**Item 5.07 Submission of Matters to a Vote of Security Holders.**

The Company held its Annual Meeting on January 17, 2018. Of the 67,931,861 shares of the Company’s common stock outstanding as of the record date, 52,684,671 shares, or 77.55%, were represented at the Annual Meeting either in person or by proxy.

In accordance with the Company’s Bylaws, the presence of the holders of at least a majority of the outstanding shares of common stock at the Annual Meeting, whether in person or by proxy, constituted a quorum for the transaction of business at the Annual Meeting. Votes “For,” “Against,” “Abstentions” and “Broker Non-Votes” were each counted as present at the Annual Meeting for purposes of determining the presence of a quorum. Broker Non-Votes are shares held in street name by brokers, banks or other nominees who were present in person or represented by proxy at the Annual Meeting, but which were not voted on a proposal because the brokers, banks or nominees did not have discretionary authority with respect to that proposal and they had not received voting instructions from the beneficial owner prior to the Annual Meeting. Under the Company’s Bylaws, the directors are elected by a plurality of the votes cast in person or by proxy at the Annual Meeting, which means that the director nominees who received the highest number of “For” votes were elected. Approval of each of the other proposals requires the affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting. Abstentions and Broker Non-Votes are not considered to be votes cast

under the Company's Bylaws, and as a result, have no effect on the outcome of the vote.

A description of each matter voted upon at the Annual Meeting is described in detail in the Proxy Statement. The number of votes cast "For" and "Withheld" and "Against" and the number of "Abstentions" and "Broker Non-Votes" with respect to each matter voted upon are set forth below.
