Item 3.02 Unregistered Shares of Equity Securities.

On January 23, 2009, Fletcher International, Ltd. elected to redeem 30,000 shares of its Series A-2 Cumulative Convertible Preferred Stock (the "Preferred Stock") in exchange for 5,938,776 shares of the Company's common stock. The redemption was completed, and the shares of common stock issued, on January 27, 2009. The Preferred Stock had been previously issued to Fletcher International, Ltd. and, in accordance with the terms of such series, was convertible and redeemable by the holder of such shares. The shares of Preferred Stock being redeemed by Fletcher International, Ltd, constitute all of the issued and outstanding shares of such series of Preferred Stock. The common stock issued to Fletcher International, Ltd. upon the redemption of the preferred stock was registered pursuant to an effective registration statement filed with the Securities and Exchange Commission. Fletcher International, Ltd. is also the holder of the Company's Series A-1 Cumulative Convertible Preferred Stock.

The issuance described above was made based on an exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to Section 3(a)(9) of the Securities Act and applicable state laws. This issuance qualified for this exemption from registration because it was an exchange by the issuer with an existing security holder exclusively where no commission or other remuneration was paid or given directly or indirectly for soliciting such exchange.
