Item 8.01. Other Events.

On July 28, 2014, the Company issued a press release announcing that it will be opening a new distribution center in Glenwillow, Ohio. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

From this new division, the company expects to service approximately 1,000 new stores and to transfer an additional 1,000 existing stores from other Core-Mark divisions by the end of the first quarter in 2015. This transfer is expected to result in transportation cost savings as the company reduces mileage to service customers in the region. Start-up costs are expected to be approximately \$1.5 million, and capital expenditures are expected to be approximately \$16 million. As a result of this new distribution center, Core-Mark's management now expects total capital expenditures to be approximately \$50 million for 2014.
