return Receipt Requested.

Availability of Corporate Governance Documents

SeaChange's Code of Ethics and Business Conduct ("Ethics Policy") for all directors and all employees of SeaChange, including executive officers, and the charters for SeaChange's Board of Directors standing committees (Audit, Compensation and Option, Corporate Governance and Nominating) are available on SeaChange's website at www.schange.com under the "Corporate Governance" section of the "Investor Relations" link.

Board Meetings

The Board of Directors of SeaChange met eleven times and acted by written consent one time during the fiscal year ended January 31, 2007. During the fiscal year ended January 31,

2007, each director attended at least 75% of the total number of meetings of the Board of Directors and meetings of all the committees of the Board on which they serve. SeaChange has a policy that its Board of Directors attend SeaChange's Annual Meeting of Stockholders. Last year, all of the directors attended the Annual Meeting of Stockholders that was held on July 12, 2006.

Lead Director

The Board of Directors has appointed an independent director to serve as Lead Director. The purpose of the Lead Director is to facilitate and improve communication between the independent directors and SeaChange by serving as the interface between SeaChange's Chief Executive Officer, senior management and the Board of Directors. The Lead Director's responsibilities include working with the chairperson of the Compensation and Option Committee to establish goals for the Chief Executive Officer each fiscal year and to conduct the annual Chief Executive Officer evaluation. Mr. Olson currently serves as Lead Director.

Board Committees

The Board has three standing committees: an Audit Committee, a Compensation and Option Committee, and a Corporate Governance and Nominating Committee. The members of each committee are appointed by the Board based on the recommendation of the Corporate Governance and Nominating Committee, and are set forth below in this proxy statement. Actions taken by any committee of the Board are reported to the Board, usually at the next Board meeting following a committee meeting. Each standing committee is governed by a committee-specific charter that is reviewed periodically by the applicable committee pursuant to the rules set forth in each charter. The Board annually conducts a self-evaluation of each of its committees. All members of all committees are independent directors.

Audit Committee

The Audit Committee members are Messrs. Hoffmann, Olson and Vona and Ms. Cotton (Chair), each of whom meet the independence requirements promulgated by the SEC and the NASD, as described above. In addition, SeaChange's Board has determined that each member of the Audit Committee is financially literate and that Ms. Cotton satisfies the requirement of the NASD applicable to Nasdaq-listed companies that at least one member of the Audit Committee possess financial sophistication and that Ms. Cotton is an "audit committee financial expert" as defined in the rules and regulations promulgated under the Exchange Act. The Audit Committee's oversight responsibilities include matters relating to SeaChange's financial disclosure and reporting process, including the system of internal controls, the performance of SeaChange's internal audit function, compliance with legal and regulatory requirements, and the appointment and activities of SeaChange's independent auditors. The Audit Committee met eight times during fiscal year 2007. The responsibilities of the Audit Committee and its activities during fiscal year 2007 are more fully described in the Audit Committee Report contained in this proxy statement.

Compensation and Option Committee

The Compensation and Option Committee members are Messrs. Hoffmann, Olson (Chair) and Vona, each of whom meet the independence requirements promulgated by the SEC and

the NASD, as described above. Among other things, the Compensation and Option Committee determines the compensation, including stock options, restricted stock units and other equity compensation, of SeaChange's management and key employees, and administers and makes recommendations concerning SeaChange's equity compensation plans. The Compensation and Option Committee met eight times and acted by unanimous written consent ten times during fiscal year 2007. The responsibilities of the Compensation and Option Committee and its activities during fiscal year 2007 are more fully described in the Compensation Discussion and Analysis contained in this proxy statement.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee members are Messrs. Hoffmann (Chair), Olson and Vona, each of whom meet the independence requirements promulgated by the SEC and the NASD, as described above. The Corporate Governance and Nominating Committee is responsible for oversight of corporate governance at SeaChange, recommending to the Board of Directors persons to be nominated for election or appointment as directors of SeaChange and monitoring compliance with SeaChange's Ethics Policy. The Corporate Governance and Nominating Committee identifies Board candidates through numerous sources, including recommendations from existing Board members, executive officers, and stockholders of SeaChange. Additionally, the Corporate Governance and Nominating Committee may identify candidates through engagements with executive search firms. The Corporate Governance and Nominating Committee met three times during fiscal year 2007.

Qualifications of Director Candidates

In evaluating the suitability of individuals for Board membership, the Corporate Governance and Nominating Committee takes into account many factors, including whether the individual meets the requirements for independence, his or her professional expertise and educational background, and other factors that promote diversity of views and experience. The Corporate Governance and Nominating Committee evaluates each individual in the context of the entire Board, with the objective of recommending nominees who can best further the success of SeaChange's business and represent stockholder interests. As part of the review in fiscal year 2007 by the Corporate Governance and Nominating Committee of SeaChange's corporate governance documents, these criteria were reviewed. No changes to these criteria were recommended as a result of such review.

Procedures for Stockholders to Recommend Director Candidates

Stockholders wishing to suggest candidates to the Corporate Governance and Nominating Committee for consideration as potential director nominees may do so by submitting the candidate's name, experience, and other relevant information to the SeaChange Corporate Governance and Nominating Committee, 50 Nagog Park, Acton, Massachusetts 01720. SeaChange stockholders wishing to nominate directors may do so by submitting a written notice to the Secretary of SeaChange at the same address in accordance with the nomination procedures set forth in SeaChange's By-Laws. The procedures are summarized in this proxy statement under the heading "Stockholder Proposals." The Secretary will provide the notice to the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee does not distinguish between nominees recommended by

stockholders and other nominees. All nominees must meet, at a minimum, the qualifications described in [Qualifications of Director Candidates] above. The Committee did not receive any stockholder nominee recommendations for this annual meeting.

Process for Stockholders to Communicate with Directors

Stockholders may write to the Board or a particular Board member by addressing such communication to the Board or Board member, as applicable, care of SeaChange's Chief Financial Officer, at SeaChange's offices at 50 Nagog Park, Acton, Massachusetts 01720. Unless such communication is addressed to an individual director, SeaChange will forward any such communication to each of the directors.

Compensation of Directors

During the fiscal year ended January 31, 2007, directors who were employees of SeaChange received no cash compensation for their services as directors, except for reimbursement of expenses incurred in connection with attending meetings. In fiscal year 2007, SeaChange directors who are not employees of SeaChange earned a fee of \$4,000 per quarter and a fee of \$1,000 for each meeting of the Board of Directors that they attended in person or by phone and such directors were reimbursed for their reasonable out-of-pocket expenses incurred in attending such meetings. In addition, effective with the third quarter of fiscal 2007, SeaChange implemented a policy for the Lead Director to receive a cash payment of \$10,000 per quarter in consideration of service as Lead Director, for a total \$40,000 per annum. Accordingly, for fiscal 2007, Mr. Olson earned \$20,000 for his service as Lead Director in addition to earning \$30,000 for his service as a director. The Chairperson of the Audit Committee of the Board of Directors is also entitled to receive a cash payment of \$2,000 per quarter for a total payment of \$8,000 per annum in addition to earning \$30,000 for service as a director.

In accordance with the compensation policy for non-employee directors adopted by the Compensation and Option Committee in December 2005, each non-employee director is entitled to receive an annual grant of 10,000 restricted stock units in lieu of a quarterly option grant to purchase 2,500 shares of SeaChange's common stock. Accordingly, in the fiscal year ended January 31, 2007, Messrs. Hoffmann, Olson and Vona and Ms. Cotton each received 10,000 restricted stock units on January 17, 2007. These grants are made pursuant to SeaChange's 2005 Plan and vest ratably over three years, with the first tranche vesting December 1, 2007.

Report of the Audit Committee

The Audit Committee currently consists of Ms. Cotton (chair) and Messrs. Hoffmann, Olson and Vona.

The Audit Committee's primary duties and responsibilities are to:

- Appoint, compensate and retain SeaChange's independent registered public accounting firm, and oversee the work performed by the independent registered public accounting firm.
- Assist the Board of Directors in fulfilling its responsibilities by reviewing the financial reports provided by SeaChange to the SEC and SeaChange's stockholders.
- Monitor the integrity of SeaChange's financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance.
- Recommend, establish and monitor procedures designed to improve the quality and reliability of the disclosure of SeaChange's financial condition and results of operations.
- Provide an avenue of communication among the independent registered public accounting firm, management and the Board of Directors.

The Board of Directors has adopted a written charter setting out the functions the Audit Committee is to perform. A copy of this may be found on SeaChange's website at www.schange.com under the "Corporate Governance" section of the "Investor Relations" link.

Management has primary responsibility for SeaChange's consolidated financial statements and the overall reporting process, including SeaChange's system of internal controls.

The independent registered public accounting firm audits the annual consolidated financial statements prepared by management, expresses an opinion as to whether those consolidated financial statements fairly present, in all material respects, the financial position, results of operations and cash flows of SeaChange in conformity with accounting principles generally accepted in the United States of America, provides an attestation report on management's assessment of SeaChange's internal control over financial reporting in SeaChange's annual report on Form 10-K and discusses with the Audit Committee any issues the independent registered public accounting firm believes should be raised with SeaChange.

For fiscal year 2007, the Audit Committee reviewed the audited consolidated financial statements of SeaChange and met with both management and Grant Thornton LLP, SeaChange's independent registered public accounting firm, to discuss those consolidated financial statements. Management has represented to the Audit Committee that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America and that there were no material deficiencies in the design or operation of internal controls which could adversely affect SeaChange's ability to record, process, summarize and report financial data and that there was no fraud, whether or not material, that involved management or other employees who have a significant role in SeaChange's internal controls.

13

The Committee has received from and discussed with Grant Thornton LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to Grant Thornton LLP's independence from SeaChange. The Committee also discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committees Communications).

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of SeaChange be included in its Annual Report on Form 10-K for the fiscal year ended January 31, 2007. The Audit Committee also decided to retain Grant Thornton LLP as SeaChange's independent registered public accounting firm for the 2008 fiscal year.

