Share Purchase Agreement

On December 13, 2011, FleetCor Technologies, Inc. ("FleetCor") issued a press release announcing that it, its wholly-owned subsidiary, FleetCor UK Acquisition Limited (the "Acquisition Sub"), and Arval UK Group Limited ("Target's Parent") had entered into an agreement for the sale and purchase of the entire issued share capital of Allstar Business Solutions Limited ("Allstar"), dated as of December 13, 2011 (the "Agreement"). Pursuant to the Agreement, and subject to the conditions contained in it, the Target's Parent sold to the Acquisition Sub all of the outstanding share capital of Allstar, which became wholly-owned by the Acquisition Sub. A copy of the press release is filed as Exhibit 99.1 attached to this Form 8-K.

Pursuant to the Agreement, FleetCor acquired all of Allstar's outstanding shares for a total payment of £194 million (approximately \$304 million US Dollars), including amounts applied at the closing to the repayment of Target's debt. The consideration for the transaction was paid using FleetCor's existing cash and credit facilities. The all-cash transaction was consummated upon entering into the Agreement.

Other than in respect of the transaction, there was no material relationship between the Target's Parent and FleetCor or any of its affiliates, or any director or officer of FleetCor, or any associate of any such director or officer.

The Agreement includes limited representations, warranties and covenants by the parties. The U.K. Office of Fair Trading is reviewing this acquisition and Acquisition Sub will comply with customary undertakings during the review process.

The Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about FleetCor, the Acquisition Sub or Allstar. The representations and warranties contained in the Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to the Agreement, and may be subject to limitations agreed upon by the contracting parties. Certain of the representations and warranties have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts. Investors are not third-party beneficiaries under the Agreement. In addition, the representations and warranties contained in the Agreement (i) are qualified by information that the parties have exchanged, (ii) were made only as of the date of the Agreement or a prior, specified date, and (iii) in some cases are subject to qualifications with respect to materiality, knowledge and/or other matters, including standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in FleetCor's public disclosures. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts or condition of FleetCor or Allstar or any of their respective subsidiaries or affiliates.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

The disclosures in Item 1.01 are incorporated into this Item 2.01 by reference.

**Item 7.01 Regulation FD Disclosure.**

A copy of the press release is furnished as Exhibit 99.1 attached to this Form 8-K and incorporated into this Item 7.01 by reference.
