**Item 8.01. Other Events.**

As previously reported, on January 26, 2005, the Superior Court of California (the "Court") dismissed all causes of action in relation to the June 4, 2004 lawsuit brought by the State of California Insurance Commissioner (the "Commissioner") on behalf of Fremont Indemnity Company ("Fremont Indemnity") against Fremont General Corporation (the "Company") without leave to amend, except for the 7th cause of action for the alleged concealment by the Company of a potential reinsurance dispute, which was dismissed by the Court with leave to amend.

On May 2, 2005, the Commissioner filed an amended complaint with regard to the 7th cause of action on behalf of Fremont Indemnity against the Company alleging concealment and misappropriation of certain Fremont Indemnity assets including the improper utilization by the Company of certain net operating losses (the "NOLs") allegedly belonging to Fremont Indemnity. The Court, in its January 26th ruling, found that the Company had properly utilized the NOLs in accordance with the Letter Agreement of July 2, 2002, among Fremont Indemnity, the Company and the Commissioner.

The Company continues to believe that this litigation is without merit and will vigorously defend against it.