RESPECTFULLY SUBMITTED BY THE AUDIT
COMMITTEE OF THE BOARD OF DIRECTORS

Mary Palermo Cotton (Chairman)
Thomas F. Olson
Martin R. Hoffmann
Carmine Vona

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation and Option Committee (the "Committee") of the Board has responsibility for establishing, implementing and continually monitoring adherence with SeaChange's compensation philosophy. The Committee endeavors to ensure that the total compensation paid to the named executive officers is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to the named executive officers is similar to that provided to other executive officers of SeaChange.

Throughout this proxy statement, the individuals who served as SeaChange's Chief Executive Officer and Chief Financial Officer during fiscal 2007, as well as the other individuals included in the Summary Compensation Table on page 23, are referred to as the "named executive officers."

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific semi-annual and annual financial and long-term and strategic goals, and which aligns executives' interests with those of the

stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Committee evaluates both performance and compensation to ensure that SeaChange maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Committee believes executive compensation packages provided by SeaChange to its executives, including the named executive officers, should include both cash and stock-based compensation that reward performance as measured against established goals.

Role of Executive Officers in Compensation Decisions

The Committee makes all compensation decisions for the named executive officers. The Chief Executive Officer makes recommendations of both base salary and metrics for performance-based incentive compensation for the executive officers, which recommendations are reviewed and approved by the Committee, and the Chief Executive Officer also makes recommendations of compensation based on these established metrics for executive officers, other than himself, which recommendations are reviewed and approved by the Committee. The Committee can exercise its discretion in modifying any recommended adjustments or awards to executives, and exercises this discretion in active consultation with the Chief Executive Officer.

Setting Executive Compensation

In fiscal 2007, SeaChange engaged Ben S. Cole Financial (Cole Financial) to prepare a competitive assessment of compensation practices for SeaChange's executive officers and directors. In completing this analysis, included in the list of peer companies reviewed were the following:

- Avid Technology Inc.
- C-COR Incorporated
- Concurrent Computer Corporation
- Harmonic Inc.
- Mercury Computer Systems, Inc.
- OpenTV Corp.
- Terayon Communications Systems, Inc.
- Think Partnership Inc.

Among the recommendations made in the report were, with respect to executive compensation, an increase in base salaries, as appropriate, to market and individual performance levels, a standardization of bonus opportunities to executives and a linking of performance metrics and payout opportunities to milestone achievements by SeaChange, and a continued monitoring of marketplace trends regarding long-term incentives, particularly in the continued use of restricted stock and restricted stock units. With respect to director compensation, the report recommended an increase in board and committee meeting fees to market levels and an increase in equity grants to market levels.

Fiscal 2007 Executive Compensation Components

For the fiscal year ended January 31, 2007, the principal components of compensation for named executive officers were:

- base salary;

- performance-based incentive compensation;
- change in control and termination benefits; and
- general employee welfare benefits.

Base Salary

SeaChange provides named executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Base salary ranges for named executive officers are determined for each executive based on his or her position and responsibility by using market data.

During its review of base salaries for executives, the Committee primarily considers:

- market data regarding peer companies;
- SeaChange's past operating and financial performance and future expectations;
- internal review of the executive's compensation, both individually and relative to other executive officers; and
- individual performance of the executive.

Salary levels are typically considered annually as part of SeaChange's performance review process as well as upon a promotion or other change in job responsibility. SeaChange tries to provide an allocation between base and performance-based incentive compensation that reflects market conditions and appropriately ensures alignment of individual performance with SeaChange's objectives.

Performance-Based Incentive Compensation

The Committee established performance-based incentive compensation plans for each of Messrs. Davi, Goldfarb and Styslinger and Ms. Kanouff. These plans provided for a cash base salary and eligibility for an equity and/or cash-based incentive bonus. In addition, compensation for Ms. Kanouff and Mr. Goldfarb includes sales commissions. The level of bonus payable to each of these executive officers is dependent on a number of performance factors relating to both the executive officer and to SeaChange overall, including:

- SeaChange's earnings before interest, taxes, depreciation and amortization (EBITDA);
- cash position;
- completion by the recipient of employee development objectives; and
- other specific goals, such as customer satisfaction and key account acquisitions.

The achievement of these goals at the target levels required exceptional performance from both the executive and SeaChange.

The bonuses are based on full and half-year performance with the recipient being eligible to earn a half-year bonus upon achievement of certain goals for the first six months of the fiscal year. The equity component of these plans provides for the award of restricted stock units (RSUs). Both the half and full fiscal year RSU bonus is issuable upon completion of the full fiscal year and vests in equal annual installments over three years. The first tranche of the RSU relating to half year performance vests 6 months after completion of the 2007 fiscal year and the first tranche of the RSU relating to full year performance vests at the end of the 2008 fiscal year.

Grants of the RSUs were made pursuant to SeaChange's 2005 Plan. SeaChange has made and continues to make grants of stock options and RSUs from time to time to eligible employees based upon SeaChange's overall financial performance and their contribution thereto. Stock options and restricted stock units are designed to align the interests of SeaChange's executives and other employees with those of its stockholders by encouraging them to enhance the value of SeaChange, the price of the common stock and, hence, the stockholders' return. In addition, the vesting of stock options and RSUs over a period of time is designed to defer the receipt of compensation by the recipient, creating an incentive for the person to remain with SeaChange. SeaChange does not have a program, plan or practice to select equity grant dates in connection with the release of favorable or negative news.

The Committee believes that this performance-based incentive compensation motivates the performance of critical annual performance metrics aimed at enhancing stockholder value. In addition, the equity-based component of this incentive compensation ensures additional focus by the named executive officers on stock price performance, increases executive ownership of SeaChange's stock, and enhances executive retention in a challenging business environment and competitive labor market.

In determining an allocation between equity and cash incentive-based compensation (other than with respect to incentive-based compensation in the form of sales commissions), the Committee generally seeks to have recipients earn greater value from equity awards than from cash awards. This weighting toward equity awards is done to provide incentive for future performance at the same time as rewarding prior performance. The Committee is limited, however, in the amount of equity compensation by the 2005 Plan that historically provided that no more than 25%, or 375,000 shares, of the awards made under the 2005 Plan be in the form of restricted stock, restricted stock units or other non-stock option awards. The Committee is also limited by its commitment that it would not grant equity awards in excess of two percent (2.0%) per fiscal year, subject to reasonable adjustments as may be necessary to account for unusual corporate events such as acquisitions and new hires of executive officers.

Change in Control and Termination Benefits

SeaChange has entered into change-in control severance agreements with each of its named executive officers. The change-in-control agreements are designed to provide an incentive to remain with SeaChange leading up to and following a change in control. For purposes of these agreements, a "change in control" means either:

- the members of the Board of Directors of SeaChange at the beginning of any consecutive 24- or 12-calendar month period (Incumbent Directors) ceasing for any reason other than death to constitute at least a majority of the Board, provided that any director whose election, or nomination for election, was approved by at least a majority of the members of the Board then still in office who were members of the Board at the beginning of the 24- or 12-calendar month period shall be deemed to be an Incumbent Director;

- any consolidation or merger whereby the stockholders of SeaChange immediately prior to the consolidation or merger do not, immediately after the consolidation or merger, beneficially own shares representing 50% or more of the combined voting power of the securities of the corporation (or its ultimate parent corporation) issuing cash or securities in the consolidation or merger;
- any sale or other transfer of all or substantially all of the assets of SeaChange to another entity, other than an entity of which at least 50% of the combined voting power is owned by stockholders in substantially the same proportion as their ownership of SeaChange prior to the transaction;
- any approval by the stockholders of SeaChange of a plan for liquidation or dissolution of SeaChange; or
- any corporation or other person acquiring 40% or more of the combined voting power of SeaChange.

Upon a change in control, all of the executive's unvested stock options and stock appreciation rights will automatically vest and become immediately exercisable, and any and all restricted stock and restricted stock rights then held by the executive shall fully vest and become immediately transferable free of restriction, other than those imposed by applicable law. In the event of a subsequent termination of the executive's employment for any reason, all of the stock options and stock appreciation rights then held by the executive and which were granted after the date of entering into the agreement, shall become exercisable for the lesser of (i) the remaining applicable term of the particular stock option or (ii) three years from the date of termination. If within one or two years following a Change in Control the employment of the executive is terminated (i) by SeaChange other than for specified causes, death or disability, or (ii) by the executive for specified good reason, the executive shall be entitled to the following:

- two times his or her annual base salary plus one times his or her bonus for the preceding year;
- for a period of two years, continued health, life and disability benefits;
- outplacement services for up to one year following termination;
- up to \$5,000 of financial planning services; and
- accrued vacation pay.

If all or any portion of the benefits and payments provided to the executive would constitute an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code resulting in the imposition on the executive of an excise tax, the payments and benefits will be "grossed-up" so as to place the executive in the same after-tax position as if no excise tax had been imposed.

As a condition to the receipt by the executive of any payment or benefit under the change-in-control agreement, the executive must first execute a valid, binding and irrevocable general release in favor of SeaChange and in a form reasonably acceptable to SeaChange.

General Employee Welfare Benefits

SeaChange also has various broad-based employee benefit plans. Executive officers participate in these plans on the same terms as eligible, non-executive employees, subject to

any legal limits on the amounts that may be contributed or paid to executive officers under these plans. SeaChange offers a stock purchase plan, under which employees may purchase common stock at a discount, and a 401(k) retirement plan, which permits employees to invest in a choice of mutual funds on a pre-tax basis. SeaChange also maintains medical, disability and life insurance plans and other benefit plans for its employees.

Tax and Accounting Implications

Deductibility of Executive Compensation

In general, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), SeaChange cannot deduct, for federal income tax purposes, compensation in excess of \$1,000,000 paid to certain executive officers. This deduction limitation does not apply, however, to compensation that constitutes "qualified performance-based compensation" within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder. The Committee has considered the limitations on deductions imposed by Section 162(m) of the Code, and will continue to consider such deduction limitations of Section 162(m) of the Code when structuring its executive compensation arrangements.

