Item 8.01 Other Events.

We entered into a warrant clarification agreement as of January 29, 2007 with Continental Stock Transfer and Trust Company, our warrant agent, to clarify and confirm the terms of the Warrant Agreement, dated as of June 8, 2006, between us and the warrant agent. The warrant clarification agreement clarified, effective as of the date of the Warrant Agreement, consistent with the terms of the warrant agreement and the disclosure contained in our Prospectus dated June 5, 2006, that if we are unable to deliver securities pursuant to the exercise of a warrant because a registration statement under the Securities Act of 1933, as amended, with respect to the common stock is not effective, then in no event would we be obligated to pay cash or other consideration to the holders of warrants or otherwise "net-cash settle" any warrant exercise and that accordingly the warrants may expire or be redeemed unexercised and be deprived of any value.

We entered into a unit purchase option clarification agreement as of January 29, 2007 with the holders of the unit purchase options issued in connection with the Company's initial public offering. The agreement clarifies that if the Company is unable to deliver securities pursuant to the exercise of the unit purchase options or the underlying warrants because a registration statement under the Securities Act of 1933, as amended, with respect to the securities to be issued upon exercise is not effective, then in no event would the Company be obligated to pay cash or other consideration to the holders or otherwise "net-cash settle" any unit purchase option or warrant exercise and that accordingly the unit purchase options may expire, and the underlying warrants may expire or be redeemed, unexercised and may be deprived of any value.
