PROPOSAL NO. 1

ELECTION OF DIRECTORS

At the annual meeting, eight nominees will be elected as directors. Our board of directors currently consists of eight members, all of whom are standing for re-election at the annual meeting. The directors elected at the annual meeting will serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualified.

Our board of directors, based on the recommendation of the Nominating and Corporate Governance Committee, has nominated each of Robert F.X. Sillerman, Janet Scardino, Benjamin Chen, Peter C. Horan, John D. Miller, Mitchell J. Nelson, Joseph F. Rascoff and Harriet Seitler to stand for re-election at the annual meeting.

When analyzing whether directors and nominees have the experience, qualifications, attributes and skills, individually and taken as a whole, the Nominating and Corporate Governance Committee and the Board of Directors focus on the information as summarized in each of the directors' individual biographies set forth on pages 7 and 8 in this Information Statement. In particular, the Board of Directors selected Mr. Sillerman to serve as a director because he is our Company's Executive Chairman and believes he possesses significant entertainment and financial expertise, which will benefit our company. The Board selected Ms. Scardino as a director because she is the Company's CEO and possesses significant media and entertainment experience, which will benefit the Company. Mr. Chen was selected as a director because it believes his experience in technology and startup businesses will benefit the Company. Mr. Horan was selected as a director because the Board of Directors believes that his technology, internet and advertising experience will benefit the Company. The Board of Directors believes that Mr. Miller's venture capital and financial experience will benefit the Company, and have selected him as a director for that reason. The Board has selected Mr. Nelson as a director because it believes his legal and business experience will benefit the Company. The Board of Directors believes that Mr. Rascoff's business and entertainment experience and financial expertise will benefit the Company and, therefore, has selected him as a director. The Board of Directors selected Ms. Seitler as a director because it believes that her experience in TV and digital media, sponsorships and marketing will benefit the Company.

These director nominees will be voted upon by the holders of our common stock at the annual meeting.

We expect each of the eight director nominees to be able to serve if elected. If any nominee is not able to serve, ballots will be counted to determine the election of the remainder of those nominated.

Each director nominee so elected at the annual meeting will hold office until the next annual meeting of stockholders and until his or her successor is duly elected and qualified.

Vote Required and Recommendation of Our Board of Directors

The affirmative vote of a plurality of the votes cast at the annual meeting is required for the election of each of the eight director nominees. You may vote "for" or "against" one or more director nominees or you may "abstain" as to one or more director nominees. A properly executed ballot marked "abstain" as to the election of one or more director nominees will not be counted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors.

Our board of directors unanimously recommends that you vote "FOR" the election of each of the director nominees named above.

Potential Payments upon Termination without Cause or Change-in-Control

The following disclosure is for our Executive Chairman, Mr. Sillerman.

Upon a (i) termination by our Company without “cause” or (ii) a “constructive termination without cause” the employment agreement for Mr. Sillerman provides for the following benefits: (a) payments equal to (x) the cash equivalent of three years’ base salary at the rate in effect on the date of termination (or immediately prior to a constructive termination due to salary reduction) and (y) three times the average of all cash and equity bonuses paid during the three years prior to the termination, or if no annual bonuses were paid, a payment in the amount of \$100,000 per year for each year a cash bonus was not paid and \$100,000 per year for each year an equity grant was not made, (b) continued eligibility to participate in any benefit plans of our Company for one year, plus (c) accelerated vesting of any stock options, restricted stock or other equity based instruments previously issued to the executive officer. Additionally, upon termination by our company for a “change of control”, Mr. Sillerman will receive the benefits set forth in (a), (b), and (c) above, plus all options to purchase the Company’s capital stock shall remain exercisable for the full maximum term of the original option grant or ten years from the closing of the change of control transaction, whichever is greater. As a result, Mr. Sillerman would receive benefits valued at \$48,875,000 if a change of control were to occur as of June 30, 2011. In addition, in the event that the aggregate of such payments would constitute a “parachute payment” under the rules set forth in Section 280G of the Internal Revenue Code of 1986, then the Company shall also pay Mr. Sillerman a gross-up payment such that after the imposition of Federal, State and local income taxes, Mr. Sillerman would be entitled to retain the foregoing amount. Such additional amount is \$15,498,000.