Nonqualified Deferred Compensation

On October 22, 2004, the American Jobs Creation Act of 2004 was signed into law, changing the tax rules applicable to nonqualified deferred compensation arrangements. While the final regulations have not become effective yet, the Company will continue to monitor these regulations in order to be in compliance should it, in the future, elect to make payments of nonqualified deferred compensation.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments in accordance with the requirements of FASB Statement 123(R).

-
- (1) Reflects a \$35,000 bonus to Mr. Bisson in accordance with his initial employment offer.
- (2) Compensation expense for restricted stock unit awards is included in the Stock Awards column. This expense represents the value of restricted stock unit awards for financial statement reporting purposes for fiscal 2007, as computed in accordance with FAS 123R, disregarding any estimates of forfeitures related to service-based vesting conditions. The amounts were calculated based on the closing prices of the common stock on the date of grant.
- (3) Compensation expense for restricted stock units and cash related to our performance-based compensation plan are included in the Stock Awards and Non-Equity Incentive Plan Compensation columns, respectively. Compensation expense is based on the payout values corresponding to the number of units earned for the fiscal 2007 performance period.
- (4) The amounts in the Option Awards column represent the 123R compensation expense, excluding an estimate of forfeitures related to service-based vesting conditions. The option awards expense was determined using the Black-Scholes option valuation model, which estimates the value of an equity award using subjective assumptions

which can vary over time. For a complete discussion of our adoption of FAS123R and the relevant assumptions we use to calculate the grant date fair value of option awards, see [Note 5, Stock-Based Compensation and Stock Incentive Plans] of the [Notes to Consolidated Financial Statements] in our fiscal 2007 Annual Report on Form 10-K.

- (5) Compensation earned pursuant to the fiscal 2007 performance-based compensation was determined by the Compensation and Option Committee pursuant to the individual plans previously established for the named executive officer.
- (6) The Stock Awards column includes compensation for restricted stock units earned by the named executive officers in connection with their fiscal 2007 performance-based incentive plan. Under this plan, Mr. Styslinger earned 6,383 restricted stock units with a related FAS 123R value of \$15,958; Mr. Bisson earned 11,165 restricted stock units with a related FAS 123R value of \$27,913; Mr. Davi earned 18,934 restricted stock units with a related FAS 123R value of \$49,990; Mr. Goldfarb earned 10,735 restricted stock units with a related FAS 123R value of \$27,373; and Ms. Kanouff earned 13,160 restricted stock units with a related FAS 123R value of \$33,435. Mr. Bisson's restricted stock unit grant will be effective upon approval of the amendment to the 2005 Plan being sought hereby. The fair value of these restricted stock units was based on the closing price of our common stock at January 31, 2007 of \$10.00. The fair value of these restricted stock units is amortized over the fiscal 2007 performance period and three year vesting period. The compensation for these stock awards is that portion of the expense that is attributable to the 2007 performance period. The compensation for Mr. Bisson also reflects the FAS 123R value of the 65,000 restricted stock units received by Mr. Bisson in accordance with his initial employment offer on March 15, 2006. The fair value of these restricted stock units is amortized over the three year vesting period. The balance of the FAS 123R expenses reflected in that column relate to the compensation expense of other equity awards made to the named executive officers, including those disclosed in the Grants of Plan-Based Award Table.
- (7) The Option Awards column in the Summary Compensation Table reflects the FAS 123R expense of awards of stock options made to the named executive officers prior to fiscal 2007. No awards of stock options were made to the named executive officers in fiscal 2007.
- (8) The Non-Equity Incentive Plan Compensation column in the Summary Compensation Table reflects the cash awards made to the named executive officers under the fiscal 2007 performance-based compensation plans. The Non-Equity Incentive Plan Compensation column also includes \$407,527 in sales commissions earned by Ms. Kanouff and \$262,053 in sales commissions earned by Mr. Goldfarb.

Grants of Plan-Based Awards

No grants were made under the fiscal year 2007 performance-based incentive plan during fiscal 2007. Awards under the fiscal year 2007 performance-based incentive plan were made on May 7, 2007, and these awards are reflected in the Summary Compensation Table above. However, SeaChange did make certain other grants to its named executive officers in fiscal 2007, as detailed below, in recognition of the executive officer's contributions to SeaChange's fiscal year 2006 operations and performance and as an incentive for future performance. As

detailed in SeaChange's 2006 proxy statement, other of SeaChange's executive officers received grants of restricted stock units in fiscal 2006 with respect to fiscal year 2006 operations and performance.

Ira Goldfarb	2/9/2006	6,000	56,940
Yvette Kanouff	2/9/2006	6,000	56,940

- (1) In addition to incentive plan-based awards, Mr. Bisson received 65,000 restricted stock units in accordance with his initial employment offer on March 15, 2006. The grant date fair value of these awards was \$494,650.

As discussed above in Compensation Discussion and Analysis, none of the named executive officers has an employment agreement with the company, and the compensation for each named executive officer is a mix of base salary and performance-based incentive compensation.

(1) All options in the table above were granted under the Company's Amended and Restated 1995 Stock Option Plan. Under this plan, one quarter of the options vest and become exercisable after one year and the balance vest and become exercisable over the next three years quarterly in equal installments. In fiscal 2006, the Company accelerated the vesting of certain unvested stock options with exercise prices equal to or greater than \$9.00 per share that were previously awarded under the Company's equity compensation plans.

(2) These columns show the number of shares of Common Stock represented by unvested restricted stock units at January 31, 2007. The vesting dates for these unvested restricted stock units are as follows:

- (1) The value realized upon exercise of stock options reflects the price at which shares acquired upon exercise of the stock options were sold or valued for income tax purposes, net of the exercise price for acquiring the shares.
- (2) The value realized upon vesting of the restricted stock units shown in the table above was calculated as the product of the closing price of a share of our common stock on the vesting date multiplied by the number of shares vested.

Pension Benefits

The Company does not offer defined benefit plans to its employees.

Nonqualified Deferred Compensation

The Company does not offer nonqualified defined contribution or other nonqualified deferred compensation plans to its employees.

Potential Payments upon Termination or Change in Control

As explained above, SeaChange has entered into change-in control severance agreements with each of its named executive officers. If within one or two years following a Change in Control the employment of a named executive officer is terminated (i) by SeaChange other than for specified causes, death or disability, or (ii) by the executive for specified good reason, the executive shall be entitled to the following:

- two times his or her annual base salary plus one times his or her bonus for the preceding year;
- for a period of two years, continued health, life and disability benefits;
- outplacement services for up to one year following termination;
- up to \$5,000 of financial planning services; and
- accrued vacation pay.

If all or any portion of the benefits and payments provided to the executive would constitute an excess parachute payment within the meaning of Section 280G of the Internal Revenue Code resulting in the imposition on the executive of an excise tax, the payments and benefits will be grossed-up so as to place the executive in the same after-tax position as if no excise tax had been imposed.

- (2) Reflects the executive's annual bonus. For executives other than Mr. Styslinger, the bonus payment is capped so that the sum of the salary and bonus payment is limited to the amount to which Mr. Styslinger is entitled.
- (3) Reflects the continuation of each named executive officer's benefits under group benefit plans consisting of medical, dental, group life and disability and outplacement and financial planning services.
- (4) Reflects the amount necessary to cover any excise taxes for excess parachute payments.
- (5) Reflects the value of all unvested stock options and restricted stock units that would vest as a result of the termination. The amounts are based on the excess of the SeaChange January 31, 2007 closing common stock price over (a) the applicable exercise price in the case of accelerated options or (b) the SeaChange closing common stock price as of the date of grant in the case of accelerated restricted stock units.

Compensation and Option Committee Report

The Compensation and Option Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation and Option Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

THE COMPENSATION AND OPTION COMMITTEE

Thomas F. Olson, Chair
 Martin R. Hoffmann
 Carmine Vona

Compensation Committee Interlocks and Insider Participation

The Compensation and Option Committee consists of Messrs. Hoffmann, Olson and Vona. No person who served as a member of the Compensation and Option Committee was, during the past fiscal year, an officer or employee of SeaChange or any of its subsidiaries, was formerly an officer of SeaChange or any of its subsidiaries, or had any relationship requiring disclosure herein. No executive officer of SeaChange served as a member of the compensation committee of another entity (or other committee of the Board of Directors performing equivalent functions or, in the absence of any such committee, the entire Board

of Directors), one of whose executive officers served as a director of SeaChange.

PROPOSAL NO. II

APPROVAL OF AMENDMENT TO THE 2005 EQUITY COMPENSATION AND INCENTIVE PLAN

At the Annual Meeting, SeaChange's stockholders will be asked to approve an amendment to the 2005 Plan that would:

- increase the total number of authorized shares under the 2005 Plan by 1,300,000 shares, so that the aggregate number of awards that may be granted under the 2005 Plan is 2,800,000 shares, and permit all of these additional shares to be used for any form of award under the 2005 Plan; and
- prohibit "liberal share counting", meaning that the number of shares available for grant under the 2005 Plan would not be increased by the tendering of shares in payment of a stock option, the withholding of shares to satisfy a tax withholding obligation, or shares repurchased with option proceeds.

The Board of Directors believes that approval of the amendment is fundamental to SeaChange's ongoing ability to recruit, retain and motivate employees, **as SeaChange currently has no further ability to make grants of restricted stock, restricted stock units or other non-stock option awards under the 2005 Plan.** As discussed below, the 2005 Plan was approved prior to effectiveness of Statement of Financial Accounting Standards No. 123 (revised 2004), "Share-Based Payment" (SFAS 123R), when the common practice was for equity awards to be in the form of stock options. Accordingly, the 2005 Plan permitted all of the awards to be in the form of stock options, while only a relatively small proportion of the awards were permitted to be granted as restricted stock, restricted stock units or other non-stock option awards. However, with the change in accounting rules, the equity compensation practices of SeaChange and many other companies have changed to shift towards an increased use of restricted stock units. **The Board of Directors believes that without a continued ability to make grants of restricted stock units, SeaChange would suffer a severe competitive disadvantage in the recruitment, retention and motivation of its employees.**

On May 22, 2007, the Board of Directors approved this amendment, subject to stockholder approval. The amendment is reflected in the Amended and Restated 2005 Equity Compensation and Incentive Plan, a copy of which is attached hereto as [Appendix A](#).

