**PROXY STATEMENT**

**2019 ANNUAL MEETING OF SHAREHOLDERS**

**TO BE HELD ON MAY \_\_\_\_, 2019**

This Proxy Statement will be first mailed to shareholders on or about April \_\_\_\_, 2019. It is furnished in connection with the solicitation of proxies by the Board of Directors of OptimumBank Holdings, Inc. (the “Company”) to be voted at the annual meeting of the shareholders of the Company, which will be held at 10:00 a.m. on \_\_\_\_\_, May \_\_\_\_, 2019, at the executive offices of OptimumBank (the “Bank”), 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Shareholders who execute proxies retain the right to revoke them at any time before the shares are voted by proxy at the meeting. A shareholder may revoke a proxy by delivering a signed statement to the Secretary of the Company at or prior to the annual meeting or by executing and delivering another proxy dated as of a later date. The Company will pay the cost of solicitation of proxies.

Shareholders of record at the close of business on \_\_\_\_\_, 2019 will be entitled to vote at the meeting on the basis of one vote for each share held. On the record date, there were \_\_\_\_\_ outstanding shares of common stock held of record by approximately \_\_\_\_ shareholders.

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

**When and where will the annual meeting take place?**

The annual meeting will be held on May \_\_\_\_, 2019 at 10:00 a.m. (local time), at the executive offices of the Bank, 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308.

**Why did I receive this proxy statement?**

You received this proxy statement because you held shares of the Company's common stock on \_\_\_\_\_, 2019 (the "Record Date") and are entitled to vote at the annual meeting. The Board of Directors is soliciting your proxy to vote at the meeting.

**What am I voting on?**

You are being asked to vote on five items:

1. The election of seven (7) Directors (see page 11);

2. The approval of the issuance of up to 1,000,000 shares of common stock in exchange for Trust Preferred Securities issued by OptimumBank Capital Trust I (see page 15);
3. The approval of the participation of officers, directors and employees of the Company in the exchange offer for the Trust Preferred Securities described in Proposal 2 (see page 19);
4. The approval of an amendment to the Company's Articles of Incorporation to increase the number of shares of common stock authorized for issuance from 5,000,000 shares to 10,000,000 shares (see page 20); and
5. The ratification of the appointment of Hacker, Johnson & Smith, P.A. as the Company's independent registered public accounting firm for the 2019 fiscal year (see page 23).

## **How do I vote?**

### Shareholders of Record

If you are a shareholder of record, there are four ways to vote:

By toll free telephone at 1-866-894-0537;

By internet at <http://www.cstproxyvote.com>;

If you request printed copies of the proxy materials, you may vote by proxy by completing and returning your proxy card in the postage-paid envelope provided by the Company; or

By voting in person at the meeting.

Street Name Holders

Shares which are held in a brokerage account in the name of the broker are said to be held in “street name.”

If your shares are held in street name, you should follow the voting instructions provided by your broker. If you requested printed copies of the proxy materials, you may complete and return a voting instruction card to your broker, or, in many cases, your broker may also allow you to vote via the telephone or Internet. Check your notice from your broker for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you request printed copies of the proxy materials, complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

**What is the deadline for voting via Internet or telephone?**

Internet and telephone voting is available through 11:59 p.m. (Eastern Daylight Time) on \_\_\_\_\_, May \_\_\_\_, 2019 (the day before the annual meeting).

**What are the voting recommendations of the Board of Directors?**

The Board of Directors recommends that you vote in the following manner:

1. FOR each of the persons nominated by the Board of Directors to serve as Directors;
  
2. FOR the approval of the issuance of up to 1,000,000 shares of common stock in exchange for Trust Preferred Securities issued by OptimumBank Capital Trust I;
  
3. FOR the approval of the participation of officers, directors and employees of the Company in the exchange offer for the Trust Preferred Securities described in Proposal 2;
  
4. FOR the approval of an amendment to the Company's Articles of Incorporation to increase the number of shares of common stock authorized for issuance from 5,000,000 shares to 10,000,000 shares; and
  
5. FOR the ratification of the appointment of Hacker, Johnson & Smith, P.A. as the Company's independent registered public accounting firm for the 2019 fiscal year.

Unless you give contrary instructions in your proxy, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

**Will any other matters be voted on?**

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your proxy would authorize Moishe Gubin and Joel Klein of the Company to vote on such matters in their discretion.

