ALTISOURCE ASSET MANAGEMENT CORPORATION  
PROXY STATEMENT  
ANNUAL MEETING OF STOCKHOLDERS

General Information

We have made this proxy statement available to you on or about April 22, 2016 as a holder of common stock of Altisource Asset Management Corporation, a U.S. Virgin Islands corporation (“we,” “us,” “our,” “AAMC” or the “Company”) because our Board of Directors is soliciting your proxy to be used at our Annual Meeting of Stockholders and at any postponement or adjournment thereof (“Annual Meeting”). The 2016 Annual Meeting of Stockholders will be held at the Buccaneer Hotel, located at 5007 Estate Shoys, Christiansted, United States Virgin Islands 00820 on Thursday, May 26, 2016, at 9:00 a.m., Atlantic Standard Time for the purposes listed in the Notice of Annual Meeting of Stockholders.

At the Annual Meeting, our stockholders will be asked to consider and vote upon (1) the election of five (5) Directors to serve until the 2017 Annual Meeting of Stockholders and/or until their successors are duly elected and qualified, (2) the ratification of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2016 and (3) the approval of the adoption by our Board of Directors of our 2016 Employee Preferred Stock Plan.

We are not aware of any other matters that may properly come before the Annual Meeting or any postponement or adjournment thereof. If any other matters properly come before the Annual Meeting, the persons designated as proxies intend to vote in accordance with their discretion on such matters.

Proxies to be exercised at the Annual Meeting are being solicited by and on behalf of our Board of Directors primarily through the use of the mails. Our directors, officers, employees and other agents, none of whom will receive additional compensation therefor, may solicit proxies by telephone, facsimile or other personal contact. We will bear the cost of the solicitation of proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares of our common stock.

Proxy Materials

We expect our proxy materials, including this proxy statement and our 2015 annual report on Form 10-K, to be made available to stockholders on or about April 22, 2016 through the “Shareholders” link on our website at [www.altisourceamc.com](http://www.altisourceamc.com) or through [www.proxyvote.com](http://www.proxyvote.com). Our annual report on Form 10-K for the year ended December 31, 2015 was filed with the SEC and made available on our website on February 29, 2016.

Voting Procedures

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your bank or brokerage firm or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock. If your shares of common stock are held in your name, you can authorize a proxy to vote your shares in lieu of attending the Annual Meeting and voting in person. You may authorize a proxy to vote your shares over the Internet by following the instructions provided in the printed proxy materials. You may also authorize a proxy to vote your shares by mail or telephone pursuant to instructions provided on the proxy card. If you are authorizing a proxy to vote your shares over the Internet or by telephone, you will need to provide the control number that is printed on the proxy card that you receive.

If your common stock is held in the name of your bank or brokerage firm or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions. Even if you plan to attend the Annual Meeting, we recommend that you authorize a proxy to vote your shares in advance of the Annual Meeting as described above so that your vote is counted if you later decide not to attend the Annual Meeting.

## How a Proxy Works

All valid proxies received prior to the meeting will be voted in accordance with your instructions. If no contrary instructions are given, other than as discussed below with respect to broker “non-votes,” each proxy received will be voted (1) “FOR” each of the nominees for Director; (2) “FOR” approval of the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for 2016; and (3) “FOR” the proposal to approve the adoption by our Board of Directors of our 2016 Employee Preferred Stock Plan; and with regard to any other business that properly comes before the meeting in accordance with the judgment of the persons appointed as proxies.

## How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting and any postponement or adjournment of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

filing written notice with our Corporate Secretary at the following address:

Stephen H. Gray, Corporate Secretary  
Altisource Asset Management Corporation  
36C Strand Street  
Christiansted, United States Virgin Islands 00820

submitting a properly executed proxy bearing a later date; or

appearing at the Annual Meeting and giving the Corporate Secretary notice of your intention to vote in person.

## Who May Vote

You are entitled to vote at the Annual Meeting or any postponement or adjournment thereof if you are a holder of record of our common stock at the close of business on April 13, 2016. At the close of business on April 13, 2016, there were 1,823,453 shares of common stock issued, outstanding and able to be voted (which excludes 746,405 treasury shares held by the Company that are not entitled to vote at the Annual Meeting). Each share of our common stock is entitled to one (1) vote at the Annual Meeting of Stockholders on all matters properly presented, other than the Company’s treasury shares. Abstentions and broker “non-votes” will be treated as present for purposes of a quorum.

## Quorum and Voting Information

The presence at the Annual Meeting of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker “non-votes,” if any, will be treated as present for purposes of determining the presence of a quorum.

A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner.

Proposal One - Election of Directors: Assuming a quorum, each of the five (5) nominees for Director requires a majority of the votes cast to be elected as Directors of AAMC. You may vote “FOR” a nominee, “AGAINST” a nominee, or “ABSTAIN” with respect to a nominee. Cumulative voting in the election of Directors is not permitted.

Neither broker “non-votes” nor votes marked “ABSTAIN” will have an effect with regard to the election of any nominee.

Proposal Two - Ratification of Appointment of Independent Registered Public Accounting Firm: Assuming a quorum, the proposal to ratify the appointment of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2016 requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting. You may vote "FOR" or "AGAINST" or "ABSTAIN" on Proposal Two.

---

Proposal Three - Approval of the Adoption by our Board of Directors of our 2016 Employee Preferred Stock Plan: Assuming a quorum, the proposal to approve the adoption by our Board of Directors of our 2016 Employee Preferred Stock Plan requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting. You may vote “FOR” or “AGAINST” or “ABSTAIN” on Proposal Three.

Abstentions will not be counted in determining the votes cast in connection with Proposals Two and Three and will have no effect on the results of the vote on such proposals. Because your broker or other nominee is entitled to vote your shares with respect to Proposals Two and Three, even if instructions are not received from you, there will be no broker “non-votes” with respect to these proposals.

If the shares you own are held in “street name” by a bank or brokerage firm or other nominee, your bank, brokerage firm or other nominee, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your bank, brokerage firm or other nominee provides you. You will receive a proxy card that will tell you how to access our proxy materials and authorize a proxy to vote your shares via the Internet. It will also tell you how to request a paper or email copy of our proxy material. You should instruct your bank, brokerage firm or other nominee to vote your shares by following the voting instructions provided by your bank, brokerage firm or other nominee. Please contact your bank, brokerage firm or other nominee for further information.

#### Board Recommendation

The Board recommends that you vote as follows:

•“FOR” each of the five (5) director nominees set forth in Proposal One;

•“FOR” the ratification of Deloitte & Touche LLP to be our independent registered public accounting firm for the year ending December 31, 2016 set forth in Proposal Two; and

•“FOR” the approval of the adoption by our Board of Directors of our 2016 Employee Preferred Stock Plan set forth in Proposal Three.

Any properly authorized proxy as to which no instructions are given will be voted in accordance with the foregoing recommendations.

## ELECTION OF DIRECTORS

(Proposal One)

Our Amended and Restated Bylaws provide that our Board of Directors shall consist of no less than three (3) members with the exact number to be determined by vote of a majority of the Board of Directors.

The five (5) nominees listed below for election as Directors at the Annual Meeting have been recommended by our Nomination/Governance Committee and nominated by our Board of Directors to serve on the Board until the 2017 Annual Meeting of Stockholders and/or until their successors are duly elected and qualified. Assuming a quorum, the each of the five (5) nominees for Director will be elected as Directors if they receive a majority of the votes cast in person or by proxy at the meeting.

