**Item 8.01 Other Events.**

On November 21, 2006, the Michigan Public Service Commission (the "MPSC") issued a final order in Consumers Energy Company's gas rate case. The order authorized an increase in annual base gas revenues of \$80.8 million, which includes \$18.1 million of interim relief that was granted earlier this year. The MPSC incorporated an 11% return on equity in the determination of the overall cost of capital. Also, a \$58.1 million base rate surcharge that was approved in October 2004 was made permanent. The order is available on the MPSC website at [www.michigan.gov/mpsc](http://www.michigan.gov/mpsc).
