PROXY STATEMENT

General

We are providing this proxy statement in connection with the solicitation by the Board of Directors of Ocean Bio-Chem, Inc. of proxies to be voted at our Annual Meeting of Shareholders and at any postponement or adjournment of the meeting. Our Annual Meeting will be held at 10 a.m., Eastern Daylight Time, on June 7, 2013, at our corporate offices located at 4041 S.W. 47th Avenue, Ft. Lauderdale, Florida 33314.

Our proxy materials and annual report are being made available to our shareholders on or about April 30, 2013.

Outstanding Securities and Voting Rights

Only holders of record of our common stock at the close of business on April 15, 2013, the record date, will be entitled to notice of, and to vote at, the Annual Meeting. On the record date, 8,398,385 shares of our common stock were outstanding.

Each holder of record of our common stock as of the record date is entitled to cast one vote per share. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Directors are elected by a plurality of votes cast. For purposes of the vote at the annual meeting, this means that the eight nominees with the highest number of votes will be elected. Except as noted below, under Florida law, action on a matter other than the election of directors is approved if the votes cast in favor of the proposal exceed the votes cast against the proposal. Therefore, abstentions, although counted for purposes of determining whether there is a quorum, will have no effect on the vote. In addition, where brokers are prohibited from exercising discretionary authority in voting shares for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), those shares will not be included in vote totals, but, if deemed represented for any purpose at the meeting, will be counted for purposes of determining whether there is a quorum at the meeting. With respect to the advisory vote on the frequency of the advisory vote on compensation of our named executive officers, our bylaws provide that the alternative (one year, two years or three years) that receives the greatest number of votes will be deemed to constitute the preference of our shareholders.

Proxy Voting

Shares for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted "FOR" the election of each of the eight nominees to the Board named in this proxy statement, "FOR" ratification of the appointment of Goldstein Schechter Koch P.A. as our independent registered public accounting firm, "FOR" approval, on an advisory basis, of the compensation of our named executive officers and for the approval, on an advisory basis, of an ANNUAL advisory vote on compensation of our named executive officers. You may revoke your proxy at any time prior to its use by delivering or mailing to our Corporate Secretary at the address listed above a signed notice of revocation or a later-dated signed proxy, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in itself constitute the revocation of a proxy.

Solicitation of proxies on behalf of the Board of Directors may be made by our employees through the mail, in person or by telephone. We will pay all costs of the solicitation. We also will reimburse brokerage houses and other nominees for forwarding proxy materials to beneficial owners.

PROPOSAL 1. ELECTION OF DIRECTORS

Nominees for Election and Executive Officers

At the annual meeting, eight directors are to be elected for a one-year term expiring at our 2014 annual meeting or until their successors have been duly elected or qualified. Four of our directors also are our executive officers.

The Board of Directors believes that the nominees will be able to serve as directors, if elected. If any nominee is unable to serve, proxies will be voted for the election of such other persons as the Board of Directors may recommend, unless the Board of Directors reduces the number of directors.

Peter G. Dornau is our co-founder and has served as our Chairman of the Board, President and Chief Executive Officer since 1973.

Jeffrey S. Barocas joined our company in December 2006 and has been our Vice President-Finance and Chief Financial Officer since March 2007. Prior to joining Ocean Bio-Chem, Inc., he was Chief Financial Officer of Quality Communications of Florida. He has been a director since August 2007.

Gregor M. Dornau has been our Vice President - Sales & Marketing since August 2007. He has been employed by us since 1990 and has been a director since August 2007. He is the son of Peter G. Dornau.

William W. Dudman joined our company in February 2004 as our Vice President - Operations and Secretary. Prior to joining Ocean Bio-Chem, Inc., he held various management positions within the marine industry, most recently with West Marine, Inc., from May 1999 to April 2004. He has been a director since August 2007.

Sonia B. Beard has been a director since April 2003. She has been employed by Walt Disney World since 1997, and currently holds the position of Manager of Operations Initiatives for the Walt Disney World Resort. Ms. Beard has

over 15 years of financial experience and is a Certified Public Accountant (inactive). She serves as the Chairperson of the Audit Committee and serves on the Equity Grant Committee.