The Nomination/Governance Committee and our Board of Directors has nominated George G. Ellison to continue to serve as our Chairman of the Board of Directors and has nominated Paul T. Bossidy to continue to serve as the lead independent director. The Board of Directors has also nominated each of Mr. Ellison, Mr. Bossidy, Mr. Byrd, Ms. Kurland and Mr. Redleaf to continue to serve as Directors. If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting, the person or persons appointed as proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, our Board of Directors knows of no reason why any of the nominees would not be able or willing to serve as Director if elected.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS  
THAT YOU VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR**

## BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

### Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the stockholders. Directors are expected to attend all meetings of the Board of Directors and the meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings.

Our current Board of Directors held eight (8) meetings in 2015. Each incumbent Director attended 100% of these meetings during the period in which they served as well as the meetings held by all committees of our Board of Directors on which they served during the year. The Board of Directors also regularly held executive sessions of the independent directors. We do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders. However, all of the incumbent members of our Board of Directors attended our 2015 Annual Meeting of Stockholders.

### Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the NYSE, which governs the NYSE MKT where our common stock is listed.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Bossidy, Byrd and Redleaf and Ms. Kurland are independent Directors.

### Board Leadership Structure

Our Board of Directors' leadership structure consists of a Chairman who is also our Chief Executive Officer, a Lead Independent Director, who is elected by the independent directors, and three Committee Chairs, each of whom are independent directors (and one of whom, the Chair of our Audit Committee, is also our Lead Independent Director). We discuss succession planning with respect to our Chairman, our Chief Executive Officer, and other business heads at least annually.

Our Board has combined the positions of Chairman and Chief Executive Officer since Mr. Ellison was appointed as Chairman of the Board in June 2015. Our Board believes that we are well served by Mr. Ellison's service as both Chairman of the Board and Chief Executive Officer, the strong leadership of our Lead Independent Director and our independent Committee Chairs and directors provide the Board, for several reasons. First, a combined Chairman and Chief Executive Officer position allows us to speak with one voice to our stockholders, counterparties and external constituencies. Second, we operate in the investment industry, which is impacted heavily by real estate risk, investment risk, market risk, credit risk, liquidity risk, legal, compliance and regulatory risk and reputation risk. We believe that these risks are best managed on a daily basis by Mr. Ellison in his dual role as Chairman and Chief Executive Officer and the senior management team who report directly to him, with oversight of the full Board, including Board Committees composed solely of outside, independent directors. Third, we have empowered a strong Lead Independent Director, Mr. Bossidy, who provides independent oversight over the Board of Directors and Mr. Ellison in his combined role, including with respect to the calling of meetings of the Board, executive sessions of the independent members of the Board, and setting the agenda for meetings of the Board and meetings of the

independent members of the Board. Mr. Bossidy also provides important leadership and insight as the Chair of our Audit Committee. We also have empowered other strong independent directors, one of whom, Ms. Kurland, chairs our Compensation Committee, and the other of whom, Mr. Redleaf, chairs our Nomination/Governance Committee. Each of our independent directors is authorized to call executive sessions of independent directors to discuss any subject, and each of our independent directors has done so. Our independent directors also frequently communicate with each other by telephone between meetings of the Board and committees of the Board.

Our Board believes that this leadership structure provides an effective balance between leadership of the Board and our Company by a strong Chairman and Chief Executive Officer and effective oversight of the Board and our Company by independent Directors.

#### Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

**Audit Committee.** The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

The members of the Audit Committee since June 2015 have been Mr. Bossidy, Ms. Kurland and Mr. Redleaf, and Mr. Bossidy has served as the Chair of the Audit Committee. Upon the election of the proposed Directors, Mr. Bossidy will continue to be Chair of the Audit Committee and Ms. Kurland and Mr. Redleaf will continue to serve as Audit Committee members. Each current and proposed member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that all members of our Audit Committee are financially literate and possess accounting or related financial management expertise. Our Board of Directors has also determined that each of Mr. Bossidy and Mr. Redleaf qualifies as an “audit committee financial expert” as that term is defined in SEC rules.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at [www.altisourceamc.com](http://www.altisourceamc.com) and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Audit Committee in March 2016. The Audit Committee met ten (10) times in 2015.

**Compensation Committee.** The Compensation Committee of our Board of Directors oversees our Board and employee compensation and employee benefit plans and practices. The Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our named executive officers. With respect to all officers and employees of the Company other than the Chairman/Chief Executive Officer, the Compensation Committee reviews with the Chief Executive Officer and subsequently approves all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to stockholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has authority for the administration of awards under AAMC’s 2012 Equity Incentive Plan (the “2012 Equity Plan”). The Compensation Committee has the authority to retain independent counsel or other advisers as it deems necessary in connection with its responsibilities at our expense. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee since June 2015 have been Ms. Kurland, Mr. Byrd and Mr. Redleaf, and Ms. Kurland has served as the Chair of the Compensation Committee. Upon the election of the proposed Directors, Ms. Kurland will continue to be Chair of the Compensation Committee and Mr. Byrd and Mr. Redleaf will

continue to serve as Compensation Committee members. Each current and proposed member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at [www.altisourceamc.com](http://www.altisourceamc.com) and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Compensation Committee in March 2016. The Compensation Committee met five (5) times in 2015.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and recommends to the Board of Directors a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

The members of the Nomination/Governance Committee since June 2015 have been Mr. Redleaf, Mr. Bossidy and Mr. Byrd, and Mr. Redleaf has served as the Chair of the Nomination/Governance Committee. Upon the election of the proposed Directors, Mr. Redleaf will continue to be Chair of the nomination/Governance Committee and Mr. Bossidy and Mr. Byrd will continue to serve as Nomination/Governance Committee members. Each current and proposed member of our Nomination/Governance Committee is independent as defined in the NYSE listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at [www.altisourceamc.com](http://www.altisourceamc.com) and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Nomination/Governance Committee in March 2016. The Nomination/Governance Committee met four (4) times in 2015.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NYSE listing standards. In addition, our Nomination/Governance Committee will take into account AAMC's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of our business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve our governance and strategic needs. The Nomination/Governance Committee will periodically review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be

identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the

9

recommendation and report of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Asset Management Corporation, 36C Strand Street, Christiansted, United States Virgin Islands 00820. You should provide each proposed nominee's name, biographical data and qualifications. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director.

## Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved with the oversight of the Company's risk management.

The Board of Directors and the Audit Committee monitor AAMC's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs.

In its periodic meetings with the external auditors, the Audit Committee discusses the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. In addition, through regular reviews with management and, at times, certain employees of AAMC, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring our compensation policies and related risks.

The Board of Directors' role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts. Our Investment Committee, which is comprised of our Chairman and our Chief Executive Officer, has responsibility for assessing and managing the Company's risk exposure with respect to transactional and counterparty risk.

Mr. Byrd did not receive any shares due to his joining the Board on the first day of the 2015 to 2016 service year on June 11, 2015. The number of shares granted was based on a share price of \$1,090.26, which is the average of the high and low sales prices of our common stock on June 12, 2014. The value of the shares set forth in the table above is based on the average of the high and low sale prices of our common stock on the date of issuance, June 10, 2015.

On April 24, 2015, the Compensation Committee of the Board determined to pay an additional one-time fee of (3) \$25,000 to Mr. Bossidy in connection with his efforts in the first quarter of 2015 in connection with his services to the Board in renegotiating the new Asset Management Agreement with Residential.

### Equity Compensation

As part of Director compensation, through the 2015 Annual Meeting of Stockholders on June 3, 2015, our non-management Directors also received annually shares of common stock of AAMC with a fair market value of \$45,000 pursuant to the 2012 Equity Incentive Plan. "Fair Market Value" is defined as the average of the high and low prices of our common stock as reported on the applicable securities exchange on which AAMC is listed or quoted on the first day of the service year. Equity compensation is paid for the prior year of service after the annual organizational meeting of the Board of Directors, which immediately follows the Annual Meeting of Stockholders. Shares of our common stock will be awarded if the Director attends an aggregate of at least 75% of all meetings of the Board of Directors and committees thereof of which the Director is a member during the service year.

