Arbitration with Arima Communications Corporation

On May 13, 2014, a panel convened by the American Arbitration Association's International Centre for Dispute Resolution issued a partial final award in a dispute between InterDigital and Arima Communications Corporation ("Arima") regarding the obligations of the parties relating to Arima's patent license agreement with the company. The arbitration panel awarded InterDigital unpaid patent license fees of approximately \$14.5 million plus interest and related fees and costs (including reasonable attorneys' fees) in an amount to be determined. The panel will issue a final award once the remaining amounts have been determined. The company will recognize any related revenue in the period in which the amount of revenue is fixed and determinable and collectibility is reasonably assured.
