PROXY STATEMENT

SHAREHOLDER ACTION BY WRITTEN CONSENT

This Proxy Statement has been prepared by the Board of Directors (the "Board") of Novo Energies Corp., a Florida corporation (the "Company"), and is furnished in connection with the solicitation by the Board of Directors of the written consent of the shareholders of the Company to authorize and approve the amendment of the Articles of Incorporation of the Company to change its name to "Immunovative, Inc."

The Company intends to distribute this Proxy Statement and the accompanying materials to its shareholders on or about March 29, 2012. Attached to this Proxy Statement as Appendix A is the Consent Resolution of the Shareholders ("Consent Resolution"), which provides for the authorization and approval of the amendment to the Company's Articles of Incorporation to effect the name change. The procedure for indicating your approval of the name change is described in this Proxy Statement.

General Information

Reason for Name Change

After actively pursuing several business plans, including as an alternative energy corporation, on December 12, 2011, we entered into a License Agreement with Immunovative Therapies, Ltd., an Israeli Corporation ("Immunovative") pursuant to which the Company received an immediate exclusive world wide license to commercialize all product candidates based on Immunovative's current and future patents. The Board believes that changing our name to "Immunovative, Inc." will better reflect our current business plan.

Voting Rights

The matter being submitted for shareholder approval is to be acted upon by written consent, without a meeting, rather than by a vote held at a meeting. The holders of the Company's issued and outstanding common stock are entitled to consent in writing to the name change. The execution in the affirmative of the Consent Resolution by the holders of a majority of the issued and outstanding shares of the Company's common stock is required to authorize the amendment to the Articles of Incorporation and the name change to be effected by that amendment. No dissenters' rights or rights of appraisal are applicable or available in connection with this action.

Only record holders of shares of the Company's common stock at the close of business March 23, 2012 (the "Record Date") are entitled to execute the Consent Resolution. At the close of business on the Record Date there were

Edgar Filing: Novo Energies Corp - Form DEF 14A

113,585,228 shares of common stock issued and outstanding held by approximately 1,135 shareholders of record. If the Company receives written consent approving the name change from holder of 56,792,615 shares of common stock, it will have shareholder approval of the name change. A holder of common stock on the Record Date will be entitled to provide one (1) vote for each share of common stock then registered in such holder's name. The holders of the common stock as of the Record Date are referred to in this Proxy Statement as the "Shareholders."

Solicitation of Written Consents

Under Section 607.0704 of the Florida Business Corporation Act law and under the Company's Articles of Incorporation and bylaws, any action that may be taken at any meeting of the Shareholders may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or to take such action at a meeting at which all shares entitled to vote thereon were present and voted. The matter being considered by the Shareholders is being submitted for action by written consent rather than by votes cast at a meeting. The attached Consent Resolution will be effective on the date that the Company receives signed Consent Resolutions representing the consent of the holders of a majority of the Company's issued and outstanding common stock as of the Record Date. If the Company does not receive written consent from the holders of a majority of the Company's outstanding common stock as of the Record Date by the end of April 30, 2012, all written consents received by it until then shall cease to be valid.

Procedure to Indicate Your Approval of the Name Change

To indicate your approval of the name change to "Immunovative, Inc.", please check the box underneath "FOR" on the attached Appendix A, sign and date along with your co-tenant holder if applicable, and return the proxy to us on or by April 30, 2012 either by facsimile at +1 (514) 635-1388 or by mail at 417, Rue St-Pierre, Suite 804, Montreal, QC H2Y 2M3, Canada.