The Board of Directors unanimously recommends a vote "FOR" the approval of the proposed amendment to the 2005 Plan.

Purpose of the Plan and Reasons for Amendment

Currently, the 2005 Plan has only 416,000 shares that remain available for future awards. None of these shares may be used for the awards of restricted stock, restricted stock units or other non-stock option awards. The original 2005 Plan provided for only a limited subset of shares that may be used for these full-value awards, and SeaChange has already granted

awards using these shares.

Approval of the amendment and the flexibility to use the new shares for full-value awards is fundamental to SeaChange's ongoing ability to recruit, retain and motivate employees. **Without this amendment being approved, SeaChange would have no ability to grant full-value awards, such as restricted stock units.** With the adoption of SFAS 123R, SeaChange has shifted to primarily making equity awards in the form of restricted stock units, other than in the case of new hires which continue to typically receive stock options. This shift has been consistent with what SeaChange believes many of its competitors have done. **SeaChange would be at a significant competitive disadvantage were it not able to continue granting restricted stock units.** The Board strongly believes that the grant of restricted stock units is in the stockholder's best interests due to both the accounting implications of grants of RSUs as compared with stock options and the enhanced ability to recruit, retain and motivate SeaChange's employees.

SeaChange has dramatically reduced the number of equity awards it grants on an annual basis — commonly referred to as “burn rate” — complying with the commitment made by SeaChange at the time of initial adoption of the 2005 Plan to grant equity ownership opportunities under the 2005 Plan, including stock options and restricted stock units, in an amount not greater than two percent (2.0%) per fiscal year, subject to reasonable adjustments as may be necessary to account for unusual corporate events such as acquisitions and new hires of executive officers that may occur in the future. The amendment to increase the overall size of the 2005 Plan reflects compliance with this past commitment. SeaChange intends to continue to grant equity ownership opportunities under the 2005 Plan in an amount no greater than two percent (2%) per fiscal year, subject as before to reasonable adjustments as may be necessary to account for unusual corporate events such as acquisitions and new hires of executive officers that may occur in the future. The amendment provides that the number of shares available for grant under the 2005 Plan would not be increased by the tendering of shares in payment of a stock option, the withholding of shares to satisfy a tax withholding obligation, or shares repurchased with option proceeds.

SeaChange believes that it has a strong business model, and that in order to achieve future success, SeaChange will need to attract, retain and motivate key personnel and potential hires. The Board believes that equity-based compensation that includes restricted stock units will continue to be essential to permit SeaChange to successfully continue the pursuit of these objectives.

As discussed above, SeaChange believes that these amendments will enable SeaChange to continue to use the 2005 Plan as an effective part of the overall compensation offered by SeaChange to its employees. Without approval of this amendment, SeaChange believes that it would suffer a severe competitive disadvantage in the recruitment, retention and motivation of its employees.

Other than the limit on the total shares authorized and the shares available for non-stock option awards, the principal features of the 2005 Plan, as amended, include:

- **Three-Year Minimum Vesting Period:** Stock options, restricted stock, restricted stock units and other awards granted under the 2005 Plan may not vest more rapidly than

one-third of the total grant in any one twelve month period, subject to exceptions for new hires, disability, death and other limited circumstances.

- **No Discount Stock Options:** The 2005 Plan prohibits the grant of a stock option with an exercise price less than the fair market value of SeaChange's stock on the date of grant.
- **Maximum Seven-Year Option Term:** The 2005 Plan provides that stock options may not have a term greater than seven years.
- **No Liberal Share Counting:** The 2005 Plan does not permit the number of shares available for grant to be increased by actions such as the tendering of shares in payment of a stock option, the withholding of shares to satisfy tax withholding obligations, and shares repurchased with option proceeds.
- **No Repricing of Stock Options:** The 2005 Plan prohibits the repricing of stock options without stockholder approval.
- **Independent Committee Administration:** The 2005 Plan is administered by a committee of the Board whose members satisfy the independence requirements of Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended.
- **Material Amendments to the Plan Require Stockholder Approval:** The 2005 Plan provides that a material amendment to the Plan, such as those being sought hereby, is not effective unless approved by SeaChange's stockholders.

Summary of the 2005 Plan

The following description of the 2005 Plan is a summary only. SeaChange strongly recommends that you read the complete text of the 2005 Plan which is attached as [Appendix A](#) hereto.

The purpose of the 2005 Plan is to provide stock options and other equity ownership opportunities in SeaChange (each, an "Award") to employees, officers, directors, consultants and advisors of SeaChange and its subsidiaries, all of whom are eligible to receive Awards under the 2005 Plan. Any person to whom an Award is granted will be called a "Participant."

Administration

The 2005 Plan is administered by a committee (the "Committee") composed solely of members of SeaChange's board of directors that are "independent," as defined pursuant to Rule 10A-3(b)(1) of the Securities Exchange Act, as amended. SeaChange's Compensation and Option Committee is used to administer the 2005 Plan. The Committee has the authority to grant and amend Awards, to adopt, amend and repeal rules relating to the 2005 Plan and to interpret and correct the provisions of the 2005 Plan and any Award. The 2005 Plan also provides that authority to grant Awards to employees may be delegated to one or more officers of SeaChange.

Exercise Price

The Committee shall establish the exercise price of options (or determine the method by which the exercise price shall be determined) at the time each option is granted, provided that the minimum exercise price for an option will not be less than 100% (110% for an incentive stock option granted to a 10% or more stockholder) of the fair market value of the Common Stock on the date of grant. The exercise price, if applicable, of other stock-based Awards shall be set by the Committee.

Authorized Shares

Upon approval of the amendment, the number of shares (the "Authorized Shares") of Common Stock that may be delivered in satisfaction of Awards granted under the 2005 Plan would be 2,800,000 shares of Common Stock. As mentioned above, the amendment provides that the number of shares available for grant under the 2005 Plan would not be increased by the tendering of shares in payment of a stock option, the withholding of shares to satisfy a tax withholding obligation, or shares repurchased with option proceeds. The number of shares available for grant under the 2005 Plan would be increased, however, were there a stockholder-approved option repurchase. The Compensation and Option Committee intends to grant equity ownership opportunities, including stock options and RSUs, in an amount not greater than two percent (2.0%) per fiscal year, subject to reasonable adjustments as may be necessary to account for unusual corporate events such as acquisitions and hires of executive officers that may occur in the future. Currently, there are 416,000 shares of Common Stock that remain available for grant pursuant to the 2005 Plan. As discussed, none of these shares remain available for awards of restricted stock, restricted stock units or other non-stock option awards.

Eligibility

Employees, officers, directors, consultants and advisors of SeaChange and its subsidiaries are eligible to be granted Awards under the 2005 Plan. Under present law, however, incentive stock options within the meaning of Section 422 of the Code may only be granted to employees of SeaChange and parent or subsidiaries of SeaChange. The maximum number of shares with respect to which Awards may be granted to any participant under the 2005 Plan may not exceed 120,000 in any fiscal year, other than Awards made to a new hire. Approximately 811 persons were eligible to participate in the 2005 Plan as of January 31, 2007.

Exercise of Options

No more than one-third of the shares of Common Stock covered by an option may vest in any twelve (12) month period; provided, however, that alternative vesting may be established by the Committee in the agreement evidencing an option granted in connection with a person assuming status as a Participant and upon such person's disability, death, cessation of status as a Participant and other similar circumstances. Each option or installment may be exercised at any time or from time to time, in whole or in part, for up to the total number of shares with respect to which it is then exercisable, by delivery of a properly signed written notice of exercise to SeaChange at its principal office address or to such transfer agent as SeaChange shall designate, or by notification of SeaChange-designated third party

commercial provider. The Committee has the right to accelerate the date of exercise of any installment of any option despite the fact that such acceleration may disqualify all or part of any option as an incentive stock option.

Types of Awards

Awards under the 2005 Plan may be in the form of incentive stock options, non-qualified stock options, restricted stock, restricted stock units, and any other equity-based interests as the Committee shall determine, or any combination thereof.

Stock Options

Stock options represent the right to purchase shares of Common Stock within a specified period of time at a specified price. As detailed above, the exercise price for options will be not less than 100% (110% for an incentive stock option granted to a 10% or more stockholder) of the fair market value of Common Stock on the date of grant. The aggregate fair market value, determined on the date the option is granted, of the stock for which any person may be granted incentive stock options which become exercisable for the first time by such person in any calendar year cannot exceed the sum of \$100,000 (determined on the date such option is granted). No incentive stock option will be granted to a person who is not an "employee" as defined in the applicable provisions of the Internal Revenue Code of 1986, as amended, (the "Code"), and regulations issued thereunder. Options shall expire in seven years (five years in the case of an incentive stock option granted to a 10% or more stockholder) after the date of grant. No stock options can be granted under the 2005 Plan after July 13, 2015, but options granted before that date may be exercised thereafter.

Payment for the exercise of options under the 2005 Plan may be made by one or any combination of the following forms of payment:

- by cash or by check payable to the order of SeaChange;
- at the discretion of the Committee through delivery of shares of Common Stock having fair market value equal as of the date of exercise to the cash exercise price of the Option; or
- at the discretion of the Committee, by delivery of a sufficient amount of the proceeds from the sale of the Common Stock acquired upon exercise of the option by the optionee's broker or selling agent.

Restricted Stock, Restricted Stock Units and Other Awards

The 2005 Plan provides the flexibility to grant other forms of Awards based upon the Common Stock, having the terms and conditions established at the time of grant by the Committee. Restricted stock is Common Stock that is subject to a risk of forfeiture or other restrictions that will lapse upon satisfaction of specified conditions. Restricted stock units represent the right to receive shares of Common Stock in the future, with the right to future delivery of the shares subject to a risk of forfeiture or other restrictions that will lapse upon satisfaction of specified conditions. Upon approval of the amendment, all of the additional 1,300,000 shares being approved for issuance under the 2005 Plan may be granted as Awards of restricted stock,

restricted stock units or other non-stock option awards. The 2005 Plan also provides that no more than one-third of the shares of Common Stock covered by an Award of restricted stock, restricted stock units or other non-stock option awards may vest in any twelve (12) month period. Subject to any restrictions applicable to the award, a participant holding restricted stock, whether vested or unvested, will be entitled to enjoy all rights of a stockholder with respect to such restricted stock, including the right to receive dividends and to vote the shares.

