Item 8.01 Other Events.

On September 1, 2015, John C. Hellmann, President and Chief Executive Officer of Genesee & Wyoming Inc. (the "Company"), adopted a pre-arranged trading plan (the "Plan") designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and the Company's policies regarding stock transactions and stock ownership guidelines. Rule 10b5-1 permits the implementation of a written plan for selling stock at times when insiders are not in possession of material nonpublic information, and allows them to sell stock on a regular basis and in a non-discretionary manner, regardless of any subsequent material nonpublic information they receive.

The Plan relates to 116,307 stock options that expire from February 2016 through November 2017. Under the terms of the Plan, only the number of shares of Company common stock will be sold as is necessary to fund the strike price and tax-related liabilities associated with the transactions. The remainder of the shares will be held by Mr. Hellmann. The sales period begins on February 22, 2016 and terminates on November 29, 2017. The requisite shares of Company common stock sold under the Plan will be sold on the open market at prevailing market prices, subject to the minimum price thresholds set forth in the Plan.

As of August 31, 2015, Mr. Hellmann beneficially owned approximately 568,989 shares of the Company's Class A Common Stock and 1,872 shares of the Company's Class B common stock.

All sales of Company common stock pursuant to the Plan will be reported through Form 144 and Form 4 filings with the Securities and Exchange Commission.