The following disclosure is for our Chief Executive Officer, Ms. Scardino.

Upon a (i) termination by our Company without “cause” or (ii) a “constructive termination without cause” or (iii) a “change of control”, the employment agreement for Ms. Scardino provides for the following benefits: (a) payments equal to (x) the cash equivalent of six months’ base salary at the rate in effect on the date of termination (or immediately prior to a constructive termination due to salary reduction) and (y) a pro-rated annual cash bonus based on the annual cash bonus paid to Ms. Scardino for the immediately preceding employment year or \$125,000, whichever is greater, (b) continued eligibility to participate in any benefit plans of our Company for one year, plus (c) accelerated vesting of any stock options, restricted stock or other equity based instruments previously issued to the executive officer. However, in the event that any amount payable to Ms. Scardino upon a “change of control” would be nondeductible by the Company under the rules set forth in Section 280G of the Internal Revenue Code of 1986, then the amount payable to Ms. Scardino shall be reduced to the maximum amount that would be payable but which would remain deductible under Section 280G of the IRC. If a change of control were to occur as of June 30, 2011, Ms. Scardino would receive \$13,975.

The following disclosure is for our Chief Marketing Officer, Mr. Stephenson.

Upon a (i) termination by our Company without “cause” or (ii) a “constructive termination without cause” or (iii) a “change of control”, the employment agreement for Mr. Stephenson provides for the following benefits: (a) payments equal to (x) the cash equivalent of six months’ base salary at the rate in effect on the date of termination (or immediately prior to a constructive termination due to salary reduction) and (y) a pro-rated annual cash bonus based on the annual cash bonus paid to Mr. Stephenson for the immediately preceding employment year or \$100,000, whichever is greater, (b) continued eligibility to participate in any benefit plans of our Company for one year, (c) accelerated vesting of any stock options, restricted stock or other equity based instruments previously issued to the executive officer, plus (d) a \$75,000 relocation allowance. However, in the event that any amount payable to Mr. Stephenson upon a “change of control” would be nondeductible by the Company under the rules set forth in Section 280G of the Internal Revenue Code of 1986, then the amount payable to Mr. Stephenson shall be reduced to the maximum amount that would be payable but which would remain deductible under Section 280G of the IRC. If a change of control were to occur as of

June 30, 2011, Mr. Stephenson would receive \$5,303,000.

The approximate amount that would be due to the estate of Ms. Scardino in the event of her death as of June 30, 2011 would be \$14,225,000.

The employment agreements of Mr. Stephenson provides for : (a) payments equal to (x) the cash equivalent of one year's base salary at the rate in effect on the date of termination (for death; for disability, the executive officer would receive payments equal to 75% of one year's base salary from the date of disability to the end of the term, reduced by the disability insurance policy benefits) and (y) a pro-rated annual cash bonus based on the annual cash bonus paid to the executive officer for the immediately preceding employment year or \$100,000, whichever is greater, (b) continued eligibility to participate in any benefit plans of our Company for one year, plus (c) accelerated vesting of any stock options, restricted stock or other equity based instruments previously issued to the executive officer (if disability occurs after the end of the first Employment Year, all stock options vest). The approximate amount that would be due to the estate of Mr. Stephenson in the event of his death as of June 30, 2011 would be \$5,503,000.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

(amounts in thousands except share and per share data)

There are a number of conflicts of interest of which stockholders should be aware regarding our ownership and operations.

Set forth below a list of related parties with whom we have engaged in one or more transactions as well as a summary of each transaction involving such related parties.

Related Parties

Robert F.X. Sillerman, our Executive Chairman, is the Chairman and Chief Executive of Circle Entertainment Inc. ("Circle"), a publicly traded company.