Diana Mazuelos Conard has been a director since April 2012. Ms. Conard has been employed for over five years by Franklin Templeton Investments, where she has served as the Director of Global Strategic Services since February 2009. From 2005 to 2009 she was Vice President - Client Relationship Manager. Ms. Conard serves on the Audit Committee and the Equity Grant Committee.

James M. Kolisch has been a director since May 1998. Mr. Kolisch serves as Regional Executive Vice President of USI Insurance Services LLC., which sources most of our insurance needs, and its predecessor company for a period of approximately 30 years.

Messrs. Peter and Gregor Dornau, Barocas and Dudman are executive officers of our company and have intimate knowledge of, and provide valuable perspectives to the entire Board regarding, our sales, marketing, operations and finance. Ms. Beard's accounting and operations experience enables her to provide valuable insights to the Board on financial matters. Her background renders her well-qualified to lead the Audit Committee in its oversight function with respect to the integrity of our financial statements, our internal controls and other matters. Ms. Conard's background as an executive with Franklin Templeton Investments enables her to provide valuable insights to both the Board and the Audit Committee on financial matters. Mr. Kolisch's experience assisting our company in locating appropriate insurance coverage enables him to provide insights regarding risk management of our assets and operations. Mr. Turner's insurance and business experience enables him also to contribute meaningfully to the Board's risk assessments.

All directors serve until the next annual meeting of shareholders or until their successors are duly elected and qualified. Each executive officer serves at the discretion of the Board of Directors.

Your Board unanimously recommends a vote FOR each of its nominees.

CORPORATE GOVERNANCE

Board Independence

The Board of Directors has determined that each of Sonia B. Beard, Diana Mazuelos Conard and John B. Turner is an independent director within the meaning of the rules of The NASDAQ Stock Market LLC, which we refer to as "NASDAQ." In addition, the Board has determined that each of the members of the Audit Committee is also independent within the meaning of NASDAQ rules, including additional independence requirements relating to audit committee members. Because Peter G. Dornau, our President and Chief Executive Officer, indirectly owns a majority of our shares, we qualify as a "controlled company" under Nasdaq rules and, accordingly, we are exempt from requirements to have a majority of independent directors; to have compensation of executive officers determined or recommended to the Board of Directors by a majority of the independent directors or by a compensation committee consisting solely of independent directors; or to have director nominees selected by or recommended to the Board of Directors by a majority of the independent directors or by a nominations committee comprised solely of independent directors.

In light of these exemptions, and because we believe that, under the circumstances, it is appropriate for Mr. Peter Dornau to participate meaningfully in determinations regarding executive compensation and selection of nominees for election to the Board of Directors, we are of the view that it is appropriate not to have a compensation committee or a nominations committee. All directors participate in consideration of executive officer compensation and director nominations, although grants of equity awards are subject to approval of the Equity Grant Committee.

Executive Sessions of Independent Directors

Executive sessions of independent directors are held at least four times a year telephonically, and the directors meet in person when deemed appropriate.

Board Leadership Structure and Risk Oversight

Peter G. Dornau, our Chairman of the Board, also is our Chief Executive Officer. We believe that it is appropriate for Mr. Peter Dornau to serve both as our Chairman of the Board and Chief Executive Officer because, as a co-founder of our company and Chief Executive Officer for over 30 years, he is intimately familiar with our business and most capable of effectively identifying strategic priorities and leading directors' discussions on important matters relating to our business operations. We do not have a lead independent director.

The Board, principally through the Audit Committee, addresses risk oversight of Ocean Bio-Chem, Inc. through discussion with management concerning risk issues, typically during the course of Audit Committee meetings. We do not believe this process has a material effect on our leadership structure.

Board of Directors and Board Committees

The Board of Directors held one meeting during 2012. The Board encourages directors to attend our annual meeting of shareholders. All directors attended at least 75 percent of the total number of meetings of the Board and the Board committees of which the director was a member during 2012, except for Ms. Conard, who attended 67 percent of such meetings. All Board members attended the 2012 annual meeting.