Eligibility Under Section 162(m)

In general, under Section 162(m) of the Code, SeaChange cannot deduct, for federal income tax purposes, compensation in excess of \$1,000,000 paid to certain executive officers. This deduction limitation, however, does not apply to compensation that constitutes "qualified performance-based compensation" within the meaning of Section 162(m) of the Code and the regulations promulgated thereunder. The regulations under Section 162(m) of the Code contain a "safe harbor" that treats stock options granted at fair market value as qualified performance-based compensation (assuming certain other requirements are satisfied).

Transferability

Except as the Committee may otherwise determine or provide in an Award, Awards may be transferred only by will or by the laws of descent and distribution; provided, however, that nonstatutory stock options may be transferred pursuant to a qualified domestic relations order or to a grantor-retained annuity trust or a similar estate-planning vehicle under which the trust is bound by all provisions of the option which are applicable to the holder thereof.

Adjustment

In the event of any stock split, stock dividend, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, combination, exchange of shares, liquidation, spin-off, split-up, or other similar change in capitalization or event, the following shall be equitably adjusted:

- the number and class of securities available for Awards under the 2005 Plan and the per-participant share limit;
- the number and class of securities, vesting schedule and exercise price per share subject to each outstanding option;
- the repurchase price per security subject to repurchase; and
- the terms of each other outstanding stock-based Award shall be adjusted by SeaChange (or substituted Awards may be made) to the extent the Committee shall determine, in good faith, that such an adjustment (or substitution) is appropriate.

Treatment upon Acquisition

Unless otherwise expressly provided in the applicable Award, upon the occurrence of an acquisition of SeaChange, appropriate provision is to be made for the continuation or the assumption by the surviving or acquiring entity of all Awards. In addition to or in lieu of the foregoing, the Committee may provide that one or more Awards granted under the 2005 Plan must be exercised by a certain date or shall be terminated, or that any such Awards shall be terminated in exchange for a cash payment.

Effect of Termination, Disability or Death

The Committee determines the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a participant and the extent to which, and the period during which, the participant, or the participant's legal representative, conservator, guardian or designated beneficiary, may exercise rights under the Award, subject to applicable law and the provisions of the Code related to incentive stock options.

Amendment of Awards

The Committee may, without stockholder approval, amend, modify or terminate any outstanding Award, *provided that*, the Participant's consent to such action shall be required unless the Committee determines that the action, taking into account any related action, would not materially and adversely affect the Participant, *provided, further*, that previously-issued options may not be amended without stockholder approval to reduce the price at which such previously issued options are exercisable.

Termination of 2005 Plan; Amendments

Awards may be granted under the 2005 Plan at any time prior to July 13, 2015. The Committee may amend, suspend or terminate the 2005 Plan or any portion thereof at any time, *provided, however*, that any material amendment to the 2005 Plan will not be effective unless approved by SeaChange's stockholders. If any Award expires, or is terminated, surrendered or forfeited, in whole or in part, the unissued shares covered by such Award shall again be available for the grant of Awards under the 2005 Plan.

Federal Income Tax Consequences

Incentive Stock Options

The following general rules are applicable under current United States federal income tax law to incentive stock options (["ISOs"]) granted under SeaChange's 2005 Plan.

1. In general, no taxable income results to the optionee upon the grant of an ISO or upon the issuance of shares to him or her upon the exercise of the ISO, and no corresponding federal tax deduction is allowed to SeaChange upon either grant or exercise of an ISO.
2. If shares acquired upon exercise of an ISO are not disposed of within (i) two years following the date the option was granted or (ii) one year following the date the shares are issued to the optionee pursuant to the ISO exercise (the ["Holding Periods"]), the difference between the amount realized on any subsequent disposition of the shares and the exercise price will generally be treated as long-term capital gain or loss to the optionee.

-
3. If shares acquired upon exercise of an ISO are disposed of before the Holding Periods are met (a "Disqualifying Disposition"), then in most cases the lesser of (i) any excess of the fair market value of the shares at the time of exercise of the ISO over the exercise price or (ii) the actual gain on disposition will be treated as compensation to the optionee and will be taxed as ordinary income in the year of such disposition.
 4. In any year that an optionee recognizes ordinary income as the result of a Disqualifying Disposition, SeaChange generally should be entitled to a corresponding deduction for federal income tax purposes.
 5. Any excess of the amount realized by the optionee as the result of a Disqualifying Disposition over the sum of (i) the exercise price and (ii) the amount of ordinary income recognized under the above rules will be treated as capital gain to the optionee.
 6. Capital gain or loss recognized by an optionee upon a disposition of shares will be long-term capital gain or loss if the optionee's holding period for the shares exceeds one year.
 7. An optionee may be entitled to exercise an ISO by delivering shares of SeaChange's Common Stock to SeaChange in payment of the exercise price. If an optionee exercises an ISO in such fashion, special rules will apply.
 8. In addition to the tax consequences described above, the exercise of an ISO may result in additional tax liability to the optionee under the alternative minimum tax rules. The Code provides that an alternative minimum tax (at a maximum rate of 28%) will be applied against a taxable base which is equal to "alternative minimum taxable income" reduced by a statutory exemption. In general, the amount by which the value of the Common Stock received upon exercise of the ISO exceeds the exercise price is included in the optionee's alternative minimum taxable income. A taxpayer is required to pay the higher of his or her regular tax liability or the alternative minimum tax. A taxpayer that pays alternative minimum tax attributable to the exercise of an ISO may be entitled to a tax credit against his or her regular tax liability in later years.
 9. Special rules apply if the stock acquired is subject to vesting, or is subject to certain restrictions on resale under federal securities laws applicable to directors, officers or 10% stockholders.

Nonstatutory Stock Options

The following general rules are applicable under current federal income tax law to options that do not qualify as ISOs ("Nonstatutory Stock Options") granted under the 2005 Plan:

1. The optionee generally does not realize any taxable income upon the grant of a Nonstatutory Stock Option, and SeaChange is not allowed a federal income tax deduction by reason of such grant.
2. The optionee generally will recognize ordinary income at the time of exercise of a

Nonstatutory Stock Option in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise over the exercise price.

3. When the optionee sells the shares acquired pursuant to a Nonstatutory Stock Option, he or she generally will recognize a capital gain or loss in an amount equal to the difference between the amount realized upon the sale of the shares and his or her basis in the shares (generally, the exercise price plus the amount taxed to the optionee as ordinary income). If the optionee's holding period for the shares exceeds one year, such gain or loss will be a long-term capital gain or loss.

4. SeaChange generally should be entitled to a corresponding tax deduction for federal income tax purposes when the optionee recognizes ordinary income.

5. An optionee may be entitled to exercise a Nonstatutory Stock Option by delivering shares of SeaChange's Common Stock to SeaChange in payment of the exercise price. If an optionee exercises a Nonstatutory Stock Option in such fashion, special rules will apply.

6. Special rules apply if a Nonstatutory Stock Option has an exercise price less than the fair market value of the shares on the date of grant, or if the stock acquired is subject to vesting, or is subject to certain restrictions on resale under federal securities laws applicable to directors, officers or 10% stockholders.

Awards and Purchases

The following general rules are applicable under current federal income tax law to awards of restricted stock, restricted stock units ("Restricted Awards") or the granting of opportunities to make direct stock purchases under the 2005 Plan ("Purchases"):

1. Persons receiving Common Stock pursuant to a Restricted Award or Purchase generally will recognize ordinary income equal to the fair market value of the shares received, reduced by any purchase price paid.

2. SeaChange generally should be entitled to a corresponding deduction for federal income tax purposes when such person recognizes ordinary income. When such Common Stock is sold, the seller generally will recognize capital gain or loss equal to the difference between the amount realized upon the sale and the seller's tax basis in the Common Stock (generally, the amount that the seller paid for such stock plus the amount taxed to the Seller as ordinary income).

40

3. Special rules apply if the stock acquired pursuant to an award of stock or direct stock purchase is subject to vesting, or is subject to certain restrictions on resale under federal securities laws applicable to directors, officers or 10% stockholders.

The Board of Directors unanimously recommends a vote "For" the approval of the amendments to the 2005 Plan.

PROPOSAL NO. III

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As previously disclosed in a Current Report on Form 8-K filed with the SEC on October 18, 2006, Grant Thornton LLP currently serves as SeaChange's independent registered public accounting firm. The Board of Directors is seeking ratification of the Audit Committee's selection of Grant Thornton LLP to serve as the registered public accounting firm for the fiscal year ending January 31, 2008. Prior to October 12, 2006, PricewaterhouseCoopers LLP had served as SeaChange's independent registered public accounting firm.

Change in Independent Registered Accounting Firm

On October 12, 2006, PricewaterhouseCoopers LLP was dismissed as SeaChange's independent registered public accounting firm. The dismissal of PricewaterhouseCoopers LLP was approved by SeaChange's Audit Committee.

The reports of PricewaterhouseCoopers LLP on SeaChange's financial statements as of and for the fiscal years ended January 31, 2005 and 2006 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During SeaChange's fiscal years ended January 31, 2005 and 2006 and through October 12, 2006 there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of PricewaterhouseCoopers LLP, would have caused them to make reference to the subject matter of the disagreement in connection with their reports on the financial statements for such years. During SeaChange's fiscal years ended January 31, 2005 and 2006 and through October 12, 2006 there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

Effective as of October 17, 2006, SeaChange's Audit Committee engaged Grant Thornton LLP as its new independent registered public accounting firm to audit SeaChange's financial statements for SeaChange's fiscal year ending January 31, 2007. The decision to engage Grant Thornton LLP as SeaChange's independent registered public accounting firm was the result of a competitive selection process.