For Directors serving less than a full year, such Directors receive a pro rata portion of \$45,000 of shares of our common stock based on the high and low sales prices on the first day of his or her service year, multiplied by a fraction, the numerator of which is the number of days served and the denominator of which is 365 days.

In April 2015, the Compensation Committee determined to increase the equity portion of the annual Director compensation from \$45,000 to \$60,000 for the full service year. This change became effective on June 4, 2015, the first day of the 2015-2016 service year for our Directors. Based on this new equity compensation structure, we granted 374 restricted shares to each of Mr. Bossidy, Mr. Byrd and Ms. Kurland, based on the average of the high and low prices of AAMC Common Stock on June 4, 2015 of \$160.47 per share.

### Other Compensation

Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees.

Any Director compensation may be prorated for a Director serving less than a full one (1) year term as in the case of a Director joining the Board of Directors after an Annual Meeting of Stockholders but during the service year.

## COMPENSATION DISCUSSION AND ANALYSIS

### Introduction, Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with stockholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to increase stockholder value. We seek to promote individual service longevity and to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of peer companies. To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

- compensation programs for our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and General Counsel and Secretary;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide and
- the reasons for the compensation decisions we have made regarding these individuals.

Our named executive officers for 2015 were:

Name	Position
George G. Ellison (1)	Chief Executive Officer
Robin N. Lowe (2)	Chief Financial Officer
Stephen H. Gray	General Counsel and Secretary
Kenneth D. Najour (2)	Chief Accounting Officer
Ashish Pandey (3)	Former Executive Chairman and Chief Executive Officer

(1) Mr. Ellison became our Chief Executive Officer on February 17, 2015.

(2) Mr. Lowe became Chief Financial Officer on October 8, 2014. Mr. Najour served as our Chief Financial Officer until October 8, 2014 and became Chief Accounting Officer on October 8, 2014.

(3) Mr. Pandey, who became Executive Chairman on January 16, 2015 and was our Chief Executive Officer until February 17, 2015, resigned from the Company effective June 30, 2015.

### Role of Executive Officers in Compensation Decisions

The Chief Executive Officer is involved in the design and implementation of our executive compensation and is typically present at Compensation Committee meetings, except that the Chief Executive Officer is not present during any voting or deliberations on his compensation. The Chief Executive Officer annually will review the performance of each executive officer (other than himself, whose performance is reviewed by the Compensation Committee) and present his conclusions and recommendations regarding incentive award amounts to the Compensation Committee for its consideration and approval. The Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer (other than with respect to himself) for development and execution. In connection with our 2014 year-end bonuses, both Mr. Pandey and Mr. Ellison were involved with, and recommended compensation for, our named executive officers other than Mr. Pandey. In connection with our 2015 year-end bonuses, Mr. Ellison was involved with, and recommended compensation for, our named executive officers other than him.

Compensation Consultant

To further the objectives of our compensation program, our Compensation Committee may conduct an analysis of the compensation levels of certain of our named executive officers in conjunction with an independent compensation

18

consultant. For year-end 2015 incentive compensation, our Compensation Committee obtained advice from F.W. Cook & Co. ("F.W. Cook") as an independent compensation consultant to consider and recommend year-end cash bonus compensation for our named executive officers. Using benchmarking against peer companies of Residential and analysis of the peer compensation of both internally-managed and externally managed companies with whom Residential competes and from whom the Company would retain and/or potentially lose talent for our Company, the Compensation Committee were advised by F.W. Cook and considered information about such peer companies to determine the year-end cash bonus compensation of our named executive officers. During 2015, the Compensation Committee also determined to raise the annual base compensation and bonus for Mr. Gray based, in part, on information provided by ExEquity LLC ("ExEquity") who it had retained as compensation consultant in connection with the Company's 2014 year-end bonus compensation. We did not make any other changes to the base and target incentive compensation of any of our other named executive officers during 2014.

If the Compensation Committee hires a compensation consultant, including ExEquity or F.W. Cook, for future periods, the consultant would be expected to provide research and present information to the Compensation Committee related to compensation trends and "best practices" in executive compensation among peer group companies in a similar line of business and of similar size to AAMC or Residential or any of AAMC's other potential advisory clients. Executive compensation data and other resources provided by the compensation consultant would be expected to set the foundation for the Compensation Committee's review and analysis of executive compensation levels.

#### Employment Agreements

We currently do not have employment agreements with any of our named executive officers. However, our employment arrangements provided for a base salary and target incentive compensation for 2015 based on the satisfaction of relevant performance criteria. In addition, the executives may receive benefits such as participation in our health care plan and opportunity to participate in a contributory retirement plan. AAMC reimburses each executive for reasonable costs properly incurred by such executive in the course of his or her employment with us including, without limitation, reimbursement of relocation expenses, if relocation is required, and the provision of certain allowances as described in the Executive Compensation section below.

In addition, in the event that the executive's employment is terminated by us without "cause" the executive may receive severance benefits of up to six months' base salary. "Cause" generally is defined as either (i) any willful or grossly negligent conduct (including but not limited to fraud or embezzlement) committed by the executive in connection with his/her employment which conduct in the reasonable determination of the Board of Directors has had or will have a material detrimental effect on our business or (ii) the executive's conviction of, or entering into a plea of nolo contendere to, a felony involving fraud or embezzlement or such other crime which may bring disrepute upon us, whether or not committed in the course of his or her employment. In these instances, we would also pay standard relocation costs to relocate the executive to their previous domicile prior to being relocated to the U.S. Virgin Islands.

Each of our executives has executed a Data Privacy Agreement that provides for a covenant to maintain our confidential information and has entered into an intellectual property agreement providing that all developments by such executive shall be our property.

#### Elements of Compensation

The current compensation package for our named executive officers consists of base salary and annual incentive compensation. This compensation structure was developed in order to provide each named executive officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. We believe that the following elements of compensation are appropriate in light of our strategic initiatives, industry, current challenges and environment.

**Base Salary.** Base salaries for our named executive officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at similarly situated companies for similar positions.

Base salaries of the named executive officers are expected to be reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer's compensation in relation to other officers, the individual performance of the executive officer and our corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. Salary adjustment recommendations will be based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel. The Compensation Committee will set the base salary for the Chief Executive Officer and approve the base salaries for all other named executive officers.

Annual Incentive Compensation. Pursuant to our annual incentive philosophy, our executives can earn cash awards as determined by the Compensation Committee. Our philosophy provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below.

Each named executive officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. In 2015, 42-50% of total annual cash target compensation was payable only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage varies based upon the nature and scope of each named executive officer's responsibilities. The table below reflects the percentage of each named executive officer's target total annual cash compensation that was allocated to each of base salary and incentive compensation in 2014 and each named executive officer's actual total annual cash compensation that was allocated to each of base salary and incentive compensation in 2014:

Name	Base Salary % of Target Total Annual Cash Compensation in 2015	Incentive Compensation % of Target Total Annual Cash Compensation in 2015	Base Salary % of Actual Total Annual Cash Compensation in 2015	Incentive Compensation % of Actual Total Annual Cash Compensation in 2015
George G. Ellison	50%	50%	40%	60%
Robin N. Lowe	50%	50%	45%	55%
Stephen H. Gray	58%	42%	58%	42%
Kenneth D. Najour	50%	50%	61%	39%
Ashish Pandey	38%	62%	100%	0% (1)

(1) Mr. Pandey departed AAMC prior to the end of 2015. Therefore, Mr. Pandey did not receive any cash year-end bonus compensation.

