### **Rite Aid Corporation**

#### ***RA Enterprise***

We acquired the RA Enterprise Property, which is an approximately 14,564 square foot single-tenant retail building, on January 26, 2006. The RA Enterprise Property was constructed in 2005 on an approximately 2.15 acre site located in Enterprise, Alabama. The RA Enterprise Property is 100% leased to Harco, Inc., a wholly-owned subsidiary of Rite Aid Corporation ( Rite Aid ), which guarantees the lease. Pursuant to the lease the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.

The purchase price of the RA Enterprise Property was approximately \$3.7 million, exclusive of closing costs. The acquisition was funded by net proceeds from the Company's ongoing public offering and an approximately \$2.9 million loan secured by the RA Enterprise Property.

#### ***RA Wauseon***

We acquired the RA Wauseon Property, which is an approximately 14,564 square foot single-tenant retail building, on January 26, 2006. The RA Wauseon Property was constructed in 2005 on an approximately 2.09 acre site located in Wauseon, Ohio. ## Edgar Filing: Cole Credit Property Trust II Inc - Form 8-K/A

Rite Aid operates over 3,300 drugstores in 29 states and Washington, DC. Rite Aid has a Standard and Poor's credit rating of B+ and its stock is publicly traded on the New York Stock Exchange under the symbol RAD .

Because the RA Enterprise Property, RA Wauseon Property and RA Saco Property are each leased to a single tenant on a long-term basis under a net lease that transfers substantially all of the operating costs to the tenant, we believe that the financial condition and results of operations of the lease guarantor, Rite Aid, may be more relevant to investors than the financial statements of the properties acquired. As a result, pursuant to guidance provided by the Securities and Exchange Commission ( SEC ), we have not provided audited financial statements of the properties acquired.

Rite Aid currently files its financial statements in reports filed with the SEC, and the following summary financial data regarding Rite Aid has been taken from its previously filed public reports:

**ST Crossville Property**

**Notes to the Statement of Revenues and Certain Operating Expenses**

**For the Year Ended December 31, 2005**

**1. Basis of Presentation**

On January 26, 2006, Cole Credit Property Trust II, Inc. (the Company) acquired a single-tenant retail building containing approximately 23,942 rentable square feet located on an approximately 2.31 acre site in Crossville, Tennessee (the ST Crossville Property). The ST Crossville Property is 100% leased to Staples the Office Superstore East, Inc. (Staples East), a wholly-owned subsidiary of Staples, Inc. (Staples), subject to a net lease.

The statement of revenues and certain operating expenses (the Historical Summary) has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the SEC), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. This Historical Summary includes the historical revenues and certain operating expenses of the ST Crossville Property, exclusive of items which may not be comparable to the proposed future operations of ST Crossville Property. Material amounts that would not be directly attributable to future operating results of the ST Crossville Property are excluded, and the Historical Summary is not intended to be a complete presentation of the ST Crossville Property's revenues and expenses. Items excluded consist of management fees, depreciation and interest expense.

**2. Significant Accounting Policies**

*Revenue Recognition*

The lease is accounted for as an operating lease and minimum rental income is recognized on a straight-line basis over the remaining term of the lease.

*Repairs and Maintenance*

Expenditures for repairs and maintenance are expensed as incurred.

*Use of Estimates*

## Edgar Filing: Cole Credit Property Trust II Inc - Form 8-K/A

The preparation of historical summaries in conformity with generally accepted accounting principles requires the Company's management to make estimates and assumptions that affect the reported amounts of revenues and certain operating expenses during the reporting period. Actual results could differ from those estimates.

### 3. Lease

The aggregate annual minimum future rental payments on the non-cancelable operating lease in effect as of December 31, 2005 are as follows:

<b>Year ending December 31:</b>	
2006	\$ 221,464
2007	221,464
2008	221,464
2009	221,464
2010	221,464
Thereafter	1,218,052
Total	\$ 2,325,372

---

#### **4. Tenant Concentration**

For the year ended December 31, 2005, Staples East accounted for 100% of the annual rental income for the ST Crossville Property. The lease with Staples East expires on June 30, 2016. If Staples East were to default on its lease, future revenue of the ST Crossville Property would be materially and adversely impacted.

#### **5. Commitments and Contingencies**

##### *Litigation*

The ST Crossville Property may be subject to legal claims in the ordinary course of business as a property owner. The Company believes that the ultimate settlement of any potential claims will not have a material impact on the ST Crossville Property's results of operations.

##### *Environmental Matters*

In connection with the ownership and operation of real estate, the ST Crossville Property may be potentially liable for costs and damages related to environmental matters. The ST Crossville Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and the Company is not aware of any other environmental condition that it believes will have a material adverse effect on the ST Crossville Property's results of operations.

As such, the interest expense for the year ended December 31, 2005 includes only 90 days of interest expense relating to the variable rate tranches as they are scheduled to be paid down 90 days after the acquisition of the respective properties.

- k. Represents a pro forma adjustment to the weighted average common shares outstanding to reflect all shares outstanding on December 31, 2005 as though they were issued on January 1, 2005. As the Company had insufficient capital at January 1, 2005 to acquire the respective properties which are included in the pro forma results of operations, it is necessary to assume all of the shares outstanding as of December 31, 2005 were outstanding on January 1, 2005. Each of the respective properties was acquired prior to December 31, 2005 and is included in the Company's consolidated balance sheet as of December 31, 2005.
- l. Reflects the additional 263,581 shares of common stock required to be issued by the Company subsequent to December 31, 2005 in order to fund the acquisition of the respective properties. The shares are assumed to be issued at \$10.00 per share less commissions, dealer manager fees and organizational costs of \$0.70, \$0.15 and \$0.15 per share, respectively. The weighted average shares required to be issued was calculated assuming all of the shares were issued on January 1, 2005.