Mitchell J. Nelson, our Executive Vice President, General Counsel, and Secretary, serves in the same capacity for Circle.

There are a number of conflicts of interest of which stockholders should be aware regarding our ownership and operations. Set forth below is a list of related parties with whom we have engaged in one or more transactions as well as a summary of each transaction involving such related parties.

Asset Contribution Agreement

At the closing of the Recapitalization, the Company entered into an Asset Contribution Agreement with Sillerman Investment Corporation, a Delaware corporation ("SIC"), an affiliate of Robert F.X. Sillerman our Executive Chairman, whereby SIC assigned certain intellectual property assets used in its business to the Company in exchange for an agreement by the Company to reimburse SIC for expenses incurred in connection with the development of such intellectual property assets and its related business, whenever incurred, at or after the closing, in an aggregate amount not to exceed \$2,000. Pursuant thereto, \$1,312 was reimbursed and charged to general and administrative expense in the fiscal year. This total amount was expensed since the reimbursement related to business operating expenses and expenses related to the development of the Company's product which were incurred during the preliminary stages of product development and are to be expensed under the guidance of ASC 350-40. Because such transaction was subject to certain rules regarding "affiliated" transactions, the Audit Committee and a majority of the independent members of the Board of Directors approved such reimbursement.

Recapitalization Notes and Expenses

In connection with the Recapitalization, Robert F.X. Sillerman (and his spouse and entities controlled by him), and Mitchell Nelson, each executive officers of the Company, executed promissory notes in accordance with their subscription agreements for the payment of the purchase price of the shares, in the amounts of \$3,242 and \$10, respectively. Each note is an unsecured five-year note with interest accruing at the annual rate equal to the long-term Applicable Federal Rate in effect as of the date of the Recapitalization Agreement (which was 4.15% per annum). Mr. Nelson satisfied his note on April 1, 2011. The notes are due five years after issuance, with interest accrued at the rate of 4.15% per annum, and have been presented as a reduction of the related paid in capital in our financial statements. Interest income recorded on these notes in the year ended June 30, 2011 is \$49.

In addition, Sillerman Investment Company, LLC was relieved of the obligation to pay \$200 in connection with the initial structure of the Recapitalization to J. Howard, Inc. as reimbursement of advances made by J. Howard, Inc. to the Company to support its daily obligations since 2007. The obligation arose from the initial proposal that investors

would invest directly in Sillerman Investment Company, LLC prior to the Recapitalization. When the structure of the Recapitalization changed, resulting in investments directly in the Company in connection with the Recapitalization, the obligation to pay J. Howard, Inc. became the obligation of the Company. Because such transaction involved a related party, the Audit Committee of the Company's Board of Directors approved and the independent members of the Board ratified the payment of the obligation by the Company.

Shared Services Agreements

In an effort to economize on costs and be efficient in its use of resources, the Company entered into a shared services agreement with Circle Entertainment Inc. (“Circle”) as of February 15, 2011, pursuant to which it shares costs for legal and administrative services in support of Mitchell J. Nelson, its General Counsel and General Counsel to Circle. The shared services agreement provides, in general, for sharing on a 50/50 basis of the applicable support provided by either company to Mr. Nelson in connection with his capacity as General Counsel, and an allocation generally based on the services provided by Mr. Nelson, which are initially estimated to be divided evenly between the companies. The Company is responsible for advancing the salary to Mr. Nelson for both companies and will be reimbursed by Circle for such salary and benefits (but not for any bonus, option or restricted share grant made by either company, which will be the responsibility of the company making such bonus, option or restricted share grant). The agreement provides for the Chief Executive Officer or President of each Company to meet periodically to assess whether the services have been satisfactorily performed and to discuss whether the allocation has been fair. The Audit Committee of each company’s Board of Directors will then review and, if appropriate, approve the allocations made and whether payments need to be adjusted or reimbursed, depending on the circumstances. Because this transaction is subject to certain rules regarding “affiliate” transactions, the Audit Committee and a majority of the independent members of the Company’s Board of Directors have approved the shared services agreement. This is deemed to be an affiliate transaction because Mr. Sillerman is Chairman and Mr. Nelson is Executive Vice President and General Counsel of Circle. For the fiscal year ended June 30, 2011, the Company incurred and billed Circle \$107 for support, consisting primarily of legal and administrative services. These services provided were approved by Circle’s Audit Committee and the Company’s Audit Committee and the related fees were paid (\$25 was paid after June 30, 2011).