Our annual incentive-based cash compensation is structured to motivate executives to achieve pre-established key performance indicators by rewarding the executives for such achievement. This is accomplished by utilizing a balanced scorecard methodology which incorporates multiple financial and non-financial performance indicators developed through our annual strategic planning process to enhance Company performance and long-term stockholder value. This corporate scorecard is approved annually by the Compensation Committee and/or the full Board of Directors and is utilized by the Compensation Committee as a factor to determine the appropriate amount of incentive compensation to be paid to the Chief Executive Officer and other executive officers. During development of the corporate scorecard each year, the Compensation Committee considers the level of difficulty associated with attainment of each goal in the scorecard. The intent of the Compensation Committee is to establish the target goal at a level that is challenging to achieve. For 2015, our corporate scorecard was approved by our Board of Directors at its meeting on March 10, 2015 and subsequently amended throughout the year in additional Board of Directors meetings.

Our corporate scorecard for 2015, as amended, and corresponding achievement levels are detailed below:

The incentive award for our Chief Executive Officer and each of our other named executive officers is structured so that compensation opportunities are related to (i) our performance versus the objectives established in the corporate scorecard as described above and (ii) an individual performance appraisal.

The components in each scorecard are weighted individually based on relevance to our ultimate performance and the achievement of our corporate strategy as well as the strategic development of our primary client, Residential. Within each component of the scorecard, there are three (3) established levels of achievement: threshold, target and outstanding. Each level of achievement is tied to a relative point on a percentage scale which indicates the executive officer's level of goal achievement within each component of the scorecard.

The goals and initiatives are further cascaded down through the organization to all of our incentive eligible employees in their personal scorecards which are tied to performance against goals that are directly linked to the achievement of our corporate strategic initiatives and the corporate strategic initiatives of Residential. The scorecards are communicated to all incentive eligible employees by the employee's immediate supervisor, which in the case of our named executive officers other than our Chief Executive Officer is Mr. Ellison. The evaluation of Mr. Ellison's performance is communicated to him by the Compensation Committee. This incentive compensation structure is intended to align the goals of our incentive eligible employees with the overall success of AAMC and Residential while establishing clear performance standards within their respective business or support units.

The 2015 personal scorecards for Mr. Ellison and each of Messrs. Lowe, Gray and Najour are provided in the table below. The 2015 scorecard for Mr. Pandey not included in the table below, because he received no annual cash incentive compensation due to his departure from AAMC in June 2015.

As noted above, the Chief Executive Officer, Mr. Lowe and Mr. Gray have 20% of their incentive compensation determined by their performance appraisal for the service year and Mr. Najour had 50% of his incentive compensation determined by his performance appraisal for the service year. Our Chief Executive Officer utilizes the assessments of each executive officer's performance against these assessments, as well as his own observations, to prepare a written performance appraisal for each of the other executive officers. These performance appraisals rate performance based on objective criteria related to two key factors: (i) the executive's ability to improve and develop their organization throughout the year and (ii) the executive's strategic contributions to the direction of the Company. The Chief Executive Officer's scorecard performance and personal performance appraisal are determined by the Compensation Committee, taking into consideration whether our performance and corresponding incentive results present a fair representation of the Chief Executive Officer's performance.

For our executives other than the Chief Executive Officer, the Chief Executive Officer presents the personal scorecard performance and the performance appraisal scores to the Compensation Committee and makes recommendations as to the incentive compensation for each executive officer. The Compensation Committee evaluates the recommendations in light of overall performance and the executive's business unit or support unit's performance and makes the final compensation award determinations for each executive. Annual incentive compensation is paid to our executives and other incentive eligible employees following this determination. For 2015, incentive compensation was awarded accordingly. Please see the Summary Compensation Table under "Executive Compensation" for the actual amounts awarded for 2015 performance.

Following these procedures and the ratings of achievement against their 2015 scorecards, the Compensation Committee determined to award the following: Mr. Ellison received 150% of his aggregate target cash bonus opportunity, Mr. Lowe received 122% of his aggregate target cash bonus opportunity, Mr. Gray received 100% of his aggregate bonus opportunity and Mr. Najour received 64% of his target cash bonus opportunity.

In determining the bonuses for Messrs. Ellison and Lowe, the Compensation Committee considered the valuable and substantial contributions Messrs. Ellison and Lowe had made to our Company in 2015, the importance to us of retaining and incentivizing Messrs. Ellison and Lowe, the fact that the restricted stock that had been granted to Messrs. Ellison and Lowe had not begun to vest, unlike the restricted stock that had been granted to Messrs. Gray and Najour, and the analysis prepared by F.W. Cook comparing our compensation structure to those of companies in the industry in which we compete. The Compensation Committee determined to keep Mr. Gray's bonus at 100% of his target incentive compensation due to the fact that Mr. Gray's base compensation and target bonus opportunity were increased by the Compensation Committee by approximately 40% in March of 2015, which was meant to address the substantial contributions and efforts by Mr. Gray in and prior to 2015. In considering the bonus for Mr. Najour, the Compensation Committee determined to maintain Mr. Najour's compensation equal to his prior year's compensation in light of his continuing movement to the business and strategic side of AAMC's business and his involvement in analyzing and advising Mr. Ellison in developing additional business initiatives for AAMC. All of these incentive bonus amounts were paid in March 2016.

2016 Annual Incentive Compensation. Generally, in the March meetings of the Board of Directors and Board Committees of each fiscal year, the Compensation Committee approves the corporate scorecard and annual incentive components for the Chief Executive Officer and other named executive officers for the upcoming year. The Compensation Committee determined that the following strategic initiatives were important and would be considered in determining the 2016 cash incentive compensation for our named executive officers:

- AAMC's financial performance;
- AAMC's diversification of business and increased revenue stream;
- Residential's financial performance;
- achieving targeted growth of Residential's rental portfolio;
- capital markets and purchase transactions for Residential;
- maintaining or increasing financing capability and liquidity for Residential; and
- maintaining REIT compliance for Residential, and corporate governance and regulatory compliance for AAMC.

#### Equity Incentive Plan

Prior to our separation from Altisource, our prior Board of Directors and Altisource, as AAMC's sole stockholder, approved and implemented the 2012 Equity Incentive Plan. The purpose of the 2012 Equity Incentive Plan is to provide additional incentives to key employees, Directors and other key individuals to make extraordinary contributions to the Company, to assist with the retention of key employees, Directors and other key individuals and to align their interests with the interests of our stockholders. The 2012 Equity Incentive Plan is administered by the

Compensation Committee, who authorizes the award of restricted stock, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2012 Equity Incentive Plan, if any, may be either “incentive stock options” as defined in Section 422 of the United States Internal Revenue Code of 1986, as amended (the “Code”), or nonqualified stock options, as determined by the Compensation Committee. Currently, other than restricted stock awards with vesting terms, the Compensation Committee does not expect to grant any options, stock appreciation rights, stock purchase rights or other equity based awards under the 2012 Equity Incentive Plan.

Each restricted stock award granted under the 2012 Equity Incentive Plan is, and will be, evidenced by a written award agreement between the participant and us, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future award.

Our restricted shares of common stock vest subject to the achievement of stock performance hurdles AAMC, generally related to the performance of AAMC stock price since the date of grant.

If an award recipient's service with AAMC or any of its affiliates is terminated prior to full vesting of the restricted stock, then the award recipient will forfeit all unvested restricted stock to AAMC, except that if (i) an award recipient's service is terminated either by us (or an affiliate) without cause or due to death or disability and (ii) a performance hurdle has already been achieved or is achieved within ninety days of termination, unvested stock for the corresponding tranche will continue to vest; provided that the recipient was employed by AAMC or its affiliates for at least two years prior to termination.