**Who is entitled to vote at the meeting?**

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the annual meeting, or any postponement or adjournment of the meeting.

**How many votes do I have?**

You will have one vote for each share of the Company's common stock that you owned on the Record Date.

**How many votes can be cast by all shareholders?**

The Company had \_\_\_\_\_ outstanding shares of common stock on the Record Date. Each of these shares is entitled to one vote. There is no cumulative voting.

**How many votes must be present to hold the meeting?**

The holders of a majority of the Company's common stock outstanding on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at least \_\_\_\_\_ shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

**What vote is required to approve each proposal?**

For the election of Directors (Proposal No. 1), the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting is required. A proxy that has properly withheld authority with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

For the approval of the issuance of up to 1,000,000 shares of common stock in exchange for Trust Preferred Securities issued by OptimumBank Capital Trust I (Proposal No. 2), the affirmative vote of the majority of the votes cast for this proposal will be required for approval. As such, abstentions and broker non-votes will not affect the outcome of the vote, but will be counted for determining the existence of a quorum.

For the approval of the participation of officers, directors and employees of the Company in the exchange offer for the Trust Preferred Securities described in Proposal No. 2 (Proposal No. 3), the affirmative vote of the majority of the votes cast for this proposal will be required for approval. As such, abstentions and broker non-votes will not affect the outcome of the vote, but will be counted for determining the existence of a quorum.

For the approval of an amendment to the Company's Articles of Incorporation to increase the number of shares of common stock authorized for issuance from 5,000,000 shares to 10,000,000 shares (Proposal No. 4), the affirmative vote of the majority of the votes cast for this proposal will be required for approval. As such, abstentions and broker non-votes will not affect the outcome of the vote, but will be counted for determining the existence of a quorum.

For the ratification of the appointment of Hacker, Johnson & Smith, P.A. (Proposal No. 5), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will be counted for the purposes of determining the number of shares entitled to vote that are present in person or by proxy. Accordingly, an abstention will have the effect of a negative vote.

### **Can I change my vote?**

Yes. If you are a shareholder of record, you may change your vote at any time before your proxy is voted at the annual meeting. You can do this in one of three ways. First, you can send a written notice stating that you would like to revoke your proxy. Second, you can submit new proxy instructions either on a new proxy card, by telephone or via the Internet. Third, you can attend the meeting, and vote in person. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

### **Who can attend the annual meeting?**

Any person who was a shareholder of the Company on \_\_\_\_\_, 2019 may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of the Company's stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

### **What happens if I sign and return the proxy card but do not indicate how to vote on an issue?**

If you return a proxy card without indicating your vote, your shares will be voted as follows:

FOR each of the nominees for Director named in this proxy statement;

FOR the approval of the issuance of up to 1,000,000 shares of common stock in exchange for Trust Preferred Securities issued by OptimumBank Capital Trust I;

FOR the approval of the participation of officers, directors and employees of the Company in the exchange offer for the Trust Preferred Securities described in Proposal 2;

FOR the approval of an amendment to the Company's Articles of Incorporation to increase the number of shares of common stock authorized for issuance from 5,000,000 shares to 10,000,000 shares; and

FOR ratification of the appointment of Hacker, Johnson & Smith, P.A. as the independent registered public accounting firm for the Company for the 2019 fiscal year.

**Who can help answer my questions?**

If you are a shareholder, and would like additional copies, without charge, of this proxy statement or if you have questions about the annual meeting, including the procedures for voting your shares, you should contact:

A copy of the charter for the Nominating Committee can be viewed on the Company's website at [www.optimumbank.com/information-center/corporate-governance](http://www.optimumbank.com/information-center/corporate-governance).

All of the director nominees of the Company set forth in the Proposal entitled "Election of Directors" were recommended by a majority of the independent directors of the Company. The nominating committee held one meeting during 2018.

The Nominating Committee will initially consider nominating the Company's existing directors for re-election to the Board as appropriate or other director nominees proposed, as appropriate, by the directors, and in doing so considers each director's independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and respective committee meetings. In evaluating any candidates for potential director nomination, the Nominating Committee will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including banking, financial, real estate and/or legal expertise, who would be effective as a director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the Company's shareholders.

The Nominating Committee will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the Corporate Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials to shareholders for the preceding year's annual meeting of shareholders. For the 2020 annual meeting, recommendations must be received by \_\_\_\_\_, 2019. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules.

