## Section 1 Registrant's Business and Operations

### Item 1.01 Entry into a Material Definitive Agreement.

On March 3, 2008, Westwood One, Inc. (the Company) closed on the arrangements contemplated by the Master Agreement (the Master Agreement), dated as of October 2, 2007 between the Company and CBS Radio Inc. (CBS Radio). As part of the Closing, the Company entered into the following agreements in substantially the form set forth as exhibits to the Master Agreement: (1) Amended and Restated News Programming Agreement, (2) Amended and Restated Trademark License Agreement, (3) Amended and Restated Technical Services Agreement, (4) Mutual General Release and Covenant Not to Sue, (5) Registration Rights Agreement, (6) Lease for 524 W. 57th Street, (7) Lease for 2020 M Street, (8) Sublease for 2000 M Street, (9) Westwood One Affiliation Agreements for certain CBS Radio owned and operated stations (CBS Stations) and (10) Metro Networks Affiliation Agreements for CBS Stations (documents 1-10, the New Transaction Documents). The Metro Networks Affiliation Agreements include the following forms as exhibits: (x) the News Network Affiliate Agreements for certain CBS Stations; (y) the Metro Source Network Radio Affiliate Agreements for certain CBS Stations; and (z) the Traffic Network Affiliate Agreements for certain CBS Stations. All of such agreements are effective as of the Closing with the exception of the Westwood One and Metro Networks Affiliation Agreements which are effective March 1, 2008 pursuant to the terms of the Master Agreement. Capitalized terms used but not defined herein shall have the meaning ascribed to them in the Master Agreement. The foregoing description of the New Transaction Documents does not purport to be complete and is qualified in its entirety by reference to such agreements, copies of which are furnished herewith as exhibits, and incorporated herein by reference. A description of the New Transaction Documents was previously provided by the Company in its definitive proxy statement filed with the SEC on December 21, 2007.

Also on March 3, 2008, the Company closed on the issuance and sale of 7,142,857 shares of Company common stock to Gores Radio Holdings, LLC (together with certain related entities, Gores), an entity managed by The Gores Group, LLC, at a price of \$1.75 per share. The issuance and sale is the first step of an equity investment by Gores pursuant to a Purchase Agreement entered into between the Company and Gores on February 25, 2008, as more fully described in the Company's Current Report on Form 8-K dated February 27, 2008. After giving effect to this issuance and sale, at March 3, 2008, 93,286,451 shares of Company common stock are issued and outstanding. As a condition to closing this transaction with Gores, the parties entered into a Registration Rights Agreement dated as of March 3, 2008. Under such agreement, the Company will file upon Gores' request a resale shelf registration statement covering the shares of Company common stock issued or issuable to Gores under the Purchase Agreement (and related documents), and will also provide Gores up to four (4) demand registrations. The Company is obligated to keep the shelf registration continuously effective until the earliest of: (i) the fifth (5th) anniversary of the effectiveness of the registration statement, (ii) when all securities covered by the registration statement have been sold and (iii) the date that all holders of securities covered by the registration statement are permitted to sell their securities pursuant to Rule 144 without volume limitations or any other restrictions. The Company has agreed to bear the expenses related to these registrations. The foregoing description of the Registration Rights Agreement is a summary and does not purport to be complete, and is qualified in its entirety by reference to the copy of the Registration Rights Agreement attached as Exhibit 10.7 hereto and which is incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement.**

As part of the Master Agreement as described in Item 1.01 above, the majority of the existing agreements between the Company and CBS Radio have terminated or been amended and restated, effective as of the Closing. Such agreements include the Management Agreement, Representation Agreement, News Programming Agreement, Trademark License Agreement, Technical Services Agreement, Registration Rights Agreement, Westwood One Affiliation Agreements for CBS Stations and Metro Networks Affiliation Agreements for CBS Stations. Additionally, in connection with the Master Agreement, CBS Radio has assigned to the Company all of its right, title and interest in the warrants to acquire shares of Company common stock held by CBS Radio. Effective as of the Closing, CBS Radio ceased to manage the Company and the Company will manage its business directly and separately from CBS Radio, and employ all of its own officers. With the exception of the Management Agreement and Representation Agreement, the other agreements noted above have been replaced with modified versions thereof.