Any future awards of restricted stock by us may be subject to vesting requirements determined from time to time by the Compensation Committee, which may be different from or similar to the vesting requirements set forth above.

In line with the objectives of our compensation philosophy, on October 8, 2014, Mr. Lowe was granted 21,898 restricted shares of common stock with an aggregate grant date fair value of \$14,399,269 and on February 17, 2015, Mr. Ellison was granted 44,132 restricted shares of common stock with an aggregate grant date fair value of \$7,989,524. On December 31, 2015, in light of market conditions and to better incentivize Messrs. Ellison and Lowe due to the significant drop in the market value of their unvested shares of restricted stock (the market value of the restricted stock granted to Mr. Ellison dropped from \$7,989,524 at the grant date to \$731,782 as of December 31, 2015 and the market value of the restricted stock granted to Mr. Lowe dropped from \$14,399,269 at the grant date to \$341,281 as of December 31, 2015), the Compensation Committee determined to amend the vesting price performance hurdles for their restricted stock as more fully described in the footnotes to the table entitled "Outstanding Equity Awards at Fiscal Year-End" on pages 27-28 below. As a result of these amendments, the market value of the 44,132 shares and 21,898 shares restricted stock held by Mr. Ellison and Mr. Lowe as of December 31, 2015 increased by \$22,066 and \$32,681, respectively, to \$753,848 and \$373,963, respectively. In connection with these amendments, AAMC took a non-cash charge as of December 31, 2015 in the aggregate amount of \$54,747 to reflect the increase in market value of their restricted stock as of the amendment date.

#### Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and to align their interests with the interests of our stockholders.

The Compensation Committee believes that our various equity incentive plans are adequate to achieve this philosophy. We also maintain an insider trading policy detailing our trading window period for Directors, executive officers and other employees.

#### Other Compensation

The Compensation Committee's policy with respect to other employee benefit plans is to provide benefits to our employees, including executive officers, which are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change in Control

Below is a description of the amounts payable to each executive officer, assuming the executive's employment had terminated under various scenarios as of December 31, 2015 (the last business day of fiscal year 2015). Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

Under our employment arrangements with each of Messrs. Ellison, Lowe, Gray and Najour, in the event that his employment is terminated by us without “cause,” he may receive severance benefits of up to six months’ base salary. In these instances, we would also pay standard relocation costs to relocate the executive to his previous domicile prior to being relocated to the U.S. Virgin Islands. If any of our executives’ employment is terminated for cause, his employment may be terminated without notice and with no liability to make any further payment to him, other than amounts accrued and unpaid as of the date of his termination.

In order to obtain the benefits provided under each executive’s termination provisions, the executive would first be required to execute a release of claims with us that will include a waiver and release of any and all claims he may have against us. As of December 31, 2015, the separation payment each executive would have received upon termination, other than for cause, based on a six-month separation payment, would have been \$225,000 for Mr. Ellison, \$225,000 for Mr. Lowe, \$175,000 for Mr. Gray and \$103,075 for Mr. Najour, as well as six months of medical insurance benefits for continued medical insurance benefits with a value of approximately \$16,435 for Mr. Ellison, \$7,880 for Mr. Lowe, \$10,368 for Mr. Gray and \$12,005 for Mr. Najour.

The Compensation Committee may in its discretion revise, amend or add to the benefits of each executive officer.

None of our executive officers currently has an arrangement in which they would be entitled to a payment on a change of control, other than payments for termination described above to the extent the surviving party in a change of control transaction assumes the employment arrangements described above.

#### Report of the Compensation Committee

APPROVAL OF THE ADOPTION OF THE 2016 EMPLOYEE PREFERRED STOCK PLAN  
(Proposal Three)

Our Board of Directors, upon the recommendation of the compensation committee, has adopted the 2016 Employee Preferred Stock Plan for employees who are U.S. Virgin Islands residents (the “2016 Preferred Stock Plan”), subject to approval of our stockholders. The full text of the 2016 Preferred Stock Plan is attached to this Proxy Statement as Appendix A. The following description of the material features of the 2016 Preferred Stock Plan is qualified in its entirety by reference to the text of the 2016 Preferred Stock Plan.

Description of the 2016 Preferred Stock Plan

**Purpose.** The Company has adopted the 2016 Preferred Stock Plan to induce certain employees to become employed and remain employees of the Company in the U.S. Virgin Islands and any of its future U.S. Virgin Islands subsidiaries, to encourage ownership of shares of one or more series of Preferred Stock, par value \$0.01 per share (the “Preferred Stock”) in the Company by bona fide U.S. Virgin Islands resident employees and to provide additional incentives for such employees to promote the success of the Company’s business.

**Administration.** Unless otherwise determined by the Board of Directors, the 2016 Preferred Stock Plan will be administered by a committee of the Board of Directors, which shall initially be the Compensation Committee (the “Committee”). Members of the Committee must be (i) “non-employee directors” within the meaning of Rule 16b-3 under the Securities Exchange Act of 1934, (ii) “independent directors” under rules adopted by the principal exchange on which our shares of common stock are listed and (iii) to the extent applicable, “outside directors” under Section 162(m) of the Internal Revenue Code.

The Committee has complete, full and final authority to: designate participants; determine the types of allocations of Preferred Stock (“Allocations”); determine the numbers of shares of Preferred Stock to be awarded under each Allocation; interpret and administer the 2016 Preferred Stock Plan and any agreements and Allocations thereunder; prescribe forms of each Preferred Stock Agreement (each, an “Allocation Agreement”); adopt, amend, suspend, waive and rescind such rules and regulations as are necessary or advisable to administer the 2016 Preferred Stock Plan; correct any defect, supply any omission, reconcile any inconsistency, resolve any ambiguity and construe and interpret the 2016 Preferred Stock Plan and rules, regulations, Allocation Agreements and other instruments and awards entered into thereunder, make all other decisions and determinations required under the 2016 Preferred Stock Plan or deemed necessary or advisable for the administration of the 2016 Preferred Stock Plan; and make filings and take actions required by appropriate state, regulatory and governmental agencies.

The Committee may delegate to officers, managers and/or agents of the Company and its subsidiaries the authority to perform administrative and other functions under the 2016 Preferred Stock Plan, subject to terms determined by the Committee and applicable legal and regulatory requirements.

**Shares Subject to 2016 Preferred Stock Plan.** Awards may be granted under the 2016 Preferred Stock Plan in a maximum number of 100,000 shares of our Preferred Stock, subject to adjustment as provided under the 2016 Preferred Stock Plan. This share reserve will be reduced by the number of shares of our Preferred Stock subject to outstanding Allocations. If all or a portion of an Allocation is forfeited, terminated or paid in a form other than shares of our Preferred Stock, then the shares subject to that Allocation or portion thereof will again be available for issuance under the 2016 Preferred Stock Plan. The share reserve may consist, in whole or in part, of authorized and unissued shares of our Preferred Stock in any series of Preferred Stock, including mandatorily repurchased shares of our Preferred Stock upon departure, for any reason, of any employee who received an Allocation of Preferred Stock under the 2016 Preferred Stock Plan.

Eligible Participants. Awards under the 2016 Preferred Stock Plan may be granted only to employees of AAMC or any of its U.S. Virgin Islands subsidiaries who are bona fide residents of the U.S. Virgin Islands. The reason for this is that only U.S. Virgin Islands resident employees are entitled to receive the tax benefits of receiving shares of Preferred Stock, including, in particular, the tax benefits on dividends, if any, declared and paid on the shares of Preferred Stock to such U.S. Virgin Islands resident employees.

