Item 7.01 Regulation FD Disclosure.

On April 15, 2010, Peabody Energy Corporation ("Peabody") submitted an improved and definitive proposal to acquire a controlling interest in Macarthur Coal Limited (ASX: MCC). Under Peabody's proposal, Macarthur shareholders would receive a cash price of A\$16.00 per share valuing Macarthur at A\$4.1 billion (US\$3.8 billion). The proposal has the approval of Peabody's Board of Directors and would be implemented by way of a court-ordered scheme of arrangement on customary terms, including receipt of FIRB and other regulatory approvals. Under the proposal, Peabody is prepared to offer cash to all Macarthur shareholders and remains willing to provide any, or all, of Macarthur's three major shareholders with the opportunity to retain their economic interest in Macarthur should they so desire. Peabody's proposal is subject to a limited, confirmatory due diligence period of up to five days, primarily focused on the terms of material contracts, including potential change in control provisions. Peabody's proposal will lapse if Macarthur proceeds with the shareholder vote scheduled for April 19, 2010, or if the Gloucester/Noble Group transactions proceed. A copy of Peabody's press release is furnished as Exhibit 99.1 hereto.

Item 9.01 Financial Statements and Exhibits.
