## Edgar Filing: NOVO NORDISK A S - Form 6-K

In 2004 a new long term performance based incentive programme was introduced for six members of Executive Management and Senior Management Board (twenty six in total). As the predefined overall business-related targets have been achieved 126,344 shares have been allocated to a bonus pool for 2004.

Based on the split of participants at the establishment of the bonus pool, approximately 40% of the pool will be allocated to Executive Management and 60% to the Senior Vice Presidents.

The calculation of the number of shares allocated to each executive and the transfer of such shares to the executives will be made in 2008 after the end of the three year lock up period. The employee will have to be employed at the end of the lock up period to be eligible for the share transfer from the bonus pool.
