Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On September 23, 2009, The Hartford Financial Services Group, Inc. (the "Company") appointed Liam E. McGee as Chairman of the Board of Directors and Chief Executive Officer, effective October 1, 2009. Mr. McGee succeeds Ramani Ayer, who previously announced his intention to retire from the Company. Mr. Ayer will resign as Chairman and CEO effective October 1, 2009 and will retire on November 1, 2009. A copy of the press release relating to Mr. McGee's appointment is attached as Exhibit 99.1 to this Form 8-K.

Mr. McGee, 55, comes to the Company from Bank of America Corporation, which he joined in 1990. Most recently, Mr. McGee served as President, Bank of America Consumer and Small Business Bank, a position he held since August 2004. In that role, he operated the nation's largest retail bank, serving more than 50 million consumer households and small businesses through a distribution network that included over 6,100 branches and the nation's largest online and mobile bank. From August 2001 to August 2004, he served as President, Global Consumer Banking; from August 2000 to August 2001, he served as President, Bank of America California; and from August 1998 to August 2000, he served as President, Southern California Region.

In addition to his role as the Company's Chairman of the Board of Directors, Mr. McGee will serve on the Board's Executive Committee and Finance, Investment and Risk Management Committee.

The Company entered into a letter agreement (the "Agreement") with Mr. McGee dated September 23, 2009, regarding the terms of Mr. McGee's employment. Under the Agreement, Mr. McGee will receive an annual cash base salary of \$1,100,000. In addition, he will receive deferred units under The Hartford Deferred Stock Unit Plan at an annual rate of \$4,400,000, to be credited each regular pay period. The agreement further provides that at the time the Company makes long-term incentive awards to other employees in 2010, Mr. McGee is to receive a \$2,700,000 award in the form of restricted units under the Plan, which vest on the third anniversary of the award date and will be settled on a schedule tied to the Company's repayment of its obligations under the U.S. Department of the Treasury's Troubled Asset Relief Program ("TARP"). For years after 2010, Mr. McGee will receive long-term incentive awards as may be determined by the non-management members of the Company's board of directors in their discretion, including such performance criteria as those members may determine in consultation with the Special Master for TARP Executive Compensation. Crediting of the deferred units, and vesting and payment of the restricted units, is subject to restrictions under applicable TARP regulations. All amounts payable to Mr. McGee under the agreement are limited to the extent required by the Interim Final Rule issued by the U.S. Department of the Treasury regarding permissible compensation arrangements of TARP recipients and by other applicable law. The agreement with Mr. McGee also contains non-competition, non-solicitation and confidentiality provisions.

The foregoing summary is qualified in its entirety by reference to the Agreement, a copy of which is attached hereto as Exhibit 10.01 and incorporated herein by reference.