Audit Committee

The members of the Audit Committee are Ms. Beard (Chairperson), Mr. Turner and Ms. Conard. The Audit Committee assists the Board in fulfilling its oversight responsibility relating to our financial statements and financial reporting process; the qualifications, independence and performance of our independent auditors; the performance of our internal controls; and our compliance with legal and regulatory requirements. The charter of the Audit Committee is available on our website at http://oceanbiochem.com/obci/images/pdf/3406_001.pdf.

The Board of Directors has determined that Ms. Beard is an "audit committee financial expert," as that term is defined in Securities and Exchange Commission regulations.

The Audit Committee met five times during 2012.

Equity Grant Committee

The members of the Equity Grant Committee are Mr. Turner (Chairperson) and Mses. Beard and Conard. The Equity Grant Committee administers our equity compensation plans. The Equity Grant Committee did not meet in 2012, but took action by unanimous written consent.

Director Nominations

Directors are not required to meet any specific or minimum qualifications or diversity criteria to be eligible for nomination. The Board attempts to identify persons who have the requisite experience and expertise to contribute meaningfully to our company.

The Board will consider shareholder recommendations of candidates for nomination to the Board of Directors. Recommendations by shareholders must be in writing, must include the full name of the proposed candidate, a brief description of the proposed candidate's business experience for at least the previous five years, and a representation that the recommending shareholder is a beneficial or record owner of our common stock. Any recommendation must also be accompanied by the written consent of the proposed candidate to be named as a nominee and serve as a director if elected. Recommendations must be delivered to the Board at the following address:

Board of Directors
Ocean Bio-Chem, Inc.
4041 SW 47th Avenue
Fort Lauderdale, Florida 33314-4023

The Board may seek additional information regarding the candidate. All potential candidates will be considered in the same manner regardless of the source of the recommendation.

Compensation Committee Interlocks and Insider Participation

We do not have a compensation committee. All of our directors, including our independent directors, Messrs. Peter and Gregor Dornau, Barocas and Dudman (executive officers of our company) participated in deliberations concerning executive officer compensation, although grants of equity awards were subject to approval of the Equity Grant Committee.

Communications with the Board

Shareholders and other interested persons may communicate with the Board of Directors by writing to: Board of Directors, c/o Corporate Secretary, Ocean Bio-Chem, Inc., 4041 S.W. 47th Avenue, Fort Lauderdale, FL 33314. In addition, shareholders and other interested parties may contact the Audit Committee to report complaints about our accounting, internal accounting controls or auditing matters by writing to: Audit Committee, c/o Corporate Secretary, Ocean Bio-Chem, Inc., 4041 S.W. 47th Avenue, Fort Lauderdale, FL 33314. Communications to the Board of Directors regarding accounting, internal accounting controls or auditing matters will be referred to the Audit Committee. You can report your concerns to the Board of Directors, the independent directors or the Audit Committee anonymously or confidentially. In the case of communications addressed to the Board of Directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Board. In the case of communications addressed to any particular director, the Corporate Secretary will send appropriate shareholder communications to such director. In the case of communications addressed to the Audit Committee, the Corporate Secretary will send appropriate shareholder communications to the Chairperson of the committee.

Code of Ethics

We have a Code of Ethics applicable to all of our officers, other employees and directors. The Code of Ethics is available on our website at <http://oceanbiochem.com/obci/code-of-ethics.html>. We intend to satisfy the disclosure requirements regarding any amendment to, or waiver from, a provision of our Code of Ethics by disclosing such matters in the "About Us" section of our website, <http://oceanbiochem.com/obci>.

Compensation of Directors

Each director who is not an employee of the Company receives fees of \$1,000 for attendance at each regular meeting of the Board of Directors or Board committee; for this purpose, all Board of Directors and Board committee meetings held on the same or on contiguous days are treated as if they constitute a single meeting. Any director may waive the receipt of the fees (Ms. Conard and Mr. Turner, who have waived all compensation, do not receive any fees).