### **Audit Committee**

The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. A Report from the Audit Committee is included on page 24.

### **Attendance by Directors at Annual Shareholders' Meetings**

The Board believes that risk management is an important component of the Company's corporate strategy. The Board is regularly informed through committee reports about the Company's risks. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk. PROPOSAL NO. 2

**APPROVAL OF THE ISSUANCE OF UP TO 1,000,000 SHARES OF COMMON STOCK IN EXCHANGE FOR TRUST PREFERRED SECURITIES ISSUED BY OPTIMUMBANK CAPITAL TRUST I**

The Company is seeking shareholder approval of a proposal to issue up to 1,000,000 shares of the Company's common stock in exchange for trust preferred securities (the "Trust Preferred Securities") issued by OptimumBank Capital Trust I (the "Trust"). The issuance of the common stock requires the approval of the Company's shareholders under Nasdaq Marketplace Rule 5635(d).

**Background**

The Trust was formed by the Company in 2004 for the purposes of raising capital for OptimumBank. At that time, the Trust raised \$5,155,000 through the sale of 5,000 Trust Preferred Securities to a third party investor and the issuance of 155 common trust securities to the Company.

The Trust utilized the proceeds of \$5,155,000 to purchase a Junior Subordinated Debenture from the Company (the "Debenture"). Under the Debenture, the Company is required to make interest payments on a periodic basis and to pay the outstanding principal amount plus accrued interest on October 7, 2034.

The Company has been in default under the Debenture since 2015 due to its failure to make required interest payments. To date, neither the trustee nor the holders of the Trust Preferred Securities have accelerated the outstanding balance of the Debenture.

On May 8, 2018, Preferred Shares, LLC (the "Purchaser") acquired all 5,000 of the Trust Preferred Securities from a third party. The Purchaser is an affiliate of Moishe Gubin, a director of the Company.

During the third quarter of 2018, the Purchaser sold its rights to 694 Trust Preferred Securities to several unaffiliated third parties. The Company subsequently issued 301,778 shares of common stock to these third parties in exchange for the 694 Trust Preferred Securities.

As of March 31, 2019, the Trust Preferred Securities had an outstanding balance of approximately \$5,715,000, consisting of \$4,306,000 in principal and the balance in accrued interest.

On March 13, 2019, the Purchaser provided the Company with a written undertaking that the Purchaser would not accelerate and demand payment of any of the principal or accrued interest under the Debenture prior to March 27, 2020.

As discussed more fully below, the Board has determined that the Company should make an offer to the holders of the Trust Preferred Securities to exchange a portion of the Trust Preferred Securities for newly-issued shares of common stock in order to reduce the Company's obligations under the Trust Preferred Securities.

## **Proposed Exchange Offer**

The Company is seeking shareholder approval to authorize the Company to make an offer to the holders of the Trust Preferred Securities to exchange their Trust Preferred Securities for shares of the Company's common stock.

The exchange offer would be made on the following terms:

The maximum aggregate number of shares of common stock that would be issued by the Company would not exceed 1,000,000 shares.

The maximum aggregate value of the Trust Preferred Securities that would be exchanged would not exceed \$3,150,000 (calculated on the basis of the outstanding balance of such Trust Preferred Securities).

The Trust Preferred Securities would be valued at their face value (i.e., principal plus accrued interest) for purposes of the exchange.

The Company will offer its common stock at a value equal to the lesser of (i) \$3.15 per share (equal to 110% of book value as of December 31, 2018), or (ii) the market price on the date on which a holder of Trust Preferred Securities delivers an acceptance of the exchange offer to the Company.

The exchange offer would commence within 10 days after the annual meeting of shareholders.

The exchange offer would be open for a period of 90 days after its commencement date.

No person would be permitted to exchange Trust Preferred Securities if, after the exchange, such person would be the beneficial owner of more than 9.9% of the Company's common stock.

## **Nasdaq Marketplace Rule 5635(d)**

The Company's common stock is currently listed on The Nasdaq Capital Market and, as such, we are subject to Nasdaq Marketplace Rules.

Nasdaq Marketplace Rule 5635(d) ("Rule 5635(d)") requires the Company to obtain shareholder approval prior to the issuance of its common stock in connection with certain non-public offerings. Rule 5635(d) applies when:

the offering involves the sale, issuance or potential issuance by the Company of common stock equal to 20% or more of the common stock outstanding before the issuance; and

the offering price is less than the current market price.