#### Allocations of Preferred Stock under the 2016 Preferred Stock Plan

General. Allocations of Preferred Stock in one or more series may be granted to eligible participants in the form of restricted shares of Preferred Stock. Each Participant who shall be allocated shares of Preferred Stock under an Allocation shall purchase the shares of Preferred Stock from the Company at a purchase price of \$10.00 per share, or such person shall have allocated to their taxable income in the pay period in which they received the Preferred Stock in the amount of \$10.00 per allocated share. Failure by a Participant to purchase and pay for, or have allocated to him or her income equal to \$10.00 per share of allocated Preferred Stock for, all of the shares of Preferred Stock allocated to him or her within thirty days after he or she shall have been given written notice of such allocation shall result in a cancellation of such allocation and he or she shall no longer have the right to purchase the same under the 2016 Preferred Stock Plan.

Restrictions on Shares of Preferred Stock Allocated under the 2016 Preferred Stock Plan. Except as otherwise provided in the 2016 Preferred Stock Plan, the shares of Preferred Stock allocated to a Participant may not be sold, assigned, transferred or otherwise disposed of, and may not be pledged or hypothecated for any reason, other than sales of the shares of Plan Preferred Stock back to the Company upon termination of his or her employment for any reason. These stock restrictions shall remain in full force and effect for the entire life of the 2016 Preferred Stock Plan.

If the Participant to whom shares of Preferred Stock have been allocated as of any Allocation date leaves the employ of AAMC and any of its U.S. Virgin Islands subsidiaries for any reason, he or she shall be obligated to redeliver such shares of Preferred Stock to AAMC immediately and AAMC shall pay to him or her, in redemption of such shares, an amount equal to the price paid by the Participant or allocated to him or her by the Company for such shares of Preferred Stock.

Upon issuance of the certificate or certificates for the shares of Preferred Stock in the name of a Participant, the Participant shall thereupon be a stockholder with respect to all the shares of Preferred Stock represented by such certificate or certificates and shall have the rights of a stockholder with respect to such shares of Preferred Stock, including the right to receive all dividends paid with respect to such shares of Preferred Stock.

Restrictions on Transferability of Preferred Stock. Each Participant receiving shares of Preferred Stock shall (a) agree that such shares of Preferred Stock shall be subject to, and shall be held by him or her in accordance with all of the applicable terms and provisions of, the 2016 Preferred Stock Plan, (b) represent and warrant to the Company that he or she is acquiring such shares of Preferred Stock for investment for his or her own account, and, in any event, that he or she will not sell or otherwise dispose of said shares other than sales back to AAMC upon termination of his or her employment for any reason. The foregoing agreement, representation and warranty shall be contained in a Preferred Stock Allocation Agreement which shall be delivered by the Participant to AAMC. The Committee shall adopt, from time to time, such rules with respect to the 2016 Preferred Stock Plan as it deems appropriate and failure by a Participant to comply with such rules shall result in the termination of any allocated shares of Preferred Stock to such Participant.

Adjustment Provisions. In the event that a dividend shall be declared upon the Preferred Stock payable in shares of the Preferred Stock, the number of shares of the Preferred Stock then subject to any Preferred Stock Allocation Agreement and the number of shares of the Preferred Stock reserved for issuance in accordance with the provisions of the 2016 Preferred Stock Plan but not yet issued shall be adjusted by adding to each such share the number of shares which would be distributable thereon if such shares had been outstanding on the date fixed for determining the stockholders entitled to receive such stock dividend. In the event that the outstanding shares of the Preferred Stock shall be changed into or exchanged for a different number or kind of shares of Preferred Stock or other securities of AAMC or of another U.S. Virgin Islands corporation, whether through reorganization, recapitalization, stock split-up,

combination of shares, sale of assets, merger or consolidation in which AAMC is the surviving corporation, then, there shall be substituted for each share of the Preferred Stock then subject to a Preferred Stock Allocation Agreement and for each share of the Preferred Stock reserved for issuance in accordance with the provisions of the 2016 Preferred Stock Plan but not yet issued, the number and kind of shares of stock or other securities into which each outstanding share of the Preferred Stock shall be so changed or for which each such share shall be exchanged.

In the event of any other change in or conversion of our Preferred Stock subject to the 2016 Preferred Stock Plan, the Committee may adjust the outstanding awards and other amounts provided in the 2016 Preferred Stock Plan in order to prevent the dilution or enlargement of rights of participants.

**Change of Control.** In the event of a change of control of AAMC, unless otherwise provided in an award agreement, the Committee may adjust terms and conditions of outstanding Allocations, including by providing for (i) continuation or assumption of outstanding Allocations, (ii) substitution of outstanding Allocations for new Allocations, and/or (iii) in a transfer of all or substantially all of AAMC's outstanding shares of Preferred Stock issued under the 2016 Preferred Stock Plan for cash, providing for cancellation of outstanding Allocations for cash, shares, other property or a combination having fair value (as determined by the Committee) equal to such Allocations.

**Amendment and Termination.** The Board of Directors may amend, alter, suspend, discontinue or terminate the 2016 Preferred Stock Plan without the consent of stockholders or participants. However, without stockholder approval, no such action may be made if stockholder approval is required by any law or regulation or by the rules of any stock exchange on which the Company's shares of common stock are listed, or if the Board of Directors in its discretion determines that obtaining stockholder approval is for any reason advisable. Furthermore, without the written consent of a Participant, no amendment, alteration, suspension, discontinuation or termination of the 2016 Preferred Stock Plan may materially and adversely affect the rights of such Participant under any outstanding Allocation.

The Committee may, consistent with the terms of the 2016 Preferred Stock Plan, waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue or terminate, any outstanding award, prospectively or retrospectively. However, without the consent of a Participant, no amendment, alteration, suspension, discontinuation or termination of any award may materially and adversely affect the rights of such participant under any outstanding Allocation. Furthermore, other than pursuant the adjustment provisions of the 2016 Preferred Stock Plan, the Committee may not without stockholder approval take any action with respect to an Allocation of Preferred Stock that would be treated as a repricing under the rules and regulations of the principal U.S. national securities exchange on which AAMC's shares of common stock or preferred stock are listed.

**Withholding .** To the extent required by law, a participant must make arrangements for the satisfaction of withholding tax obligations, if any, that arise in connection with an Allocation. The Company is not required to issue any shares of Preferred Stock or make any other payment under the 2016 Preferred Stock Plan until such obligations are satisfied. The Company may withhold from any award granted or any payment due under the 2016 Preferred Stock Plan amounts of withholding taxes due with respect to an Allocation, to the extent of any income deemed received by the employee over the \$10.00 per share purchase price, its exercise or any payment thereunder, and to take such other actions as are necessary or advisable to satisfy tax payment obligations, including withholding or receiving shares of Preferred Stock, Allocations or other property and making cash payments in respect thereof in satisfaction of tax obligations. Any shares of Preferred Stock that are so withheld would not be available for future awards under the 2016 Preferred Stock Plan.

**Effective Date and Term.** The 2016 Preferred Stock Plan will become effective on May 26, 2016, assuming our stockholders approve the 2016 Preferred Stock Plan at the Annual Meeting. Such adoption must be approved by a majority of the votes cast at a duly held meeting of the Company's common stockholders at which a quorum representing a majority of the outstanding voting stock of the Company is present and voting (whether in person or by proxy). No Allocation of Preferred Stock under the 2016 Preferred stock Plan may be made unless and until such stockholder approval is obtained. In the event such stockholder approval is not obtained, there will be no Allocations of Preferred Stock under the 2016 Preferred Stock Plan and any Allocations that may have granted under the 2016 Preferred Stock Plan will automatically be deemed void and of no effect.