The following table provides information regarding compensation for our non-employee directors in 2012. The table does not include amounts for reimbursement of expenses related to attending Board or Board committee meetings. The table also does not include compensation for Messrs. Peter Dornau, Gregor Dornau, Barocas and Dudman, our executive officers, whose compensation is included in the Summary Compensation Table below.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2012, as in previous years, we sold products to companies affiliated with Peter G. Dornau, our Chairman, President and Chief Executive Officer. The affiliated companies distribute the products outside of the United States and Canada. We also provide administrative services to these companies. In 2012, sales to the affiliated companies aggregated approximately \$1,487,000, and administrative fees aggregated approximately \$335,000. At December 31, 2012, we had accounts receivable from the affiliated companies of approximately \$556,000 in connection with the product sales and administrative services. Transactions with the affiliated companies were made in the ordinary course of business. While the terms of the sales to the affiliated companies differed from the terms of sale to other customers, the affiliated companies bear their own warehousing, distribution, advertising, selling and marketing costs, as well as their own freight charges (the Company pays freight charges in connection with sales to its domestic customers on all but small orders). Moreover, the Company does not pay sales commissions with respect to products sold to the affiliated companies. As a result, the Company believes its profit margins with respect to sales to the affiliated companies are similar to the profit margins it realizes with respect to sales to its larger domestic customers. Management believes that the sales transactions did not involve more than normal credit risk or present other unfavorable features.

One of our subsidiaries currently uses the services of an entity that is owned by Mr. Peter Dornau to conduct product research and development. In 2012, we paid the entity approximately \$42,000 for its services.

We lease our executive offices and warehouse facilities in Fort Lauderdale, Florida from an entity controlled by Mr. Peter Dornau. On May 1, 2008, we renewed the lease for a term of ten years. The lease requires minimum base rent of \$94,800 and provides for a maximum annual 2% increase in subsequent years, although the entity has not raised the

minimum rent since we entered into a previous lease in 1998. Additionally, the leasing entity is entitled to reimbursement of all taxes, assessments, and any other expenses that arise from ownership. Each of the parties to the lease has agreed to review the terms of the lease every three years if requested by the other party. Rent expense under the lease during 2012 was approximately \$96,000. We believe that our rental payments under the lease are below prevailing market rates.

James M. Kolisch, one of our directors, is Regional Executive Vice President of USI Insurance Services, an entity from which we source most of our insurance needs at an arm's length competitive basis. In 2012, we paid an aggregate of approximately \$600,000 in insurance premiums on policies obtained through USI Insurance Services, LLC.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board in its oversight of the integrity of Ocean Bio-Chem, Inc.'s financial statements and compliance with legal and regulatory requirements. Management has responsibility for preparing the financial statements and for the financial reporting process. In addition, management has the responsibility to assess the effectiveness of Ocean Bio-Chem, Inc.'s internal control over financial reporting. Goldstein Schechter Koch P.A., Ocean Bio-Chem, Inc.'s independent registered public accounting firm, is responsible for expressing an opinion on the conformity of Ocean Bio-Chem's audited financial statements to accounting principles generally accepted in the United States of America and on whether the financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of Ocean Bio-Chem, Inc.

In this context, the Audit Committee hereby reports as follows:

PROPOSAL 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Goldstein Schechter Koch P.A. as the independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2013. Although shareholder ratification of the appointment of our independent registered public accounting firm is not required by our bylaws or otherwise, we are submitting the selection of Goldstein Schechter Koch P.A. to our shareholders for ratification as a matter of good corporate governance practice. Even if the selection is ratified, the audit committee in its discretion may select a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of Ocean Bio-Chem, Inc. and our shareholders. If our shareholders do not ratify the audit committee's selection, the audit committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent registered public accounting firm. Representatives of Goldstein Schechter Koch P.A. are expected to be present at the annual meeting. These representatives will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Your Board unanimously recommends a vote FOR ratification of the appointment of Goldstein Schechter Koch P.A.