Rule 5635(d) will apply because the number of shares that could be issued in the exchange offer will exceed the 20% threshold and the offering price may be less than the current market price. As a result, the Company is required to obtain shareholder approval of the offering.

### **Potential Effect of Exchange Offer**

If the exchange offer is approved by the shareholders, the Company would commence the offering promptly after the annual meeting of shareholders.

The exchange offer would be made to the current holders of the Trust Preferred Securities and persons who acquire the Trust Preferred Securities prior to the expiration of the exchange offer.

The price for the common stock to be offered in the exchange offer would be equal to the lesser of (i) \$3.15 per share (equal to 110% of book value as of December 31, 2018), or (ii) the market price on the date on which a holder of Trust Preferred Securities delivers an acceptance of the exchange offer to the Company. The market price of the common stock as of the date of this proxy statement is \$\_\_\_\_\_ per share. Assuming that the market price does not change during the term of the exchange offer, then the price for the common stock would be \$3.15 per share.

The potential effects of the exchange offer would be as follows:

The Company could issue up to 1,000,000 shares of common stock, which would increase the outstanding number of shares from 1,858,020 shares to 2,858,020 shares. The actual number will vary based on the level of participation from the holders of the Trust Preferred Securities and the price of the common stock to be issued in the exchange.

The Company would acquire a maximum of \$3,150,000 of the Trust Preferred Securities. The actual amount will vary based on the level of participation from the holders of the Trust Preferred Securities and the price of the common stock to be issued in the exchange.

The Company's stockholders' equity would be increased based on the value of the Trust Preferred Securities acquired by the Company in the exchange. For accounting purposes, the Company would record the purchase of the Trust Preferred Securities as an increase in the Company's equity interest in the Trust under the heading "Other Assets" and record an equal increase in its stockholders' equity.

The issuance of shares of common stock in the exchange would dilute, and thereby reduce, each existing shareholder's proportionate ownership in the Company's common stock. The shareholders do not have preemptive rights to subscribe for additional shares that may be issued by the Company in order to maintain their proportionate

ownership of the Company's common stock.

Currently, all of the 4,306 outstanding Trust Preferred Securities are owned by the Purchaser, an affiliate of Mr. Gubin, a Director of the Company. The Purchaser has indicated that it expects to transfer a portion of the Trust Preferred Securities to one or more unrelated parties that will participate in the exchange offer. Additionally, the Purchaser has indicated that it will participate in the exchange offer subject to the restriction that no person may acquire shares in the exchange if such person would become beneficial owner of more than 9.9% of the common stock. As of the date of this proxy statement, Mr. Gubin and the Purchaser beneficially owned 4.11% of the common stock.

### **Reasons for the Exchange Offer**

The Board believes that the exchange of additional Trust Preferred Securities for common stock would be in the best interest of the Company and its shareholders. The Board believes that the long-term stability of the Company depends on the Company's ability to eliminate the Trust Preferred Securities through a combination of share exchanges and payments. The Company, however, is currently prohibited from making any payments on the Trust Preferred Securities under its Written Agreement with the Federal Reserve. Accordingly, the exchange remains the Company's best option of addressing its obligations under the Trust Preferred Securities.

As noted above, the exchange offer will also result in an increase in the Company's stockholders' equity based on the value of the Trust Preferred Securities acquired by the Company in the exchange.

In considering this matter, the Board has also concluded that it would be necessary to offer the common stock at a discount to its market price in order to induce the holders of the Trust Preferred Securities to participate in the exchange. Assuming that the common stock will be offered at \$3.15 per share, the current discount would be approximately \_\_\_\_% from the market price of \$\_\_\_\_\_ per share as of May \_\_, 2019.

The Board was aware that Moishe Gubin, a Director of the Company, had a conflict of interest with respect to this matter in light of his ownership of the current holder of the Trust Preferred Securities. To address this issue, Mr. Gubin abstained from voting on this matter.

### **Vote Required**

Assuming the existence of a quorum, the affirmative vote of the majority of the votes cast for this proposal is required to approve this matter.

**THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” APPROVAL OF THE ISSUANCE OF UP TO 1,000,000 SHARES OF COMMON STOCK IN EXCHANGE FOR TRUST PREFERRED SECURITIES ISSUED BY OPTIMUMBANK CAPITAL TRUST I IN ACCORDANCE WITH NASDAQ MARKETPLACE RULE 5635(D).**

proposal no. 3

**APPROVAL OF THE PARTICIPATION OF OFFICERS, DIRECTORS AND EMPLOYEES OF THE COMPANY IN THE EXCHANGE OFFER FOR THE TRUST PREFERRED SECURITIES DESCRIBED IN PROPOSAL 2**

The Company is seeking approval of a proposal to authorize the Company's officers, directors and employees to participate in the Trust Preferred Securities exchange described in Proposal 2.

The participation of the Company's officers, directors and employees in the Trust Preferred Securities exchange requires the approval of the Company's shareholders under Nasdaq Marketplace Rule 5635(c).

Nasdaq Marketplace Rule 5635(c) ("Rule 5635(c)") requires shareholder approval of any issuance of the Company's common stock to the Company's officers, directors and employees at a price that is less than fair market value. Under Rule 5635(c), the issuance of common stock at a price less than the market value of the common stock is considered a form of "equity compensation."

As discussed in Proposal 2 above, the Company is seeking shareholder approval of a proposal to issue to up to 1,000,000 shares of the Company's common stock in exchange for Trust Preferred Securities issued by OptimumBank Capital Trust I.

At the present time, the owner of the Trust Preferred Securities is an affiliate of Mr. Gubin, a Director of the Company. As a result, any exchange of the Trust Preferred Securities held by the current holder would be subject to the requirements of Rule 5635(c). Additionally, it is possible that other officers, directors and employees of the Company may acquire Trust Preferred Securities that they would seek to exchange for common stock.

The Company is requesting its shareholders to approve the participation of Mr. Gubin and the Company's other officers, directors and employees in the exchange.

As discussed in Proposal 2, the Board believes that the exchange of additional Trust Preferred Securities for common stock would be in the best interest of the Company and its shareholders. The participation of Mr. Gubin and the Company's other officers, directors and employees in the exchange would significantly enhance the Company's ability

to achieve the goals of the exchange offer.

As discussed in Proposal 2, the exchange offer may be made at a price that is less than current market price. In considering this matter, the Board has concluded that it would be necessary to offer the common stock at a discount to its market price in order to induce the holders of the Trust Preferred Securities to participate in the exchange. Assuming that the common stock will be offered at \$3.15 per share, the discount would be approximately \_\_\_\_\_% from the market price of \$\_\_\_\_\_ per share as of May \_\_, 2019. Under Rule 5635(c), this discount is treated as a form of equity compensation that requires shareholder approval.

The other potential effects of the exchange offer are discussed in Proposal 2.

As described in Proposal 2, the Board was aware that Mr. Gubin, a director of the Company, had a conflict of interest with respect to this matter in light of his ownership of the current holder of the Trust Preferred Securities. To address this issue, Mr. Gubin abstained from voting on this matter.

Vote Required for Approval

Assuming the existence of a quorum, the affirmative vote of the majority of the votes cast for this proposal is required to approve this matter. Approval of this Proposal 3 is subject to the approval of Proposal 2.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE PARTICIPATION OF OFFICERS, DIRECTORS AND EMPLOYEES OF THE COMPANY TO PARTICIPATE IN THE EXCHANGE OFFER FOR THE TRUST PREFERRED SECURITIES DESCRIBED IN PROPOSAL 2.**

PROPOSAL NO. 4

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE FROM 5,000,000 SHARES TO 10,000,000 SHARES**

The Board of Directors has approved an amendment to the Company's Articles of Incorporation to increase the number of shares of common stock authorized for issuance from 5,000,000 shares to 10,000,000 shares. The Company's shareholders are being asked to approve this amendment in the form attached hereto as Exhibit A.

The purpose of the increase is to provide the Company with a sufficient number of authorized shares:

to undertake the exchange offer for the Trust Preferred Securities;

to undertake a proposed rights offering of common stock and warrants; and

to provide shares for other corporate actions that may be approved by the Board in the future, such as additional offerings.

**Current Outstanding Shares of Common Stock**

As of March 31, 2019, the Company had 1,858,020 shares of common stock issued and outstanding and \_\_\_\_\_ shares reserved for future issuance in connection with the Company's equity incentive plans.

**Proposed Rights Offering**

The Board is currently considering undertaking a rights offering under which the Company will offer each shareholder the right to purchase, for each common share held by the shareholder, one unit consisting of one share of common stock and one warrant (a "Unit").

The proposed terms of the rights offering are as follows:

The price of each Unit would be \$5.00 per Unit.

