**Item 1.01 Entry into a Material Definitive Agreement.**

On September 22, 2006, STAAR entered into an Agreement of Settlement and Mutual Release with Dr. Peter Utrata, a former director of STAAR. Under the agreement STAAR will discharge Dr. Utrata's indebtedness to STAAR under two promissory notes in consideration of the payment to STAAR of (1) \$175,000 and (2) the proceeds of the sale of shares of STAAR common stock owned by Dr. Utrata and pledged as collateral for his obligations under the promissory notes. Dr. Utrata also agreed to release STAAR from claims for certain unpaid obligations he had asserted were owed by STAAR.

A copy of the Agreement of Settlement and Mutual Release is provided with this report as Exhibit 10.63, and is incorporated herein by this reference.

**Item 8.01 Other Events.**

**Final Approval of Settlement in Class Action Lawsuit**

On September 25, 2006, the United States District Court for the Central District of California held a hearing to consider granting final approval to settlement of the class action lawsuit In re STAAR Surgical Co. Securities Litigation, No. CV 04-8007. The lawsuit generally alleged that the defendants, STAAR Surgical Company and its Chief Executive Officer, violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, as amended, and Rule 10b-5 promulgated thereunder, by issuing false and misleading statements regarding the prospects for FDA approval of STAAR's Visian ICL, thereby artificially inflating the price of the Company's Common Stock. The plaintiffs sought to recover compensatory damages, including interest. At the conclusion of the hearing, the Court found that the settlement previously negotiated to resolve the lawsuit was fair, just, reasonable and adequate and approved the settlement in all respects. The Court finally certified for settlement purposes a class comprised of purchasers of STAAR's securities between October 6, 2003 and January 5, 2004. Under the terms of the settlement, in exchange for dismissal of the lawsuit and a general release of claims and without admission of liability, STAAR previously caused payment of \$3,700,000 to be made, all but \$100,000 of which was paid by STAAR's insurance carrier. STAAR's total expenditure in connection with the lawsuit will not exceed the \$500,000 retention amount under its insurance policy, which was fully accrued as of December 30, 2005.