Prior to the engagement of Grant Thornton LLP, neither SeaChange nor anyone on behalf of SeaChange consulted with Grant Thornton LLP during SeaChange's fiscal years ended January 31, 2005 and 2006 and through October 12, 2006, in any manner regarding: (A) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on SeaChange's financial statements, and neither was a written report provided to SeaChange nor was oral advice provided that Grant Thornton LLP concluded was an important factor considered by SeaChange in reaching a decision as to the accounting, auditing, or financial reporting issue, or (B) the subject of either a disagreement or a reportable event, as defined in Item 304(a)(1)(iv) and (v), respectively, of Regulation S-K.

Independent Registered Public Accounting Firm for Fiscal Year 2008

The Audit Committee of the Board of Directors has selected the firm of Grant Thornton LLP, independent accountants, to serve as the registered public accounting firm for the fiscal year ending January 31, 2008.

A representative of Grant Thornton LLP is expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and is expected to be available to respond to appropriate questions.

The Board of Directors has put the ratification of the selection of Grant Thornton LLP before the stockholders because the Board believes that seeking stockholder ratification of the selection of the independent registered public accounting firm is good corporate practice. If the appointment of Grant Thornton LLP is not ratified, the Audit Committee will first review the basis for the stockholder vote and SeaChange's relationship with Grant Thornton LLP and will then take such action as it deems necessary.

The Board of Directors unanimously recommends a vote FOR ratification of the appointment of SeaChange's independent registered public accounting firm.

To date, Audit Committee pre-approval has been sought for the provision of all services by Grant Thornton LLP.

OTHER MATTERS

Expenses and Solicitation

All costs of solicitation of proxies will be borne by SeaChange. In addition to solicitations by mail, certain of SeaChange's directors, officers and regular employees, without additional remuneration, may solicit proxies by telephone, facsimile, e-mail and personal interviews. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of stock held in their names, and SeaChange will reimburse them for their reasonable out-of-pocket costs. SeaChange has retained Morrow & Co., Inc., New York, New York to assist in the solicitation of proxies at a cost estimated not to exceed \$15,000.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires SeaChange's directors, executive officers and holders of more than 10% of SeaChange's common stock (collectively, "Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of common stock of SeaChange. Such persons are required by regulations of the SEC to furnish SeaChange with copies of all such filings. Based on its review of the copies of such filings received by it with respect to the fiscal year ended January 31, 2007 and written representations from certain Reporting Persons, SeaChange believes that all Reporting Persons complied with all Section 16(a) filing requirements in the fiscal year ended January 31, 2007.

Certain Relationships and Related Transactions

SeaChange has adopted a written policy pursuant to the Amended and Restated Charter of the Audit Committee and the Charter of the Corporate Governance and Nominating Committee that all transactions between SeaChange and its officers, directors, principal stockholders and affiliates will be approved by a majority of the Board of Directors, including a majority of the independent and disinterested outside directors on the Board of Directors, and will be on terms no less favorable to SeaChange than could be obtained from unaffiliated third parties.

On September 23, 2005, SeaChange entered into an Agreement for the Sale and Purchase of Share Capital of ODG (the "Share Purchase Agreement") by and among SeaChange, Anthony William Kelly, Andrew Thomas Birchall, Judith Kelly and Michael Kelly (collectively, the "ODG Stockholders") providing for the purchase by SeaChange of the remaining 72.4% of the outstanding capital stock of On Demand Group Limited, a corporation incorporated under the laws of the United Kingdom ("ODG"), not then owned by SeaChange. Prior to that date, SeaChange had previously purchased a 27.6% interest in ODG for an aggregate of \$3,100,000. At the closing of the Share Purchase Agreement, SeaChange paid the ODG Stockholders approximately \$13,400,000 in cash, with Mr. Birchall receiving \$6,700,000 and Mr. Kelly and his immediate family receiving \$6,700,000. Mr. Kelly and Mr. Birchall became executive officers of SeaChange following the closing of the Share Purchase Agreement. The Share Purchase Agreement also provides for additional payments to be made to the ODG Stockholders based on their prior holdings of ODG capital stock both if ODG meets certain annual performance goals through the period ending January 31, 2008 and if ODG sells its interest in Filmflex. On May 10, 2006, SeaChange paid to the ODG Stockholders an aggregate of \$2,800,000 in cash pursuant to the terms of the Share Purchase Agreement and based on the performance of ODG through January 31, 2006, with Mr. Birchall receiving \$1,400,000 and Mr. Kelly and his immediate family receiving \$1,400,000.

On June 30, 2006, SeaChange and the ODG Stockholders entered into an amendment to the Share Purchase Agreement that accelerated the second earnout payment of \$2,286,416 otherwise payable in cash within seventy-five business days of January 31, 2007 under the Share Purchase Agreement. The amendment provided that the second earnout payment be satisfied as of June 30, 2006 by the issuance to the sellers of shares of SeaChange's common stock having a fair market value of \$2,286,416 as of the date of the amendment, resulting in the issuance of an aggregate of 341,360 shares of SeaChange's common stock. SeaChange entered into this amendment to support ODG's long-term operational focus and to enable SeaChange to reduce its future cash expenditures. The amounts received by Mr. Kelly and Mr. Birchall pursuant to the Share Purchase Agreement and the amendment thereto are not considered compensation and thus are not included in the Summary Compensation Table.

SEACHANGE INTERNATIONAL, INC.

AMENDED AND RESTATED 2005 EQUITY COMPENSATION AND INCENTIVE PLAN

1. Purpose and Eligibility.

The purpose of this **Amended and Restated** 2005 Equity Compensation and Incentive Plan (the "Plan") of SeaChange International, Inc. is to provide equity ownership opportunities in the Company (each an "Award") to employees, officers, directors, consultants and advisors of the Company and its Subsidiaries, all of whom are eligible to receive Awards under the Plan. Any person to whom an Award has been granted under the Plan is called a "Participant". Additional definitions are contained in Section 10.

2. Administration.

a. Administration by Committee of Independent Members of the Board of Directors. The Plan will be administered by a committee (the "Committee") composed solely of members of the Board of Directors of the Company that are "independent", as defined pursuant to Rule 10A-3(b)(1) of the Securities Exchange Act of 1934, as amended; *provided, however*, that at any time and on any one or more occasions the Board may itself exercise any of the powers and responsibilities assigned the Committee under the Plan and when so acting shall have the benefit of all of the provisions of the Plan pertaining to the Committee's exercise of its authorities hereunder. The Committee, in its sole discretion, shall have the authority to grant and amend Awards, to adopt, amend and repeal rules relating to the Plan and to interpret and correct the provisions of the Plan and any Award. All decisions by the Committee shall be final and binding on all interested persons. Neither the Company nor any member of the Committee shall be liable for any action or determination relating to the Plan.

b. Delegation to Executive Officers. To the extent permitted by applicable law, the Committee may delegate to one or more executive officers of the Company the power to grant Awards and exercise such other powers under the Plan as the Committee may determine; *provided, however*, that the Committee shall fix the maximum number of Awards to be granted and the maximum number of shares issuable to any one Participant pursuant to Awards granted by such executive officer or officers. The Committee may, by a resolution adopted by the Committee, authorize one or more officers of the Company to do one or both of the following: (i) designate employees of the Company or of any of its subsidiaries to be recipients of Awards created by the Company and (ii) determine the number of such Awards to be received by such employees; *provided, however*, that the resolution so authorizing such officer or officers shall specify the maximum number of Awards such officer or officers may so award. The Committee may not authorize an officer to designate himself or herself as a recipient of any such Awards and the Committee may not authorize an officer to grant Awards to other executive officers of the Company.

46

3. Stock Available for Awards.

a. Number of Shares. Subject to adjustment under Section 3(c), the aggregate number of shares (the "Authorized Shares") of the Company's common stock, \$0.01 par value per share (the "Common Stock") that may be issued pursuant to the Plan shall be ~~1,500,000~~ **2,800,000** shares of Common Stock; *provided, however*, that no more than ~~375,000~~ **1,675,000** of the Authorized Shares may be issued to Participants pursuant to Restricted Stock Awards, Restricted Stock Units or Awards issued pursuant to Section 7 hereof. If any Award expires, or is terminated, surrendered or forfeited, in whole or in part, the unissued Common Stock covered by such Award shall again be available for the grant of Awards under the Plan;

provided, however, that (i) shares of Common Stock tendered in payment of an Option shall not be added to the aggregate plan limit described above; (ii) shares of Common Stock withheld by the Company to satisfy any tax withholding obligation shall not be added to the aggregate plan limit described above; and (iii) shares of Common Stock that are repurchased by the Company with Option proceeds shall not be added to the aggregate plan limit described above. Shares issued under the Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

b. Per-Participant Limit. Subject to adjustment under Section 3(c), no Participant may be granted Awards during any one fiscal year to purchase more than 120,000 shares of Common Stock, other than Awards granted in connection with a Person assuming status as a Participant.

c. Adjustment to Common Stock. In the event of any stock split, stock dividend, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, combination, exchange of shares, liquidation, spin-off, split-up, or other similar change in capitalization or event, (i) the number and class of securities available for Awards under the Plan and the per-Participant share limit, (ii) the number and class of securities, vesting schedule and exercise price per share subject to each outstanding Option (as defined below), (iii) the repurchase price per security subject to repurchase, and (iv) the terms of each other outstanding stock-based Award shall be adjusted by the Company (or substituted Awards may be made) to the extent the Committee shall determine, in good faith, that such an adjustment (or substitution) is appropriate. If Section 8(e)(i) applies for any event, this Section 3(c) shall not be applicable.

d. Fractional Shares. No fractional shares shall be issued under the Plan and the Participant shall receive from the Company cash in lieu of such fractional shares.

4. Stock Options.

a. General. The Committee may grant options to purchase Common Stock (each, an Option) and determine the number of shares of Common Stock to be covered by each Option, the exercise price of each Option and the conditions and limitations applicable to the exercise of each Option and the Common Stock issued upon the exercise of each Option, including vesting provisions, repurchase provisions and restrictions relating to applicable federal or state securities laws, as it considers advisable.

