Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On November 5, 2015, Pendrell Corporation (the "Company") received written notice from the Listing Qualifications Department of the Nasdaq Stock Market LLC ("Nasdaq") stating that the Company is not currently in compliance with Nasdaq Listing Rule 5450(a)(1), which requires listed securities to maintain a minimum bid price of at least \$1.00. Based on the closing bid price of the Company's Class A common stock for the 30 consecutive business days from September 24, 2015 to November 4, 2015, the Company does not currently meet the minimum bid price requirement.

The notification does not result in the immediate delisting of the Company's Class A common stock. The Class A common stock will continue to trade on the Nasdaq Global Market.

Nasdaq has provided the Company a 180 calendar day period, or until May 3, 2016, to regain compliance with the minimum bid price requirement. To regain compliance, the Company's Class A common stock must maintain a closing bid price of at least \$1.00 per share for a minimum of ten consecutive business days during the 180-day compliance period.

The Company intends to monitor the closing bid price of its Class A common stock and implement procedures to regain compliance with Nasdaq requirements if the closing bid price of the Class A common stock remains below \$1.00 per share.