Each warrant would entitle the holder to purchase one common share at a price of \$7.50 per share. The warrants would have a term of five years. The warrants could be sold or transferred separately after issuance of the Units.

The rights offering would commence following the effectiveness of the Company's registration statement. The rights offering would be open for a period of three months.

No person would be permitted to purchase the Units if, after the purchase, such person would be the beneficial owner of more than 9.9% of the shares of common stock.

The maximum number of shares of common stock that would be issued in the exchange offer would be equal to the number of outstanding shares on the record date for the rights offering.

The maximum number of shares of common stock that would be issued upon the exercise of the warrants would be equal to the number of outstanding shares of common stock on the record date for the rights offering.

The terms of the rights offering have not been finalized. Any rights offering would need to be registered with the Securities and Exchange Commission under the Securities Act of 1933. As a result, it is possible that the terms of the rights offering may change and that the rights offering may not be completed.

### **Reasons for the Increase in Authorized Common Stock**

As discussed in Proposal 2, the Company may issue up to 1,000,000 shares of common stock in the exchange offer for the Trust Preferred Securities. Additionally, the Company is considering a rights offering to the shareholders of the Company in which the Company would offer a substantial number of additional shares and warrants to the Company's shareholders.

The Board believes that the availability of additional authorized shares of common stock will provide the Company with the ability to accommodate the exchange offer and the rights offering and provide the Company with the additional flexibility to issue common stock for a variety of other general corporate purposes as the Board may determine to be desirable, including stock splits (including splits effected through the declaration of stock dividends), future offerings, acquisitions or incentive compensation.

Without an increase in the number of authorized shares of common stock, the number of remaining common shares may be insufficient to complete one or more of the above corporate actions when and if the Board deems it advisable and in the best interests of the shareholders to do so. The Board further believes that having the additional authorized shares available to the Company for issuance, upon approval of the Board, will be beneficial to the Company and its shareholders by allowing us promptly to consider and complete additional offerings needed to capitalize the Company and the Bank.

Except for the exchange offer and the rights offering, the Board has not authorized the Company to take any action with respect to the shares that would be authorized under this proposal, and the Company currently does not have any definitive plans, arrangements or understandings with respect to the issuance of the additional shares of common stock to be authorized.

The proposed amendment to increase the authorized number of shares of common stock could, under certain circumstances, have an anti-takeover effect or delay or prevent a change in control of the Company by providing the Company the capability to engage in actions that would be dilutive to a potential acquirer, to pursue alternative transactions, or to otherwise increase the potential cost to acquire control of the Company. Thus, while the Company currently has no intent to employ the additional unissued authorized shares as an anti-takeover device, the proposed amendment may have the effect of discouraging future unsolicited takeover attempts. The Board is not aware of any such attempt to take control of the Company, and would act in the best interest of shareholders if any attempt was made. The proposed amendment has been prompted by business and financial considerations.

The proposed increase in the number of authorized shares of the Company's common stock will not itself change the number of shares of common stock outstanding, nor will it have any immediate dilutive effect or change the rights of current holders of the Company's common stock. However, the issuance of additional shares of common stock authorized by this amendment to the Articles of Incorporation may occur as a result of the exchange offer and the rights offering and at other times in the future. The issuance of additional shares could have a dilutive effect on earnings per share, book value per share or the percentage voting or ownership interest of the present holders of the Company's common stock.

Once the proposed amendment is approved, no further action by the shareholders would be necessary prior to the issuance of additional shares of common stock unless required by law or the rules of any stock exchange or national securities association on which the common stock is then listed or quoted. Under the proposed amendment, each of the newly-authorized shares of common stock will have the same rights and privileges as the currently authorized common stock. Adoption of the proposed amendment will not affect the rights of the holders of currently outstanding common stock of the Company nor will it change the par value of the common stock. If the proposed amendment is adopted, it will become effective upon the filing of an amendment to the Company's Articles of Incorporation with the Secretary of State of the State of Florida.

#### Vote Required

Assuming the existence of a quorum, the affirmative vote of the majority of votes cast for this proposal is required to approve this matter.

**THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE APPROVAL OF AN AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE FROM 5,000,000 SHARES TO 10,000,000 SHARES.**

Assuming the existence of a quorum, the affirmative vote of the majority of the shares represented in person or by proxy and entitled to vote at the meeting is required to approve this matter.