Certain U.S. Virgin Islands Income Tax Consequences . The following is a brief description of certain U.S. Virgin Islands income tax consequences that will generally apply to Allocations of Preferred Stock to bona fide U.S. Virgin Islands residents under the 2016 Preferred Stock Plan based on current tax law. This summary is not intended to be exhaustive, and, among other things, it does not address any Federal U.S., local (non-U.S. Virgin Islands territorial) and other tax consequences. Participants should not rely on this discussion for individual tax advice, as each Participant's situation and the tax consequences of Allocations and dividends thereon and disposing of the underlying shares of Preferred Stock to the Company will vary depending upon the specific facts and circumstances involved. Each Participant is advised to consult with his or her own tax advisor.

Each Participant who receives an allocation of Preferred Stock under the 2016 Preferred Stock Plan will not be taxed upon the allocation of such Preferred Stock if the Participant pays the \$10.00 per share of Preferred Stock allocated to him or her. The Company has retained the services of Murray Devine & Co. Inc. to value the shares of Preferred Stock to be allocated to a Participant. Based on the terms of the 2016 Preferred Stock Plan, including the transfer restrictions, the discretionary nature of dividends that can be declared and the possibility that no such dividends are declared on the Preferred Stock, and the fact that the Participant must re-sell the shares of Preferred Stock back to the Company at \$10.00 per share upon his or her termination of employment for any reason, Murray Devine has provided advice that the value of the shares of Preferred Stock to be issued under the 2016 Preferred Stock Plan will have a value of approximately \$11.78 per share if such shares were granted as of April 11, 2016, although the actual value of Preferred Stock actually granted may be different depending on a number of factors, including, but not limited to, the Company's market valuation as of the date of grant, continuing operating results and other related factors. Therefore, there may be additional value received by each Participant upon an Allocation in addition to the \$10.00 per share will be received by the Participants depending on the facts and circumstances on each Allocation date. In the event the Participant does not pay the \$10.00 per share of Preferred Stock Allocated to him or her, the Participant will be taxed in U.S. Virgin Islands applicable tax rates on the value of \$10.00 per share plus any additional value of the shares of Preferred Stock on each Allocation date.

In the event a Participant qualifies as a bona fide U.S. Virgin Islands resident or a U.S. Virgin Islands resident for income tax purposes, the Participant will receive a 90% tax credit against the tax otherwise due on all dividends declared and paid on the Preferred Stock allocated to him or her under the 2016 Preferred Stock Plan. The U.S. Virgin Islands tax rates are identical to the U.S. Federal Income Tax rates under the Internal Revenue Code, since the U.S. Virgin Islands uses a mirror code to the Internal Revenue Code. Under the Internal Revenue Code, dividends are taxed at a maximum rate of 20%, so the 90% tax credit would be applicable to the 20% tax amount ordinarily payable on the dividend amount received. For illustrative purposes, if a bona fide U.S. Virgin Islands resident or a U.S. Virgin Islands resident for income tax purposes receives a dividend in a taxable year of \$100,000, the tax on the dividend would be 20%, or \$20,000, and the Participant would receive a 90% tax credit on such \$20,000 tax amount. In this example, the U.S. Virgin Islands resident Participant's tax on such dividend would be \$2,000.

#### New Plan Benefits

Subject to approval of our stockholders at the Annual Meeting and the approval of the holders of at least a majority of the Series A Preferred Stock of the Company, Allocations of Preferred Stock are expected to be made to our executive officers and employees who are U.S. Virgin Islands residents under the 2016 Preferred Stock Plan. Such allocations are discretionary and undetermined at this time. No equity or equity-based awards have previously been made by us to executive officers or employees under any other compensatory plan or arrangement, other than the awards to executive officers and employees under the Company's 2012 Equity Incentive Plan as described above in "Executive Compensation."

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU

## BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

### Related Party Transaction Policy

The Board of Directors has adopted a policy and procedure for the review, approval and monitoring of transactions involving AAMC and related persons (Directors and named executive officers or their immediate family members or stockholders owning 5% or greater of the Company's outstanding stock) within our written Code of Business Conduct and Ethics, which is available at [www.altisourceamc.com](http://www.altisourceamc.com). The policy and procedures are not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules as the policies and procedures broadly cover any situation in which a conflict of interest may arise.

Any situation that potentially involves a conflict of interest is to be immediately disclosed to the Company's General Counsel who, in consultation with management and the Audit Committee chair and with outside counsel, as appropriate, must assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel will notify the Chair of the Audit Committee if any such situation requires notice to or approval of the Audit Committee of the Board of Directors.

Related persons are required to obtain the approval of the Audit Committee of the Board of Directors for any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including, but not limited to, (i) whether the transaction is in the best interests of AAMC; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to AAMC.

Accordingly, Ocwen and Altisource are no longer related parties of AAMC.

### Relationship with Residential

#### Asset Management Agreement with Residential

On December 21, 2012, we entered into the Original AMA. On March 31, 2015, we entered into the New AMA with Residential and its subsidiary, Altisource Residential, L.P.

#### Terms of the New AMA

The New AMA, which became effective on April 1, 2015, provides for a new management fee structure which replaces the incentive fee structure under the Original AMA as follows:

**Base Management Fee.** We are entitled to a quarterly base management fee equal to 1.5% of the product of (i) Residential's average equity invested capital for the quarter multiplied by (ii) 0.25, while Residential has fewer than 2,500 single family rental properties actually rented ("Rental Properties"). The Base Management Fee percentage increases to 1.75% of equity invested capital while Residential has between 2,500 and 4,499 Rental Properties and increases to 2.0% of equity invested capital while Residential has 4,500 or more Rental Properties;

Incentive Management Fee. We are entitled to a quarterly Incentive Management Fee equal to 20% of the amount by which Residential's return on invested capital (based on AFFO, defined as Residential's net income attributable to holders of common stock calculated in accordance with GAAP plus real estate depreciation expense minus recurring capital expenditures on all of our real estate assets owned) exceeds an annual hurdle return rate of between 7.0% and 8.25% (depending on the 10-year treasury rate). The Incentive Management Fee increases to 22.5% while Residential has between 2,500 and 4,499 Rental Properties and increases to 25% while Residential has 4,500 or more Rental Properties; and

**Conversion Fee.** We are entitled to a quarterly conversion fee equal to 1.5% of the market value of the single-family homes leased by Residential for the first time during the quarter.

Residential has the flexibility to pay up to 25% of the incentive management fee to AAMC in shares of its common stock.

Under the New AMA, we will continue to be the exclusive asset manager for Residential for an initial term of 15 years from April 1, 2015, with two potential five-year extensions, subject to Residential achieving an average annual return on invested capital of at least 7% under our management. Under the New AMA, Residential will not be required to reimburse AAMC for the allocable compensation and routine overhead expenses of our employees and staff, all of which will now be covered by the Base Management Fee described above.

Neither party is entitled to terminate the New AMA prior to the end of the initial term, or each renewal term, other than termination by (a) Residential and/or AAMC “for cause” for certain events such as a material breach of the New AMA and failure to cure such breach, (b) Residential for certain “good reason events” such as its failure to achieve a return on invested capital of at least 7% for two consecutive fiscal years after the third anniversary of the New AMA, and (c) Residential in connection with certain change of control events.

In connection with the entry into the New AMA, we paid \$2,000,000 to Residential towards certain costs related to the New AMA and the termination of the Original AMA.

Under the terms of the New AMA, we accrued \$13,935,000 in Base Management Fees and \$1,037,000 of Conversion Fees payable by Residential for the year ended December 31, 2015. No Incentive Management Fee under the New AMA was payable to us during 2015 because our return on invested capital (as defined in the New AMA) for the three quarters covered by the new AMA was below the required hurdle rate.