47

b. Incentive Stock Options. An Option that the Committee intends to be an incentive stock option as defined in Section 422 of the Code (an Incentive Stock Option) shall be granted only to employees of the Company and shall be subject to and shall be construed consistently with the requirements of Section 422 of the Code. The Committee and the Company shall have no liability if an Option or any part thereof that is intended to be an Incentive Stock Option does not qualify as such. An Option or any part thereof that does not qualify as an Incentive Stock Option is referred to herein as a Nonstatutory Stock Option.

c. Dollar Limitation. For so long as the Code shall so provide, Options granted to any employee under the Plan (and any other plans of the Company) which are intended to constitute Incentive Stock Options shall not constitute Incentive Stock Options to the extent that such Options, in the aggregate, become exercisable for the first time in any one

calendar year for shares of Common Stock with an aggregate Fair Market Value (as defined below) of more than \$100,000 (determined as of the respective date or dates of grant). To the extent that any such Incentive Stock Options exceed the \$100,000 limitation, such Options shall be Nonstatutory Stock Options.

d. Exercise Price. The Committee shall establish the exercise price (or determine the method by which the exercise price shall be determined) at the time each Option is granted and specify the exercise price in the applicable option agreement, *provided*, that the exercise price per share specified in the agreement relating to each Option granted under the Plan shall not be less than the Fair Market Value per share of Common Stock on the date of such grant. In the case of an Incentive Stock Option to be granted to an employee owning stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company, the price per share specified in the agreement relating to such Incentive Stock Option shall not be less than one hundred ten percent (110%) of the Fair Market Value per share of Common Stock on the date of grant. For purposes of determining stock ownership under this subsection, the rules of Section 424(d) of the Code shall apply. Subject to Section 3(c), an Option may not be amended subsequent to its issuance to reduce the price at which it is exercisable unless such amendment is approved by the Company's stockholders.

e. Duration of Options. Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may specify in the applicable option agreement; *provided*, that no Option shall be exercisable for a period of time greater than seven (7) years from the date of grant of such Option; *provided, further*, that Incentive Stock Options granted to an employee owning stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company shall be exercisable for a maximum of five (5) years from the date of grant of such option. For purposes of determining stock ownership under this subsection, the rules of Section 424(d) of the Code shall apply.

f. Vesting of Options. Subject to Section 8(e) and Section 8(i), no more than one-third of the shares of Common Stock covered by an Option may vest in any twelve (12) month period; *provided, however*, that the vesting of an Option granted in connection with a person assuming status as a Participant and the vesting of an Option upon a Participant's disability, death, cessation of status as a Participant and other similar circumstances may be other than as specified in this Section 4(f) and will be provided in the agreement evidencing the Option.

48

g. Exercise of Option. Options may be exercised only by delivery to the Company at its principal office address or to such transfer agent as the Company shall designate of a written notice of exercise specifying the number of shares as to which such Option is being exercised, signed by the proper person, or by notification of the Company-designated third party commercial provider (the Third Party Commercial Provider), in accordance with the procedures approved by the Company and to which the holder of the Option shall have ongoing access by means of accessing such person's account maintained with the Third Party Commercial Provider, together with payment in full as specified in Section 4(h) for the number of shares for which the Option is exercised.

h. Payment Upon Exercise. Common Stock purchased upon the exercise of an Option shall be paid for by one or any combination of the following forms of payment:

- (i) in United States dollars in cash or by check or by fund transfer from the Option holder's account maintained with the Third Party Commercial Provider;
- (ii) at the discretion of the Committee, through delivery of shares of Common Stock having a fair market value equal as of the date of the exercise to the cash exercise price of the Option, *provided* that such shares were not acquired by the Participant in the prior six months;
- (iii) at the discretion of the Committee and consistent with applicable law, through the delivery of an assignment to the Company of a sufficient amount of the proceeds from the sale of the Common Stock acquired upon exercise of the Option and an authorization to the broker or selling agent to pay that amount to the Company, which sale shall be at the participant's direction at the time of exercise;
- (iv) at the discretion of the Committee, by any combination of (i), (ii), or (iii) above.

If the Committee exercises its discretion to permit payment of the exercise price of an Incentive Stock Option by means of the methods set forth in clauses (ii), (iii) or (iv) of the preceding sentence, such discretion shall be exercised in writing at the time of the grant of the Incentive Stock Option in question.

i. Notice to Company of Disqualifying Disposition. By accepting an Incentive Stock Option granted under the Plan, each optionee agrees to notify the Company in writing immediately after such optionee makes a disqualifying disposition of any stock acquired pursuant to the exercise of Incentive Stock Options granted under the Plan. A "disqualifying disposition" is generally any disposition occurring on or before the later of (a) the date two years following the date the Incentive Stock Option was granted or (b) the date one year following the date the Incentive Stock Option was exercised.

49

j. Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, each Option will terminate immediately prior to the consummation of such proposed action or at such other time and subject to such other conditions as shall be determined by the Committee.

k. Issuances of Securities. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares subject to Options. No adjustments shall be made for dividends paid in cash or in property other than securities of the Company.

5. Restricted Stock.

a. Grants. The Committee may grant Awards entitling recipients to acquire shares of Common Stock, subject to (i) delivery to the Company by the Participant of a check in an amount at least equal to the par value of the shares purchased, and (ii) the right of the Company to repurchase all or part of such shares at their issue price or other stated or formula price from the Participant in the event that conditions specified by the Committee in the applicable Award are not satisfied prior to the end of the applicable restriction period or periods established by the Committee for such Award (each, a Restricted Stock Award).

b. Terms and Conditions. A Participant that is the holder of a Restricted Stock Award, whether vested or unvested, shall be entitled to enjoy all stockholder rights with respect to the shares of Common Stock underlying such Restricted Stock Award, including the right to receive dividends and vote such shares. Subject to Section 5(c) hereof, the Committee shall determine all other terms and conditions of any such Restricted Stock Award. Any stock certificates issued in respect of a Restricted Stock Award shall be registered in the name of the Participant and, unless otherwise determined by the Committee, deposited by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). After the expiration of the applicable restriction periods, the Company (or such designee) shall deliver the certificates no longer subject to such restrictions to the Participant or, if the Participant has died, to the beneficiary designated by the Participant, in a manner determined by the Committee, to receive amounts due or exercise rights of the Participant in the event of the Participant's death (the Designated Beneficiary). In the absence of an effective designation by a Participant, Designated Beneficiary shall mean the Participant's estate.

c. Vesting of Restricted Stock. Subject to Section 8(e) and Section 8(i), no more than one-third of the shares covered by a Restricted Stock Award may vest in any twelve (12) month period; *provided, however*, that the vesting of a Restricted Stock Award granted in connection with a person assuming status as a Participant and the vesting of a Restricted Stock Award upon a Participant's disability, death, cessation of status as a Participant and other similar circumstances may be other than as specified in this Section 5(c) and will be provided in the agreement evidencing the Restricted Stock Award.

50

6. Restricted Stock Unit.

a. Grants. The Committee may grant Awards entitling recipients to acquire shares of Common Stock in the future, with the future delivery of the Common Stock subject to a risk of forfeiture or other restrictions that will lapse upon the satisfaction of one or more specified conditions (each, a Restricted Stock Unit).

b. Terms and Conditions. Subject to Section 6(c) hereof, the Committee shall determine the terms and conditions of any such Restricted Stock Unit. A Participant may not vote the shares represented by a Restricted Stock Unit, but a Restricted Stock Unit may provide a Participant with the right to receive dividend payments or dividend equivalent payments with respect to Common Stock subject to the Award (both before and after such Common Stock is earned or vested), which payments may be either made currently or credited to an account for the Participant, and may be settled in cash or Common Stock, as determined by the Committee. Any such settlements, any such crediting of dividends or dividend equivalents or reinvestment in shares of Common Stock, may be subject to such conditions, restrictions and contingencies as the Committee shall establish, including the reinvestment

of such credited amounts in Common Stock equivalents.

c. Vesting of Restricted Stock Unit. Subject to Section 8(e) and Section 8(i), no more than one-third of the shares covered by a Restricted Stock Unit may vest in any twelve (12) month period; *provided, however*, that the vesting of a Restricted Stock Unit granted in connection with a person assuming status as a Participant and the vesting of a Restricted Stock Unit upon a Participant's disability, death, cessation of status as a Participant and other similar circumstances may be other than as specified in this Section 6(c) and will be provided in the agreement evidencing the Restricted Stock Unit.

7. Other Stock-Based Awards.

The Committee shall have the right to grant other Awards based upon the Common Stock having such terms and conditions as the Committee may determine, including, without limitation, the grant of shares based upon certain conditions, the grant of securities convertible into Common Stock and the grant of stock appreciation rights, phantom stock awards or stock units. No more than one-third of the shares covered by an Award pursuant to this Section 7 may vest in any twelve (12) month period; *provided, however*, that the vesting of an Award pursuant to this Section 7 granted in connection with a person assuming status as a Participant and the vesting of an Award pursuant to this Section 7 upon a Participant's disability, death, cessation of status as a Participant and other similar circumstances may be other than as specified in this Section 7 and will be provided in the agreement evidencing such Award.

8. General Provisions Applicable to Awards.

a. Transferability of Awards. Except as the Committee may otherwise determine or provide in an Award, Awards shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted, either voluntarily or by operation of law, except by will or the laws of descent and distribution, and, during the life of the Participant, shall be exercisable only by the Participant, *provided, however*, that Nonstatutory Stock Options may be transferred pursuant to a qualified domestic relations order (as defined in the Code) or to a grantor-retained annuity trust or a similar estate-planning vehicle in which the trust is bound by all provisions of the Option which are applicable to the Participant. References to a Participant, to the extent relevant in the context, shall include references to authorized transferees.

b. Documentation. Each Award granted under the Plan shall be evidenced by a written Award agreement in such form as the Committee shall from time to time approve. Award agreements shall comply with the terms and conditions of the Plan and may contain such other provisions not inconsistent with the terms and conditions of the Plan as the Committee shall deem advisable. In the case of an Incentive Stock Option, the Award agreement shall contain, or refer to, such provisions relating to exercise and other matters as are required of [incentive stock options] under the Code. Award agreements may be evidenced by an electronic transmission (including an e-mail or reference to a website or other URL) sent to the Participant through the Company's normal process for communicating electronically with its employees. As a condition to receiving an Award, the Committee may require the proposed Participant to affirmatively accept the Award and agree to the terms and conditions set forth in the Award agreement by physically and/or electronically executing the

Award agreement or by otherwise physically and/or electronically acknowledging such acceptance and agreement. With or without such affirmative acceptance, however, the Committee may prescribe conditions (including the exercise or attempted exercise of any benefit conferred by the Award) under which the proposed Participant may be deemed to have accepted the Award and agreed to the terms and conditions set forth in the Award agreement.

c. Committee Discretion. The terms of each type of Award need not be identical, and the Committee need not treat Participants uniformly.

d. Termination of Status. The Committee shall determine the effect on an Award of the disability, death, retirement, authorized leave of absence or other change in the employment or other status of a Participant and the extent to which, and the period during which, the Participant, or the Participant's legal representative, conservator, guardian or Designated Beneficiary, may exercise rights under the Award, subject to applicable law and the provisions of the Code related to Incentive Stock Options.

e. Acquisition of the Company.