In addition, certain of the Company’s accounting personnel may provide personal accounting services to our Executive Chairman, Robert F.X. Sillerman. To the extent such services are rendered, Mr. Sillerman shall reimburse the Company therefor. The reimbursement for any such services shall be reviewed by the Company’s Audit Committee. For the fiscal year ended June 30, 2011, \$18 was incurred and paid by Mr. Sillerman for such services (\$4 was paid after June 30, 2011).

Private Placement

On August 25, 2011, the Company completed the placement of 14,000,000 units (the “Units”), each Unit consisting of (i) one (1) share of common stock, \$0.001 par value per share of the Company and (ii) one (1) detachable three (3) year warrant to purchase one (1) share of common stock of the Company with an exercise price of \$4.00 per warrant share, at a purchase price of \$2.50 per Unit, for an aggregate purchase price of \$35,000 to accredited and institutional investors. The Units issued in such placement were exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to an exemption from registration for transactions not involving a public offering under Section 4(2) of the Securities Act, and the safe harbors for sales under Section 4(2) provided by Regulation D promulgated pursuant to the Securities Act. Transfer of the shares was restricted by the Company in accordance with the requirements of the Securities Act. Sillerman Investment Company, LLC purchased \$11,376 worth of Units in the placement.

Net Jets

The Company executed an agreement with NetJets to bundle a 3.125% fractional share of a G-IV jet owned by Mr. Sillerman with a value of \$336 with a new 6.25% fractional share of a G-IV jet which was purchased from NetJets by the Company. The purchase price for the 6.25% interest was \$1,175, payable \$235 upon signing and the balance of \$940 financed with interest at 6% per annum, monthly payments of \$9 and, a five-year balloon of \$661. Monthly management fees (aggregate for both shares) are approximately \$26. Based on the anticipated travel schedule for Mr.

Sillerman and the anticipated residual value of the plane at the end of the five-year period of usage, the Company is expected to realize cost savings. The Company's Audit Committee approved entering into this related party transaction and on June 17, 2011, the independent members of the Company's Board of Directors approved the transaction. The Company accounted for the transaction by recording the interests as investment assets and the related debt amount to NetJets.

Board Decisions and Certain Conflicts of Interest

Past and future decisions by our board regarding our future growth, operations and major corporate decisions will be subject to certain possible conflicts of interest. These conflicts may have caused, and in the future may cause, our business to be adversely affected. Nevertheless, our board will be responsible for making decisions on our behalf. In appropriate circumstances, we expect to submit transactions with any related party for approval or negotiation by our independent directors or a special committee thereof.

The Audit Committee oversees our financial reporting process on behalf of the board of directors. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited consolidated financial statements in the Annual Report on Form 10-K for the fiscal year ended June 30, 2011 with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from BDO USA, LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with BDO USA, LLP its independence.

Based on the considerations and discussions referred to above, the Audit Committee recommended to our board of directors (and the board approved) that the audited consolidated financial statements for our fiscal year ended June 30, 2011 be included in our Annual Report on Form 10-K for the year ended June 30, 2011, as filed with the Securities and Exchange Commission. Before engaging the independent registered public accounting firm to render a service, the engagement must be either specifically approved by the Audit Committee, or entered into pursuant to the pre-approval policy. Pre-approval authority may be delegated to one or more members of the Audit Committee.
