**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 12, 2015, the Compensation Committee of the Board of Directors of Pendrell Corporation (the "Company") adopted the 2015 Incentive Plan (the "2015 Plan"), in which the Company's executive officers are eligible to participate. The 2015 Plan is an incentive award plan designed to enhance shareholder value by promoting a strong connection between employee contributions and the Company's financial performance, encourage and support achievement of the business objectives of the Company, and promote retention of Company employees. The 2015 Plan provides for cash and/or stock incentive awards, calculated as a percentage of base salary, based upon the achievement of specified Company financial targets and individual performance objectives.

The performance bonus target for Steve Ednie, our Chief Financial Officer, under the 2015 Plan is 53.5% of base salary, with the expectation that the maximum bonus amount will be 76.4% of base salary if Company financial results substantially exceed target levels and individual performance substantially exceeds expectations. Mr. Ednie's actual incentive award will be derived from three components: (i) achievement of overall Company revenue, expense and AEBITDA budget projections, which drives 76.5% of the incentive award calculation, (ii) achievement of profit and loss objectives for the officer's cost center(s), which drives 8.5% of the incentive award calculation, and (iii) individual performance, which drives the remaining 15% of the incentive award calculation. The Compensation Committee retains the discretion to adjust the incentive award calculation.