(i) Consequences of an Acquisition. If the Company is to be consolidated with or acquired by another entity in a merger or other reorganization in which the holders of the outstanding voting stock of the Company immediately preceding the consummation of such event, shall, immediately following such event, hold, as a group, less than a majority of the voting securities of the surviving or successor entity, or in the event of a sale of all or substantially all of the Company's assets or otherwise (each, an Acquisition), the Committee or the board of directors of any entity assuming the obligations of the Company hereunder (the Successor Committee), shall, as to outstanding Awards, either (i) make appropriate provision for the continuation of such Awards by substituting on an equitable basis for the shares then subject to such Awards either (a) the consideration payable with respect to the outstanding shares

52

of Common Stock in connection with the Acquisition, (b) shares of stock of the surviving or successor corporation or (c) such other securities as the Successor Committee deems appropriate, the fair market value of which shall not materially exceed the fair market value of the shares of Common Stock subject to such Awards immediately preceding the Acquisition; or (ii) upon written notice to the Participants, provide that all Awards must be exercised, to the extent then exercisable or to be exercisable as a result of the Acquisition, within a specified number of days of the date of such notice, at the end of which period the Awards shall terminate; or (iii) terminate all Awards in exchange for a cash payment equal to the excess of the fair market value of the shares subject to such Awards (to the extent then exercisable or to be exercisable as a result of the Acquisition) over the exercise price thereof.

(ii) Assumption of Awards Upon Certain Events. In connection with a merger or consolidation of an entity with the Company or the acquisition by the Company of property or stock of an entity, the Committee may grant Awards under the Plan in substitution for stock and stock-based awards issued by such entity or an affiliate thereof. The substitute Awards shall be granted on such terms and conditions as the Committee considers appropriate in the circumstances.

f. Withholding. Each Participant shall pay to the Company, or make provisions satisfactory to the Company for payment of, any taxes required by law to be withheld in connection with Awards to such Participant no later than the date of the event creating the tax liability. The Committee may allow Participants to satisfy such tax obligations in whole or in part by transferring shares of Common Stock, including shares retained from the Award creating the tax obligation, valued at their Fair Market Value. The Company may, to the extent permitted by law, deduct any such tax obligations from any payment of any kind otherwise due to a Participant.

g. Amendment of Awards. The Committee may amend, modify or terminate any outstanding Award including, but not limited to, substituting therefor another Award of the same or a different type, changing the date of exercise or realization, modifying the exercise price, and converting an Incentive Stock Option to a Nonstatutory Stock Option; *provided that*, except as otherwise provided in Section 8(e)(i), the Participant's consent to such action shall be required unless the Committee determines that the action, taking into account any related action, would not materially and adversely affect the Participant; *provided, further*, that subject to Section 3(c), an Option may not be amended subsequent to its issuance either to reduce the price at which such previously issued Option is exercisable or to extend the period of time for which such previously-issued Option shall be exercisable unless such amendment is approved by the Company's stockholders.

h. Conditions on Delivery of Stock. The Company will not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove restrictions from shares previously delivered under the Plan until (i) all conditions of the Award have been met or removed to the satisfaction of the Company, (ii) in the opinion of the Company's counsel, all other legal matters in connection with the issuance and delivery of such shares have been satisfied, including any applicable securities laws and any applicable stock exchange or stock market rules and regulations, (iii) the Participant has executed and delivered to the Company such representations or agreements as the Company may consider appropriate to satisfy the requirements of any applicable laws, rules or regulations, and (iv) the Participant has paid to the Company, or made provisions satisfactory to the Company for payment of, any taxes required by law to be withheld in connection with the Award.

53

(i) Acceleration. The Committee may at any time provide that any Options shall become immediately exercisable in full or in part, that any Restricted Stock Awards shall be free of some or all restrictions, or that any other stock-based Awards may become exercisable in full or in part or free of some or all restrictions or conditions, or otherwise realizable in full or in part, as the case may be, despite the fact that the foregoing actions may (i) cause the application of Sections 280G and 4999 of the Code if a change of control of the Company occurs, or (ii) disqualify all or part of the Option as an Incentive Stock Option. In the event of the acceleration of the exercisability of one or more outstanding Options, including pursuant to Section 8(e)(i), the Committee may provide, as a condition of full exercisability of any or all such Options, that the Common Stock or other substituted consideration, including cash, as to which exercisability has been accelerated shall be restricted and subject to forfeiture back to the Company at the option of the Company at the cost thereof upon termination of employment or other relationship, with the timing and other terms of the vesting of such restricted stock or other consideration being equivalent to the timing and other terms of the superseded exercise schedule of the related Option.

9. Foreign Jurisdictions.

To the extent that the Committee determines that the material terms set by the Committee or imposed by the Plan preclude the achievement of the material purposes of the Plan in jurisdictions outside the United States, the Committee will have the authority and discretion to modify those terms and provide for such additional terms and conditions as the Committee determines to be necessary, appropriate or desirable to accommodate differences in local law, policy or custom or to facilitate administration of the Plan. The Committee may adopt or approve sub-plans, appendices or supplements to, or amendments, restatements or alternative versions of, the Plan as it may consider necessary, appropriate or desirable, without thereby affecting the terms of the Plan as in effect for any other purpose. The special terms and any appendices, supplements, amendments, restatements or alternative versions, however, shall not include any provisions that are inconsistent with the terms of the Plan as then in effect, unless the Plan could have been amended to eliminate such inconsistency without further approval by the stockholders. The Committee shall also have the authority and discretion to delegate the foregoing powers to appropriate officers of the Company.

10. Miscellaneous.

a. Definitions.

(i) Company for purposes of eligibility under the Plan, shall include any present or future subsidiary corporations of SeaChange International, Inc., as defined in Section 424(f) of the Code (a Subsidiary), and any present or future parent corporation of SeaChange International, Inc., as defined in Section 424(e) of the Code. For purposes of Awards other than Incentive Stock Options, the term Company shall include any other business venture in which the Company has a direct or indirect significant interest, as determined by the Committee in its sole discretion.

54

(ii) Code means the Internal Revenue Code of 1986, as amended, and any regulations promulgated thereunder.

(iii) employee for purposes of eligibility under the Plan (but not for purposes of Section 4(b)) shall include a person to whom an offer of employment has been extended by the Company and who has actually commenced employment with the Company, whether full or part-time status.

(iv) Fair Market Value of the Company's Common Stock on any date means (i) the average (on that date) of the high and low prices of the Common Stock on the principal national securities exchange on which the Common Stock is traded, if the Common Stock is then traded on a national securities exchange; or (ii) the last reported sale price (on that date) of the Common Stock on the NASDAQ National Market, if the Common Stock is not then traded on a national securities exchange; or (iii) the average of the closing bid and asked prices last quoted (on that date) by an established quotation service for over-the-counter securities, if the Common Stock is not reported on the NASDAQ National Market; or (iv) if the Common Stock is not publicly traded, the fair market value of the Common Stock as determined by the Committee after taking into consideration all factors which it deems appropriate, including, without limitation, recent sale and offer prices of the Common Stock in private transactions negotiated at arm's length); *provided*, that, in all

events the Fair Market Value shall represent the Committee's good faith determination of the fair market value of the Common Stock. The Committee's determination shall be conclusive as to the Fair Market Value of the Common Stock.

b. No Right To Employment or Other Status. No person shall have any claim or right to be granted an Award, and the grant of an Award shall not be construed as giving a Participant the right to continued employment or any other relationship with the Company. The Company expressly reserves the right at any time to dismiss or otherwise terminate its relationship with a Participant free from any liability or claim under the Plan.

c. No Rights As Stockholder. Subject to the provisions of the applicable Award, no Participant or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed with respect to an Award until becoming the record holder thereof.

d. Effective Date and Term of Plan. The Plan shall become effective on the date on which it is approved by the stockholders of the Company (the "Effective Date"). No Awards shall be granted under the Plan after the completion of ten years from the Effective Date, but Awards previously granted may extend beyond that date.

55

e. Amendment of Plan. The Committee may amend this Plan at any time, provided that any material amendment to the Plan will not be effective unless approved by the Company's stockholders. For this purpose, a material amendment is any amendment that would (i) other than pursuant to Section 3(c), materially increase either the number of shares of Common Stock available under the Plan; the maximum number of shares of Common Stock that may be granted as Restricted Stock, Restricted Stock Units or pursuant to Section 7; or the maximum number of shares of Common Stock issuable in one fiscal year to a Participant; (ii) expand the class of persons eligible to receive awards or otherwise participate in the Plan; (iii) subject to Section 3(c), reduce the price at which a previously-issued Option is exercisable or to extend the period of time for which a previously-issued Option shall be exercisable; (iv) subject to Section 8(e) and Section 8(i), amend the minimum vesting provisions of Awards contained in Sections 4(f), 5(c), 6(c) or 7 of the Plan; or (v) require stockholder approval pursuant to the requirements of Nasdaq or any exchange on which the Company is then listed or applicable law.

f. Governing Law. The provisions of the Plan and all Awards made hereunder shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, exclusive of reference to rules and principles of conflicts of law.