#### Terms of the Original AMA

Under the original AMA, AAMC provided substantially the same services to us as under the New AMA but with the following fee and other structures:

#### Incentive Management Fees

Under the Original AMA, Residential paid us a quarterly incentive management fee as follows:

- (i) 2% of all cash available for distribution by us to our stockholders and to AAMC as an incentive management fee, which we refer to as “available cash,” until the aggregate amount per share of available cash for the quarter (based on the average number of shares of our common stock outstanding during the quarter), which we refer to as the “quarterly per share distribution amount,” exceeds \$0.161, then
- (ii) 15% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.193, then
- (iii) 25% of all additional available cash for the quarter until the quarterly per share distribution amount exceeds \$0.257, and thereafter
- (iv) 50% of all additional available cash for the quarter.

Residential distributed any quarterly distribution to its stockholders after the application of the incentive management fee payable to us. Residential and we agreed that the first quarter management fees payable to us for the first quarter of 2015 would be \$14,900,000, which was the average of the estimated amounts payable under Original AMA and that would have been payable under the New AMA. Of \$14,900,000 paid for the first quarter, we reimbursed Residential \$6,906,000 because Residential's annual dividend was less than a projected \$2.20 per share annual dividend estimated in the calculation of the fee for the first quarter of 2015. As a result, under the terms of the Original AMA, we accrued \$7,994,000 in incentive management fees payable to us for the year ended December 31, 2015.

#### Expense reimbursement

Under the Original AMA, Residential was required to reimburse us for the (i) direct and indirect expenses we incurred or payments it made on Residential's behalf, including, but not limited to, the allocable compensation and routine overhead expenses of our employees and staff and (ii) all other reasonable operating and overhead expenses we incurred related to the services we provided to Residential.

For the year ended December 2015, Residential reimbursed us for expenses under the Original AMA in the amount of \$750,000.

#### Termination

Residential did not pay us any termination fee in connection with the termination of the Original AMA and entry into the New AMA.

#### NewSource Investment; Residential Investment in NewSource and subsequent Divestiture

On October 17, 2013, we invested \$2,000,000 in the voting common stock of our wholly-owned subsidiary, NewSource Reinsurance Company Ltd. ("NewSource"), an insurance and reinsurance company focused on real estate related insurance products in Bermuda. On October 17, 2013, Residential also invested we invested \$18.0 million in the non-voting preferred stock of NewSource.

On September 14, 2015, we made a contribution of an additional \$5,000,000 to the surplus capital of NewSource, and NewSource completed the repurchase of all of Residential's shares of non-voting preferred stock for aggregate proceeds of \$18.0 million, which was the aggregate par value of the shares being repurchased. Until September 10, 2015, Residential was eligible to receive a 12% annual cumulative preferred dividend on its investment. In connection with the repurchase of the NewSource preferred stock, NewSource also paid to Residential the accrued but unpaid dividend on its preferred shares from January 1, 2015 through September 10, 2015, of an aggregate of \$1.5 million.

#### Agreements with Altisource

##### Support Services Agreement

Under the support services agreement, Altisource may provide services to us in such areas as human resources, vendor management operations, corporate services, consumer psychology, legal, tax, compliance and other support services where we may need assistance and support. The support services agreement provides generally that Altisource will undertake to provide the support services in a manner generally consistent with the manner and level of care with which such service, if any, was performed or provided prior to our separation from Altisource. The term of the support services agreement was two years with automatic one-year renewals, but may be terminated earlier under certain circumstances including a default. The fees for all support services provided pursuant to the support services agreement is based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. "Fully-allocated cost" means, with respect to the provision of a "service," the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). Altisource will be required to submit statements of account on a monthly basis with respect to all amounts payable by us, setting out the support services provided and the amount billed as a result of providing such support services.

The total fees incurred by us under this agreement will be dependent on our business activity and the level of services required in connection therewith. In the event our asset management agreement with Residential expires or is terminated, the support services agreement will terminate within 30 days.

#### Trademark License Agreement

Under the trademark license agreement, Altisource granted us a non-exclusive, non-transferable, non-sublicensable, royalty free license to use the name “Altisource.” The agreement has no specified term and may be terminated by either party upon 30 days written notice, with or without cause. In the event that this agreement is terminated, all rights and licenses granted thereunder, including, but not limited to, the right to use “Altisource” in our name will terminate.

In the event our asset management agreement with Residential expires or is terminated, the trademark license agreement will terminate within 30 days.

#### Technology Services Agreement

Under the technology products and services agreement, Altisource provides us with the use of certain technology systems and services. The technology products and services agreement generally provides that Altisource will undertake to provide the technology systems and services in a manner generally consistent with the manner and level of care with which such technology systems and services, if any, were performed or provided prior to the separation. The technology products and services agreement has a term of 15 years but may be terminated earlier under certain circumstances including a default. We expect that all services provided pursuant to the technology products and services agreement will be based on the fully-allocated cost of providing the service.

The total fees incurred by us under this agreement are dependent upon our business activity and the level of services required in connection therewith.

#### Agreements with Ocwen

##### Support Services Agreement

Under the support services agreement, Ocwen provided services to us in such areas as business consulting with respect to purchases of assets for clients, capital markets, quantitative asset analytics, compliance and other support services where we may need assistance and support. The support services agreement is terminable at will by either party upon 30 days prior notice. The fees for all support services provided pursuant to the support services agreement will be based on the fully-allocated cost of providing the service or, with respect to statements of work entered into under the support services agreement, the amount set forth therein. “Fully-allocated cost” means, with respect to the provision of a “service,” the all-in cost of providing such service, including direct charges and allocable amounts reflecting compensation and benefits, technology expenses, occupancy and equipment expense and third-party payments (but not taxes incurred in connection therewith). The Ocwen support services agreement was terminated in February 2016.

##### Aircraft Time Sharing Agreement with Ocwen

On November 15, 2013, we entered into an Aircraft Time Sharing Agreement, or the “Timeshare Agreement,” with Ocwen pursuant to which Ocwen will make its corporate plane available to us for business-related travel from time to time. Under the Time Sharing Agreement, Ocwen agreed to provide us, on a time sharing basis, access to its plane in consideration of our reimbursement to Ocwen of the sum of its direct expenses of operating the plane plus an additional charge equal to 100% of such expenses. The amounts actually charged to us in any period will directly correlate to our use of the aircraft in each period, which will vary depending on our business needs. In 2015 none of our Directors, officers or employees utilized the Ocwen corporate plane, and no fees were payable by us under the Timeshare Agreement. The Timeshare Agreement was terminated in February 2016.

Equity Plans

Options Granted in Separation from Altisource

In connection with our separation from Altisource in December 2012, we adopted the 2012 Equity Plan and the 2012 Special Equity Incentive Plan. In order to effect the exchange ratio in connection with the separation, we issued options to purchase 242,771 shares of our common stock with a weighted average exercise price of \$1.52 per share

40

---

at December 31, 2012 under the 2012 Equity Plan to Altisource employees holding Altisource stock options immediately prior to the separation and receiving shares of common stock in the separation from Altisource, including options to purchase 3,003 shares to Mr. Pandey that were exercised by Mr. Pandey in September 2015 and options to purchase 89,972 shares to Mr. Erbey that expire on varying dates between January 2015 and July 2018. Mr. Erbey exercised all options that would have expired prior to their expiration dates, and as of January 1, 2015, had 83,427 remaining exercisable options. We also issued options to purchase 63,053 shares of our common stock with a weighted average exercise price of \$0.75 per share at December 31, 2012 under the Special Option Plan to non-employee holders of Altisource stock options. These options expire on the same dates as they expired under the Altisource plans. Because the options were granted as part of the separation to holders of Altisource stock options, no share-based compensation related to these options is included in our consolidated financial statements appearing in our Annual Report on Form 10-K. No additional shares of common stock are issuable under the 2012 Equity Plan other than shares of restricted stock issuable to our Directors and employees. No additional shares of common stock are issuable under the 2012 Special Equity Incentive Plan.