PROPOSAL 3. APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") enables our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. Specifically, these rules address the information we must provide in the compensation tables and related disclosures included in this proxy statement.

As indicated in the compensation tables included in this proxy statement, we have designed our compensation program to reflect the size of our operations. While we view our executive compensation to be modest, we design our compensation with a view towards retaining our executives, motivating them to devote their efforts towards profitable growth of our businesses and aligning their interests with those of our shareholders.

Accordingly, the Board recommends that our shareholders vote in favor of the following resolution:

RESOLVED, that the shareholders of Ocean Bio-Chem, Inc. approve, on an advisory basis, the compensation paid to our named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related materials disclosed in the proxy statement for the 2013 Annual Meeting.

This is an advisory vote, which means that the shareholder vote is not binding on us. Nevertheless, we value the opinions expressed by our shareholders and will carefully consider the outcome of the vote when making future compensation decisions for our named executive officers.

The Board of Directors recommends a vote FOR approval of the compensation of our named executive officers.

PROPOSAL 4. ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Dodd-Frank Act also enables our shareholders to vote, on an advisory (non-binding) basis, on how frequently they would like to cast an advisory vote on the compensation of our named executive officers. By voting on this proposal, shareholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two or three years.

The Board believes that conducting the advisory vote on executive compensation every year is appropriate for our company and our shareholders at this time. An annual advisory vote on executive compensation will enable our shareholders to provide us with their direct input on our compensation for named executive officers every year. We believe that an annual vote will best enable us to obtain shareholder views on a reasonably current basis.

The Board will carefully consider the outcome of the vote when making future decisions regarding the frequency of advisory votes on executive compensation. However, because this vote is advisory and not binding, the Board may decide that it is in the best interests of Ocean-Bio-Chem, Inc. and its shareholders to hold an advisory vote more or less frequently than the alternative that has been selected by our shareholders.

The Board of Directors recommends the approval of an ANNUAL advisory vote on the compensation of our named executive officers.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries to satisfy delivery requirements for proxy statements and annual reports to shareholders, with respect to two or more shareholders sharing the same address by delivering a single copy of the material addressed to those shareholders. This process, commonly referred to as “householding,” is designed to reduce duplicate printing and postage costs. We and some brokers may household annual reports to shareholders and proxy materials by delivering a single copy of the material to multiple shareholders sharing the same address, unless contrary instructions have been received from the affected shareholders.

If a shareholder wishes in the future to receive a separate annual report to shareholders and proxy statement, or if a shareholder received multiple copies of some or all of these materials and would prefer to receive a single copy in the future, the shareholder should submit a request to the shareholder's broker if the shares are held in a brokerage account or to our Corporate Secretary, Ocean Bio-Chem, Inc., 4041 S.W. 47th Avenue, Fort Lauderdale, FL 33314, telephone (954) 587-6280, if the shares are registered in the name of the shareholder. We will send additional copies of the relevant material following receipt of a request for additional copies.

SHAREHOLDER PROPOSALS

Shareholder proposals for inclusion in our proxy statement for the 2014 Annual Meeting must be received on or before December 27, 2013 and must comply in all other respects with applicable SEC rules.

Any shareholder who wishes to propose any business to be considered by the shareholders at the 2014 Annual Meeting of Shareholders other than a proposal for inclusion in the proxy statement pursuant to the SEC's rules, or who wants to nominate a person for election to the board of directors at that meeting, must notify our Corporate Secretary in writing and provide the specified information described in our bylaws concerning the proposed business or nominee. The notice must be delivered to or mailed to the address set forth in the preceding paragraph and received at our principal executive offices no earlier than January 8, 2014 and no later than February 7, 2014. The requirements for such notice are set forth in our bylaws, a copy of which can be obtained upon request directed to our Corporate Secretary at the address set forth in the preceding paragraph.

OTHER BUSINESS

We are not aware of any matters, other than as indicated above, that will be presented for action at the meeting. However, if any other matters properly come before the meeting, the persons named in the enclosed form of proxy intend to vote such proxy in their discretion on such matters.
