holder on all matters presented to our stockholders other than director elections. With respect to the election of our directors, shares of Class B common stock initially entitle holders to only one vote per share of Class B common stock, though the voting power of Class B common stock with respect to the election of our directors may be increased to up to the number of votes to which a holder is then entitled on all other matters presented to stockholders. Holders of Class A common stock and Class B common stock vote together as a single class on the matters covered at the Annual Meeting, and their votes are counted and totaled together.

(c)Not applicable.

(d)As disclosed above, a majority of the votes cast voted, in a non-binding vote, in favor of having a shareholder vote to approve the compensation of the Company's Named Executive Officers every year. In light of such vote, and consistent with the Company's recommendation, the Company's Board of Directors determined that it currently intends to include an advisory vote to approve the compensation of the Company's Named Executive Officers every year until the next required vote on the frequency of shareholder votes on the compensation of the Company's Named Executive Officers.
