Private Placement Financing

On August 16, 2018, PURE Bioscience, Inc. (the “Company”), creator of the patented non-toxic silver dihydrogen citrate (SDC) antimicrobial, completed a closing (the “Closing”) of a private placement financing (the “Private Placement Financing”) to accredited investors (the “Investors”). The Company raised approximately \$1.5 million in the Closing and issued an aggregate of 3,333,964 shares (collectively, the “Shares”) of the Company’s common stock at a purchase price of \$0.45 per share. The Shares issued in the Private Placement Financing were issued pursuant to a Securities Purchase Agreement (the “Securities Purchase Agreement”) entered into with the Investors. Mr. Tom Y. Lee, a member of the Company’s Board of Directors (the “Board”) invested approximately \$1.05 million through his affiliates, including \$547,000 of cash and the cancellation of existing indebtedness in the amount of approximately \$504,000 that was held in the form of a promissory note.

The net proceeds to the Company from the Closing (including the cancellation of indebtedness), after deducting fees and other offering expenses, are expected to be approximately \$1.49 million. The Company expects to use the net proceeds for general corporate purposes, including the Company’s research and development efforts, and for general administrative expenses and working capital.

The issuance and sale of the Shares was not registered under the Securities Act of 1933, as amended (the “Securities Act”), and these Shares may not be offered or sold in the United States absent registration under or exemption from the Securities Act and any applicable state securities laws. The Shares were issued and sold in reliance upon an exemption from registration afforded by Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated under the Securities Act. The Investors represented to the Company that each was an “accredited investor” within the meaning of Rule 501 of Regulation D under the Securities Act, and that each was receiving the Shares for investment for its own account and without a view to distribute them. This Current Report on Form 8-K is not and shall not be deemed to be an offer to sell or the solicitation of an offer to buy any of the Shares.
